Item 7.01. Regulation FD Disclosure

Gregory J. Heinlein, Senior Vice President and Chief Financial Officer of ION Geophysical Corporation (the “Company”), will meet with analysts and investors at the 17<sup>th</sup> Annual Barrington Research Industrial & Business Services Conference to be held in Chicago, Illinois, on May 16, 2013, commencing at 8:00 a.m. Central Time. A copy of the presentation slides will be available in the “Investor Relations” section of the Company’s website at [www.iongeo.com](http://www.iongeo.com) on the day of the presentation and will be archived there for approximately 90 days.

The information contained in Item 7.01 of this report (i) is not to be considered “filed” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and (ii) shall not be incorporated by reference into any previous or future filings made by or to be made by the Company with the Securities and Exchange Commission (the “SEC”) under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act.

The presentation referenced in this report and any oral or written statements made in connection with the presentation may contain certain forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. These forward-looking statements may include statements concerning estimated revenues, expected timing of future revenues and growth rates, estimated gross margins and operating expenses for fiscal 2013 and other years, future sales and market growth, outcome of litigation, timing of product introduction and commercialization, sales expected to result from backlog, future liquidity and cash levels, benefits expected to result from the INOVA Geophysical and GeoRXT joint ventures, and other statements that are not statements of historical fact. Actual results may vary materially from those described in the forward-looking statements. All forward-looking statements will reflect numerous assumptions and involve a number of risks and uncertainties. These risks and uncertainties include risks associated with pending and future litigation, including the WesternGeco lawsuit; audit adjustments and other modifications to the Company’s financial statements not currently foreseen; the timing and development of the Company’s products and services and market acceptance of the Company’s new and revised product offerings; economic downturns and volatile credit environments; international political and economic events and turmoil; the performance of INOVA Geophysical and GeoRXT; the Company’s level of indebtedness, including compliance with debt covenants; competitors’ product offerings and pricing pressures resulting therefrom; risks that sources of capital may not prove adequate; collection of receivables; and technological and marketplace changes affecting the Company’s product line. Additional risk factors, which could affect actual results, are disclosed by the Company from time to time in its filings with the Securities and Exchange Commission, including its Annual Reports on Form 10-K and its Quarterly Reports on Form 10-Q.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
