ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Funds for the purchase of the shares of Common Stock reported herein were derived from investment funds of SAC Capital Associates, SAC Select, SAC MultiQuant, SAC Meridian, and CR Intrinsic Investments. A total of approximately \$464,000,000 was paid to acquire such shares, which are held in margin accounts maintained at Goldman Sachs International, Morgan Stanley & Co. and Credit Suisse Europe Limited in the ordinary course of business.

ITEM 4. PURPOSE OF TRANSACTION

SAC Capital Associates, SAC Select, SAC MultiQuant, SAC Meridian and CR Intrinsic Investments originally acquired Common Stock for investment in the ordinary course of business because the Reporting Persons believed that the Common Stock, when purchased, was undervalued and represented an attractive

Edgar Filing: PHELPS DODGE CORP - Form SC 13D

investment opportunity.

The Issuer announced on November 19, 2006, that it had entered into a definitive agreement to merge with Freeport-McMoRan Copper & Gold Inc. ("FCX"). The Reporting Persons believe that the terms of the proposed FCX transaction would not provide full and fair value to the Issuer's shareholders and would deprive them of their ability to maximize the return on their investment. The Reporting Persons believe that the proposed FCX transaction offers few, if any, synergies to the combined operation, and would use the Issuer's balance sheet to fund the purchase in what is essentially a public recapitalization that would create disproportionate value for FCX shareholders at the expense of the Issuer's shareholders. In addition, the Reporting Persons believe there is unrecognized long term value that the Issuer's shareholders would forego if they sold their shares at FCX's proposed terms. Accordingly, the Reporting Persons currently intend to vote against the proposed FCX transaction.

Except as set forth herein, or as would occur upon completion of any of the actions discussed herein, the Reporting Persons have no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D. The Reporting Persons intend to review their investment in the Issuer on a continuing basis and may engage in discussions with management, the Board of Directors, other shareholders of the Issuer and other relevant parties concerning the proposed FCX transaction and potentially concerning other matters with respect to the Reporting Persons' investment in the Common Stock, including, without limitation, the business, operations, governance, management, strategy and future plans of the Issuer. Depending on various factors, including, without limitation, the status of the proposed FCX transaction and the apparent level of shareholder support therefor, the terms of any alternative transactions that may be proposed, the Issuer's financial position and strategic direction, the outcome of any discussions referenced above, actions taken by the Board of Directors, price levels of the Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate, including, without limitation, purchasing additional Common Stock or selling some or all of their shares of Common Stock, engaging in short selling of or any hedging or similar transactions with respect to the Common Stock and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE COMPANY.

Other than as described herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Persons and any other person with respect to the securities of the Issuer.

As set forth in Schedule B, which is incorporated herein by reference, certain of the Reporting Persons hold, as of the close of business on December 7, 2006, options to acquire an aggregate of 7,374,000 shares of Common Stock. Unless otherwise noted, such options were acquired on the open market. Such options are included in the beneficial ownership amounts reported on this Schedule 13D.

The Reporting Persons may, from time to time, enter into and dispose of cash-settled equity swap or other similar derivative transactions with one or more counterparties that are based upon the value of shares of Common Stock, which transactions may be significant in amount. The profit, loss and/or return on such contracts may be wholly or partially dependent on the market value of

Edgar Filing: PHELPS DODGE CORP - Form SC 13D

the shares of Common Stock, the relative value of shares of Common Stock in comparison to one or more other financial instruments, indexes or securities, a basket or group of securities in which shares of Common Stock may be included, or a combination of any of the foregoing. In addition to the shares of Common Stock that they beneficially own without reference to these contracts, the Reporting Persons currently have long economic exposure to 1,000,000 shares of Common Stock through such contracts. These contracts do not give the Reporting Persons direct or indirect voting, investment or dispositive control over any securities of the Issuer and do not require the counterparties thereto to acquire, hold, vote or dispose of any securities of the Issuer. Accordingly, the Reporting Persons disclaim any beneficial ownership in any securities that may be referenced in such contracts or that may be held from time to time by any counterparties to such contracts.
