EVERGREEN UTILITIES AND HIGH INCOME FUND

PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Trustees of Evergreen Utilities and High Income Fund (the "Fund") for use at the Annual Meeting of Shareholders (the "Meeting") to be held at Evergreen Investments, 26th Floor, 200 Berkeley Street, Boston, Massachusetts 02116, on December 16, 2005 at (10:00 a.m.) Eastern time. The address of the principal office of the Fund is Evergreen Investments, 200 Berkeley Street, Boston, Massachusetts 02116.

This proxy statement and form of proxy were first sent to shareholders on or about October 29, 2005.

Proxy Solicitation

All proxies in the enclosed form which are properly executed and returned to the Fund will be voted as provided therein at the Meeting or at any adjournments thereof. A holder of either common or preferred shares (the "Shareholder") executing and returning a proxy has the power to revoke it at any time before it is exercised by giving written notice of such revocation to an officer of the Fund. Signing and mailing the proxy will not affect your right to give a later proxy or to attend the Meeting and vote your common shares or preferred shares (the "Shares") in person.

The Board of Trustees intends to bring before the Meeting the matter set forth in Proposal 1 in the foregoing notice. The persons named in the enclosed proxy cards and acting thereunder will vote with respect to Proposal 1 in accordance with the directions of the Shareholders as specified on the proxy cards; if no choice is specified, the Shares will be voted FOR the election of the three trustees named in the enclosed proxy card. If any other matters are properly presented at the Meeting for action, it is intended that the persons named in the enclosed proxy cards and acting thereunder will vote in accordance with the views of management thereon. Abstentions and broker non-votes (i.e., Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) are counted for quorum purposes. The Fund's Amended and Restated Agreement and Declaration of Trust (the "Declaration") provides that the holders of thirty-three and a third percent (33 1/3%) of the Shares issued and outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum for the transaction of business at the Meeting. With regard to the election of trustees, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect.

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Trustees

The affirmative vote of a plurality of the Shares present in person or represented by proxy at the Meeting is required for the election of trustees (Proposal 1). The three nominees that receive the most affirmative votes cast at the Meeting will be elected as trustees.

In the event a quorum is not present at the Meeting or in the event that a quorum is present but sufficient votes to approve the proposed item are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those Shares represented at such meeting in person or by proxy. The persons named as proxies will vote those proxies that they are entitled to vote FOR any such proposal, IN FAVOR of such an adjournment, and will vote those proxies required to be voted AGAINST any such proposal, AGAINST any such adjournment. Abstentions and broker non-votes will not be voted as a motion to adjourn.

The Fund will bear the costs of preparing, printing and mailing this proxy statement, the proxies and any additional materials which may be furnished to Shareholders. Solicitation may be undertaken by mail, telephone, facsimile and personal contact. The Fund has engaged ComputerShare Fund Services to solicit proxies from brokers, banks, other institutional holders and individual Shareholders for a fee of approximately \$3,500.00. This fee will be borne by the Fund. The Annual Report of the Fund will be mailed, along with this proxy statement, to all Shareholders on or about October 29, 2005.

Voting Securities and Principal Holders Thereof

Holders of record of the Fund's Shares at the close of business on October 14, 2005 will be entitled to vote at the Meeting or any adjournment thereof to the extent set forth in this proxy statement. As of October 14, 2005, the Fund had outstanding 9,864,100 common shares and 3200 preferred shares. Each Shareholder is entitled to one vote per Share on all business of the Meeting.

To the knowledge of the Fund, there is no beneficial owner of more than 5% of the outstanding Shares of the Fund.

As of October 14, 2005, the officers and Trustees of the Fund as a group beneficially owned in aggregate less than 1.00% of the outstanding Shares of the Fund and less than 1.00% of the outstanding securities of Wachovia Corporation ("Wachovia"), parent of Evergreen Investment Management Company, LLC ("EIMC"), the Fund's investment advisor.

I. ELECTION OF TRUSTEES (Proposal 1)

In accordance with the Fund's Declaration, the Trustees have been divided into three classes (each a "Class"): Class I, Class II and Class III. The terms of the present Trustees in each Class expire at the annual meeting in the year indicated or thereafter in each case when their respective successors are elected and qualified: Class I, 2007, Class II, 2005 and Class III, 2006. At each subsequent annual meeting, successors to the Class of Trustees whose terms are expiring will be identified as being of that same Class and will be nominated for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Trustees. If any nominee for any reason becomes unable to serve, the persons named as proxies will vote for the election of such other person or persons as they believe will carry on the present policies of the Fund and as they deem to be qualified. The Board of Trustees has no reason to believe that any of the three nominees will be unable to serve.

The Board of Trustees of the Fund proposes the following Trustees for election at the 2005 Meeting:

<u>Trustee</u>	<u>Class</u>	<u>Expiration of Term if Elected</u>
Charles A. Austin III	Class II	2008 Annual Meeting

Gerald M. McDonnell Class II 2008 Annual Meeting
Richard J. Shima Class II 2008 Annual Meeting

As described above, there are three nominees for election to the Board of Trustees at this time. Proxies cannot be voted for a greater number of persons than the three nominees currently proposed to serve on the Board of Trustees.

(1) Audit-related fees consist principally of fees for interfund lending procedures and any merger-related activity.

(2) Tax fees consist of fees for tax consultation, tax compliance and tax review.

In approving the selection of KPMG for the Fund, the Audit Committee considered, in addition to other practices and requirements relating to the selection of the Fund's auditors, whether the non-audit services covered in the table above under "Audit-related fees, Tax fees and All other fees" performed by KPMG for the Fund and the investment advisor and for certain related parties are compatible with maintaining the independence of KPMG as the Fund's independent registered public accounting firm.

On October 20, 2005, the Audit Committee reviewed and discussed with management the Fund's audited financial statements for the fiscal year ended August 31, 2005. The Audit Committee has reviewed and discussed with the independent registered public accounting firm the matters required to be discussed by Statements on Auditing Standards, No. 61, *Communication with Audit Committees*. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence. Based on these reviews and discussions, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the annual report to shareholders for the last fiscal year for filing with the SEC.

The Board of Trustees has adopted a written charter for the Audit Committee which is attached to this proxy statement as Exhibit C. Each member of the Audit Committee is independent as independence is defined in the listing standards of the American Stock Exchange. The Audit Committee reviews this Charter at least annually and may recommend changes to the Board.

EVERGREEN TRUSTS

Policy for the Consideration of Trustee Nominees

The following Policy for the Consideration of Trustee Nominees (the “Policy”) shall be followed by the Executive Committee (the “Committee”) of each Evergreen Trust in filling vacancies on the Boards of Trustees or when Trustees are to be nominated for election by shareholders.

Minimum Nominee Qualifications

1. With respect to nominations for Trustees who are not interested persons of a Fund as defined by Section 2(a)(19) of the Investment Company Act of 1940 (the “1940 Act”) (“Disinterested Trustees”), nominees shall be independent of the Fund’s investment adviser and other principal service providers. The Committee shall also consider the effect of any relationship beyond those delineated in the 1940 Act that might impair independence, such as business, financial or family relationships with the investment adviser or its affiliates.
2. Disinterested Trustee nominees must qualify for service on the Fund’s Audit Committee under the rules of the American Stock Exchange (including financial literacy requirements) or other applicable securities exchange.
3. With respect to all Trustees, nominees must qualify under all applicable laws and regulations.
4. The proposed nominee may not be within five years of the Fund’s retirement age for Trustees unless he or she is nominated for re-election.
5. The Committee may also consider such other factors as it may determine to be relevant.

Other Qualifications

1. With respect to all proposed nominees, the Committee shall consider whether the proposed nominee serves on boards of or is otherwise affiliated with competing financial service organizations or their related fund complexes or companies in which the Evergreen Funds may invest.
2. The Committee shall consider whether the proposed nominee is able to and intends to commit the time necessary for the performance of Trustee duties.
3. The Committee shall consider the integrity and character of the proposed nominee, and the proposed nominee’s compatibility with the current Trustees.
4. The Committee may require an interview with the proposed nominee.

Nominees Recommended by Shareholders

- 1. The Committee shall consider nominations for openings on the Board of Trustees from shareholders who have separately or as a group held for at least one full year 5% of the shares of a Fund.**
- 2. The Committee shall give candidates recommended by shareholders the same consideration as any other candidate.**
- 3. Shareholder recommendations should be sent to the attention of the Committee in care of the Fund's Secretary and should include biographical information, including business experience for the past ten years and a description of the qualifications of the proposed nominee, along with a statement from the proposed nominee that he or she is willing to serve and meets the requirements to be a Disinterested Trustee, if applicable.**

Process for Identifying and Evaluating Trustee Nominees

1. When identifying and evaluating prospective nominees for openings on the Board of Trustees, the Committee shall review all recommendations in the same manner, including those received from shareholders.
2. The Committee shall first determine if the prospective nominee meets the minimum qualifications set forth above. Those proposed nominees meeting the minimum qualifications will then be considered by the Committee with respect to the other qualifications listed above, and any other qualifications deemed to be important by the Committee.
3. Those nominees selected by the Committee shall be recommended to the Boards of Trustees.
