2.11 Method Of Payment.

(i) Each Advance shall be repaid and each payment of interest thereon shall be paid in the currency in which such Advance was made. All payments of the Obligations hereunder shall be made, without setoff, deduction, or counterclaim, in immediately available funds to the relevant Funding Agent at (except as set forth in the next sentence) such Funding Agent's address specified pursuant to Article 13, or at any other Lending Installation of such Funding Agent specified in writing by such Funding Agent to all of the Borrowers, by

noon (local time) on the date when due and shall be applied ratably by the relevant Funding Agent among the Lenders. All payments to be made by any Borrower hereunder shall be made in such currency on the date due in such funds as may then be customary for the settlement of international transactions in such currency for the account of the relevant Funding Agent, at its Payment Office for such currency and shall be applied ratably by such Funding Agent among the applicable Lenders. Each payment delivered to the relevant Funding Agent for the account of any Lender shall be delivered promptly by such Funding Agent to such Lender in the same type of funds that such Funding Agent received, in the funds received from such Borrower at the address of such Funding Agent's Payment Office for such currency. Such Funding Agent is hereby authorized to charge any account of such Borrower maintained with such Funding Agent or any of its Affiliates for each payment of principal, interest and fees as it becomes due hereunder.

(ii) Notwithstanding the foregoing provisions of this Section, if, after the making of any Advance, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Advance was made (the "Original Currency") no longer exists or a Borrower is not able to make payment to the relevant Funding Agent for the account of the Lenders in such Original Currency, then all payments to be made by such Borrower hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Amount (as of the date of repayment) of such payment due, it being the intention of the parties hereto that such Borrower take all risks of the imposition of any such currency control or exchange regulations.

2.12 [Intentionally omitted]

2.13 Noteless Agreement, Evidence of Indebtedness.

(i) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of any Borrower to such Lender resulting from each Loan made by such Lender from time to time under the applicable Facility, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(ii) Each Funding Agent shall maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Facility, the Type of Advance, the Agreed Currency thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (c) the amount of any sum received by each Funding Agent hereunder from each Borrower and each Lender's share thereof

(iii) The entries maintained in the accounts maintained pursuant to paragraphs (i) and (ii) above shall be *prima facie* evidence of the existence and amounts of the Obligations therein recorded; *provided, however*, that the failure of any Funding Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Obligations in accordance with their terms.

(iv) Any Lender may request that its Loans be evidenced by a promissory note (a "Note"). In such event, each Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender in a form supplied by the relevant Funding Agent. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 12.3) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 12.3, except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (i) and (ii) above.

2.14 Telephonic Notices. Each Borrower hereby authorizes the Lenders and the Funding Agents to extend, convert or continue Advances, effect selections of Agreed Currencies and Types of Advances and to transfer funds based on telephonic notices made by any Authorized Officer or Authorized Officers, the relevant Agent or any Lender in good

faith believes to be acting on behalf of each such Borrower. Each Borrower agrees to deliver promptly to the relevant Funding Agent a written confirmation, if such confirmation is requested by such Funding Agent or any Lender, of each telephonic notice signed by an Authorized Officer. If the written confirmation differs in any material respect from the action taken by such Funding Agent and the Lenders, the records of such Funding Agent and the Lenders shall govern absent manifest error.

2.15 Interest Payment Dates, Interest and Fee Basis. Except for Floating Rate Advances under the US Facility and Canadian Prime Advances under the Canada Facility, interest accrued on each Advance shall be payable on the last day of its applicable Interest Period, on any date on which the Advance is prepaid, whether by acceleration or otherwise, and at maturity. Interest accrued on each Advance having an Interest Period longer than three months shall also be payable on the last day of each three-month interval during such Interest Period. Interest and facility fees shall be calculated for actual days elapsed on the basis of a 360-day year; *provided* that in the case of Canadian Prime Advances interest shall be calculated for actual days elapsed on the basis of a 364-day year. Interest shall be payable for the day an Advance is made but not for the day of any payment on the amount paid if payment is received prior to noon (local time) at the place of payment. If any payment of principal or interest on an Advance shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and, in the case of a principal payment, such extension of time shall be included in computing interest in connection with such payment.

Interest on Canadian Prime Advances available under the Canada Facility and on Floating Rate Advances available under the US Facility shall be payable monthly in arrears on each applicable Payment Date for the period up to but not including such Payment Date and shall be calculated on a daily basis on the principal amount of the Canadian Prime Advances or Floating Rate Advances, as applicable, remaining unpaid from time to time and on the basis of the actual number of days elapsed and a year of 365 days or 366 days, as the case may be.

2.16 Notification of Advances, Interest Rates, Prepayments and Commitment Reductions. Promptly after receipt thereof, the relevant Funding Agent will notify each Lender and the Administrative Agent of the contents of each Aggregate Commitment reduction notice in respect of any Facility, Borrowing Notice, Continuation Notice, and repayment notice received by it hereunder. The relevant Funding Agent will notify the applicable Lender of the interest rate applicable to each Advance promptly upon determination of such interest rate. The Reference Lender agrees to furnish timely information for the purpose of determining the Eurocurrency Rate.

2.17 Lending Installations and Lender Affiliates.

2.17.1 Lending Installations. Each Lender will book its Loans at the appropriate Lending Installation listed on Schedule 2 or such other Lending Installation designated by such Lender in accordance with the final sentence of this Section 2.17. All terms of this Agreement shall apply to any such Lending Installation and the Loans and any Notes issued hereunder shall be deemed held by each Lender for the benefit of any such Lending Installation. Each Lender may, by written notice to the relevant Funding Agent and each Borrower in accordance with Article 13, designate replacement or additional Lending Installations through which Loans will be made by it and for whose account Loan payments are to be made.

2.17.2 Lender Affiliates. Advances under the Euro Facility to Richardson Electronics Iberica, S.A. or any other Euro Borrower receiving proceeds of Eurocurrency Advances in Spain in an aggregate amount at any one time outstanding not in excess of EUR 4,000,000 shall be made by Bank One Europe Ltd., a company organised under the laws of the United Kingdom and all such Advances shall be deemed Advances by Bank One, NA London Branch in its capacity as a Lender hereunder for purposes of determining the available Commitment of Bank One, NA London Branch.

2.18 Non-Receipt of Funds by the Funding Agents. Unless the applicable Borrower or a Lender, as the case may be, notifies the relevant Funding Agent prior to the date on which it is scheduled to make payment to such Funding Agent

of (i) in the case of a Lender, the proceeds of a Loan or (ii) in the case of such Borrower, a payment of principal, interest or fees to such Funding Agent for the account of the applicable Lenders, that it does not intend to make such payment, such Funding Agent may assume that such payment has been made. Such Funding Agent may, but shall not be obligated to, make the amount of such payment available to the intended recipient in reliance upon such assumption. If such Lender or such Borrower, as the case may be, has not in fact made such payment to such Funding Agent, the recipient of such payment shall, on demand by such Funding Agent, repay to such Funding Agent the amount so made available together with interest thereon in respect of each day during the period commencing on the date such amount was so made available by such Funding Agent until the date such Funding Agent recovers such amount at a rate per annum equal to (i) in the case of repayment by a Lender with respect to a Non-US Facility, the Overnight Foreign Currency Rate for such day, (ii) in the case of repayment by a Lender with respect to the US Facility, the Federal Funds Effective Rate for such day and (iii) in the case of repayment by a Borrower, the interest rate applicable to the relevant Advance.

2.19 Market Disruption. (a) If, after the designation by the Lenders of any currency as an Agreed Currency, (x) currency control or other exchange regulations are imposed in the country in which such currency is issued with the result that different types of such currency are introduced, (y) such currency is, in the determination of any Funding Agent, no longer readily available or freely traded or (z) in the determination of such Funding Agent, an Equivalent Amount of such currency is not readily calculable, such Funding Agent shall promptly notify the Lenders and each Borrower, and such currency shall no longer be an Agreed Currency until such time as all of the Lenders agree to reinstate such currency as an Agreed Currency and promptly, but in any event within five Business Days of receipt of such notice from such Funding Agent, each Borrower shall repay all Loans in such affected currency or convert such Loans into Loans in another Agreed Currency, subject to the other terms set forth in Article 2.

(b) Notwithstanding the satisfaction of all conditions referred to in Article 2 and Article 4 with respect to any Advance in any Agreed Currency, if there shall occur on or prior to the date of such Advance any change in national or international financial, political or economic conditions or currency exchange rates or exchange controls which would in the reasonable opinion of any Funding Agent, the Administrative Agent or the Required Lenders make it impracticable for the Loans comprising such Advance to be denominated in the Agreed Currency specified by a Borrower, then such Agent shall forthwith give notice thereof to such Borrower and the Lenders, and such Loans shall not be denominated in such Agreed Currency but shall be made on such Borrowing Date in Euro, in an aggregate principal amount equal to the Euro Amount of the aggregate principal amount specified in the related Borrowing Notice or Continuation Notice, unless such Borrower notifies the relevant Funding Agent at least one Business Day before such date that (i) it elects not to borrow on such date or (ii) it elects to borrow on such date in a different Agreed Currency, as the case may be, in which the denomination of such Loans would in the opinion of such Funding Agent and the Required Lenders be practicable and in an aggregate principal amount equal to the Dollar Amount of the aggregate principal amount specified in the related Borrowing Notice or Continuation Notice, as the case may be.

2.20 Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from a Borrower hereunder in the currency expressed to be payable herein (the "specified currency") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent's main Chicago office on the Business Day preceding that on which final, non-appealable judgment is given. The obligations of any Borrower in respect of any sum due to any Lender or any Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Administrative Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender or the Administrative Agent (as the case may be) may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Lender or the Administrative Agent, as the case may be, in the specified currency, such Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding such judgment, to indemnify such Lender or the Administrative Agent, as the case may be, against such loss, and if

the amount of the specified currency so purchased exceeds (a) the sum originally due to any Lender or the Administrative Agent, as the case may be, in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 12.2, such Lender or the Administrative Agent, as the case may be, agrees to remit such excess to the Borrower.

2.21 Replacement of Lender. If a Borrower is required pursuant to Section 3.1, 3.2 or 3.5 to make any additional payment to any Lender or if any Lender's obligation to make, convert or continue Advances shall be suspended pursuant to Section 3.3 (any Lender so affected an "Affected Lender"), such Borrower may elect, if such amounts continue to be charged or such suspension is still effective, to replace such Affected Lender as a Lender party to this Agreement, *provided* that no Default or Unmatured Default shall have occurred and be continuing at the time of such replacement, and *provided further* that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to such Borrower and the Administrative Agent shall agree, as of such date, to purchase for cash the Advances and other Obligations due to the Affected Lender pursuant to an assignment substantially in the form of Exhibit H and to become a Lender for all purposes under this Agreement and to assume all obligations of the Affected Lender to be terminated as of such date and to comply with the requirements of Section 12.3 applicable to assignments, and (ii) such Borrower shall pay to such Affected Lender in same day funds on the day of such replacement all interest, fees and other amounts then accrued but unpaid to such Affected Lender by such Borrower hereunder to and including the date of termination, including without limitation payments due to such Affected Lender under Sections 3.1, 3.2 and 3.5.

2.22 Participations in Facilities. Each Lender with a Commitment under a Non-US Facility (hereinafter, each a "Participating Lender"), by its acceptance hereof, severally agrees to purchase, on the terms and conditions and at the times set forth in this Section 2.22, from any other applicable Lender with a Commitment under a Non-US Facility (hereinafter each a "Selling Lender") and each Selling Lender hereby agrees to sell to each Participating Lender, an undivided percentage participating interest in outstanding Advances made under each Non-US Facility in which such Selling Lender has a Commitment, which participation shall be determined in proportion that the ratio of each Participating Lender's Commitment under all Non-US Facilities bears to the Aggregate Commitment under all Non-US Facilities (hereinafter the "Participation Percentage"). Upon (i) the occurrence of a Default and (except in the case of a Default described in Section 7.6 or 7.7 hereof), (ii) the accrual of interest at rates applicable after Default as provided in Section 2.10 hereof, and (iii) the acceleration of the maturity of the Obligations pursuant to Section 8.1 hereof, or if any Selling Lender is required at any time to return to a Borrower or to a trustee, receiver, liquidator, custodian or other Person any portion of any payment of any Advance, each Participating Lender shall, to the extent necessary, not later than the third Business Day after the date on which such Participating Lender receives written demand from the Administrative Agent to such effect, if such demand is received before 11:00 a.m. (London time), pay to the applicable Funding Agent for the benefit of each applicable Selling Lender an amount equal to such Participating Lender's Participation Percentage of such unpaid or recaptured Advance, in the currency of such Advance so that, after giving effect to such adjustment, the outstanding principal amount of Advances of all applicable Lenders under the Non-US Facilities shall be *pro rata* based on the Lenders' Participation Percentages. Such purchase price shall be paid in the respective currencies of such outstanding Advances together with interest on such amount accrued from the date the related payment was due from such Participating Lender to the date of such payment by the Participating Lender at a rate per annum equal to the Overnight Foreign Currency Rate. Each such Participating Lender shall thereafter be entitled to receive its Participation Percentage of each payment received in respect of the relevant Advance and of interest and fees paid thereon from the date such Participating Lender funded to the Selling Lender its participation in such Advances. Each Borrower agrees that each Participating Lender shall be entitled to the benefit of Article 3 hereof to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.3 hereof and such benefits shall extend to each Participating Lender's obligation to participate under this Section 2.22.

The several obligations of the Participating Lenders to the Selling Lenders under this Section 2.22 shall be absolute, irrevocable and unconditional under any and all circumstances whatsoever and shall not be subject to any set-off, counterclaim or defense to payment which any Participating Lender may have or have had against the Borrowers, the

Agents, the Issuers, any other Lender or any other Person whatsoever. Without limiting the generality of the foregoing, such obligations shall not be affected by any Default or Unmatured Default or by the amount of any Commitment of any Lender, and each payment by a Participating Lender under this Section 2.22 shall be made without any offset, abatement, withholding or reduction whatsoever.

Each Selling Lender shall be entitled to, or entitled to direct the applicable Funding Agent to, offset amounts received under this Agreement for the account of a Participating Lender against unpaid amounts due hereunder from such Participating Lender to the applicable Selling Lender or the applicable Funding Agent (whether as fundings of participations or otherwise), but shall not be entitled to offset against amounts owed to the applicable Selling Lender or the applicable Funding Agent by any Participating Lender arising outside this Agreement. To the extent Bank of Montreal shall be a Participating Lender hereunder, any participation required of it pursuant to this Section 2.22 shall be purchased by and participated in by Harris Trust and Savings Bank, which shall be deemed the Participating Lender in respect of such amounts. To the extent LaSalle Business Credit, a division of ABN AMRO Bank N.V., Canada Branch shall be a Participating Lender hereunder, any participation required of it pursuant to this Section 2.22 shall be purchased by and participated in by LaSalle Bank National Association, which shall be deemed the Participating Lender in respect of such amounts.

2.23 Swing Line Commitment.

2.23.1 Swing Line Loans. The Swing Line Lender in its sole and absolute discretion, from and including the date of this Agreement and prior to the Facility Termination Date, may make, on a revolving credit basis, loans (collectively, "Swing Line Loans") in Dollars to the US-Borrower in such aggregate amounts as US-Borrower may from time to time request from the Swing Line Lender; *provided*, after giving effect to such Swing Line Loan, (i) the aggregate outstanding amount of all Swing Line Loans does not exceed the Swing Line Commitment, and (ii) US-Borrower's Swing Line Loans, plus its other Advances, plus its Facility Letter of Credit Obligations do not exceed the Aggregate US Facility Commitment. Subject to the terms of this Agreement, the US-Borrower may borrow, repay and reborrow Swing Line Loans at any time prior to the Facility Termination Date. All Swing Line Loans shall be Floating Rate Advances. No Swing Line Loan shall be used for the purpose of funding the payment of principal of any other Swing Line Loan. Each Swing Line Loan shall be in an amount of \$100,000 or an integral multiple of \$10,000 in excess thereof. The US-Borrower shall repay to the Administrative Agent for the account of the Swing Line Lender the outstanding principal amount of each Swing Line Loan on the earlier of the maturity date specified in the related notice of borrowing pursuant to Section 2.23.2 (which maturity shall be no later than the fifth Business Day after the requested date of such Swing Line Loan) and the Facility Termination Date.

2.23.2 Swing Line Loan Borrowing Procedures. The US-Borrower shall give written irrevocable notice or telephonic notice (followed immediately by written confirmation thereof) to the Swing Line Lender and the Administrative Agent of each proposed Swing Line Loan not later than 12:00 p.m. (Chicago time) on the proposed date of such Swing Line Loan. Each borrowing of a Swing Line Loan shall be on a Business Day. Each such notice shall be effective upon receipt by the Swing Line Lender and the Administrative Agent and shall specify the date, amount and maturity of such Swing Line Loan. If the Swing Line Lender elects to make the requested Swing Line Loan, the Swing Line Lender will, no later than 3:00 p.m. (Chicago time) on the date of a proposed Swing Line Loan, provide the Administrative Agent at the address specified pursuant to Schedule 1 with immediately available funds covering the amount of such Swing Line Loan and, so long as the Administrative Agent has not received written notice that the conditions precedent set forth in Article 4 with respect to such Swing Line Loan have not been satisfied, the Administrative Agent shall pay over the funds received by the Administrative Agent to the US-Borrower on the requested borrowing date.

2.23.3 Participations; Reimbursement by US Lenders. Upon the earlier of (a) a Business Day occurring no less frequently than weekly, as determined by the Administrative Agent and notice of which has been provided to the US Lenders and (b) the Business Day on which written demand by the Swing Line Lender,

with a copy of such demand to the Administrative Agent, is received by each US Lender (such date, the "Settlement Date"), each other US Lender shall purchase from the Swing Line Lender, and the Swing Line Lender shall sell and assign to each such other US Lender, such other US Lender's Percentage of such outstanding Swing Line Loans as of such Settlement Date, by making available for the account of the Swing Line Lender, by deposit at the office specified by the Administrative Agent, in same day funds, an amount equal to the portion of the outstanding principal amount, of such Swing Line Loans to be purchased by such US Lender. US-Borrower agrees to each such sale and assignment. If and to the extent any US Lender shall not have made the amount of such Swing Line Loan available to the Administrative Agent by 2:00 p.m. (Chicago time) on the Settlement Date (it being understood that any such notice received after noon (Chicago time) on any Business Day shall be deemed to have been received on the next following Business Day, such US Lender agrees to pay interest on such amount to the Administrative Agent for the Swing Line Lender's account forthwith on demand for each day from the date such amount was to have been delivered to the Administrative Agent to the date such amount is paid, at a rate per annum equal to the Federal Funds Effective Rate for such day for the first three days and, thereafter, the interest rate applicable to Swing Line Loans. Any US Lender's failure to make available to the Administrative Agent its Percentage of any such Swing Line Loan shall not relieve any other US Lender of its obligation hereunder to make available to the Administrative Agent such other US Lender's Percentage of such Swing Line Loan, but no US Lender shall be responsible for the failure of any other US Lender to make available to the Administrative Agent such other US Lender's Percentage of any such Swing Line Loan. If such US Lender shall pay to the Administrative Agent such amount for the account of the Swing Line Lender on any Business Day, such amount so paid in respect of principal shall constitute a Swing Line Loan made by such US Lender on such Business Day for purposes of this Agreement, and the outstanding principal amount of the Swing Line Loan made by the Swing Line Lender shall be reduced by such amount on such Business Day.

2.23.4 Rights as Lender. In its capacity as a Lender, the Swing Line Lender shall have the same rights and obligations as any other US Lender.

2.24 Facility Letters of Credit.

2.24.1 Obligation to Issue. From and including the date of this Agreement and prior to tenth (10th) Business Day prior to the Facility Termination Date, (i) the Administrative Agent agrees, on the terms and conditions set forth in this Agreement and on behalf of each of the US Lenders, to issue for the account of the US-Borrower one or more Facility Letters of Credit in accordance with this Section 2.24, and (ii) the Eurocurrency Agent agrees, on the terms and conditions set forth in this Agreement and on behalf of each of the UK Lenders, to issue for the account of the UK-Borrower one or more Facility Letters of Credit in accordance with this Section 2.24 (the Administrative Agent or Eurocurrency Agent in such capacity is referred to as the "Issuer").

2.24.2 Types and Amounts. The Issuer shall not have any obligation to and shall not:

(ii) issue any Facility Letter of Credit if the aggregate maximum amount then available for drawing under Letters of Credit issued by the Issuer, after giving effect to the Facility Letter of Credit requested hereunder, shall exceed any limit imposed by law or regulation upon the Issuer;

(iii) issue any Facility Letter of Credit if, after giving effect thereto, the sum of (a) the Facility Letter of Credit Obligations plus (b) the aggregate unpaid principal balance of the Advances (including Swing Line Loans) would exceed the Aggregate UK Facility Commitment or Aggregate US Facility Commitment, as applicable;

(iv) issue any Facility Letter of Credit which has an expiry date (a) later than twelve months after the Issuance Date thereof or (b) on or after five days prior to the Facility Termination Date; or

(v) issue any Facility Letter of Credit if, after giving effect to such Facility Letter of Credit requested hereunder, the Facility Letter of Credit Obligations would exceed (A) \$10,000,000 in the aggregate in the case of the US Facility, or (B) GBP 1,000,000 in the aggregate in the case of the UK Facility.

2.24.3 Conditions. In addition to being subject to the satisfaction of the conditions contained in Sections 4.1 and 4.2, the obligation of the Issuer to issue any Facility Letter of Credit is subject to the satisfaction in full of each of the following conditions:

(i) the Borrower shall have delivered to the Issuer at such times and in such manner as the Issuer may reasonably prescribe such documents and materials as may be required pursuant to the terms of the requested Facility Letter of Credit (it being understood that if any inconsistency exists between the Issuer's Letter of Credit documents and the Documents, the terms of the Documents shall govern and control) and the requested Facility Letter of Credit shall be reasonably satisfactory to the Issuer as to form and content; and

(ii) on the Issuance Date, no order, judgment or decree of any court, arbitrator or governmental authority shall purport by its terms to enjoin or restrain the Issuer from issuing the requested Facility Letter of Credit and no law, rule or regulation applicable to the Issuer and no request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over the Issuer shall prohibit or request that the Issuer refrain from the issuance of Letters of Credit generally or the issuance of such requested Facility Letter of Credit in particular.

2.24.4 Procedure for Issuance of Facility Letters of Credit.

(a) The Borrower shall give the Issuer written notice not later than noon (Chicago or London time, as applicable to the applicable Facility) at least three Business Days before the Issuance Date of any requested Facility Letter of Credit (each a "Facility Letter of Credit Request") (except that, in lieu of such written notice, the Borrower may give the Issuer notice of such request by tested telex or other tested arrangement satisfactory to the Issuer). Such Facility Letter of Credit Request shall be irrevocable and shall specify:

- (1) the stated amount of such requested Facility Letter of Credit;
- (2) the Issuance Date (which day shall be a Business Day);
- (3) the date on which such requested Facility Letter of Credit is to expire (which date shall be a Business Day and shall in no event be later than the earlier of (i) twelve months after the Issuance Date thereof and (ii) five days prior to the Facility Termination Date);
- (4) the purpose for which such Facility Letter of Credit is to be issued;
- (5) the Person for whose benefit the requested Facility Letter of Credit is to be issued; and
- (6) whether the requested Facility Letter of Credit will be a Commercial Letter of Credit or a Standby Letter of Credit.

Prior to the issuance of the requested Facility Letter of Credit, the applicable Borrower shall provide the Issuer with a copy of the form of the Facility Letter of Credit it is requesting be issued. The Issuer will notify each Lender within a reasonable time following the issuance of each Facility Letter of Credit.

(b) Subject to the terms and conditions of this Section 2.24.4 and provided that the applicable conditions set forth in Sections 4.1 (in the case of the initial Facility Letter of Credit), 4.2 and 2.24.3 have been satisfied, the Issuer shall, on the applicable Issuance Date, issue a Facility Letter of Credit on behalf of the Borrower in

accordance with the Issuer's usual and customary business practices.

(c) The Issuer shall not extend or amend any Facility Letter of Credit unless the requirements of Sections 2.24.2, 2.24.3 and 2.24.4 are met.

2.24.5 Reimbursement Obligations.

(a) (i) The Issuer shall promptly notify the UK-Borrower or US-Borrower, as applicable, of any draw under such Facility Letter of Credit. The applicable Borrower shall reimburse the Issuer for drawings under Standby Letters of Credit (including the Issuer's issuing costs) no later than the Business Day after the payment in respect of such Standby Letter of Credit by the Issuer, together with interest thereon at the Floating Rate (in the case of Letters of Credit under the US Facility) or the applicable Eurocurrency Rate (in the case of Letters of Credit under the UK Facility) from the date of payment on such Standby Letter of Credit by the Issuer to and including the date on which the Issuer is reimbursed for such payment by the Borrower. The applicable Borrower shall reimburse the Issuer for drawings under Commercial Letters of Credit (including the Issuer's issuing costs) no later than the Business Day after the payment in respect of such Commercial Letter of Credit by the Issuer, together with interest thereon at the Floating Rate (in the case of Letters of Credit under the US Facility) or the applicable Eurocurrency Rate (in the case of Letters of Credit under the UK Facility) from the date of payment on such Commercial Letter of Credit by the Issuer to and including the date on which the Issuer is reimbursed for such payment by the Borrower; and

(ii) Any Reimbursement Obligation with respect to any Facility Letter of Credit under the US Facility which is not paid on the date when due in accordance with Section 2.24.5(a)(i) shall (A) if there is availability for such an Advance pursuant to Section 2.1, be automatically converted on such date into a Floating Rate Advance and shall bear interest at the Floating Rate or (B) if there is no availability for an Advance pursuant to Section 2.1, be payable on demand and bear interest until paid at a rate per annum equal to the sum of the Floating Rate plus 2% per annum.

(iii) Any Reimbursement Obligation with respect to any Facility Letter of Credit under the UK Facility which is not paid on the date when due in accordance with Section 2.24.5(a)(i) shall (A) if there is availability for such an Advance pursuant to Section 2.1, be automatically converted on such date into a Eurocurrency Advance with a one month Eurocurrency Interest Period and shall bear interest at the applicable Eurocurrency Rate or (B) if there is no availability for an Advance pursuant to Section 2.1, be payable on demand and bear interest until paid at a rate per annum equal to the sum of the Eurocurrency Rate plus 2% per annum.

(iii) Any action taken or omitted to be taken by the Issuer under or in connection with any Facility Letter of Credit, if taken or omitted in the absence of willful misconduct or gross negligence, shall not put the Issuer under any resulting liability to any Lender or, assuming that the Issuer has complied with the procedures specified in Section 2.24.4(b) and such Lender has not given a notice contemplated by Section 2.24.6(a) that continues in full force and effect, relieve such Lender of its obligations hereunder to the Issuer. In determining whether to pay under any Facility Letter of Credit, the Issuer shall have no obligation relative to the Lenders or the applicable Borrower other than to confirm that any documents required to be delivered under such Facility Letter of Credit appear to comply on their face with the requirements of such Facility Letter of Credit.

2.24.6 Participation.

(a) Immediately upon issuance by the Issuer of any Facility Letter of Credit in accordance with the procedures set forth in Section 2.24.4, each UK Lender or each US Lender, as applicable, shall be deemed to have irrevocably and unconditionally purchased and received from the Issuer, without recourse or warranty, an undivided interest and participation equal to its Percentage in such Facility Letter of Credit (including, without limitation, all obligations of the applicable Borrower with respect thereto) and any security therefor or

guaranty pertaining thereto; *provided*, that a Letter of Credit issued by the Issuer shall not be deemed to be a Facility Letter of Credit for purposes of this Section 2.24.6 if the Issuer shall have received written notice from any Lender on or before 10:00 a.m. (Chicago or London time, as applicable to the applicable Facility) on the Issuance Date of such Letter of Credit that one or more of the conditions contained in Section 4.2 is not then satisfied, and, in the event the Issuer receives such a notice, it shall have no further obligation to issue any Facility Letter of Credit until such notice is withdrawn by such Lender or such condition has been satisfied or has been effectively waived in accordance with the provisions of this Agreement.

(b) In the event that the Issuer makes any payment under any Facility Letter of Credit and the applicable Borrower shall not have repaid such amount to the Issuer pursuant to Section 2.24.5, the Issuer shall promptly notify each UK Lender or US Lender, as applicable, of such failure, and each such Lender shall promptly and unconditionally pay to the Issuer for the Issuer's account the amount of such Lender's Percentage of the unreimbursed amount of any such payment. The failure of any Lender to make available to the Issuer its Percentage of the unreimbursed amount of any such payment shall not relieve any other Lender of its obligation hereunder to make available to the Issuer its Percentage of the unreimbursed amount of any payment on the date such payment is to be made, but no Lender shall be responsible for the failure of any other Lender to make available to the Issuer its Percentage of the unreimbursed amount of any payment on the date such payment is to be made.

(c) Whenever the Issuer receives a payment on account of a Reimbursement Obligation, including any interest thereon, it shall promptly pay to the account of each Lender which has funded its participating interest therein, in immediately available funds, an amount equal to each such Lender's Percentage thereof.

(d) The obligations of a Lender to make payments to the Issuer with respect to a Facility Letter of Credit shall be absolute, unconditional and irrevocable, not subject to any counterclaim, set-off, qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances. Nothing contained in this Section 2.24.6(d) shall impair or adversely affect any claim any Lender may have against the Issuer or any other Lender with respect to any gross negligence or willful misconduct of the Issuer or such other Lender in respect of any Facility Letter of Credit.

2.24.7 Payment of Reimbursement Obligations.

(a) The UK-Borrower or US-Borrower, as applicable, agrees to pay to the Issuer the amount of all Reimbursement Obligations, interest and other amounts payable to the Issuer under or in connection with each Facility Letter of Credit immediately when due, irrespective of any claim, set-off, defense or other right which such Borrower or any Subsidiary may have at any time against the Issuer, the Agent or any other Person, under all circumstances, including without limitation, any of the following circumstances:

(i) any lack of validity or enforceability of this Agreement or any of the other Documents;

(ii) the existence of any claim, setoff, defense or other right which the Borrower or any Subsidiary may have at any time against a beneficiary named in a Facility Letter of Credit or any transferee of any Facility Letter of Credit (or any Person for whom any such transferee may be acting), the Issuer, any Lender, or any other Person, whether in connection with this Agreement, any Facility Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transactions between the Borrower or any Subsidiary and the beneficiary named in any Facility Letter of Credit);

(iii) any draft, certificate or any other document presented under the Facility Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Documents;

(v) the occurrence of any Default or Unmatured Default.

(b) In the event any payment by the Borrower or any Subsidiary received by the Issuer with respect to a Facility Letter of Credit and distributed to the Lenders on account of their participation is thereafter set aside, avoided or recovered from the applicable Funding Agent in connection with any receivership, liquidation, reorganization or bankruptcy proceeding, each Lender which received such distribution shall, upon demand by the Issuer, contribute such Lender's Percentage of the amount set aside, avoided or recovered together with interest at the rate required to be paid by the Issuer upon the amount required to be repaid by it.

2.24.8 Facility Letter of Credit Fees. In connection with each Facility Letter of Credit issued, the US-Borrower or UK-Borrower, as applicable, agrees to pay the Issuer thereof, ratably for the benefit of the US Lenders or UK Lenders, as applicable:

(a) with respect to each Standby Letter of Credit, on the Issuance Date thereof, a letter of credit fee computed at the "S/L/C Rate" (as defined below) on the maximum amount available to be drawn from time to time under such Standby Letter of Credit for the period from and including the date of issuance of such Standby Letter of Credit until the stated expiry date thereof. This fee shall be payable for the first year (or the entire stated period if less than one year) on the Issuance Date and quarterly in arrears the last Business Day of each November, February, May and August thereafter. As used herein, "S/L/C Rate" means the interest rate equal to the "Applicable Margin" in connection with the Eurocurrency Rate then in effect (including any increase or adjustment thereto due to Defaults or Unmatured Default).

(b) with respect to each Commercial Letter of Credit, on the Issuance Date thereof, such issuance fee as the US-Borrower or UK-Borrower, as applicable, and the Issuer of such Facility Letter of Credit shall have agreed upon in writing.

The applicable Borrower shall also pay to the Issuer for its own account (i) at the time of issuance of each Facility Letter of Credit, a fronting fee in an amount to be agreed upon between the Issuer and the Borrower, and (ii) documentary and processing charges in connection with the issuance or modification of and draws under Facility Letters of Credit in accordance with the Issuer's standard schedule for such charges as in effect from time to time.

ARTICLE 3

CHANGE IN CIRCUMSTANCES

3.1 Yield Protection. (a) If, on or after the date of this Agreement, the adoption of any law or any governmental or quasi-governmental rule, regulation, policy, guideline or directive (whether or not having the force of law), or any change in the interpretation or administration thereof by any governmental or quasi-governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender or applicable Lending Installation with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency:

(i) subjects any Lender or any applicable Lending Installation to any Taxes, or changes the basis of taxation of payments (other than with respect to Excluded Taxes) to any Lender in respect of its Loans, the Facility Letters of Credit or other amounts due it hereunder, or

(ii) imposes or increases or deems applicable any reserve, assessment, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any applicable Lending Installation (other than reserves and assessments taken into account in determining the interest rate applicable to Advances), or

(iii) imposes any other condition the result of which is to increase the cost to any Lender or any applicable Lending Installation of making, funding or maintaining its Loans (including, without limitation, any conversion of any Loan denominated in an Agreed Currency other than Euro into a Loan denominated in Euro) or Facility Letters of Credit or reduces any amount receivable by any Lender or any applicable Lending Installation in connection with its Loans or Facility Letters of Credit, or requires any Lender or any applicable Lending Installation to make any payment calculated by reference to the amount of Loans held, Facility Letters of Credit issued or participated in or interest received by it,

by an amount deemed material by such Lender, and the result of any of the foregoing is to increase the cost to such Lender or applicable Lending Installation of making or maintaining its Loans (including, without limitation, any conversion of any Loan denominated in an Agreed Currency other than Euro into a Loan denominated in Euro) or Facility Letters of Credit or Commitment or to reduce the return received by such Lender or applicable Lending Installation in connection with such Loans, Facility Letters of Credit or Commitment, then, within 15 days of demand by such Lender, each Borrower shall pay such Lender such additional amount or amounts as will compensate such Lender for such increased cost or reduction in amount received.

(b) Non-U.S. Reserve Costs or Fees With Respect to Loans to Borrowers.

(i) If any law or any governmental or quasi-governmental rule, regulation, policy, guideline or directive of any jurisdiction outside of the United States of America or any subdivision thereof (whether or not having the force of law), imposes or deems applicable any reserve requirement against or fee with respect to assets of, deposits with or for the account of, or credit extended by, any Lender or any applicable Lending Installation, and the result of the foregoing is to increase the cost to such Lender or applicable Lending Installation of making or maintaining its Loans to any Borrower or its Commitment to any Borrower or to reduce the return received by such Lender or applicable Lending Installation in connection with such Loans to any Borrower or Commitment to any Borrower, then, within 15 days of demand by such Lender, such Borrower shall pay such Lender such additional amount or amounts as will compensate such Lender for such increased cost or reduction in amount received, *provided* that such Borrower shall not be required to compensate any Lender for such non-U.S. reserve costs or fees to the extent that an amount equal to such reserve costs or fees is received by such Lender as a result of the calculation of the interest rate applicable to Advances pursuant to clause (i)(b) of the definition of Eurocurrency Rate.

(ii) Without limiting the generality of the foregoing, the cost of compliance with existing requirements of the Bank of England and/or the Financial Services Authority (or any other authority which replaces all or any of their functions) in respect of Eurocurrency Advances denominated in British Pounds Sterling will be calculated by the Eurocurrency Agent in relation to each Advance on the basis of rates supplied by the Eurocurrency Agent by reference to the circumstances existing on the first day of each Interest Period in respect of such Eurocurrency Advance and, if any such Interest Period exceeds three months, at three calendar monthly intervals from the first day of such Interest Period during its duration in accordance with the following formula:

$\frac{AB + C(B-D) + E \times 0.01}{100 - (A+C)}$ percent per annum

100 - (A+C)

Where:

A is the percentage of eligible liabilities (assuming these to be in excess of any stated minimum) which the Eurocurrency Agent is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.

B is the percentage rate per annum at which deposits denominated in British Pounds Sterling are offered by the Eurocurrency Agent in accordance with its normal practice, for a period equal to (a) the relevant Interest Period (or, as the case may be, remainder of such Interest Period) in respect of the relevant Advance or (b) three months, whichever is the shorter, to a leading bank in the London Interbank Market at or about 11:00 a.m. (London time) in a sum approximately equal to the amount of such Eurocurrency Advance.

C is the percentage of eligible liabilities which the Eurocurrency Agent is required from time to time to maintain as interest bearing special deposits with the Bank of England.

D is the percentage rate per annum payable by the Bank of England to the Eurocurrency Agent on interest bearing special deposits.

E is the rate payable by the Eurocurrency Agent to the Financial Services Authority pursuant to the Fees Regulations (but, for this purpose, the figure at paragraph [2.02b]/[2.03b] of the Fees Regulations shall be deemed to be zero) and expressed in pounds per GBP1,000,000 of the Fee Base of the Eurocurrency Agent.

For the purposes of this Section 3.1(b)(ii):

(I) The following definitions shall apply:

(a) "**eligible liabilities**" and "**special deposits**" shall bear the meanings ascribed to them from time to time under or pursuant to the Bank of England Act 1998 or (as appropriate) by the Bank of England;

(b) "**Fees Regulations**" means the Banking Supervision (Fees) Regulations 1998 or such other regulations as may be in force from time to time in respect of the payment of fees for banking supervision; and

(c) "**Fee Base**" shall bear the meaning ascribed to it, and shall be calculated in accordance with, the Fees Regulations.

(II). The percentages used in A and C above shall be those required to be maintained on the first day of the relevant period as determined in accordance with B above.

(III). In application of the above formula, A, B, C and D will be included in the formula as figures and not as percentages e.g. if A is 0.5 per cent, and B is 12 per cent., AB will be calculated as 0.5 x 12 and not as 0.5 per cent. x 12 per cent.

(IV). Calculations will be made on the basis of a 365 day year (or, if market practice differs, in accordance with market practice).

(V). A negative result obtained by subtracting D from B shall be taken as zero.

(VI). The resulting figures shall be rounded upwards, if not already such a multiple, to the nearest whole multiple of one-thirty-second of one per cent. per annum.

(VII). Additional amounts calculated in accordance with this Section 3.1(b)(ii) are payable on the last day of the Interest Period to which they relate.

(VIII). The determination of the Associated Costs Rate by the Eurocurrency Agent in relation to any period shall, in the absence of manifest error, be conclusive and binding on all of the parties hereto.

(IX). The Eurocurrency Agent may from time to time, after consultation with the Borrower and the Lenders, determine and notify to all parties any amendments or variations which are required to be made to this formula set out above in order to comply with any requirements from time to time imposed by the Bank of England or the Financial Services Authority (or any other authority which replaces all or any of their functions) in relation to Eurocurrency Advances denominated in British Pounds Sterling (including any requirements relating to sterling primary liquidity) and, any such determination shall, in the absence of manifest error, be conclusive and binding on all the parties hereto.

3.2 Changes in Capital Adequacy Regulations. If a Lender determines the amount of capital required or expected to be maintained by such Lender, any Lending Installation of such Lender or any corporation controlling such Lender is increased as a result of a Change, then, within 15 days of demand by such Lender, each Borrower shall pay such Lender the amount necessary to compensate for any shortfall in the rate of return on the portion of such increased capital which such Lender determines is attributable to this Agreement, its Loans or its Commitment to make Loans hereunder (after taking into account such Lender's policies as to capital adequacy). "Change" means (i) any change after the date of this Agreement in the Risk-Based Capital Guidelines or (ii) any adoption of or change in any other law, governmental or quasi-governmental rule, regulation, policy, guideline, interpretation, or directive (whether or not having the force of law) after the date of this Agreement which affects the amount of capital required or expected to be maintained by any Lender or any Lending Installation or any corporation controlling any Lender. "Risk-Based Capital Guidelines" means (i) the risk-based capital guidelines in effect in the United States on the date of this Agreement, including transition rules, and (ii) the corresponding capital regulations promulgated by regulatory authorities outside the United States implementing the July 1988 report of the Basel Committee on Banking Regulation and Supervisory Practices Entitled "International Convergence of Capital Measurements and Capital Standards," including transition rules, and any amendments to such regulations adopted prior to the date of this Agreement.

3.3 Availability of Types of Advances. If any Lender determines that maintenance of its Loans at a suitable Lending Installation would violate any applicable law, rule, regulation, or directive, whether or not having the force of law, or if the Required Lenders determine that (i) deposits of a currency type and maturity appropriate to match fund Advances are not available or (ii) the interest rate applicable to Advances does not accurately reflect the cost of making or maintaining Advances, then the relevant Funding Agent shall suspend the availability of Advances and require any affected Advances to be repaid, subject to the payment of any funding indemnification amounts required by Section 3.4.

3.4 Funding Indemnification. If any payment of an Advance occurs on a date which is not the last day of the applicable Interest Period, whether because of acceleration, prepayment or otherwise, or an Advance is not made on the date specified by a Borrower for any reason other than default by the Lenders, such Borrower will indemnify each Lender for any loss or cost incurred by it resulting therefrom, including, without limitation, any loss or cost in liquidating or employing deposits acquired to fund or maintain such Advance.

3.5 Taxes.

(i) All payments by any Borrower to or for the account of any Lender or the relevant Funding Agent hereunder or under any Note, together with all payments made by any Lender to any other Lender pursuant to the participations described in Section 2.22 and purchases described in Section 11.2 hereof, shall be made free and clear of and without deduction for any and all Taxes. If any Person shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder to any Lender or the relevant Funding Agent, (a) the

Borrowers shall pay such amounts necessary to increase such sum payable so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.5) such Lender or such Funding Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (b) the Borrowers shall make such deductions to the extent permitted by law, (c) if the Borrowers are permitted to make such deductions the Borrowers shall pay the full amount deducted to the relevant authority in accordance with applicable law and (d) if the Borrowers are permitted to make such deductions the Borrowers shall furnish to such Funding Agent the original copy of a receipt evidencing payment thereof within 30 days after such payment is made.

(ii) In addition, each Borrower hereby agrees to pay any present or future stamp or documentary taxes and any other excise or property taxes, charges or similar levies which arise from any payment made hereunder or under any Note or from the execution or delivery of, or otherwise with respect to, this Agreement or any Note ("Other Taxes").

(iii) Each Borrower hereby agrees to indemnify each Agent and each Lender for the full amount of Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed on amounts payable under this Section 3.5) paid by such Agent or such Lender and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. Payments due under this indemnification shall be made within 30 days of the date such Agent or such Lender makes demand therefor pursuant to Section 3.6.

(iv) Each Lender that is not incorporated under the laws of the United States of America or a state thereof (each a "Non-U.S. Lender") agrees that it will, not less than ten Business Days after the date of this Agreement, (i) deliver to each Borrower and to the Administrative Agent two duly completed copies of United States Internal Revenue Service Form W-8ECI or Form W-8BEN, certifying in either case that such Lender is entitled to receive payments under this Agreement without deduction or withholding of any United States federal income taxes, and (ii) deliver to each Borrower and to the Administrative Agent a United States Internal Revenue Form W-8 or W-9, as the case may be, and certify that it is entitled to an exemption from United States backup withholding tax. Each Non-U.S. Lender further undertakes to deliver to each Borrower and to the Administrative Agent (x) renewals or additional copies of such form (or any successor form) on or before the date that such form expires or becomes obsolete, and (y) after the occurrence of any event requiring a change in the most recent forms so delivered by it, such additional forms or amendments thereto as may be reasonably requested by any Borrower or the Administrative Agent. All forms or amendments described in the preceding sentence shall certify that such Lender is entitled to receive payments under this Agreement without deduction or withholding of any United States federal income taxes, *unless* an event (including without limitation any change in treaty, law or regulation) has occurred prior to the date on which any such delivery would otherwise be required which renders all such forms inapplicable or which would prevent such Lender from duly completing and delivering any such form or amendment with respect to it and such Lender advises each Borrower and the Administrative Agent that it is not capable of receiving payments without any deduction or withholding of United States federal income tax.

(v) For any period during which a Non-U.S. Lender has failed to provide any Borrower with an appropriate form pursuant to clause (iv) above (unless such failure is due to a change in treaty, law or regulation, or any change in the interpretation or administration thereof by any governmental authority, occurring subsequent to the date on which a form originally was required to be provided), such Non-U.S. Lender shall not be entitled to indemnification under this Section 3.5 with respect to Taxes imposed by the United States; *provided* that, should a Non-U.S. Lender which is otherwise exempt from or subject to a reduced rate of withholding tax become subject to Taxes because of its failure to deliver a form required under clause (iv) above, such Borrower shall take such steps as such Non-U.S. Lender shall reasonably request to assist such Non-U.S. Lender to recover such Taxes.

(vi) Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments under this Agreement or any Note pursuant to the law of any relevant jurisdiction or any treaty shall deliver to each Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate.

(vii) If the U.S. Internal Revenue Service or any other governmental authority of the United States or any other country or any political subdivision thereof asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered or properly completed, because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered its exemption from withholding ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax, withholding therefor, or otherwise, including penalties and interest, and including taxes imposed by any jurisdiction on amounts payable to the Administrative Agent under this subsection, together with all costs and expenses related thereto (including attorneys fees and time charges of attorneys for the Administrative Agent, which attorneys may be employees of the Administrative Agent). The obligations of the Lenders under this Section 3.5(vii) shall survive the payment of the Obligations and termination of this Agreement.

3.6 Lender Statements, Survival of Indemnity. To the extent reasonably possible, each Lender shall designate an alternate Lending Installation with respect to its Loans to reduce any liability of any Borrower to such Lender under Sections 3.1, 3.2 and 3.5 or to avoid the unavailability of Advances under Section 3.3, so long as such designation is not, in the judgment of such Lender, disadvantageous to such Lender. Each Lender shall deliver a written statement of such Lender to such Borrower (with a copy to the Administrative Agent) as to the amount due, if any, under Section 3.1, 3.2, 3.4 or 3.5. Such written statement shall set forth in reasonable detail the calculations upon which such Lender determined such amount and shall be final, conclusive and binding on such Borrower in the absence of manifest error. Determination of amounts payable under such Sections in connection with a Loan shall be calculated as though each Lender funded its Loan through the purchase of a deposit of the type currency and maturity corresponding to the deposit used as a reference in determining the Eurocurrency Rate applicable to such Loan, whether in fact that is the case or not. Unless otherwise provided herein, the amount specified in the written statement of any Lender shall be payable on demand after receipt by such Borrower of such written statement. The obligations of any Borrower under Sections 3.1, 3.2, 3.4 and 3.5 shall survive payment of the Obligations and termination of this Agreement.

ARTICLE 4

4.2 Each Advance and Facility Letters of Credit. - (i) There exists no Default or Unmatured default.

(ii) The representations and warranties contained in Article 5 are true and correct as of such Borrowing Date except to the extent any such representation or warranty is stated to relate solely to an earlier date, in which case such representation or warranty shall be true and correct as of such earlier date.

ARTICLE 5

REPRESENTATIONS AND WARRANTIES

Each Borrower represents and warrants to the Agents and the Lenders that:

5.1 Corporate Existence and Standing. Each Borrower and its Subsidiaries is duly and properly incorporated or organized, as the case may be, validly existing and (to the extent such concept applies to such entity) in good standing under the laws of its jurisdiction of incorporation or organization and is duly qualified and has all requisite authority to conduct its business in each jurisdiction in which its business is conducted where the failure to maintain such qualification would singly or in the aggregate cause a Material Adverse Effect.

5.2 Authorization and Validity. Each Borrower has the power and authority and legal right to execute and deliver the Documents and to perform its obligations thereunder. The execution and delivery by such Borrower of the Documents and the performance of its obligations thereunder have been duly authorized by proper corporate proceedings, and the Documents to which such Borrower is a party constitute legal, valid and binding obligations of such Borrower enforceable against such Borrower in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws or general principles of equity relating to remedies affecting or relating to the enforcement of creditors' rights generally.

5.3 No Conflict, Government Consent. Neither the execution and delivery by any Borrower of the Documents, nor the consummation of the transactions therein contemplated, nor compliance with the provisions thereof will violate (i) any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on any Borrower or any Borrower's Subsidiaries or (ii) any Borrower's or any Borrower's Subsidiary's articles or certificate of incorporation, partnership agreement, certificate of partnership, articles or certificate of organization, by-laws, or operating or other management agreement, as the case may be, or (iii) the provisions of any indenture, instrument or agreement to which any Borrower or any Borrower's Subsidiaries is a party or is subject, or by which it, or its Property, is bound, or conflict with or constitute a default thereunder, or result in, or require, the creation or imposition of any Lien in, of or on the Property of any Borrower or any Borrower's Subsidiary pursuant to the terms of any such indenture, instrument or agreement. No order, consent, adjudication, approval, license, authorization, or validation of, or filing, recording or registration with, or exemption by, or other action in respect of any governmental or public body or authority, or any subdivision thereof, which has not been obtained by any Borrower or any Borrower's Subsidiaries, is required to be obtained by such Borrower or such Borrower's Subsidiaries in connection with the execution and delivery of the Documents, the borrowings under this Agreement, the payment and performance by such Borrower of the Obligations or the legality, validity, binding effect or enforceability of any of the Documents.

5.4 Financial Statements. The August 31, 2002 consolidated and consolidating financial statements of the US-Borrower and its Subsidiaries delivered to the Lenders at or before the date of this Agreement were prepared in accordance with Agreement Accounting Principles in effect on the date such statements were prepared and fairly present the consolidated and consolidating condition and operations of the US-Borrower and its Subsidiaries at such date and the consolidated and consolidating results of their operations for the period then ended.

5.5 Material Adverse Change. Except as set forth on Schedule 5.5 hereto, since August 31, 2002 there has been no change in the business, Property, condition (financial or otherwise) or results of operations of the US-Borrower or its Subsidiaries which could reasonably be expected to have a Material Adverse Effect in respect of the US-Borrower or its Subsidiaries.

5.6 Taxes. Except as set forth on Schedule 5.6 hereto, each Borrower and each Borrower's Subsidiaries have filed all applicable tax returns which are required to be filed and have paid all Taxes due pursuant to said returns or pursuant to any assessment received by such Borrower or any of such Borrower's Subsidiaries, except such Taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with Agreement Accounting Principles and as to which no Lien exists, except for failures to file or pay which could not be reasonably expected to have a Material Adverse Effect. No tax liens have been filed and no claims are being asserted with respect to any such Taxes. The charges, accruals and reserves on the books of each Borrower and each Borrower's Subsidiaries in respect of any taxes or other governmental charges are adequate.

5.7 Litigation and Contingent Obligations. Except as set forth on Schedule 5.7 hereto, there is no litigation, arbitration, governmental investigation, proceeding or inquiry pending or, to the best knowledge of any of their officers, threatened against or affecting any Borrower or any Borrower's Subsidiaries which could reasonably be expected to have a Material Adverse Effect or which seeks to prevent, enjoin or delay the making of any Loans. Other than any liability incident to any litigation, arbitration or proceeding which could not reasonably be expected to have a Material Adverse Effect no Borrower has material contingent obligations not provided for or disclosed in the financial statements referred to in Section 5.4 hereof.

5.8 Subsidiaries. Schedule 5.8 contains an accurate list of all Subsidiaries of the US-Borrower as of the date of this Agreement, setting forth their respective jurisdictions of organization and the percentage of their respective capital stock or other ownership interests owned by the US-Borrower or other Subsidiaries. All of the issued and outstanding shares of capital stock or other ownership interests of such Subsidiaries have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable.

5.9 Accuracy of Information. No information, exhibit or report furnished by any Borrower or any Borrower's Subsidiaries to any Agent or to any Lender in connection with the negotiation of, or compliance with, the Documents contained any material misstatement of fact or omitted to state a material fact or any fact necessary to make the statements contained therein not misleading.

5.11 Material Agreements. No Borrower nor any Borrower's Subsidiary is a party to any agreement or instrument or subject to any charter or other corporate restriction which could reasonably be expected to have a Material Adverse Effect. No Borrower nor any Borrower's Subsidiary is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement to which it is a party, which default could reasonably be expected to have a Material Adverse Effect.

5.12 Compliance With Laws. Each Borrower and its Subsidiaries have complied with all applicable statutes, rules, regulations, orders and restrictions of any domestic or foreign government or any instrumentality or agency thereof having jurisdiction over the conduct of their respective businesses or the ownership of their respective Property, except for any failure to comply with any of the foregoing which could not reasonably be expected to have a Material Adverse Effect.

5.13 Ownership of Property. Except as set forth on Schedule 5.13 hereto, each Borrower and its Subsidiaries will have good title, free of all Liens (other than those permitted under Section 6.14 hereof), to all of the Property and assets

reflected in the US-Borrower's most recent consolidated financial statements provided to the Administrative Agent as owned by it.

5.14 Environmental Matters. Except as set forth on Schedule 5.14 hereto, in the ordinary course of its business, the officers of each Borrower consider the effect of Environmental Laws on the business of each such Borrower and its Subsidiaries, in the course of which they identify and evaluate potential risks and liabilities accruing to each such Borrower due to Environmental Laws. On the basis of this consideration, each Borrower has concluded that Environmental Laws cannot reasonably be expected to have a Material Adverse Effect. No Borrower nor any of their Subsidiaries has received any notice to the effect that its operations are not in material compliance with any of the requirements of applicable Environmental Laws or are the subject of any investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which non-compliance or remedial action could reasonably be expected to have a Material Adverse Effect.

(ii) The US-Borrower does not intend to, or to permit any of its Subsidiaries to, and does not believe that it or any of its Subsidiaries will, incur debts beyond its ability to pay such debts as they mature, taking into account the timing of and amounts of cash to be received by it or any such Subsidiary and the timing of the amounts of cash to be payable on or in respect of its Indebtedness or the Indebtedness of any such Subsidiary.

5.19 ERISA. The Unfunded Liabilities of all Single Employer Plans do not in the aggregate exceed \$500,000. Each Benefit Plan is in substantial compliance with ERISA and the

Code and neither the US-Borrower or any Controlled Group member has received any notice asserting that any Benefit Plan is not in compliance with either ERISA or the Code.

5.20 Post-Retirement Benefits. The present value of the expected cost of post-retirement medical and insurance benefits payable by the US-Borrower and its Subsidiaries to its employees and former employees, as estimated by the US-Borrower in accordance with reasonable procedures and assumptions, does not exceed \$500,000.

5.21 Certain Transactions. 8.2 Rescission. If, within 15 days after (x) acceleration of the maturity of the Obligations, (y) termination of the obligations of the Issuers to issue Facility Letters of Credit hereunder, or (z) termination of the obligations of the Lenders to make Loans hereunder as a result of any Default (other than any Default as described in Section 7.6 or 7.7 with respect to any Borrower) and before any judgment or decree for the payment of the Obligations due shall have been obtained or entered, the Required Lenders (in their sole discretion) shall so direct, the Administrative Agent shall, by notice to each Borrower, rescind and annul such acceleration and/or termination.

8.4 Preservation of Rights. No delay or omission of the Lenders or any Agent or Issuer to exercise any right under the Documents shall impair such right or be construed to be a waiver of any Default or an acquiescence therein, and the making of a Loan or the issuance of a Facility Letter of Credit notwithstanding the existence of a Default or the inability of any Borrower to satisfy the conditions precedent to such Loan or Facility Letter of Credit shall not constitute any waiver or acquiescence. Any single or partial exercise of any such right shall not preclude other or further exercise thereof or the exercise of any other right, and no waiver, amendment or other variation of the terms, conditions or provisions of the Documents whatsoever shall be valid unless in writing signed by the Lenders required pursuant to Section 8.3, and then only to the extent in such writing specifically set forth. After the effectiveness of the resignation or removal of an Agent, the provisions of this Article 10 shall continue in effect for the benefit of such Agent in respect of any actions taken or omitted to be taken by it while it was acting as an Agent hereunder and under the other Documents. In the event that there is a successor to the Canada Agent by merger or the Canada Agent assigns its duties and obligations to an Affiliate pursuant to this Section 10.12, then the term "Canadian Prime Rate" and "BA Rate" as used in this Agreement shall be derived by reference to the reference rate of the new Canada Agent.

Any such Affiliate (and such Affiliate's directors, officers, agents and employees) which performs duties in connection with this Agreement shall be entitled to the same benefits of the indemnification, waiver and other protective provisions to which such Agent is entitled under Articles 9 and 10.

If any Lender, whether in connection with setoff or amounts which might be subject to setoff or otherwise, receives collateral or other protection for its Obligations or such amounts which may be subject to setoff, such Lender agrees, promptly upon demand, to take such action necessary such that all Lenders under the applicable Facility share in the benefits of such collateral ratably in proportion to their Loans under such Facility. Any attempted assignment or transfer by any party not made in compliance with this Section 12.1 shall be null and void, unless such attempted assignment or transfer is treated as a participation in accordance with Section 12.3.2. The parties to this Agreement acknowledge that clause (ii) of this Section 12.1 relates only to absolute assignments and this Section 12.1 does not prohibit assignments creating security interests, including, without limitation, (x) any pledge or assignment by any Lender of all or any portion of its rights under this Agreement and any Note to a Federal Reserve Bank or (y) in the case of a Lender which is a Fund, any pledge or assignment of all or any portion of its rights under this Agreement and any Note to its trustee in support of its obligations to its trustee; provided, however, that no such pledge or assignment creating a security interest shall release the transferor Lender from its obligations hereunder unless and until the parties thereto have complied with the provisions of Section 12.3. The Administrative Agent may treat the Person which made any Loan

or which holds any Note as the owner thereof for all purposes hereof unless and until such Person complies with Section 12.3; *provided, however*, that the Administrative Agent may in its discretion (but shall not be required to) follow instructions from the Person which made any Loan or which holds any Note to direct payments relating to such Loan or Note to another Person. Any assignee of the rights to any Loan or any Note agrees by acceptance of such assignment to be bound by all the terms and provisions of the Documents. Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the rights to any Loan (whether or not a Note has been issued in evidence thereof), shall be conclusive and binding on any subsequent holder or assignee of the rights to such Loan.

12.2.2 Voting Rights.

Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of the Documents other than any amendment, modification or waiver with respect to any Loan or Commitment in which such Participant has an interest which would require consent of all of the Lenders pursuant to the terms of Section 8.3 or of any other Document.

12.2.3 Benefit of Certain Provisions.

The Borrowers agree that each Participant shall be deemed to have the right of setoff provided in Section 11.1 in respect of its participating interest in amounts owing under the Documents to the same extent as if the amount of its participating interest were owing directly to it as a Lender under the Documents, *provided* that each Lender shall retain the right of setoff provided in Section 11.1 with respect to the amount of participating interests sold to each Participant. The Lenders agree to share with each Participant, and each Participant, by exercising the right of setoff provided in Section 11.1, agrees to share with each Lender, any amount received pursuant to the exercise of its right of setoff, such amounts to be shared in accordance with Section 11.2 as if each Participant were a Lender. The Borrowers further agree that each Participant shall be entitled to the benefits of Sections 3.1, 3.2, 3.4 and 3.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.3, *provided* that (i) a Participant shall not be entitled to receive any greater payment under Section 3.1, 3.2 or 3.5 than the Lender who sold the participating interest to such Participant would have received had it retained such interest for its own account, unless the sale of such interest to such Participant is made with the prior written consent of the US-Borrower, and (ii) any Participant not incorporated under the laws of the United States of America or any State thereof agrees to comply with the provisions of Section 3.5 to the same extent as if it were a Lender.

12.3 Assignments.

12.3.1 Permitted Assignments. Any Lender may at any time assign to one or more banks or other entities ("Purchasers") all or any part of its rights and obligations under the Documents. Such assignment shall be substantially

in the form of Exhibit H or in such other form as may be agreed to by the parties thereto. Each such assignment with respect to a Purchaser which is not a Lender or an Affiliate of a Lender or an Approved Fund shall either be in an amount equal to the entire applicable Commitment and Loans of the assigning Lender or (unless each of the US-Borrower and the Administrative Agent otherwise consents) be in an aggregate amount not less than \$5,000,000 (or, if such currency is any currency other than Dollars, the Equivalent Amount of Dollars must be not less than \$5,000,000). The amount of the assignment shall be based on the Commitment or outstanding Loans (if the Commitment has been terminated) subject to the assignment, determined as of the date of such assignment or as of the "Trade Date," if the "Trade Date" is specified in the assignment).

12.3.2. Consents. The consent of the US-Borrower shall be required prior to an assignment becoming effective unless the Purchaser is a Lender, an Affiliate of a Lender or an Approved Fund, *provided* that the consent of the Borrower shall not be required if a Default has occurred and is continuing. The consent of the Administrative Agent shall be required prior to an assignment becoming effective unless the Purchaser is a Lender, an Affiliate of a Lender or an Approved Fund. Any consent required under this Section 12.3.2 shall not be unreasonably withheld or delayed.

12.3.3. Effect, Effective Date. Upon (i) delivery to the Administrative Agent of an assignment, together with any consents required by Sections 12.3.1 and 12.3.2, and (ii) payment of a \$4,000 fee to the Administrative Agent for processing such assignment (unless such fee is waived by the Administrative Agent), such assignment shall become effective on the effective date specified in such assignment. The assignment shall contain a representation by the Purchaser to the effect that none of the consideration used to make the purchase of the Commitment and Loans under the applicable assignment agreement constitutes "plan assets" as defined under ERISA and that the rights and interests of the Purchaser in and under the Documents will not be "plan assets" under ERISA. On and after the effective date of such assignment, such Purchaser shall for all purposes be a Lender party to this Agreement and any other Document executed by or on behalf of the Lenders and shall have all the rights and obligations of a Lender under the Documents, to the same extent as if it were an original party thereto, and the transferor Lender shall be released with respect to the Commitment and Loans assigned to such Purchaser without any further consent or action by any Borrower, the Lenders or the Administrative Agent. In the case of an assignment covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a Lender hereunder but shall continue to be entitled to the benefits of, and subject to, those provisions of this Agreement and the other Documents which survive payment of the Obligations and termination of the applicable agreement. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.3 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.2. Upon the consummation of any assignment to a Purchaser pursuant to this Section 12.3.3, the transferor Lender, the Administrative Agent and the Borrowers shall, if the transferor Lender or the Purchaser desires that its Loans be evidenced by Notes, make appropriate arrangements so that new Notes or, as appropriate, replacement Notes are issued to such transferor Lender and new Notes or, as appropriate, replacement Notes, are issued to such Purchaser, in each case in principal amounts reflecting their respective Commitments, as adjusted pursuant to such assignment.

12.4 Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at one of its offices in Chicago, Illinois a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

12.5 Dissemination of Information. Each Borrower authorizes each Lender to disclose to any Participant or Purchaser or any other Person acquiring an interest in the Documents by operation of law (each a "Transferee") and any prospective Transferee any and all information in such Lender's possession concerning the creditworthiness of such Borrower and its Subsidiaries, including without limitation any information contained in any Reports; *provided* that

each Transferee and prospective Transferee agrees to be bound by Section 9.12 of this Agreement.

12.6 Tax Treatment. If any interest in any Document is transferred to any Transferee which is organized under the laws of any jurisdiction other than the United States or any State thereof, the transferor Lender shall cause such Transferee, concurrently with the effectiveness of such transfer, to comply with the provisions of Section 3.5(iv).

ARTICLE 13

NOTICES

13.1 Notices. Except as otherwise permitted by Section 2.14 with respect to borrowing notices, all notices, requests and other communications to any party hereunder shall be in writing (including telex, facsimile transmission or similar writing) and shall be given to such party: (x) in the case of any Borrower, any Lender or any Agent, at its address or facsimile number set forth on the signature pages hereof, or (y) in the case of any party, at such other address or facsimile number as such party may hereafter specify for the purpose by notice to the relevant Agent and each Borrower in accordance with the provisions of this Section 13.1. Each such notice, request or other communication shall be effective (i) if given by facsimile transmission, when transmitted to the facsimile number specified in this Section and confirmation of receipt is received, (ii) if given by mail, 72 hours after such communication is deposited in the mails with first class postage prepaid, addressed as aforesaid, or (iii) if given by any other means, when delivered (or, in the case of telex or facsimile transmission, received) at the address specified in this Section; *provided* that notices to the Agent under Article 2 shall not be effective until received.

13.2 Change of Address. Any Borrower, any Agent, the US-Borrower and any Lender may each change the address for service of notice upon it by a notice in writing to the other parties hereto.

ARTICLE 14

COUNTERPARTS

This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. This Agreement shall be effective when it has been executed by each Borrower, the Agents and the Lenders and each party has notified the Administrative Agent by facsimile transmission or telephone that it has taken such action.

ARTICLE 15

15.1 CHOICE OF LAW. THE DOCUMENTS (OTHER THAN THOSE CONTAINING A CONTRARY EXPRESS CHOICE OF LAW PROVISION) SHALL BE CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS (INCLUDING, WITHOUT LIMITATION, 735 ILCS SECTION 105/5-1 ET SEQ, BUT OTHERWISE WITHOUT REGARD TO THE CONFLICT OF LAWS PROVISIONS) OF THE STATE OF ILLINOIS, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

15.2 CONSENT TO JURISDICTION. EACH BORROWER HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR ILLINOIS STATE COURT SITTING IN CHICAGO, ILLINOIS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY DOCUMENTS AND EACH BORROWER HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY WAIVES ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO

THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH A COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM. NOTHING HEREIN SHALL LIMIT THE RIGHT OF ANY AGENT, ANY ISSUER OR ANY LENDER TO BRING PROCEEDINGS AGAINST ANY BORROWER IN THE COURTS OF ANY OTHER JURISDICTION. ANY JUDICIAL PROCEEDING BY ANY BORROWER AGAINST ANY AGENT, ISSUER OR LENDER OR ANY OF THEIR RESPECTIVE AFFILIATES INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH ANY DOCUMENT SHALL BE BROUGHT ONLY IN A COURT IN CHICAGO, ILLINOIS.

15.3 WAIVER OF JURY TRIAL. EACH BORROWER, THE AGENTS, ISSUERS AND EACH LENDER HEREBY WAIVE TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH ANY DOCUMENT OR THE RELATIONSHIP ESTABLISHED THEREUNDER.

IN WITNESS WHEREOF, the Borrowers, the Lenders and the Agents have executed this Agreement as of the date first above written.

For the purposes of this Schedule, the following terms have the following meanings, subject to the final paragraph of this Schedule:

"Financials" means the annual or quarterly financial statements of the US-Borrower delivered by the US-Borrower pursuant to this Agreement.

"Level I Status" exists at any date if, as of the last day of the fiscal quarter of the US-Borrower referred to in the most recent Financials, the Leverage Ratio is less than 2.50 to 1.00.

"Level II Status" exists at any date if, as of the last day of the fiscal quarter of the US-Borrower referred to in the most recent Financials, (i) the US-Borrower has not qualified for Level I Status and (ii) the Leverage Ratio is less than 3.00 to 1.00.

"Level III Status" exists at any date if, as of the last day of the fiscal quarter of the US-Borrower referred to in the most recent Financials, (i) the US-Borrower has not qualified for Level I Status or Level II Status and (ii) the Leverage Ratio is less than 3.50 to 1.00.

"Status" means, at any date of determination, whichever of Level I Status, Level II Status, Level III Status, or Level IV Status exists at such time.

The Applicable Margin set forth above shall be subject to adjustment (upwards or downwards, as appropriate) based on the US-Borrower's Status as at the end of each fiscal quarter in accordance with the table set forth above. The US-Borrower's Status as at the last day of each fiscal quarter shall be determined from the then most recent Financials. The adjustment, if any, shall be effective commencing five (5) Business Days after the delivery to the Lenders of such Financials. In the event that the US-Borrower shall at any time fail to furnish

to the Lenders such Financials (together with a Compliance Certificate) within the time limitations specified by this Agreement, then the maximum Applicable Margin shall apply from the date of such failure until the fifth (5th) Business Day after such Financials (and accompanying Compliance Certificate) are so delivered.
