Edgar Filing: CARDINAL HEALTH INC - Form 4

Phantom stock held under the Company's Deferred Compensation Plan (the "Plan") was previously reported as common shares on Table 1 to Form 4 because, among other things, the Plan only permitted payment of amounts credited to a participant's Company stock account (7) under the Plan in common shares. The Plan was amended in December 2005 to permit payment of amounts credited to a participant's account either in cash or in common shares at the election of the participant. Accordingly, shares of phantom stock held under the Plan are now reported on Table II.

(8) Each share of phantom stock is the economic equivalent of one common share. The shares of phantom stock become payable, in cash or common shares, at the election of the reporting person, at least six months after termination from board service.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
