**Section 1. Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement**

On January 3, 2006, Seitel Inc. (the "Company") granted 20,465 restricted shares of its common stock, par value \$.01 per share ("Common Stock"), to Robert D. Monson and 24,466 restricted shares of Common Stock to William Restrepo (collectively, the "Grants".) The Grants represent guaranteed key executive awards pursuant to the Company's Incentive Plan for fiscal year 2005. The Grants were made under the Company's 2004 Stock Option Plan and are each subject to a restricted stock agreement. The Grants vest as to one-third of the shares on each of the first, second and third anniversary of the date of grant (January 3, 2007, 2008 and 2009) and will fully vest upon the earlier death or disability of the executive, or on the date immediately prior to a change-in-control of the Company. If the executive's service to the Company is terminated for any reason, other than on account of his death or disability, then the executive shall forfeit all unvested restricted shares unless the compensation committee of the board of directors of the Company, in its sole discretion, waives any or all of such forfeiture. The Company has the right to deduct or withhold, or require the executive to remit to it, an amount sufficient to satisfy any applicable taxes related to the grant and required by law to be withheld. The executive may elect, subject to the compensation committee's approval, to satisfy the withholding requirement by having the Company withhold shares of Common Stock.
