The Company reported income from continuing operations before income tax expense of \$2.3 million for the third quarter ended September 30, 2005 as compared to \$1.1 million for the third quarter ended September 30, 2004. The significant increase for the quarter was due to improving General Physics' operating income from \$2.9 million, or 6.6% of revenue, for the quarter ended September 30, 2004 to \$3.7 million, or 8.5% of revenue, for the quarter ended September 30, 2005, as well as reducing other corporate overhead expenses.

The operations of GSE have been removed from the continuing operations reported for the quarters ended September 30, 2005 and 2004.
