Notes to Summary Compensation Table

(1) Amounts in the Bonus column reflect awards under the Senior Officer Annual Incentive Compensation Plan (SOIP), except for Mr. Shockley as disclosed in footnote 3, and, in the case of Mr. Fayne and Ms. Tomasky, lump sum payments of \$75,000 each in 2001 in lieu of immediate salary increases in connection with their promotions during the year. Payments pursuant to the SOIP are made in the first quarter of the succeeding fiscal year for performance in the year indicated.

Amounts in the Long-Term Compensation -- Payouts column reflect performance share unit targets earned under the AEP 2000 Long-Term Incentive Plan for three-year performance periods, except for Mr. Shockley as disclosed in footnote 3. See below under Long-Term Incentive Plans -- Awards in 2001 for additional information.

(2) Amounts in the All Other Compensation column, except for the additional compensation to Messrs. Shockley and Lhota as disclosed in footnotes (3) and (5), respectively, include (i) AEP's matching contributions under the AEP Retirement Savings Plan and the AEP Supplemental Savings Plan, a non-qualified plan designed to supplement the AEP Savings Plan, (ii) subsidiary companies director fees, (iii) vehicle allowance, and (iv) split-dollar insurance. Split-dollar insurance represents the present value of the interest projected to accrue for the employee's benefit on the current year's insurance premium paid by AEP. Cumulative net life insurance premiums paid are recovered by AEP at the later of retirement or 15 years. Detail of the 2001 amounts in the All Other Compensation column is shown below.

- (3) Mr. Shockley joined AEP from Central and South West Corporation and became an executive officer when the merger with CSW was consummated on June 15, 2000. The Salary column for Mr. Shockley shows the amount earned for his AEP service after the date of the merger. The amounts in the Bonus and LTIP Payouts columns for 2000 represent his prorated payment under the CSW Annual Incentive Plan and the value of Common Stock awarded under the CSW 1992 Long-Term Incentive Plan, respectively. He also received a payment of \$9,154,924 under his change in control agreement with CSW that is included in the All Other Compensation column.
- (4) No 1999 compensation information is reported for Ms. Tomasky because she was not an executive officer in this year.
- (5) Mr. Lhota resigned from his executive positions with AEP on December 12, 2001, and left active employment on December 31, 2001. He is receiving severance of \$2,022,750, equal to three times base salary and annual incentive at target, with \$1,152,750 paid upon his termination of active employment and the remainder as a continuation of his annual salary of \$435,000 through December 2003. As a result, Mr. Lhota retains his eligibility for the upcoming two-year period under AEP's savings and retirement plans. Mr. Lhota also received a lump sum payment of accrued vacation pay of \$66,085.

### Compensation of Directors

Annual Retainers and Meeting Fees. Directors who are officers of AEP or employees of any of its subsidiaries do not receive any compensation, other than their regular salaries and the accident insurance coverage described below, for attending meetings of AEP's Board of Directors. The other members of the Board receive an annual retainer of \$35,000 for their services, an additional annual retainer of \$5,000 for each Committee that they chair, a fee of \$1,200 for each meeting of the Board and of any Committee that they attend (except a meeting of the Executive Committee held on the same day as a Board meeting), and a fee of \$1,200 per day for any inspection trip or conference.

Deferred Compensation and Stock Plan. The Deferred Compensation and Stock Plan for Non-Employee Directors permits non-employee directors to choose to receive up to 100 percent of their annual Board retainer in shares of AEP Common Stock and/or units that are equivalent in value to shares of Common Stock ("Stock Units"), deferring receipt by the non-employee director until termination of service or for a period that results in payment commencing not later than five years thereafter. AEP Common Stock is distributed and/or Stock Units are credited to directors, as the case may be, when the retainer is payable, and are based on the closing price of the Common Stock on the payment date. Amounts equivalent to cash dividends on the Stock Units accrue as additional Stock Units. Payment of Stock Units to a director from deferrals of the retainer and dividend credits is made in cash or AEP Common Stock, or a combination of both, as elected by the director.

Stock Unit Accumulation Plan. The Stock Unit Accumulation Plan for Non-Employee Directors annually awards 1,200 Stock Units to each non-employee director as of the first day of the month in which the non-employee director becomes a member of the Board. Amounts equivalent to cash dividends on the Stock Units accrue as additional Stock Units. Stock Units are paid to the director in cash upon termination of service unless the director has elected to defer payment for a period that results in payment commencing not later than five years thereafter.

Insurance. AEP maintains a group 24-hour accident insurance policy to provide a \$1,000,000 accidental death benefit for each director. The current policy,

## Edgar Filing: AMERICAN ELECTRIC POWER CO INC - Form U5S

effective September 1, 2001 through September 1, 2004, has a premium of \$31,050. In addition, AEP pays each director (excluding officers of AEP or employees of any of its subsidiaries) an amount to provide for the federal and state income taxes incurred in connection with the maintenance of this coverage (\$630 for 2001).

Central and South West Corporation Programs. Mr. Powell, as a former CSW director, is enrolled in a medical and dental program formerly offered by CSW to its non-employee directors. AEP is continuing this program, pursuant to the terms of the merger with CSW, for those CSW directors who had previously elected to participate. Mr. Powell pays a portion of the cost of his coverage. Upon Mr. Powell's termination of service with the Board, he will be eligible to receive retiree medical and dental benefits coverage.

### (b) OWNERSHIP OF SECURITIES

THE FOLLOWING TABLE sets forth the beneficial ownership of AEP Common Stock and stock-based units as of January 1, 2002 for all directors as of the date of this proxy statement, all nominees to the Board of Directors, each of the persons named in the Summary Compensation Table and all directors and executive officers as a group. Unless otherwise noted, each person had sole voting and investment power over the number of shares of Common Stock and stock-based units of AEP set forth across from his or her name. Fractions of shares and units have been rounded to the nearest whole number.

#### Long-Term Incentive Plans - Awards In 2001

Each of the awards set forth below establishes performance share unit targets, which represent units equivalent to shares of Common Stock, pursuant to the Company's 2000 Long-Term Incentive Plan. Since it is not possible to predict future dividends and the price of AEP Common Stock, credits of performance share units in amounts equal to the dividends that would have been paid if the performance share unit targets were established in the form of shares of Common Stock are not included in the table.

The ability to earn performance share unit targets is tied to achieving specified levels of total shareholder return ("TSR") relative to the S&P Electric Utility Index. The Human Resources Committee may, at its discretion, reduce the number of performance share unit targets otherwise earned. In accordance with the performance goals established for the periods set forth below, the threshold, target and maximum awards are equal to 20%, 100% and 200%, respectively, of the performance share unit targets. No payment will be made for performance below the threshold.

Payments of earned awards are deferred in the form of phantom stock units (equivalent to shares of AEP Common Stock) until the officer has met the equivalent stock ownership target discussed in the Human Resources Committee Report. Once officers meet and maintain their respective targets, they may elect either to continue to defer or to receive further earned awards in cash and/or

Retirement Benefits

The American Electric Power System Retirement Plan provides pensions for all employees of AEP System companies (except for employees covered by certain collective bargaining agreements or by the Central and South West Corporation Cash Balance Retirement Plan or certain other employees), including the executive officers of AEP. The Retirement Plan is a noncontributory defined benefit plan.

The Retirement Plan was amended effective January 1, 2001. The amendment provided that the final average pay benefit accrual formula will terminate on December 31, 2010 and, effective January 1, 2001, a cash balance accrual formula was added to the Retirement Plan. Employees participating in the Retirement Plan on December 31, 2000 accrue retirement benefits under both formulas and employees hired after December 31, 2000 accrue retirement benefits solely under the cash balance formula. Employees accruing benefits under both formulas may choose either the final average pay formula or the cash balance formula for their accrued benefit at the time employment is terminated. The accrued benefit earned by an employee under the final average pay formula as of December 31, 2010, the date the final average pay formula will be discontinued, is the minimum benefit an employee can receive from the Retirement Plan after that time.

The following table shows the approximate annual annuities that would be payable to employees in certain higher salary classifications under the final average pay formula, assuming retirement at December 31, 2001 after various periods of service and with benefits commencing at age 65.

The amounts shown in the table are the straight life annuities payable under the Retirement Plan final average pay formula without reduction for the joint and survivor annuity. Retirement benefits listed in the table are not subject to any deduction for Social Security or other offset amounts. The retirement annuity is reduced 3% per year in the case of a termination of employment and commencement of benefits between ages 55 and 62. If an employee terminates employment and commences benefits at or after age 62, there is no reduction in the retirement annuity.

Compensation upon which retirement benefits under the final average pay formula are based, for the executive officers named in the Summary Compensation Table above consists of the average of the 36 consecutive months of the officer's highest aggregate salary and Senior Officer Annual Incentive Compensation Plan awards, shown in the Salary and Bonus columns, respectively, of the Summary Compensation Table, out of the officer's most recent 10 years of service.

Under the cash balance formula each employee has an account to which dollar amount credits are allocated annually based on a percentage of the employee's compensation. Compensation for the cash balance formula includes annual salary and annual incentive compensation plan awards up to a maximum total compensation of \$1,000,000. The applicable percentage is determined by age and years of service with AEP as of December 31 of each year (or as of the employee's termination date, if earlier). The following table shows the percentage used to determine dollar amount credits at the age and years of service indicated:
