**PROXY STATEMENT FOR ANNUAL GENERAL MEETING OF SHAREHOLDERS
INFORMATION CONCERNING SOLICITATION AND VOTING**

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors (the Board) of BackWeb Technologies Ltd., an Israeli company (the Company or BackWeb), for use at the Company Annual General Meeting of Shareholders (the Annual General Meeting), to be held on Thursday, December 29, 2005, at 10 Hamal St., Park Afek, Rosh Haayin 48092, Israel, commencing at 4:00 p.m., local time, or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual General Meeting of Shareholders.

The Notice of Annual General Meeting of Shareholders, this Proxy Statement and the accompanying proxy card, and the Company's Annual Report on Form 10-K for the year ended December 31, 2004, are first being mailed on or about December 2, 2005 to shareholders entitled to vote at the Annual General Meeting.

Record Date and Shares Outstanding

The Board has set November 28, 2005 (the Record Date) as the record date for the Annual General Meeting. Only holders of record of the Company's Ordinary Shares, par value NIS 0.03 per share (Ordinary Shares), at the close of business on that date are entitled to vote at and attend the Annual General Meeting. Shareholders who hold Ordinary Shares as of the Record Date through a bank, broker or other nominee that is a shareholder of record of the Company or that appears in the participant listing of a security depository are also entitled to notice of, and to vote at, the Annual General Meeting. We had approximately 41,125,540 Ordinary Shares outstanding as of the Record Date.

Solicitation and Voting

The Company will bear the cost of soliciting proxies for the Annual General Meeting. The Company will ask banks, brokerage houses, fiduciaries and custodians holding Ordinary Shares in their names for others to send proxy materials to and obtain proxies from the beneficial owners of such Ordinary Shares, and the Company may also reimburse them for their reasonable expenses in doing so. In addition to soliciting proxies by mail, the Company and its directors, officers and employees, may also solicit proxies personally, by telephone or by other appropriate means. No additional compensation will be paid to directors, officers or employees for such services.

Each shareholder is entitled to one vote for each Ordinary Share held by such person on all matters presented at the meeting. The required quorum for the transaction of business at the Annual General Meeting is two or more shareholders present in person or by proxy and holding, in the aggregate, more than fifty percent of the Company's Ordinary Shares issued and outstanding on the Record Date. Under Israeli law, broker non-votes, which occur when a shareholder does not give a proxy to his or her broker with instructions as to how to vote his or her shares, and abstentions will be disregarded and will have no effect on whether the requisite vote is obtained. However, broker non-votes and abstentions will be counted for purposes of establishing a quorum.

Proxies properly executed, duly returned to and received by the Company prior to the Annual General Meeting, and not revoked, will be voted as instructed on those proxies. If no instructions are given on the proxies, such proxies will be voted **FOR** each of the proposals contained in the proxies. In the case of the election of directors to the Board, proxies that give no instructions as to how they should be voted will be counted as voted **FOR** the election to the Board of each of the nominees presented by the Board.

Revocability of Proxies

Any shareholder giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by delivering to the Secretary of the Company, prior to the Annual General Meeting, at the above address of the Company, a written notice of revocation or a duly executed proxy bearing

Table of Contents

a later date. A shareholder of record at the close of business on the Record Date may also revoke his or her proxy by voting in person if present at the Annual General Meeting. Attendance at the Annual General Meeting will not, by itself, revoke a proxy.

PROPOSAL ONE
RE-ELECTION OF CLASS III DIRECTOR

In accordance with the Company's Articles of Association, the Company's shareholders last fixed the maximum number of directors at six. The Company currently has four directors, one of whom is standing for re-election at this Annual General Meeting. THE COMPANY'S BOARD UNANIMOUSLY RECOMMENDS VOTING **FOR** THE RE-ELECTION OF MR. BARKAT AS A CLASS III DIRECTOR.

**PROPOSAL TWO
ELECTION OF OUTSIDE DIRECTOR**

Israel's Companies Law requires us to have at least two Outside Directors who are each elected for a three-year term of office. Outside Directors are not members of any class of directors. Mr. Amir Makleff was elected by the shareholders at the 2004 Annual General Meeting of Shareholders to serve as an Outside Director under Israel's Companies Law. Isabel Maxwell served as the Company's other Outside Director until her departure from the Board in May 2005. The shareholders are being asked to elect Ms. Kara Andersen to serve as an Outside Director under Israel's Companies Law for a three-year term to fill the vacancy created by the departure of Ms. Maxwell from the Company's Board. Ms. Andersen was suggested for consideration for election to the Company's Board of Directors by Mr. Makleff.

The term of office of Amir Makleff, the Company's other Outside Director whose term is scheduled to expire at the 2007 Annual General Meeting of Shareholders, will continue beyond the Annual General Meeting. Therefore, he is not required to stand for re-election at the Annual General Meeting. Biographical information concerning Mr. Makleff is set forth below.

Amir Makleff

AMIR MAKLEFF, age 57, has served as one of our directors since 2004. Mr. Makleff is a co-founder of BridgeWave Communications, a provider of gigabit wireless products and high frequency Micro-Electro-Mechanical Systems (MEMS) technology, and has served as its President and Chief Executive Officer since January 1999. From November 1995 to November 1998, Mr. Makleff served as Chief Operating Officer and Senior Vice President of Engineering of Netro Corporation, a fixed wireless networking infrastructure provider. Vote Required

The affirmative vote of a majority of the Ordinary Shares voting on this proposal in person or by proxy is required for the election of Ms. Andersen as an Outside Director. In addition, the shareholders' approval must include at least one-third of the Ordinary Shares (other than shares held by the Company's controlling shareholders) voting on this proposal in person or by proxy, or, alternatively, the total number of Ordinary Shares (other than shares held by the Company's controlling shareholders) voted against this proposal must not represent more than one percent of the outstanding Ordinary Shares. For this purpose, you are asked to indicate on the enclosed proxy card whether you are a controlling shareholder of the Company; by signing and returning the proxy card you are confirming that you are not a controlling shareholder of the Company unless you specifically indicate to the contrary. Under the Israeli Companies Law, in general, a person will be deemed to be a controlling shareholder if the person has the power to direct the activities of the Company, otherwise than by reason of being a director or other office holder of the Company.

THE COMPANY'S BOARD UNANIMOUSLY RECOMMENDS VOTING **FOR** THE ELECTION OF MS. ANDERSEN AS AN OUTSIDE DIRECTOR.

COMPENSATION OF DIRECTORS

At the 2003 Annual General Meeting of Shareholders, shareholders approved a cash compensation package for non-employee directors. Under the approved compensation policy, non-employee directors receive cash remuneration consisting of \$1,000 per fiscal quarter, plus \$1,000 for each Board meeting attended and \$1,000 for each Committee meeting attended. In addition, the Chair of the Audit Committee receives an additional \$500 per Audit Committee meeting. Meeting fees for Board meetings require in person or videoconference attendance, with one telephone meeting exception allowed for each year. Committee meeting attendance may be in person, by videoconference, or by telephone.

In addition, under the policy approved by the shareholders, non-employee directors are eligible for non-discretionary grants of stock options under the Company's option plans. Non-employee directors receive a non-discretionary option grant of 50,000 Ordinary Shares upon their initial election or appointment to the

Table of Contents

Board and annual option grants of 15,000 Ordinary Shares at each Annual General Meeting of Shareholders thereafter during their term of service. Annual option grants are not made in cases where a director's term of office prior to the Annual General Meeting has been shorter than six months. The non-discretionary grants vest over a period of four years, with one-quarter of the Ordinary Shares subject to the option becoming vested and exercisable after one year and monthly thereafter over the remaining period of thirty-six months, subject to continued service as a director of the Company. The grant date of the initial option grant is the date that the non-employee director is initially elected or appointed to the Board. The grant date of the annual option grant is the date of the Annual General Meeting. The exercise price for these non-discretionary grants is the closing sale price of the Company's Ordinary Shares on The Nasdaq SmallCap Market the day before the grant date.

Reasonable expenses incurred by each director in connection with his or her duties as a director are also reimbursed. A Board member who is also an employee of BackWeb does not receive compensation for service as a director.

BOARD MEETINGS AND COMMITTEES

The Board held a total of eight meetings (including regularly scheduled and special meetings) during fiscal 2004. Each of the incumbent directors attended at least 75% of the aggregate of all meetings of the Board and any meetings of committees of the Board on which he served.

The Board has a standing Audit Committee and Compensation Committee. The Board does not currently have a formal nominating committee or a governance committee. The functions customarily performed by nominating and governance committees are performed by the independent members of the Board who make recommendations to the full Board regarding candidates for nomination and the size and composition of the Board. The independent members of the Board monitor the mix of skills, experience and background of the Board to ensure it maintains the necessary composition to effectively perform its oversight functions. The independent members of the Board may from time to time solicit and receive recommendations for candidates from members of the Board, senior level executives, individuals personally known to the members of the Board, and third party search firms as appropriate. In order to be considered for membership on the Board, a candidate should possess, at a minimum, the following qualifications:

high personal and professional ethics and integrity;

commitment to representing the long-term interests of the Company's shareholders;

objectivity and practical and mature judgment; and

willingness to understand the business of the Company and to devote adequate time to carry out his or her duties.

The independent members of the Board believe that their processes effectively serve the functions of nominating and governance committees, and do not believe there is a need for a separate, formal nominating or governance committee. Although there is no formal policy regarding shareholder nominees, the independent members of the Board believe that shareholder nominees should be viewed in substantially the same manner as other nominees. The consideration of any candidate for director will be based on the independent members of the Board's assessment of the individual's background, skills and abilities, and if such characteristics qualify the individual to fulfill the needs of the Board at that time. Shareholders wishing to propose nominees for consideration for the Board should submit the candidate's name and qualifications to our Corporate Secretary prior to the deadlines set forth under "Deadline for Future Proposals of Shareholders" in this Proxy Statement.

The current members of the Audit Committee are Messrs. Bellary and Makleff, with Mr. Bellary serving as the chair of the Audit Committee. Ms. Andersen will become a member of the Audit Committee following the Annual General Meeting if our shareholders elect her to the Board. Ms. Maxwell served as a member of the Audit Committee until she left the Board in May 2005 and Mr. Bellary joined the Audit Committee in July 2005. As described in more detail in the Report of the Audit Committee of the Board of Directors in this Proxy Statement, the Audit Committee is responsible for assisting the Board in its oversight of our accounting

Table of Contents

and financial reporting processes, the audits of our financial statements, and our system of internal controls. The Audit Committee held four meetings in fiscal 2004. The Board of Directors has determined that Mr. Bellary is an audit committee financial expert, as defined under Item 401(h) of Regulation S-K. Each member of the Audit Committee is independent as defined under the rules of The Nasdaq Stock Market and as required under Rule 10A-3(b)(1) under the Securities Exchange Act of 1934. The Audit Committee operates under a written charter that was filed with the Company's definitive proxy statement relating to its 2003 Annual General Meeting of Shareholders.

The Compensation Committee currently consists of Messrs. Makleff and Bellary, with Mr. Makleff serving as the chair of the Compensation Committee. We expect Ms. Andersen to become a member of the Compensation Committee following the Annual General Meeting if our shareholders elect her to the Board. As described in more detail in the Report of the Compensation Committee of the Board of Directors in this Proxy Statement, the Compensation Committee reviews and approves all forms of compensation to be provided to the Company's executive officers, consults with management regarding compensation and benefits for non-executive officers and other employees, and oversees our compensation and benefits policies generally. The Compensation Committee held one meeting in fiscal 2004. Messrs. Makleff and Bellary are each independent as defined under the rules of The Nasdaq Stock Market, non-employee directors within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, and outside directors within the meaning of Section 162(m) of the Internal Revenue Code.

Communication with the Board

Shareholders may send communications to the Board of Directors by writing to them at BackWeb Technologies Ltd., Attention: Vice President, Finance, 2077 Gateway Place, Suite 500, San Jose, CA 95110. All shareholder communications will be reviewed by the Vice President, Finance and forwarded to the Board if appropriate. Our Vice President, Finance reserves the right to not forward to board members any abusive, threatening, or otherwise inappropriate materials.

Directors Attendance at Annual General Meetings of Shareholders

Although we do not have a formal policy regarding attendance by members of the Board at our Annual General Meeting of Shareholders, we encourage directors to attend. In 2004, one of our directors attended our Annual General Meeting of Shareholders.

PROPOSAL THREE

APPROVAL OF AN AMENDMENT TO THE ARTICLES OF ASSOCIATION OF THE COMPANY REGARDING INSURANCE, INDEMNIFICATION AND EXCULPATION

Background

Our Articles of Association currently allow us to procure insurance for or indemnify any Office Holder (defined as any director, managing director, general manager, chief executive officer, executive vice president, vice president, other manager directly subordinate to the general manager or any other person assuming the responsibilities of any of these positions regardless of that person's title) to the fullest extent permitted under Israel's Companies Ordinance or any successor provisions, provided that the procurement of any such insurance or provision of any such indemnification, as the case may be, is approved by the Audit Committee of the Company and otherwise as required by law. Our Articles of Association also allow us to procure insurance for or indemnify any person who is not an Office Holder, including, without limitation, any employee, agent, consultant or contractor of the Company who is not an Office Holder. The specific text of Article 68 of our Articles of Association governing indemnity and insurance is as follows:

68. Indemnity and Insurance

Subject to the provisions of the Companies Ordinance, the Company may (i) procure insurance for, or indemnify any Office Holder, to the fullest extent permitted and not prohibited by Sections 96(41)

Table of Contents

and 96(42) of the Companies Ordinance, or any successor provisions; provided, however, that the procurement of any such insurance or provision of any such indemnification, as the case may be, is approved by the Audit Committee of the Company and otherwise as required by law; or (ii) procure insurance for or indemnify any person who is not an Office Holder, including, without limitation, any employee, agent, consultant or contractor of the Company who is not an Office Holder.

The Company was incorporated and its Articles of Association were adopted under Israel's Companies Ordinance, the predecessor to Israel's Companies Law. The Companies Law made certain changes to the rules governing insurance, indemnification and exculpation of Office Holders. The principal changes made by the Companies Law were: to allow exculpation of Office Holders; to permit both indemnification after the fact and an advance undertaking to indemnify, provided that such advance undertaking is limited to categories of events that the Board believes are foreseeable on the date of grant of the undertaking to indemnify and to an amount determined by the Board to be reasonable in the circumstances; and to provide various limitations on the types of liability that may be insured, indemnified or exculpated.

In March 2005, the provisions of the Companies Law that govern the insurance, indemnification and exculpation of Office Holders were amended. The two principal changes made by the amendment were to allow indemnification in connection with specific regulatory investigations and proceedings, and to require that a company's board of directors find the limits on an advance undertaking to indemnify regarding monetary liability imposed in favor of a third party in a judgment appropriate in view of the specific company's activities.

In light of the cumulative effect of the changes to these provisions since the adoption of these provisions in our Articles of Association, our Board of Directors believes that, although not required, it would be advisable to amend the provisions of our Articles of Association to more accurately reflect the current provisions of the Companies Law. Our Board of Directors believes that amending our Articles of Association to conform more closely to the current provisions of the Companies Law will facilitate the recruitment and retention of qualified individuals to serve as our directors.

Proposal

You are being asked to approve an amendment to our Articles of Association regarding insurance, indemnification and exculpation to reflect the changes to the Companies Law discussed above.

We are proposing to adopt the following Special Resolution:

RESOLVED, that the Company's Articles of Association be amended to replace Article 68 with the following:

68. Insurance, Indemnification and Exculpation

The Company may insure, indemnify and exculpate its Office Holders to the fullest extent permitted by law, from time to time. Without limiting the generality of the foregoing:

(a) Subject to the provisions of the Companies Law 5759-1999 as amended from time to time (the Companies Law), the Company may enter into a contract for the insurance of its Office Holders, for act or omissions in their capacity as Office Holders, in whole or in part, against any of the following:

(i) breach of the duty of care owed to the Company or a third party;

(ii) breach of the fiduciary duty owed to the Company, provided that the Office Holder acted in good faith and had reasonable grounds to believe that his action would not harm the Company's interests; and

(iii) monetary liability imposed on the Office Holder in favor of a third party.

(b) Subject to the provisions of the Companies Law, the Company is entitled retroactively to indemnify any Office Holder, or to provide a prior undertaking to indemnify an Office Holder where such prior undertaking is limited (1) to categories of events that the Board believes are foreseeable in light of the Company's activities on the date of grant of the undertaking to indemnify, and (2) to an amount or in

Table of Contents

accordance with guidelines determined by the Board to be reasonable in the circumstances (and such undertaking includes the categories of events that the Board believes are foreseeable in light of the Company's activities on the date of grant of the undertaking to indemnify and to an amount or in accordance with guidelines determined by the Board to be reasonable in the circumstances), for an act that such Office Holder performed by virtue of being an Office Holder of the Company, for monetary liability imposed on the Office Holder in favor of a third party in a judgment, including a settlement or an arbitral award confirmed by a court.

(c) Subject to the provisions of the Companies Law, the Company is entitled retroactively to indemnify any Office Holder, or to provide a prior undertaking to indemnify an Office Holder for:

(i) reasonable legal costs, including attorneys' fees, expended by an Office Holder as a result of an investigation or proceeding instituted against the Office Holder by a competent authority, provided that such investigation or proceeding concludes without the filing of an indictment against the Office Holder and either (A) no financial liability was imposed on the Office Holder in lieu of criminal proceedings, or (B) financial liability was imposed on the Office Holder in lieu of criminal proceedings but the alleged criminal offense does not require proof of criminal intent; and

(ii) reasonable legal costs, including attorneys' fees, expended by the Office Holder or for which the Office Holder is charged by a court, (a) in an action brought against the Office Holder by or on behalf of the Company or a third party, or (b) in a criminal action in which the Office Holder is found innocent, or (c) in a criminal action in which the Office Holder is convicted and in which a proof of criminal intent is not required.

PROPOSAL FOUR
APPROVAL OF INDEMNIFICATION AGREEMENTS WITH THE COMPANY'S
DIRECTORS

Background

Shareholders are being asked to approve the insurance, indemnification and exculpation agreements that the Company intends to enter into with each of its directors, in the form attached hereto as Exhibit A (the Indemnification Agreements). Such Indemnification Agreements conform to the amendment to the Company's Articles of Association set forth above, and will not be brought before the shareholders for approval if Proposal No. Three above is not approved. The proposed form of agreement is intended to ensure that our directors have indemnification to the fullest extent permitted by law. In light of the increased responsibility of directors pursuant to the Sarbanes-Oxley Act and changes to the corporate governance requirements of The Nasdaq Stock Market and Israeli law, and the increased difficulty of recruiting and retaining qualified directors, the Board of Directors has determined that it is in the best interests of the Company to enter into Indemnification Agreements with its directors. In particular, the Board believes that most of its peers provide indemnification agreements to their directors, and that such agreements are typical for companies that are publicly traded on United States securities exchanges or on Nasdaq. As a result, the absence of such an agreement can seriously prejudice the Company in seeking to recruit and retain qualified directors.

In general, the proposed Indemnification Agreements would generally indemnify the Company's directors to the fullest extent permitted by applicable law for any liability and reasonable legal expense that may be imposed on them for actions, or failures to act, in their capacity as Office Holders of the Company or its subsidiaries. The Company would also be obligated to advance an amount estimated to cover the director's reasonable legal expenses, including attorneys' fees, with respect to which they would be entitled to be indemnified. In addition, the proposed Indemnification Agreements would require that the Company maintain directors' and officers' liability insurance for the benefit of its directors, providing coverage in an amount as determined by the Board of Directors. The Companies Law currently prohibits a company from indemnification, insurance or exculpation of an Office Holder of any of the following: breach of the fiduciary duty, intentional or reckless breach of the duty of care, an act performed with the intent to obtain an unlawful personal gain, or fine or penalty levied on the Office Holder; provided, however, that a company may indemnify or insure an Office Holder for breach of fiduciary duty, if the Office Holder acted in good faith and had reasonable cause to believe that the act would not prejudice the company. In addition, the Companies Law provides that a company may not agree in advance to exculpate a director from liability to the company in connection with breach of the duty of care in decisions relating to dividends, buybacks and the like.

The Company's advance indemnification undertaking is limited to specified categories of liability, which are described in Schedule A to the form of the Indemnification Agreements, and the maximum amount that the Company would be required to indemnify any director for any category is limited to \$20 million. Under the Companies Law, an advance undertaking to indemnify regarding monetary liability imposed in favor of a third party in a judgment requires the Board of Directors to make a finding that the undertaking is limited to categories of events that the Board believes are foreseeable in light of the Company's activities on the date of grant of the undertaking to indemnify and to an amount or in accordance with guidelines determined by the Board to be reasonable under the circumstances. The Board of Directors has reviewed the limits contained in the form of Indemnification Agreements and found them to be consistent with these Companies Law limitations.

Proposal

We are proposing to adopt the following Ordinary Resolution:

RESOLVED, that the Indemnification Agreements with each of the Company's directors in the form attached as Exhibit A to the Company's Proxy Statement dated December 1, 2005, be, and they hereby are, approved.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE **FOR** THE APPROVAL OF THE INDEMNIFICATION AGREEMENTS IN FAVOR OF THE COMPANY'S DIRECTORS.

PROPOSAL FIVE**RATIFICATION OF APPOINTMENT AND COMPENSATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected Grant Thornton LLP (Grant Thornton) as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2005, and to serve as auditors, within the meaning of the Israel's Companies Law.

Former Independent Registered Public Accounting Firm

For the fiscal year ended December 31, 2003, Ernst & Young LLP audited the financial statements of the Company. Ernst & Young had served as the Company's independent registered public accounting firm since the Company's inception in August 1995. On April 21, 2004, the Audit Committee of the Company accepted Ernst & Young's resignation, effective upon the filing of the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2004. Ernst & Young's resignation was due to preliminary discussions they were entering into with the Company with respect to a potential licensing transaction. The Ernst & Young LLP report on the financial statements for the two years ended December 31, 2003 did not contain any adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles. There were no disagreements with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Ernst & Young, would have caused it to make reference to the subject matter of the disagreements in connection with its reports.

Fees Paid to Independent Registered Public Accounting Firm

The following table summarizes the aggregate fees billed to the Company by Grant Thornton in 2004 and by its former independent registered public accounting firm Ernst & Young LLP, the member firms of Ernst & Young Global, and their respective affiliates (collectively, Ernst & Young Entities) for services rendered to the Company in 2003:

Audit Fees	\$ 240,000	\$ 255,000
Audit-Related Fees	24,000	39,000
Tax Fees	166,000

This category also includes advice on audit and accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, and statutory audits. The amount in 2004 includes cash payments made to Ernst & Young Entities of \$70,000.

The amount in 2004 represents cash payments made to Ernst & Young Entities of \$7,000.

Pre-Approval Process for Auditor Services

The services performed by the Ernst & Young Entities in 2003 and Grant Thornton in 2004 were pre-approved in accordance with the pre-approval procedures adopted by the Audit Committee, with the exception of certain limited payroll tax work in the United Kingdom for the Company's subsidiary located in the United Kingdom, which work was approved by the Audit Committee at its January 27, 2004 meeting. All requests for audit, audit-related, tax, and other services must be submitted to the Audit Committee for pre-approval with an estimate of fees for the services. Pre-approval is generally provided at regularly scheduled meetings.

Ratification of Independent Registered Public Accounting Firm

The Board is seeking (1) ratification by the shareholders for the Audit Committee's selection and appointment of Grant Thornton as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2005, and (2) the authorization by the shareholders for the Audit Committee to enter into an agreement to pay the fees of Grant Thornton as the independent registered public accounting firm of the Company on customary terms. Shareholder ratification of the Company's independent registered public accounting firm, including the authorization for the Audit Committee to enter into an agreement for their fees, is required under Israel's Companies Law.

If the shareholders do not approve the selection of Grant Thornton, the Audit Committee will reconsider its selection. Representatives of Grant Thornton are expected to be present at this Annual General Meeting, will have the opportunity to make a statement if they so desire, and are expected to be available to respond to appropriate questions. In accordance with Section 60(b) of Israel's Companies Law, shareholders are invited to discuss the Company's Consolidated Financial Statements for the year ended December 31, 2004, and questions regarding the financial statements may be addressed to us or to Grant Thornton.

Vote Required

This report outlines the policies of the Compensation Committee with respect to executive compensation, the various components of the Company's compensation program for executive officers, and the basis on which the compensation for each individual who served as the Company's Chief Executive Officer during 2004 was determined.

The information contained in the following report shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates it by reference into such filing.

General

The Compensation Committee's functions include:

determining all forms of compensation of the Company's Chief Executive Officer;

reviewing and approving all forms of compensation for the other executive officers, including salary, bonuses and stock options;

Table of Contents

consulting with management regarding compensation and benefits for non-executive officers and other employees; and

overseeing our compensation and benefits policies generally.

Compensation Policies

The Company's executive compensation policies have two principal goals: (1) attracting, rewarding and retaining executives, and (2) motivating executives to achieve short-term and long-term corporate goals that enhance shareholder value. Accordingly, the Compensation Committee's objectives are to:

offer compensation opportunities that attract and retain executives whose abilities are critical to the Company's long-term success and motivate individuals to perform at their highest level;

tie in a significant portion of the executive's total compensation to achievement of financial, organizational, management and personal performance goals; and

reward outstanding individual performance by an executive officer that contributes to the Company's long-term success.

Compensation of Executive Officers Generally

The Company's compensation program for its executives emphasizes variable compensation, primarily through grants of short- and long-term performance-based incentives. Executive compensation generally consists of the following: (1) base salary; (2) incentive bonuses; and (3) long-term equity incentive awards in the form of stock option grants. Each executive officer's compensation package is designed to provide an appropriately weighted mix of these elements.

Base Salary. Base salary levels for each of the Company's executive officers, including the Chief Executive Officer, are generally set within a range of base salaries that the Board (through the Compensation Committee or in its entirety) believes reflect market salaries for similar executive officers at comparable companies. Commercially available compensation surveys are used, when appropriate, to determine that such range is at or near the levels paid by comparable companies engaged in the software industry and located within comparable geographical locations. The Board does not use formulas but instead exercises its judgment based on considerations including overall responsibilities and the importance of these responsibilities to the Company's success, experience and ability, past short-term and long-term job performance and salary history. In addition, in reviewing executive salaries generally and in setting the salary of the Chief Executive Officer, the Compensation Committee generally takes into account the Company's past financial performance and future expectations, as well as changes in the executives' responsibilities.

Incentive Bonuses. The Compensation Committee recommends the payment of bonuses to provide an incentive to executive officers to be productive over the course of each fiscal year and to bring the total cash-based compensation to market levels. A portion of these bonuses are awarded if the Company achieves or exceeds certain corporate performance objectives and a portion of these bonuses are awarded if the executive achieves or exceeds certain personal goals.

Equity Incentives. Stock options are used by the Company as long-term compensation to provide a stock-based incentive to improve the Company's financial performance and to assist in the recruitment, retention and motivation of professional, managerial and other personnel. Generally, stock options are granted to executive officers from time to time based primarily upon the individuals' actual and/or potential contributions to the Company and the Company's financial performance. Stock options are designed to align the interests of the Company's executive officers with those of its shareholders by encouraging executive officers to enhance the value of the Company, the price of its Ordinary Shares, and hence, the shareholders' return. In addition, the vesting of stock options over a period of time is designed to create an incentive for the individual to remain with the Company. The Company has granted options to the executives on an ongoing basis to provide continuing incentives to the executives to meet future performance goals and to remain with the Company. The Committee recommended and the Board approved option grants in connection with certain

Table of Contents

incentive programs for the Company's executive officers as described more fully in the section "Stock Option Grants in Last Fiscal Year" in this Proxy Statement.

Compensation of the Chief Executive Officer

The Compensation Committee annually reviews the performance and compensation of the Chief Executive Officer based on the assessment of his past performance, its expectation of his future contributions to the Company's performance and the compensation paid to chief executive officers of comparable companies. Erez Lorber served as the Company's Chief Executive Officer from January 1, 2004 through October 11, 2004. For 2004, the Compensation Committee recommended, and the Audit Committee and Board approved, setting the base salary of Mr. Lorber at \$230,000, with the potential for a bonus of up to \$137,000. Mr. Lorber received a performance bonus of \$12,000 during 2004 as directed by the Board. The Compensation Committee believes the compensation paid to Mr. Lorber for 2004 was reasonable.

Mr. Heye became our Chief Executive Officer on October 11, 2004. In connection with this appointment and based on a review of the market for comparable positions, the Compensation Committee recommended, and the Board approved, setting the base salary of Mr. Heye at \$180,000, with the potential for a bonus of up to \$144,000, which includes a draw each quarter of \$12,500 against an annual total bonus. Mr. Heye's bonus is based upon BackWeb meeting certain specified milestones related to 2005 annual revenue, BackWeb's cash balance at the end of fiscal year 2005 and attainment of an additional business objectives. In addition, in November 2004, Mr. Heye was granted an option to purchase 700,000 of our Ordinary Shares which vest over a three-year period due to the significant elevation in his role and responsibility within the Company.

Policy with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its chief executive officer or any of its other four most highly compensated executive officers in a single year. The Company has not established a policy with regard to Section 162(m) of the Code, since the Company has not and does not currently anticipate paying cash compensation in excess of one million dollars per annum to any employee. The Board of Directors will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, may be appropriate in the future.

Accordingly, the Audit Committee oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Grant Thornton was in fact independent.

**FORM OF DIRECTOR
INSURANCE, INDEMNIFICATION AND EXCULPATION AGREEMENT**

AGREEMENT, dated as of _____, between BackWeb Technologies Ltd., an Israeli company (the **Company**), and [insert name of director], a director of the Company (the **Indemnitee**).

WHEREAS, Indemnitee is an Office Holder of the Company; and

WHEREAS, both the Company and Indemnitee recognize the increased risk of litigation and other claims being asserted against Office Holders of public companies; and

WHEREAS, the Articles of Association of the Company authorize the Company to insure, indemnify and exculpate directors; and

WHEREAS, in recognition of Indemnitee's need for substantial protection against personal liability in order to assure Indemnitee's continued service to the Company in an effective manner and Indemnitee's reliance on the aforesaid Articles of Association and, in part, to provide Indemnitee with specific contractual assurance that the protection promised by the Articles of Association will be available to Indemnitee (regardless of, among other things, any amendment to or revocation or any change in the composition of the Company's Board of Directors or acquisition of the Company), the Company wishes to provide in this Agreement for the insurance, indemnification and exculpation of Indemnitee to the fullest extent permitted by law from time to time and as set forth in this Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and of Indemnitee continuing to serve the Company directly or, at its request, with another enterprise, and intending to be legally bound hereby, the parties hereto agree as follows:

1. CERTAIN DEFINITIONS.

1.1 *Change in Control*: shall be deemed to have occurred if: (i) any person (as such term is used in Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended), other than a trustee or other fiduciary holding securities under an employee benefit plan of the Company or a corporation owned directly or indirectly by the shareholders of the Company in substantially the same proportions as their ownership of shares of the Company, is or becomes the beneficial owner (as defined in Rule 13d-3 under said Act), directly or indirectly, of securities of the Company representing 20% or more of the total voting power represented by the Company's then outstanding voting securities; or (ii) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board of Directors of the Company and any new director whose election by the Board of Directors or nomination for election by the Company's shareholders was approved by a majority of the directors then still in office who either were directors at the beginning of the period of whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof; or (iii) the shareholders of the Company approve a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least 51% of the total voting power represented by the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation, or the shareholders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all the Company's assets.

1.2 *Expense*: includes reasonable legal costs, including attorneys' fees, expended by an Office Holder or for which an Office Holder has been charged by a court, or in connection with an investigation or other proceeding by a competent authority.

1.3 *Office Holder*: as such term is defined in the Companies Law 5759-1999.

2. INDEMNIFICATION AND ADVANCEMENT OF EXPENSES.

2.1 The Company hereby undertakes to indemnify the Indemnitee to the fullest extent permitted by applicable law from time to time, for any liability and Expense that may be imposed on Indemnitee due to an act performed or failure to act by him in his capacity as an Office Holder of the Company or any subsidiary of the Company or any entity in which Indemnitee serves as an Office Holder at the request of the Company either prior to or after the date hereof, for any event against which indemnification is available or permitted by law to be provided to an Office Holder (Indemnifiable Events), including without limitation the following:

2.1.1 monetary liability imposed on an Office Holder in favor of a third party in a judgment, including a settlement or an arbitral award confirmed by a court;

2.1.2 reasonable legal costs, including attorney s fees, expended by the Indemnitee as a result of an investigation or proceeding instituted against the Indemnitee by a competent authority, provided that such investigation or proceeding concludes without the filing of an indictment against the Indemnitee and either (A) no financial liability was imposed on the Indemnitee in lieu of criminal proceedings, or (B) financial liability was imposed on the Indemnitee in lieu of criminal proceedings but the alleged criminal offense does not require proof of criminal intent; and

2.1.3 reasonable legal costs, including attorney s fees, expended by the Indemnitee or for which the Indemnitee is charged by a court, (a) in an action brought against the Indemnitee by or on behalf of the Company or a third party, or (b) in a criminal action in which the Indemnitee is found innocent, or (c) in a criminal action in which the Indemnitee is convicted and in which a proof of criminal intent is not required.

2.2 The indemnification undertaking made by the Company shall be only with respect to such events as are described in Schedule A hereto. The maximum amount payable by the Company under this Agreement for each event described in Schedule A shall be as set forth in Schedule A. The indemnification provided herein shall not be subject to the limitations imposed by this Section 2.2 and Schedule A if and to the extent such limits are no longer required by law.

2.3 If so requested by Indemnitee, the Company shall advance an amount (or amounts) estimated by it to cover Indemnitee s Expenses, including attorneys fees, with respect to which Indemnitee is entitled to be indemnified under Paragraph 2.1 above. The advances to be made hereunder shall be paid by the Company to Indemnitee as soon as practicable but in any event no later than fifteen (15) days after written demand by such Indemnitee therefor to the Company.

2.4 The Company s obligation to indemnify Indemnitee and advance Expenses in accordance with this Agreement shall be for such period as Indemnitee shall be subject to any possible claim or threatened, pending or completed action, suit or proceeding or any inquiry or investigation, whether civil, criminal or investigative, arising out of the Indemnitee s service in the foregoing positions, whether or not Indemnitee is still serving in such positions.

2.5 The Company undertakes that as long as it may be obligated to provide indemnification and advance Expenses under this Agreement, the Company will purchase and maintain in effect directors and Office Holders liability insurance to cover the liability of Indemnitee, providing coverage in amounts as determined by the Board of Directors of the Company in its sole discretion; provided, that, the Company shall have no obligation to obtain or maintain directors and officers insurance if the Company determines in good faith that such insurance is not reasonably available, the premium costs for such insurance are disproportionate to the amount of coverage provided, or the coverage provided by such insurance is so limited by exclusions that it provides an insufficient benefit. The Company undertakes to give prompt written notice of the commencement of any claim hereunder to the insurers in accordance with the procedures set forth in each of the policies.

3. GENERAL LIMITATIONS ON INDEMNIFICATION.

3.1 If, when and to the extent that the Indemnitee would not be permitted to be so indemnified under applicable law, the Company shall be entitled to be reimbursed by Indemnitee (who hereby agrees to reimburse the Company) for all such amounts theretofore paid (unless Indemnitee has commenced legal proceedings in a court of competent jurisdiction to secure a determination that Indemnitee should be indemnified under applicable law, in which event Indemnitee shall not be required to so reimburse the Company until a final judicial determination is made with respect thereto as to which all rights of appeal therefrom have been exhausted or lapsed) and shall not be obligated to indemnify or advance any additional amounts to Indemnitee (unless there has been a determination by a court or competent jurisdiction that the Indemnitee would be permitted to be so indemnified under this Agreement).

3.2 The Company undertakes that in the event of a Change in Control of the Company, the Company's obligations under this Agreement shall continue to be in effect following such Change in Control, and the Company shall take all necessary action to ensure that the party acquiring control of the Company shall independently undertake to continue in effect such Agreement, to maintain the provisions of the Articles of Association allowing indemnification and to indemnify Indemnitee in the event that the Company shall not have sufficient funds or otherwise shall not be able to fulfill its obligations hereunder.

4. NO MODIFICATION.

4.1 No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver. Any waiver shall be in writing.

5. SUBROGATION.

5.1 In the event of payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and shall do everything that may be necessary to secure such rights, including the execution of such documents necessary to enable the Company effectively to bring suit to enforce such rights.

6. REIMBURSEMENT.

6.1 The Company shall not be liable under this Agreement to make any payment in connection with any claim made against Indemnitee to the extent Indemnitee has otherwise actually received payment (under any insurance policy or otherwise) of the amounts otherwise indemnifiable hereunder. Any amounts paid to Indemnitee under such insurance policy or otherwise after the Company has indemnified the Indemnitee for such liability or Expense shall be repaid to the Company promptly upon receipt by Indemnitee.

7. EFFECTIVENESS.

7.1 Subject to the receipt of all the required approvals in accordance with the Israeli Law, including the approvals of the audit committee, the Board of Directors and to the same extent required, by the shareholders of the Company, this Agreement shall be in full force and effect as of the date hereof.

8. NOTIFICATION AND DEFENSE OF CLAIM.

8.1 Promptly after receipt by Indemnitee of notice of the commencement of any action, suit or proceeding, Indemnitee will, if a claim in respect thereof is to be made against the Company under this Agreement, notify the Company of the commencement hereof; but the omission so to notify the Company will not relieve it from any liability which it may have the Indemnitee otherwise than under this Agreement. With

Table of Contents

respect to any such action, suit or proceeding as to which Indemnitee notifies the Company of the commencement thereof and without limitation of Section 2.1:

8.1.1 The Company will be entitled to participate therein at its own expense; and

8.1.2 Except as otherwise provided below, to the extent that it may wish, the Company jointly with any other indemnifying party similarly notified will be entitled to assume the defense thereof, with counsel reasonably satisfactory to Indemnitee. After notice from the Company to Indemnitee of its election to assume the defense thereof, the Company will not be liable to Indemnitee under this Agreement for any legal or other expenses subsequently incurred by Indemnitee in connection with the defense thereof other than reasonable costs of investigation or as otherwise provided below. Indemnitee shall have the right to employ its counsel in such action, suit or proceeding, but the fees and expenses of such counsel incurred after notice from the Company of its assumption of the defense thereof shall be at the expense of Indemnitee unless: (i) the employment of counsel by Indemnitee has been authorized by the Company; (ii) Indemnitee shall have reasonably concluded that there may be a conflict of interest between the Company and the Indemnitee in the conduct of the defense of such action; or (iii) the Company shall not in fact have employed counsel to assume the defense of such action, in each of which cases the fees and expenses of counsel shall be at the expense of the Company. The Company shall not be entitled to assume the defense of any action, suit or proceeding brought by or on behalf of the Company or as to which the Indemnitee shall have made the conclusion provided for in (ii) above.

8.2 The Company shall not be liable to indemnify the Indemnitee under this Agreement for any amounts paid in settlement of any action or claim effected without its written consent. The Company shall not settle any action or claim in any manner which would impose any penalty or limitation on the Indemnitee without the Indemnitee's written consent. Neither the Company nor the Indemnitee will unreasonably withhold their consent to any proposed settlement.

9. NON-EXCLUSIVITY.

9.1 The rights of the Indemnitee hereunder shall not be deemed exclusive of any other rights he or she may have under the Company's Articles of Association or applicable law or otherwise, and to the extent that during the Indemnification Period the rights of the then existing directors and Office Holders are more favorable to such directors or Office Holders than the rights currently provided thereunder or under this Agreement to Indemnitee, Indemnitee shall be entitled to the full benefits of such more favorable rights.

10. BINDING EFFECT.

10.1 This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors, assigns, including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business and/or assets of the Company, spouses, heirs and personal and legal representatives. This Agreement shall continue in effect during the Indemnification Period, regardless of whether Indemnitee continues to serve as an Office Holder or director of the Company or of any other enterprise at the Company's request.

11. SEVERABILITY.

11.1 The provisions of this Agreement shall be severable in the event that any provision hereof (including any provision within a single section, paragraph or sentence) is held by a court of competent jurisdiction to be invalid, void or otherwise unenforceable, and the remaining provisions shall remain enforceable to the fullest extent permitted by law.

12. GOVERNING LAW, JURISDICTION.

12.1 This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Israel. The parties hereto irrevocably submit to the exclusive jurisdiction of the courts of Tel-Aviv in any action related to this Agreement.

13. ENTIRE AGREEMENT AND TERMINATION.

13.1 This Agreement represents the entire agreement between the parties; and there are no other agreements, contracts or understandings between the parties with respect to the subject matter of this Agreement.
