PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Swift Energy Company (the "Company") is filing contemporaneously with the Securities and Exchange Commission (the "Commission") a Current Report on Form 8-K under Item 4.02 reporting an error discovered in conjunction with the Company's preparation of its Form 10-Q for the period ended September 30, 2014. As disclosed in that Form 8-K, the error relates to the incorrect inclusion in prior periods of the tax effect of the Company's asset retirement obligations when computing the ceiling test limitation of its oil and natural gas properties under the full-cost method of accounting. The previously issued annual audited financial statements as of and for the year ended December 31, 2013, 2012 and 2011 (contained in its Form 10-K filed with the Commission on March 3, 2014) and its unaudited financial statements for the periods ended March 31, 2014 and June 30, 2014 (contained in its Forms 10-Q filed with the Commission May 1, 2014 and August 1, 2014, respectively), should no longer be relied upon and the Audit Committee of the Company's Board of Directors has determined that those financial statements will be restated. In the restated filings, in addition to the correction of this error, the Company will be correcting other previously identified immaterial errors for all applicable periods referred to above. For further detail, reference is made to the Company's Form 8-K filing dated November 12, 2014, being made contemporaneously.

Due to the date of discovery of this error and the time and effort required to restate prior period financial statements necessary to complete the preparation of its unaudited financial statements as of and for the period ended September 30, 2014, the Company was unable to file its Form 10-Q for the period ended September 30, 2014 on or before the prescribed due date of November 10, 2014; however, the Company intends to file its Form 10-Q for the period ended September 30, 2014 within the five day extension period provided by Rule 12b-25(b) of the Securities Exchange Act of 1934, as amended. For the reason stated above, the delay in filing the Company's Form 10-Q for the period ended September 30, 2014 could not be eliminated without unreasonable effort or expense.
