### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Administrative Committee  
PS 401(k) Profit Sharing Plan  
Glendale, California

We have audited the accompanying statement of net assets available for benefits of PS 401(k) Profit Sharing Plan as of December 31, 2005, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2005, and the changes in its net assets available for benefits for the year then ended, in conformity with U.S. generally accepted accounting principles.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2005, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

PS 401(k) PROFIT SHARING PLAN  
 NOTES TO FINANCIAL STATEMENTS  
 December 31, 2005 and 2004

1. Summary of Significant Accounting Principles

Basis of Presentation

PS 401(k) Profit Sharing Plan (the "Plan") encompasses Public Storage, Inc., PS Business Parks, Inc. and their majority owned subsidiaries collectively, (the "Company"). The financial statements and supplemental schedule are prepared in accordance with the financial reporting requirements of the Employee Retirement Income Security Act ("ERISA").

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Income Tax Status

The Plan has received a determination letter from the Internal Revenue

## Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

Service dated March 13, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended and restated is qualified and the related trust is tax exempt. The Company has indicated it will take the necessary steps, if any, to maintain the Plan's qualified status.

### Investment Valuation

-----

Investments in cash equivalents (liquid funds, money market funds and time deposits) are valued at cost, which approximates fair value. Investments in mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. All other securities are valued at the last reported sale price on the last business day of the Plan year or at the quoted market price. Interest income is recognized when earned. Dividends are recorded on the ex-dividend date.

### 2. Description of the Plan

-----

The following description of the Plan provides only general information. Participants should refer to the Plan documentation for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan for the benefit of all permanent employees of the Company who have completed at least 30 days of service and are 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974. Although it has not expressed the intention to do so, the Company has the right to terminate the Plan subject to ERISA provisions. The Plan allows interim allocations of Company contributions and earnings or losses of trust fund assets among participants.

The Company appoints a committee to administer the Plan. At December 31, 2005, the Plan Administrative Committee is comprised of seven officers of the Company with Union Bank of California acting as Trustee (the "Trustee"). Other significant provisions of the Plan are as follows:

NOTES TO FINANCIAL STATEMENTS  
December 31, 2005 and 2004

### Contributions

-----

Employee contributions to the Plan (voluntary contributions) are deferrals of the employee's compensation made through a direct reduction of compensation in each payroll period. The maximum annual employee contribution amount is based upon Internal Revenue Code rules with respect to 401(k) plans, which are generally limited, subject to certain exceptions, to \$14,000 for 2005. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans.

## Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

The Company contributes one dollar (\$1.00) for each dollar deferred by a participant up to three percent (3%) of compensation, as defined. The Company also contributes an additional fifty cents (\$.50) for each dollar that each participant defers in excess of three percent (3%) of compensation but not more than five percent (5%) of compensation, subject to certain limitations as described in the Plan document. The matching contribution is 100% vested. Additional amounts may be contributed at the option of the Company.

### Vesting

-----

Since January 1, 2005 employee deferrals and the Company's matching contribution are 100% vested and non-forfeitable. Prior to January 1, 2005, the Company contributed a guaranteed 3% to all eligible Plan participants; these amounts vested over a seven year period.

With respect to Company contributions before January 1, 2005, each participant's account became 10 percent vested (non-forfeitable) after two years of service (as defined), 20 percent after three years of service and an additional 20 percent for each additional year of service thereafter.

Upon death, severance by reason of disability, or the attainment of the participant's sixty-fifth birthday, a participant automatically becomes fully vested to the extent of the balance in their account. In the event the Plan is terminated or contributions are completely discontinued, each participant becomes fully vested.

### Investment Options

-----

From January 1, 2004 through December 19, 2005, upon enrollment in the Plan, a participant had the option of directing their contributions in any of the following twenty-two investment options:

### Distributions from the Trust Fund

-----

Distributions of each participant's vested account balance upon severance or death are made in a single lump sum payment; however, if the participant's vested account balance exceeds \$5,000, payment may be deferred at the election of the participant until April 1st of the calendar year in which the participant reaches 70 1/2 years of age.

Additionally, the Plan provides for hardship distributions (as defined) at the discretion of the Plan Administrative Committee.

Generally, distributions are made no later than 60 days after the close of the Plan year in which the participant becomes eligible for such distributions. Under certain circumstances, participants enrolled in the Plan prior to and including December 31, 1983 may elect alternative distribution methods.

### Forfeited Accounts

-----

Forfeitures of profit sharing contributions will be used (i) as a non-elective allocation to all eligible Plan participants, (ii) to reduce the Company's safe harbor matching contribution or (iii) reduce Plan expenses. During 2005, a total of \$949,000 in non-vested amounts were forfeited and will be allocated to eligible Plan participants in 2006.

During 2005, \$1,265,000 was allocated to eligible Plan participants based upon the extent an individual participant's compensation bears to the total eligible compensation of all such eligible participants in the Plan year the amounts were forfeited. These amounts were comprised of forfeitures totaling \$606,000 and \$648,000 during 2003 and 2004, respectively and earnings during 2005 on those assets of approximately \$11,000.

### 3. Investments

-----

Union Bank has custody of the investments under a non-discretionary trust agreement with the Plan.
