DESC PROVIDES GUIDANCE FOR ITS FOURTH QUARTER 2002 RESULTS

Mexico City, December 19, 2002 - DESC, S.A. de C.V. (NYSE: DES; BMV: DESC) announced today that during the fourth quarter of 2002, it expects to obtain US\$ 440 million in sales and an operating loss of around 2.5%.

This result was mainly due to the steep decline in sales from the Autoparts Sector due to the sharp drop in sales in the automobile industry since the end of November and during the month of December, the temporary shutdown of some OEMs in order to reduce their inventories, and the overall negative results of the industry not only in Mexico but also in US.

In addition, the drop in revenues from the Real Estate Sector is related to delays in sales from the Punta Mita tourist projects.

The company is unable to provide further details regarding its

quarterly results. However, it expects to release its preliminary fourth quarter 2002 figures during the week of January 15, 2003.

This press release contains "forward-looking statements" (within the meaning of the Private Securities Litigation Reform Act of 1995) that reflect the current views of Desc's management with respect to future events. The words "anticipate," "believe," "estimate," "expect," "intend," "may," "plan," "project," and "should" and similar expressions generally are intended to identify forward-looking statements. These statements are subject to risks, uncertainties and changes in circumstances. Actual results may differ materially from present expectations as a result of many factors, including, but not limited to, changes in global and domestic political, economic, business, competitive, market and regulatory factors, the cyclicity of the autoparts and chemicals industries and other factors which are described under the heading "Risk Factors" in Desc's most recent Annual Report on Form 20-F filed with the Securities and Exchange Commission. Desc does not assume any obligation to update these forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made.
