PROXY STATEMENT FOR
ANNUAL MEETING OF STOCKHOLDERS

To Be Held June 4, 2009

SOLICITATION OF PROXIES

Solicitation

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of LSB Industries, Inc. (the "Company", "we," "us" or "our") of proxies to be voted at the Annual Meeting of Stockholders to take place on Thursday, June 4, 2009, at 11:30 a.m. at the Company's offices located at 16 South Pennsylvania Avenue, Oklahoma City, Oklahoma and at any adjournment thereof. This proxy statement and the proxy card are being first sent to the stockholders of the Company on or about May 11, 2009.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What matters are being considered?

You will be voting on each of the following items of business:

- (1) The election of four nominees to the Board of Directors; and
- (2) The ratification of the appointment of the independent registered public accounting firm.

The Board of Directors recommends a vote "FOR" each of the proposals.

Will other matters be brought before the meeting?

The Board of Directors does not intend to bring any other matters before the annual meeting and does not expect any other items of business because the deadline for stockholder proposals and nominations has already past. However, if any other matter is properly brought before the annual meeting, the accompanying proxy gives discretionary authority to the persons named in the proxy with respect to any other matters that might be brought before the meeting. Those persons intend to vote that proxy in accordance with their best judgment on such matter.

Who is entitled to vote at the meeting?

You may vote if you owned stock as of the close of business on April 8, 2009, which is the record date for determining who is eligible to vote at the annual meeting.

As of the close of business on the record date, we had the following shares of common stock and voting preferred stock issued and outstanding which were eligible to vote:

- (a) 21,109,812 shares of common stock (excluding 3,848,518 shares held in treasury), with each share entitled to one vote;

- (b) 546.5 shares of Convertible Noncumulative Preferred Stock ("Noncumulative Preferred"), with each full share entitled to one vote and each half share entitled to one-half of one vote;
- (c) 20,000 shares of Series B 12% Cumulative Convertible Preferred Stock ("Series B Preferred"), with each share entitled to one vote; and
- (d) 1,000,000 shares of Series D 6% Cumulative Convertible Preferred Stock ("Series D Preferred"), with each share entitled to .875 of one vote.

Shares of our Noncumulative Preferred, Series B Preferred and Series D Preferred are referred to as our “voting preferred stock.” All of our outstanding shares of common stock and voting preferred stock will vote together as a single class on all matters coming before the annual meeting.

What constitutes a quorum?

In order to conduct the annual meeting, we must have a quorum. A majority of all of the outstanding shares of common stock and voting preferred stock, represented as a single class, entitled to notice of, and to vote at, the annual meeting, represented in person or by proxy, will constitute a quorum for the meeting.

What vote is required to approve the items under consideration?

- Directors are elected by a plurality of the shares present in person or represented by proxy and entitled to vote at the annual meeting.
- The ratification of the appointment of the independent registered public accounting firm requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the annual meeting.

How do I vote?

If you are a stockholder whose shares are registered in your name, you may vote your shares in person at the meeting or by one of the three following methods:

- Vote by Internet, by going to the web address [Hwww.envisionreports.com/LXUH](http://www.envisionreports.com/LXUH) and following the instructions for Internet voting.
- Vote by Telephone, by dialing 1-800-652-8683, which is a toll-free number, and following the instructions for telephone voting.
- Vote by Proxy Card, by completing, signing, dating and mailing the enclosed proxy card in the envelope provided. If you vote by Internet or telephone, please do not mail your proxy card.

If your shares are held in “street name” (through a broker, bank or other nominee), you may receive a separate voting instruction form with this proxy statement, or you may need to contact your broker, bank or other nominee to determine whether you will be able to vote electronically using the Internet or by telephone.

Can I change my mind after I vote?

Yes, you may change your mind at any time before the polls close at the meeting. You can change your vote by:

- executing and submitting a revised proxy;
- providing a written revocation to the Secretary of the Company; or
- voting in person at the meeting.

In the absence of a revocation, shares represented by the proxies will be voted at the meeting. Your attendance at the meeting will not automatically revoke your proxy. If you do not hold your shares directly, you should follow the instructions provided by your broker, bank or nominee to revoke your previously voted proxy.

What if I sign and return my proxy card but I do not include voting instructions?

If you sign your proxy card and return it to us but you do not include voting instructions as to the proposal, your proxy will be voted "FOR" the proposals.

2

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is Computershare Trust Company, N.A., P.O. Box 43078, Providence, Rhode Island 02940-3078, (800) 884-4225 (US and Canada) and (781) 575-4706 (outside U.S. and Canada)

Will my shares be voted if I do not provide my proxy?

No. If your shares are registered in your name, they will not be voted, unless you submit your proxy or vote in person at the meeting. If you hold your shares directly in your own name, you must vote, either by completing, signing and delivering a proxy, voting by telephone or the internet, or attending the meeting and voting at the meeting.

If your stock is held in your brokerage account, you can instruct your broker how your shares should be voted. If you fail to give your broker instructions, the broker may submit a "broker non-vote."

If you did not give instructions to your broker how to vote your shares, the broker may vote your shares in its discretion for the election of directors and the ratification of the independent accounts. If the broker does not vote, a broker "non-vote" is counted toward the shares needed for a quorum, but because a broker non-vote is not considered to be eligible to vote, it is not counted in determining whether the proposal has been approved.

Are abstentions counted?

If your proxy indicates an abstention from voting on the proposal, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be voted on any matter at the annual meeting. Because abstentions represent shares entitled to vote, if you abstain from voting on a proposal, your abstention (a) will have no effect on the election of directors and (b) will have the effect of a vote against the ratification of the appointment of the independent registered public accounting firm.

Who will count the votes?

All votes will be tabulated by the inspector of election appointed for the annual meeting, who will separately tabulate affirmative and negative votes and abstentions.

What is the deadline for submission of stockholder proposals for the 2010 annual meeting?

If you wish to submit proposals to be included in our proxy statement for our 2010 annual meeting, proposals must be received at our principal executive offices in writing not later than January 11, 2010. Proposals must satisfy the procedures set forth in Rule 14a-8 under the Securities Exchange Act of 1934, or the Exchange Act.

The deadline for providing us with timely notice of matters that you otherwise desire to introduce at our next annual meeting of stockholders, other than those that will be included in our proxy materials, is 50 days prior to the date of the 2010 annual meeting (or if we give less than 60 days notice of the date of the 2010 annual meeting, written notice of the proposal must be received not later than the close of business on the 10th day following the day on which we mail notice of, or publicly disclose, the date of the meeting). The written notice must set forth: (a) a brief description of the business desired to be presented before the annual meeting and reasons for conducting such business at the meeting; (b) the name and address, as they appear on the Company's books, of the stockholder proposing such business; (c) the class and number of shares of the Company's voting stock beneficially owned by such stockholder; and (d) any material interest of such stockholder in such business.

If you wish to present a proposal, but you fail to notify us by such deadline, you will not be entitled to present the proposal at the meeting. We suggest that you submit your proposals by registered mail, return receipt requested, attention: Secretary.

3

Who is paying the cost of this solicitation?

We will pay for preparing, printing and mailing this proxy statement. Proxies may be solicited on our behalf by our directors, officers or employees, without additional consideration, in person or by telephone, electronic transmission and facsimile transmission. We will reimburse banks, brokers and other custodians, nominees and fiduciaries for their out-of-pocket costs of sending the proxy materials to our beneficial owners. We have also retained and will pay for the services of Georgeson, Inc. to assist in the solicitation of proxies for a fee of \$6,500, plus reasonable charges and out-of-pocket expenses incurred by them.

Stockholder List

A list of stockholders entitled to vote at the annual meeting will be open to the examination of any stockholder for any purpose germane to the annual meeting during ordinary business hours commencing 10 days before the annual meeting. The list will be maintained at our principal executive offices located at 16 South Pennsylvania Avenue, Oklahoma City, Oklahoma.

12BPROPOSAL 1

11BELECTION OF DIRECTORS

General

The Board of Directors has nominated Robert C. Brown, Barry H. Golsen, David R. Goss and John A. Shelley to each serve a three-year term expiring in 2012. Each of the nominees is presently serving as a director of the Company.

If any of the nominees become unable or unwilling to serve for good cause (an event which the Board of Directors does not anticipate), the person or persons named in the proxy card as the proxies will vote for the election of the person or persons recommended by a majority of the independent directors then serving on the Board of Directors. The proxies cannot be voted for a greater number of persons than the number of nominees.

Our Certificate of Incorporation and By-laws provide for the division of the Board of Directors into three classes, each class consisting as nearly as possible of one-third of the whole. The term of office of one class of directors expires each year, with each class of directors elected for a term of three years and until their successors are duly elected and qualified. Messrs. Brown, Golsen, Goss and Shelley are in the class whose term is expiring as of the annual meeting, and are standing for election to serve a term that will expire in 2012.

The Company's By-laws provide that the Board of Directors, by resolution from time to time, may fix the number of directors that shall constitute the whole Board of Directors. The By-laws presently provide that the number of directors may consist of not less than three nor more than thirteen. The Board of Directors currently consists of thirteen members.

9BRATIFICATION OF APPOINTMENT OF
10BINDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed the firm of Ernst & Young LLP, Independent Registered Public Accounting Firm ("Ernst & Young"), as the Company's auditors for 2009. Ernst & Young has served as the Company's auditors for more than five years, including the fiscal year most recently completed. If the stockholders do not ratify the appointment of Ernst & Young, the Audit Committee will reconsider the appointment.

Consistent with past practices, it is expected that one or more representatives of Ernst & Young will attend the annual meeting and will be available to respond to appropriate questions or make a statement should they desire to do so.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE
APPOINTMENT OF ERNST & YOUNG LLP.

CORPORATE GOVERNANCE

Meetings of the Board of Directors

Our Board of Directors held 10 meetings in 2008. During 2008, no incumbent director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which he served, except Mr. Perry attended 70% of such Board of Directors meetings. Although we do not currently have a policy with respect to the attendance of our directors at the annual meeting, the Company encourages each of its directors to attend whenever possible. A majority of the directors attended the Company's 2008 annual meeting of Stockholders.

Committees of the Board of Directors

We have an Audit Committee, a Compensation and Stock Option Committee and a Nominating and Corporate Governance Committee (the "Nominating Committee").

Lead Director

The independent Directors of our Board appointed a Lead director from among the independent directors. Mr. Shelley is the current Lead Director. The Lead Director:

- presides at meetings of the Board at which the chairman or vice chairman is not present, including executive sessions of the independent Directors;
- serves as a liaison between the chairman and the independent Directors;
- oversees the Board's stockholder communications policies; and
- has the authority to call meetings of the independent Directors.

Nominations of Directors

Nominating Committee. The Nominating Committee consists entirely of independent Directors who were appointed by the Board to serve until their successors are appointed and qualify. The members of the Nominating Committee are Mr. Shelley (Chairman), Mr. Ackerman and Mr. Rhodes. The Nominating Committee's primary responsibility is the annual identification and presentation to the Board of a list of qualified individuals recommended for nomination for election to the Board of Directors at the annual meeting of stockholders. In addition to its primary responsibility, the Nominating Committee is also responsible for:

- Recommending to the Board the selection criteria that should be considered for membership on the Board of Directors;
- The periodic assessment of the selection criteria, and the recommendation of any changes to the selection criteria;
- Identifying Director candidates meeting the selection criteria and aiding in attracting such candidates as Directors;
- The consideration of proposed Director candidates, in light of the selection and performance criteria adopted by the Board;
 - Reviewing the qualifications of incumbent, replacement or additional Director candidates; and
 - Making periodic recommendations to the Board regarding its size and composition.

During 2008, the Nominating Committee held one regularly scheduled meeting. The Nominating Committee operates under a written charter. The Nominating Committee Charter is available on our website at Hwww.lsb-okc.comH or in paper form upon request to our corporate secretary.

Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

The Nominating Committee will consider the qualifications of director candidates recommended by stockholders and evaluate each of them using the same criteria the Nominating Committee uses for incumbent candidates. Director candidate recommendations by stockholders must be made in compliance with the procedures set forth in our By-laws by notice in writing delivered or mailed by first class U.S. mail, postage prepaid, to the Chair of the Nominating Committee, in care of the Corporate Secretary of the Company, 16 South Pennsylvania Avenue, Oklahoma City, Oklahoma 73107. Please indicate on the envelope "Nominating Committee."

In accordance with our By-laws, the Board of Directors will, through the Nominating Committee, consider director nominations submitted by a stockholder if the stockholder gives written notice of the proposed nomination to the Secretary of the Company at our principal executive office not less than 50 days prior to the date of the meeting of stockholders to elect directors; except, if less than 60 days notice or prior disclosure of the date of such meeting is given to the stockholders, then written notice by the stockholder must be received by our Secretary not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. The stockholder's written notice must provide all information relating to such person that is required to be disclosed in solicitation of proxies pursuant to Regulation 14A under the Exchange Act.

Communication with the Board of Directors

Our Board of Directors believes that it is important for us to have a process whereby its stockholders may send communications to the Board. Accordingly, stockholders and interested parties who wish to communicate with the Board of Directors, the independent Directors as a group, or a particular director may do so by sending a letter to Lead Director at 16 S. Pennsylvania Avenue, Oklahoma City, OK 73107. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder or an interested party and clearly state whether the intended recipients are all members of the Board of Directors, the independent Directors, or only certain specified individual directors. The Lead Director will make copies of all such letters and circulate them to the appropriate director or directors.

Audit Committee

The Company has a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The members of the Audit Committee are Messrs. Bernard Ille (Chairman), Charles Burch, Horace Rhodes, Ray Ackerman and John Shelley (added in November 2008). The Board has determined that each member of the Audit Committee is independent, as defined in the listing standards of the NYSE Euronext ("NYSE") as of the 2008 fiscal year end. During 2008, the Audit Committee had six meetings. The Audit Committee operates under a written charter. The Audit Committee Charter is available on our website at Hwww.lsb-okc.com or in paper form upon request to our corporate secretary.

The Company's Audit Committee assists the Board of Directors in monitoring the integrity of our financial statements, the independent registered public accounting firm's qualifications and independence, the performance of our internal audit function and independent registered public accounting firm, and our compliance with legal and regulatory requirements. In carrying out these purposes, the Audit Committee, among other things:

- appoints, evaluates, and approves the compensation of, our independent registered public accounting firm;
- pre-approves all auditing services and permitted non-audit services; annually considers the qualifications and independence of the independent registered public accounting firm;
- reviews recommendations of independent registered public accounting firm concerning our accounting principles, internal controls and accounting procedures and practices;
 - reviews and approves the scope of the annual audit;
- reviews and discusses with the independent registered public accounting firm the audited financial statements;
- reviews and discusses with the independent registered public accounting firm the unaudited quarterly financial statements; and
 - performs such other duties as set forth in the Audit Committee Charter.

Audit Committee Financial Expert

While the Board of Directors endorses the effectiveness of our Audit Committee, its membership does not presently include a director that qualifies for designation as an “Audit Committee Financial Expert.” However, each of the current members of the Audit Committee is able to read and understand fundamental financial statements and at least one of its members is “financially sophisticated” and has financial management expertise. The Board of Directors believes that the background and experience of each member of the Audit Committee is sufficient to fulfill

the duties of the Audit Committee. For these reasons, although the members of our Audit Committee are not professionally engaged in the practice of accounting or auditing, our Board of Directors has concluded that the ability of our Audit Committee to perform its duties is not impaired by the absence of an "Audit Committee Financial Expert."

Audit Committee Report

Management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Audit Committee has discussed with the independent registered public accounting firm the auditors' independence from management and us, and has received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board (including Independence Standards Board Standard No. 1), and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the Company's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of our internal control, and the overall quality of the Company's financial reporting. The Audit Committee held six meetings during 2008.

The Audit Committee appointed Ernst & Young LLP as our independent registered public accounting firm for 2009.

Code of Ethics

Our Chief Executive Officer, Chief Financial Officer, principal accounting officer, and controller and each of the persons performing similar functions for our subsidiaries, are subject to our Code of Ethics.

We and each of our subsidiary companies have adopted a Statement of Policy Concerning Business Conduct applicable to our employees. Our Code of Ethics and Statement of Policy Concerning Business Conduct are available on our website at Hwww.lsb-okc.comH or in paper form upon request to our corporate secretary. We will post any amendments to these documents, as well as any waivers that are required to be disclosed pursuant to the rules of either the Securities and Exchange Commission or the NYSE, on our website.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act of 1934, as amended (the "Exchange Act"), requires our directors, officers, and beneficial owners of more than 10% of our common stock to file with the Securities and Exchange Commission reports of holdings and changes in beneficial ownership of the Company's stock. Based solely on a review of copies of the Forms 3, 4 and 5 and amendments thereto furnished to the Company with respect to 2008, or written representations that no Form 5 was required to be filed, we believe that during 2008 all directors and officers of the Company and beneficial owners of more than 10% of the Company's common stock filed timely their required Forms 3, 4, or 5, except:

- Jack Golsen, Barry Golsen, Steve Golsen, Sylvia Golsen, Linda Rappaport, SBL, LLC, and Golsen Family, LLC each inadvertently filed one late Form 4 to report three transactions;
 - James Murray inadvertently filed one late Form 4 to report one transaction;
 - Raymond Ackerman inadvertently filed two late Forms 5 to report four gifts;
- Paul Rydlund and Linda Rappaport each inadvertently filed a late Form 3 to report their holdings of the Company's securities;
 - Robert Butkin inadvertently filed one late Form 4 and one late Form 5 to report one transaction each; and
- Bernard Ille, John Shelley, Raymond Ackerman, Charles Burtch, Donald Munson, Robert Brown, Ron Perry and Horace Rhodes each inadvertently filed one late Form 4 to report one transaction.

Compensation and Stock Option Committee

The Compensation and Stock Option Committee (the "Compensation Committee") has three members and met six times during 2008. The Committee is comprised of Messrs. Horace Rhodes (Chairman), Charles Burtch and Bernard Ille, who are non-employee, independent directors in accordance with the rules of the NYSE. The Board has adopted a Compensation and Stock Option Committee Charter which governs the responsibilities of the Compensation Committee. This charter is available on the Company's website at [Hwww.lsb-okc.com](http://www.lsb-okc.com)H, and is also available in paper form upon request to our corporate secretary.

The Compensation Committee's responsibilities include, among other duties, the responsibility to:

- establish the base salary, incentive compensation and any other compensation for the Company's executive officers;
- administer the Company's management incentive and stock-based compensation plans, non-qualified death benefits, salary continuation and welfare plans, and discharge the duties imposed on the Compensation Committee by the terms of those plans; and
 - perform other functions or duties deemed appropriate by the Board.

Decisions regarding non-equity compensation of non-executive officers and executive officers named in the Summary Compensation Table (the "named executive officers") other than the Chief Executive Officer and the President, are made by the Company's Chief Executive Officer and presented for approval or modification by the Committee.

The agenda for meetings of the Compensation Committee is determined by its Chairman with the assistance of our Chief Executive Officer. Committee meetings are regularly attended by the Chief Executive Officer. At each Compensation Committee meeting, the Compensation Committee also meets in executive session without the Chief Executive Officer. The Committee's Chairman reports to the Board the Compensation Committee's recommendations on compensation for the Chief Executive Officer and the President. The Chief Executive Officer may be delegated authority to fulfill certain administrative duties regarding the compensation programs.

The Compensation Committee has authority under its charter to retain, approve fees for, and terminate advisors, consultants and agents as it deems necessary to assist in the fulfillment of its responsibilities. If an outside consultant is engaged, the Compensation Committee reviews the total fees paid to such outside consultant by the Company to ensure that the consultant maintains its objectivity and independence when rendering advice to the Compensation Committee. For 2008, no outside consultants were engaged by the Compensation Committee.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

Our long-term success depends on our ability to efficiently operate our facilities, to continue to develop our product lines and technologies, and to focus on developing our product markets. To achieve these goals, it is important that we be able to attract, motivate, and retain highly talented individuals who are committed to our values and goals.

The Compensation Committee has responsibility for the establishment in consultation with management, of our compensation philosophy for its senior executive officers and the implementation and oversight of a compensation program consistent with the philosophy. This group of senior executive officers includes the named executive officers, as well as our other executives.

A primary objective of the Compensation Committee is to ensure that the compensation paid to the senior executive officers is fair, reasonable, and competitive and provides incentives for superior performance. The Compensation Committee is responsible for approval of all decisions for the direct compensation, including the base salary and bonuses, stock options and other benefit programs for the Company's senior executive officers, including the named executive officers.

In general, the day to day administration of savings, health and welfare plans and policies are handled by a team of the legal and finance department employees. The Compensation Committee (or Board) remains responsible for key policy changes outside of the day to day requirements necessary to maintain these plans and policies.

Compensation Philosophy and Objectives

The Compensation Committee believes that the most effective executive compensation program rewards the executive's achievements and contribution towards the Company achieving its long-term strategic goals. However, the Compensation Committee does not believe that executive compensation should be tied to specific numeric or formulaic financial goals or stock price achievement by the Company. The Compensation Committee recognizes that, given the volatility of the market in which we do business, our economic performance in any given time frame may not be an accurate measurement of our senior executive officer's performance.

The Compensation Committee values both personal contribution and teamwork as factors to be rewarded. The Compensation Committee believes that it is important to align executives' interests with those of stockholders through the use of stock option incentive programs. The Compensation Committee evaluates both performance and compensation to ensure that we maintain our ability to attract and retain highly talented employees in key positions, and that compensation provided to key employees will remain competitive relative to our other senior executive officers. The Compensation Committee believes that executive compensation packages should include both cash and stock-based compensation, as well as other benefit programs to encourage senior executive officers to remain with the Company and have interests aligned with those of the Company. Based on the foregoing, the Committee bases its executive compensation program on the following criteria:

- Compensation should be based on the level of job responsibility, executive performance, and Company performance.
 - Compensation should enable us to attract and retain key talent.
- Compensation should be competitive with compensation offered by other companies that compete with us for talented individuals in our geographic area.
 - Compensation should reward performance.

- Compensation should motivate executives to achieve our strategic and operational goals.

Setting Executive Compensation

The Committee sets annual cash and non-cash executive compensation to reward the named executive officers for achievement and to motivate the named executive officers to achieve long-term business objectives. The Compensation Committee is unable to use peer group comparisons in determining the compensation package because of the diverse nature of our lines of business. Although the Compensation Committee has not engaged outside consultants to assist in conducting its annual review of the total compensation program, it may do so in the future. The Compensation Committee consulted some generally available compensation information for companies of our size. The Compensation Committee did not engage consultants to prepare specialized reports for their use. The Compensation Committee considered base salary and current bonus awards in determining overall compensation. The Compensation Committee does not have a policy allocating long term and currently paid compensation. The Compensation Committee also considered the allocation between cash and non-cash compensation amounts, but does not have a specific formula or required allocation between such compensation amounts. The Compensation Committee compares the Chief Executive Officer's total compensation to the total compensation of our other named executive officers over time. However, the Compensation Committee has not established a target ratio between total compensation of the Chief Executive Officer and the median total compensation level for the next lower tier of management. The Compensation Committee also considers internal pay equity among the named executive officers and in relation to next lower tier of management in order to maintain compensation levels that are consistent with the individual contributions and responsibilities of those executive officers. The Compensation Committee does not consider amounts payable under severance agreements when setting the compensation of the named executive officers.

Role of Executive Officers in Compensation Decisions

Our Chief Executive Officer annually reviews the performance of each of our named executive officers (other than the Chief Executive Officer and the President) and presents to the Compensation Committee recommendations with respect to salary, bonuses and other benefit items. The Committee considers and reviews such recommendations in light of the Compensation Committee's philosophy and objections and exercises its discretion in accepting or modifying the recommended compensation. In determining compensation for the Chief Executive Officer and the President, the Compensation Committee reviews the responsibilities and performance of each of them. Such review includes interviewing both the Chief Executive Officer and the President and consideration of the Compensation Committee's observations of the Chief Executive Officer and the President during the applicable year.

2008 Executive Compensation Components

For the fiscal year ended December 31, 2008, the principal components of compensation for the named executive officers were:

- base salary;
- cash bonus;
- death benefit and salary continuation programs; and
- perquisites and other personal benefits.

The Compensation Committee did not award equity based compensation, such as stock options, to the named executive officers in 2008. As discussed below, the Compensation Committee awarded salary increases and bonuses to the named executive officers for 2008. Those awards were considered sufficient to provide competitively based incentives to our executives to advance company performance, without granting equity based compensation as well.

Base Salary

We provide the named executive officers and other senior executive officers with base salary to compensate them for services rendered during the year. We do not have a defined benefit or qualified retirement plan for our executives. This factor is considered when setting the base compensation for senior executive officers.

Base salaries are determined for the named executive officers in the discretion of the Compensation Committee based upon the recommendations of the Chief Executive Officer's assessment of the executive's compensation, both individually and relative to the other senior executive officers and based upon an assessment of the individual

performance of the executive during the proceeding year. In determining the base salary for the Chief Executive Officer and the President, the Compensation Committee exercises its judgment based on its observations of such senior executive officers and the Compensation Committee's assessment of such officers' contribution to the Company's performance and other leadership achievements. Although the Compensation Committee does not use specific profit targets to set base salaries or bonuses, the Compensation Committee awarded salary increases in 2008 based on the above criteria and with consideration of the profitable year.

Bonuses

The Compensation Committee may award cash bonuses to the named executive officers to reward outstanding performance. The Compensation Committee awarded bonuses to the named executive officers in 2008 based upon the Committee's review of the performance and the recommendation of the Chief Executive Officer. No bonus is guaranteed, and there is no defined range of bonus amounts that the Compensation Committee may award. Bonus awards are made at the Compensation Committee's discretion based upon an assessment of an individual's overall contribution to the Company.

Death Benefit and Salary Continuation Plans

The Company sponsors non-qualified arrangements to provide a death benefit to the designated beneficiary of certain key employees (including certain of the named executive officers) in the event of such executive's death (the "Death Benefit Plans"). We also have a non-qualified arrangement with certain key employees (including certain of the named executive officers) of the Company and its subsidiaries to provide compensation to such individuals in the event that they are employed by the Company at age 65 (the "Salary Continuation Plans").

Attributed costs of the personal benefits described above for the named executive officers for the fiscal year ended December 31, 2008, are discussed in footnote (1) and included in column (i) of the "Summary Compensation Table."

The Committee believes that the Death Benefit and Salary Continuation Plans are significant factors in:

- enabling the Company to retain its named executive officers;
- encouraging our named executive officers to render outstanding service; and
- maintaining competitive levels of total compensation.

Perquisites and Other Personal Benefits

The Company and the Compensation Committee believe that perquisites are necessary and appropriate parts of total compensation that contribute to our ability to attract and retain superior executives. Accordingly, the Company and the Compensation Committee provided a limited number of perquisites that are reasonable and consistent with our overall compensation program. The Compensation Committee periodically reviews the levels of perquisites provided to the named executive officers.

We currently provide the named executive officers with the use of our automobiles, provide cell phones that are used primarily for business purposes, and pay the country club dues for certain of the executive officers. The executive officers are expected to use the country club in large part for business purposes.

Severance Agreements

We have entered into change of control severance agreements with certain key employees, including the named executive officers. The severance agreements are designed to promote stability and continuity of senior management.

Information regarding applicable payments under such agreements for the named executive officers is provided under the heading “Potential Payments Upon Termination or Change-In-Control,” beginning on page 21.

Employment Agreement

We have no employment agreements with our named executive officers, except with Jack E. Golsen, our Chief Executive Officer. The terms of Mr. Golsen’s employment agreement are described below under “Employment

Agreement,” beginning on page 17. We believe that Mr. Golsen’s employment agreement promotes stability in our senior management and encourages Mr. Golsen to provide superior service to us. The current term of the Employment Agreement expires March 21, 2011.

Amendments to Salary Continuation Plans, Severance Agreements and Employment Agreement

Effective December 17, 2008, our Board of Directors, based on the recommendation and approval of the Compensation Committee, approved the amendment of the following benefit plans in order to address, before December 31, 2008, the documentation requirements of Section 409A of the Internal Revenue Code (“Section 409A”):

- Non-Qualified Benefit Plan Agreements, each dated January 1, 1992, between the Company and each of Barry H. Golsen, David M. Shear, and Steven J. Golsen, Chief Executive Officer of one of the Company’s subsidiaries and Chief Operating Officer of the Company’s Climate Control Business;
- Severance Agreements, each dated January 17, 1989, between the Company and certain of our officers, including each of Jack E. Golsen; Barry H. Golsen; Tony M. Shelby; David R. Goss; and David M. Shear, (whose Severance Agreement is dated September 25, 1991); and Steven J. Golsen, Chief Executive Officer of one of the Company’s subsidiaries and Chief Operating Officer of the Company’s Climate Control Business; and
- Employment Agreement, dated March 21, 1996, as amended April 29, 2003 and May 12, 2005, between the Company and Jack E. Golsen.

The amendments primarily clarify and modify the dates on which certain types of benefits are provided, in order to comply with Section 409A. Where applicable, the amendments require that payments due to a “specified employee” (as such term is defined under Section 409A) upon separation from service must be delayed until the earlier of death or the expiration of a period of six months, among other revisions made to comply with Section 409A. Except as amended to address Section 409A, the agreements listed above are materially consistent with the respective pre-amendment agreements.

Ownership Guidelines

At this time, we have not established any guidelines which require our executive officers to acquire and hold our common stock. However, our named executive officers have historically acquired and maintained a significant ownership position in our common stock.

Tax and Accounting Implications

Deductibility of Executive Compensation - Section 162(m) of the Internal Revenue Code, provides that we may not deduct compensation of more than \$1,000,000 of employee remuneration for named executive officers. However, the statute exempts qualifying performance-based compensation from the deduction limit when specified requirements are met. In the past, we have granted non-qualifying stock options to the named executive officers that do not meet the performance-based compensation criteria and are subject to the Section 162(m) limitation.

As a result of the exercise of non-qualifying stock options, our reported compensation, for tax purposes, to Jack E. Golsen, Barry H. Golsen, and David M. Shear exceeded the Section 162(m) deductibility limits during 2008 and 2007 by \$350,000 and \$3,418,000, respectively. For 2008, Barry H. Golsen’s compensation exceeded the deductibility limit

by \$350,000, which represents a cost to the company of \$137,000 as a result of the lost tax deduction. For 2007, Jack E. Golsen's compensation exceeded the deductibility limit by \$3,349,000, which represents a cost to the company of \$1,306,000 as a result of the lost tax deduction, and David M. Shear's compensation exceeded the deductibility limit by \$69,000 which represents a cost to the company of \$27,000 as a result of the lost tax deductions.

Accounting for Stock-Based Compensation – We account for stock-based payments, including our incentive and nonqualified stock options, in accordance with the requirements of SFAS 123(R).

(1) As discussed below under “1981 Agreements” and “2005 Agreement,” we entered into individual death benefit agreements in 1981 (amended in 2008 to comply with Section 409A) and a death benefit agreement in 2005. Reported compensation for the death benefit under these agreements is the greater of:

- the expense incurred associated with our accrued death benefit liability; or
- the pro rata portion of life insurance premium expense to fund the undiscounted death benefit.

Amounts accrued under these agreements are not paid until the death of the named executive officer.

As discussed below under “1992 Agreements”, we entered into benefit agreements in 1992 (and amended in 2008 to comply with Section 409A), which include a death benefit until the employee reaches age 65 or benefits for life commencing when the employee reaches age 65. Compensation reported for these benefits is the greater of:

- the expense incurred associated with our accrued benefit liability or
- the pro rata portion of life insurance premium expense to fund the undiscounted death benefit.

The amounts set forth under “All Other Compensation” are comprised of compensation relating to these agreements and perquisites for 2008, as follows:

	1981 Agreements	1992 Agreements	2005 Agreement	Other (A)	Total
Jack E. Golsen	\$ 204,856	\$ -	\$ 466,533	\$ 11,257	\$ 682,646

David M. Shear	\$ -	\$ 10,782	\$ -	\$ 6,367	\$ 17,149

(A) Amount relates to the personal use of automobiles, cell phones and country club dues.

We did not grant equity-based awards to the named executive officers during 2008, 2007 or 2006.

Employment Agreement

We have an employment agreement with Jack E. Golsen, which requires the Company to employ Mr. Golsen as an executive officer. The employment agreement was amended in 2008 to comply with Section 409A. The employment agreement may be terminated by either party by written notice at least one year prior to the expiration of the then current term. The current term of the employment agreement expires March 21, 2011, but will be automatically renewed for up to three additional three-year periods. Under the terms of such employment agreement, Mr. Golsen shall:

- be paid an annual base salary at his 1995 base rate, as adjusted from time to time by the Compensation and Stock Option Committee, but such shall never be adjusted to an amount less than Mr. Golsen’s 1995 base salary,
- be paid an annual bonus in an amount as determined by the Compensation and Stock Option Committee, and
 - receive from the Company certain other fringe benefits (vacation; health and disability insurance).

The employment agreement provides that Mr. Golsen’s employment may not be terminated, except:

- upon conviction of a felony involving moral turpitude after all appeals have been exhausted (“Conviction”),
- Mr. Golsen’s serious, willful, gross misconduct or willful, gross negligence of duties resulting in material damage to the Company and its subsidiaries, taken as a whole, unless Mr. Golsen believed, in good faith, that such action or failure to act was in our or our subsidiaries’ best interest (“Misconduct”), and
 - Mr. Golsen’s death.

However, no termination for a Conviction or Misconduct may occur unless and until we have delivered to Mr. Golsen a resolution duly adopted by an affirmative vote of three-fourths of the entire membership of the Board of Directors at a meeting called for such purpose after reasonable notice given to Mr. Golsen finding, in good faith, that Mr. Golsen violated such item.

If Mr. Golsen’s employment is terminated for reasons other than due to a Conviction or Misconduct, then he shall, pursuant to the employment agreement, in addition to his other rights and remedies, receive and the Company shall pay to Mr. Golsen:

- a cash payment, on the date of termination, a sum equal to the amount of Mr. Golsen’s annual base salary at the time of such termination and the amount of the last bonus paid to Mr. Golsen prior to such termination times the number of years remaining under the then current term of the employment agreement, and
- provide to Mr. Golsen all of the fringe benefits that the Company was obligated to provide during his employment under the employment agreement for the remainder of the term of the employment agreement.

If there is a change in control (as defined in the severance agreement between Mr. Golsen and us as discussed below under “Severance Agreements” beginning on page 20), and within 24 months after such change in control Mr. Golsen is terminated, other than for Cause (as defined in the severance agreement), then in such event, the severance agreement with Mr. Golsen shall be controlling.

In the event Mr. Golsen becomes disabled and is not able to perform his duties under the employment agreement as a result thereof for a period of 12 consecutive months within any two-year period, the Company shall pay Mr. Golsen his full salary for the remainder of the term of the employment agreement and thereafter 60% of such salary until Mr. Golsen’s death.

1981 Agreements

During 1981, we entered into individual death benefit agreements (the “1981 Agreements”) with certain key employees (including certain of the named executive officers). As relating to the named executive officers, under the 1981 Agreements, the designated beneficiary of the officer will receive a monthly benefit for a period of 10 years if the officer dies while employed by us or one of our wholly-owned subsidiaries. The 1981 Agreements provide that we may terminate the agreement as to any officer at anytime prior to the officer’s death. We have purchased life insurance on the life of each officer covered under the 1981 Agreements to provide a source of funds for the Company’s obligations under the 1981 Agreements. We are the owner and sole beneficiary of each of the insurance policies and the proceeds are payable to us upon the death of the officer.

The following table sets forth the amounts of annual benefits payable to the designated beneficiary or beneficiaries of the named executive officer’s under the 1981 Agreements.

	Name of Individual	Amount of Annual Payment
	Jack E. Golsen	\$ 175,000
	Tony M. Shelby	\$ 35,000
	Barry H. Golsen	\$ 30,000
	David R. Goss	\$ 35,000
	David M. Shear	N/A

1992 Agreements

During 1992, we entered into individual benefit agreements with certain of our or our subsidiaries key employees (including certain of the named executive officers) to provide compensation to such individuals in the event that they are employed by us or a subsidiary at age 65 (the “1992 Agreements”). The 1992 Agreements were amended in 2008 to comply with Section 409A. As relating to the named executive officers, under the 1992 Agreements, the officer is eligible to receive a designated benefit (“Benefit”) as set forth in the 1992 Agreements. The officer will receive the Benefit beginning at the age 65 for the remainder of the officer’s life. If prior to attaining the age 65, the officer dies

while employed by us or one of our subsidiaries, the designated beneficiary of the officer will receive a monthly benefit (“Death Benefit”) for a period of ten years. The 1992 Agreements provide that we may terminate the agreement as to any officer at any time and for any reason prior to the death of the officer. We have purchased insurance on the life of each officer covered under the 1992 Agreements. We are the owner and sole beneficiary of each insurance policy, and the proceeds are payable to us to provide a source of funds for our obligations under the 1992 Agreements. Under the terms of the 1992 Agreements, if the officer becomes

incapacitated prior to retirement or prior to reaching age 65, the officer may request us to cash-in any life insurance on the life of such officer purchased to fund our obligations under the 1992 Agreements. Jack E. Golsen does not participate in the 1992 Agreements.

The following table sets forth the amounts of annual benefits payable to the named executive officers under the 1992 Agreements and the net cash surrender value of the associated life insurance policies at December 31, 2008.

2005 Agreement

During 2005, we entered into a death benefit agreement (“2005 Agreement”) with Jack E. Golsen. This agreement replaced existing benefits that were payable to Mr. Golsen. The 2005 Agreement provides that, upon Mr. Golsen’s death, we will pay to Mr. Golsen’s family or designated beneficiary \$2.5 million to be funded from the net proceeds received by us under certain life insurance policies on Mr. Golsen’s life that were purchased and are owned by us. The 2005 Agreement requires that we are obligated to keep in existence no less than \$2.5 million of the stated death benefit. The life insurance policies in force provide an aggregate stated death benefit to the Company, as beneficiary, of \$7 million.

401(k) Plan

We maintain The LSB Industries, Inc. Savings Incentive Plan (the “401(k) Plan”) for the employees (including the named executive officers) of the Company and its subsidiaries, excluding employees covered under union agreements and certain other employees. As relating to the named executive officers, the 401(k) Plan is funded by the officer’s contributions. We and our subsidiaries make no contributions to the 401(k) Plan for any of the named executive officers. The amount that an officer may contribute to the 401(k) Plan equals a certain percentage of the employee’s compensation, with the percentage based on the officer’s income and certain other criteria as required under Section 401(k) of the Internal Revenue Code. We or our subsidiary deducts the amounts contributed to the 401(k) Plan from the officer’s compensation each pay period, in accordance with the officer’s instructions, and pays the amount into the 401(k) Plan pursuant to the officer’s election. The salary and bonus set forth in the Summary Compensation Table above include any amounts contributed by the named executive officers during the 2008, 2007 and 2006 fiscal years pursuant to the 401(k) Plan.

Severance Agreements

We have entered into severance agreements with each of the named executive officers and certain other officers, which were amended in 2008 to comply with Section 409A. Each severance agreement provides (among other things) that if, within 24 months after the occurrence of our change in control (as defined) we terminate the officer's employment other than for cause (as defined), or the officer terminates his employment for good reason (as defined), we must pay the officer an amount equal to 2.9 times the officer's base amount (as defined). The phrase "base

amount” means the average annual gross compensation paid by the Company to the officer and includable in the officer’s gross income during the most recent five year period immediately preceding the change in control. If the officer has been employed by us for less than five years, the base amount is calculated with respect to the most recent number of taxable years ending before the change in control that the officer worked for us.

The severance agreements provide that a “change in control” means a change in control of a nature that would require the filing of a Form 8-K with the SEC and, in any event, would mean when:

- any individual, firm, corporation, entity, or group (as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended) becomes the beneficial owner, directly or indirectly, of 30% or more of the combined voting power of our outstanding voting securities having the right to vote for the election of directors, except acquisitions by:
- any person, firm, corporation, entity, or group which, as of the date of the severance agreement, has that ownership, or
- Jack E. Golsen, his wife; his children and the spouses of his children; his estate; executor or administrator of any estate, guardian or custodian for Jack E. Golsen, his wife, his children, or the spouses of his children, any corporation, trust, partnership, or other entity of which Jack E. Golsen, his wife, children, or the spouses of his children own at least 80% of the outstanding beneficial voting or equity interests, directly or indirectly, either by any one or more of the above-described persons, entities, or estates; and certain affiliates and associates of any of the above-described persons, entities, or estates;
- individuals who, as of the date of the severance agreement, constitute our Board of Directors (the “Incumbent Board”) and who cease for any reason to constitute a majority of the Board of Directors except that any person becoming a director subsequent to the date of the severance agreement, whose election or nomination for election is approved by a majority of the Incumbent Board (with certain limited exceptions), will constitute a member of the Incumbent Board; or
- the sale by us of all or substantially all of our assets.

Except for the severance agreement with Jack E. Golsen, the termination of an officer’s employment with us “for cause” means termination because of:

- the mental or physical disability from performing the officer’s duties for a period of 120 consecutive days or one hundred eighty days (even though not consecutive) within a 360 day period;
- the conviction of a felony;
- the embezzlement by the officer of our assets resulting in substantial personal enrichment of the officer at the expense of the Company; or
- the willful failure (when not mentally or physically disabled) to follow a direct written order from the our Board of Directors within the reasonable scope of the officer’s duties performed during the 60 day period prior to the change in control.

The definition of “Cause” contained in the severance agreement with Jack E. Golsen means termination because of:

- the conviction of Mr. Golsen of a felony involving moral turpitude after all appeals have been completed; or
- if due to Mr. Golsen’s serious, willful, gross misconduct or willful, gross neglect of his duties has resulted in material damages to the Company and its subsidiaries, taken as a whole, provided that:
no action or failure to act by Mr. Golsen will constitute a reason for termination if he believed, in good faith, that such action or failure to act was in our or our subsidiaries’ best interest, and
- failure of Mr. Golsen to perform his duties hereunder due to disability shall not be considered willful, gross misconduct or willful, gross negligence of his duties for any purpose.

The termination of an officer’s employment with us for “good reason” means termination because of:

-

the assignment to the officer of duties inconsistent with the officer's position, authority, duties, or responsibilities during the 60 day period immediately preceding the change in control or any other action which results in the diminishment of those duties, position, authority, or responsibilities;

- the relocation of the officer;
- any purported termination by us of the officer's employment with us otherwise than as permitted by the severance agreement; or
- in the event of a change in control, the failure of the successor or parent company to agree, in form and substance satisfactory to the officer, to assume (as to a successor) or guarantee (as to a parent) the severance agreement as if no change in control had occurred.

Except for the severance agreement with Jack E. Golsen, each severance agreement runs until the earlier of: (a) three years after the date of the severance agreement, or (b) the date of retirement from us; however, beginning on the first anniversary of the severance agreement and on each annual anniversary thereafter, the term of the severance agreement automatically extends for an additional one-year period, unless we give notice otherwise at least 60 days prior to the anniversary date. The severance agreement with Jack E. Golsen is effective for a period of three years from the date of the severance agreement; except that, commencing on the date one year after the date of such severance agreement and on each anniversary thereafter, the term of such severance agreement shall be automatically extended so as to terminate three years from such renewal date, unless we give notice otherwise at least one year prior to the renewal date.

The exercise price of the 2008 Non-Qualified Options was equal to the market value of our common stock at the date of grant. The 2008 Non-Qualified Options have a 10 year term and vest at the end of each one-year period at the rate of 16.5% per year for the first five years, with the remaining

unvested options will vest at the end of the sixth year. Pursuant to the terms of the 2008 Non-Qualified Options, if a termination event occurs, as defined, the non-vested 2008 Non-Qualified Options will become fully vested and exercisable for a period of one year from the date of the termination event. The amount of director compensation relating to option awards is the expense recognized in 2008 relating to the 2008 Non-Qualified Options in accordance with SFAS 123(R).

Compensation Committee Interlocks and Insider Participation

The Compensation and Stock Option Committee has the authority to set the compensation of all of our officers. This Committee considers the recommendations of the Chief Executive Officer when setting the compensation of our officers. The Chief Executive Officer does not make a recommendation regarding his own salary, and does not make any recommendation as to the President's salary. The members of the Compensation and Stock Option Committee are the following non-employee directors: Horace G. Rhodes (Chairman), Charles A. Burtch, and Bernard G. Ille. Neither Mr. Burtch, Mr. Ille nor Mr. Rhodes is, or ever has been, an officer or employee of the Company or any of its subsidiaries.

OBSECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table sets forth the information as of December 31, 2008, with respect to our equity compensation plans.

(1) Stock Incentive Plan Receiving Stockholders' Approval in 2008 On May 5, 2008, our Board of Directors adopted our 2008 Incentive Stock Plan (the "2008 Plan"), which plan was approved by our shareholders at our annual meeting of shareholders held on June 5, 2008. The number of shares of our common stock available for issuance under the 2008 Plan is 1,000,000 shares, subject to adjustment. Under the 2008 Plan, awards may be made to any of our or our affiliated companies' employees, officers or directors. An award may also be granted to any consultant, agent, advisor or independent contractor for bona fide services rendered to us or any affiliate (as defined in the 2008 Plan), subject to certain conditions. The 2008 Plan will be administered by the Compensation and Stock Option Committee.

During the fourth quarter of 2008, the Compensation and Stock Option Committee under the 2008 Plan approved the grants of 372,000 shares of qualified stock options to certain employees, and the Board of Directors (with each recipient abstaining as to himself) approved the grants of 45,000 shares of non-qualified stock options to our non-employee directors (the “2008 Options”). The exercise price of the 2008 Options ranged from \$7.86 to \$9.97 per share, which is based on the market value of our common stock on the date the 2008 Options were granted. The 2008 Options vest at the end of each one-year period at the rate of 16.5% per year for the first five years and the remaining unvested options will vest at the end of the sixth year. Pursuant to the terms of the non-qualified stock options, if a termination event occurs, as defined, the non-vested stock options will become fully vested and exercisable for a period of one year from the date of the termination event. Excluding the non-qualified stock options relating to a termination event, the 2008 Options expire during the fourth quarter of 2018.

Under SFAS 123(R), the fair value for the 2008 Options was estimated, using an option pricing model. The total fair value for the 2008 Options was estimated to be approximately \$1,503,000, or an average of \$3.60 per share, using a Black-Scholes-Merton option pricing model. During the fourth quarter of 2008, we began amortizing the total estimated fair value of the 2008 Options, primarily to SG&A, which will continue through the fourth quarter of 2014 (adjusted for forfeitures). For 2008, we incurred stock-based compensation expense of \$811,000, of which \$42,000 relates to the 2008 Options.

(2) Non-Stockholder Approved Plans From time to time, the Compensation Committee and/or the Board of Directors has approved the grants of certain nonqualified stock options as the Board has determined to be in our best interest to compensate directors, officers, or employees for service to the Company. The exercise price of each such option is equal to the market value of our common stock at the date of grant and each option expires ten years from the grant date. All outstanding options under these plans were exercisable at December 31, 2008.

The equity compensation plans, which have not been approved by the stockholders, are the following:

- On November 29, 2001, we granted to certain of our employees nonqualified stock options to acquire 102,500 shares of common stock in consideration of services to us. As of December 31, 2008, 22,500 shares remain exercisable at an exercise price of \$2.73 per share.
- On July 8, 1999, in consideration of services to us, we granted nonqualified stock options to acquire 371,500 shares of common stock at an exercise price of \$1.25 per share to Jack E. Golsen (176,500 shares), Barry H. Golsen (55,000 shares) and Steven J. Golsen (35,000 shares), David R. Goss (35,000 shares), Tony M. Shelby (35,000 shares), and David M. Shear (35,000 shares) and also granted to certain other employees nonqualified stock options to acquire a total of 165,000 shares of common stock at an exercise price of \$1.25 per share in consideration of services to us. As of December 31, 2008, 120,000 shares remain exercisable.

Securities and Exchange Commission

We have previously disclosed in our periodic reports that the SEC was conducting an informal inquiry of us relating to the change in inventory accounting from LIFO to FIFO during 2004 involving approximately \$500,000 by one of our subsidiaries, which change resulted in the restatement of our financial statements for each of the three years in the period ended December 31, 2004 and our March 31, 2005 and June 30, 2005 quarterly financial statements. Pursuant to discussions with the staff of the SEC, we have executed an offer of settlement, which offer of settlement is subject to the approval by the SEC. Under the offer of settlement, we would consent, without admitting or denying the SEC's findings, to an order pursuant to Section 21(c) of the Securities Act of 1934. Pursuant to the offer of settlement, we would agree to cease and desist from committing or causing any violations and any future violations of Sections 13(a), 13(b)(2)(A), and Section 13(b)(5) of the Securities Exchange Act of 1934, as amended, and Rules 13a-1 and 13a-13 thereunder. The offer of settlement would not result in any fines or other monetary penalties. In addition, our former Principal Accounting Officer and Controller, Jim D. Jones, who resigned from those positions on August 15, 2008, but continues to serve as our Senior Vice President and Treasurer, and has separate counsel, also executed an offer of settlement and stated in the offer of settlement that he would agree to cease and desist from committing and causing any violations and any future violations of Sections 13(b)(2)(A) and 13(b)(5) of the Exchange Act and Exchange Act Rule 13b2-1 and from causing any violations and future violations of Sections 13(a) and Rules 13a-1 and 13a-13. Under our former Principal Accounting Officer's offer of settlement, there would also be a finding of a violation by him of Section 4C(a)(3) of the Exchange Act and Rule 102(e)(1)(iii) of the Commission's Rules of Practice, and he would further agree not to appear or practice before the SEC as an accountant, subject to submitting application for reinstatement two years after the date of the final order. Under the terms of his offer of settlement, our former Principal Accounting Officer would not be required to pay any fines or other monetary penalties. The offers of settlement, as executed by LSB and our former Principal Accounting Officer, are subject to approval by the SEC.
