Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 1, 2014, the Board of Directors (the “Board”) of CoreLogic, Inc. (the “Company”) approved the amendment and restatement of the Company’s 2011 Performance Incentive Plan (the “2011 Plan”), subject to approval by the Company’s stockholders. The Company’s stockholders approved the amendment and restatement of the 2011 Plan at the Company’s Annual Meeting of Stockholders held on July 29, 2014 (the “Annual Meeting”). Among other changes, the amended and restated 2011 Plan (1) increases the limit on the aggregate number of shares of common stock that may be delivered pursuant to awards granted under the 2011 Plan by 2,500,000 shares to a new aggregate share limit of 21,908,631 shares; (2) changes the “full value” award share counting ratio from 3.3 to 1 to 2 to 1 effective July 29, 2014; (3) makes shares exchanged or withheld by the Company to satisfy any purchase price and tax withholding obligations related to full value awards available for new grants under the 2011 Plan beginning after December 31, 2013; (4) extends the term of the 2011 Plan until April 30, 2024; (5) eliminates certain minimum vesting requirements that were previously applicable to full value awards; and (6) extends the performance-based award feature of the 2011 Plan through the first annual meeting of stockholders that occurs in 2019.

The Board or one or more committees appointed by the Board administers the 2011 Plan. The Board has delegated general administrative authority for the 2011 Plan to its Compensation Committee. The administrator of the 2011 Plan has broad authority under the 2011 Plan to, among other things, select participants and determine the type(s) of award(s) that they are to receive, and determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award.

Persons eligible to receive awards under the 2011 Plan include officers or employees of the Company or any of its subsidiaries, directors of the Company, and certain consultants and advisors to the Company or any of its subsidiaries. The types of awards that may be granted under the 2011 Plan include stock options, stock appreciation rights, restricted stock, stock bonuses, stock units and other forms of awards granted or denominated in the Company’s common stock or units of the Company’s common stock, as well as certain cash bonus awards.

The maximum number of shares of the Company’s common stock that may be delivered pursuant to awards granted under the 2011 Plan is equal to 21,908,631. Shares granted under the 2011 Plan in respect of restricted stock, restricted stock unit or other “full value” awards count against the foregoing share limit as 2 shares for every 1 share actually issued. Shares subject to outstanding awards that are settled in cash will be available for issuance under the 2011 Plan, as will any shares exchanged or withheld by the Company to satisfy any purchase price and tax withholding obligations related to full value awards. However, with respect to all awards other than full value awards, any shares exchanged or withheld or deemed exchanged or withheld as full or partial payment for any award or for withholding taxes thereon will not be available for issuance.

The foregoing description is qualified in its entirety by reference to the 2011 Plan, a copy of which is filed as Exhibit 10.1 to this report and incorporated by reference herein.
