Item 5. Other Events

This 8-K is being filed in connection with Seitel, Inc. reaching an agreement dated as of December 2, 2002 with its Senior Noteholders to extend the terms of Seitel's previously announced standstill agreement. Under the terms of the extension, the Senior Noteholders agreed to forebear from exercising any rights and remedies they have against Seitel related to previously reported events of default under the Senior Note Agreements until June 2, 2003. In addition, the extended standstill agreement provides for the deferral, until June 2, 2003, of the \$10 million principal payment previously scheduled to be due to certain of the Noteholders on December 30, 2002. Interest on the Notes continues to be payable on a monthly basis.

The standstill agreement will terminate prior to June 2, 2003, among other things, in the event of a default by Seitel under the standstill agreement or any subsequent default under the existing Senior Note Agreements, or a default in the payment of any non-excluded debt of \$5,000,000 or more. The standstill agreement will also terminate in the event of the termination or expiration of Seitel's existing term or revolving credit lines with the Royal Bank of Canada, or after five business days written notice from Noteholders owning a majority in interest of the outstanding principal amount of the Notes. The standstill agreement will also terminate if Seitel does not present a proposal for restructuring the Notes to the Noteholders by December 11, 2002; an agreement in principle for the restructuring is not reached by January 24, 2003; or the documents necessary for the restructuring are not substantially completed by February 28, 2003.

The foregoing description of the Third Standstill and Amendment Agreement does not purport to be complete and is qualified in its entirety by reference to the Third Standstill and Amendment Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

A copy of the press release announcing the execution of the Third Standstill and Amendment Agreement is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
