(b) On March 4, 2014, Lowe's Companies, Inc. (the "Company") announced that Gregory M. Bridgeford will retire from his position as Chief Customer Officer, effective April 30, 2014. Mr. Bridgeford, age 59, joined the Company in 1982 and has served as Chief Customer Officer since 2012.

(c) On March 4, 2014, the Company announced that Michael A. Jones has been appointed to the position of Chief Customer Officer, effective April 30, 2014. Mr. Jones, age 51, joined the Company in January 2013 and has served as Chief Merchandising Officer since then. Prior to joining the Company, Mr. Jones spent three years with Husqvarna serving as President and Executive Vice President for North and Latin America from 2009 until he left to join the Company. Mr. Jones previously spent 15 years at General Electric where his most recent role was General Manager of Global Cooking Products from 2007 until 2009. Mr. Jones received a Bachelor's Degree in Business Administration from California Coast University.

Effective April 1, 2014, Mr. Jones' annual base salary will be increased from \$500,000 to \$600,000 to reflect his increased duties and responsibilities as the Company's Chief Customer Officer. Effective April 1, 2014, the target and maximum annual incentive award Mr. Jones may earn based on the Company's achievement of short-term operational and strategic goals will also be increased from 75% to 100% and from 150% to 200%, respectively, of his base salary. The Compensation Committee of the Board has also approved an increase in the target values of the annual equity incentive awards to be made to Mr. Jones from 200% of his prior range midpoint to 400% of his base salary. This increase will be effective for the equity incentive awards to be made by the Committee to all of the Company's executive officers as of April 1, 2014. The actual value of the awards realized by Mr. Jones (as well as the Company's other executive officers) will be based on the degree of achievement of performance vesting goals (for performance share units) or satisfaction of vesting requirements based on continued employment with the Company (for time vesting equity incentive awards) and, in all cases, the value of the Company's common stock when the awards are earned and become vested.
