The following documents, which have been filed with the Securities and Exchange Commission (the "Commission") by Data I/O Corporation, a Washington corporation (the "Company"), are incorporated by reference in this Registration Statement, as of their respective dates:

- (a) the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007;
- (b) the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2008;

All documents filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended, subsequent to the date hereof and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities remaining unsold shall be deemed to be incorporated by reference herein and to be a part hereof from the respective dates of filing of such documents.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Company's articles of incorporation and bylaws limit the liability of the Company's directors to the fullest extent permitted by the Washington business corporation act (the "WBCA") as it currently exists or as it may be amended in the future. Consequently, subject to the WBCA, no director will be personally liable to the Company or its shareholders for monetary damages resulting from his or her conduct as a director, except liability for:

- acts or omissions involving intentional misconduct or knowing violations of law;
- u n l a w f u l distributions; or
- transactions from which the director personally receives a benefit in money, property or services to which the director is not legally entitled.

The Company's articles of incorporation also provide that the Company may indemnify any individual made a party to a proceeding because that individual is or was a director or officer of the Company, and this right to indemnification will continue as to an individual who has ceased to be a director or officer and will inure to the benefit of his or her heirs, executors or administrators. Any subsequent repeal of or modification to the Company's articles of incorporation will not adversely affect any right of a director or officer of ours who is or was a director or officer at the time of such repeal or modification. To the extent the provisions of the Company's articles of incorporation provide for indemnification of directors or officers for liabilities arising under the Securities Act of 1933, as amended (the "Securities Act"), those provisions are, in the opinion of the Commission, against public policy as expressed in the Securities Act and therefore unenforceable.

The Company's articles of incorporation and bylaws provide that the Company will indemnify its directors and officers and may indemnify its other employees and agents to the fullest extent permitted by law. The Company's directors, officers and employees also may be indemnified against liability they may incur for serving in that capacity pursuant to a liability insurance policy maintained by the Company for such purpose.

Item 9. Undertakings.

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
