PROXY STATEMENT

QCR Holdings, Inc., a Delaware corporation, is the holding company for Quad City Bank and Trust Company and Cedar Rapids Bank and Trust Company. Quad City Bank and Trust Company is an Iowa banking association located in Bettendorf, Iowa, with banking locations in Bettendorf and Davenport, Iowa and in Moline, Illinois. Cedar Rapids Bank and Trust Company is also an Iowa banking association located in Cedar Rapids, Iowa. Quad City Bancard, Inc. is our wholly owned subsidiary, which functions as a credit card center that provides

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

cardholder and merchant credit card processing services. We also own all of the common stock of three business trust subsidiaries that we created to issue trust preferred securities. When we refer to our subsidiaries in this proxy statement, we are collectively referring to Quad City Bank & Trust, Cedar Rapids Bank & Trust, Quad City Bancard and the business trusts.

This proxy statement is furnished in connection with the solicitation by the board of directors of QCR Holdings of proxies to be voted at the annual meeting of stockholders to be held at The Lodge, 900 Spruce Hills Drive, Bettendorf, Iowa, on May 5, 2004, at 10:00 a.m., local time, and at any adjournments or postponements of the meeting. We have enclosed our 2003 annual report, which includes consolidated financial statements of QCR Holdings and our subsidiaries. This proxy statement and related materials are first being mailed to stockholders of QCR Holdings on or about [, 2004].

The following is information regarding the meeting and the voting process, and is presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on March 17, 2004, the record date for the annual meeting, you owned shares of QCR Holdings' common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning those matters to assist you in making an informed decision.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the card, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of three Class II directors for a term expiring in 2007, to approve an amendment to the certificate of incorporation to increase the number of authorized shares of common stock and to approve the 2004 Stock Incentive Plan. These matters are more fully described in this proxy statement.

If I am the record holder of my shares, how do I vote?

You may vote by mail, by telephone, by internet or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed pre-addressed envelope. No postage is required if mailed in the United States. If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct.

If you sign and return your proxy card but do not mark the card to provide voting instructions, the shares represented by your proxy card will be voted "for" all nominees named in this proxy statement, "for" approval of the amendment to the certificate of incorporation increasing the number of authorized shares of common stock and "for" approval of the 2004 Stock Incentive Plan.

Although you may vote by mail, we ask that you vote instead by internet or

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

telephone, which saves us postage and processing costs. You may vote by telephone by calling the toll-free number specified on your proxy card or by accessing the internet website specified on your proxy card and by following the preprinted instructions on the proxy card. Votes submitted by telephone or internet must be received by midnight CST on Monday, May 3, 2004. The giving of a proxy by either of these means will not affect your right to vote in person if you decide to attend the meeting.

3

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Please note, however, that if your shares are held in the name of your broker (or in what is usually referred to as "street name"), you will need to arrange to obtain a legal proxy from your broker in order to vote in person at the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If I hold shares in the name of a broker or fiduciary, who votes my shares?

If you received this proxy statement from your broker or by a trustee or other fiduciary who may hold your shares, your broker or fiduciary should have given you instructions for directing how your broker or fiduciary should vote your shares. It will then be their responsibility to vote your shares for you in the manner you direct.

Under the rules of various national and regional securities exchanges, brokers may generally vote on routine matters, such as the election of directors and the ratification of independent auditors, but cannot vote on non-routine matters, such as an amendment to the certificate of incorporation or the adoption or amendment of a stock option plan, unless they have received voting instructions from the person for whom they are holding shares. If your broker does not receive instructions from you on how to vote particular shares on matters on which your broker does not have discretionary authority to vote, your broker will return the proxy card to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a "broker non-vote" and will affect the outcome of the voting as described below, under "How many votes are needed for approval of each proposal?" Therefore, we encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the meeting. You should do this by carefully following the instructions concerning its procedures that your broker gives you. This ensures that your shares will be voted at the meeting.

A number of banks and brokerage firms participate in a program that also permits stockholders to direct their vote by telephone or internet. If your shares are held in an account at such a bank or brokerage firm, you may vote your shares by telephone or internet by following the instructions on their enclosed voting form. Votes made by telephone or internet through such a program must be received by 11:59 p.m. EST on May 4, 2004. Voting your shares in this manner will not affect your right to vote in person if you decide to attend the meeting, however, you must first request a legal proxy either on the internet or the enclosed proxy card. Requesting a legal proxy prior to the deadline stated above will automatically cancel any voting directions you have previously given by internet or by telephone with respect to your shares.

The internet and telephone proxy procedures are designed to authenticate stockholders' identities, to allow stockholders to give their proxy instructions and to confirm that those instructions have been properly recorded. Stockholders authorizing proxies or directing the voting of shares by internet should understand that there may be costs associated with electronic access, such as usage charges from internet access providers and telephone companies. These

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

costs, if any, will be borne by the stockholder.

What does it mean if I receive more than one proxy card?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with brokers. Please sign and return ALL proxy forms to ensure that all your shares are voted. If you received more than one proxy card but only one copy of the proxy statement and annual and transitional reports, you may request additional copies from us at any time.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

- o signing another proxy with a later date and returning that proxy to us;
- o timely submitting another proxy via the telephone or internet;
- o sending notice to us that you are revoking your proxy; or
- o voting in person at the meeting.

If you hold your shares in the name of your broker or through a fiduciary and desire to revoke your proxy, you will need to contact that person or entity to revoke your proxy.

4

How many votes do we need to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

- o is present in person at the meeting; or
- o has properly submitted a signed proxy card or other proxy.

On March 17, 2004, the record date, there were [] shares of common stock outstanding. Therefore, at least [] shares need to be present in person or by proxy at the annual meeting in order to hold the meeting and conduct business.

What happens if a nominee is unable to stand for re-election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. Proxies cannot be voted for more than the number of nominees presented for election at the meeting. The board has no reason to believe any nominee will be unable to stand for re-election.

What options do I have in voting on each of the proposals?

You may vote "for" or "withhold authority to vote for" each nominee for director. You may vote "for," "against" or "abstain" on any other proposal that may properly be brought before the meeting. Abstentions will be considered in determining the presence of a quorum but will not affect the vote required for the election of directors.

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

How many votes are needed for each proposal?

The three individuals receiving the highest number of votes cast "for" their election will be elected as Class II directors of QCR Holdings. Broker non-votes and abstentions will not be counted in tabulating the vote on the election of directors, but will count for purposes of determining whether or not a quorum is present on the matter.

Holders of a majority of the outstanding shares of our common stock as of the close of business on March 17, 2004, must approve the amendment of our certificate of incorporation to increase the number of authorized shares of QCR Holdings' common stock. All other proposals must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Broker non-votes and abstentions will not be counted in tabulating the vote on such proposals, but will count for purposes of determining whether or not a quorum is present on the matter.

Where do I find the voting results of the meeting?

We will announce voting results at the meeting. The voting results will also be disclosed in our Form 10-Q for the quarter ending June 30, 2004.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. In addition to solicitations by mail, officers, directors or employees of QCR Holdings or of our subsidiaries may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

5

Other than as described above, we have no knowledge that any of the nominees will refuse or be unable to serve, but if any of the nominees becomes unavailable for election, the holders of the proxies reserve the right to substitute another person of their choice as a nominee when voting at the meeting. Set forth below is information concerning the nominees for election and for each of the other persons whose terms of office will continue after the meeting, including age, year first elected a director and business experience during the previous five years. CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Currently, there are nine members of the board of directors of QCR Holdings. Generally, the board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the board does not involve itself in the day-to-day operations of QCR Holdings, which is monitored by our executive officers and management. Our directors fulfill their duties and responsibilities by attending regular meetings of the full board, which are held on a quarterly basis. Additionally, the Executive Committee, which is comprised of directors who are deemed to be "independent" pursuant to the listing requirements of the Nasdaq Stock Market, Inc., also meets quarterly and has the authority to carry out many of the oversight functions of the full board. Our directors also discuss business and other matters with Mr. Hultquist, our Chief Executive Officer, other key executives and our principal external advisers (legal counsel, auditors and other consultants).

Directors, Baird, Brownson, Lawson, Peterson and Royer, as well as nominee Kilmer, are deemed to be "independent" as that term is defined by Nasdaq. The board of directors has established an Audit Committee, an Executive Committee, a Compensation and Benefits Committee and a Technology Committee. The current charters of the Audit Committee and the Executive Committee are available on our banking subsidiaries' websites at www.qcvt.com and www.crvt.com. Also posted on the websites is general information regarding the company and our common stock, many of our corporate policies and links to our filings with the Securities and Exchange Commission.

A total of six regularly scheduled and special meetings were held by the board of directors of QCR Holdings in 2003. During that time, all directors attended at least 75 percent of the meetings of the board and the committees on which they served during the period they served on the board. Although we do not have a formal policy regarding director attendance at the annual meeting, we encourage and expect all of our directors to attend. Last year, seven of the nine directors were present at the annual meeting.

8

All directors of QCR Holdings received quarterly fees of \$2,000 and received fees of \$100 for attendance at each meeting of the board of directors during 2003. In addition, non-employee directors received fees of \$200 per committee meeting attended. All directors of Quad City Bank & Trust received quarterly fees of \$1,500 and fees of \$100 for attendance at each meeting of the board of directors during 2003. In addition, non-employee directors received fees of \$200 per committee meeting attended. All non-employee directors of Cedar Rapids Bank & Trust received fees of \$450 for attendance at each meeting of the board of directors and \$200 for attendance at each committee meeting during the 2003 year.

Audit Committee. The Audit Committee consists of directors Baird, Brownson, Lawson and Royer. Each of the members is considered "independent" according to the Nasdaq listing requirements and the regulations of the Securities and Exchange Commission. The board of directors has determined that director Baird qualifies as an "Audit Committee Financial Expert" under the regulations of the Securities and Exchange Commission. The board based this decision on director Baird's educational and professional experience.

The Audit Committee met five times in 2003.

The functions performed by the Audit Committee include, but are not limited to, the following:

- o selecting our independent auditors and pre-approving all engagements and

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

- fee arrangements;
- o reviewing the independence of the independent auditors;
- o reviewing actions by management on recommendations of the independent auditors and internal auditors;
- o meeting with management, the internal auditors and the independent auditors to review the effectiveness of our system of internal control and internal audit procedures;
- o reviewing our earnings releases and reports filed with the Securities and Exchange Commission; and
- o reviewing reports of bank regulatory agencies and monitoring management's compliance with recommendations contained in those reports.

In 2003, the Audit Committee requested proposals from five accounting firms to provide independent external audit services to QCR Holdings. After an extensive review of the proposals, the Audit Committee selected McGladrey & Pullen, LLP to provide these services.

To promote independence of the audit function, the Audit Committee consults separately and jointly with the independent auditors, the internal auditors and management. The Audit Committee has adopted a written charter, which sets forth the committee's duties and responsibilities. Our current charter was attached to our 2001 proxy statement, is available on our websites at www.qcibt.com and www.crbt.com and a copy is also attached as Exhibit A to this proxy statement.

Executive Committee. The Executive Committee is comprised of Messrs. Baird, Brownson, Lawson, Peterson and Royer, each of whom is considered "independent" according to the Nasdaq listing requirements. The Executive Committee is charged with overseeing our corporate governance programs, board policies, committee structure and membership reviewing and recommending the nominees for election to the board of directors, and reviewing and establishing the salaries and compensation of our executive officers. In carrying out the nominating function, the committee is charged with identifying and nominating individuals to be presented to our stockholders for election or re-election to the board of directors. The committee also reviews and monitors our policies, procedures and structure as they relate to corporate governance. The committee's responsibilities and functions are further described in its charter, which is available on our websites at www.qcibt.com and www.crbt.com. The Executive Committee met five times in 2003.

9

Director Nominations and Qualifications. In carrying out its nominating function, the Executive Committee evaluates all potential nominees for election, including incumbent directors, board nominees and those stockholder nominees included in the proxy statement, in the same manner. Generally, the committee believes that, at a minimum, directors should possess certain qualities, including the highest personal and professional ethics and integrity, a sufficient educational and professional background, demonstrated leadership skills, sound judgment, a strong sense of service to the communities which we serve and an ability to meet the standards and duties set forth in our code of business conduct and ethics. The committee also evaluates potential nominees to determine if they have any conflicts of interest that may interfere with their ability to serve as effective board members, to determine if they meet QCR Holdings' age eligibility requirements (a person who has reached age 72 before the date of the annual meeting is not eligible for election to the board) and to determine whether they are "independent" in accordance with Nasdaq requirements,

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

to ensure that at least a majority of the directors will, at all times, be independent. The committee has not, in the past, retained any third party to assist it in identifying candidates, but it has the authority to retain a third party firm or professional for the purpose of identifying candidates.

By mutual agreement of John Schricker, a current director whose term is set to expire this year, and the board, Mr. Schricker decided not to seek reelection to the board of directors. Mr. Schricker retired as President of Quad City Bancard, Inc. in November 2003. As a result, Mr. Hultquist, Chief Executive Officer of QCR Holdings, Mr. Bauer, Chairman of the Board of QCR Holdings, and the independent members of the board decided to look to the directors of QCR Holdings' subsidiaries for potential candidates. Using the same criteria discussed above, they recommended to the Executive Committee that Mark C. Kilmer be nominated for director. The Executive Committee reviewed the nomination and determined that Mr. Kilmer should be a nominee for director along with Messrs. Hultquist and Helling, both incumbent directors. The board did not receive any stockholder nominations for director for the 2004 annual meeting.

Stockholder Communication with the Board, Nomination and Proposal Procedures.

General Communications with the Board. Stockholders may contact QCR Holdings' board of directors by contacting Todd A. Gipple, Corporate Secretary, at QCR Holdings, Inc., 3551-7th Street, Suite 204, Moline, Illinois 61265 or (309) 743-7745. All comments will be forwarded directly to the Chairman of the board of directors.

Nominations of Directors. In order for a stockholder nominee to be considered by the Executive Committee to be its nominee and included in our proxy statement, the nominating stockholder must file a written notice of the proposed director nomination with our Corporate Secretary, at the above address, at least 120 days prior to the anniversary of the date the previous year's proxy statement was mailed to stockholders. Nominations must include the full name and address of the proposed nominee and a brief description of the proposed nominee's business experience for at least the previous five years. All submissions must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. The committee may request additional information in order to make a determination as to whether to nominate the person for director.

In accordance with our bylaws, a stockholder may otherwise nominate a director for election at an annual meeting of stockholders by delivering written notice of the nomination to our Corporate Secretary, at the above address, not less than 30 days nor more than 75 days prior to the date of the annual meeting, provided, however, that if less than 40 days' notice of the meeting is given, notice by the stockholder, to be timely, must be delivered no later than 10 days from the date on which notice of the meeting was mailed. The stockholder's notice of intention to nominate a director must include (i) the name and address of record of the nominating stockholder; (ii) a representation that the stockholder is a record holder entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) the name, age, business and residence addresses, and principal occupation or employment of each nominee; (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (v) any other information regarding each proposed nominee as would be required to comply with the rules and regulations set forth by the Securities and Exchange Commission; and (vi) the consent of each nominee to serve as a director of the corporation if so elected. We may request additional information after receiving the notification for the purpose of determining the proposed nominee's eligibility to serve as a director. Persons nominated for election to the board pursuant to this paragraph will not be included in our proxy statement.

Other Stockholder Proposals. To be considered for inclusion in our proxy statement and form of proxy for our 2005 annual meeting of stockholders, stockholder proposals must be received by our Corporate Secretary, at the above address, no later than November 25, 2004, and must otherwise comply with the notice and other provisions of our bylaws, as well as Securities and Exchange Commission rules and regulations.

For proposals to be otherwise brought by a stockholder at an annual meeting, the stockholder must file a written notice of the proposal to our Corporate Secretary not less than 30 days nor more than 75 days prior to the date of the annual meeting, provided, however, that if less than 40 days' notice of the meeting is given, notice by the stockholder, to be timely, must be delivered no later than 10 days from the date on which notice of the meeting was mailed. The notice must set forth: (i) a brief description of the proposal and the reasons for conducting such business at the meeting; (ii) the name and address of the proposing stockholder; (iii) the number of shares of the corporation's common stock beneficially owned by the stockholder on the date of the notice; and (iv) any financial or other interest of the stockholder in the proposal. Stockholder proposals brought under this paragraph will not be included in our proxy statement.

Independent Director Sessions. Consistent with the Nasdaq listing requirements, the independent directors regularly have the opportunity to meet without Messrs. Bauer, Helling or Hultquist in attendance. In 2003, the board of directors created the position of a lead independent director and appointed director Brownson to serve in this position. The lead independent director assists the board in assuring effective corporate governance and serves as chairperson of the independent director sessions.

Compensation and Benefits Committee. The Compensation and Benefits Committee consists of directors Bauer, Hultquist, Helling and Lawson, as well as Arthur L. Christofferson, director of Cedar Rapids Bank & Trust and Joyce E. Bawden, John H. Harris and Cathie S. Whiteside, directors of Quad City Bank & Trust. The Compensation and Benefits Committee has authority to perform policy reviews and to oversee and direct the compensation and personnel functions of the employees, with the exception of our executive officers. The Compensation and Benefits Committee met three times during 2003.

Technology Committee. The Technology Committee consists of directors Bauer, Helling, Hultquist, Ann M. Lipsky, director of Cedar Rapids Bank & Trust, and John H. Harris and Cathie S. Whiteside, directors of Quad City Bank & Trust. The Technology Committee reviews the technology plans of QCR Holdings and our subsidiaries for the future. The Technology Committee met four times during 2003.

Code of Business Conduct and Ethics. We have a code of business conduct and ethics in place that applies to all of our directors and employees. The code sets forth the standard of ethics that we expect all of our directors and employees to follow, including our Chief Executive Officer and Chief Financial Officer. The code is posted on our websites at www.qcvt.com and www.crbt.com. We intend to satisfy the disclosure requirements under Item 10 of Form 8-K regarding any amendment to or waiver of the code with respect to our Chief Executive Officer and Chief Financial Officer, and persons performing similar functions, by posting such information on our website.

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

General

Our board of directors has unanimously approved, and recommends to our stockholders for their approval and adoption, an amendment to the certificate of incorporation that would increase the number of our authorized shares of common stock from 5,000,000 shares to 10,000,000 shares.

As of March 17, 2004, we had [and] shares of common stock issued and outstanding, respectively, and no preferred stock issued and outstanding. Our board of directors believes that this proposed amendment is in the best interests of QCR Holdings and our stockholders. Holders of a majority of the outstanding shares of our common stock as of the close of business on March 17, 2004, must approve the amendment of our certificate of incorporation to increase the number of authorized shares of QCR Holdings' common stock. Unless instructed to the contrary, all shares represented by proxy cards signed and returned to us will be voted in favor of the adoption of this amendment.

Proposed Amendment to Certificate of Incorporation

If this amendment is approved by our stockholders, the first sentence of Article IV of the certificate of incorporation will be amended to read as follows:

"The total number of shares of capital stock which the corporation shall have authority to issue is 10,000,000 shares of Common Stock, par value \$1.00 per share, and 250,000 shares of Preferred Stock, par value \$1.00 per share."

11

Reasons for the Proposed Amendment

This proposed amendment authorizes additional shares of common stock. If the proposed amendment is approved, our board of directors will be able to use the additional shares of common stock for a variety of purposes.

First, the additional shares of stock would provide us with shares of stock that could be used to make acquisitions that may be advisable from time to time. These transactions could include the acquisition of additional branch locations, subsidiaries or bank or thrift holding companies. Although no such transactions are planned for the immediate future, we believe that it is in our best interest to have available a sufficient number of authorized shares of common stock if such transactions become advisable.

Second, the additional shares of stock authorized by the amendment could be used to raise additional working capital for QCR Holdings or any of our subsidiaries. It is possible that our board of directors may in the future decide to conduct a private or public offering of stock to raise additional capital for contribution to our subsidiaries and for general corporate purposes. Although our board of directors does not currently have any specific plans in this regard, these shares would be available for that purpose.

Third, additional authorized shares of common stock could be used to fund the grant of stock options to our officers, employees and directors. Equity based compensation can be used to provide additional incentive to personnel without causing an immediate adverse effect on our profitability. Moreover, the grant of stock options can perhaps be used to retain valuable employees who might otherwise be lured away by the promise of higher cash salaries from competitors.

Fourth, additional authorized shares of common stock could be used for a variety of other purposes, including the declaration of a stock split or stock dividend. It is possible that our board of directors may in the future decide to declare a

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

stock split or stock dividend.

The increase in the authorized number of shares of stock would allow for the possibility of substantial dilution of the voting power of our current stockholders, although no dilution will occur as a direct result of the increase in the number of our authorized shares. The degree of any dilution that would occur following the issuance of any additional shares of stock would depend upon the number of shares of stock that are actually issued in the future, which cannot be determined at this time. Issuance of a large number of additional voting shares could significantly dilute the voting power of our existing stockholders.

The existence of a substantial number of authorized and unissued shares of stock could also impede an attempt to acquire control because our board of directors would have the ability to issue additional shares of stock in response to any such attempt. We are not aware at this time of any attempt to acquire control of QCR Holdings, and no decision has been made as to whether any or all newly authorized but unissued shares of stock would be issued in response to any attempt of that kind.

Stockholder Vote Necessary For Approval of the Amendment

To be approved by our stockholders, this amendment must receive the affirmative vote of the majority of the outstanding shares of our common stock. Our board of directors believes that the adoption of this amendment is in the best interests of our stockholders and unanimously recommends that you vote your shares FOR this amendment.

APPROVAL OF STOCK INCENTIVE PLAN

On January 23, 2004, our board of directors unanimously adopted resolutions approving the QCR Holdings 2004 Stock Incentive Plan, subject to stockholder approval, to promote equity ownership of QCR Holdings by our directors, officers, employees, consultants and advisors to sustain a sense of proprietorship and personal involvement in the continued development and financial success of QCR Holdings and its affiliates, and to encourage them to remain with and devote their best efforts to our business and the business of our affiliates, thereby advancing the interests of QCR Holdings and its stockholders. A summary of the Stock Incentive Plan is set forth below. This summary is qualified in its entirety by reference to the Stock Incentive Plan, a copy is attached as Exhibit B to this proxy statement.

Administration

The Stock Incentive Plan is to be administered by the Executive Committee, each member of which is a non-employee director. Among other things, the committee will have the authority to select individuals to whom awards may be granted, to determine the terms of each award, to interpret the provisions of the plan, to correct any defects or inconsistencies in the plan or any award and to adopt rules, regulations, forms and agreements that it may deem necessary or advisable for the administration of the plan.

12

Shares Subject to the Plan

The aggregate number of shares that may be obtained by directors, officers, employees, consultants and advisors under the plan is 150,000 shares. Each person is eligible to receive awards with respect to an aggregate maximum of 100,000 shares over the term of the plan. Any shares that remain unissued at the termination of the plan will cease to be subject to the plan, but until

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

termination, QCR Holdings will make available sufficient shares to meet the requirements of the plan.

Options

The board may issue options that constitute incentive stock options to officers and employees and nonqualified options to directors, officers, employees, consultants and advisors. Each option granted under the plan will be subject to the terms and conditions set by the committee, including option price, vesting schedule and option term. The option price of incentive options granted under the plan must be 100% of the fair market value of a share on the date the option is granted. For individuals owning more than 10% of the total combined voting power of all classes of capital stock of QCR Holdings, the option price must be at least 110% of the fair market value of a share on the date the option is granted. Incentive stock options are also subject to the further restriction that the aggregate fair market value (determined as of the date of grant) of common stock as to which any incentive stock option first becomes exercisable in any calendar year, is limited to \$100,000.

The exercise price of an option must be paid in full (i) in cash; (ii) in common stock valued at its fair market value on the date of exercise, provided it has been owned by the optionee for at least six (6) months prior to the exercise; (iii) in cash by an unaffiliated broker-dealer to whom the holder of the option has submitted an exercise notice consisting of a fully endorsed option; (iv) by agreeing to surrender Stock Appreciation Rights ("SARs") then exercisable valued at their fair market value on the date of exercise; (v) by other means of payment as authorized by the committee; or (vi) by any combination of the above, as elected by the optionee. Options may not be exercised more than ten (10) years after the date of grant. In the case of a 10% or more stockholder, options may not be exercised more than five (5) years after the date of grant.

Tax Benefit Rights

In addition to the options authorized under the plan, the committee may also issue Tax Benefit Rights ("TBRs") to individuals in tandem with options under the plan. Each TBR granted will relate to a specific option under the plan, and will be awarded to an individual concurrently with the grant of that option. Each TBR entitles an individual to the following payment - the excess of the fair market value of a share on the exercise date over the option price, times the difference between the highest rate of tax on ordinary income over the rate of tax on capital gains (federal and state). A TBR may be exercised only by giving written notice to QCR Holdings and only at the same time as an individual exercises options under the plan.

Restricted Stock Awards

The Stock Incentive Plan also provides for the award of Restricted Stock ("RSAs"), which will be evidenced by a written agreement in a form authorized by the committee. A grantee can accept an RSA only by signing and delivering to QCR Holdings a purchase agreement and full payment of the purchase price, within thirty (30) days from the date the RSA agreement was delivered to the grantee. If the grantee does not accept the RSA in this manner within thirty (30) days, then the offer of the RSA will terminate, unless the committee determines otherwise.

RSAs awarded under the plan will be subject to terms, conditions and restrictions as determined by the committee at the time of grant, including: (i) prohibitions against transfer; (ii) substantial risks of forfeiture; (iii) attainment of performance objectives; and (iv) repurchase by or right of first refusal of QCR Holdings. The committee may, in its discretion, accelerate the expiration of the restriction period with respect to any part or all of the RSAs awarded to a grantee. RSAs awarded, and the right to vote underlying shares and

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

to receive dividends thereon, may not be sold, assigned, transferred, exchanged, pledged, hypothecated or otherwise encumbered during the restriction period, except under limited circumstances. Each certificate issued in connection with the RSAs will be deposited with QCR Holdings, or its designee, and will bear an appropriate legend referencing the applicable restrictions. Each restricted stock agreement will specify the terms and conditions upon which any restrictions on shares awarded under the plan will lapse. Upon the lapse of the restrictions, shares (which will not contain a restrictive legend) will be issued to the grantee. If a grantee is terminated prior to the lapse of restrictions applicable to RSAs awarded, those shares will be forfeited without payment and without any future right or interest therein.

13

Stock Appreciation Rights

The committee may also award Stock Appreciation Rights under the plan ("SARs"), which may be granted separately or in tandem with or by reference to an option granted prior to or simultaneously with the grant of SARs, to eligible directors, officers, employees, consultants and advisors as selected by the committee. The SARs will be evidenced by a written agreement in a form authorized by the committee.

SARs may be granted in tandem with or with reference to a related option, in which event the grantee may elect to exercise either the option or the SAR, but not both, as to the same share subject to the option and the SAR, or the SAR may be granted independently of a related option. SARs will generally not be transferable, except under limited circumstances. Upon exercise of an SAR, the grantee will be paid, in cash, the excess of the then fair market value of the number of shares to which the SAR relates over the fair market value of such number of shares at the date of grant of the SAR or of the related option, as the case may be.

Amendment and Termination

The board may amend, suspend or terminate the plan or any portion thereof at any time, but no amendment may be made without approval of the stockholders which will materially increase the aggregate number of shares with respect to which incentive stock option awards may be made under the plan, or change the class of persons eligible to receive incentive stock option awards under the plan.

Term of the Plan

The plan will become effective upon the date of its adoption by the board, provided that incentive stock options may be granted only if the plan is approved by the stockholders within twelve (12) months before or after the date of adoption by the board. Unless sooner terminated, options, TBRs, RSAs and SARs may not be granted under the plan after the expiration of ten (10) years from the effective date. However, awards may be exercisable after the end of the term of the plan.

Stockholder Vote Necessary For Approval of the Stock Incentive Plan

The affirmative vote of the holders of a majority of the shares of common stock present in person or by proxy at the annual meeting is required to approve the Stock Incentive Plan. Our board of directors unanimously recommends a vote FOR the proposed Stock Incentive Plan.

Employment and Deferred Compensation Agreements with Michael A. Bauer and Douglas M. Hultquist. We entered into new employment agreements with Messrs. Bauer and Hultquist dated January 1, 2004. These agreements amend and restate the prior employment agreements, dated July 1, 2000, under which Messrs. Bauer and Hultquist served. The new agreements each have a three-year term and in the absence of notice from either party to the contrary, the employment term under each agreement extends for an additional one year on the anniversary of each agreement. Pursuant to these agreements, Messrs. Bauer and Hultquist will each receive minimum salaries of \$175,000. The agreements include provisions for the increase of compensation on an annual basis, performance bonuses, membership in various local clubs, an automobile allowance and participation in our benefit plans. The agreements further provide for severance compensation equal to one year of their respective salaries plus average annual bonuses in the event they are terminated without cause and three times the sum of their respective salaries and average annual bonuses if they are terminated upon a change in control.

Messrs. Bauer and Hultquist also entered into new deferred compensation agreements with us on January 1, 2004. These agreements amend and restate the prior agreements, dated July 1, 2000. Under Mr. Hultquist's agreement, he may defer up to \$15,000 of his salary annually and we will match the amount deferred by him. Under Mr. Bauer's agreement, he may defer up to \$20,000 of his salary annually and we will match the amount deferred by him. Full benefits under the agreements will be payable to Messrs. Bauer and Hultquist when they reach 65 years of age.

Employment and Deferred Compensation Agreements with Todd A. Gipple and Larry J. Helling. We also entered into new employment agreements with Messrs. Gipple and Helling dated January 1, 2004. Mr. Gipple's employment agreement, which amends and restates his prior employment agreement dated January 5, 2000, provides that Mr. Gipple is to receive a minimum salary of \$140,500. The agreement includes a provision for the increase in compensation on an annual basis, performance bonuses, membership in a Quad Cities country club, a monthly automobile allowance and participation in our benefit plans. The agreement further provides that he is entitled to a payment equal to six months of his salary plus one-half of his average annual bonus if he is terminated without cause and two times his annual salary and average annual bonus if he is terminated upon a change in control. Mr. Gipple also entered into a new deferred compensation agreement with us on January 1, 2004, which amends and restates his prior agreement dated January 1, 2002, under which he may defer up to \$10,000 of his salary annually and we will match the amount deferred by him.

Mr. Helling's employment agreement, which amends and restates his prior employment agreement dated April 11, 2001, provides that Mr. Helling is to receive a base annual salary of \$167,000. The agreement includes a provision for the increase in compensation on an annual basis, performance bonuses, membership in various country clubs, a monthly automobile allowance, participation in certain cash incentive programs and participation in our benefit plans. The

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

agreement further provides for a severance payment equal to six months of his salary in the event of a termination without cause and two times his annual salary in the event of a termination upon a change in control. Mr. Helling also entered into a new deferred compensation agreement with us on January 1, 2004, which amends and restates his prior agreement dated April 11, 2001, under which he may defer up to \$12,000 of his salary annually and we will match the amount deferred by him.

All of the employment agreements described above are terminable at any time by either our board of directors or the respective officer. We may terminate these agreements at any time for cause without incurring any post-termination obligation to the terminated officer. If the officers are terminated without cause or upon a change in control, we must make severance payments as described in the previous sections. In addition to the severance payments that must be made, we must also pay all accrued salary, vested deferred compensation and other benefits then due each officer. The employment agreements also contain non-compete provisions, which provide that each officer is prohibited from competing with us or our subsidiaries within a 60-mile radius of any of our offices for a period of two years following the termination of the agreement.

Compensation Committee Interlocks and Insider Participation

During 2003, the Executive Committee, which sets the salaries and compensation for our executive officers, was comprised solely of independent directors; Messrs. Baird, Brownson, Lawson, Peterson and Royer. The Compensation and Benefits Committee, which sets the salaries and compensation of all employees who are not executive officers, consisted of Messrs. Bauer, Hultquist, Helling, Lawson, Christofferson and Harris, Ms. Bawden and Ms. Whiteside. Messrs. Bauer, Hultquist and Helling are executive officers and do not participate in any decisions involving their own compensation.

17

Executive Committee Report on Executive Compensation

The report of the Executive Committee below shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent QCR Holdings specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

General. The Executive Committee is comprised of five "independent" directors of QCR Holdings. The committee is committed to providing a total compensation program that supports our long-term business strategy and performance culture and creates a commonality of interest within our stockholders. The Executive Committee is responsible for the oversight of executive compensation and reviews the compensation program of QCR Holdings on an ongoing basis.

The overall philosophy used by the Executive Committee when making decisions is as follows:

- o to provide incentives for executive officers to work toward achieving successful short-term and long-term goals and objectives;
- o to provide significant reward for achievement of superior performance, as well as significant risk to penalize substandard performance;
- o to create significant opportunity and incentive for executives to be long-term stockholders;

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

- o to link executive compensation rewards to increases in shareholder value, as measured by favorable long-term results and continued strengthening of our financial condition;
- o to provide flexibility to recognize, differentiate and reward individual performance; and
- o to facilitate stock ownership through granting of stock options.

For each executive officer, the Executive Committee was responsible for the establishment of base salary and bonuses paid, as well as an award level for the annual incentive compensation program, each of which is subject to the approval of the non-employee directors. The Executive Committee was also responsible for the administration of the stock programs for the executive officers, as well as recommendations regarding other executive benefits and plans, subject to the same approval process.

Additionally, the Executive Committee is currently considering adopting a Non-Qualified Supplemental Executive Retirement Agreement ("SERP") for executive officers. If adopted, the SERP would provide supplemental retirement income to certain key executive officers of QCR Holdings and our subsidiaries.

Salary and Bonus. The Executive Committee reviews each executive's base salary on an annual basis. It is the Executive Committee's policy that the base salaries of our executives should offer each executive security and allow us to attract qualified executives and maintain a stable management team and environment. The Executive Committee targets base salaries at levels comparable to those of comparable positions within the market place. We recently entered into new employment contracts with each of our executive officers. The initial base salary provided in the agreements may be increased to reflect the executive officer's performance, as well as our overall financial performance. Additionally, base salaries are determined by examining, among other things, the executive's level of responsibility, prior experience, length of time with us as an employee, breadth of knowledge and internal performance objectives. An executive's current salary in relation to the executive's salary range and the median salary practices of the market place are also considered. All of the factors described herein are considered on a subjective basis in the aggregate, and none of the factors is accorded a specific weight.

Annual adjustments to an executive's base salary, as well as the amount of any bonus, are driven by corporate and individual performance. Corporate performance, measured primarily in terms of earnings per share, return on equity and enhancement of total assets, impacts an executive's base salary. In addition, the Executive Committee will also measure individual performance. When measuring individual performance, the Executive Committee considers the individual's efforts in achieving established financial and business objectives, both short-term and long-term strategic objectives, managing and developing employees and enhancing long-term relationships with customers.

18

Annually, the Executive Committee evaluates four primary areas of performance in determining the Chief Executive Officer's level of compensation. These areas are:

- o our long-range strategic planning and implementation;
- o our financial performance;
- o our compliance with regulatory requirements and relations with regulatory agencies; and

Edgar Filing: QCR HOLDINGS INC - Form PRE 14A

- o the individual's effectiveness of managing relationships with stockholders and the board of directors.

The base salary paid to Mr. Hultquist, as President and Chief Executive Officer, during 2003 was also based in part upon the Executive Committee's satisfaction with our profitability, asset growth and risk management. The primary evaluation criteria are considered to be essential to our long-term viability and were given equal weight in the evaluation. The Executive Committee determined that Mr. Hultquist's leadership had a significant impact on our attaining this level of performance while maintaining our excellent safety and soundness ratings. Additionally, the Executive Committee considered Mr. Hultquist's personal performance as President and Chief Executive Officer, his previous years' salaries and the salary levels of other similarly situated financial institutions in setting his base salary at \$175,000 for 2003 and 2004.

Stock Awards. Our current long-term incentive plans are intended to promote equity ownership in QCR Holdings by the directors and selected officers and employees, to increase their proprietary interest in our success and to encourage them to remain with us as employees. They also promote tax efficiency and replacement of benefit opportunities lost to regulatory limits. We have established the QCR Holdings, Inc. 401(k)/Profit Sharing Plan and the QCR Holdings, Inc. Employee Stock Purchase Plan, each of which allows participants to purchase shares of our common stock.

We also granted stock options in the past through the QCR Holdings, Inc. 1997 Stock Incentive Plan, which we are asking the stockholders to supplement at this year's annual meeting with the 2004 Stock Incentive Plan. We use stock options in our compensation program to reinforce our long-term perspective and to retain valued executives. In the future, we may also grant restricted stock under the 2004 Stock Incentive Plan as well as traditional stock options, as restricted stock may give us more favorable tax treatment. We did not grant options to most of our executive officers in 2003 because the 1997 plan was close to running out of shares reserved under the plan, with only 24,917 remaining options available for grant at December 31, 2003. We anticipate that we will grant more options in 2004 if stockholders approve the 2004 Stock Incentive Plan.

Conclusion. The Executive Committee believes these executive compensation policies and programs effectively serve the interests of stockholders and QCR Holdings. The Executive Committee believes these policies motivate executives to contribute to our overall future success, thereby enhancing the value of QCR Holdings for the benefit of all stockholders.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that the directors, executive officers and persons who own more than 10% of our common stock file reports of ownership and changes in ownership with the Securities and Exchange Commission and with the exchange on which the shares of common stock are traded. These persons are also required to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms furnished to us, we are not aware that any of our directors or executive officers failed to comply with the filing requirements of Section 16(a) during the last fiscal year. TRANSACTIONS WITH MANAGEMENT

Our directors and officers and their associates were customers of and had transactions with QCR Holdings, Quad City Bancard, Quad City Bank & Trust and Cedar Rapids Bank & Trust during the fiscal year ended December 31, 2003. Additional transactions are expected to take place in the future. All outstanding loans, commitments to loan, and certificates of deposit and depository relationships, in the opinion of management, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. From January 1, 2003 through December 31, 2003, Quad City Bancard paid approximately \$1,953,965 to Nobel Electronic Transfer, LLC, for merchant credit card processing services. John W. Schricker, a director of QCR Holdings and the former President and a director of Quad City Bancard, is a principal of Nobel. Additionally, QCR Holdings owns 20% of the capital of Nobel. Our management believes that the terms on which the above described transaction was conducted are no less favorable to us than would have been obtained from an unaffiliated third party.
