### Item 5. Other Events.

-----

Our news release dated July 17, 2002 concerning second quarter 2002 financial results, our supplemental second quarter 2002 financial information and second quarter 2002 financial statements, filed as Exhibits 20, 99.1 through 99.4 and 99.5, respectively, to this report, are incorporated by reference herein.

In addition, our North American and Overseas Production schedule dated July 17, 2002, filed as Exhibit 99.6 to this report, is incorporated by reference herein.

To view slides summarizing our second quarter 2002 financial results, investors can visit the following web site: <http://media.ford.com>. Also, investors can access replays of a conference call with news media and security analysts to review our second quarter results that was hosted by Allan Gilmour, Ford's Vice Chairman and Chief Financial Officer, which took place in the morning on July 17, 2002, by visiting one of the following web sites: [www.shareholder.ford.com](http://www.shareholder.ford.com), [www.streetevents.com](http://www.streetevents.com) (subscribers only) or <http://www.companyboardroom.com>.

Our news release, filed as Exhibit 20 hereto, states on page 3 that our market share in Brazil increased by 1.9 percentage points in the second quarter of 2002 compared with last year's second quarter. The increase actually was 1.4 percentage points when calculated on a basis that includes sales of Jaguar, Land Rover and Volvo vehicles, as well as Ford-brand vehicles, in both the 2001 and 2002 second quarter periods.

Statements included herein may constitute "forward looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These statements involve a number of risks, uncertainties, and other factors that could cause actual results to differ materially from those stated, including, without limitation: greater price competition in the U.S. and Europe resulting from currency fluctuations, industry overcapacity or other factors; a significant decline in industry sales, particularly in the U.S. or Europe, resulting from slowing economic growth or other factors; lower-than-anticipated market acceptance of new or existing products; currency or commodity price fluctuations; economic difficulties in South America or Asia; reduced availability higher prices for fuel; a market shift from truck sales in the U.S.; lower-than-anticipated residual values for leased vehicles; a credit rating downgrade; labor or other constraints on our ability to restructure our business; increased safety, emissions, fuel economy or other regulation resulting in higher costs and/or sales restrictions; work stoppages at key Ford or supplier facilities or other interruptions of supplies; the discovery of defects in vehicles resulting in delays in new model launches, recall campaigns, increased warranty costs or litigation; insufficient credit loss reserves; and our inability to implement our Revitalization Plan.
