PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 8, 2014

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies from the stockholders of Heartland Express to be voted at the Annual Meeting, which will be held at Hills Bank and Trust Company, 590 West Forevergreen (at the intersection of Forevergreen Road and Highway 965), North Liberty, Iowa 52317, on Thursday, May 8, 2014, at 8:00 a.m. local time, and any adjournment thereof. **THE ENCLOSED PROXY IS SOLICITED BY OUR BOARD OF DIRECTORS.** All costs of the solicitation will be borne by the Company. The approximate date of mailing this Proxy Statement and the enclosed form of proxy is March 28, 2014.

This year, we are using the U.S. Securities and Exchange Commission's ("SEC") Notice and Access model ("Notice and Access") that allows us to deliver proxy materials via the Internet. We believe Notice and Access provides stockholders with a convenient method to access the proxy materials and vote, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. A Notice of Availability of Proxy Materials (the "Notice") was first mailed on or about March 28, 2014, to stockholders of record at the close of business on March 12, 2014 (the "Record Date"). The Internet Notice will instruct you as to how you may access and review the proxy materials. The Proxy Statement, the proxy card, and our Annual Report for the year ended December 31, 2013 ("Annual Report") are first being made available to stockholders on or about March 28, 2014.

How to Read this Proxy Statement

This Proxy Statement contains the proposals to be considered by stockholders at the Annual Meeting, as well as important information concerning, among other things: our management and our Board of Directors; executive compensation; transactions between us and our officers, directors, and affiliates; the stock ownership of management and other large stockholders; the services provided to us by and fees of our independent registered public accounting firm; and instructions for stockholders who want to make proposals at the 2015 Annual Meeting. Each stockholder should read this information before completing and returning the enclosed proxy card.

PROXY STATEMENT

Why am I receiving this proxy statement?

The Company's Board of Directors (the "Board") has made available to you the Notice of Annual Meeting, this Proxy Statement, our Annual Report, proxy card, and voter instruction card (collectively, "Proxy Solicitation Materials") either on the Internet or by mail in connection with the Annual Meeting. You are receiving this Proxy Statement because you owned shares of Heartland Express common stock at the close of business on the Record Date, and that entitles you to vote at the Annual Meeting. By use of a proxy, you can vote whether or not you attend the Annual Meeting. This Proxy Statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What is Notice and Access and why did Heartland Express elect to use it?

We make the Proxy Solicitation Materials available to stockholders electronically via the Internet under the Notice and Access regulations of the SEC.

Most of our stockholders have received the Notice in lieu of receiving a full set of Proxy Solicitation Materials in the mail. The Notice includes information on how to access and review the Proxy Solicitation Materials, and how to vote, via the Internet. We believe this method of delivery will decrease costs, expedite distribution of Proxy Solicitation Materials to you, and reduce our environmental impact.

Stockholders who received the Notice but would like to receive a printed copy of the Proxy Solicitation Materials in the mail should follow the instructions in the Notice for requesting such materials.

What will I be voting on?

• Election of directors

• Ratification of the independent registered public accounting firm for 2014

• An advisory, non-binding vote on the Company's executive compensation

How do I vote?

You can vote either in person at the Annual Meeting or by proxy without attending the meeting. We urge you to vote by proxy even if you plan to attend the Annual Meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the meeting in person, you may vote at the meeting and your prior proxy will not be counted.

To vote your shares, follow the instructions in the Notice, voting instruction form, or the enclosed proxy card.

Telephone and Internet voting is available to all registered and most beneficial holders.

Stockholders voting by proxy may use one of the following three options:

• fill out the enclosed voter instruction form or proxy card, sign it, and mail it in the enclosed postage-paid envelope;

• vote by Internet (if available, instructions are on the voter instruction form, proxy card, or Notice); or

• vote by telephone (if available, instructions are on the voter instruction form, proxy card, or Notice).

If you hold your shares in "street name," please refer to the information forwarded by your bank, broker, or other holder of record to see the options available to you.

The telephone and Internet voting facilities for stockholders will close at 11:59 p.m. Eastern Daylight Time on May 7, 2014. If you vote over the Internet, you may incur costs, such as telephone and Internet access charges, for which you will be responsible. The telephone and Internet voting procedures are designed to authenticate stockholders and to allow you to confirm that your instructions have been properly recorded.

Can I change my proxy vote?

Yes. At any time before your shares are voted by proxy, you may change your vote by:

• revoking it by written notice to Thomas E. Hill, our Secretary, at the address on the cover of this Proxy Statement;

• delivering a later-dated proxy (including a telephone or Internet vote); or

• voting in person at the meeting.

If you hold your shares in "street name," please refer to the information forwarded by your bank, broker, or other holder of record for procedures on revoking or changing your proxy.

How many votes do I have?

You will have one vote for each share of Heartland Express common stock that you owned at the close of business on March 12, 2014.

How many shares are entitled to vote?

There were 87,704,993 shares of Heartland Express common stock outstanding and 211,550 shares granted under the Heartland Express, Inc. 2011 Restricted Stock Award Plan as of the Record Date that are entitled to vote at the meeting. Each share is entitled to one vote. The Company has no other class of stock outstanding. There is no cumulative voting.

How many votes must be present to hold the meeting?

In order to transact business at the Annual Meeting, a quorum must be present. A quorum is present if forty percent (40%) of the issued and outstanding shares of Common Stock as of the Record Date are represented at the Annual Meeting in person or by proxy. Shares that are entitled to vote but that are not voted at the direction of the holder (called "abstentions") and shares that are not voted by a broker or other record holder due to the absence of instructions from the beneficial owner (called "broker non-votes") will be counted for the purpose of determining whether a quorum is present.

How many votes are needed for the proposals to pass and how are votes tabulated?

The election of directors (Proposal 1) requires an affirmative vote of a plurality of the votes cast, which means that with respect to Proposal 1, the six director nominees receiving the highest number of votes for their election will be elected. The ratification of our independent registered public accounting firm for 2014 (Proposal 2) will require the

affirmative vote of a majority of the votes cast at the meeting. The advisory vote on the Company's executive compensation (Proposal 3) is non-binding on the Board.

Although non-binding, the Board will review and consider the voting results when evaluating our executive compensation program. For purposes of determining the number of votes cast with respect to a particular matter, only those cast "For" or "Against" are included. If no direction is specified by the stockholder, the proxy will be voted "For" each proposal specified in this Proxy Statement, and at the discretion of the proxy holders, upon such other matters as may properly come before the meeting or any adjournment thereof. Proxies marked "Abstain" and broker non-votes are counted only for purposes of determining whether a quorum is present at the meeting.

A vote to "abstain" on the election of directors will have no effect on the outcome. A vote to "abstain" on the other proposals will also have no effect on the outcome.

If you vote "abstain," your shares will be counted as present for purposes of determining whether enough votes are present to hold the Annual Meeting.

Votes cast at the Annual Meeting will be tabulated by the Inspector of Elections and the results of all items voted upon will be announced at the Annual Meeting.

What if I don't return my proxy card and don't attend the Annual Meeting?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent) and you do not vote your shares, your shares will not be voted.

If you hold your shares in "street name," and you do not give your bank, broker, or other holder of record specific voting instructions for your shares, your record holder can vote your shares on the ratification of the independent registered public accounting firm. However, your record holder cannot vote your shares without your specific instructions on the election of directors and the advisory approval of executive compensation.

For the proposals on which a broker cannot vote without your instruction, if you do not provide voting instructions to your broker, the votes will be considered "broker non-votes" and will not be counted in determining the outcome of the vote. "Broker non-votes" will be counted as present for purposes of determining whether enough votes are present to hold the Annual Meeting.

What happens if a nominee for director declines or is unable to accept election?

If you vote by proxy, and if unforeseen circumstances make it necessary for the Board to substitute another person for a nominee, we will vote your shares for that other person.

ANNUAL REPORT

Will I receive a copy of the Heartland Express Annual Report?

The information included in this Proxy Statement should be reviewed in conjunction with the Consolidated Financial Statements, Notes to Consolidated Financial Statements, Reports of our Independent Registered Public Accounting Firm, and other information included in our 2013 Annual Report to Stockholders that was made available on or about March 28, 2014, together with the Notice, to all stockholders of record as of the Record Date. A copy of our 2013 Annual Report is available free of charge on the "Investors" section of our corporate website at www.heartlandexpress.com. The information on our corporate website is not, and shall not be deemed to be, a part of this Proxy Statement nor, by reference or otherwise, incorporated into any other filings we make with the SEC. Except to the extent it is incorporated by specific reference, our 2013 Annual Report is not incorporated into this Proxy Statement and is not considered to be part of the Proxy Solicitation Materials.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE NOMINEES FOR DIRECTOR PRESENTED IN PROPOSAL 1.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Meetings and Director Compensation

The Board meets on a regularly scheduled basis. The Board held a total of four regularly scheduled meetings during the last fiscal year. In addition, the Board held two special board meetings. Each of the directors attended 75% or more of the regular meetings of the Board and the meetings held by all of the committees of the Board. The Company has no formal policy regarding attendance by its directors at annual meetings of stockholders. All six directors were present at the 2013 Annual Meeting. Mr. Gordon did not become a director until after our 2013 Annual Meeting.

Independent Directors

Of the seven members currently serving on the Board, the Board has determined that Lawrence D. Crouse, Richard O. Jacobson (not standing for reelection), Dr. Benjamin J. Allen, James G. Pratt, and Dr. Tahira K. Hira are "independent directors" as defined in the applicable NASDAQ Stock Market ("NASDAQ") listing standards and also meet the additional independence standards and other requirements for audit committee membership set forth by NASDAQ and SEC rules. The independent directors met twice in executive sessions during 2013.

Board Leadership Structure

Mr. Michael Gerdin serves as the Company's Chief Executive Officer and Chairman of the Board. Mr. Gerdin is the direct link between senior management and the Board and provides critical insight and perception to the Board, as well as feedback to senior management, based on his substantial experience in the industry. Mr. Gerdin is involved in the day-to-day operations of the Company and has provided consistent leadership of the Company's key strategic objectives in his past and current positions. Historically, the Board has believed that given the size of the Company, the combination of the Chief Executive Officer and Chairman of the Board positions was the most appropriate and suitable structure for proper and efficient Board functioning and communication. Given Mr. Gerdin's history with the Company, involvement with the Board, industry knowledge, and involvement with the day-to-day operations, the Board continues to believe the current combination of roles described above continues to be the most suitable and most efficient structure for the Company.

The Board has not formally appointed a lead independent director to preside over meetings of the Board. As the independent directors meet, a director is appointed to preside over those meetings at the time of the respective meeting.

Risk Oversight

The Board oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance stockholder value. A fundamental part of risk management is not only understanding the risks the Company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the full Board in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. While the Board has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from the Company's independent registered public accounting firm. The Board is focused on the Company's corporate governance practices and values independent board oversight as an essential component of strong corporate performance to enhance stockholder value. All of the members of the Board's Audit, Compensation, and Nominating

Committees are independent directors. The Company recognizes that different board leadership structures may be appropriate for companies in different situations. The Company will continue to re-examine our corporate governance policies and leadership structures on an ongoing basis to ensure that they continue to meet the Company's needs.

As required by SEC rules, the Company has assessed the risks that could arise from its compensation policies for all employees, including employees who are not officers, and has concluded that such policies are not reasonably likely to have a materially adverse effect on the Company.

Committees of the Board and Other Corporate Governance Matters

The Board has a standing Audit Committee, Compensation Committee, and Nominating Committee. All three committees are composed entirely of independent directors.

Audit Committee. The Audit Committee presently consists of James G. Pratt (Chairman), Lawrence D. Crouse, Dr. Benjamin J. Allen, and Dr. Tahira K. Hira, all of whom satisfy the independence and audit committee membership criteria of NASDAQ. The Board has determined that James G. Pratt qualifies as an "audit committee financial expert," as defined by the SEC and NASDAQ rules. The Audit Committee's primary duties include maintaining communication between the Board, the Company's independent registered public accounting firm and the Company's executive officers and accounting personnel with respect to the Company's financial affairs in general, including financial statements and audits, the adequacy and effectiveness of the internal accounting controls and systems and the retention and termination of the independent registered public accounting firm. The Audit Committee also reviews quarterly financial and operating results of the Company, through meetings and conference calls, with the Company's management, the Company's independent registered public accounting firm, and, when appropriate, the securities counsel for the Company. The Board has adopted a charter for the Audit Committee, which sets forth the purpose and responsibilities of the Audit Committee in greater detail. A copy of the charter is available on the "Investors" section of the Company's website at www.heartlandexpress.com. The Audit Committee met six times during fiscal year 2013.

Compensation Committee. The Compensation Committee presently consists of Dr. Benjamin J. Allen (Chairman), James G. Pratt, Lawrence D. Crouse, and Dr. Tahira K. Hira, all of whom satisfy the independence criteria of NASDAQ. In determining the independence of our Compensation Committee members, the Board considered several relevant factors, including but not limited to each director's source of compensation and affiliations. Specifically, each member of the Executive Compensation Committee (i) is independent under NASDAQ Rule 5605(a)(2), (ii) meets the criteria set forth in Rule 10C-1(b)(1) under the Exchange Act, (iii) did not directly or indirectly accept any consulting, advisory, or other compensatory fee from the Company, and (iv) as determined by our Board, is not affiliated with the Company, any Company subsidiary or any affiliate of a Company subsidiary, and does not have any other relationship which would impair each respective member's judgment as a member of the Compensation Committee. In 2013, none of our Compensation Committee members had any business or personal relationship with any compensation consultant, legal consultant, or other advisor that was selected by or provided advice to the Compensation Committee.

The primary responsibilities of the Compensation Committee are to review the compensation policies of the Company and to periodically make salary recommendations to the Board for all elected officers. The Board has adopted a charter for the Compensation Committee, which sets forth the purpose and responsibilities of the Compensation Committee in greater detail. The Compensation Committee periodically reviews and reassesses the adequacy of its charter on an annual basis and recommends changes to the Board when appropriate. A copy of the charter is available on the "Investors" section of the Company's website at www.heartlandexpress.com. The Compensation Committee met two times during fiscal year 2013. A description of the functions of the Compensation Committee is included in "Compensation Discussion and Analysis - Overview."

Nominating Committee. The Nominating Committee presently consists of independent directors Dr. Tahira K. Hira (Chairperson) Lawrence D. Crouse, James G. Pratt, and Dr. Benjamin J. Allen. The primary responsibilities of the Nominating Committee are to identify and recommend to the Board for nomination individuals qualified to serve as directors. The Nominating Committee will consider recommendations from many sources, including stockholders, regarding possible director candidates. Guidelines regarding the qualifications of candidates for directors, including stockholder proposed candidates, insofar as they apply to non-employees, generally favor individuals who have managed relatively large, complex business, educational, or other organizations or who, in a professional or business capacity, are accustomed to dealing with complex business or financial problems. In addition to these guidelines, the Committee will also evaluate whether the candidate's skills are complementary to the existing Board members' skills, and the Board's needs for operational, management, financial, and other expertise. With regard to specific qualities and skills, the Nominating Committee believes it is necessary that: (i) at least a majority of the members of the Board of Directors qualify as independent under NASDAQ rules; (ii) at least three members of the Board of Directors satisfy the additional independence and other requirements for audit committee membership; and (iii) at least one member of the Board eligible to serve on the Audit Committee has sufficient knowledge, experience, and training concerning

accounting and financial matters so as to qualify as an “audit committee financial expert” within the meaning of applicable SEC and NASDAQ rules. The Nominating Committee met two times during fiscal year 2013.

The Board has adopted a charter for the Nominating Committee, which sets forth the purpose and responsibilities of the Nominating Committee in greater detail. A copy of the charter is available on the "Investors" section of the Company's website at www.heartlandexpress.com.

The Nominating Committee recommends that the Board nominate the six directors named in this Proxy Statement for reelection at the Annual Meeting.

It is generally the policy of the Nominating Committee to consider stockholder recommendations of proposed director nominees if such recommendations are serious and timely received. Such recommendations must be received by the Secretary of the Company at 901 North Kansas Avenue, North Liberty, Iowa 52317, for consideration by the Nominating Committee at least 120 days prior

to the first anniversary of the mailing date of the proxy statement for the prior year's Annual Meeting, November 28, 2014, for director candidates to be considered for nomination for election at the 2015 Annual Meeting. In addition, any stockholder director nominee recommendation must include the following information:

- the proposed nominee's name and qualifications and the reason for such recommendation;
- the name and record address of the stockholder(s) proposing such nominee;
- the number of shares of our common stock that are beneficially owned by such stockholder(s); and
- a description of any financial or other relationship between the stockholder(s) and such nominee or between the nominee and the Company including any of the Company's subsidiaries.

In order to be considered by the Board, any candidate proposed by one or more stockholders will be required to submit appropriate biographical and other information equivalent to that required of all other director candidates.

Board Diversity. We do not have a formal policy regarding diversity in identifying nominees for directorship. We consider the Board to be diverse in terms of business experience, knowledge, and abilities.

Stockholder Communications. Stockholders may send communications to any director in writing by sending them to the director in care of the Secretary of Heartland Express at 901 North Kansas Avenue, North Liberty, Iowa 52317. The Secretary will forward all such written communications to the director to whom it is addressed.

Code of Ethics. The Board has adopted a Code of Business Conduct and Ethics for all employees and directors of the Company, and a Code of Ethics for Senior Financial Officers, as recommended by the Audit Committee. Such code constitutes a "code of ethics" within the meaning of Item 406(b) of Regulation S-K. Copies of the codes are available on the "Investors" section of the Company's website at www.heartlandexpress.com.

Compensation Committee Interlocks and Insider Participation

The Committee receives recommendations from the Company's Chief Executive Officer regarding the compensation of executive officers (other than the Chief Executive Officer).

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Compensation Committee is responsible for reviewing and making recommendations with respect to our general executive compensation policies. The Compensation Committee currently consists of five directors, all of whom are independent under applicable NASDAQ and SEC rules. The Compensation Committee may designate one or more of its members to perform certain of its duties on its behalf, subject to reporting or ratification by the Compensation Committee as it shall direct. The Compensation Committee receives recommendations from our Chief Executive Officer regarding the compensation of executive officers (other than the Chief Executive Officer).

Compensation Philosophy and Objectives

Our executive compensation policies are designed to achieve five primary objectives:

- attract and retain well-qualified executives who will lead us and inspire superior performance;
- provide incentives for achievement of corporate goals and individual performance;
- provide incentives for achievement of long-term stockholder return; and
- align the interests of management with those of the stockholders to encourage continuing increases in stockholder value; and
- reward our executive officers for individual performance, years of experience, contributions to the Company's performance, and creation of stockholder value.

Elements of Compensation

The components of compensation are intended to accomplish one or more of the compensation objectives discussed above. We have traditionally relied on base salaries as the primary source of compensation because it provides our executive officers with stability, allowing them to focus on creating stockholder value and other business objectives. Salaries and wages paid are very competitive in comparison to industry standards and the local business environment. Bonus incentives and equity-based incentives have been utilized periodically and are discretionary. The payment of such elements is based upon the economic environment and our operating results. We generally do not implement compensation elements for executive officers and all other employees that would create incentives to take undue risks. We have traditionally hired self-motivated employees who are driven by the successes and achievements of the organization.

Base Salary and Benefits. To attract and retain officers with exceptional abilities and talent, annual base salaries are set to provide competitive levels of compensation. The Compensation Committee considers each officer's performance, current compensation, and responsibilities within our Company in setting each officer's base salary. The Compensation Committee does not formally benchmark salary or total executive compensation against the executive compensation of any other company or group of companies. From time to time, the Compensation Committee has considered the form and level of compensation disclosed by other publicly traded truckload carriers, certain other transportation companies, and companies of similar size and market capitalization in general. However, the Compensation Committee does not use a peer group for compensation purposes. The Compensation Committee also considers past individual performance and achievements when establishing base salaries.

Annual Cash Bonus Incentives. Annual cash bonus incentives are periodically used to reward our employees for exceptional Company performance. Past bonus plans have been based on the percentage increase in growth of our fleet and revenue miles, and maintaining a certain level of customer service. There were not any targets established for annual cash bonuses in 2013 and there were no cash bonuses paid during 2013 to the Named Executive Officers.

Long-Term Equity-Based Incentives. A portion of potential compensation is also linked to corporate performance through equity-based compensation awards, historically in the form of stock awards. Participants in our equity plans have historically included our executive officers and other key personnel. On July 11, 2011, a Special Meeting of Stockholders of the Company was held, at which meeting the approval of the Heartland Express, Inc. 2011 Restricted Stock Award Plan (the "2011 Stock Plan") was ratified. The 2011 Stock Plan is administered by the Compensation Committee. In accordance with and subject to the provisions of the 2011 Stock Plan, the Compensation Committee has the authority to determine all provisions of awards of restricted stock, including, without limitation, the employees of the Company who will receive awards, the number of shares awarded to individual employees, the time or times when awards will be granted, restrictions and other conditions (including, for example, the lapse of time) to which the vesting of awards may be subject, and other terms and conditions and form of agreement to be entered into by the Company and employees subject to awards of restricted stock. The Compensation Committee may allocate all or any portion of its responsibilities and powers under the 2011 Stock Plan to any one or more of its members, the Chief Executive Officer, or

other senior members of management as the Compensation Committee deems appropriate. Per the terms of the awards, employees receiving awards will have all of the rights of a stockholder with respect to the unvested restricted shares including, but not limited to, the right to receive such cash dividends, if any, as may be declared on such shares from time to time and the right to vote such shares at any meeting of stockholders of the Company. All of our executive officers with the exception of Mr. Gerdin, our current Chief Executive Officer, were eligible for awards under the 2011 Stock Plan during 2013.

Stock awards under our equity-based compensation plan are designed to:

- more closely align executive officer and stockholder interests;
- reward key employees for building stockholder value; and
- encourage long-term investment in the Company.

Through the 2011 Stock Plan we seek to provide executive officers and other key employees with incentive to maximize long-term stockholder value. For purposes of making awards to Named Executive Officers the Compensation Committee does not set objective performance-based targets. Rather, the Compensation Committee makes discretionary awards based upon consideration of the following factors: (1) the Company's operating performance, (2) the executive officer's team-building skills, (3) the executive officer's individual performance, (4) the executive officer's past performance, and (5) the executive officer's potential with the Company.

Although we do not have specific stock ownership guidelines, the Compensation Committee believes that stock ownership by management has been demonstrated to be beneficial to stockholders. We have never granted stock options and have no plans to do so in the foreseeable future.

Tuition Plan. We maintain a tuition award program for the children of certain employees, including executive officers. Contributions to the program are based upon our performance. During 2013, we contributed \$433,000 to the program, based upon 2012 Company performance. There were no payments to any Named Executive Officers under the tuition award program in 2013.

Retirement Plan. We have a qualified 401(k) savings plan that covers all employees, except for highly-compensated employees as defined by the Internal Revenue Code of 1986, as amended (the "Code"). None of our Named Executive Officers participate in the forgoing plan.

Deferred Compensation Plan. We have a non-qualified deferred compensation plan ("DC Plan") primarily for employees excluded from participation in our qualified retirement plan due to being highly compensated employees as determined by Code limitations. We offer this plan to allow our employees to set aside a portion of their income for retirement on a pre-tax basis. The DC Plan is unfunded for tax purposes and for purposes of ERISA. The Named Executive Officers are eligible to participate in the DC Plan. Our contributions to the DC Plan are discretionary and subject to the approval of our Compensation Committee. Participants may elect to defer up to 100% of their salary, including any cash bonus, to the DC Plan. The election to defer compensation under the DC Plan is irrevocable for each plan year as of the beginning of each plan year. Participant contributions are made into a trust account for the purpose of administering and providing for payment of the deferred compensation under this plan. The investment of contributions are self-directed by participants within an established array of money market, equity and fixed income mutual funds. Investment in our common stock is prohibited under the DC Plan. We do not pay interest or other earnings on the invested contributions. Earnings are generated by the investments selected by the participants. The aggregate earnings on these investments, by each Named Executive Officer who is a participant in the DC Plan, are included in the Nonqualified Deferred Compensation table set forth herein and are attributable to the specific investments selected by each participant. Participants may change the designation of their investments at such times as mutually agreed by the parties. As of December 31, 2013, participants could change their investment designation on a

daily basis. Participants elect in advance of the deferral of their compensation when the funds will be distributable. The aggregate vested balances of the participants are distributable, as designated by each participant, when the following occur: six months following the participant's termination of employment; a change in control (as discussed below in "Compensation Discussion and Analysis - Potential Payments upon Change in Control"); the participant's death or disability; or obtaining retirement age. The DC Plan provides for distributions to be made in either a lump sum amount or installments at the election of the participant.

Compensation Paid to Our Named Executive Officers During 2013

A summary of the Compensation Committee's considerations for setting the compensation for 2013 earned by or paid to those persons who were at any time during 2013 our Named Executive Officers are set forth below. The Compensation Committee evaluates and sets the compensation of our Chief Executive Officer differently than it does our other executive officers.

Compensation of Our Chief Executive Officer. Mr. Michael Gerdin serves as our Chief Executive Officer. The Compensation Committee recognized Mr. Gerdin's substantial responsibility and contribution to our operating performance, operating margin, revenue and net income growth rates, and attainment of our goals. The Compensation Committee believed that Mr. Gerdin's salary was reasonable compared to similarly situated executives, and that as a direct and indirect holder of a significant amount of the Company's common stock, Mr. Gerdin received an incentive through appreciation in the market value of the Company's common stock. Thus, the Company's performance directly affected Mr. Gerdin, but not in the form of salary or bonuses. The Compensation Committee approved a \$20,000 annual salary increase for Mr. Gerdin effective February 20, 2012 in connection with his increased responsibilities upon his promotion to Chief Executive Officer and Chairman in September 2011. After this increase, Mr. Gerdin's new annual salary became \$300,000, which remained his salary in 2013. Mr. Gerdin receives no additional equity or non-equity compensation with the exception of contributions to his deferred compensation plan.

Compensation of Our Other Named Executive Officers. Our other Named Executive Officers are compensated through salary and periodically through incentive compensation and equity grants. The Compensation Committee relies on the business experience of its members, the historical compensation levels of the Named Executive Officers, and its general understanding of compensation levels at public companies to determine that the Chief Executive Officer's recommendations with respect to the compensation levels and forms for the other Named Executive Officers are appropriate. The form of compensation for 2013 was consistent with past years, with compensation consisting primarily of salary. We pay salaries that we believe are competitive in comparison to industry standards and the local business environment. In addition, the Company relies on conservative operating principles and generally does not implement compensation elements for executive officers or other employees that would create incentives to take undue risks. For each of the Named Executive Officers, the Compensation Committee considered, among other things, our financial and operating results during 2012, the duties and responsibilities of each executive, restricted stock awards granted in 2011 and 2013, as further detailed below, and the length of time each executive has been with the Company, as further described in Named Executive Officer's biography found in "Corporate Governance and the Board of Directors - Executive Officers and Significant Employees."

Based on the foregoing, and given each Named Executive Officer's individual performance, tenure with the Company, and contribution to the Company's operating performance, the Compensation Committee approved salary increases to two Named Executive Officers during 2013, as detailed in the table below. Both increases were effective on September 30, 2013.

Name and Principal Position	Previous Annualized Salary	New Annualized Salary	Increase
John P. Cosaert, Executive Vice President of Finance, Treasurer, and Chief Financial Officer	\$260,000	\$270,400	\$10,400
Dennis J. Wilkinson, Vice President Operations	132,600	135,200	2,600

All full-time, non-driver personnel, including our Named Executive Officers, are eligible for annual cash bonus incentives that we use periodically to reward our employees. Past bonus plans have been based on the percentage increase in growth of our fleet and revenue miles, and maintaining a certain level of customer service. There were not any targets established for annual cash bonuses in 2013 and there were no cash bonuses paid during 2013 to the Named Executive Officers.

We believe that stock ownership by our Named Executive Officers helps align the interests of such officers with the interests of stockholders in maximizing long-term stockholder value. In December 2011, the Compensation Committee increased the stock ownership of certain Named Executive Officers, along with other eligible employees, with restricted stock awards under the 2011 Stock Plan. All grants during 2011 were awarded on December 14, 2011

and are subject to the terms and conditions of the award notices, vest in increments of 20% on June 1, 2012, June 1, 2013, June 1, 2014, June 1, 2015 and June 1, 2016. All Named Executive Officers, except Mr. Michael Gerdin, received an award of restricted stock on December 14, 2011. Additional grants were made during 2013, including a grant of 4,000 shares of restricted stock to Mr. John Cosaert, one of our Named Executive Officers, on December 2, 2013. Subject to the terms and conditions of the December 2, 2013 award notice, this grant vests in increments of 25% on December 6, 2013, June 1, 2014, June 1, 2015 and June 1, 2016.

Except as provided by the terms of the DC Plan and award notices under the 2011 Stock Plan, whereupon employer contributions to the DC Plan and unvested stock under the 2011 Stock Plan immediately become fully vested in the event of a change of control of our Company, there are no employment contracts, termination of employment agreements, change in control agreements, or other arrangements with our executive officers, including our Named Executive Officers, that provide for payment or benefits to any executive officer at, following, or in connection with a change in control of our Company, a change in an executive officer's

responsibilities, or an executive officer's termination of employment, including resignation, severance, retirement, or constructive termination. See "Compensation Discussion and Analysis - Potential Payments upon Change in Control" for additional details.

The Role of Stockholder Say-on-Pay Vote. At the Company's 2011 Annual Meeting, our stockholders had the opportunity to cast an advisory vote on the compensation of our executive officers (a "say-on-pay" proposal) as disclosed in our proxy statement for that meeting. Stockholders approved the say-on-pay proposal by the affirmative vote of 99.7% of the shares cast on that proposal. The Compensation Committee believes this affirms stockholders' support of the Company's approach to executive compensation, and did not change its approach to executive compensation following this stockholder vote. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay proposals when making future compensation decisions for our Named Executive Officers. During the 2011 Annual Meeting, our stockholders also had the opportunity to cast an advisory vote (a "say-on-frequency" proposal) on how often the Company should include a say-on-pay proposal in its proxy statements for future annual meetings. Stockholders had the choice of voting to have the say-on-pay vote every year, every two years or every three years. The frequency receiving the highest number of votes was every three years. In accordance with this vote, at the current time our Board has determined it will hold the say-on-pay advisory vote every three years. Accordingly, our Board will include say on pay votes in the Company's proxy materials every three years until the next required stockholder vote on the frequency of such votes at our 2017 Annual Meeting.

Compensation Decisions with Respect to 2014. The Compensation Committee annually reviews and considers increases in the base salaries of our Named Executive Officers, as well as the possibility of granting restricted stock awards, based on performance, current compensation, and responsibilities within the Company, as described above. As of March 28, 2014, the Compensation Committee had not considered any changes to the salaries of or equity grants to, our Named Executive Officers for 2014. Nevertheless, the Compensation Committee may consider such changes or grants in the future.

Potential Payments upon Change in Control. As noted above, we do not have any employment contracts, termination of employment agreements, change in control agreements, or other arrangements with any of our Named Executive Officers. However, as discussed above, under certain circumstances in which there is a change in control of our Company, unvested stock under the 2011 Stock Plan and employer contributions to the DC Plan immediately become fully vested, notwithstanding that such shares or contributions may not have otherwise been fully vested.

Generally speaking, and qualified by the terms of the 2011 Stock Plan award notices and the DC Plan, a "change in control" under the 2011 Stock Plan occurs if: (i) someone acquires 50% or more of the combined voting power of our stock, unless after the transaction more than 75% of the acquiring company is owned by all or substantially all of those persons who were beneficial owners of our stock prior to such acquisition, (ii) a majority of our directors is replaced, other than by new directors approved by at least 75% of the existing directors, (iii) we consummate a reorganization, merger, or consolidation where, following such transaction, all or substantially all of those persons who were beneficial owners of our stock immediately prior to the transaction do not own, immediately after the transaction, more than 75% of the outstanding securities of the resulting corporation, (iv) we sell or liquidate all or substantially all of our assets, other than to a subsidiary, or (v) a going private transaction is consummated, after which greater than 50% of the resulting corporation is owned by Ann S. Gerdin, her family members, or an entity in which she and/or her family members hold at least 80% of the beneficial interests. A "change in control" under the DC Plan occurs if: (i) there is a change in ownership of the Employer, as defined in the DC Plan, (ii) there is an effective change in control of the Employer, or (iii) there is a change in the ownership of a substantial portion of the assets of the Employer.

The estimated value of restricted stock granted under the 2011 Stock Plan and contributions under the DC Plan that would have vested for our Named Executive Officers as of December 31, 2013, under the acceleration scenarios described above is set forth in the table below. The value for the accelerated restricted stock was calculated by multiplying the closing market price of our stock on December 31, 2013 (\$19.62) by the number of shares of

accelerated restricted stock. Payments upon a change in control under the DC Plan may be made in installments or a lump sum at the election of the participant.

These amounts (1) reflect our accounting expense to be recognized over the vesting period of the restricted stock awards, and does not correspond to the actual value that will be recognized by the Named Executive Officers. No restricted stock awards were granted in 2012.

(2) Amounts in this column reflect discretionary company contributions to the DC Plan. See "Summary of Cash and Certain Other Compensation Paid to the Named Executive Officers - Nonqualified Deferred Compensation."

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to our Audit Committee Charter, our Audit Committee has established procedures relating to the review, approval, or ratification of any transaction, or any proposed transaction, in which we were or are to be a participant and the amount involved exceeds \$120,000, and in which any "related person" (as that term is defined in Instruction 1 to Item 404(a) of Regulation S-K) had or will have a direct or indirect material interest ("Interested Transactions").

Upon review of the material facts of all Interested Transactions, the Audit Committee will either approve or disapprove the Interested Transactions, subject to certain exceptions, by taking into account, among other factors it deems appropriate, whether the terms are arm's-length and the extent of the related person's interest in the transaction. No director may participate in any discussion or approval of an Interested Transaction for which he is a related party. If an Interested Transaction will be ongoing, the Audit Committee may establish guidelines for our management to follow in its ongoing dealings with the related party and then at least annually must review and assess ongoing relationships with the related party. The following Interested Transactions were submitted to the Audit Committee for approval or ratification during 2013.

On November 11, 2013, the Company, through HEIA, acquired from Mr. Larry Gordon, Mr. Steven M. Gordon, and Mr. Scott A. Gordon, in his capacity as sellers' representative. Up to an additional \$20.0 million is payable in an earn-out for performance through 2017. In addition, the Company, through HEIA, purchased the personal goodwill of Mr. Gordon for \$15.0 million pursuant to a separate agreement. On February 25, 2014, Gordon Trucking, Inc. exercised its option to purchase the Lathrop, California terminal facility. The purchase price is \$2.8 million as specified in the terminal facility lease. Gordon Trucking, Inc. is responsible for all taxes, insurance, and utilities related to the terminal leases. PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected KPMG LLP as the Company's independent registered public accounting firm for the current fiscal year ending December 31, 2014. The Audit Committee has also pre-approved the engagement of KPMG LLP to provide federal tax return preparation, advisory and related services to the Company during 2014 as well as an audit of the Company's 401(k) benefit plan. Although ratification by the stockholders of the selection of KPMG LLP as the Company's independent registered public accounting firm is not required by law or by the Bylaws of the Company, the Audit Committee believes it is appropriate to seek stockholders ratification of this appointment in light of the critical role played by the independent registered public accounting firm in auditing the Company's consolidated financial statements and the effectiveness of internal control over financial reporting. If this selection is not ratified at the Annual Meeting, the Audit Committee intends to reconsider its selection of an independent registered public accounting firm for the fiscal year ending December 31, 2014.

Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

This Audit Committee Report also shall not be deemed to be incorporated by reference into any prior or subsequent filing with the SEC made by us under the Securities Act of 1933 or the Exchange Act, notwithstanding any general statement contained in any such filings incorporating this Proxy Statement by reference, except to the extent we incorporate such report by specific reference or treat it as soliciting material.

Audit Committee Report for Fiscal 2013

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee's actions are governed by a written charter, which has been adopted by the Board of Directors. All of the members of the Audit Committee are independent as defined by Rule 5605(a)(2) of NASDAQ's listing standards, and also meet the additional independence and other requirements for audit committee membership under Rule 5605(c)(2) of those standards. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addition, the Audit Committee has discussed with the Company's independent registered public accounting firm its independence from management and the Company, including the matters in the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

In performing its duties, the Audit Committee has discussed the Company's financial statements, management's assessment of internal controls over financial reporting, and the effectiveness of internal controls over financial reporting with management and the Company's independent registered public accounting firm and, in issuing this report, has relied upon the responses and information provided to the Audit Committee by management and such accounting firm. For the fiscal year ended December 31, 2013, the Audit Committee (i) reviewed and discussed the audited financial statements, management's assessment of internal controls over financial reporting, and the effectiveness of internal controls over financial reporting with management and KPMG LLP, the Company's independent registered public accounting firm; (ii) discussed with the independent registered public accounting firm the matters required to be discussed pursuant to Item 2-07 of SEC Regulation S-X (Communications with Audit Committees) and Auditing Standards No. 16 (Communication with Audit Committees), and adopted by the Public Company Accounting Oversight Board in Rule 3526; (iii) received and discussed with the independent registered public accounting firm the written disclosures and the letter from such accounting firm required by applicable

requirements of the Public Company Accounting Oversight Board and (iv) has discussed with the independent registered public accounting firm its independence. The Audit Committee met with representatives of the independent registered public accounting firm without management or other persons present one time during 2013.

Based on the foregoing reviews and meetings, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013, for filing with the SEC.

PROPOSAL 3

NON-BINDING, ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the SEC), we are including in this Proxy Statement a separate resolution, subject to stockholder vote, to approve, in a non-binding vote, the compensation of our Named Executive Officers as disclosed in this Proxy Statement. We urge stockholders to read the "Compensation Discussion and Analysis" of this Proxy Statement for more information on our executive compensation policies and procedures. The Board has previously approved the 2013 compensation.

The following resolution is submitted for stockholder approval:

"RESOLVED, that the stockholders approve, in an advisory, non-binding vote, the compensation of the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K in this Proxy Statement, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion."

Approval of this resolution requires the number of votes cast for the proposal to exceed the number of votes cast against the proposal at the Annual Meeting. In tabulating this vote, abstentions will be disregarded and have no effect on the outcome of the vote. While this say-on-pay vote is required, as provided in Section 14A of the Exchange Act, it is not binding on the Board and may not be construed as overruling any decision by the Board. However, the Compensation Committee will take into account the outcome of the votes when considering future compensation arrangements. Our Board will include say on pay votes in the Company's proxy materials every three years until the next required stockholder vote on the frequency of such votes at our 2017 Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE NON-BINDING APPROVAL OF COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSALS BY STOCKHOLDERS

Proposals must concern a matter that may be properly considered and acted upon at the annual meeting in accordance with applicable laws, regulations, and our bylaws, committee charters, and policies, and must otherwise comply with Rule 14a-8 of the Exchange Act and we reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these requirements. All stockholder proposals should be sent via certified mail, return receipt requested, and addressed to Thomas E. Hill, Secretary, Heartland Express, Inc., 901 North Kansas Avenue, North Liberty, Iowa 52317.

OTHER MATTERS

The Board does not intend to present at the Annual Meeting any matters other than those described herein and does not presently know of any matters that will be presented by other parties. If any other matters do properly come before the meeting, it is intended that the persons named in the accompanying proxy will vote thereon in accordance with their judgment.
