The board of directors of Rentrak Corporation ("Rentrak") is furnishing this proxy statement and the accompanying 2005 Annual Report to Shareholders, notice of annual meeting, and the enclosed proxy card in connection with the board's solicitation of proxies for use at Rentrak's 2005 Annual Meeting of Shareholders (the "Annual Meeting"). The Annual Meeting will be held Thursday, August 25, 2005, at 10:00 a.m. Pacific Daylight Time, at Rentrak's executive offices, located on the fourth floor at One Airport Center, 7700 N.E. Ambassador Place, Portland, Oregon 97220.

Solicitation and Revocation of Proxies

Edgar Filing: RENTRAK CORP - Form DEF 14A

Shares represented by a proxy card that is properly dated, executed and returned will be voted as directed on the proxy. If no direction is given, proxies will be voted FOR each of the director nominees selected by the board of directors and FOR approval of the 2005 Stock Incentive Plan. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters. Any proxy given by a shareholder may be revoked at any time prior to its use by execution of a later-dated proxy delivered to Rentrak's Secretary, by vote in person at the Annual Meeting, or by written notice of revocation delivered to Rentrak's Secretary.

Rentrak's board of directors has selected the two persons named on the enclosed proxy card to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying Rentrak 2005 Annual Report to Shareholders are being mailed on or about July 21, 2005 to shareholders of record on June 24, 2005.

Purposes of the Annual Meeting

The Annual Meeting has been called for the following purposes:

- o To elect a board of directors consisting of six members, each to serve until the next annual meeting of shareholders and until his or her successor is duly elected and qualified;
- o To consider and approve the 2005 Stock Incentive Plan;
- o To hear reports from various officers of Rentrak; and
- o To transact such other business as may properly come before the meeting or any adjournments thereof.

Section 2.3.1 of Rentrak's 1995 Restated Bylaws, as amended, sets forth procedures to be followed for introducing business at a shareholders meeting. Rentrak has no knowledge of any other matters that may be properly presented at the Annual Meeting. If other matters do properly come before the Annual Meeting in accordance with the 1995 Restated Bylaws, the persons named in the proxy card will vote your proxy in accordance with their judgment on such matters in the exercise of their sole discretion.

-1-

Record Date and Shares Outstanding

Only shareholders of record at the close of business on June 24, 2005, (the "Record Date"), are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, 10,550,395 shares of Rentrak common stock were outstanding. For information regarding the ownership of Rentrak common stock by holders of more than five percent of the outstanding shares and by Rentrak's directors and executive officers, see "Security Ownership of Certain Beneficial Owners and Management."

Voting; Quorum; Vote Required

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of Rentrak's outstanding shares of common stock is necessary to

Edgar Filing: RENTRAK CORP - Form DEF 14A

constitute a quorum at the Annual Meeting. Assuming the existence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, will be required to elect persons nominated to be directors. The 2005 Stock Incentive Plan will be approved if the votes cast at the Annual Meeting in favor of approving the plan, in person or by proxy, exceed the votes cast opposing approval of the plan.

Effect of Abstentions

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, only votes cast in favor of a nominee for director will have an effect on the outcome of the election of directors. Abstention will also have no effect on the outcome of the vote on the 2005 Stock Incentive Plan.

Effect of Broker Non-Votes

If a broker holds your shares in street name, you should instruct your broker how to vote. A broker non-vote occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy but does not vote on a proposal because the nominee does not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the beneficial owner. Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present, but will have no effect on the outcome of the election of directors or the vote on the 2005 Stock Incentive Plan.

2006 Shareholder Proposals

The deadline for shareholders to submit proposals to be considered for inclusion in the proxy statement for the 2006 Annual Meeting of Shareholders is March 23, 2006. To be considered at the 2006 Annual Meeting of Shareholders, Section 2.3.1 of Rentrak's 1995 Bylaws, as amended, requires shareholders to deliver notice of all proposals, nominations for director and other business to Rentrak's principal executive office no later than 60 calendar days (or by June 26, 2006) and no earlier than 90 calendar days prior to the first anniversary of the date of the 2005 Annual Meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

Rentrak's 1995 Restated Bylaws, as amended, provide that its board of directors shall consist of six members. The board of directors has nominated the individuals named below to fill the six positions. If for any reason any of the nominees named below should become unavailable for election (an event that the board does not anticipate), proxies will be voted for the election of such substitute nominee as the board in its discretion may recommend. Proxies cannot be voted for more than six nominees. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term.

Our current directors, Judith Allen, Cecil Andrus, George Kuper, Paul Rosenbaum, Ralph Shaw and Stanford Stoddard, have been nominated to stand for re-election as directors. Directors are re-elected annually to serve until the next annual meeting of shareholders and until their successors are duly elected and qualified.

Edgar Filing: RENTRAK CORP - Form DEF 14A

The board of directors has determined that each of the nominees for director named below, other than Mr. Rosenbaum, is an "independent director" under Rule 4200(a) (15) of the Nasdaq listing standards.

The board of directors recommends a vote "FOR" the election of each of the following nominees for director:

Mr. Andrus has served as a director of Rentrak since 2000 and is also a director of Coeur d'Alene Mines Corporation and PCS Edventures!.com, Inc.

Mr. Kuper was a founder of the National Center for Manufacturing Sciences and executive director of the National Center for Productivity, a Presidential appointment. He served in the Michigan Legislature from 1972 to 1978, during which he chaired the House Judiciary Committee, was legal counsel to the Speaker of the House and wrote and sponsored the Michigan Administrative Procedures Act. Additionally, Mr. Rosenbaum also served on the National Conference of Commissioners on Uniform State Laws, as vice chairman of the Criminal Justice and Consumer Affairs Committee of the National Conference of State Legislatures, and on a committee of the Michigan Supreme Court responsible for reviewing local court rules. From 1980 to 1986 he served on the Board of Trustees of Springfield College. Mr. Rosenbaum also is the CEO of SWR Corp., which he founded in 1994. SWR Corp. is based in Michigan and designs, sells, and markets specialty industrial chemicals.

RALPH R. SHAW (age 66). Mr. Shaw has been president of Shaw Management Company, an investment counseling firm located in Portland, Oregon, since 1980, and general partner of a succession of four venture capital funds beginning in 1983. He is currently chairman of MTC Capital Corporation, the holding company for Michigan Trust Bank. He graduated from the University of Michigan with a B.A. in business administration. Mr. Stoddard has served as a director of Rentrak since 2001.

PROPOSAL 2

APPROVAL OF 2005 STOCK INCENTIVE PLAN

Background

Our board of directors adopted the Rentrak Corporation 2005 Stock Incentive Plan (the "Plan") in June 2005, subject to shareholder approval at the Annual Meeting. The Plan is intended to replace the 1997 Non-Officer Employee Stock Option Plan (the "Non-Officer Plan") and the 1997 Equity Participation Plan (the "Equity Plan" and, together with the Non-Officer Plan, the "Prior Plans"). If the Plan is approved by the shareholders, it will become effective on August 25, 2005. A copy of the Plan is attached to this proxy statement as Appendix A.

As with the Prior Plans, the Plan is intended to promote the interests of Rentrak and its shareholders by enabling us to attract, retain and reward officers and other key employees, nonemployee directors and outside consultants and to align their interests with the interests of our shareholders. Although the Plan is similar to the Equity Plan, incentive stock options (the type of award most often granted under the Equity Plan) will no longer be available for grant after February 27, 2007 (ten years after adoption of the Equity Plan) under applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"). Also, although the Non-Officer Plan is not subject to these limitations, the only awards authorized for grant are nonqualified stock options and the only persons eligible to receive grants are non-officer employees. Due to these limitations, the board decided to seek shareholder approval of a new equity-based compensation plan at the Annual Meeting to assure Rentrak's continued ability to offer appropriate stock-based incentive compensation to eligible participants.

The Plan provides for awards of both incentive and nonqualified stock options, stock appreciation rights ("SARs"), restricted stock or units with time-based vesting, and performance shares with vesting tied to attainment of performance goals. It also authorizes the creation of other awards with characteristics to be determined, allowing for development of new types of equity-based awards in response to changes in tax laws, accounting rules, or the compensation structures of peer companies. Stock options, SARs, and performance awards may be designed, in the discretion of the committee administering the Plan, to qualify as performance-based compensation under Section 162(m) of the

Edgar Filing: RENTRAK CORP - Form DEF 14A

Code. Section 162(m) provides that compensation, other than performance-based compensation, paid to the five highest-paid executive officers of a public company in excess of \$1,000,000 per individual per year is not deductible for purposes of federal income tax. The Plan also includes provisions to address recently enacted tax legislation relating to deferred compensation, codified as Section 490A of the Code.

Up to a total of 1,000,000 shares of Rentrak common stock may be issued pursuant to awards granted under the Plan, subject to adjustment for changes in capitalization. In addition, shares covered by outstanding stock options under the Prior Plans that are cancelled, terminate, or otherwise expire without being exercised will become available for grants of new awards under the Plan. At June 15, 2005, there were approximately 1,595,381 shares subject to outstanding options under the Prior Plans. If the Plan is approved by Rentrak's shareholders, no further awards will be made under the Prior Plans, under which a total of approximately 385,000 shares are presently available for future grants. Additional information regarding the Prior Plans is set forth in the tables under the headings "Option Grants in Last Fiscal Year, Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values," and "Equity Compensation Plan Information" below.

-4-

Plan Highlights

Independent Committee Administration. The Plan will be administered by a committee of non-employee directors all of whom satisfy the criteria to be an independent director under Rule 4350(c) (3) of the Nasdaq listing standards, a "non-employee director" under Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and an "outside director" under Section 162(m) of the Code.

No Option Repricing. The Plan prohibits the repricing of stock options other than in connection with adjustments for a change in Rentrak's capitalization.

No Discount Options or SARs. Stock options or SARs may not be granted with an exercise or base price less than the fair market value of Rentrak's common stock on the date of grant. The closing sale price for Rentrak's common stock reported on The Nasdaq Stock Market on June 15, 2005, was \$8.81.

Shares Available For Restricted Share and Restricted Stock Unit Awards Are Limited. The Plan limits the total number of shares available for restricted share and restricted stock unit awards over the life of the Plan to 500,000 shares. Due to changes in the accounting treatment of stock options that will go into effect at the beginning of Rentrak's next fiscal year, the Committee intends to explore alternatives to option grants in considering future awards of equity-based compensation, which may result in a shift in whole or in part to restricted share awards or performance awards.

Amendment of the Plan. Rentrak's board of directors may amend, suspend or terminate the Plan or any portion of the Plan at any time, except that no amendment may be made without shareholder approval if such approval is required by applicable law or the listing requirements of an applicable stock exchange or registered securities association.

General Information

Plan Administration. The Plan will be administered by the

Edgar Filing: RENTRAK CORP - Form DEF 14A

Compensation Committee of Rentrak's board of directors (the "Committee"), unless the board appoints a different committee to administer the Plan. The Committee will establish the terms and conditions of awards granted under the Plan, subject to limitations set forth in the Plan. The Committee may delegate to an Option Committee made up of one or more directors, who may also be officers or other employees of Rentrak, certain authority under the Plan, including the authority to grant awards to eligible employees who are not subject to stock ownership reporting requirements under Section 16(a) of the Exchange Act.

Eligible Participants. The Plan provides for the grant of stock options and other stock-based awards to Rentrak's officers, other key employees, and non-employee directors of Rentrak or one of its subsidiaries. Outside consultants or advisers who provide services to Rentrak or a subsidiary, other than services of a capital-raising nature, are also eligible to receive awards under the Plan. No awards have been allocated or granted under the Plan as of the date of this proxy statement. At June 15, 2005, approximately 215 employees and five non-employee directors were considered eligible to participate in the Plan. Unlike the Equity Plan, the Plan does not provide for automatic annual grants of nonqualified stock options to non-employee directors; awards to non-employee directors under the Plan will be made in the Committee's sole discretion.

Shares Available for Grant. Up to a total of 1,000,000 shares of Rentrak's common stock, plus a number of shares equal to the shares covered by outstanding options under the Prior Plans that are cancelled, terminate, or otherwise expire without being exercised, may be issued to eligible participants in the Plan.

If there is a stock split, stock dividend or other relevant change affecting Rentrak's shares, the Committee, in its sole discretion, may make appropriate adjustments in the number of shares that may be issued in the future and in the number of shares and exercise or base price of all awards then outstanding. Options or SARs granted under the Plan to a single individual in any fiscal year may cover up to a total of 200,000 shares.

If all or a portion of an award granted under the Plan is cancelled, terminates or otherwise expires without being exercised or shares being issued, the shares covered by that award or applicable portion will become available for future awards. In addition, shares subject to an award that is paid in cash or exchanged for another award may be used for future awards under the Plan. Shares will not be added back to the Plan if a participant pays the exercise price of an award or his or her tax withholding obligations by delivering shares of Rentrak common stock he or she already owns, by surrendering other outstanding vested awards under the Plan, or by reducing the number of shares otherwise vested under the award.

-5-

Types of Awards

The types of awards that may be granted by the Committee under the Plan include:

Options. Options to purchase Rentrak common stock may be incentive stock options ("ISOs") meeting the requirements of Section 422 of the Code, or nonqualified options which are not eligible for such tax-favored treatment. ISOs may be granted only to employees of Rentrak or one of its subsidiaries. The Plan does not specify a maximum term for nonqualified options, but under current law ISOs must expire not more than ten years from the date of grant. For all options, the exercise price per share must be not less than 100% of the fair

Edgar Filing: RENTRAK CORP - Form DEF 14A

market value of a share of Rentrak common stock on the date the option is granted. The award agreement relating to an option may, in the Committee's discretion, provide that if an option is exercised using shares already owned by the participant in payment of the exercise price, the recipient will automatically be granted a replacement option (a "reload option") for a number of shares equal to the number (or a portion of the number) of shares surrendered with an exercise price equal to the fair market value of Rentrak common stock on the date of grant.

Stock Appreciation Rights ("SARs"). A recipient of SARs will receive upon exercise an amount equal to the excess (or specified portion thereof) of the fair market value of a share of Rentrak common stock on the date of exercise over the base price, multiplied by the number of shares as to which the rights are exercised. The base price will be designated by the Committee in the award agreement and must be equal to or greater than the fair market value of a share of Rentrak common stock on the date of grant. Payment may be in cash, in shares of common stock, or in any other form approved by the Committee, provided that payment may be made in a form other than shares of common stock only if the Committee determines that such form of payment will comply with the requirements of Section 409A of the Code relating to deferred compensation. SARs may be granted in connection with options or other awards or may be granted as independent awards.

Restricted Awards. Restricted awards may take the form of restricted shares or restricted stock units. Restricted shares are shares of Rentrak common stock that are subject to such limitations as the Committee deems appropriate, including restrictions on sale or transfer. Restricted shares may be subject to forfeiture in the event the recipient terminates employment or service as a director or consultant during a specified period. Stock certificates representing restricted shares are issued in the name of the recipient but are held by Rentrak until the expiration of any restrictions. From the date of issuance of restricted shares, the recipient is entitled to the rights of a shareholder with respect to such shares, including voting and dividend rights.

Restricted stock units are awards of units equivalent in value to a share of Rentrak common stock, which similarly may be subject to forfeiture if the recipient terminates employment or service as a director or consultant during a specified period. At the expiration of such period, payment is made with respect to restricted stock units in an amount equal to the value of the number of shares covered by the units. Payment may be in cash or unrestricted shares of Rentrak common stock or in any other form approved by the Committee. The Committee will establish the terms and conditions of restricted stock units so that they will comply with the requirements of Section 409A of the Code.

Performance Awards. Performance awards are granted in units equivalent in value to a share of Rentrak common stock. A performance award is subject to forfeiture if or to the extent the recipient fails to meet certain performance goals during a designated performance cycle. Performance awards earned by attaining performance goals are paid at the end of a performance cycle in cash or shares of Rentrak common stock or in any other form approved by the Committee.

In the case of performance awards granted to executive officers, the Committee, in its sole discretion, may impose performance goals relating to corporate performance, business unit performance, or a combination of both, in order to qualify the awards as performance-based compensation under Section 162(m) of the Code. Such corporate performance goals will be based on financial performance goals related to the performance of Rentrak as a whole, and may include one or more measures related to earnings, profitability, efficiency, or return to shareholders, such as earnings per share, operating profits, stock price, or costs of production. Business unit performance goals will be based on a combination of financial goals and strategic goals related to the performance

Edgar Filing: RENTRAK CORP - Form DEF 14A

of an identified business unit for which a participant has responsibility. Strategic goals for a business unit may include one or a combination of objective factors relating to success in implementing strategic plans or initiatives,

-6-

introducing products, constructing facilities, or other identifiable objectives. Financial goals for a business unit may include the degree to which the business unit achieves one or more objective measures related to its revenues, earnings, profitability, efficiency, operating profit, or costs of production. Any corporate or business unit goals may be expressed as absolute amounts or as ratios or percentages. Success in achieving such goals may be measured against various standards, including budget targets, improvement over prior periods, and performance relative to other companies, business units, or industry groups. Approval of the Plan by the shareholders at the Annual Meeting will constitute approval of the foregoing performance goals under Section 162(m) of the Code, if required.

Other Stock-Based Awards. The Committee may grant other awards that involve payments or grants of shares of Rentrak common stock or are measured by or in relation to shares of common stock. The Plan provides flexibility to design new types of stock-based or stock-related awards to attract and retain employees, directors and consultants in a competitive environment.

Adjustments for Changes in Capitalization; Change in Control

In the event of a change in capitalization, the Committee may make such proportionate adjustments in the aggregate number of shares for which awards may be granted under the Plan, the maximum number of shares that may be awarded to any participant, and the number of shares covered by, and the exercise or base price of, any outstanding awards, as the Committee in its sole discretion deems appropriate.

The Committee, in its discretion, may provide in any award agreement for acceleration of vesting of the award if a change in control (as defined in the award agreement or, if not so defined, as defined in the Plan) of Rentrak occurs. An award agreement may also include provisions to deal with outstanding awards in the event of a significant corporate transaction involving Rentrak, such as a merger, sale of substantially all of Rentrak's assets, or dissolution or liquidation of Rentrak.

Duration, Termination and Amendment of the Plan

The Plan will remain in effect until awards have been granted covering all available shares under the Plan or the Plan is otherwise terminated by the board of directors. The board may terminate the Plan at any time, but any such termination will not affect any outstanding awards. The board may also amend the Plan from time to time, provided that no amendment may be made without shareholder approval if such approval is required by applicable rules and regulations of a stock exchange or registered securities association.

New Plan Benefits

No determinations regarding awards to be made to eligible participants under the Plan have been made as of the date of this proxy statement.

Federal Income Tax Consequences of Awards

Edgar Filing: RENTRAK CORP - Form DEF 14A

The following discussion summarizes the principal anticipated federal income tax consequences of grants of awards under the Plan to participants and to Rentrak.

Tax Consequences to Participants

Incentive Stock Options. ISOs granted under the Plan are intended to meet the requirements of Section 422 of the Code. No taxable income results to a participant upon the grant of an ISO or upon the issuance of shares when the ISO is exercised. The amount realized on the sale or taxable exchange of such shares in excess of the exercise price will be considered a capital gain and any loss will be a capital loss, except that if the sale or exchange occurs within one year after exercise of the ISO or two years after grant of the ISO, the participant will recognize compensation taxable at ordinary income tax rates measured by the amount by which either (a) the fair market value on the date of exercise or (b) the amount realized on the sale of the shares, whichever is less, exceeds the exercise price. For purposes of determining alternative minimum taxable income, an ISO is treated as a nonqualified option.

-7-

Nonqualified Options. No taxable income is recognized upon the grant of a nonqualified option. In connection with the exercise of a nonqualified option, a participant will generally realize ordinary compensation income (self-employment income for non-employee directors) measured by the difference between the fair market value of the shares acquired on the date of exercise and the exercise price. The participant's cost basis in the acquired shares is the fair market value of the shares on the exercise date. Any gain upon sale of the shares is capital gain and any loss will be a capital loss.

Payment of Exercise Price in Shares. The Committee may permit participants to pay all or a portion of the exercise price of an option using previously-acquired shares of Rentrak common stock. If an option is exercised and payment is made in previously held shares, there is no taxable gain or loss to the participant other than any gain recognized as a result of exercise of the option, as described above.

Stock Appreciation Rights. The grant of a SAR to a participant will not cause the recognition of income by the participant. Upon exercise of a SAR, the participant will recognize ordinary income equal to the amount of cash payable to the participant plus the fair market value of any shares delivered to the participant.

Restricted Awards and Performance Awards. In the case of restricted awards and performance awards, in general, a participant will not recognize any income upon issuance of an award. Generally, the participant will be required to recognize ordinary compensation income at the date or dates, if any, that shares vest in an amount equal to the value of such shares plus any cash received at the date of vesting.

Tax Consequences to Rentrak

To the extent participants qualify for capital gains treatment with respect to the sale of shares acquired pursuant to exercise of an ISO, Rentrak will not be entitled to any tax deduction in connection with ISOs. In all other cases, Rentrak will be entitled to receive a federal income tax deduction at the same time and in the same amount as the amount which is taxable to participants as ordinary income with respect to awards.

Edgar Filing: RENTRAK CORP - Form DEF 14A

The information in this proxy statement concerning federal income tax consequences is intended only for the general information of shareholders. Participants in the Plan should consult their own tax advisers, as federal income tax consequences may depend on the particular terms of individual awards and the specific circumstances of individual participants.

Board Recommendation and Vote Required

The board of directors recommends a vote for approval of the Plan. If a quorum is present at the Annual Meeting, the Plan will be approved upon the affirmative vote of a majority of the total votes cast upon the proposal at the meeting. Abstentions and shares represented by duly executed and returned proxies of brokers or other nominees which are expressly not voted on Proposal 2 will have no effect on the required vote.

COMMITTEES AND MEETINGS OF THE BOARD

The board of directors has established several standing committees, including an Audit Committee, a Compensation Committee, a Finance Committee, and a Nominating and Governance Committee. During the fiscal year ended March 31, 2005, the board of directors held six meetings. Each director attended at least 75% of the total number of meetings held by the board of directors and the board committees on which he or she served during fiscal 2005.

The board of directors has adopted corporate governance guidelines, which state that directors are expected to attend all meetings of the board of directors, including our annual meetings of shareholders. All directors attended the annual meeting held in August 2004.

Audit Committee

The Audit Committee's activities are governed by a formal written charter revised by the board of directors on June 25, 2004. A copy of the Audit Committee charter is available on Rentrak's website under "Investor Relations" at www.rentrak.com. The Audit Committee held six meetings during the fiscal year ended March 31, 2005.

The Audit Committee is currently comprised of Mr. Andrus (Chair), Mr. Shaw and Mr. Stoddard, each of whom meets the financial literacy and independence requirements for audit committee membership specified in the Nasdaq listing standards. The board of directors has determined that Mr. Shaw is qualified to be an "audit committee financial expert" as defined in the rules of the Securities and Exchange Commission (the "SEC").

The Audit Committee makes decisions regarding the engagement or discharge of Rentrak's independent auditors, reviews and pre-approves audit and legally-permitted non-audit services provided by the independent auditors, and oversees the integrity of Rentrak's financial statements and other financial information, its systems of internal accounting and financial controls, and the independence and performance of Rentrak's independent auditors. The Audit Committee is also responsible for establishing procedures for the receipt and handling of complaints about accounting and auditing matters and for reviewing potential conflicts of interest and reports of ethical violations regarding Rentrak's directors, officers and employees.

Compensation Committee

Edgar Filing: RENTRAK CORP - Form DEF 14A

The Compensation Committee is currently comprised of Ms. Allen (Chair), Mr. Andrus and Mr. Shaw. The Compensation Committee is responsible for approving and evaluating Rentrak's director and officer compensation plans, policies and programs, evaluating the performance of Rentrak's management, and making compensation decisions regarding Rentrak's executive employees. During the fiscal year ended March 31, 2005, the Compensation Committee held two meetings. James G. Petcoff served on the Compensation Committee until his retirement from the board of directors as of the annual meeting held in August 2004, following which Ms. Allen and Mr. Shaw joined the Committee.

Nominating and Governance Committee

The Nominating and Governance Committee (the "Nominating Committee") is comprised of Mr. Kuper as Chair and Ms. Allen and Mr. Andrus as its two other members. The board of directors has determined that each of these directors is independent as defined in Rule 4200(a)(15) of the Nasdaq listing standards. The Nominating Committee is governed by a written charter approved by the board of directors on June 25, 2004. The charter is available on Rentrak's website under "Investor Relations" at www.rentrak.com. The Nominating Committee held two meetings during the fiscal year ended March 31, 2005.

The Nominating Committee is responsible for identifying individuals qualified to become directors of Rentrak and recommending to the board of directors candidates for election and for recommending individuals to serve on each board committee. It is also responsible for developing for board approval a set of corporate governance guidelines addressing board organizational issues, committee structure and membership, and succession planning for Rentrak's chief executive officer position.

The Nominating Committee has not adopted any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the Nominating Committee will take into account all factors that it considers appropriate, including strength of character, maturity of judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoints, industry knowledge, and the highest personal and professional ethics, integrity and sound business judgment.

In determining whether to recommend nomination of current directors for re-election, the Nominating Committee will perform periodic evaluations of individual directors. Non-employee directors are generally expected to retire upon reaching age 75 or completing ten years of service, whichever is later. Directors who are also employees will generally be expected to resign upon termination of employment, although the board of

-9-

directors may make an exception to this policy for a former chief executive officer if it believes it to be in the best interests of Rentrak.

When the Nominating Committee is required to identify new director candidates, because of a vacancy or a desire to expand the board, the Nominating Committee will poll current directors for suggested candidates. The Nominating Committee has not hired a third-party search firm to date, but has the authority to do so if it deems such action to be appropriate. Once potential candidates are identified, the Nominating Committee will conduct interviews with the candidates and perform such investigations into the candidates' background as the Nominating Committee deems appropriate.

The Nominating Committee will consider director candidates suggested by shareholders for nomination by the board of directors. Shareholders wishing to

Edgar Filing: RENTRAK CORP - Form DEF 14A

suggest a candidate to the Nominating Committee should do so by sending the candidate's name, biographical information, and qualifications to: Chair of Nominating Committee, in care of Mark L. Thoenes, Senior Vice President, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Candidates suggested by shareholders will be evaluated by the same criteria and process as candidates from other sources.

Finance Committee

The Finance Committee is comprised of Mr. Shaw (Chair) and Messrs. Kuper and Rosenbaum. It is responsible for evaluating strategic financial issues facing Rentrak. During the fiscal year ended March 31, 2005, the Finance Committee met three times.

CODE OF ETHICS

Rentrak has adopted a Code of Ethics for Senior Financial Officers ("Code of Ethics"), which is applicable to its chief executive officer, president, principal financial officer, and principal accounting officer. The Code of Ethics focuses on honest and ethical conduct, the adequacy of disclosure in Rentrak's financial reports, and compliance with applicable laws and regulations. The Code of Ethics is included as part of our Code of Business Conduct approved by the board of directors, which is generally applicable to all directors, officers, and employees of Rentrak. The Code of Business Conduct and Code of Ethics are available on Rentrak's website under "Investor Relations" at www.rentrak.com and are administered by the Audit Committee.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Communications by shareholders to the board of directors should be sent to the attention of the Chair of the Nominating and Governance Committee, in care of Mark L. Thoenes, Senior Vice President, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Such communications will be forwarded unopened to the individual occupying that position. The Chair of the Nominating Committee will be responsible for responding to or forwarding such communications as appropriate, including communications directed to individual directors or board committees. Communications will not be forwarded if the Chair of the Nominating and Governance Committee determines that they do not appear to be within the scope of the board's (or such other intended recipient's) responsibilities or are otherwise inappropriate or frivolous.

- (1) Options granted include both incentive stock options and nonqualified stock options.
- (2) These calculations are based on certain assumed annual rates of appreciation as required by SEC rules governing the disclosure of executive compensation. Under these rules, an assumption is made that the market price of the shares underlying the stock options shown in this table could appreciate at rates of 5% and 10% per annum on a compounded basis over the five or ten-year term of the stock options. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock of Rentrak and overall market conditions. There can be no assurance that the gains reflected in this table will be achieved.
- (3) Option vests in four equal annual installments.
- (4) The exercise price per share is equal to the closing sales price on the date of grant.

The value of in-the-money options is based on the difference between the exercise price of such options and the closing price of Rentrak common stock on March 31, 2005, which was \$11.08 per share. Equity Compensation Plan Information

The following table sets forth additional information as of March 31, 2005, about shares of Rentrak common stock that may be issued upon the exercise of options, warrants, and other rights under existing equity compensation plans and arrangements, divided between plans approved by Rentrak's shareholders and plans or arrangements not submitted to the shareholders for approval. The table does not reflect shares that may become issuable under the 2005 Stock Incentive Plan if it is approved at the Annual Meeting. If the plan is approved, no additional grants will be made under the 1997 Equity Participation Plan or the 1997 Non-Officer Employee Stock Option Plan, but shares subject to awards outstanding under those plans that expire without exercise will become available for new grants under the new plan. See "Proposal 2--Approval of 2005 Stock Incentive Plan" above.

Total	1,600,993 =====	\$5.62 =====	478,067 =====

(1) Equity compensation plans approved by shareholders include the 1986 Second Amended and Restated Stock Option Plan, as amended, and the 1997 Equity Participation Plan, as amended.

(2) Equity compensation plans or arrangements approved by Rentrak's board of directors but not submitted for shareholder approval include (a) the 1997 Non-Officer Employee Stock Option Plan and (b) warrants to purchase 30,000 shares of Common Stock with a purchase price of \$7.50 per share and an expiration date of May 16, 2009, issued to an investment banking firm as partial consideration for financial advisory services in connection with strategic opportunities or financing transactions of potential interest to Rentrak.

The 1997 Non-Officer Employee Stock Option Plan provides for the issuance of up to 800,000 shares of Common Stock pursuant to nonstatutory options granted to employees or consultants of Rentrak who are not officers or directors of Rentrak. The Compensation Committee determines the terms of each option grant, including the numbers of shares covered, the exercise price, the expiration date, and provisions regarding vesting and exercisability following termination of employment.

Compensation of Directors

Each non-employee director of Rentrak Corporation ("Rentrak") receives an annual retainer of \$20,000; non-employee directors who serve on the Audit Committee receive an additional retainer of \$2,500. Non-employee directors are also paid \$500 for each board meeting they attend in person or by telephone conference call. Each director who serves on a board committee is paid \$500 for attending each in-person or telephone conference committee meeting. Rentrak also reimburses directors for their travel expenses for each meeting attended in person.

Under Rentrak's 1997 Equity Participation Plan, each non-employee director receives an automatic grant, at the beginning of each fiscal year, of a stock option exercisable for 10 years, subject to earlier termination if the director ceases to be a director. The option entitles the director to purchase 10,000 shares of Rentrak common stock at a purchase price equal to the fair market value of Rentrak's stock on the date of grant and becomes exercisable in full one year after the date of grant. Each chair of a board committee simultaneously

Edgar Filing: RENTRAK CORP - Form DEF 14A

receives an option to purchase an additional 2,500 shares on the same terms. Accordingly, on April 1, 2004, Mr. Andrus received an option for 12,500 shares and Messrs. Kuper and Stoddard each received an option for 10,000 shares. Each of these options were granted at an exercise price of \$9.00 per share and became exercisable in full one year after the date of grant. On November 8, 2004, Ms. Allen and Mr. Shaw each received a discretionary grant of an option for 5,000 shares at an exercise price of \$10.13 per share exercisable in full one year after grant.

-18-

If the 2005 Stock Incentive Plan is adopted, automatic option grants to non-employee directors will cease and stock awards to non-employee directors will be made in the discretion of the Compensation Committee.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

PAUL ROSENBAUM. Rentrak entered into an employment agreement effective October 1, 2001, with Mr. Rosenbaum relating to his employment as Chairman and Chief Executive Officer. The agreement has been extended pursuant to annual renewal provisions to September 30, 2006. In the event of a change in control of Rentrak, the term of the agreement will be automatically extended to December 31 of the third calendar year following the year in which the change in control occurs. A change in control includes (1) the acquisition by a person or group of beneficial ownership of 25% or more of the combined voting power of Rentrak's then outstanding capital stock, (2) the election of directors a majority of whom are not individuals nominated by Rentrak's then incumbent directors, and (3) the approval by Rentrak's shareholders of a plan of complete liquidation, a sale of substantially all of Rentrak's assets, or a merger or similar transaction other than a transaction in which Rentrak's shareholders continue to hold at least 75% of the combined voting power of the voting securities of the surviving entity immediately following the transaction, in each case unless the event otherwise constituting a change in control has been approved by two-thirds of Rentrak's directors then in office. The agreement with Mr. Rosenbaum provides for an annual base salary of \$450,000, subject to annual review by the board of directors in its sole discretion as to whether to increase (but not decrease) his base salary level. The agreement also provides for the lease of an automobile for use by Mr. Rosenbaum and for employee benefits available to officers and other management employees generally. Upon termination of Mr. Rosenbaum's employment by reason of death, his estate will be entitled to a lump sum payment of \$500,000 less any amounts payable under any life insurance policies purchased by Rentrak for the benefit of Mr. Rosenbaum's dependents. Upon termination of Mr. Rosenbaum's employment by Rentrak without cause or by Mr. Rosenbaum with good reason before a change in control of Rentrak occurs, Mr. Rosenbaum will be entitled to an additional 12 months' salary and benefits as long as Mr. Rosenbaum does not compete with Rentrak during that 12-month period. Cause is defined as a material breach of the agreement by Mr. Rosenbaum, his failure to comply with Rentrak's general policies or standards or to perform any job duties, a felony conviction or plea of no contest, or any act by Mr. Rosenbaum constituting fraud, dishonesty involving Rentrak, or in competition with or materially detrimental to Rentrak. Good reason is defined as Rentrak's failure to comply with the agreement or an act or failure to act by Rentrak that constitutes a substantial adverse change in Mr. Rosenbaum's position or responsibilities or a reduction in his base salary. Upon termination without cause or for good reason following a change in control and during the term of the agreement, Mr. Rosenbaum will be entitled to a lump sum payment equal to three times his annual base salary plus continuation of benefits for three years, subject to reduction to the extent that Mr. Rosenbaum's after-tax benefit

Edgar Filing: RENTRAK CORP - Form DEF 14A

would be larger as a result of the excise tax on excess parachute payments. No severance benefits are payable if Mr. Rosenbaum's employment is terminated by Rentrak for cause or voluntarily by Mr. Rosenbaum other than for good reason.

RON GIAMBRA. In July 2002, Rentrak entered into an employment agreement with Mr. Giambra that provides for his employment as Senior Vice President, Theatrical. As amended, the agreement will expire June 30, 2007. If a change in control of Rentrak occurs during the term of the agreement, the term will be extended to two years following the change in control. A change in control is defined as described above with respect to Mr. Rosenbaum's employment agreement, except that the exception for events approved by Rentrak's board of directors does not apply, the beneficial ownership threshold is 50% rather than 25%, and the sale of Rentrak's theatrical division to a third party also constitutes a change in control, while a change in a majority of Rentrak's directors does not. Mr. Giambra's agreement provides for an initial annual base salary of \$135,000, subject to review for increase each fiscal year by the Compensation Committee. If Mr. Giambra dies, becomes disabled, or terminates his employment voluntarily other than for good reason (as defined), he or his estate will be entitled to accrued salary and other earned compensation through the date of termination and other employee benefits then in effect, plus, in the case of death or disability, accrued bonus for the prior fiscal year to the extent not paid. If his employment is terminated before a change in control of Rentrak occurs, by Rentrak without cause or by Mr. Giambra for good reason, in addition to the compensation payable as described in the preceding sentence upon death or disability, he will be entitled to severance payments equal to his monthly base salary for either 24 months payable in installments or 18 months' base salary payable in a lump sum, at Mr. Giambra's election. Severance payments are conditioned upon Mr. Giambra's execution of a general release of claims against Rentrak. Cause is defined as the commission of an act of fraud, embezzlement, or theft constituting a felony or commission of an act (or failure to act) that is intentionally against Rentrak's interests and causes Rentrak material injury, in each case as determined by the board

-19-

of directors after 60 days' prior written notice to Mr. Giambra of the circumstances believed to constitute cause and an opportunity to make a presentation on his behalf to the board accompanied by legal counsel. Good reason is defined as any reduction in base salary, benefits, severance compensation, the circumstances under which severance would be payable, or Mr. Giambra's right to participate in Rentrak's bonus programs or stock-based compensation plans, or any diminution in his title, position or responsibilities. If Mr. Giambra's employment is terminated at any time within two years after a change in control of Rentrak occurs, either without cause or for good reason, he will be entitled to a lump sum payment equal to 2.99 times his annual base salary, subject to reduction at Mr. Giambra's election to the extent that his after-tax benefit would be larger as a result of the excise tax on excess parachute payments.

CATHY HETZEL. Ms. Hetzel entered into an employment agreement with Rentrak as of March 17, 2004, providing for her employment as Senior Vice President, OnDemand Essentials. The agreement expires February 28, 2007. Ms. Hetzel's agreement provides for an annual base salary of \$220,000, subject to annual review each fiscal year for increase by the Compensation Committee. Ms. Hetzel was also entitled to incentive bonuses upon the attainment of specified performance goals for each of the first two calendar quarters of 2004 and in a discretionary amount as determined by the Compensation Committee for the last six months of 2004, but not less than \$22,000. For calendar 2005, Ms. Hetzel will be eligible for an incentive bonus based upon mutually agreed performance measures in a targeted amount equal to 40% of her base salary. If Ms. Hetzel

Edgar Filing: RENTRAK CORP - Form DEF 14A

dies or becomes disabled (as defined), she or her estate will be entitled to accrued salary and other earned compensation through the date of termination, plus a pro rated portion of her target bonus amount, and other employee benefits then in effect. If Ms. Hetzel's employment is terminated before a change in control of Rentrak occurs, by Rentrak without cause or by Ms. Hetzel for good reason, in addition to the compensation payable as described in the preceding sentence, she will be entitled to severance payments equal to her monthly base salary for the lesser of 24 months or the number of full calendar months remaining in the term. Severance payments are conditioned upon Ms. Hetzel's execution of a general release of claims against Rentrak. Severance payable to Ms. Hetzel will also be reduced by amounts received from a new employer during the severance period. The definition of cause in Ms. Hetzel's agreement is similar to the definition in Mr. Rosenbaum's agreement. The circumstances constituting good reason are also similar. If Ms. Hetzel's employment is terminated during the term of the agreement and after a change in control of Rentrak occurs, either without cause or for good reason, she will be entitled to a lump sum payment equal to two times her annual base salary plus her total bonus compensation for the most recent fiscal year ended prior to the change in control, together with continuation of benefits for two years, subject to reduction to the extent that her after-tax benefit would be larger as a result of the excise tax on excess parachute payments. A change in control is defined as described above with respect to Mr. Rosenbaum's employment agreement, except that the exception for events approved by Rentrak's board of directors does not apply. No severance benefits are payable if Ms. Hetzel's employment is terminated by Rentrak for cause or voluntarily by Ms. Hetzel other than for good reason.

KENNETH PAPAGAN. Mr. Papagan entered into an amended and restated employment agreement with Rentrak as of January 1, 2004, providing for his continued employment as Executive Vice President, Business Development and Strategic Planning. The agreement has an initial term expiring December 31, 2006, subject to automatic extension for two additional years unless Rentrak gives notice of nonrenewal by June 30, 2006. Mr. Papagan's agreement provides for an annual base salary of \$250,000, subject to review for increase each fiscal year by the Compensation Committee. Mr. Papagan was also entitled to incentive bonuses upon the attainment of specified performance goals for each of the first two calendar quarters of 2004 and in a discretionary amount as determined by the Compensation Committee for the last six months of 2004, but not less than \$30,000. For calendar 2005, Mr. Papagan will be eligible for an incentive bonus based upon mutually agreed performance measures in a targeted amount equal to 45% of his base salary. If Mr. Papagan dies or becomes disabled (as defined), he or his estate will be entitled to accrued salary and other earned compensation through the date of termination, a lump sum payment equal to 50% of his annual base salary plus a pro rated portion of his target bonus amount, and other employee benefits then in effect. If Mr. Papagan's employment is terminated before a change in control of Rentrak occurs, by Rentrak without cause or by Mr. Papagan for good reason, in addition to the compensation payable as described in the preceding sentence, he will be entitled to severance payments equal to his monthly base salary for six months plus an additional number of months equal to the number of months remaining in the original term or the renewal term, if applicable. Severance payments are conditioned upon Mr. Papagan's execution of a general release of claims against Rentrak and will terminate if he breaches noncompete provisions in the agreement. Severance payable to Mr. Papagan will also be reduced by amounts received from a new employer during the severance period. The definition of cause in Mr. Papagan's agreement is similar to the definition in Mr. Rosenbaum's agreement. The

Edgar Filing: RENTRAK CORP - Form DEF 14A

circumstances constituting good reason are also similar, with the addition of the failure by Mr. Rosenbaum to continue to be Rentrak's Chief Executive Officer and the relocation of Rentrak's executive offices by more than 35 miles. If Mr. Papagan's employment is terminated during the term of the agreement and after a change in control of Rentrak occurs, either without cause or for good reason, he will be entitled to a lump sum payment equal to three times his annual base salary plus two times his total bonus compensation for the most recent fiscal year ended prior to the change in control, together with continuation of benefits for three years, subject to reduction to the extent that his after-tax benefit would be larger as a result of the excise tax on excess parachute payments. A change in control is defined as described above with respect to Mr. Rosenbaum's employment agreement, except that the exception for events approved by Rentrak's board of directors does not apply. No severance benefits are payable if Mr. Papagan's employment is terminated by Rentrak for cause or voluntarily by Mr. Papagan other than for good reason.

AMIR YAZDANI. Effective July 1, 2001, Rentrak entered into an employment agreement with Mr. Yazdani providing for his employment as Rentrak's Chief Information Officer. The agreement will expire June 30, 2007, subject to automatic extension for one additional year unless notice of nonrenewal is given by either party by December 31, 2005. The agreement provides for an annual base salary of \$206,636, subject to review for increase each fiscal year by the President or CEO. If Mr. Yazdani dies or becomes disabled (as defined), he or his estate will be entitled to accrued salary and other earned compensation through the date of termination, plus the accrued portion of his target bonus amount for that fiscal year, and other employee benefits then in effect. If Mr. Yazdani's employment is terminated before a change in control of Rentrak occurs, by Rentrak without cause or by Mr. Yazdani for good reason, in addition to the compensation payable as described in the preceding sentence, he will be entitled to severance payments equal to his monthly base salary for a period of one year following the date of termination. Severance payments are conditioned upon Mr. Yazdani's execution of a general release of claims against Rentrak. If Mr. Yazdani's employment is terminated by Rentrak other than for cause within two years after a change in control of Rentrak, he will be entitled to receive payments equal to his monthly base salary for a period of one year following the date of termination, subject to reduction to the extent that his after-tax benefit would be larger as a result of the excise tax on excess parachute payments. The terms "good reason" and "cause" have substantially the same meaning as in Mr. Giambra's employment agreement described above. A change in control is defined as described above with respect to Mr. Rosenbaum's employment agreement, except that the exception for events approved by Rentrak's board of directors does not apply.

Consulting and Separation Arrangements with Former President

In January 2005, Mr. Cox submitted his resignation as Rentrak's President and Secretary. Simultaneously, Rentrak entered into a consulting arrangement with Mr. Cox under which he agreed to provide up to 20 hours of consulting services per month in exchange for a monthly fee of \$25,000. The consulting arrangement will terminate on March 31, 2007, unless terminated earlier by Rentrak for cause (including breach of noncompete and confidentiality obligations or material acts of dishonesty involving Rentrak) or by Mr. Cox for any reason. If Mr. Cox dies or becomes disabled prior to March 31, 2007, Rentrak will continue to pay monthly fees under the consulting arrangement until the earlier of March 31, 2007, or a specified portion of the remaining term. Mr. Cox agreed to receive the monthly payments described above in lieu of monthly and lump sum amounts payable to him upon termination of his employment under his employment agreement with Rentrak dated April 1, 2004. Rentrak will also pay the premiums for medical, dental, life, and disability insurance comparable to coverage provided to Mr. Cox while he was an employee through March 31, 2007, unless the consulting arrangement is terminated earlier for cause. Rentrak also provided accommodations to assist Mr. Cox in exercising a portion of his vested

Edgar Filing: RENTRAK CORP - Form DEF 14A

options to purchase shares of Rentrak common stock. The accommodations included the extension of a loan by Rentrak to Mr. Cox in the amount of \$750,000 on February 2, 2005. The loan, which bore interest at the annual rate of 2.78%, was repaid in full with accrued interest of \$5,198 on May 4, 2005. Sales of Mr. Cox's shares of Rentrak common stock on the open market are subject to weekly volume limits through the term of the consulting arrangement.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The "Report of the Compensation Committee on Executive Compensation" shall not be deemed incorporated by reference by any general statement incorporating this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Rentrak specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

-21-

The Compensation Committee of Rentrak is charged with determining the compensation of all executive officers of Rentrak. These decisions are based on Rentrak's executive compensation philosophy. This compensation philosophy has four primary principles: (i) linking executive compensation to the creation of sustainable increases in shareholder value; (ii) providing executive compensation rewards contingent upon organizational performance; (iii) differentiating compensation based on individual contribution; and (iv) encouraging the retention of an experienced management team.

To implement this philosophy, executive compensation has been comprised of three primary components -- annual salary, performance bonuses and a long-term incentive program consisting of stock option grants. Ownership of shares of Rentrak's common stock by executives is encouraged and has formed a significant component of the total executive compensation package. In addition, competitive factors and Rentrak's ability to deduct compensation are considered in determining executive compensation.

Deductibility of Compensation

In considering Rentrak's compensation structure, the Compensation Committee takes into consideration Section 162(m) of the Internal Revenue Code. This provision limits the deductibility of compensation in excess of \$1 million paid to any of a company's five most highly-paid executive officers in a single tax year. Compensation that is "performance-based" or qualifies under certain other exceptions is excluded from the calculation. For example, stock options granted under Rentrak's 1997 Equity Participation Plan or, if approved by Rentrak's shareholders, its 2005 Stock Incentive Plan are structured to qualify as "performance-based compensation" under Section 162(m). Deductibility is, however, only one factor considered by the Compensation Committee in structuring executive compensation consistent with Rentrak's executive compensation philosophy.

Employment Agreements

Rentrak has entered into employment agreements with several of its executive officers. Employment Agreements with current executive officers named in the Summary Compensation Table above are described in more detail above under "Executive Compensation--Employment Contracts and Termination of Employment and Change-in-Control Arrangements."

Annual Salary

Edgar Filing: RENTRAK CORP - Form DEF 14A

Base salary rates are generally established initially in each executive officer's employment agreement and are subject to annual review by the Compensation Committee. Factors considered by the Compensation Committee include the level of duties and responsibilities of each executive officer, the executive officer's experience and prior performance, and competitive factors in Rentrak's industry.

Performance Bonuses

Rentrak has a discretionary bonus program pursuant to which performance bonuses are considered following the end of each fiscal year. Discretionary performance bonuses totaling \$233,000 were awarded to eight executive officers under this program for services during fiscal 2005. In addition, two executive officers received bonuses of \$60,000 and \$44,000, respectively, in accordance with the terms of their employment agreements. One-half of these amounts were paid in connection with the attainment of specified performance goals for the first quarter of fiscal 2005 relating to new product development, and the other half represented minimum amounts to be paid under their agreements for services during the last six months of calendar 2004.

Long-Term Equity Incentive Program

Stock option grants are used to motivate employees to focus on Rentrak's long-term performance, and Rentrak has long maintained stock option plans for key employees, including all executive officers. In some instances, stock options are granted as required by the terms of an officer's employment agreement. The size of each option grant is based upon such factors as the employee's duties, responsibilities, performance, experience and anticipated contribution to Rentrak.

-22-

In fiscal 2005, Rentrak granted options to purchase a total of 82,500 shares of common stock to its executive officers, including the grant to Mr. Rosenbaum described below.

In light of the importance of stock-based compensation to Rentrak's compensation structure, in June 2005 the Compensation Committee recommended for approval by the Board of Directors a new 2005 Stock Incentive Plan which is being submitted for shareholder approval. See "Proposal 2--Approval of 2005 Stock Incentive Plan" above for additional details regarding this new stock-based compensation plan.

Compensation of Paul A. Rosenbaum, Chairman, President, and Chief Executive Officer

Effective October 2001, Rentrak entered into an employment agreement with Paul Rosenbaum which, as extended annually, has a current expiration of September 30, 2006. Mr. Rosenbaum's annual base salary for fiscal 2005 was \$450,000, the rate in effect for fiscal 2003 and 2% below his annual salary level for fiscal 2004. The base salary rate was established based on Mr. Rosenbaum's prior work experience and expectations, compensation levels at companies of similar size and scope, and Rentrak's financial performance over the past two fiscal years. At Mr. Rosenbaum's request, he was not paid an incentive bonus for his services during fiscal 2005.

In February 2005, the Compensation Committee approved the grant to Mr. Rosenbaum of a stock option for 75,000 shares with a seven-year term, vesting in

Edgar Filing: RENTRAK CORP - Form DEF 14A

four equal annual installments beginning one year after the date of grant, and an exercise price of \$10.50 per share, which was equal to the fair market value of Rentrak's common stock on the date of grant. The Compensation Committee approved the option grant to Mr. Rosenbaum with the objective of aligning the economic interests of Rentrak's executive officers with the interests of shareholders, and in recognition of the views of the investment community that the shareholders' interests are generally best served when top management has a significant stake in the company's equity.

REPORT OF THE AUDIT COMMITTEE

The "Report of the Audit Committee" shall not be deemed incorporated by reference by any general statement incorporating this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Rentrak specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

In discharging its responsibilities, the Audit Committee and its individual members have met with management and Rentrak's independent auditors, Grant Thornton LLP, to review Rentrak's accounting functions and the audit process. The Audit Committee discussed and reviewed with Rentrak's independent auditors the audited financial statements for fiscal 2005 and all other matters that the independent auditors were required to communicate and discuss with the Audit Committee under applicable auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, regarding communications with audit committees. Audit Committee members also discussed and reviewed the results of the independent auditors' examination of the financial statements, management's assessment of the Company's system of disclosure controls and procedures, external financial reporting and internal control over financial reporting, and issues relating to auditor independence. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors their independence.

Based on its review and discussions with management and the independent auditors, the Audit Committee recommended to the board of directors that the audited financial statements for the fiscal year ended March 31, 2005, be included in Rentrak's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

Submitted by the Audit Committee of the Board of Directors:

Cecil Andrus (Committee Chair) Ralph Shaw Stanford Stoddard

SELECTION OF INDEPENDENT AUDITORS

From May 9, 2002, until August 23, 2004, Rentrak's independent registered public accountants were KPMG LLP. On August 23, 2004, Rentrak was advised by KPMG LLP that it resigned as Rentrak's independent registered public accounting firm. Rentrak's audit committee accepted KPMG's resignation. KPMG LLP's reports on the consolidated financial statements of Rentrak and subsidiaries for the fiscal years ended March 31, 2004, and March 31, 2003, did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles or practices, financial statement disclosure or auditing scope or procedure, or any reportable events as

Edgar Filing: RENTRAK CORP - Form DEF 14A

defined under Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC, except that KPMG's report dated July 9, 2004 contained a separate paragraph which made reference to Rentrak's restatement of its consolidated financial statements for the period ended March 31, 2003. A copy of a letter addressed to the SEC from KPMG LLP stating that it agreed with the above statements was attached as Exhibit 16.1 to Form 8-K filed by Rentrak with the SEC on August 27, 2004.

Upon the acceptance of KPMG's resignation, Rentrak began the search for a new independent registered accounting firm for Rentrak's fiscal year ended March 31, 2005. On October 28, 2004, Rentrak engaged the firm of Grant Thornton LLP to audit Rentrak's financial statements as its new principal independent auditors. The Audit Committee directed the process of review of candidate accounting firms and made the final decision to engage Grant Thornton LLP. During Rentrak's two most recent fiscal years, and the subsequent interim period prior to engaging Grant Thornton LLP, Rentrak did not consult with Grant Thornton LLP regarding (1) the application of accounting principles to a specified transaction, whether completed or proposed, (2) the type of audit opinion that might be rendered on Rentrak's financial statements, or (3) any matter that was either the subject of a "disagreement" or a "reportable event" (as such terms are defined in Item 304(a)(1)(iv) and (v) of Regulation S-K).

The Audit Committee has appointed and engaged Grant Thornton LLP to be Rentrak's independent auditors for the Company's fiscal year ending March 31, 2006. No approval or ratification of the choice of

-25-

independent auditors by the shareholders is required by applicable law or regulation or Rentrak's governing documents. A representative of Grant Thornton LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so. Such representative is also expected to be available to respond to appropriate questions.

Pre-Approval Policy

The Audit Committee has adopted a policy requiring pre-approval of all fees and services of Rentrak's independent auditors, including all audit, audit-related, tax, and other legally-permitted services. Under the policy, a detailed description of each proposed service is submitted to the Audit Committee, together with a statement by the independent auditors and Rentrak's chief financial officer or controller that such services are consistent with applicable rules on auditor independence. The policy permits the Audit Committee to pre-approve lists of audit, audit-related, tax, and other legally-permitted services after reviewing detailed back-up documentation regarding the specific services to be provided. The term of any pre-approval is 12 months, unless the Audit Committee specifically provides for a shorter period. Additional pre-approval is required for services not included in the pre-approved lists and for services exceeding pre-approved fee levels. The policy allows the Audit Committee to delegate its pre-approval authority to one or more of its members provided that a full report of any pre-approval decision is provided to the Audit Committee at its next scheduled meeting. All audit and permissible non-audit services provided by Grant Thornton LLP during fiscal 2005 were pre-approved by the Audit Committee.

4. DURATION OF THE PLAN AND SHARES SUBJECT TO THE PLAN

4.1 Duration of the Plan. The Plan is effective August 25, 2005, subject to approval by Corporation's shareholders as provided in Section 16. The Plan will remain in effect until Awards have been granted covering all the available Shares or the Plan is otherwise terminated by the Board. Termination of the Plan will not affect outstanding Awards.

4.2 Shares Subject to the Plan. The shares which may be made subject to Awards under the Plan are Shares of Common Stock, which may be either authorized and unissued Shares or reacquired Shares. No fractional Shares may be issued under the Plan. Subject to adjustment pursuant to Section 13, the maximum number of Shares for which Awards may be granted under the Plan is 1,000,000. If an Award under the Plan (or any option previously granted under the Prior Plans) is canceled or expires for any reason prior to having been fully Vested or exercised by a Participant or is settled in cash in lieu of Shares or is exchanged for other Awards, all Shares covered by such Awards will be added back into the number of Shares available for future Awards under the Plan.

5. ELIGIBILITY

Officers and other key employees of Corporation and its Subsidiaries (including employees who may also be directors of Corporation or a Subsidiary), Consultants, Non-Employee Board Directors, and Non-Employee Subsidiary Directors who, in the Committee's judgment, are or will be contributors to the long-term success of Corporation are eligible to receive Awards under the Plan.

6. AWARDS

6.1 Types of Awards. The types of Awards that may be granted under the Plan are:

- (a) Options governed by Section 7 of the Plan;
- (b) Stock Appreciation Rights governed by Section 8 of the Plan;
- (c) Restricted Awards governed by Section 9 of the Plan;
- (d) Performance Awards governed by Section 10 of the Plan; and
- (e) Other Stock-Based Awards or combination awards governed by Section 11 of the Plan.

In the discretion of the Committee, any Award may be granted alone, in addition to, or in tandem with other Awards under the Plan.

-6-

6.2 General. Subject to the limitations of the Plan, the Committee may cause Corporation to grant Awards to such Participants, at such times, of such types, in such amounts, for such periods, with such option prices, purchase prices, or base prices, and subject to such terms, conditions, limitations, and restrictions as the Committee, in its discretion, deems appropriate. Awards may be granted as additional compensation to a Participant or in lieu of other compensation to such Participant. A Participant may receive more than one Award and more than one type of Award under the Plan.

6.3 Nonuniform Determinations. The Committee's determinations under the

Edgar Filing: RENTRAK CORP - Form DEF 14A

Plan or under one or more Award Agreements, including, without limitation, (a) the selection of Participants to receive Awards, (b) the type, form, amount, and timing of Awards, (c) the terms of specific Award Agreements, and (d) elections and determinations made by the Committee with respect to exercise or payments of Awards, need not be uniform and may be made by the Committee selectively among Participants and Awards, whether or not Participants are similarly situated.

6.4 Award Agreements. Each Award will be evidenced by a written Award Agreement between Corporation and the Participant. Award Agreements may, subject to the provisions of the Plan, contain any provision approved by the Committee.

6.5 Provisions Governing All Awards. All Awards are subject to the following provisions:

(a) Alternative Awards. If any Awards are designated in their Award Agreements as alternative to each other, the exercise of all or part of one Award will automatically cause an immediate equal (or pro rata) corresponding termination of the other alternative Award or Awards.

(b) Rights as Shareholders. No Participant will have any rights of a shareholder with respect to Shares subject to an Award until such Shares are issued in the name of the Participant.

(c) Employment Rights. Neither the adoption of the Plan nor the granting of any Award confers on any person the right to continued employment with Corporation or any Subsidiary or the right to remain as a director of or a Consultant to Corporation or any Subsidiary, as the case may be, nor does it interfere in any way with the right of Corporation or a Subsidiary to terminate such person's employment or to remove such person as a Consultant or as a director at any time for any reason, or for no reason, with or without cause.

(d) Restriction on Transfer. Unless otherwise expressly provided in an individual Award Agreement, no Award (other than Restricted Shares after they Vest) will be transferable other than by will or the laws of descent and distribution and each Award will be exercisable (if exercise is required), during the lifetime of the Participant, only by the Participant or, in the event the Participant becomes legally incompetent, by the Participant's guardian or legal representative. Notwithstanding the foregoing, the Committee, in its discretion, may provide in any Award Agreement that the Award:

- o May be freely transferred;
- o May be freely transferred to a class of transferees specified in the Award Agreement; or
- o May be transferred, but only subject to any terms and conditions specified in the Award Agreement (including, without limitation, a condition that an Award may only be transferred without payment of consideration).

Furthermore, notwithstanding the foregoing, any Award may be surrendered to Corporation pursuant to Section 6.5(h) in connection with the payment of the purchase or option price of another Award or the payment of the Participant's federal, state, or local tax withholding obligation with respect to the exercise or payment of another Award.

(e) Termination of Employment. The terms and conditions under which an Award may be exercised, if at all, after a Participant's termination of employment or service as a Non-Employee Board

Edgar Filing: RENTRAK CORP - Form DEF 14A

Director, Non-Employee Subsidiary Director, or Consultant will be determined by the Committee and specified in the applicable Award Agreement.

(f) Change in Control. The Committee, in its discretion, may provide in any Award Agreement that:

(i) In the event of a Change in Control of Corporation, all or a specified portion of the Award (to the extent then outstanding) will become immediately Vested to the full extent not previously Vested. Any such acceleration of Award Vesting must comply with applicable regulatory requirements and any Participant will be entitled to decline the accelerated Vesting of all or any portion of his or her Award, if he or she determines that such acceleration may result in adverse tax consequences to him or her; and

(ii) In the event the Board approves a proposal for: (i) merger, exchange or consolidation in which Corporation is not the resulting or surviving corporation (or in which Corporation is the resulting or surviving corporation but becomes a subsidiary of another corporation); (ii) transfer of all or substantially all the assets of Corporation; (iii) sale of 25 percent or more of the combined voting power of Corporation's Voting Securities; or (iv) the dissolution or liquidation of Corporation (each, a "Transaction"), the Committee will notify Participants in writing of the proposed Transaction (the "Proposed Transaction Notice") at least 30 days prior to the effective date of the proposed Transaction. The Committee may, in its sole discretion, and to the extent possible under the structure of the Transaction, select one of the following alternatives for treating outstanding Awards under the Plan:

(a) The Committee may provide that outstanding Awards will be converted into or replaced by Awards of a similar type relating to the securities of the surviving or acquiring corporation in the Transaction. The amount and type of securities subject to and the exercise price (if applicable) of the replacement or converted Awards will be determined by the Committee based on the exchange ratio, if any, used in determining shares of the surviving corporation to be issued to holders of Shares of Corporation. If there is no exchange ratio in the Transaction, the Committee will, in making its determination, take into account the relative values of the companies involved in the Transaction and such other factors as the Committee deems relevant. Such replacement or converted Awards will continue to Vest over the period (and at the same rate) as the Awards which the replacement or converted Awards replaced, unless determined otherwise by the Committee;

(b) The Committee may provide a 30-day period prior to the consummation of the Transaction during which all outstanding Awards will tentatively become fully Vested, and upon consummation of such Transaction, all outstanding and unexercised Awards will immediately terminate. If the Committee elects to provide such 30-day period for the exercise of Awards, the Proposed Transaction Notice must so state. Participants, by written notice to Corporation, may exercise their Awards and, in so exercising the Awards, may condition such exercise upon, and provide that such exercise will become effective immediately prior to, the consummation of the Transaction, in which event Participants need not make payment for any Common Stock to be purchased upon exercise of an Award until five days after written notice by Corporation to the Participants that the Transaction has been consummated (the "Transaction Notice"). If the Transaction is consummated, each Award, to the extent not previously exercised prior to the consummation of the Transaction, will terminate and cease being exercisable as of the effective date of such consummation. If the Transaction is abandoned, (1) all outstanding Awards not exercised will continue to be Vested and exercisable, to the extent such Awards were Vested and exercisable prior to the date of the Proposed Transaction

Edgar Filing: RENTRAK CORP - Form DEF 14A

Notice, and (2) to the extent that any Awards not exercised prior to such abandonment have become Vested and exercisable solely by operation of this Section 6.5(f)(ii), such Vesting and exercisability will be deemed annulled, and the Vesting and exercisability provisions otherwise in effect will be reinstated, as of the date of such abandonment; or

(c) The Committee may provide that outstanding Awards that are not fully Vested will become fully Vested subject to Corporation's right to pay each Participant a cash

-8-

amount (determined by the Committee and based on the amount, if any, being received by Corporation's shareholders in the Transaction) in exchange for cancellation of the applicable Award.

Unless the Committee specifically provides otherwise in the change in control provision for a specific Award Agreement, Awards will become Vested as of a Change in Control date only if, or to the extent, such acceleration in the Vesting of the Awards does not result in an "excess parachute payment" within the meaning of Section 280G(b) of the Code. The Committee, in its discretion, may include change in control provisions in some Award Agreements and not in others, may include different change in control provisions in different Award Agreements, and may include change in control provisions for some Awards or some Participants and not for others.

(g) Conditioning or Accelerating Benefits. The Committee, in its discretion, may include in any Award Agreement a provision conditioning or accelerating the Vesting of an Award or the receipt of benefits pursuant to an Award, either automatically or in the discretion of the Committee, upon the occurrence of specified events, including without limitation, a Change in Control of Corporation (subject to the foregoing paragraph (f)), a sale of all or substantially all of the property and assets of Corporation, or an event of the type described in Section 13 of this Plan.

(h) Payment of Purchase Price and Withholding. The Committee, in its discretion, may include in any Award Agreement a provision permitting the Participant to pay the purchase or option price, if any, for the Shares or other property issuable pursuant to the Award, or the Participant's federal, state, or local tax withholding obligations with respect to such issuance, in whole or in part by any one or more of the following methods; provided, however, that the availability of any one or more methods of payment may be suspended from time to time if the Committee determines that the use of such payment method would result in adverse financial accounting treatment for Corporation:

(i) By delivering previously owned Shares (including fully vested Restricted Shares);

(ii) By surrendering other outstanding Vested Awards under the Plan denominated in Shares or in Share equivalent units;

(iii) By reducing the number of Shares or other property otherwise Vested and issuable pursuant to the Award;

(iv) Unless specifically prohibited by any applicable statute or rule, including, without limitation, the provisions of the Sarbanes-Oxley Act of 2002, by delivering to Corporation a promissory note payable on such terms and over such period as the

Edgar Filing: RENTRAK CORP - Form DEF 14A

Committee may determine;

(v) By delivery (in a form approved by the Committee) of an irrevocable direction to a securities broker acceptable to the Committee (subject to the provisions of the Sarbanes-Oxley Act of 2002 and any other applicable statute or rule):

(a) To sell Shares subject to the Award and to deliver all or a part of the sales proceeds to Corporation in payment of all or a part of the option or purchase price and taxes or withholding taxes attributable to the issuance; or

(b) To pledge Shares subject to the Award to the broker as security for a loan and to deliver all or a part of the loan proceeds to Corporation in payment of all or a part of the option or purchase price and taxes or withholding taxes attributable to the issuance; or

(vi) In any combination of the foregoing or in any other form approved by the Committee.

-9-

Shares withheld or surrendered as described above will be valued based on their Fair Market Value on the date of the transaction. Any Shares withheld or surrendered with respect to a Reporting Person will be subject to such additional conditions and limitations as the Committee may impose to comply with the requirements of the Exchange Act.

(i) Reporting Persons. With respect to all Awards granted to Reporting Persons, the following limitations will apply only if or to the extent required by Rule 16b-3 under the Exchange Act, unless the Award Agreement provides otherwise:

(i) Awards requiring exercise will not be exercisable until at least six months after the date the Award was granted, except in the case of the death or Disability of the Participant; and

(ii) Shares issued pursuant to any other Award may not be sold by the Participant for at least six months after acquisition, except in the case of the death or Disability of the Participant.

Award Agreements for Awards to Reporting Persons must also comply with any future restrictions imposed by such Rule 16b-3.

(j) Service Periods. At the time of granting an Award, the Committee may specify, by resolution or in the Award Agreement, the period or periods of service performed or to be performed by the Participant in connection with the grant of the Award.

7. OPTIONS

7.1 Types of Options. Options granted under the Plan may be in the form of Incentive Stock Options or Nonqualified Options. The grant of each Option and the Award Agreement governing each Option will identify the Option as an ISO or an NQO. In the event the Code is amended to provide for tax-favored forms of stock options other than or in addition to Incentive Stock Options, the Committee may grant Options under the Plan meeting the requirements of such

Edgar Filing: RENTRAK CORP - Form DEF 14A

forms of options.

7.2 General. All Options will be subject to the terms and conditions set forth in Section 6 and this Section 7 and Award Agreements governing Options may contain such additional terms and conditions, not inconsistent with the express provisions of the Plan, as the Committee deems desirable.

7.3 Option Price. Each Award Agreement for Options will state the option exercise price per Share of Common Stock purchasable under the Option, which may not be less than 100 percent of the Fair Market Value of a Share on the date of grant for all Options. Except for adjustments in Option price pursuant to Section 13.2, at no time may the option exercise price of any Option granted under the Plan be repriced after the date the Option was granted.

7.4 Option Term. The Award Agreement for each Option will specify the term of each Option, which may be unlimited or may have a specified period during which the Option may be exercised, as determined by the Committee.

7.5 Time of Exercise. The Award Agreement for each Option will specify, as determined by the Committee:

(a) The time or times when the Option becomes exercisable and whether the Option becomes exercisable in full or in graduated amounts based on: (i) continuation of employment over a period specified in the Award Agreement, (ii) satisfaction of performance goals or criteria specified in the Award Agreement, or (iii) a combination of continuation of employment and satisfaction of performance goals or criteria;

-10-

(b) Such other terms, conditions, and restrictions as to when the Option may be exercised as determined by the Committee; and

(c) The extent, if any, to which the Option will remain exercisable after the Participant ceases to be an employee, Consultant, or director of Corporation or a Subsidiary.

An Award Agreement for an Option may, in the discretion of the Committee, provide whether, and to what extent, the time when an Option becomes exercisable may be accelerated or otherwise modified (i) in the event of the death, Disability, or Retirement of the Participant, or (ii) upon the occurrence of a Change in Control. The Committee may, at any time in its discretion, accelerate the time when all or any portion of an outstanding Option becomes exercisable.

7.6 Special Rules for Incentive Stock Options. In the case of an Option designated as an Incentive Stock Option, the terms of the Option and the Award Agreement will conform with the statutory and regulatory requirements specified pursuant to Section 422 of the Code, as in effect on the date such ISO is granted. ISOs may be granted only to employees of Corporation or a Subsidiary. ISOs may not be granted under the Plan after ten years following the date specified in Section 4.1, unless the ten-year limitation of Section 422(b)(2) of the Code is removed or extended.

7.7 Restricted Shares. In the discretion of the Committee, the Shares issuable upon exercise of an Option may be Restricted Shares if so provided in the Award Agreement for the Option.

7.8 Reload Options. The Committee, in its discretion, may provide in an Award Agreement for an Option that, in the event all or a portion of the Option

Edgar Filing: RENTRAK CORP - Form DEF 14A

is exercised by the Participant using previously acquired Shares, the Participant will automatically be granted (subject to the available pool of Shares subject to grants of Awards as specified in Section 4.2 of the Plan) a replacement Option (with an option price equal to the Fair Market Value of a Share on the date of such exercise) for a number of Shares equal to (or equal to a portion of) the number of shares surrendered upon exercise of the Option. Such reload Option features may be subject to such terms and conditions as the Committee determines, including, without limitation, a condition that the Participant retain the Shares issued upon exercise of the Option for a specified period of time.

7.9 Limitation on Number of Shares Subject to Options. In no event may Options for more than 200,000 Shares be granted to any individual under the Plan during any fiscal year.

8. STOCK APPRECIATION RIGHTS

8.1 General. Stock Appreciation Rights are subject to the terms and conditions set forth in Section 6 and this Section 8 and Award Agreements governing Stock Appreciation Rights may contain such additional terms and conditions, not inconsistent with the express terms of the Plan, as the Committee deems desirable.

8.2 Nature of Stock Appreciation Right. A Stock Appreciation Right is an Award entitling a Participant to receive an amount equal to the excess (or, if the Committee determines at the time of grant, a portion of the excess) of the Fair Market Value of a Share of Common Stock on the date of exercise of the SAR over the base price, as described below, on the date of grant of the SAR, multiplied by the number of Shares with respect to which the SAR is being exercised. The base price will be designated by the Committee in the Award Agreement for the SAR and may be the Fair Market Value of a Share on the grant date of the SAR or such other higher price as the Committee determines. The base price may not be less than the Fair Market Value of a Share on the grant date of the SAR.

8.3 Exercise. A Stock Appreciation Right may be exercised by a Participant in accordance with procedures established by the Committee. The Committee may also provide that a SAR will be automatically exercised on one or more specified dates or upon the satisfaction of one or more specified conditions. In the case of SARs granted to Reporting Persons, exercise of the SARs will be limited by the Committee to the extent required to comply with the applicable requirements of Rule 16b-3 under the Exchange Act.

-11-

8.4 Form of Payment. Payment upon exercise of a Stock Appreciation Right must be made in Shares, provided that the Committee may provide in an Award Agreement that a Stock Appreciation Right may be settled using cash or installments (a "Cash Settled SAR") if the Committee determines that under the terms of such Award Agreement the Cash Settled SAR will comply with the requirements of the AJCA.

8.5 Limitation on Number of Stock Appreciation Rights. In no event may more than 200,000 Stock Appreciation Rights be granted to any individual under the Plan during any fiscal year.

9. RESTRICTED AWARDS

Edgar Filing: RENTRAK CORP - Form DEF 14A

(a) Restricted Shares. A Restricted Share is an Award of Shares transferred to a Participant subject to such terms and conditions as the Committee deems appropriate, including, without limitation, restrictions on the sale, assignment, transfer, or other disposition of such Restricted Shares and may include a requirement that the Participant forfeit such Restricted Shares back to Corporation upon termination of Participant's employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) for specified reasons within a specified period of time or upon other conditions, as set forth in the Award Agreement for such Restricted Shares. Each Participant receiving a Restricted Share will be issued a stock certificate in respect of such Shares, registered in the name of such Participant, and will execute a stock power in blank with respect to the Shares evidenced by such certificate. The certificate evidencing such Restricted Shares and the stock power will be held in custody by Corporation until the Restrictions have lapsed.

(b) Restricted Stock Units. A Restricted Stock Unit is an Award of units (with each unit having a value equivalent to one Share) granted to a Participant subject to such terms and conditions as the Committee deems appropriate, and may include a requirement that the Participant forfeit such Restricted Stock Units upon termination of Participant's employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) for specified reasons within a specified period of time or upon other conditions, as set forth in the Award Agreement for such Restricted Stock Units. Under the AJCA, Restricted Stock Unit Awards may be treated, for income tax purposes, as deferred compensation arrangements. In each Award Agreement for each Restricted Stock Unit Award, the Committee will (a) specify the Settlement Period and (b) set the other terms and conditions of the Award Agreement so that the Restricted Stock Unit Award will comply with all applicable requirements of the AJCA.

9.2 General. Restricted Awards are subject to the terms and conditions of Section 6 and this Section 9 and Award Agreements governing Restricted Awards may contain such additional terms and conditions, not inconsistent with the express provisions of the Plan, as the Committee deems desirable.

9.3 Restriction Period. Award Agreements for Restricted Awards will provide that Restricted Awards, and the Shares subject to Restricted Awards, may not be transferred, and may provide that, in order for a Participant to Vest in such Restricted Awards, the Participant must remain in the employment (or remain as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) of Corporation or its Subsidiaries, subject to relief for reasons specified in the Award Agreement, for a period commencing on the grant date of the Award and ending on such later date or dates as the Committee may designate at the time of the Award (the "Restriction Period"). During the Restriction Period, a Participant may not sell, assign, transfer, pledge, encumber, or otherwise dispose of Shares received under or governed by a Restricted Award grant. The Committee, in its sole discretion, may provide for the lapse of restrictions in installments during the Restriction Period. Upon expiration of the applicable Restriction Period (or lapse of Restrictions during the Restriction Period where the Restrictions lapse in installments) the Participant will be entitled to settlement of the Restricted Award or portion thereof, as the case may be. Although Restricted Awards will usually Vest based on continued employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) and Performance Awards under Section 10 will usually Vest based on attainment of Performance Goals, the Committee, in its discretion, may condition Vesting of Restricted Awards on attainment of Performance Goals as well as continued employment (or

Edgar Filing: RENTRAK CORP - Form DEF 14A

service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant). In such case, the Restriction Period for such a Restricted Award will include the period prior to satisfaction of the Performance Goals.

9.4 Forfeiture. If a Participant ceases to be an employee (or Consultant, Non-Employee Board Director, or Non-Employee Subsidiary Director) of Corporation or a Subsidiary during the Restriction Period for any reason other than reasons which may be specified in an Award Agreement (such as death, Disability, or Retirement) the Award Agreement may require that all non-Vested Restricted Awards previously granted to the Participant be forfeited and returned to Corporation.

9.5 Settlement of Restricted Awards.

(a) Restricted Shares. Upon Vesting of a Restricted Share Award, the legend on such Shares will be removed, the Participant's stock power will be returned and the Shares will no longer be Restricted Shares.

(b) Restricted Stock Units. Within the Settlement Period after Vesting of a Restricted Stock Unit Award, a Participant will be entitled to receive payment for Restricted Stock Units in an amount equal to the aggregate Fair Market Value of the Shares covered by such Restricted Stock Units at the expiration of the applicable Restriction Period. Payment in settlement of a Restricted Stock Unit will be made during the Settlement Period following the conclusion of the applicable Restriction Period in cash, in installments, or in Shares equal to the number of Restricted Stock Units or in any other manner or combination of such methods as the Committee, in its sole discretion, determines.

9.6 Rights as a Shareholder. A Participant has, with respect to unforfeited Shares received under a grant of Restricted Shares, all the rights of a shareholder of Corporation, including the right to vote the shares, and the right to receive any cash dividends. Stock dividends issued with respect to Restricted Shares will be treated as additional Shares covered by the grant of Restricted Shares and will be subject to the same Restrictions. A Participant will have no rights as a shareholder with respect to a Restricted Stock Unit Award until Shares are issued to the Participant in settlement of the Award.

9.7 Limitation in Number of Restricted Awards. The aggregate number of shares subject to Restricted Share Awards and Restricted Stock Unit Awards that may be granted under the Plan may not exceed 500,000 Shares.

10. PERFORMANCE AWARDS

10.1 General. Performance Awards are subject to the terms and conditions set forth in Section 6 and this Section 10 and Award Agreements governing Performance Awards may contain such other terms and conditions not inconsistent with the express provisions of the Plan, as the Committee deems desirable.

10.2 Nature of Performance Awards. A Performance Award is an Award of units (with each unit having a value equivalent to one Share) granted to a Participant subject to such terms and conditions as the Committee deems appropriate, including, without limitation, the requirement that the Participant forfeit all or a portion of such Performance Award in the event specified performance criteria are not met within a designated period of time. Under the AJCA, Performance Awards may be treated, for income tax purposes, as deferred compensation arrangements. In the Award Agreement for each Performance Award, the Committee will (a) specify the Settlement Period, and (b) set the other terms and conditions of the Award Agreement so that the Performance Award will comply with all applicable requirements of the AJCA.

Edgar Filing: RENTRAK CORP - Form DEF 14A

10.3 Performance Cycles. For each Performance Award, the Committee will designate a performance period (the "Performance Cycle") with a duration to be determined by the Committee in its discretion within which specified Performance Goals are to be attained. There may be several Performance Cycles in existence at any one time and the duration of Performance Cycles may differ from each other.

-13-

10.4 Performance Goals. The Committee will establish Performance Goals for each Performance Cycle on the basis of such criteria and to accomplish such objectives as the Committee may from time to time select. Performance Goals may be based on (i) performance criteria for Corporation, a Subsidiary, or an operating group, (ii) a Participant's individual performance, or (iii) a combination of both. Performance Goals may include objective and subjective criteria. During any Performance Cycle, the Committee may adjust the Performance Goals for such Performance Cycle as it deems equitable in recognition of unusual or nonrecurring events affecting Corporation, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine.

10.5 Performance Goals for Executive Officers. The Performance Goals for Performance Awards granted to executive officers of Corporation may relate to corporate performance, business unit performance, or a combination of both.

(a) Corporate Performance Goals will be based on financial performance goals related to the performance of Corporation as a whole and may include one or more measures related to earnings, profitability, efficiency, or return to shareholders such as earnings per share, operating profit, stock price, or costs of production.

(b) Business unit Performance Goals will be based on a combination of financial goals and strategic goals related to the performance of an identified business unit for which a Participant has responsibility. Strategic goals for a business unit may include one or a combination of objective factors relating to success in implementing strategic plans or initiatives, introducing products, constructing facilities, or other identifiable objectives. Financial goals for a business unit may include the degree to which the business unit achieves one or more objective measures related to its revenues, earnings, profitability, efficiency, operating profit, or costs of production.

(c) Any corporate or business unit Performance Goals may be expressed as absolute amounts or as ratios or percentages. Success may be measured against various standards, including budget targets, improvement over prior periods, and performance relative to other companies, business units, or industry groups.

10.6 Determination of Awards. As soon as practicable after the end of a Performance Cycle, the Committee will determine the extent to which Performance Awards have been earned on the basis of performance in relation to the established Performance Goals.

10.7 Timing and Form of Payment. Settlement of earned Performance Awards will be made to the Participant within the Settlement Period after the expiration of the Performance Cycle and the Committee's determination under Section 10.6, in the form of cash, installments, Shares, or any combination of the foregoing or in any other form as the Committee determines.

11. OTHER STOCK-BASED AND COMBINATION AWARDS

11.1 Other Stock-Based Awards. The Committee may grant other Awards under

Edgar Filing: RENTRAK CORP - Form DEF 14A

the Plan pursuant to which Shares are or may in the future be acquired, or Awards denominated in or measured by Share equivalent units, including Awards valued using measures other than the market value of Shares. Other Stock-Based Awards are not restricted to any specific form or structure and may include, without limitation, Share purchase warrants, other rights to acquire Shares, and securities convertible into or redeemable for Shares. Other Stock-Based Awards may be granted either alone, in addition to, or in tandem with, any other type of Award granted under the Plan.

11.2 Combination Awards. The Committee may also grant Awards under the Plan in tandem or combination with other Awards or in exchange of Awards, or in tandem or combination with, or as alternatives to, grants or rights under any other employee plan of Corporation, including the plan of any acquired entity. No action authorized by this section will reduce the amount of any existing benefits or change the terms and conditions thereof without the Participant's consent.

-14-

12. DIVIDEND EQUIVALENTS

Any Award may, to the extent provided in its Award Agreement, at the discretion of the Committee, earn dividend equivalents. In respect of any such Award that is outstanding on a dividend record date for Common Stock, the Participant may be credited with an amount equal to the amount of cash or stock dividends that would have been paid on the Shares covered by such Award, had such covered Shares been issued and outstanding on such dividend record date. The Committee will establish such rules and procedures governing the crediting of dividend equivalents, including the timing, form of payment, and payment contingencies of such dividend equivalents, as it deems appropriate or necessary.

13. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, ETC.

13.1 Plan Does Not Restrict Corporation. The existence of the Plan and the Awards granted under the Plan will not affect or restrict in any way the right or power of the Board or the shareholders of Corporation to make or authorize any adjustment, recapitalization, reorganization, or other change in Corporation's capital structure or its business, any merger or consolidation of the Corporation, any issue of bonds, debentures, preferred or prior preference stocks ahead of or affecting Corporation's capital stock or the rights thereof, the dissolution or liquidation of Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding.

13.2 Adjustments by the Committee. In the event of any change in capitalization affecting the Common Stock of Corporation, such as a stock dividend, stock split, recapitalization, merger, consolidation, split-up, combination or exchange of shares or other form of reorganization, or any other change affecting the Common Stock, such proportionate adjustments, if any, as the Committee, in its sole discretion, may deem appropriate to reflect such change, will be made with respect to the aggregate number of Shares for which Awards in respect thereof may be granted under the Plan, the maximum number of Shares which may be sold or awarded to any Participant, the number of Shares covered by each outstanding Award, and the base price or purchase price per Share in respect of outstanding Awards. The Committee may also make such adjustments in the number of Shares covered by, and price or other value of, any outstanding Awards in the event of a spin-off or other distribution (other than normal cash dividends), of Corporation assets to shareholders.

14. AMENDMENT AND TERMINATION

Edgar Filing: RENTRAK CORP - Form DEF 14A

The Board may amend, suspend, or terminate the Plan or any portion of the Plan at any time, provided that no amendment may be made without shareholder approval if such approval is required by applicable law or the requirements of an applicable stock exchange or registered securities association.

15. MISCELLANEOUS

15.1 Tax Withholding. Corporation has the right to deduct from any settlement of any Award under the Plan, including the delivery or Vesting of Shares or Awards, any federal, state, or local taxes of any kind required by law to be withheld with respect to such payments or to take such other action as may be necessary in the opinion of Corporation to satisfy all obligations for the payment of such taxes. The recipient of any payment or distribution under the Plan has the obligation to make arrangements satisfactory to Corporation for the satisfaction of any such tax withholding obligations. Corporation will not be required to make any such payment or distribution under the Plan until such obligations are satisfied.

15.2 Unfunded Plan. The Plan will be unfunded and Corporation will not be required to segregate any assets that may at any time be represented by Awards under the Plan. Any liability of Corporation to any person with respect to any Award under the Plan will be based solely upon any contractual obligations that may be effected pursuant to the Plan. No such obligation of Corporation will be deemed to be secured by any pledge of, or other encumbrance on, any property of Corporation.

-15-

15.3 Annulment of Awards. Any Award Agreement may provide, in the discretion of the Committee, that the grant of an Award payable in cash is revocable until cash is paid in settlement of the Award or that grant of an Award payable in Shares is revocable until the Participant becomes entitled to the certificate in settlement of the Award. In the event the employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) of a Participant is terminated for cause (as defined below), any Award that is revocable will be annulled as of the date of such termination for cause. For the purpose of this Section 15.3, the term "for cause" has the meaning set forth in the Participant's employment agreement, if any, or otherwise means any discharge (or removal) for material or flagrant violation of the policies and procedures of Corporation or for other performance or conduct which is materially detrimental to the best interests of Corporation, as determined by the Committee.

15.4 Engaging in Competition With Corporation. Any Award Agreement may provide, in the discretion of the Committee, that, if a Participant terminates employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) with Corporation or a Subsidiary for any reason whatsoever, and within a period of time (as specified in the Award Agreement) after the date of such termination accepts employment with any competitor of (or otherwise engages in competition with) Corporation, the Committee, in its sole discretion, may require such Participant to return to Corporation the economic value of any Award that is realized or obtained (measured at the date of exercise, Vesting, or payment) by such Participant at any time during the period beginning on the date that is six months prior to the date of such Participant's termination of employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) with Corporation.

15.5 Other Corporation Benefit and Compensation Programs. Payments and

Edgar Filing: RENTRAK CORP - Form DEF 14A

other benefits received by a Participant under an Award made pursuant to the Plan are not to be deemed a part of a Participant's regular, recurring compensation for purposes of the termination indemnity or severance pay law of any state or country and will not be included in, or have any effect on, the determination of benefits under any other employee benefit plan or similar arrangement provided by Corporation or a Subsidiary unless expressly so provided by such other plan or arrangements, or except where the Committee expressly determines that an Award or portion of an Award should be included to accurately reflect competitive compensation practices or to recognize that an Award has been made in lieu of a portion of cash compensation. Awards under the Plan may be made in combination with or in tandem with, or as alternatives to, grants, awards, or payments under any other Corporation or Subsidiary plans, arrangements, or programs. The Plan notwithstanding, Corporation or any Subsidiary may adopt such other compensation programs and additional compensation arrangements as it deems necessary to attract, retain, and reward employees and directors for their service with Corporation and its Subsidiaries.

15.6 Securities Law Restrictions. No Shares may be issued under the Plan unless counsel for Corporation is satisfied that such issuance will be in compliance with applicable federal and state securities laws. Certificates for Shares delivered under the Plan may be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange or registered securities association upon which the Common Stock is then listed or quoted, and any applicable federal or state securities laws. The Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

15.7 Governing Law. Except with respect to references to the Code or federal securities laws, the Plan and all actions taken thereunder will be governed by and construed in accordance with the laws of the state of Oregon.

16. SHAREHOLDER APPROVAL

The adoption of the Plan and the grant of Awards under the Plan are expressly subject to the approval of the Plan by a majority of the total votes cast at a meeting of Corporation's shareholders duly held in accordance with the requirements of the Oregon Business Corporation Act and Corporation's Bylaws.
