Press Release

Heartland Express, Inc. Reports Revenues and Earnings for the Fourth Quarter of 2005.

CORALVILLE, IOWA - January 18, 2006 - Heartland Express, Inc. (Nasdaq: HTLD) announced today financial results for the quarter ended December 31, 2005. Operating revenues for the quarter increased 17.3% to \$140.1 million from \$119.4 million in the fourth quarter of 2004. Net income increased 30.7% to \$21.6 million from \$16.6 million in the 2004 period. Earnings per share were \$0.29 compared to \$0.22 for the fourth quarter of 2004.

For the twelve month period, operating revenues increased 14.6% to \$523.8

million from \$457.1 million during the same period in 2004. Net income increased 15.1% to \$71.9 million from \$62.4 million in the 2004 period. Earnings per share were \$0.97 compared with \$0.83 for the 2004 period.

Heartland Express, Inc. posted an operating ratio (operating expenses as a percentage of operating revenues) of 77.6% and a 15.5% net margin in the fourth quarter of 2005 and an 80.1% operating ratio and a 13.7% net margin for the twelve months ended December 31, 2005. Operating results for the fourth quarter were favorably impacted by gains primarily from the trade of revenue equipment. Gains from the trade of revenue equipment are being recognized in compliance with Statement of Financial Accounting Standards No. 153, "Accounting for Non-monetary Transactions", which became effective July 1, 2005. In addition, the fourth quarter operating results were negatively impacted by record high diesel prices which have continued throughout the quarter.

The Company ended the year with cash, cash equivalents, and short-term investments of \$287.6 million, a \$29.3 million increase from the \$258.3 million reported on December 31, 2004. Total assets increased to \$573.5 million in 2005 from \$517.0 million reported in 2004. The Company's balance sheet continues to be debt-free.

The limited availability of experienced drivers continues to challenge the trucking industry. The Company recently announced a driver pay increase for the third consecutive year. Our most senior and experienced company drivers will be earning \$0.50 per mile while our owner-operators will be earning a base rate of \$0.95 per mile by the end of 2006 with the implementation of the latest pay increase. Heartland Express hires only safe, experienced drivers who understand the importance of customer service and is committed to compensating them accordingly.

The Company is continuing the replacement of its entire tractor fleet. The Company took delivery of 1,000 new Internationals this year including 400 in the fourth quarter. The fleet replacement is approximately 70% completed and is scheduled to be completed by December 31, 2006. In addition, the Company took delivery of 1,000 new Wabash trailers during this year including 300 in the fourth quarter.

During the quarter, Heartland Express declared a regular quarterly cash dividend. The quarterly dividend of approximately \$1.5 million at the rate of \$0.02 per share was paid on January 3, 2006 to shareholders of record at the close of business on December 22, 2005. The Company has now paid quarterly dividends of \$12.9 million over the past ten consecutive quarters.

The Company's outstanding common stock has decreased to 73.8 million shares from 75.0 million at the end of 2004 as a result of the repurchase of approximately 1.2 million shares of its outstanding common stock during the year.
