ITEM 9A. CONTROLS AND PROCEDURES

The Corporation carried out an evaluation, under the supervision and with the participation of the Corporation's management, including the Chief Executive Officer and the Chief Financial Officer, of the effectiveness of the design and operation of the Corporation's disclosure controls and procedures as of the end of the period covered by this report pursuant to Exchange Act Rule 13a-15. Based upon that evaluation, the Corporation's Chief Executive Officer and Chief Financial Officer concluded that the Corporation's disclosure controls and procedures are effective. In addition, the Corporation's management, including the Chief Executive Officer and Chief Financial Officer, also conducted an evaluation of the Corporation's internal control over financial reporting to determine whether any changes occurred during the fourth fiscal quarter that have materially affected, or are reasonably likely to materially affect, the Corporation's internal control over financial reporting. No such changes were identified in connection with this evaluation.

Disclosure controls and procedures are controls and other procedures that are designed to ensure that information required to be disclosed by the Corporation in the reports that the Corporation files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Securities and Exchange Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Corporation in the reports that the Corporation files under the Exchange Act is accumulated and communicated to the Corporation's management, including the Corporation's Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.
