**Item 1. Security and Issuer.**

This Statement on Schedule 13D relates to the common stock (the “Common Stock”) of Metabolix, Inc., a Delaware corporation (the “Company”). The principal executive offices of the Company are at 21 Erie Street, Cambridge, MA 02139.

**Item 2. Identity and Background.**

The person filing this Statement is Archer-Daniels-Midland Company, a Delaware corporation (“ADM”), 4666 Faries Parkway, P.O. Box 1470, Decatur, Illinois 62525. ADM is one of the world’s largest processors of soybeans, corn, wheat and cocoa. ADM is also a leader in soy meal and oil, ethanol, high fructose corn syrup and flour. In addition, ADM produces value-added food and feed ingredients.

Set forth in Appendix I with respect to each director and executive officer of ADM are his or her name, business address and present principal employment or occupation and the name and principal business and address of any corporation or other organization in which such employment or occupation is carried on. No other person other than persons listed in Appendix I might be deemed to control ADM.

During the last five years, neither ADM, nor to the best of ADM’s knowledge, any person named in Schedule I attached hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) nor have any of such persons been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Each of the directors and executive officers of ADM, except M. Brian Mulroney, Antonio Maciel Neto, Vikram Luthar, Ismael Roig and Mark Zenuk is a United States citizen. Messrs. Mulroney and Zenuk are Canadian citizens. Messr. Maciel is a Brazilian citizen. Messr. Luthar is an Indian citizen. Messr. Roig is a Venezuelan citizen.

**Item 3. Source and Amount of Funds or Other Consideration.**

On November 15, 2006, concurrent with the Company’s initial public offering, ADM acquired 535,714 shares of Common Stock from the Company in a private placement at a price of \$14.000 per share. On the same date, 833,333 shares of convertible preferred stock owned by ADM were converted into 681,083 shares of Common Stock of the Company. ADM originally acquired the shares of convertible preferred stock from the Company on January 19, 2006 at a price of \$6.00 per share. All purchases of the Common Stock and convertible preferred stock were made from ADM’s working capital.

**Item 4. Purpose of Transaction.**

ADM holds its shares of the Common Stock of the Company for investment purposes. ADM may, from time to time, depending on market conditions and other considerations, purchase additional shares or dispose of some or all of the shares held by it.

Except as set forth above, ADM has no plans nor proposals which relate to or would result in any of the actions enumerated in clauses (a)-(j) of Item 4 of Schedule 13D under the Securities Exchange Act of 1934, as amended.

**Item 5. Interest in Securities of the Issuer.**

The Company is believed to have 19,394,430 shares of Common Stock outstanding. ADM beneficially owns 1,216,797 shares of the Common Stock or approximately 6.27% of the outstanding Common Stock and has sole power to vote or to direct the vote and sole power to dispose of or to direct the disposition of such shares. ADM does not own or have the right to acquire, directly or indirectly, any additional shares of Common Stock of the Company. None of ADM's directors or executive officers beneficially own any of the Common Stock of the Company.

Except for the transactions described in Item 3 above, during the past sixty days there have been no transactions in shares of Common Stock of the Company by ADM or by ADM's directors or executive officers.

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.**

The Company has an agreement with ADM Polymer Corporation ("Polymer"), a subsidiary of ADM, establishing an alliance whereby the Company and Polymer will produce *PHA Natural Plastics* (the "Plastics"), an environmentally sustainable alternative to petrochemical-based plastics. The arrangement is comprised of two primary agreements: (1) the Technology Alliance and Option Agreement and (2) the Commercial Alliance Agreement.

The Technology Alliance and Option Agreement provided Polymer with an option, exercised by Polymer on July 12, 2006, to enter into a commercial alliance for further research, development, manufacture, use and sale of the Plastics. The Commercial Alliance Agreement establishes the activities and obligations of the Company and Polymer by which they will commercialize the Plastics. The activities include: the establishment of a Joint Sales Company (the "JSC") to market and sell the Plastics, the construction of a manufacturing facility and the conducting of research, development, manufacturing, sales and marketing services by the Company and Polymer. The JSC will be a limited liability company, formed and equally owned by the Company and Polymer to serve as the entity that establishes and develops the commercial market for the Plastics. The Company and Polymer will each have a 50% equity and voting interest in the JSC. Although the JSC will be a 50-50 joint venture, Polymer will be advancing a disproportionate share of the financial capital needed to construct the manufacturing plant and to fund the activities of the JSC. Consequently, all profits (after payment of royalties, reimbursements and fees) from the JSC will be distributed to Polymer until Polymer's disproportionate investment in the JSC has been returned in full. Once Polymer has recouped such amounts, the profits of the JSC will be distributed equally to the parties.

**Item 7. Material to Be Filed as Exhibits.**
