EVERGREEN UTILITIES AND HIGH INCOME FUND

PROXY STATEMENT

Edgar Filing: EVERGREEN UTILITIES & HIGH INCOME FUND - Form DEF 14A

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Trustees of Evergreen Utilities and High Income Fund (the "Fund") for use at the Annual Meeting of Shareholders (the "Meeting") to be held at Evergreen Investments, 26th Floor, 200 Berkeley Street, Boston, Massachusetts 02116, on December 17, 2004 at (10:00 a.m.) Eastern time. The address of the principal office of the Fund is Evergreen Investments, 200 Berkeley Street, Boston, Massachusetts 02116.

This proxy statement and form of proxy were first sent to shareholders on or about October 29, 2004.

Proxy Solicitation

All proxies in the enclosed form which are properly executed and returned to the Fund will be voted as provided therein at the Meeting or at any adjournments thereof. A holder of either common or preferred shares (the "Shareholder") executing and returning a proxy has the power to revoke it at any time before it is exercised by giving written notice of such revocation to an officer of the Fund. Signing and mailing the proxy will not affect your right to give a later proxy or to attend the Meeting and vote your common shares or preferred shares (the "Shares") in person.

The Board of Trustees intends to bring before the Meeting the matter set forth in Proposal 1 in the foregoing notice. The persons named in the enclosed proxy cards and acting thereunder will vote with respect to Proposal 1 in accordance with the directions of the Shareholders as specified on the proxy cards; if no choice is specified, the Shares will be voted FOR the election of the four trustees named in Proposal 1. If any other matters are properly presented at the Meeting for action, it is intended that the persons named in the enclosed proxy cards and acting thereunder will vote in accordance with the views of management thereon. Abstentions and broker non-votes (i.e., Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) are counted for quorum purposes. The Fund's Amended and Restated Agreement and Declaration of Trust (the "Declaration") provides that the holders of thirty-three and a third percent (33 1/3%) of the Shares issued and outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum for the transaction of business at the Meeting. With regard to the election of trustees, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect.

The affirmative vote of a plurality of the Shares present in person or represented by proxy at the Meeting is required for the election of trustees (Proposal 1). The four nominees that receive the most affirmative votes cast at the Meeting will be elected as trustees.

In the event a quorum is not present at the Meeting or in the event that a quorum is present but sufficient votes to approve the proposed item are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those Shares represented at such meeting in person or by proxy. The persons named as proxies will vote those proxies that they are entitled to vote FOR any such proposal, IN FAVOR of such an adjournment, and will vote those proxies required to be voted AGAINST any such proposal, AGAINST any such adjournment. Abstentions and broker non-votes will not be voted as a motion to adjourn.

The Fund will bear the costs of preparing, printing and mailing this proxy statement, the proxies and any additional materials which may be furnished to Shareholders. Solicitation may be undertaken by mail, telephone, facsimile and personal contact. The Fund has engaged Georgeson Shareholder Communications,

Edgar Filing: EVERGREEN UTILITIES & HIGH INCOME FUND - Form DEF 14A

Inc. to solicit proxies from brokers, banks, other institutional holders and individual Shareholders for a fee of approximately \$3,500.00. This fee will be borne by the Fund. The Annual Report of the Fund will be mailed, along with this proxy statement, to all Shareholders on or about October 29, 2004.

Voting Securities and Principal Holders Thereof

Holders of record of the Fund's Shares at the close of business on October 15, 2004 will be entitled to vote at the Meeting or any adjournment thereof. As of October 15, 2004, the Fund had outstanding 11,505,000 common shares and 3,600 preferred shares. Each Shareholder is entitled to one vote per Share on all business of the Meeting.

To the knowledge of the Fund, there is no beneficial owner of more than 5% of the outstanding Shares of the Fund.

As of October 15, 2004, the officers and Trustees of the Fund as a group beneficially owned in aggregate less than 1.00% of the outstanding Shares of the Fund and less than 1.00% of the outstanding securities of Wachovia Corporation ("Wachovia"), parent of Evergreen Investment Management Company, LLC ("EIMC"), the Fund's investment advisor.

I. ELECTION OF TRUSTEES (Proposal 1)

In accordance with the Fund's Declaration, the Trustees have been divided into three classes (each a "Class"): Class I, Class II and Class III. The terms of the present Trustees in each Class expire at the annual meeting in the year indicated or thereafter in each case when their respective successors are elected and qualified: Class I, 2004, Class II, 2005 and Class III, 2006. At each subsequent annual meeting, successors to the Class of Trustees whose terms are expiring will be identified as being of that same Class and will be nominated for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Trustees. If any nominee for any reason becomes unable to serve, the proxies will be voted for such other nominees as the Board of Trustees may recommend. The Board of Trustees has no reason to believe that any of the four nominees will be unable to serve.

The Board of Trustees of the Fund proposes the following Trustees for election at the 2004 Meeting:

Trustee	Class	Expiration of Term if Elected
Michael S. Scofield	Class I	2007 Annual Meeting
Shirley L. Fulton	Class I	2007 Annual Meeting
K. Dun Gifford	Class I	2007 Annual Meeting
Dr. Leroy Keith, Jr.	Class I	2007 Annual Meeting

As described above, there are four nominees for election to the Board of Trustees at this time. Proxies cannot be voted for a greater number of persons than the four nominees currently proposed to serve on the Board of Trustees.

The following table contains specific information about each Trustee and nominee, including: age, principal occupation and other affiliations for the last five years, term of office, length of time each has served, any other directorships held by the Trustee outside the Fund and number of portfolios in the Evergreen fund complex overseen by each Trustee. The Deferred Compensation Plan allows each Trustee to defer any or all of his or her compensation for serving as Trustee, and to have such compensation invested into a deferral account. The investment performance of the deferral account is based on the investment performance of the particular Evergreen fund(s) selected by the Trustee.

Under the Investment Company Act of 1940, as amended (the "1940 Act"), Mr. Wagoner is an "interested person" of the Fund because of his ownership of shares in Wachovia.

Board Meetings and Committees

The Fund commenced operations on April 27, 2004. During the fiscal period from April 27, 2004 to August 31, 2004, the Board of Trustees held one regular meeting and two special meetings. The Board of Trustees has appointed an Executive Committee consisting of Michael S. Scofield, K. Dun Gifford and Dr. Russell A. Salton, III. The Evergreen funds' Policy for the Consideration of Trustee Nominees is attached as Exhibit B.

Communications with Board Members

The Board of Trustees has approved a policy for communications with Board members. Any shareholder who wishes to send a communication to the Board of Trustees of an Evergreen fund should send the communications to the Evergreen Board of Trustees, P.O. Box 20083, Charlotte, North Carolina 28202. Audit fees	\$46,000
Audit-related fees 1	\$ 3,250
Tax fees	\$ 0

(1) Audit-related fees consist principally of fees for performing agreed upon procedure engagements relating to the leveraged preferred shares of the Fund.

The Audit Committee reviewed and discussed with the independent registered public accounting firm the matters required to be discussed by Statements on Auditing Standards, No. 61, Communication with Audit Committees. Edgar Filing: EVERGREEN UTILITIES & HIGH INCOME FUND - Form DEF 14A

Policy for the Consideration of Trustee Nominees

The following Policy for the Consideration of Trustee Nominees (the "Policy") shall be followed by the Executive Committee (the "Committee") of each Evergreen Trust in filling vacancies on the Boards of Trustees or when Trustees are to be nominated for election by shareholders.

Minimum Nominee Qualifications

1. With respect to nominations for Trustees who are not interested persons of a Fund as defined by Section 2(a)(19) of the Investment Company Act of 1940 (the "1940 Act") ("Disinterested Trustees"), nominees shall be independent of the Fund's investment adviser and other principal service providers. The Committee shall also consider the effect of any relationship beyond those delineated in the 1940 Act that might impair independence, such as business, financial or family relationships with the investment adviser or its affiliates.
2. Disinterested Trustee nominees must qualify for service on the Fund's Audit Committee under the rules of the American Stock Exchange (including financial literacy requirements) or other applicable securities exchange.
3. With respect to all Trustees, nominees must qualify under all applicable laws and regulations.
4. The proposed nominee may not be within five years of the Fund's retirement age for Trustees unless he or she is nominated for re-election.
5. The Committee may also consider such other factors as it may determine to be relevant.

Other Qualifications

1. With respect to all proposed nominees, the Committee shall consider whether the proposed nominee serves on boards of or is otherwise affiliated with competing financial service organizations or their related fund complexes or companies in which the Evergreen Funds may invest.
2. The Committee shall consider whether the proposed nominee is able to and intends to commit the time necessary for the performance of Trustee duties.
3. The Committee shall consider the integrity and character of the proposed nominee, and the proposed nominee's compatibility with the current Trustees.
4. The Committee may require an interview with the proposed nominee.

Nominees Recommended by Shareholders

1. The Committee shall consider nominations for openings on the Board of Trustees from shareholders who have separately or as a group held for at least one full year 5% of the shares of a Fund.
2. The Committee shall give candidates recommended by shareholders the same consideration as any other candidate.
3. Shareholder recommendations should be sent to the attention of the Committee in care of the Fund's Secretary and should include

Edgar Filing: EVERGREEN UTILITIES & HIGH INCOME FUND - Form DEF 14A

biographical information, including business experience for the past ten years and a description of the qualifications of the proposed nominee, along with a statement from the proposed nominee that he or she is willing to serve and meets the requirements to be a Disinterested Trustee, if applicable.

Process for Identifying and Evaluating Trustee Nominees

1. When identifying and evaluating prospective nominees for openings on the Board of Trustees, the Committee shall review all recommendations in the same manner, including those received from shareholders.
2. The Committee shall first determine if the prospective nominee meets the minimum qualifications set forth above. Those proposed nominees meeting the minimum qualifications will then be considered by the Committee with respect to the other qualifications listed above, and any other qualifications deemed to be important by the Committee.
3. Those nominees selected by the Committee shall be recommended to the Boards of Trustees.

- a) To be directly responsible for the appointment, retention, compensation, and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Funds, and each such registered public accounting firm must report directly to the Committee;
- b) To recommend to the independent Trustees the selection, retention or termination of auditors and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any non-audit services to the Funds' investment advisers or affiliated persons of the investment advisers, and to receive the auditors' formal written statement delineating specific representations as to the auditors' independence and all relationships between the auditors and the Funds' investment advisers and any affiliated persons of the investment advisers, consistent with Independence Standards Board Standard 1. The Committee shall have responsibility for actively engaging in a dialogue with the auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditors and for taking or recommending that the Board take appropriate action to oversee the independence of the auditors;

- e) To meet with the Funds' independent auditors, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audits and any special audits; (ii) to discuss any matters of concern relating to the Funds' financial statements, including any adjustments to such statements recommended by the auditors, or other results of said audit(s); (iii) to consider the auditors' comments with respect to the Funds' financial policies, procedures and internal

- f) To receive at least annually a report from the auditors within 90 days prior to the filing of the auditors' report (or receive an updated report within such 90 day period, if the auditors' annual report is presented to the Committee more than 90 days prior to the filing of the auditors' report) which includes the following: (i) all critical accounting policies and practices used by the Funds (or, in connection with any update, any changes in such accounting policies and practices), (ii) all material alternative accounting treatments within GAAP that have been discussed with management since the last annual report or update, including the ramifications of the use of the alternative treatments and the treatment preferred by the accounting firm, (iii) other material written communications between the auditors and the management of the Funds since the last annual report or update, and (iv) a description of all non-audit services provided, including fees associated with the services, to the Funds' complex since the last annual report or update that were not subject to the pre-approval requirements as discussed above;
 - g) To consider the effect upon the Funds of any changes in accounting principles or practices proposed by management or the auditors;
 - h) To review and discuss with management, including any officers certifying the Funds' Form N-CSR, the Funds' audited financial statements and to review any officer's certifications and reports to be filed with the Securities and Exchange Commission on behalf of the Funds; to offer guidance with respect to such audited financial statements, certifications and reports; and to determine whether to recommend that the financial statements be included in the annual report;
 - i) To discuss all disclosures made by the Funds' officers certifying the Funds' Form N-CSR to the Committee, based on such officers' most recent evaluation as to (i) all significant deficiencies in the design or operation of internal controls which could adversely affect the Funds' ability to record, process, summarize and report financial data, and (ii) any fraud, whether or not material, that involves management or other employees who have significant roles in the Funds' internal controls;
