Item 8.01. Other Events

As previously announced, Horizon Bancorp (“Horizon”) and LaPorte Bancorp, Inc. (“LaPorte”) entered into an Agreement and Plan of Merger, dated March 10, 2016 (the “Merger Agreement”). Horizon and LaPorte will close the transactions contemplated by the Agreement and Plan of Merger, effective before 9:00 a.m. EST, July 18, 2016, including the merger of LaPorte with and into Horizon, with Horizon as the survivor (the “Merger”), and the merger of LaPorte’s wholly owned banking subsidiary, The LaPorte Savings Bank, with and into Horizon’s wholly owned banking subsidiary, Horizon Bank, National Association, with Horizon Bank, National Association as the survivor.

Under the terms of the Merger Agreement, shareholders of LaPorte had the option to receive \$17.50 per share in cash or 0.629 shares of Horizon common stock for each share of LaPorte’s common stock, subject to allocation provisions to assure that in aggregate, LaPorte shareholders received total consideration consisting of 65% stock and 35% cash. Based on 5,580,115 shares of LaPorte common stock outstanding immediately prior to the effective time of the Merger, the election results are as follows:

holders of approximately 1,120,288 shares of LaPorte common stock (approximately 20.1% of outstanding shares) validly elected to receive the stock consideration;

holders of approximately 3,878,856 shares of LaPorte common stock (approximately 69.5% of outstanding shares) validly elected to receive the cash consideration; and

holders of approximately 580,971 shares of LaPorte common stock (approximately 10.4% of outstanding shares) did not make a valid election.

Applying the allocation and proration procedures specified in the Merger Agreement to these election results:

LaPorte shareholders who made a valid election to receive the stock consideration for their shares of Horizon common stock will receive only the stock consideration;

LaPorte shareholders who made a valid election to receive the cash consideration for their shares of LaPorte common stock will receive a combination of cash and Horizon common stock. For such shareholders, approximately 49.6% percent of their LaPorte shares will convert into the cash consideration and approximately 50.4% of their LaPorte shares will convert into the stock consideration; and

LaPorte shareholders who did not make a valid election will receive only the stock consideration for their LaPorte shares.
