- (1) For the purposes of Sections 2.4 and 2.5, if on any day (whether before, on or after the Termination Date) the Outstanding Balance of any Pool Receivable is reduced as a result of a Dilution or the set-off by the Seller of a Dealer Receivable pursuant to the terms of the related Contract, the Servicer shall be deemed to have received on such day a Collection of such Pool Receivable in the amount of such reduction or set-off, as applicable.
- (2) The parties acknowledge that the deemed receipt of a Collection of all or part of a Pool Receivable pursuant to Section 2.6(1) shall not in any way impair or otherwise affect any contractual or other right of the Seller or the Purchaser as against the Obligor of such Pool Receivable or any other Person (other than the Seller or the Purchaser), and no such Obligor or other Person shall derive any benefit by virtue of such deemed receipt.
- (3) The Seller shall forthwith deliver to the Servicer an amount equal to all Collections of Pool Receivables deemed to have been received pursuant to Section 2.6(1), and the Seller and the Purchaser shall be entitled to, and shall allocate and distribute such deemed Collections of Pool Receivables in accordance with Sections 2.4 and 2.5, as applicable.

2.7 Appropriation of Payments. Except as provided in Section 2.6(1), or as otherwise required by applicable Law or the Credit and Collection Policy or as otherwise stipulated in the relevant Contract or pursuant to a designation by the Obligor to the effect that its payment shall be applied to the payment of specific Receivables, all Collections received from or in respect of an Obligor of any Receivables shall be applied to the Receivables of such Obligor in the order of the age of such Receivables starting with the oldest first.

2.8 Commingling.

(1) Prior to the occurrence of a Segregation Event or a Servicer Termination Event, the Seller, as Servicer, may commingle and apply Collections of Pool Receivables with its other funds. If a Segregation Event or a Servicer Termination Event occurs and is continuing, the Servicer shall deposit the Purchaser's Share of all Collections of Pool Receivables received into the Segregated Account within two Business Days of receipt by the Servicer; provided that prior to the Termination Date no such deposit need be made and Collections of Pool Receivables may be commingled and applied by or allocated to the Seller if the amount on deposit in the Segregation Account exceeds the amount expected by the Agent to be allocated to the Purchaser in respect of the current Settlement Period under Section 2.4.

(2) The Agent shall make the deposits required pursuant to Sections 2.4(3)(b) and 2.5(2)(b) by first transferring any amounts on deposit in the Segregated Account (including any investment income earned thereon) to the Purchaser's Account.

2.9 Fees. Without duplication of any amounts paid, deposited or remitted pursuant to Section 2.4 or 2.5, the Seller shall pay to the Purchaser certain fees in the amounts and on the dates set forth in the Fee Letter.

2.10 Payments and Computations, etc.

(1) Unless otherwise specified in writing by the recipient, all amounts to be paid, remitted, distributed or deposited by the Agent, the Seller, the Purchaser or the Servicer hereunder to or for the account of the Agent, the Purchaser, the Servicer or the Seller, as applicable, shall be made on the day when due by electronic funds transfer or such other means as the parties may mutually agree, in same day funds to the applicable account. The payor shall use its reasonable best efforts to initiate the transfer of funds necessary to make the payment so as to result in the deposit of such funds to the applicable account by no later than 2:00 p.m. (Toronto time).

(2) The Seller and the Servicer shall, to the extent permitted by Law, pay interest on any amount not paid or deposited from the date that such payment or deposit was required hereunder to the actual date of payment or deposit hereunder, at an interest rate per annum equal to the Prime Rate, payable on demand to the Purchaser.

(3) All computations of interest under Section 2.10(2) and all computations of the Prime Rate, fees, discount rates and other amounts hereunder shall be made on the basis of a year of 365 days for the actual number of days elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of such payment or deposit.

(4) For the purposes of this Agreement, whenever interest or a discount rate to be paid or calculated hereunder is to be calculated on the basis of a period other than a calendar year, the yearly rate of interest or discount rate to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days in the period in respect of which the calculation is being made.

2.11 Change in Circumstances. After the date of the Original Agreement, if either:

(a) the introduction of or any change (including any change by way of

Edgar Filing: TELUS CORP - Form 6-K

imposition or increase of reserve requirements) in or in the interpretation of any Law by any Governmental Authority charged with the administration thereof which is applicable to the Purchaser or any bank or other financial institution which provides or commits to provide liquidity support or credit enhancement to the Purchaser in connection with any Purchase; or

- (b) the compliance by the Purchaser with any changed or introduced guideline or request from any Governmental Authority (whether or not having the force of Law),

has the effect of:

- (i) increasing the cost to the Purchaser of making, funding or maintaining any Purchase hereunder or agreeing to make Purchases hereunder, or reducing the rate of return to the Purchaser in connection therewith or as a result of reserves (including reserves against capital) to be made therefor;
- (ii) reducing the amount receivable by the Purchaser with respect to the Purchaser's Ownership Interest; or
- (iii) requiring the Purchaser to make a payment calculated by reference to the Purchaser's Ownership Interest,

the Purchaser shall, upon becoming aware of any event or circumstance entitling it to payment under this Section 2.11, provide notice to the Seller setting forth in reasonable detail its computation of such increased costs incurred, reduction in rate of return, amount not received or receivable or required payment made, as applicable, and the Seller shall within 30 days of receipt of such notice pay the Purchaser that portion of such increased costs incurred, reduction in rate of return, amount not received or receivable, or required payment made which is attributable to the Purchaser's Ownership Interest. In determining amounts set out in such notice, the Purchaser may use any reasonable averaging and attribution methods, the calculation and explanation of which shall be provided to the Seller, provided that the Purchaser shall use such methods in good faith and such methods shall be in accordance with those generally used by the Purchaser for this purpose in similar transactions. The Purchaser shall use reasonable commercial efforts to notify the Seller of any event or circumstance that is likely to, within the passage of time or otherwise, entitle the Purchaser to demand payment from the Seller pursuant to this Section 2.11.

2.12 Further Action Evidencing Ownership of Purchaser's Ownership Interest. Each of the Seller and the Purchaser shall from time to time at the Seller's expense, promptly execute and deliver all instruments and documents and take all action that may be reasonably necessary or advisable, or that may be reasonably requested, in order to perfect, protect, preserve, vest or more fully evidence (whether pursuant to any PPSA or otherwise) the Purchaser's ownership of the Purchaser's Ownership Interest, and to enable the Purchaser to exercise or enforce any of its rights hereunder or thereunder against third parties or for any other reasonable purpose. Notwithstanding the foregoing, prior to a Servicer Termination Event having occurred, the Purchaser shall not register any financing statement or similar registration against any Obligor in respect of a Receivable or require the Seller to give notice to any Obligor of the Purchaser's interest in any Receivable.

2.13 Quebec Receivables. In addition to Sections 2.2(1) and 2.2(2), but subject to the last sentence of this Section 2.13, the Seller shall, on the date of the Initial Purchase, sell, transfer, assign and convey to the Purchaser an undivided ownership interest in (a) the universality of all present and future Quebec Receivables (including each Quebec Receivable as to which the Seller

Edgar Filing: TELUS CORP - Form 6-K

hereafter otherwise acquires any interest or becomes entitled), and (b) all Related Rights with respect to such Quebec Receivables, such undivided ownership interest in such property on any day to be calculated in accordance with Sections 2.2(5) and 2.2(6); provided that the sale, transfer, assignment and conveyance of each particular future Quebec Receivable and Related Security shall only become effective (retroactively to the date of the Quebec Assignment) to the extent there shall not have occurred the Termination Date. Forthwith after the Termination Date, the Purchaser shall amend, or cause to be amended, any registrations in respect of the Quebec Assignment so that it will no longer apply to Quebec Receivables arising after the Termination Date. For greater certainty, to the extent there is any inconsistency between this Section 2.13 and any other provision of this Agreement, this Section 2.13 shall govern.

2.14 Removal of Defaulted Receivables.

(1) The Purchaser shall have no interest in Collections with respect to a Receivable after such Receivable becomes a Removed Receivable. If a Receivable becomes a Defaulted Receivable during a Settlement Period then it shall become a "Removed Receivable" on the earliest of (a) the related Settlement Date if the Removal Condition is satisfied on such date, or (b) any subsequent Settlement Date on which the Removal Condition is satisfied; provided, however, that in either case no Receivable shall become a Removed Receivable at any time on or after the Termination Date. On the day that a Receivable becomes a Removed Receivable, the Purchaser shall transfer, assign and convey to the Seller for no additional consideration all of the Purchaser's right, title and interest in and to such Removed Receivable and the Related Rights in respect thereof, free and clear of all Liens but otherwise without recourse and without any representation, warranty or condition and all such Removed Receivables and Related Rights are hereby so transferred, assigned and conveyed without the need for any further action, formality or other instrument of assignment.

(2) The condition for becoming a Removed Receivable as contemplated in Section 2.14(1) (the "Removal Condition") shall be satisfied in respect of a Settlement Date if, on the last day of the related Settlement Period:

- (a) the Minimum Eligible Pool Balance was less than or equal to the Eligible Receivables Pool Balance plus the Cash Balance on such day; and
- (b) the Adjusted Cash Paid minus the Cash Balance was less than or equal to the Reduced Adjusted Cash Paid Target on such day.

section 4 - REPRESENTATIONS AND WARRANTIES

4.1 Representations and Warranties by Seller. The Seller represents and warrants to the Purchaser on the date of the Original Agreement and on each day on which there is a Purchase:

(1) The Seller is a corporation duly incorporated and validly existing under the Laws of its governing jurisdiction, and is duly qualified and licensed to carry on its business in all jurisdictions in which the nature of any business conducted by it or the character of any property and assets owned or leased by it requires such qualification, except to the extent that failure to have any such qualification or license would not have Material Adverse Effect.

(2) The execution, delivery and performance by the Seller of this Agreement and the Related Documents to which it is a party (a) are within the Seller's corporate powers, (b) have been duly authorized by all necessary corporate action, and (c) do not contravene any of the following: (i) the Seller's constating documents or by-laws; (ii) in any material respect, any Law applicable to the Seller including any regulation, order, tariff or ruling of

No transaction contemplated by this Agreement requires compliance with any bulk sales act or similar Law. This Agreement and each Related Document to which the Seller is a party has been duly executed and delivered by the Seller.

(3) No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required for the due execution, delivery and performance by the Seller of this Agreement or any Related Document to which the Seller is a party other than those which have been obtained or completed except where such lack of authorization, approval, action, notice or filing could not materially adversely affect (i) the value or collectibility of the Receivables Pool, or (ii) the Purchaser's interests hereunder. For greater certainty, any authorization, approval, action, notice or filing required from or with the CRTC or the Canada Revenue Agency is deemed to be material.

(4) This Agreement and each Related Document to which the Seller is a party constitutes the legal, valid and binding obligation of the Seller enforceable against the Seller in accordance with its terms subject to (a) applicable bankruptcy, reorganization, winding-up, insolvency, moratorium and other Laws of general application limiting the enforcement of creditors rights, (b) the fact that the granting of equitable remedies such as specific performance and injunction is within the discretion of a court of competent jurisdiction, and (c) general principles of equity.

(5) There is no pending or, to the Seller's knowledge, threatened, action or proceeding affecting the Seller or any of the Seller's assets before any Governmental Authority which, if determined adversely, would have a Material Adverse Effect.

(6) Immediately prior to each Purchase, the Seller is the legal and beneficial owner of the Pool Receivables and Related Rights free and clear of any Adverse Claim. Upon such Purchase, the Seller shall sell, transfer, assign and convey to the Purchaser a valid and perfected undivided ownership interest to the extent of the Purchaser's Ownership Interest in each Pool Receivable and Related Rights.

(7) No effective financing statement or other instrument similar in effect perfecting an Adverse Claim in any Pool Receivable or Related Rights is on file in any recording office registered or filed under the PPSA of any province or territory of Canada against the Seller, except in respect of which a waiver, release or acknowledgement in writing and in form and substance acceptable to the Purchaser has been obtained.

(8) Each Servicer Report (if prepared by the Seller or one of its Affiliates, or to the extent that information contained therein is supplied by the Seller or any such Affiliate) and all other information, historical performance data, exhibits, financial statements, documents, materials relating to collection practices and procedures, books, records or reports furnished at any time by or on behalf of the Seller to the Agent or the Purchaser in connection with this Agreement are accurate in all material respects as of their respective dates or as of the date so furnished and do not or shall not omit to state a material fact or any fact necessary to make the statements contained therein not materially misleading.

(10) Neither of the Seller nor any Originator is in default and, upon completion of each Purchase hereunder, shall not be in default, under any agreement or other document or instruments to which it is a party or by which it or any of its properties or assets is bound or affected where such default would have a Material Adverse Effect, and, for greater certainty, this includes any indenture or instrument evidencing or under which the Seller or an Originator has at any time outstanding indebtedness for borrowed money in excess of 5.0% of the aggregate principal amount of all outstanding indebtedness for borrowed money of the Seller on a consolidated basis.

(11) The Seller is not a non-resident of Canada within the meaning of the Income Tax Act (Canada).

(12) No Insolvency Event has occurred with respect to the Seller. The Seller has entered into this Agreement and the Related Documents to which it is a party for the purpose of selling, transferring, assigning and conveying all of its right, title and interest in, to and under the Purchaser's Ownership Interest to the Purchaser and receiving from the Purchaser the consideration therefor specified in this Agreement, and not for the purpose of defeating, hindering, delaying, defrauding or oppressing the rights and claims of creditors or others against the Seller or for any other purpose relating in any way to the claims of creditors or others against the Seller.

(13) Since the date of the last audited financial statements of the Seller delivered pursuant to Section 5.1(10)(a), there has been no change in the consolidated financial position or the consolidated results of the operations of the Seller that would have a Material Adverse Effect.

(14) All Records reasonably necessary to originate, identify, administer and collect the Pool Receivables and Related Security in accordance with the terms hereof and the Credit and Collection Policy are owned by the Seller or if not owned by the Seller, the Seller has all necessary rights of access to such Records to so originate, identify, administer and collect the Pool Receivables and Related Security as contemplated herein.

(15) Each of the Pool Receivables and the Receivables Pool is identifiable.

(16) No Event of Termination (other than as set out in Section 6.1(9)) has occurred and is continuing.

This Agreement and each Related Document to which the Purchaser is a party has been duly executed and delivered by or on behalf of the Purchaser.

Edgar Filing: TELUS CORP - Form 6-K

(3) No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required for the due execution, delivery and performance by the Purchaser of this Agreement or any Related Document to which the Purchaser is a party other than those which have been obtained or completed.

(4) This Agreement and each Related Document to which the Purchaser is a party constitutes the legal, valid and binding obligation of the Purchaser enforceable against the Purchaser in accordance with its terms subject to (a) applicable bankruptcy, reorganization, winding-up, insolvency, moratorium and other laws of general application limiting the enforcement of creditors rights, (b) the fact that the granting of equitable remedies such as specific performance and injunction is within the discretion of a court of competent jurisdiction, and (c) general principles of equity.

(5) There is no pending or, to the Purchaser's or the Agent's knowledge, threatened, action or proceeding affecting the Purchaser or any of the Purchaser's assets before any Governmental Authority which, if determined adversely, would have a material adverse effect on the Seller's rights or interests hereunder or under any Related Document.

(6) Each of the Issuer Trustee and the Purchaser is not a non-resident of Canada within the meaning of the Income Tax Act (Canada).

(7) The Agent has been duly and validly appointed under the Administration Agreement as the agent for and on behalf of the Purchaser and in accordance therewith the Agent has full power and authority for and on behalf of the Purchaser to (a) negotiate this Agreement and each Related Document to be delivered by the Purchaser hereunder, (b) execute and deliver this Agreement and each Related Document to be delivered by the Purchaser hereunder, and (c) perform all of the duties and obligations of the Purchaser under this Agreement and each Related Document to be delivered by the Purchaser hereunder.

section 5 - COVENANTS

5.1 Covenants of Seller. From the date of the Original Agreement until the later of the Termination Date and the Final Collection Date and unless the Purchaser otherwise consents in writing, the Seller covenants as follows:

(1) The Seller shall comply with applicable Laws and, other than as a result of the Restructuring or a transaction permitted by Section 5.1(5), preserve and maintain its corporate existence, rights, franchises, licenses, qualifications and privileges, except to the extent that the failure so to comply with applicable Law or the failure to so preserve and maintain such existence, rights, franchises, licenses, qualifications and privileges would not have a Material Adverse Effect.

(2) The Seller shall make all payments (including all payments on account of Taxes) when due to any Governmental Authority where a statutory lien or deemed trust might arise ranking pari passu with or having priority over the Purchaser's Ownership Interest unless such payment is being actively and diligently contested by the Seller in good faith provided such non-payment does not affect the collectibility of the Pool Receivables or the Related Rights.

(3) The Seller shall maintain its chief executive office in a Province of Canada where all actions necessary to perfect the Purchaser's Ownership Interest in the Receivables Pool has been taken and completed and the offices where it keeps Records concerning the Pool Receivables and Related Security at the address or addresses set forth in Schedule C or, in each case upon 10 Business Days' prior notice to the Purchaser, at any other location or locations in Canada or the United States of America (in the case of Records only) where all actions necessary to perfect the Purchaser's Ownership Interest

Edgar Filing: TELUS CORP - Form 6-K

have been taken and completed. The Seller shall maintain and implement administrative and operating procedures and keep and maintain, or cause to be kept and maintained, all Records reasonably necessary or advisable for the origination, identification, administration and collection of the Pool Receivables and Related Rights and the calculations or determinations with respect thereto as required by this Agreement.

(4) The Seller shall, at its expense, perform, or cause to be performed, in a timely manner and comply, or cause compliance, with all provisions and covenants required to be observed by it or any Originator under the Contracts and comply, or cause compliance, in a timely manner in all material respects with the Credit and Collection Policy, if, in either case, to do otherwise would materially adversely affect the value or collectibility of the Pool Receivables or the enforceability of the Related Rights.

(5) Neither the Seller or an Originator shall amalgamate or enter into any transaction whereby all or substantially all of its undertaking, property and assets would become the property of any other corporation (a "Successor Corporation") whether by reconstruction, reorganization, recapitalization, wind-up, consolidation, merger, transfer, sale or otherwise (any such transaction being a "Merger"), unless:

- (a) prior to or contemporaneously with the consummation of such Merger, the Seller and the Successor Corporation (or its predecessor) shall have executed such instruments and done such things as, in the opinion of counsel to the Purchaser, acting reasonably, are necessary or advisable to establish that, upon the consummation of such Merger (A) the Successor Corporation will have assumed (as principal or as guarantor for its Affiliates) all of the covenants, duties and other obligations of the Seller (including, for greater certainty, those of the Servicer if no successor Servicer has been appointed by the Purchaser) under this Agreement and each Related Document to which the Seller is a party, and (B) this Agreement and each such Related Document will be a valid and binding obligation of the Successor Corporation (as principal or as guarantor for its Affiliates) entitling the Purchaser, as against the Successor Corporation, to exercise all of its right under this Agreement and each such Related Document; and
- (b) (i) if the long term unsecured indebtedness of the Successor Corporation is (or will immediately after such Merger be) rated by the Rating Agency, such rating is at least BBB; or
- (ii) if the long term unsecured indebtedness of the Successor Corporation is not to be rated by the Rating Agency, such Merger shall be on such terms and shall be carried out in such manner such that it would not have a Material Adverse Effect;
- (c) the Purchaser shall have received confirmation from the Rating Agency to the effect that such Merger will not result in a withdrawal or downgrade of the rating of the Notes below their then current rating or the imposition by the Rating Agency of a credit watch with negative implications in respect of the Notes; and
- (d) the Purchaser shall have received a favourable opinion of counsel to the Successor Corporation as to such matters as the Purchaser may reasonably request;

provided, however, that this Section 5.1(5) shall not apply in respect of the Restructuring or in respect of any Merger where all of the following conditions are satisfied:

- (a) the Seller is the Successor Corporation and the name of the

Edgar Filing: TELUS CORP - Form 6-K

Successor Corporation is the same as the Seller's name immediately prior to the Merger;

- (b) all Persons which are parties to the Merger other than the Seller are Affiliates of the Seller;
- (c) the long term unsecured debt of the Successor Corporation will be rated at least BBB (low) by the Rating Agency immediately following the Merger; and
- (d) the Merger will not materially adversely affect the value or collectibility of the Receivables Pool.

(6) Except as provided in this Agreement (including pursuant to Section 5.1(5)), the Seller shall not sell, assign (by operation of Law or otherwise) or otherwise dispose of, or create or suffer to exist any Adverse Claim (other than the Seller's Retained Interest) upon or with respect to any Pool Receivable or Related Rights or, on or following a Termination Date designated by the Purchaser pursuant to clause (b) or (f) of such definition, any account to which any Collections of Pool Receivables are sent, or assign any right to receive income in respect of any thereof which would affect the collectibility of the Eligible Receivables.

(7) The Seller shall not make any change to the Credit and Collection Policy (other than upon the order of a Governmental Authority) which would have a Material Adverse Effect. Except as provided in Section 8.2(3), the Seller shall not extend the maturity or adjust the Outstanding Balance or otherwise modify the terms of any Pool Receivable, or amend, modify or waive any term or condition of any related Contract, unless made upon the order of a Governmental Authority.

(8) The Seller shall, from time to time during regular business hours (but not more than once annually prior to the Termination Date), upon reasonable prior notice from the Agent, permit the Purchaser and the Agent, and their respective agents and representatives to (a) examine and make copies of and abstracts from all Records in the possession or under the control of the Seller relating to the Pool Receivables and Related Rights, and (b) visit the offices and properties of the Seller for the purpose of examining such materials described in clause (a) above, reviewing the data processing and other systems of the Seller with respect to the Pool Receivables and Related Rights, and to discuss matters relating to the Pool Receivables, Related Rights or the Seller's performance hereunder or under any Related Document with any of the officers or employees of the Seller having knowledge of such matters which have been reasonably designated by the Seller. Notwithstanding anything in this Agreement to the contrary, the parties agree that the Seller shall only be required to make available or otherwise disclose Records and other materials and information hereunder to the extent such access or disclosure does not contravene (a) any applicable Law, including any order, regulation or directive of the CRTC, or (b) the terms of any related Contract.

(9) The Seller shall direct and require its auditors, both external and internal, at its own expense, to assist the Agent and the Purchaser's auditors to the extent and in the manner as is reasonably required for the Purchaser's auditors to report on the status of the Purchaser's Ownership Interest.

(10) The Seller shall provide to the Purchaser (to the extent not publicly available in the case of clauses (a) and (b) below) the following:

- (a) at the request of the Purchaser, as soon as publicly available and not more than 140 days after the end of each fiscal year of the Seller, the audited annual consolidated financial statements and the notes

Edgar Filing: TELUS CORP - Form 6-K

thereto of the Seller, all prepared in accordance with GAAP, together with a report of the auditors thereon;

- (b) at the request of the Purchaser, as soon as publicly available and not more than 60 days after the end of each of the first three fiscal quarters of the Seller, the unaudited quarterly consolidated financial statements of the Seller as at the end of each such fiscal quarter, all prepared in accordance with GAAP;
- (c) as soon as possible and in any event within five Business Days after the occurrence of any Event of Termination or event which, with the giving of notice or lapse of time, or both, would constitute an Event of Termination, a statement of a senior officer of the Seller setting forth details of such Event of Termination or event and the action that the Seller has taken and proposes to take with respect thereto;
- (d) at least seven Business Days prior to any change in the Seller's name, a notice setting forth the new name and the effective date thereof; and
- (e) by no later than August 31 in each year, sample pages from the Accounts Receivable Register for each Billing System demonstrating that the procedures described in Schedule D (or in a replacement document provided to the Purchaser describing the relevant procedures which shall be delivered to the Purchaser within 30 days following a change in such procedures) would, if followed, produce a copy of the Accounts Receivable Register for such Billing Systems which could be used to identify the Pool Receivables in the Receivables Pool billed through such Billing Systems.

(11) The Seller shall not prepare or publish any financial statement reflecting the transactions contemplated herein as anything other than as a sale to the Purchaser of the Purchaser's Ownership Interest, except as may be required by GAAP.

(12) The Seller shall instruct all Obligors to remit all Collections of Pool Receivables and Related Rights to the Servicer or to the relevant Originator (provided that so long as the Seller, its designee or an Affiliate of the Seller remains the Servicer, no special instructions need be given by the Seller to any Obligor which is otherwise instructed to remit Collections of Pool Receivables and Related Rights to the Seller or to the relevant Originator) and remit all Collections of Pool Receivables and Related Rights received by the Seller or any Originator to the Servicer as required herein.

(13) The Seller shall not amend, waive or modify any provision of any Originator Purchase Agreement without the consent of the Purchaser. The Seller shall perform all of its obligations under the Originator Purchase Agreements and will enforce the Originator Purchase Agreements in accordance with their terms unless the failure to do so is consented to by the Purchaser.

(14) The Seller shall apply all Collections of Pool Receivables and Related Rights to the applicable Pool Receivables pursuant to the terms of the Credit and Collection Policy and reflect such Collections in the Accounts Receivable Register, in each case as promptly as practicable following receipt thereof by the Servicer and post all new Pool Receivables to the Accounts Receivable Register as promptly as practicable after such Pool Receivable is generated.

(15) The Seller shall execute all renewal and other registrations presented to it by the Purchaser which are necessary to maintain the Purchaser's Ownership Interest hereunder as against third parties.

Edgar Filing: TELUS CORP - Form 6-K

(16) The Seller shall establish and maintain current and accurate records with respect to the location and mailing address of each Obligor in accordance with its current practice.

(17) Subject, for greater certainty, to the last sentence of Section 5.1(8), the Seller shall deliver at its own expense, by no later than the first Reporting Date following the occurrence of an Event of Termination, to the Purchaser and the Servicer (if the Servicer is not the Seller or an Originator), a complete and accurate listing of all of the Receivables in the Receivables Pool, including the Outstanding Balance of each Receivable owed by each Obligor and the amount of any security deposits received from each Obligor as at their respective billing period dates, including the Seller or Originator's account number or other account indicator.

5.2 Covenants of Purchaser. From the date of the Original Agreement until the later of the Termination Date and the Final Collection Date and unless the Seller otherwise consents in writing, the Purchaser covenants as follows:

(1) Prior to 1:00 p.m. Toronto, Ontario time on the last day of each Settlement Period, the Agent shall notify the Seller in writing of the estimated Purchase Discount Rate for the next following Settlement Period. Such Purchase Discount Rate shall be equal to the Purchaser's estimate of the Purchase Discount Rate for the next following Settlement Period as adjusted to take into account the difference, if any, between the Purchase Discount Rate quoted by the Agent pursuant to this Section 5.2(1) on the last day of the preceding Settlement Period (or, in the case of the initial Settlement Period, on the date of the Initial Purchase) and the Purchaser's actual weighted average cost of capital to affect or maintain, through the issuance of Notes or incurrence of indebtedness under the Liquidity Agreement, the Purchases during such preceding Settlement Period. On the last day of each Settlement Period, the Agent shall also provide to the Seller a Purchase Discount Rate Report in respect of such Settlement Period.

(2) The Purchaser shall fund the Purchaser's Ownership Interest through the issuance of Notes unless, in its reasonable judgment, funding by way of Notes is not reasonably possible as a result of a general market disruption in the Canadian commercial paper market or would result in the Purchaser's funding costs exceeding those then available to it under the Liquidity Agreement. So long as the Purchaser continues to fund the Purchaser's Ownership Interest through the issuance of Notes, not less than 98.0% of the Adjusted Cash Paid shall at any time be funded through the issuance of Senior Short Term Notes.

(3) The Purchaser shall provide the Seller with not less than 90 days' prior written notice of any termination or expiration of the Liquidity Agreement. The Purchaser shall promptly provide the Seller with a copy of any amendment or other modification to or of the Liquidity Agreement.

(4) To the extent that at any time monies are on deposit in the Segregation Account, the Purchaser shall cause such monies to be invested in Permitted Investments.

(5) Within 3 Business Days following the delivery by the Servicer of a Servicer Report in respect of any of December, March, June or September of each year during the term of this Agreement, and upon the request of the Seller, the Purchaser shall provide to the Seller a report of the fair value of the Purchaser's Ownership Interest and of the total fair value of the Purchaser's assets as of the just ended fiscal quarter-end or such other date as specified by the Seller in the form previously agreed to between the Seller and the Purchaser. Furthermore, if the Purchaser has knowledge of any facts or circumstances regarding expected changes in the size of the total fair value of the Purchaser's assets which may cause the fair value of the Purchaser's Ownership Interest to be greater than 40% of the total fair value of the

Edgar Filing: TELUS CORP - Form 6-K

Purchaser's assets, then the Purchaser agrees to promptly provide the Seller with notice of such expected changes.

section 6 - EVENTS OF TERMINATION

6.1 Events of Termination. Each of the following, unless waived in writing by the Purchaser, shall be an "Event of Termination":

(1) The Seller shall fail to make when due any payment or deposit to be made by it under this Agreement or any Related Document and such failure shall remain unremedied for two Business Days after written notice thereof shall have been given to the Seller by the Purchaser.

(2) The Seller shall fail to perform or observe any other term, covenant or agreement contained in this Agreement or in any Related Document on its part to be performed or observed, and such failure shall remain unremedied for 10 Business Days after written notice thereof shall have been given to the Seller by the Purchaser.

(3) Any representation or warranty made or deemed made by the Seller (as Seller or as Servicer) or by any of its officers under or in connection with this Agreement or any Related Document shall prove to have been incorrect or untrue in any respect which materially adversely affects (i) the value or collectibility of the Receivables Pool, or (ii) the Purchaser's interests hereunder, when made or deemed made and such breach (if capable of being remedied) shall not have been remedied by the Seller within 10 Business Days after notice thereof shall have been given to the Seller by the Purchaser.

(4) An Insolvency Event shall have occurred in respect of the Seller.

(5) A Servicer Termination Event shall have occurred.

(6) Any Servicer Report shall disclose that the Pool Delinquency Ratio exceeded (intentionally deleted).

(7) Any Servicer Report shall disclose that the Pool Default Ratio exceeded (intentionally deleted).

(8) Any Purchase shall for any reason (other than pursuant to the terms hereof) cease to create, or the Purchaser's Ownership Interest shall for any reason cease to be, a valid and perfected undivided ownership interest to the extent of the Purchaser's Ownership Interest in the Pool Receivables and Related Rights free and clear of any Adverse Claim.

(9) A Wind-Up Event or an Event of Default shall have occurred and be continuing under the Liquidity Agreement (as such terms are defined therein).

(10) A change in GAAP after the date of the Original Agreement requires the Seller to reflect the transactions contemplated herein as anything other than as a sale to the Purchaser of the Purchaser's Ownership Interest, unless the Seller delivers an opinion of counsel for the Seller and for each relevant Originator to the effect that the Purchaser's Ownership Interest will not be available to satisfy the claims of the creditors of the Seller or any relevant Originator, such opinions to be substantially in the form of the bankruptcy discussion in the relevant opinion delivered by counsel for the Seller and each relevant Originator pursuant to Section 3.1(15) and 3.3(6), as applicable.

6.2 Remedies. If any Event of Termination set forth in Section 6.1 shall occur and be continuing, the Purchaser may, by notice to the Seller, exercise any one or more of the following rights:

(1) declare the Termination Date to have occurred; provided that the

Edgar Filing: TELUS CORP - Form 6-K

Termination Date shall occur automatically upon the occurrence of any event described in Section 6.1(4) (without any requirement for the passage of time or the giving of notice); or

(2) direct the Servicer to segregate the Purchaser's Share of Collections of Pool Receivables and deposit them to the Segregated Account in accordance with Section 2.8; provided that the Servicer shall be deemed to have been automatically directed to so segregate upon the occurrence of any event described in Section 6.1(4) (without any requirement for the passage of time or the giving of notice).

The foregoing shall not limit any of the other rights or remedies the Purchaser or the Agent may have under this Agreement or under applicable Law. The Purchaser shall promptly notify the Rating Agency of the occurrence of any Event of Termination set forth in Section 6.1.

section 7 - INDEMNIFICATION

7.1 Indemnities by Seller. Without limiting any other rights that the Purchaser may have hereunder or under applicable Law and without duplication of any amount otherwise paid by the Seller hereunder, the Seller hereby agrees to indemnify the Purchaser from and against any and all damages, claims, losses, liabilities, costs and expenses (including reasonable legal fees and disbursements on a solicitor and client basis) (all of the foregoing being collectively referred to as "Indemnified Amounts") arising out of or resulting from any of the following:

- (1) any representation or warranty or statement made or deemed made by the Seller (or any of its officers) under or in connection with this Agreement or any Related Document which was incorrect or incomplete in any material respect when made or deemed to be made;
- (2) the failure by the Seller to comply with any applicable Law with respect to any Pool Receivable or a related Contract or the failure of any Pool Receivable or related Contract to conform to any such applicable Law;
- (3) the failure of the Seller to perform its duties or obligations (as Seller or as Servicer) in accordance with the provisions hereof or any Related Document or to perform its duties or obligations related to any Pool Receivable under a related Contract;
- (4) any products liability, personal injury or property damage claim or similar or related claim of whatsoever nature arising out of or in connection with the goods or services which are the subject of any Contract;
- (5) the commingling by the Seller or any of its Affiliates of Collections of Pool Receivables at any time with other funds;
- (6) any dispute, claim, offset or defence (other than a discharge in bankruptcy of an Obligor or a stay in bankruptcy or insolvency proceedings) of an Obligor to the payment of any related Pool Receivable;
- (7) any remittance from Collections of Pool Receivables which is required by the Minister of National Revenue pursuant to the Excise Tax Act (Canada);
- (8) any order of any Governmental Authority (including the CRTC) after the date of the Original Agreement that adversely affects the value or collectibility of the Pool Receivables;
- (9) the imposition of any statutory trust or statutory lien on the Pool Receivables or the Related Rights in respect of Taxes;

Edgar Filing: TELUS CORP - Form 6-K

(10) any legal proceeding alleging that the Purchaser is inducing a breach of contract in respect of a securitization or similar transaction entered into by the Seller prior to the date of the Original Agreement; or

(11) any Tax which is imposed on the Purchaser on account of any payment made by the Seller to the Purchaser under this Section 7.1.

7.2 Limit on Indemnity. Notwithstanding the provisions of Section 7.1, the Seller shall have no obligation to indemnify the Purchaser for any Indemnified Amounts arising from or relating to (a) the gross negligence or wilful misconduct of the part of the Purchaser or the Agent, (b) recourse (except as otherwise specifically provided in this Agreement) for uncollectible Receivables, (c) except as otherwise provided for in Section 2.11, any income taxes, regardless of which jurisdiction imposes same, (d) any capital tax imposed on the date of the Original Agreement, or (e) except as otherwise provided for in Section 2.11, any other Tax imposed on the Purchaser by any jurisdiction other than Canada or any political subdivision thereof.

7.3 Co-operation in Litigation. The Seller agrees to provide assistance at the request of the Purchaser and at the Seller's expense in any action, suit or proceeding brought by or against, or any investigation involving the Purchaser or the Agent relating to any of the transactions contemplated in this Agreement or to any of the Pool Receivables or Related Rights. If the Seller has acknowledged its liability under Section 7.1(1) in respect of the related Indemnified Amounts and no Insolvency Event in respect of the Seller shall have occurred, the Seller shall have the right, on behalf of the Purchaser and the Agent, but at the Seller's expense, to defend such action, suit or proceeding, or participate in such investigation, with counsel selected by it, and will have the sole discretion as to whether to litigate, appeal or settle.

section 8 - SERVICER

8.1 Designation of Servicer. The servicing, administration and collection of the Pool Receivables shall be conducted on behalf of the Seller and the Purchaser by the Servicer so designated hereunder from time to time. Until the Purchaser gives notice to the Seller of the designation of a new Servicer pursuant to the following sentence, the Seller is hereby designated as, and hereby agrees to perform, the duties and obligations of the Servicer pursuant to the terms hereof. Upon the occurrence of a Servicer Termination Event, the Purchaser may designate as Servicer, any Person (including the Agent) to succeed the Seller or any successor Servicer, if such Person shall consent and agree to the terms hereof. The Servicer may subcontract (a) with any Originator (if the Servicer is the Seller), or (b) with any other Person with the prior written consent of the Purchaser (such consent not to be unreasonably withheld), for the servicing, administration or collection of all or part of the Pool Receivables. Any such subcontract shall not affect the Servicer's liability for performance of its duties and obligations pursuant to the terms hereof.

8.2 Duties of Servicer.

(1) The Servicer shall take or cause to be taken all such actions as may be necessary or advisable to collect the Pool Receivables from time to time, all in accordance with applicable Law, the related Contracts and the Credit and Collection Policy and with reasonable care and diligence. The Seller and the Purchaser hereby appoint the Servicer, from time to time designated pursuant to Section 8.1, as agent for themselves to enforce their respective rights and interests in the Pool Receivables and Related Rights. In performing its duties as Servicer, the Servicer shall exercise the same care and apply the same policies as it would exercise and apply if it owned such Receivables and shall act in the best interests of the Seller and the Purchaser.

Edgar Filing: TELUS CORP - Form 6-K

(2) The Servicer shall administer the Collections of Pool Receivables in accordance with the procedures described in Sections 2.3, 2.4 and 2.5 and shall perform the other obligations of the "Servicer" set forth in this Agreement.

(3) If no Servicer Termination Event shall have occurred and be continuing, the Seller, while it is the Servicer, may, in accordance with the Credit and Collection Policy or at the request of an Obligor, extend the maturity or adjust the Outstanding Balance or otherwise modify the payment terms of any Pool Receivable, or amend, modify or waive any term of condition of the related Contract as it deems appropriate to maximize Collections thereof or for other valid business purposes that do not adversely effect the collection in full of any Pool Receivable.

(4) The Servicer shall, from time to time promptly at the request of the Purchaser, furnish to the Purchaser and the Seller, if the Seller is not the Servicer, a calculation of the amounts allocated to the Purchaser and the Seller pursuant to Sections 2.4 and 2.5.

(5) The Servicer and the Purchaser shall, as soon as practical following receipt, turn over to the Seller without deduction any cash collections or other cash proceeds received with respect to Receivables not constituting Pool Receivables.

(6) On or before each Reporting Date, the Servicer shall prepare and deliver to the Purchaser a Servicer Report for the preceding Settlement Period, which Servicer Report shall be signed by an appropriate representative of the Servicer (which, in the case of the Seller as Servicer, shall be an accounting or financial employee of the Seller having the title of Director or higher).

(7) The Servicer shall issue or cause to be issued invoices in respect of Pool Receivables arising from usage related charges which have been incurred by the related Obligor but for which an invoice has not yet been issued, all in accordance with the Credit and Collection Policy and, in any event, within the time limits set out in the Terms of Service to the extent applicable.

(8) The Servicer's authorization and appointment under this Agreement shall terminate on the Final Collection Date after application of all amounts pursuant to Section 2.5.

8.3 Certain Rights of Purchaser. At any time following the designation by the Purchaser of a Servicer other than the Seller pursuant to Section 8.1:

(1) The Purchaser may cause any successor Servicer to direct the Obligors in respect of all Pool Receivables that all payments thereunder be made directly to the Purchaser or its designee.

(2) At the Seller's expense and at the request of the Purchaser, the Seller shall notify each Obligor of Pool Receivables of the ownership by the Purchaser of the Purchaser's Ownership Interest and direct that payments on account of the Purchaser's Share of Collections of Pool Receivables be made directly to the successor Servicer.

(3) At the Purchaser's request and at the Seller's expense, the Seller and the successor Servicer shall assemble all Records that evidence or relate to the Pool Receivables including extracts from the Accounts Receivable Register and shall make copies thereof available to the successor Servicer at one or more places designated by the Purchaser or its designee. The Seller shall segregate all cash, cheques and other instruments received by it from time to time constituting Collections of Pool Receivables and, promptly upon receipt (and in any event on or before the second following Business Day), remit all such cash, cheques and instruments, duly endorsed or with duly executed instruments of transfer, to the Purchaser or its designee to be allocated and applied in

Edgar Filing: TELUS CORP - Form 6-K

accordance with the terms hereof.

(4) The Seller authorizes any duly appointed successor Servicer to take any and all steps in the Seller's name and on behalf of the Seller that are necessary or desirable, in the reasonable determination of the Purchaser, for the successor Servicer to process information in the Accounts Receivable Register and to collect amounts due under the Pool Receivables, in each case as agent for and on behalf of the Seller and the Purchaser and for their mutual benefit including endorsing the Seller's name on cheques and other instruments representing Collections of Pool Receivables and enforcing the Pool Receivables and Related Rights.

(5) With respect to each Eligible Receivable for which a security deposit is outstanding, the Seller shall deposit to the Segregated Account an amount equal to the lesser of (a) such security deposit, and (b) the Outstanding Balance of such Eligible Receivable. The successor Servicer shall apply and otherwise deal with such security deposits only in accordance with the terms of the related Contracts, the Credit Collection Policy and applicable Law. For greater certainty, in no event shall a security deposit credited to an Obligor be applied as against the indebtedness of any other Obligor.

(6) A successor Servicer shall be the successor in all respects to the Servicer in respect of the servicing functions under this Agreement and shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Servicer by the terms and provisions hereof (except that the successor Servicer shall not be liable for any liabilities incurred by the predecessor Servicer) as modified by the terms of its engagement. Without limiting the generality of the foregoing, the successor Servicer shall not utilize any information disclosed to it hereunder (including any Records) for purposes other than the collection of the Pool Receivables as agent for and on behalf of the Seller and the Purchaser and shall agree to be bound by the provisions of Section 9.13. All powers and authorities of the Servicer shall be vested in the replacement Servicer, and the Servicer shall execute and deliver all such instruments and documents and do such other acts and things as shall be necessary to effect the transfer of such powers and authorities to the replacement Servicer. Without limiting the generality of the foregoing, the Servicer shall, on demand and at its expense, provide the replacement Servicer with sufficient access to its premises, systems and continuing personnel to allow it to perform its obligations hereunder, (including billing all Unbilled Receivables which constitute a part of the Pool Receivables) and, in connection therewith, make available to the replacement Servicer without charge computer programs.

(7) Unless otherwise directed by the Purchaser, the Seller shall not exercise any rights or remedies it may have against any Originator under an Originator Purchase Agreement unless and until such time as the Purchaser has received payment or performance of all obligations owing to it under such document.

8.4 Servicer Fee. The Servicer, if other than the Seller or an Affiliate of the Seller, shall be entitled to receive a reasonable fee (the "Servicer Fee") which shall in no event exceed an amount per month equal to one-twelfth of 1% of the Outstanding Balance of Receivables in the Receivables Pool from the date of appointment until the Final Collection Date. The Servicer Fee shall be payable only from Collections of Pool Receivables pursuant to, and subject to the priority of payment set forth in, Section 2.5(1)(a)(i).

8.5 Rights and Remedies.

(1) If the Servicer fails to perform any of its obligations hereunder, the Purchaser may, but shall not be required to, itself perform, or cause performance of, such obligation, and the Purchaser's costs and expenses incurred in connection therewith shall be payable out of Collections of Pool

Edgar Filing: TELUS CORP - Form 6-K

Receivables on the same priority basis as if such costs and expenses were a Servicer Fee pursuant to Section 2.5(1)(a)(i).

(2) The exercise by the Purchaser of its rights hereunder shall not release the Servicer or the Seller from any of their duties or obligations with respect to any Pool Receivables or under the related Contracts. The parties acknowledge, agree and confirm that neither the Agent nor the Purchaser shall have any obligation or liability to any third party (including any Obligor) with respect to any Pool Receivables or related Contracts, nor shall the Agent or the Purchaser be obligated to perform the obligations of the Seller thereunder.

8.6 Remittance of Funds. Upon termination of its appointment hereunder, the Servicer shall remit all funds then held by it to the parties as required by Sections 2.4 and 2.5.

section 9 - MISCELLANEOUS

All accounts into which any funds are deposited hereunder, including the Purchaser's Account, the Seller's Account and the Segregated Account shall be maintained with a Canadian Schedule I chartered bank having the Required Rating, or such lower or other rating as the Rating Agency may permit.

9.2 Amendments, etc. No amendment or waiver of any provision of this Agreement and no consent to any departure therefrom shall be effective unless in writing and signed by the Purchaser, the Agent and the Seller, and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Purchaser, the Agent or the Seller to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. No material amendment, waiver, consent (including the approval of an Originator pursuant to Section 3.3) or appointment of a successor Servicer shall be made or given without the prior consent of the Rating Agency. The Seller and the Servicer may assume without enquiry that the actions of the Agent hereunder on behalf of the Purchaser are undertaken with the full and proper power, authority, appointment and consent of the Purchaser pursuant to an effective delegation and such actions shall bind the Purchaser for all purposes hereof with and to the same effect as if undertaken by it directly.

9.12 Limitation of Liability of Issuer Trustee. The Canada Trust Company (the "Issuer Trustee") will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Purchaser's property or the Purchaser's activities, to the Purchaser's beneficiary or to any other Person, for any action taken or permitted by it to be taken, or its failure to take any action including the failure to compel in any way any former or acting issuer trustee to redress any breach of trust in respect of the execution of the duties of its office or in respect of the Purchaser's property or the Purchaser's activities provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, wilful misconduct, negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Purchaser's property or the Purchaser's activities is, and will be conclusively deemed to be, acting as trustee of the Purchaser and not in any other capacity. Except as to the extent provided in this Section 9.12, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Purchaser, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Purchaser's property or the Purchaser's activities and resort will be had solely to the Purchaser's property for the payment or performance thereof. Except as to the extent provided in this Section 9.12, no property or assets of the Issuer Trustee owned in its personal capacity or otherwise will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

9.13 Confidentiality. The Purchaser, the Agent and the Seller acknowledge that all data and information delivered or made accessible hereunder by one party to another including Records, shall be considered as non-public information of the

party making delivery or giving access, and each party shall hold all non-public information obtained pursuant to this Agreement and the transactions contemplated hereby or effected in connection herewith in accordance with all applicable Laws, the terms of relevant Contracts and the policies of the Seller and the relevant Originator, if applicable, and in accordance with customary procedures for handling confidential information of this nature and take measures at least as diligent as those taken by such party in respect of its own confidential information (including customer information); provided that, notwithstanding the foregoing, the Purchaser, the Agent or the Seller may make disclosure of such non-public information, to the extent consistent with all applicable Laws, (a) pursuant to legal process or when required under applicable Law, (b) to the Rating Agency, (c) to any liquidity lender or credit enhancer to the Purchaser, (d) to implement the terms of this Agreement or to enforce any rights which the Purchaser may have to collect any amounts in respect of Pool Receivables, (e) to a replacement Servicer, and (f) to their respective professional advisors; provided that each such Person receiving access to such non-public information under clauses (b), (c), (e) or (f) above, agrees to hold such information confidential on a similar basis. Unless specifically prohibited by applicable Law, each party hereto shall notify the other parties hereto of any request by any Governmental Authority to disclose non-public information obtained pursuant to this Agreement.

9.14 Consent to Jurisdiction; Waiver of Immunities.

- (a) The parties hereby irrevocably submit to the non-exclusive jurisdiction of any court sitting in Toronto, Ontario in any action or proceeding arising out of or relating to this Agreement, and the Seller hereby irrevocably agrees that all claims in respect of any such action or proceeding may be heard and determined in such Toronto, Ontario court. The parties hereby irrevocably waive, to the extent permitted by Law, the defense of an inconvenient forum to the maintenance of any such action or proceeding. The parties agree that a final judgement in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgement or in any other manner provided by Law.
- (b) Nothing in this Section 9.14 shall affect the right of any party to serve legal process in any other manner permitted by Law or its right to bring any action or proceeding against any other party or its property in the courts of other jurisdictions.
- (c) To the extent that any party has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgement, attachment in aid of execution, execution or otherwise) with respect to itself or its property, the parties hereby irrevocably waive, to the extent permitted by Law, such immunity in respect of their obligations hereunder.

9.15 No Waiver; Remedies. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder will operate as a waiver thereof to the extent that the event or occurrence giving rise to such right is continuing; nor will any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right to the extent that the event or occurrence giving rise to such right is continuing. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

9.16 Entire Agreement. This Agreement and the Fee Letter contain the entire agreement between the parties relating to the subject matter hereof and supersedes all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. All references to the Original Agreement in any Related Document that is or shall have been executed by any party hereto and that becomes or remains effective on or after the date hereof shall hereafter be a reference to this Agreement, except to the extent otherwise expressly provided herein or in such other document. Except as amended hereby, the Related Documents are in all respects ratified and confirmed and remain in full force and effect.
