ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On March 18, 2013, American Woodmark Corporation (the “Company”) entered into a Third Amendment to the Revolving Line of Credit Note and Credit Agreement (together, the “Credit Facility”) with Wells Fargo Bank, National Association (“Wells Fargo”). The Company also terminated certain security arrangements related to the Credit Facility, and, as a result, was able to eliminate its restricted cash balance of \$7.1 million.

The amendment to the Credit Facility:

1. Extends the maturity date for borrowings outstanding under the Credit Facility from May 29, 2014 to December 31, 2015;
2. Provides that all indebtedness and other obligations of the Company to Wells Fargo subject to the Credit Facility will continue to be secured by a security interest in substantially all of the Company’s assets, but that all other security agreements under the Credit Facility, and the related security interests, have been terminated. Among other things, this change eliminates the requirement that restricted cash and securities be held as security for the Company’s obligations to Wells Fargo. As a result, the Company’s restricted cash was reduced by \$7.1 million;
3. Establishes a borrowing base under the Credit Facility, such that outstanding borrowings under the Credit Facility may not exceed the lesser of:
 - \$35 million; and
 - The sum of:
 - i. 75% of the Company’s eligible accounts receivable (as defined in the amendment);
 - ii. 50% of the Company’s eligible pre bill reserves (as defined in the amendment); and
 - iii. Up to \$20 million based on the appraised value of the Company’s equipment.

The amendment describes how the elements of the borrowing base will be calculated and requires that the Company periodically deliver certain borrowing base certificates and reports to Wells Fargo. If outstanding borrowings under the Credit Facility as of any date exceed the borrowing base, the Company must immediately pay down the outstanding borrowings in an amount equal to or greater than the amount of the excess. At March 18, 2013, \$10 million of loans and \$4.1 million of letters of credit were outstanding under the Credit Facility, against a borrowing base of \$35 million;

4. Eliminates a requirement that the Company maintain a minimum asset coverage ratio and adds a requirement that the Company maintain (i) at least \$1.00 in net income for the fiscal quarter ending April 30, 2013 and (ii) at least \$1.00 in net income on a rolling four-quarter basis for the fiscal quarter ending July 31, 2013; and
5. Modifies certain negative covenants under the Credit Facility to permit the Company to incur up to \$1.5 million in additional indebtedness and enter into a sale and leaseback arrangement in connection with the acquisition of new equipment for one of the Company’s manufacturing plants.

This description of the material terms of the amendment is qualified by reference to the full text of the amendment, which has been filed as an exhibit to this report and is incorporated herein in response to this Item.
