**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On August 1, 2007, the Board of Directors of Crimson Exploration Inc. (the *Company*), on the recommendation of the Compensation Committee of the Company's Board of Directors, approved the payment of a cash bonus award of \$100,000, and the grant of 50,000 shares of the Company's common stock pursuant to a restricted stock award, to each of Allan D. Keel, President and Chief Executive Officer, E. Joseph Grady, Chief Financial Officer and Senior Vice President, and Jay S. Mengle, Senior Vice President - Engineering. The Board of Directors also approved the payment of a cash bonus award of \$50,000 and the grant of 50,000 shares of common stock pursuant to a restricted stock award to Tracy Price, Senior Vice President - Land/Business Development, and a grant of 50,000 shares of common stock pursuant to a restricted stock award to Thomas H. Atkins, Senior Vice President - Exploration. The restricted stock awards will vest over a period of four years, i.e. 33%, 23%, 22% and 22% over the following four years. Approval of the bonus payments and restricted stock grants was in recognition of the executive officers' performance in consummating the acquisition of a package of producing gas fields and undeveloped acreage in South Texas and South Louisiana from EXCO Resources, Inc. on May 8, 2007, and in recognition of the need to make appropriate adjustments to compensation to the Company's executive officers commensurate with that currently provided to similarly-situated executives in the Company's highly competitive industry, and to provide equity incentives to those officers to remain with the Company to maximize return to the Company's shareholders.

The form of restricted stock award to be used in connection with the awards described above is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
