Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

the Company and AHL in favor of the Collateral Agent. Each of the guaranties (together, the "Guaranties") was entered into as of March 30, 2007. The obligations under the Loan Agreement and the Guaranties are secured by two security agreements, both dated as of March 30, 2007. The first security agreement secures the Term A and C loans to the REIT and was entered into by the REIT and Aames in favor of the Collateral Agent. The second security agreement secures the Term B loan to AHL and was entered into by AHL, the Company and certain direct and indirect subsidiaries of the Company in favor of the Collateral Agent. There are also two pledge agreements, each dated as of March 30, 2007. The first pledge agreement secures the Term A and C loans, was entered into by the REIT and Aames in favor of the Collateral Agent and pledges the REIT's equity ownership in Aames as well as the residual certificates in certain mortgage securitizations. The second pledge agreement secures the Term B loan, was entered into by the Company, AHL and certain direct and indirect subsidiaries of the Company and AHL in favor of the Collateral Agent and pledges the Company and AHL's equity interests, respectively, in certain subsidiaries.

In addition, as of March 30, 2007, at the closing of the term loans, the Company issued the Warrant to MIF pursuant to which MIF has the right to acquire 3,226,431 Shares at an exercise price of \$10.00 per Share, subject to customary anti-dilution adjustments. Subject to obtaining requisite regulatory approvals, if any, the Warrant is exercisable, for a period of 10 years from March 30, 2007, from and after the later of (a) March 30, 2007 and (b) the earlier of (i) the 75th day after issuance and (ii) the earliest of (A) the Company entering into a merger agreement or any other agreement for a change of control transaction, (B) the Company entering into any agreement for a sale of all or substantially all the assets of the Company or its subsidiaries or the sale of all or substantially all of the assets of the Borrowers, (C) the commencement of certain tender or exchange offers for the Company's Shares or (D) any public announcement by the Company of any of the foregoing (the earliest of the foregoing dates in (b), the "Exercise Date"). On and after the date that is 60 days prior to the applicable Exercise Date, MIF and certain Reporting Persons may be deemed to be the beneficial owners of the 3,226,431 Shares into which the Warrant is convertible. The Warrant provides certain "put" and "call" rights to the holder thereof and the Company, respectively.

The Company and MIF have also entered into the Investor Rights Agreement pursuant to which the Company is required to file shelf registration statements and grant to MIF (and its qualifying transferees) certain demand and "piggyback" registration rights in connection with the Shares issuable upon exercise of the Warrant and other Shares held by Reporting Persons as of March 30, 2007. The registration rights granted under the Investor Rights Agreement terminate with respect to MIF (and any of its qualifying transferees) when such party no longer holds any "Registrable Securities" (as defined in the Investor Rights Agreement). With the exception of certain expenses, such as underwriting discounts and commissions, the Company has agreed to pay all expenses incident to its performance of or compliance with the Investor Rights Agreement, including the reasonable fees and expenses of counsel retained by the holders of Registrable Securities requested to be included in a registration statement. No Lender shall be responsible for any failure by any other Lender to perform its obligation to make a Loan hereunder nor shall the Commitment of any Lender be increased or decreased as a result of any such failure, and each Lender shall be obligated to make the Loans required to be made by it by the terms of this Agreement regardless of the failure by any other Lender.

Each Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.06 may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation.

(B) second, to pay Obligations in respect of any fees then due to the Agents and the Lenders;

(C) third, to pay interest due in respect of the Loans;

(D) fourth, to pay the principal outstanding on the Loans; and

(E) fifth, to the ratable payment of all other Obligations;

provided, however, if sufficient funds are not available to fund all payments to be made in respect of any of the Obligations described in any of the foregoing clauses (A) through (E), the available funds being applied with respect to any such Obligations referred to in any one of such clauses shall be allocated to the payment of such Obligations in such clause ratably, based on the proportion of each Agent's and each Lender's interest in the aggregate outstanding Obligations described in such clauses.

(d) Payments on Non-Business Days. Whenever any payment to be made by the Borrower hereunder or under the Note is stated to be due on a day which is not a Business Day, the payment shall instead be due on the next succeeding Business Day, and any such extension of time shall be included in the computation of the payment of interest and fees hereunder.

2.07. Change of Control. Upon a Change of Control Event, the Lenders shall have the option (the Change of Control Option) to demand that the Borrowers pay any or all of the Loans. (k) ERISA Liabilities. Any Termination Event (as defined in ERISA) occurs which will or is reasonably likely to subject either the Borrower or an ERISA Affiliate to a liability that exceeds \$10,000,000.

(l) Waiver Application. The plan administrator of any Benefit Plan applies under Section 412(d) of the Code for a waiver of the minimum funding standards of Section 412(a) of the Code and the Administrative Agent believes that the substantial business hardship upon which the application for the waiver is based could subject either the Borrower or any ERISA Affiliate to liability that exceeds \$10,000,000.

(b) Enforcement. Each Loan Party acknowledges that in the event any Loan Party fails to perform, observe or discharge any of its obligations or liabilities under this Agreement or any other Loan Document, any remedy of law may prove to be inadequate relief to the Administrative Agent, the Collateral Agent or any Lender; therefore, each Loan Party agrees that the Administrative Agent, the Collateral Agent or any Lender shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

ARTICLE XII

THE AGENTS

12.01. Appointment Powers and Immunities; Delegation of Duties, Liability of Agents.

(a) Each Lender hereby designates and appoints the Administrative Agent as its administrative agent under this Agreement and the other Loan Documents and the Collateral Agent as its collateral agent under this Agreement and the other Loan Documents. Each Lender hereby irrevocably authorizes each such Agent to take such action on such Lender's behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Each such Agent agrees to act as such on the express conditions contained in this Article XII. The provisions of this Article XII are solely for the benefit of the Administrative Agent, Collateral Agent, and the Lenders. The Borrower shall not have any rights as a third party beneficiary of any of the provisions contained herein. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, each such Agent shall not have any duties or responsibilities, except those expressly set forth herein, nor shall each such Agent have or be deemed to have any fiduciary relationship with any of the Lenders and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against each such Agent; it being expressly understood and agreed that the use of the word "Agent" is for convenience only and that each such Agent is merely the representative of the Lenders, and has only the contractual duties set forth in this Agreement and the other Loan Documents. Except as expressly otherwise provided in this Agreement, each such Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions which such Agent is expressly entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. No Lender shall have any right of action whatsoever against each such Agent as a result of such Agent acting or refraining from acting hereunder pursuant to such discretion and any action taken or failure to act pursuant to such

discretion shall be binding on the Lenders. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Administrative Agent or Collateral Agent, each of the Lenders agree that, as long as this Agreement remains in effect: (i) (A) Administrative Agent shall have the right to maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Loans, Collections, and related matters, and (B) Collateral Agent shall have the right to maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Collateral and related matters; (ii) Collateral Agent shall have the right to execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents; (iii) Administrative Agent shall have the right to exclusively receive, apply, and distribute the Collections as provided in the Loan Documents; (iv) Administrative Agent shall have the right to open and maintain such bank accounts and lock boxes as Administrative Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes with respect to the Collections and, on behalf of Collateral Agent, with respect to the Collateral; (v) (A) Administrative Agent shall have the right to perform, exercise, and enforce any and all other rights and remedies of the Lenders with respect to the Borrower, the Obligations, the Collections, or otherwise related to any of same as provided in the Loan Documents, and (B) Collateral Agent shall have the right to perform, exercise, and enforce any and all other rights and remedies of the Lenders with respect to Borrower, the Obligations, the Collateral, or otherwise related to any of same as provided in the Loan Documents; and (vi) Administrative Agent and Collateral Agent each shall have the right to incur and pay such fees, charges, and expenses under the Loan Documents as such Agent reasonably may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents. Administrative Agent may deem and treat the payee of any Obligation as the holder thereof for all purposes of the Loan Documents unless and until a notice of the assignment or transfer of such Obligation shall have been filed with Administrative Agent. Each Lender further consents to (y) the execution, delivery, and performance by Administrative Agent or Collateral Agent of each Loan Document entered into by such Agent on behalf of the Lenders as contemplated by this Agreement, and (z) the terms of such Loan Documents.

(b) Except as otherwise provided in this section, each of Administrative Agent and Collateral Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each of Administrative Agent and Collateral Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects as long as such selection was made in compliance with this section and without gross negligence or willful misconduct.

(c) None of the Agent-Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any Lender for any recital, statement, representation or warranty made by any Borrower or Affiliate of any Borrower, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Administrative Agent or Collateral Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of any Borrower or any other

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower.

12.02. Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person, and upon advice and statements of legal counsel, independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it first shall receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, such Agent shall act, or refrain from acting, as it deems advisable. If any Agent so requests, it first shall be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent in all cases shall be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all Lenders.

12.03. Defaults. Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Administrative Agent for the account of the Lenders, except with respect to Events of Default of which Administrative Agent has actual knowledge, and unless Administrative Agent shall have received written notice from a Lender or Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a Notice of Default. Administrative Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Administrative Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and each Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its participants, if any. Subject to Sections 12.02 and 12.07, each Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Article X; provided, however, that unless and until such Agent has received any such request, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

12.04. Rights as a Lender.

(a) With respect to its Commitments and the Loans made by it, Farallon (and any successor acting as Administrative Agent, if any, as permitted by Section 12.08(a) hereof) in its capacity as a Lender under the Loan Documents shall have the same rights, privileges and powers under the Loan Documents as any other Lender and may exercise the same as though it were not acting as Administrative Agent, and the term Lender or Lenders shall, unless the context otherwise indicates, include Administrative Agent in its individual capacity. Farallon (and any successor acting as Administrative Agent) and its affiliates may (without having to account for the same to any Lender) accept deposits from, lend money to, make investments in

and generally engage in any kind of banking, trust or other business with Borrower (and any of its Affiliates) as if it were not acting as Administrative Agent, and Farallon (and its successors) and its affiliates may accept fees and other consideration from Borrower for services in connection with this Agreement or otherwise without having to account for the same to the Lenders.

(b) With respect to its Commitments and the Loans made by it, Farallon (and any successor acting as Collateral Agent, if any, as permitted by Section 12.08(b) hereof) in its capacity as a Lender under the Loan Documents shall have the same rights, privileges and powers under the Loan Documents as any other Lender and may exercise the same as though it were not acting as Collateral Agent, and the term Lender or Lenders shall, unless the context otherwise indicates, include Collateral Agent in its individual capacity. Farallon (and any successor acting as Collateral Agent) and its affiliates may (without having to account for the same to any Lender) accept deposits from, lend money to, make investments in and generally engage in any kind of banking, trust or other business with Borrower (and any of its Affiliates) as if it were not acting as Collateral Agent, and Farallon and its affiliates may accept fees and other consideration from the Borrower for services in connection with this Agreement or otherwise without having to account for the same to the Lenders.

12.05. Costs and Expenses; Indemnification. Each Agent may incur and pay fees, costs, and expenses under the Loan Documents to the extent such Agent deems reasonably necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Loan Documents, including without limiting the generality of the foregoing, court costs, reasonable attorneys fees and expenses, costs of collection by outside collection agencies and auctioneer fees and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not any Borrower is obligated to reimburse the Lenders for such expenses pursuant to the Loan Agreement or otherwise. Each Lender hereby agrees that it is and shall be obligated to pay to or reimburse Agent for the amount of such Lender's Pro Rata Share thereof (in accordance with its Commitment). Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Agent-Related Persons (without limiting the obligation of Borrower to do so), according to their Pro Rata Shares (in accordance with their respective total Commitments), from and against any and all Indemnified Matters (including without limitation Indemnified Matters arising under any Environmental Law as provided in Section 13.03); provided, however, that no Lender shall be liable for the payment to the Agent-Related Persons of any portion of such Indemnified Matters resulting solely from such Person's gross negligence or willful misconduct as determined in a final order by a court of competent jurisdiction. Without limitation of the foregoing, each Lender shall reimburse Administrative Agent or Collateral Agent, as the case may be, upon demand for such Lender's ratable share of any costs or out-of-pocket expenses (including attorneys fees and expenses) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein. The undertaking in this section shall survive the payment of all Obligations hereunder and the resignation or replacement of any Agent.

12.06. Non-Reliance on Agents and Other Lenders. Each Lender acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by any Agent hereinafter taken, including any review of the affairs or Property of Borrower,

shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of Borrower and any other Person (other than the Lenders) party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrower. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of Borrower and any other Person (other than the Lenders) party to a Loan Document. Except for notices, reports and other documents expressly herein required to be furnished to the Lenders by Agent, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, Property, financial and other condition or creditworthiness of Borrower and any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons.

12.07. Failure to Act. Except for action expressly required of any Agent under the Loan Documents, such Agent shall in all cases be fully justified in failing or refusing to act under any Loan Document unless it shall receive further assurances to its satisfaction from the Lenders of their indemnification obligations under Section 12.05 against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

12.08. Resignation of Agent.

(a) The Administrative Agent may resign at any time by notice to the Lenders and Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been appointed by the Required Lenders and have accepted such appointment within 30 days after the retiring Administrative Agent's giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent. Upon the acceptance of any appointment as the Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, remedies, powers, privileges, duties and obligations of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations, under the Loan Documents. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article XII shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent.

(b) Collateral Agent may resign at any time by notice to the Lenders and Borrower. Upon any such resignation, Required Lenders shall have the right to appoint a successor Collateral Agent. If no successor Collateral Agent shall have been appointed by Required Lenders and have accepted such appointment within 30 days after the retiring Collateral Agent's giving of notice of resignation, then the retiring Collateral Agent may, on behalf of Lenders,

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

appoint a successor Collateral Agent. Upon the acceptance of any appointment as Collateral Agent by a successor Collateral Agent, such successor Collateral Agent shall thereupon succeed to and become vested with all the rights, remedies, powers, privileges, duties and obligations of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties and obligations, under the Loan Documents. After any retiring Collateral Agent's resignation as Collateral Agent, the provisions of this Article XII shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Collateral Agent.

12.09. Collateral Sub-Agents. The Lenders by its execution and delivery of this Agreement (or any joinder hereto or any Assignment and Acceptance hereunder), agrees that, in the event it shall hold any monies or other investments on account of Borrower, such monies or other investments shall be held in the name and under the control of the Administrative Agent or such Lender, and the Administrative Agent or such Lender shall hold such monies or other investments as a collateral sub-agent for Collateral Agent under this Agreement and the other Loan Documents. Borrower by its execution and delivery of this Agreement hereby consents to the foregoing.

12.10. Communications by Borrower. Except as otherwise provided in this Agreement, any communications of the Borrower with respect to the Loan Documents shall be with Administrative Agent or Collateral Agent, as the case may be, and such Borrower shall be under no obligation to communicate directly with the Lenders.

12.11. Collateral Matters.

(a) The Lenders hereby irrevocably authorize Collateral Agent, at its option and in its sole discretion, to release any Lien on any Collateral (i) upon the termination of the Commitments and payment and satisfaction in full by the Borrower of all Obligations or (ii) in accordance with the provisions of the Loan Documents. Except as provided above or expressly provided in any other Loan Document, Collateral Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of the Required Lenders.

(b) Collateral Agent shall have no obligation whatsoever to any other Lenders to assure that the Collateral exists or is owned by Borrower or is cared for, protected, or insured or has been encumbered, or that the Lenders' Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Collateral Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, subject to the terms and conditions contained herein, Collateral Agent may act in any manner it may deem appropriate, in its sole discretion given Collateral Agent's own interest in the Collateral in its capacity as one of the Lenders and that Collateral Agent shall have no other duty or liability whatsoever to any other Lender as to any of the foregoing, except as otherwise provided herein.

12.12. Restrictions on Actions by Administrative Agent and the Lenders; Sharing Payments.

(a) Administrative Agent and each of the Lenders agrees that it shall not, without the express consent of Collateral Agent, and that it shall, to the extent it is lawfully entitled to do so,

upon the request of Administrative Agent and Collateral Agent, set off against the Obligations, any amounts owing by such Lenders to Borrower or any accounts of Borrower now or hereafter maintained with such Lenders. Administrative Agent and each of the Lenders further agrees that it shall not, unless specifically requested to do so by Collateral Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings, to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral the purpose of which is, or could be, to give such Lenders any preference or priority against the other Lenders with respect to the Collateral.

(b) Subject to Section 12.04, if, at any time or times any Lender shall receive (i) by payment, foreclosure, setoff or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Agreement or the other Loan Documents, except for any such proceeds or payments received by such Lender from Administrative Agent pursuant to the terms of this Agreement, or (ii) payments from Administrative Agent in excess of such Lender's ratable portion of all such distributions by Administrative Agent, such Lender promptly shall turn the same over to Administrative Agent, in kind, and with such endorsements as may be required to negotiate the same to Administrative Agent, or in same day funds, as applicable, for the account of the Lenders and for apportionment and application to the Obligations in accordance with Section 2.06(c) hereof.

12.13. Several Obligations; No Liability. Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of an Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Administrative Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lenders. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 12.05, no Agent or any Lender shall have any liability for the acts of the other Agent or any other Lender. No Lender shall be responsible to Borrower or any other Person for any failure by any other Lender to fulfill its obligations to make credit available hereunder, nor to advance for it or on its behalf in connection with its Commitment, nor to take any other action on its behalf hereunder or in connection with the financing contemplated herein.

ARTICLE XIII

13.01. Assignments and Participations. (a) This Agreement shall be binding upon and inure to the benefit of Borrowers and the Lenders and their respective successors and assigns; provided, however, that Borrowers may not assign or transfer any of their rights hereunder without the prior written consent of the Lenders, which consent may be granted or withheld in the Lenders' sole discretion and any such assignment without the Lenders' prior written consent shall be null and void. Each Lender may at any time sell, assign or participate its rights and obligations under this Agreement to an Eligible Assignee without notice to or the consent of the Borrowers or any other Lenders.

(b) Limitations on Assignments. Each assignment shall be subject to the following conditions: (i) each assignment shall be of a constant, and not a varying, ratable percentage of all of the assigning Lender's rights and obligations in respect of its interest being assigned under this Agreement and its Note and, in the case of a partial assignment, shall be in a minimum principal amount of \$40,000,000 and shall be an integral multiple of \$100,000 except that such limitations shall not apply to an assignment by any Lender of any portion of its rights and obligations to another Lender, or an assignment by any Lender of any portion of its rights and obligations to an Affiliate of such Lender, or an assignment by any Lender of all of its rights or obligations to another Person, (ii) each such assignment shall be to an Eligible Assignee, and (iii) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with a processing and recordation fee of \$5,000; provided, however, any Lender may assign any or all of its rights and obligations under this Agreement to any of its Affiliates without notice to or consent of the Borrower or the Administrative Agent and without being subject to the foregoing conditions (including the payment of the processing and recordation fee). Upon such execution, delivery, acceptance and recording in the Register, from and after the effective date specified in each Assignment and Acceptance and accepted by the Administrative Agent (which effective date shall not be any earlier than the date on which the Administrative Agent so accepts and records the Assignment and Acceptance in the Register), (x) the assignee thereunder shall, in addition to any rights and obligations hereunder held by it immediately prior to such effective date, if any, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and shall, to the fullest extent permitted by law, have the same rights and benefits hereunder as if it were an original Lender hereunder and (y) the assigning Lender shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of such assigning Lender's rights and obligations under this Agreement, the assigning Lender shall cease to be a party hereto).

(c) The Register. The Administrative Agent, acting for this purpose as agent for the Borrower, shall maintain at its address a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the Register) for the recordation of the names and addresses of the Lenders and the Commitment of each Lender from time to time and whether such Lender is an original Lender or the assignee of another Lender pursuant to an Assignment and Acceptance. The Administrative Agent shall incur no liability of any kind to the Borrower, any Lender or any other Person with respect to its maintenance of the Register or the recordation of information therein subject to the Agent's gross negligence or willful misconduct. The Register shall include a control account and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent from the Borrowers hereunder and each Lender's share thereof. The Administrative Agent will render a monthly statement of such accounts to the Borrowers. Each such statement shall be deemed final, binding and conclusive upon the Borrowers in all respects as to all matters reflected therein (absent manifest error) unless the Borrowers, within thirty (30) days after the date such statement is rendered, delivers to the Administrative Agent written notice of any objections which the Borrowers may have to any such statement. In that event, only those items expressly objected to in such notice shall be deemed to be disputed by the

Borrowers. The entries in the Register shall be final, conclusive and binding upon the Borrowers for all purposes, absent manifest error, and the Borrowers and each other Loan Party, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers or any Lender at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective unless and until the Assignment and Acceptance has been accepted by the Administrative Agent and registered in the Register.

(d) Fee. Upon its receipt of an Assignment and Acceptance executed by the assigning Lender and an Eligible Assignee and a processing and recordation fee of \$5,000 (payable by the assigning Lender or the assignee, as shall be agreed between them), the Administrative Agent shall, if such Assignment and Acceptance has been completed and is in compliance with this Agreement and in substantially the form of Exhibit A hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrowers and the other Lenders.

(e) Participations. Each Lender may sell participations to one or more commercial banks, lending institutions, finance companies, insurance companies, other financial institutions or funds in or to all or a portion of its rights and obligations under and in respect of any and all facilities under this Agreement (including, without limitation, all or a portion of any or all of its Commitments hereunder); provided, however, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitments hereunder) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, (iv) such participant must be an Eligible Assignee, and (v) such participant's rights to agree or to restrict such Lender's ability to agree to the modification, waiver or release of any of the terms of the Loan Documents or to the release of any Collateral covered by the Loan Documents, to consent to any action or failure to act by any party to any of the Loan Documents or any of their respective Affiliates, or to exercise or refrain from exercising any powers or rights which any Lender may have under or in respect of the Loan Documents or any Collateral, shall be limited to the right to consent to (A) the increase in the Commitment of the Lender from whom such participant purchased a participation, (B) the reduction of the principal of, or rate or amount of interest on, the Loans subject to such participation (other than by the payment or prepayment thereof), (C) the postponement of any date fixed for any payment of principal of, or interest on, the Loan(s) subject to such participation (except with respect to any modifications of the provisions relating to prepayments of Loans and other Obligations) and (D) the release of any guarantor of the Obligations or all or a substantial portion of the Collateral.

(f) Information Regarding the Borrower. Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 13.01, disclose to the assignee or participant or proposed assignee or participant, any information relating to any of the Borrower or any other Loan Party furnished to such Lender by the Administrative Agent or by or on behalf of such Borrower or such Loan Party; provided that, prior to any such disclosure, such assignee or participant, or proposed assignee or participant, shall agree to preserve the confidentiality of any confidential information described therein pursuant to the terms of this Agreement.

(g) Payment to Participants. Anything in this Agreement to the contrary notwithstanding, in the case of any participation, all amounts payable by the Borrower under the Loan Documents shall be calculated and made in the manner and to the parties required hereby as if no such participation had been sold.

(h) Lenders Creation of Security Interests. Notwithstanding any other provision set forth in this Agreement, any Lender may at any time create a security interest in all or any portion of its rights under this Agreement and its Note (including, without limitation, Obligations owing to it and the Note held by it) in favor of any Federal Reserve Bank of the Federal Reserve Board without consent of any of the Borrower or the Administrative Agent. Lender will give notice of such security interest, provided that the failure to do so will in no way create any liability on the part of the Lender.

13.02. Expenses.

(a) Through Closing Date. The Borrowers agree upon demand to pay, or reimburse each Agent for, all legal, tax and regulatory costs and expenses (including, without limitation, fees and expenses of counsel to the Agents) on work performed through the date hereof and work to be performed through the Closing Date up to a maximum of \$1,500,000.

(b) Following Closing Date. The Borrowers agree upon demand to pay, or reimburse each Agent for, all reasonable out-of-pocket costs and expenses of every type and nature incurred (it being understood that Farallon is not changing an administration fee) by such Agent after the Closing Date in connection with (i) the interpretation of this Agreement, the other Loan Documents and the making of the Loans hereunder; (ii) the ongoing administration of this Agreement and the Loans, including consultation with attorneys in connection therewith and with respect to such Agent's rights and responsibilities under this Agreement and the other Loan Documents; (iii) the protection, collection or enforcement of any of the Obligations or the enforcement of any of the Loan Documents; (iv) the commencement, defense or intervention in any court proceeding relating in any way to the Obligations, the assets of any Loan Party, any Loan Party, this Agreement or any of the other Loan Documents; (v) the response to, and preparation for, any subpoena or request for document production with which such Agent is served or deposition or other proceeding in which such Agent is called to testify, in each case, relating in any way to the Obligations, the assets of any Loan Party, any Loan Party, this Agreement or any of the other Loan Documents; and (vi) any amendments, consents, waivers, assignments, restatements, or supplements to any of the Loan Documents and the preparation, negotiation, and execution of the same.

(c) After Default. The Borrowers further agree to pay or reimburse each Agent and each Lender upon demand for all out-of-pocket costs and expenses, including, without limitation, reasonable attorneys' fees incurred by such Agent or Lender after the occurrence of an Event of Default (i) in enforcing any Loan Document or any of the Obligations or any security therefor or exercising or enforcing any other right or remedy available by reason of such Event of Default; (ii) in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a work-out or in any insolvency or bankruptcy proceeding; (iii) in commencing, defending or intervening in any litigation or in filing a petition, complaint, answer, motion or other pleadings in any legal proceeding relating to the Obligations, the Property, any Loan Party and related to or arising out of the transactions contemplated hereby or

by any of the other Loan Documents; and (iv) in taking any other action in or with respect to any suit or proceeding (bankruptcy or otherwise) described in clauses (i) through (iii) above.

13.03. Indemnity. The Borrowers further agree to defend, protect, indemnify, and hold harmless each Agent and each Lender and each of their respective Affiliates, and their respective officers, directors, employees, members, managing members, agents, attorneys-in-fact and shareholders (collectively, the Indemnitees) from and against any and all liabilities, obligations, losses (other than loss of profits), damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (excluding income, franchise and similar taxes and including, without limitation, the fees, expenses and disbursements of legal counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding, whether or not such Indemnitees shall be designated a party thereto), imposed on, incurred by, or asserted against such Indemnitees in any manner relating to or arising out of (a) this Agreement, the Notes, the other Loan Documents, or any act, event or transaction related or attendant thereto, the making of the Loans, the use or intended use of the proceeds of the Loans, or any of the transactions contemplated by the Loan Documents, or (b) any liabilities and costs under any Environmental Law or common law principles arising from or in connection with the past, present or future operations of any Loan Party or any of its predecessors in interest, or, the past, present or future environmental condition of any Property of any Loan Party, the presence of asbestos-containing materials at any Property of any Loan Party or the Release or threatened Release of any Hazardous Material into the environment from any Property of any Loan Party or to which any Loan Party sent any Hazardous Material for treatment, storage disposal or recycling (collectively, the Indemnified Matters); provided, however, the Borrowers shall have no obligation to an Indemnitee hereunder with respect to Indemnified Matters caused by or resulting from the willful misconduct or gross negligence of such Indemnitee, as determined by a court of competent jurisdiction in a judgment or order. To the extent that the undertaking to indemnify, pay and hold harmless set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, each Borrower shall contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees.

13.04. Setoff. In addition to any Liens granted under the Loan Documents and any rights now or hereafter granted under applicable law, upon the occurrence and during the continuance of any Event of Default, each Lender and any Affiliate of such Lender (at its option but only with the prior written consent of all Lenders) is hereby authorized by each Borrower and each other Loan Party at any time and from time to time, without notice to any Person (any such notice being hereby expressly waived) to set off and to appropriate and to apply any and all deposits (general or special, including, but not limited to, indebtedness evidenced by certificates of deposit, whether matured or unmatured (but not including trust accounts)) and any other Indebtedness at any time held or owing by the Lenders or any of their respective Affiliates to or for the credit or the account of such Borrower or such other Loan Party against and on account of the Obligations of the Borrowers to the Lenders or any of their respective Affiliates, including, but not limited to, all Loans and all claims of any nature or description arising out of or in connection with this Agreement or the Notes, irrespective of whether or not (i) the Lenders shall have made any demand hereunder or (ii) the Lenders shall have declared the principal of and interest on the Loans and other amounts due hereunder and under the Notes to be due and payable as permitted by Article X and even though such Obligations may be contingent or unmatured. The Lenders agree to notify Borrowers, Collateral Agent and Administrative Agent

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

promptly after any such set-off and application made by the Lenders provided that the failure to give such notice to the Borrowers shall not affect the validity of such set-off and application.

13.05. Amendments and Waivers. Unless otherwise provided in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party or any Lenders therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Lenders (or by Administrative Agent and Collateral Agent, in each case, at the written request of the Required Lenders), and, with respect to amendment, by the Borrowers, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such waiver, amendment, or consent shall, unless in writing and signed by Borrower, all the Lenders, Administrative Agent and Collateral Agent do any of the following:

- (a) postpone or delay any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any other Loan Document;
- (b) reduce the principal of, or the rate of interest specified herein, on any Loan, or any fees or other amounts payable hereunder or under any other Loan Document, or forgive, compromise, or cancel any of the Obligations;
- (c) amend this Section or any provision of the Agreement providing for consent or other action by all Lenders;
- (d) release Collateral other than as permitted by Section 12.11, or subordinate any security interest or liens of Collateral Agent for the benefit of the Lenders;
- (e) change the definition of Required Lenders or Pro Rata Share ;
- (f) release any Loan Party from any Obligation for the payment of money, or agree to subordinate any of the Obligations in right of payment to any other Indebtedness;
- (g) permit the sale of all or substantially all of the assets of any Loan Party;
- (h) amend any of the provisions of Article XIII;

and, provided further, however, that (1) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document, (2) no amendment, waiver or consent shall, unless in writing and signed by Collateral Agent, affect the rights or duties of Collateral Agent under this Agreement or any other Loan Document, and (3) each of the Lenders is hereby deemed to have instructed the Collateral Agent (A) to release its Liens as to the property which is the subject of any asset sale, assignment or other disposition of property or assets which is permitted hereunder without any further consent of any Lender, and (B) to take such other actions as are necessary or desirable to facilitate any such disposition. The foregoing notwithstanding, any amendment, modification, waiver, consent, termination, or release of or with respect to Article XII shall not require the consent by or the agreement of any Loan Party.

(a) Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, faxed or sent by courier service or United States certified mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a facsimile or three (3) Business Days after deposit in the United States mail with postage prepaid and properly addressed. Notices to the Administrative Agent pursuant to Article II shall not be effective until received by the Administrative Agent. For the purposes hereof, the addresses of the parties hereto (until notice of a change thereof is delivered as provided in this Section 13.06) shall be as set forth below each party's name on the signature pages hereof, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties to this Agreement

(a) Each Loan Party agrees to indemnify and hold harmless each Indemnitee from and against any and all claims, damages, liabilities, obligations, losses, penalties, actions, judgments, suits, costs, disbursements and expenses of any kind or nature (including, without limitation, reasonable fees and disbursements of counsel to any such Indemnitee) which may be imposed on, incurred by or asserted against any such Indemnitee in any manner relating to or arising out of any action taken or omitted by such Indemnitee in good faith in reliance on any notice or other written communication in the form of a facsimile purporting to be from the Borrower; provided that such Loan Party shall have no obligation under this Section 13.06(b) to an Indemnitee with respect to any indemnified matter caused by or resulting from the gross negligence or willful misconduct of that Indemnitee, as determined by a court of competent jurisdiction in a judgment or order.

13.07. Survival of Warranties and Agreements. All representations and warranties made herein and all obligations of the Borrower in respect of taxes, indemnification and expense reimbursement shall survive the execution and delivery of this Agreement and the other Loan Documents, the making and repayment of the Loans and the termination of this Agreement and shall not be limited in any way by the passage of time or occurrence of any event and shall expressly cover time periods when the Agents or Lenders may have come into possession or control of any assets of any Loan Party.

13.08. Failure or Indulgence Not Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or the Lenders in the exercise of any power, right or privilege under this Agreement, the Notes or any of the other Loan Documents shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege. All rights and remedies existing under this Agreement, the Notes and the other Loan Documents are cumulative to and not exclusive of any rights or remedies otherwise available.

13.09. Marshalling; Payments Set Aside. None of the Administrative Agent, the Collateral Agent or any Lender shall be under any obligation to marshal any assets in favor of any Borrower, any other Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Borrower makes a payment or payments to any Lender or Agent, or any of such Persons exercises its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party, then to the extent of such recovery, the obligation or part thereof originally intended

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

to be satisfied, and all Liens, right and remedies therefor, shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

13.10. Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of an Event of Default or Default if such action is taken or condition exists.

13.11. Severability. In case any provision in or obligation under this Agreement, the Notes or the other Loan Documents shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

13.12. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement or be given any substantive effect.

13.13. GOVERNING LAW. THIS AGREEMENT SHALL BE INTERPRETED, AND THE RIGHTS AND LIABILITIES OF THE PARTIES HERETO DETERMINED, IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

13.14. Limitation of Liability. No claim may be made by the Borrowers, any other Loan Party or any other Person against any Agent, any Lender or their respective Affiliates, directors, officers, employees, attorneys or agents of any of them for any special, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or the Notes or the other Loan Documents, or any act, omission or event occurring in connection therewith; and each Borrower and each other Loan Party hereby waive, release and agree not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

13.15. Successors and Assigns. This Agreement, the Notes and the other Loan Documents shall be binding upon the parties thereto and their respective successors and assigns and shall inure to the benefit of the parties thereto and the successors and permitted assigns of the Lenders. The rights hereunder of the Borrowers and the other Loan Parties, or any interest therein, may not be assigned without the written consent of the Lenders.

13.16. Certain Consents and Waivers.

13.17. CONSENT TO JURISDICTION, SERVICE OF PROCESS AND VENUE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, BORROWER HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE

JURISDICTION OF THE AFORESAID COURTS. BORROWER FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 13.06, SUCH SERVICE TO BECOME EFFECTIVE FIVE (5) DAYS AFTER SUCH MAILING. BORROWER HEREBY IRREVOCABLY APPOINTS CT CORPORATION, 111 EIGHTH AVENUE, NEW YORK, NEW YORK, 10011, AS ITS AGENT FOR SERVICE OF PROCESS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF ANY AGENT OR LENDER TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST BORROWER IN ANY OTHER JURISDICTION. BORROWER HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT BORROWER HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, BORROWER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

13.18. WAIVER OF JURY TRIAL, ETC. BORROWER, EACH AGENT AND EACH LENDER HEREBY WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT, THE NOTES OR OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREE THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. BORROWER CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. BORROWER HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE LENDERS ENTERING INTO THIS AGREEMENT.

13.19. Counterparts; Effectiveness; Inconsistencies. This Agreement and any amendments, waivers, consents, or supplements hereto may be executed in counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. This Agreement shall become effective against the Loan Parties, the Administrative Agent, the Collateral Agent and each Lender on the date hereof when each such party hereto executes and delivers this Agreement.

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

This Agreement and each of the other Loan Documents shall be construed to the extent reasonable to be consistent one with the other, but to the extent that the terms and conditions hereof are actually inconsistent with the terms and conditions of any other Loan Document, this Agreement shall govern.

13.20. Entire Agreement. This Agreement, taken together with all of the other Loan Documents, embodies the entire agreement and understanding among the parties hereto and supersedes all prior agreements and understandings, written and oral, relating to the subject matter hereof.

13.21. Confidentiality. The Lenders, Administrative Agent and Collateral Agent shall hold all nonpublic information of the Loan Parties obtained pursuant to the requirements of this Agreement in accordance with Administrative Agent's, Collateral Agent's and each Lender's customary procedures for handling confidential information of this nature and in accordance with safe and sound practices and in any event may make disclosure reasonably required by a bona fide offeree, transferee or participant in connection with the contemplated transfer or participation or as required or requested by any Governmental Authority or representative thereof or pursuant to legal process and shall require any such offeree, transferee or participant to agree (and require any of its offerees, transferees or participants to agree) to comply with this Section 13.22. In no event shall any Agent or Lender be obligated or required to return any materials furnished by any Loan Party.

13.22. Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

13.23. Interpretation. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against any Agent, any Lender or the Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

2. EXERCISE OF WARRANT

2.1 Manner of Exercise.

(a) From and after the Initial Exercise Date and until 5:00 P.M., New York time, on the Expiration Date, the Holder may from time to time exercise this Warrant, on any Business Day, for all or any part of the number of shares of Common Stock purchasable hereunder (as determined pursuant to Section 2.2); provided, that such exercise shall not be permitted if it would cause the Company or any of its Subsidiaries to be in violation of the laws set forth on Schedule A (the Applicable Licensing Laws). In order to exercise this Warrant, in whole or in part, the Holder shall (i) deliver to the Company at the Designated Office a written notice of the Holder's election to exercise this Warrant (an Exercise Notice), which Exercise Notice shall be irrevocable and specify the number of shares of Common Stock to be purchased, together with this Warrant and (ii) pay to the Company the Warrant Price (the date on which both such delivery and payment shall have first taken place being hereinafter sometimes referred to as the Exercise Date). Such Exercise Notice shall be in the form of the subscription form appearing at the end of this Warrant as Annex A, duly executed by the Holder or its duly authorized agent or attorney.

(b) Upon receipt of such Exercise Notice, Warrant and payment, the Company shall, as promptly as practicable, and in any event within five (5) Business Days thereafter, (i) execute (or cause to be executed) and deliver (or cause to be delivered) to the Holder a certificate or certificates representing the aggregate number of full shares of Common Stock issuable upon such exercise, together with cash in lieu of any fraction of a share, as hereafter provided or (ii) deliver written notice to the Holder that such exercise is not permitted pursuant to the proviso of Section 2.1(a). Any stock certificate or certificates so delivered shall be, to the extent possible, in such denomination or denominations as the exercising Holder shall reasonably request in the Exercise Notice and shall be registered in the name of the Holder or such other name as shall be designated in the Exercise Notice. This Warrant shall be deemed to have been exercised and

such certificate or certificates shall be deemed to have been issued, and the Holder or any other Person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the Exercise Date, unless such exercise is not permitted pursuant to the proviso of Section 2.1(a).

(c) Payment of the Warrant Price shall be made at the option of the Holder by one or more of the following methods: (i) by delivery of a wire transfer of immediately available funds in the amount of such Warrant Price, (ii) by instructing the Company to withhold a number of shares of Warrant Stock then issuable upon exercise of this Warrant with an aggregate Fair Value equal to such Warrant Price, (iii) by surrendering to the Company shares of Common Stock previously acquired by the Holder with an aggregate Fair Value equal to such Warrant Price or (iv) in the case of the Initial Holder only, by setting-off the payment of the Warrant Price against the principal amount and accrued interest then outstanding under the Loan Agreement. In the event of any withholding of Warrant Stock or surrender of Common Stock pursuant to clause (ii) or (iii) above where the number of shares whose Fair Value is equal to the Warrant Price is not a whole number, the number of shares withheld by or surrendered to the Company shall be rounded up to the nearest whole share and the Company shall make a cash payment to the Holder based on the incremental fraction of a share being so withheld by or surrendered to the Company in an amount determined in accordance with Section 2.3.

(d) If this Warrant shall have been exercised in part, the Company shall, at the time of delivery of the certificate or certificates representing the shares of Common Stock being issued, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased shares of Common Stock called for by this Warrant. Such new Warrant shall in all other respects be identical with this Warrant.

2.2 Payment of Taxes. All shares of Common Stock issuable upon the exercise of this Warrant pursuant to the terms hereof shall be validly issued, fully paid and nonassessable, issued without violation of any preemptive rights and free and clear of all Liens (other than any created by actions of the Holder). The Company shall pay all expenses in connection with, and all taxes and other governmental charges that may be imposed with respect to, the issue or delivery thereof, unless such tax or charge is imposed by law upon the Holder, in which case such taxes or charges shall be paid by the Holder and the Company shall reimburse the Holder therefor on an After-Tax Basis; provided, that the Company shall not be responsible for any taxes or other governmental charges arising from the issuance of the Common Stock in name of a Person other than the Holder.

2.3 Fractional Shares. The Company shall not be required to issue a fractional share of Common Stock upon exercise of any Warrant. As to any fraction of a share that the Holder of one or more Warrants, the rights under which are exercised in the same transaction, would otherwise be entitled to purchase upon such exercise, the Company shall pay a cash adjustment in respect of such final fraction in an amount equal to the same fraction of the Fair Value of one share of Common Stock on the Exercise Date.

3. TRANSFER, DIVISION AND COMBINATION

3.1 Transfer. Subject to compliance with Section 9, each Transfer of this Warrant and all rights hereunder, in whole or in part, shall be registered on the books of the Company to be maintained for such purpose, upon surrender of this Warrant at the Designated Office, together with a written assignment of this Warrant in the form of Annex B duly executed by the Holder or

its agent or attorney. Upon such surrender and delivery, the Company shall, subject to Section 9, execute and deliver a new Warrant or Warrants in the name of the assignee or assignees and in the denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned and this Warrant shall promptly be cancelled. A Warrant, if properly assigned in compliance with Section 9, may be exercised by the new Holder for the purchase of shares of Common Stock without having a new Warrant issued.

3.2 Division and Combination. Subject to compliance with the applicable provisions of this Warrant, this Warrant may be divided or combined with other Warrants upon presentation hereof at the Designated Office, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with the applicable provisions of this Warrant as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice.

3.3 Expenses. The Company shall prepare, issue and deliver at its own expense any new Warrant or Warrants required to be issued under this Section 3; provided that any transfer taxes or other governmental charges payable upon a Transfer shall be paid by the assignee or assignees of such Warrant or Warrants.

3.4 Maintenance of Books. The Company agrees to maintain, at the Designated Office, books for the registration and transfer of the Warrants.

4. ANTIDILUTION PROVISIONS

The number of shares of Common Stock for which this Warrant is exercisable and the Exercise Price shall be subject to adjustment from time to time as set forth in this Section 4.

4.1 Stock Dividends, Subdivisions and Combinations. If at any time the Company shall:

- (i) take a record of the holders of its Common Stock for the purpose of entitling them to receive a dividend payable in, or other distribution of, additional shares of Common Stock,
- (ii) subdivide its outstanding shares of Common Stock into a larger number of shares of such Common Stock, or
- (iii) combine its outstanding shares of Common Stock into a smaller number of shares of such Common Stock,

then the Exercise Price shall be adjusted to equal the product of the Exercise Price in effect immediately prior to such event multiplied by a fraction the numerator of which is equal to the number of shares of Common Stock Outstanding immediately prior to the adjustment and the denominator of which is equal to the number of shares of Common Stock Outstanding immediately after such adjustment.

4.2 Issuance of Additional Shares of Common Stock. If at any time the Company shall issue or sell any shares of Common Stock in a Subsequent Issuance for a consideration per share

that is less than the Exercise Price in effect immediately prior to such issuance or sale, then upon such issuance or sale, the Exercise Price shall be reduced to the price calculated by dividing (A) an amount equal to the sum of (x) the number of shares of Common Stock Outstanding immediately prior to such Subsequent Issuance multiplied by the then existing Exercise Price, plus (y) the aggregate consideration (determined in accordance with the provisions of Section 4.6), if any, received by the Company in connection with such Subsequent Issuance, by (B) the total number of shares of Common Stock Outstanding immediately after such Subsequent Issuance.

The provisions of this Section 4.2 shall not apply to (i) any issuance of Common Stock for which an adjustment is provided for under Section 4.1 or (ii) any issuance or sale of Common Stock pursuant to the exercise of any Stock Purchase Rights or Convertible Securities to the extent that an adjustment shall have been previously made hereunder in connection with the issuance of such Stock Purchase Rights or Convertible Securities pursuant to the provisions of Section 4.3.

4.3 Issuances of Stock Purchase Rights and Convertible Securities

(a) In the event that the Company shall at any time issue, sell or grant any Stock Purchase Rights to any Person in a Subsequent Issuance, then, for the purpose of Section 4.2, the Company shall be deemed to have issued at that time a number of shares of Common Stock equal to the maximum number of shares of Common Stock that are or may become issuable upon exercise of such Stock Purchase Rights (or upon exercise of any Convertible Securities issuable upon exercise of such Stock Purchase Rights) for a consideration per share equal to (i) the aggregate consideration per share (determined in accordance with the provisions of Section 4.6) received by the Company in connection with the issuance, sale or grant of such Stock Purchase Rights plus (ii) the minimum amount of such consideration per share receivable by the Company in connection with the exercise of such Stock Purchase Rights (and the exercise of any Convertible Securities issuable upon exercise of such Stock Purchase Rights).

(b) In the event that the Company shall at any time issue or sell any Convertible Securities to any Person in a Subsequent Issuance, then, for the purposes of Section 4.2, the Company shall be deemed to have issued at that time a number of shares of Common Stock equal to the maximum number of shares of Common Stock that are or may become issuable upon the exercise of the conversion or exchange rights associated with such Convertible Securities for a consideration per share equal to (i) the aggregate consideration per share (determined in accordance with the provisions of Section 4.6) received by the Company in connection with the issuance or sale of such Convertible Securities plus (ii) the minimum amount of such consideration per share receivable by the Company in connection with the exercise of such conversion or exchange rights.

(c) If, at any time after any adjustment of the Exercise Price shall have been made hereunder as the result of any issuance, sale or grant of any Stock Purchase Rights or Convertible Securities, the maximum number of shares issuable upon exercise of such Stock Purchase Rights or of the rights of conversion or exchange associated with such Convertible Securities shall increase, or the minimum amount of consideration per share receivable in connection with such exercise shall decrease, whether by operation of any antidilution rights pertaining to such Stock Purchase Rights or Convertible Securities, by agreement of the parties or otherwise, the Exercise Price then in effect shall first be readjusted to eliminate the effects of the original issuance, sale or grant of such Stock Purchase Rights or Convertible Securities on such Exercise Price and then readjusted as if such Stock Purchase Rights or Convertible Securities had been issued on the

effective date of such increase in number of shares or decrease in consideration, but only if the effect of such two-step readjustment is to reduce the Exercise Price below the Exercise Price in effect immediately prior to such increase or decrease.

(d) If, at any time after any adjustment of the Exercise Price shall have been made hereunder as the result of any issuance, sale or grant of any Stock Purchase Rights or Convertible Securities, any of such Stock Purchase Rights or the rights of conversion or exchange associated with such Convertible Securities shall expire by their terms or any of such Stock Purchase Rights or Convertible Securities shall be repurchased by the Company or a Subsidiary thereof for a consideration per underlying share of Common Stock not exceeding the amount of such consideration received by the Company in connection with the issuance, sale or grant of such Stock Purchase Rights or Convertible Securities, the Exercise Price then in effect shall be increased to the Exercise Price that would have been in effect if such expiring Stock Purchase Rights or rights of conversion or exchange or such repurchased Stock Purchase Rights or Convertible Securities had never been issued. Similarly, if at any time after any such adjustment of the Exercise Price shall have been made pursuant to Section 4.2 (i) any additional consideration is received or becomes receivable by the Company in connection with the issuance or exercise of such Stock Purchase Rights or Convertible Securities or (ii) there is a reduction in the conversion ratio applicable to such Convertible Securities so that fewer shares of Common Stock will be issuable upon the conversion or exchange thereof or there is a decrease in the number of shares of Common Stock issuable upon exercise of such Stock Purchase Rights, the Exercise Price then in effect shall be readjusted to the Exercise Price that would have been in effect had such changes taken place at the time that such Stock Purchase Rights or Convertible Securities were initially issued, granted or sold. In no event shall any readjustment under this Section 4.3(d) affect the validity of any shares of Warrant Stock issued upon any exercise of this Warrant prior to such readjustment, nor shall any such readjustment have the effect of increasing the Exercise Price above the Exercise Price that would have been in effect if the related Stock Purchase Rights or Convertible Securities had never been issued.

4.4 Adjustment of Number of Shares Purchasable. Upon any adjustment of the Exercise Price as provided in Section 4.1, 4.2 or 4.3, the Holder hereof shall thereafter be entitled to purchase upon the exercise of this Warrant, at the Exercise Price resulting from such adjustment, the number of shares of Common Stock (calculated to the nearest 1/100th of a share) obtained by multiplying the Exercise Price in effect immediately prior to such adjustment by the number of shares of Common Stock issuable on the exercise hereof immediately prior to such adjustment and dividing the product thereof by the Exercise Price resulting from such adjustment; provided that no adjustment under Section 4.2 or 4.3 shall cause the number of shares of Common Stock issuable upon exercise of the Warrants to exceed 19.9% of the shares of Common Stock outstanding on the Original Issue Date.

4.5 Reorganization, Reclassification, Merger, Consolidation or Disposition of Assets. In case the Company shall reorganize its capital, reclassify its capital stock, consolidate or merge with or into another corporation (where the Company is not the surviving corporation or where there is any change whatsoever in, or distribution with respect to, the Outstanding Common Stock of the Company), or sell, transfer or otherwise dispose of all or substantially all of its property, assets or business to another corporation and, pursuant to the terms of such reorganization, reclassification, merger, consolidation or disposition of assets, (i) shares of common stock of the successor or acquiring corporation or of the Company (if it is the surviving corporation) or (ii) any cash, shares of stock or other securities or property of any nature

whatsoever (including warrants or other subscription or purchase rights) in addition to or in lieu of common stock of the successor or acquiring corporation (Other Property) are to be received by or distributed to the holders of Common Stock of the Company who are holders immediately prior to such transaction, then the Holder of this Warrant shall have the right thereafter to receive, upon exercise of this Warrant, the number of shares of common stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and Other Property receivable upon or as a result of such reorganization, reclassification, merger, consolidation or disposition of assets by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such event. In such event, the aggregate Exercise Price otherwise payable for the shares of Common Stock issuable upon exercise of this Warrant shall be allocated among the shares of common stock and Other Property receivable as a result of such reorganization, reclassification, merger, consolidation or disposition of assets in proportion to the respective fair market values of such shares of common stock and Other Property as determined in good faith by the Board of Directors of the Company. In case of any such reorganization, reclassification, merger, consolidation or disposition of assets, the successor or acquiring corporation (if other than the Company) shall expressly assume the due and punctual observance and performance of each and every covenant and condition of this Warrant to be performed and observed by the Company and all the obligations and liabilities hereunder, subject to such modifications as may be reasonably deemed appropriate (as determined by resolution of the Board of Directors of the Company) in order to provide for adjustments of any shares of the common stock of such successor or acquiring corporation for which this Warrant thus becomes exercisable, which modifications shall be as equivalent as practicable to the adjustments provided for in this Section 4. For purposes of this Section 4.5, common stock of the successor or acquiring corporation shall include stock of such corporation of any class that is not preferred as to dividends or assets over any other class of stock of such corporation and that is not subject to redemption and shall also include any evidences of indebtedness, shares of stock or other securities that are convertible into or exchangeable for any such stock, either immediately or upon the arrival of a specified date or the happening of a specified event and any warrants or other rights to subscribe for or purchase any such stock. The foregoing provisions of this Section 4.5 shall similarly apply to successive reorganizations, reclassification, mergers, consolidations or disposition of assets. Nothing in this Section 4.5 shall prevent the Company from exercising its call right under Section 8.1.

4.6 Determination of Consideration. For purposes of Sections 4.2, 4.3 and 4.4, the consideration received and/or receivable by the Company in connection with the issuance, sale, grant or exercise of additional shares of Common Stock, Stock Purchase Rights or Convertible Securities, irrespective of the accounting treatment of such consideration, shall be valued as follows:

(1) Cash Payment. In the case of cash, the net amount received by the Company after deduction of any accrued interest or dividends, but including any underwriting commissions or concessions paid or allowed by the Company.

(2) Securities or Other Property. In the case of securities or other property, the fair market value thereof as of the date immediately preceding such issuance, sale, grant or exercise as determined in good faith by the Board of Directors of the Company.

(3) Allocation Related to Common Stock. In the event shares of Common Stock are issued or sold together with other securities or other assets of the Company for a

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

consideration which covers both, the consideration received (computed as provided in (1) and (2) above) shall be allocable to such shares of Common Stock as determined in good faith by the Board of Directors of the Company.

(4) Allocation Related to Stock Purchase Rights and Convertible Securities. In case any Stock Purchase Rights or Convertible Securities shall be issued or sold together with other securities or other assets of the Company, together comprising one integral transaction in which no specific consideration is allocated to the Stock Purchase Rights or Convertible Securities, the consideration allocable to such Stock Purchase Rights or Convertible Securities shall be determined in good faith by the Board of Directors of the Company.

(5) Dividends in Securities. In case the Company shall declare a dividend or make any other distribution upon any stock of the Company payable in either case in Common Stock or Convertible Securities, such Common Stock or Convertible Securities, as the case may be, issuable in payment of such dividend or distribution shall be deemed to have been issued or sold without consideration.

(6) Merger, Consolidation or Sale of Assets. In case any shares of Common Stock, Stock Purchase Rights or Convertible Securities shall be issued in connection with any merger or consolidation in which the Company is the surviving corporation, the amount of consideration therefor shall be deemed to be the fair value of such portion of the assets and business of the non-surviving corporation attributable to such Common Stock, Stock Purchase Rights or Convertible Securities, as is determined in good faith by the Company's Board of Directors.

(7) Challenge to Good Faith Determination. Whenever the Board of Directors of the Company shall be required to make a determination in good faith of the fair value of any item or the amount of any adjustment under this Section 4 or otherwise in this Warrant, such determination may be challenged in good faith by the Majority Warrant Holders by written notice delivered by such Majority Warrant Holders to the Company no later than twenty (20) days after the date of delivery by the Company to the Holders of a written notice setting forth such determination, and any dispute shall be resolved by an investment banking or appraisal firm of recognized national standing selected by the Company and acceptable to the Majority Warrant Holders and whose decision shall be binding on the Company and all holders of Warrants. The fees and expenses of such firm shall be paid by the Company.

4.7 Other Dilutive Events. In case any event shall occur as to which the other provisions of this Section 4 are not strictly applicable but as to which the failure to make any adjustment would not fairly protect the purchase rights represented by this Warrant in accordance with the essential intent and principles hereof (including, without limitation, the issuance of securities other than Common Stock which have the right to participate in distributions to the holders of Common Stock, the granting of phantom stock rights or stock appreciation rights or the repurchase of outstanding shares of Common Stock, Convertible Securities or Stock Purchase Rights for a purchase price exceeding the fair market value thereof), then, in each such case, the Board of Directors of the Company shall determine, in good faith, the adjustment, if any, that is needed as a result of such event to preserve the purchase rights represented by the Warrants on a basis consistent with the essential intent and principles established herein and the Company shall take any actions necessary to implement such adjustment

4.8 Other Provisions Applicable to Adjustments Under this Section. The following provisions shall be applicable to the adjustments provided for pursuant to this Section 4:

- (a) When Adjustments To Be Made. The adjustments required by this Section 4 shall be made whenever and as often as any specified event requiring such an adjustment shall occur. For the purpose of any such adjustment, any specified event shall be deemed to have occurred at the close of business on the date of its occurrence.
- (b) Record Date. In case the Company shall take a record of the holders of the Common Stock for the purpose of entitling them (i) to receive a dividend or other distribution payable in Common Stock, Convertible Securities or Stock Purchase Rights or (ii) to subscribe for or purchase Common Stock, Convertible Securities or Stock Purchase Rights, then all references in this Section 4 to the date of the issuance or sale of such shares of Common Stock, Convertible Securities or Stock Purchase Rights shall be deemed to be references to such record date.
- (c) Fractional Interests. In computing adjustments under this Section 4, fractional interests in Common Stock shall be taken into account to the nearest 1/100th of a share.
- (d) When Adjustment Not Required. If the Company shall take a record of the holders of its Common Stock for the purpose of entitling them to receive a dividend or distribution to which the provisions of Section 4.1 would apply, but shall, thereafter and before the distribution to stockholders thereof, legally abandon its plan to pay or deliver such dividend or distribution, then thereafter no adjustment shall be required by reason of the taking of such record and any such adjustment previously made in respect thereof shall be rescinded and annulled.
- (e) Maximum Exercise Price. Except as provided in Section 4.1, at no time shall the Exercise Price per share of Common Stock exceed the amount set forth in the first paragraph of the preamble of this Warrant.
- (f) Certain Limitations. Notwithstanding anything herein to the contrary, the Company agrees not to enter into any transaction that, by reason of any adjustment under Sections 4.1, 4.2 or 4.3, would cause the Exercise Price to be less than the par value of the Common Stock, if any, unless the Company first reduces the par value of the Common Stock to be less than the Exercise Price that would result from such transaction.
- (g) Notice of Adjustments. Whenever the number of shares of Common Stock for which this Warrant is exercisable or the Exercise Price shall be adjusted pursuant to this Section 4, the Company shall prepare a certificate to be executed by the chief financial officer of the Company setting forth, in reasonable detail, the event requiring the adjustment and the method by which such adjustment was calculated, specifying the number of shares of Common Stock for which this Warrant is exercisable and (if such adjustment was made pursuant to Section 4.5) describing the number and kind of any other shares of stock or Other Property for which this Warrant is exercisable, and any related change in the Exercise Price, after giving effect to such adjustment or change. The Company shall promptly cause a signed copy of such certificate to be delivered to each Holder in accordance with Section 15.2. The Company shall keep at its principal office or at the Designated Office, if different, copies of all such certificates and cause the same to be available for inspection at said office during normal business hours by any

Holder or any prospective transferee of a Warrant designated by a Holder thereof.

(h) Independent Application. Except as otherwise provided herein, all subsections of this Section 4 are intended to operate independently of one another (but without duplication). If an event occurs that requires the application of more than one subsection, all applicable subsections shall be given independent effect without duplication.

4.9 Additional Adjustment for Certain Dividends. In the event that the Company at any time after the Original Issue Date shall pay a dividend or make any other distribution with respect to its Common Stock (or any other shares of the capital stock of the Company for which this Warrant becomes exercisable pursuant to Section 4) whether in the form of cash, evidences of indebtedness, securities or other property (other than a stock dividend subject to the provisions of Section 4.1), then the Exercise Price in effect immediately prior to the payment of any such dividend or the making of any such distribution shall be reduced by the sum of (x) the amount of cash and (y) the fair value of any evidences of indebtedness, securities or other property distributed with respect to each share of Common Stock (or such other stock) (collectively, the Dividend Amount Per Share), but not below the par value per share of Common Stock. If the Exercise Price is or has been reduced to the par value per share of Common Stock then the Company shall pay to the Holder in cash on the date of payment, an amount equal to the number of shares of Common Stock (or such other shares of stock) issuable upon exercise of this Warrant on such date multiplied by any additional Dividend Amount Per Share. The fair value of any such evidences of indebtedness, securities or other property shall mean the fair market value thereof, as determined by the Board of Directors of the Company in good faith.

5. NO IMPAIRMENT

The Company shall not by any action, including, without limitation, amending its charter documents or through any reorganization, reclassification, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other similar voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of the Holder against impairment. Without limiting the generality of the foregoing, the Company shall take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the exercise of this Warrant, free and clear of all Liens, and shall use its commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction over it as may be necessary to enable the Company to perform its obligations under this Warrant.

6. RESERVATION AND AUTHORIZATION OF COMMON STOCK; REGISTRATION WITH OR APPROVAL OF ANY GOVERNMENTAL AUTHORITY

From and after the Original Issue Date, the Company shall at all times reserve and keep available for issuance upon the exercise of the Warrants such number of its authorized but unissued shares of Common Stock as will be sufficient to permit the exercise in full of all outstanding Warrants. All shares of Common Stock issuable pursuant to the terms hereof, when issued upon exercise of this Warrant with payment therefor in accordance with the terms hereof, shall be duly and validly issued and fully paid and nonassessable, not subject to preemptive rights and shall be free and clear of all Liens. Before taking any action that would result in an

adjustment in the number of shares of Common Stock for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction over such action. If any shares of Common Stock required to be reserved for issuance upon exercise of Warrants require registration or qualification with any governmental authority under any federal or state law (other than under the Securities Act or any state securities law) before such shares may be so issued, the Company will in good faith and as expeditiously as possible and at its expense endeavor to cause such shares to be duly registered.

7. NOTICE OF CORPORATE ACTIONS; TAKING OF RECORD; TRANSFER BOOKS

7.1 Notices of Corporate Actions. In the event of: (a) any taking by the Company of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or distribution, or any right to subscribe for, purchase or otherwise acquire any shares of capital stock of any class or any other securities, (b) any capital reorganization of the Company, any reclassification or recapitalization of the capital stock of the Company or any consolidation or merger involving the Company and any other Person or any transfer or other disposition of all or substantially all the assets of the Company to another Person or (c) any voluntary or involuntary dissolution, liquidation or winding-up of the Company or (d) any amendment of the Certificate of Incorporation of the Company, the Company shall mail to each Holder of a Warrant in accordance with the provisions of Section 15.2 a notice specifying (i) the date or expected date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right and (ii) the date or expected date on which any such reorganization, reclassification, recapitalization, consolidation, merger, transfer, disposition, dissolution, liquidation or winding-up is to take place, the time, if any such time is to be fixed, as of which the holders of record of Common Stock shall be entitled to exchange their shares of Common Stock for the securities or Other Property deliverable upon such reorganization, reclassification, recapitalization, consolidation, merger, transfer, disposition, dissolution, liquidation or winding-up and a description in reasonable detail of the transaction. Such notice shall be mailed to the extent practicable at least thirty (30), but not more than ninety (90) days prior to the date therein specified. In the event that the Company at any time sends any other notice to the holders of its Common Stock, it shall concurrently send a copy of such notice to each Holder of a Warrant.

7.2 Taking of Record. In the case of all dividends or other distributions by the Company to the holders of its Common Stock with respect to which any provision of any Section hereof refers to the taking of a record of such holders, the Company will in each such case take such a record and will take such record as of the close of business on a Business Day.

7.3 Closing of Transfer Books. The Company shall not at any time, except upon dissolution, liquidation or winding up of the Company, close its stock transfer books or Warrant transfer books so as to result in preventing or delaying the exercise or transfer of any Warrant.

8. PUT AND CALL RIGHTS

8.1 Put and Call Rights. If at any time (i) from and after the Initial Exercise Date this Warrant may not be exercised in whole or in part because of the need for the consent or approval of a third party or governmental authority or (ii) a Change of Control Event occurs, other than any Change of Control Event in which Farallon Capital Management LLC or its affiliates are the primary acquirors, then in each case (A) the Holder will have the right to require the Company to

purchase and (B) the Company will have the right to require the Holder to sell to the Company, in each case, any or all of the Warrants for an amount per Warrant equal to (i) the greater of (x) the Current Market Price, or (y) if applicable, the Bid Price, in each case in excess of the (ii) then existing Exercise Price (such excess, the Put/Call Price). The closing of any such purchase or sale (the Put/Call Closing) shall be made not later than thirty (30) days after delivery to the Company or the Holder, as the case may be, of a written notice of exercise of the Holder's or the Company's, as the case may be, rights under this Section 8.1; provided that if the Holder is exercising such rights upon a Change of Control Event, (i) such written notice of exercise will be delivered no later than the later of (x) five (5) days prior to the closing of the transaction triggering the Change of Control Event and (y) thirty (30) days after the Company provides written notice to Holder of the anticipated closing date of such Change of Control Event and (ii) the Put/Call Closing will be on the date which is the later of (1) thirty (30) days after delivery of such notice or (2) the closing of the transaction triggering the Change of Control Event. At any Put/Call Closing, the Company shall pay to the Holder the Put/Call Price per Warrant purchased by the Company against delivery of this Warrant for cancellation, and the Company will execute and deliver to the Holder a new Warrant of like tenor in the case of any partial exercise of the put or call right under this Section 8.1 evidencing the portion of this Warrant not so purchased.

8.2 Consents and Approvals. The Company shall use its commercially reasonable efforts to obtain all consents and approvals of third parties and governmental authorities that may be necessary or advisable in connection with the exercise of this Warrant or the issuance of the shares of Common Stock issuable upon exercise hereof, including without limitation, all consents and approvals under the Applicable Licensing Laws. Such efforts shall commence promptly after the date hereof.

9. TRANSFER

The Holder, by acceptance of this Warrant, agrees to be bound by the provisions of this Section 9.

9.1 Restrictions on Transfer. Neither this Warrant nor any shares of Restricted Common Stock issued upon the exercise hereof shall be Transferred other than pursuant to an effective registration statement under the Securities Act or an exemption from the registration provisions thereof. In addition, no Holder will knowingly, after reasonable inquiry, Transfer this Warrant or the shares of Common Stock issuable upon exercise hereof if such Transfer would cause the REIT to no longer be qualified as a real estate investment trust under the Internal Revenue Code of 1986, as amended; provided that the foregoing prohibition shall not apply to any sale of Common Stock in open market transactions. Each certificate, if any, evidencing such shares of Restricted Common Stock issued upon any such Transfer, other than in a public offering pursuant to an effective registration statement shall bear the restrictive legend set forth in Section 9.2(a), and each Warrant issued upon such Transfer shall bear the restrictive legend set forth in Section 9.2(b), unless the Holder delivers to the Company an Opinion of Counsel to the effect that such legend is not required for the purposes of compliance with the Securities Act. Holders of the Warrants or the Restricted Common Stock, as the case may be, shall not be entitled to Transfer such Warrants or such Restricted Common Stock except in accordance with this Section 9.1.

9.2 Restrictive Legends.

(a) Except as otherwise provided in this Section 9, each certificate for Warrant Stock initially issued upon the exercise of this Warrant, and each certificate for Warrant Stock issued to any subsequent transferee of any such certificate, shall be stamped or otherwise imprinted with two legends in substantially the following forms:

THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE ACT), OR ANY STATE SECURITIES LAW. NO TRANSFER OF THE SHARES REPRESENTED BY THIS CERTIFICATE SHALL BE VALID OR EFFECTIVE UNLESS SUCH TRANSFER IS MADE PURSUANT TO PURSUANT TO (A) AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR (B) AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE ACT, AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS.

THE SHARES REPRESENTED BY THIS CERTIFICATE ARE ENTITLED TO THE BENEFIT OF AND ARE SUBJECT TO CERTAIN OBLIGATIONS AND TRANSFER RESTRICTIONS SET FORTH IN THE WARRANT PURSUANT TO THE EXERCISE OF WHICH SUCH SHARES WERE ISSUED. A COPY OF SUCH WARRANT IS AVAILABLE AT THE EXECUTIVE OFFICES OF THE COMPANY.

(b) Except as otherwise provided in this Section 9, each Warrant shall be stamped or otherwise imprinted with a legend in substantially the following form:

NEITHER THE WARRANTS REPRESENTED BY THIS CERTIFICATE NOR ANY OF THE SECURITIES ISSUABLE UPON EXERCISE THEREOF HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE ACT), OR ANY STATE SECURITIES LAW. NO TRANSFER OF THE WARRANTS REPRESENTED BY THIS CERTIFICATE OR OF THE STOCK ISSUABLE UPON EXERCISE THEREOF SHALL BE VALID OR EFFECTIVE UNLESS SUCH TRANSFER IS MADE PURSUANT TO (A) AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR (B) AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE ACT, AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS.

9.3 Termination of Securities Law Restrictions. Notwithstanding the foregoing provisions of Section 9, the restrictions imposed by Section 9.1 upon the transferability of the Warrants and the Restricted Common Stock and the legend requirements of Section 9.2, in each case, with respect to compliance with the Securities Act only, shall terminate as to any particular Warrant or shares of Restricted Common Stock when the Company shall have received from the holder thereof an Opinion of Counsel to the effect that such legend is not required in order to ensure compliance with the Securities Act. Whenever such restrictions imposed by Sections 9.1 and 9.2 shall terminate as to this Warrant, as hereinabove provided, the Holder hereof shall be entitled to receive from the Company, at the expense of the Company, a new Warrant bearing the

following legend in place of the restrictive legend set forth hereon:

THE RESTRICTIONS ON TRANSFERABILITY OF THE WARRANT UNDER THE SECURITIES ACT CONTAINED IN SECTIONS 9.1 AND 9.2 HEREOF TERMINATED ON _____, 200_, AND ARE OF NO FURTHER FORCE AND EFFECT. THE OTHER RESTRICTIONS ON TRANSFER IN SUCH SECTIONS REMAIN IN FULL FORCE AND EFFECT.

All Warrants issued upon registration of transfer, division or combination of, or in substitution for, any Warrant or Warrants entitled to bear such legend shall have a similar legend endorsed thereon. Wherever the restrictions imposed by Section 9.1 shall terminate as to any share of Restricted Common Stock, as hereinabove provided, the holder thereof shall be entitled to receive from the Company, at the Company's expense, a new certificate representing such Common Stock not bearing the restrictive legend set forth in Section 9.2(a).

9.4 Listing on Securities Exchange. If the Company shall list any shares of Common Stock on any securities exchange or on NASDAQ, it shall at its expense, to the extent permitted by the rules of such securities exchange or NASDAQ, list thereon, maintain and, when necessary, increase such listing of, all shares of Warrant Stock issued or, to the extent permissible under the applicable securities exchange rules, issuable upon the exercise of this Warrant.

9.5 Nominees for Beneficial Owners. In the event that any Warrant Stock is held by a nominee for the beneficial owner thereof, the beneficial owner thereof may, at its election, be treated as the holder of such Warrant Stock for purposes of any request or other action by any holder or holders of Warrant Stock pursuant to this Warrant or any determination of any number or percentage of shares of Warrant Stock held by any holder or holders of Warrant Stock contemplated by this Agreement. If the beneficial owner of any Warrant Stock so elects, the Company may require assurances reasonably satisfactory to it of such owner's beneficial ownership of such Warrant Stock.

10. SUPPLYING INFORMATION; RULE 144

The Company shall cooperate with each holder of a Warrant and each holder of Warrant Stock in supplying such information as may be reasonably necessary for such holder to complete and file any information reporting forms presently or hereafter required by the Commission as a condition to the availability of an exemption from the Securities Act for the sale of any Warrant or shares of Warrant Stock. The Company shall use its commercially reasonable efforts to at all times make public information available so as to afford the holders of the Warrants and the Warrant Stock the benefits of Rule 144 of the Commission in connection with resales.

11. LOSS OR MUTILATION

Upon receipt by the Company from any Holder of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of this Warrant and an indemnity reasonably satisfactory to it (it being understood that the written indemnification agreement or affidavit of loss of the Holder shall be a sufficient indemnity) and, in case of mutilation, upon surrender and cancellation hereof, the Company will execute and deliver in lieu hereof a new

Warrant of like tenor to such Holder; provided, however, in the case of mutilation, no indemnity shall be required if this Warrant in identifiable form is surrendered to the Company for cancellation.

12. OFFICE OF THE COMPANY

As long as any of the Warrants remain outstanding, the Company shall maintain an office or agency, which may be the principal executive offices of the Company (the Designated Office), where the Warrants may be presented for exercise, registration of transfer, division or combination as provided in this Warrant. Such Designated Office shall initially be the office of the Company at 15253 Avenue of Science, San Diego, California 92128. The Company may from time to time change the Designated Office to another office of the Company or its agent within the United States by notice given to all registered holders of Warrants at least ten (10) Business Days prior to the effective date of such change.

13. NO RIGHTS AS A STOCKHOLDER

Nothing contained in this Warrant shall be construed as conferring upon the Holder the right to vote or to consent or to receive notice as a stockholder in respect of any meeting of stockholders for the election of directors of the Company or any other matter, or any rights whatsoever as a stockholder of the Company.

14. REPRESENTATION AND WARRANTIES

The Company represents and warrants to the Holder as follows:

14.1 The Company has all requisite corporate power and authority to execute, deliver and issue this Warrant, to issue the shares of Common Stock issuable upon exercise of the Warrants, to perform its obligations hereunder and to consummate the transactions contemplated hereby.

14.2 This Warrant has been duly and validly executed and delivered by the Company and constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except that such enforcement may be subject to (i) bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other laws now or hereafter in effect, relating to or limiting creditors' rights generally, and (ii) general principles of equity (regardless of whether a proceeding to enforce such an agreement is considered in a proceeding at law or in equity).

14.3 The execution, delivery and issuance of this Warrant by the Company, the issuance of the shares of Common Stock issuable hereunder and the performance of the transactions contemplated hereby will not conflict with, or result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, amendment, cancellation or acceleration of any obligation, or result in the triggering of any payments or the loss of a benefit under, or give rise to a right of purchase under, result in the creation of any lien upon any of the properties or assets of the Company or any of the Company's Subsidiaries, require the consent or approval of any third party or otherwise result in a detriment or default to the Company or any of the Company Subsidiaries under, any provision of (i) the Company's charter or bylaws or any provision of the organizational documents of any of the Company's Subsidiaries, (ii) any loan or credit agreement or note, or any bond, mortgage, indenture, lease,

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

contract or other agreement, instrument, permit, concession, franchise or license applicable to the Company or any of its Subsidiaries, or to which their respective properties or assets are bound or any guarantee by the Company or any of the Company Subsidiaries of any of the foregoing, or (iii) other than the Applicable Licensing Laws or any notice requirements under other licensing laws that are required in connection with the issuance of the Warrants or the issuance of the shares of Common Stock issuable hereunder, any law or order applicable to or binding upon the Company or any of the Company Subsidiaries, or any of their respective properties or assets, other than, in the case of clauses (ii) and (iii), any such conflicts, violations, defaults, rights, liens or detriments that, individually or in the aggregate, (A) would not prevent or materially delay the issuance of the Warrants, the issuance of the shares of Common Stock issuable hereunder and the performance of the transactions contemplated hereby or (B) are not material.

14.4 In accordance with Section 203 of the Delaware General Corporation Law ("Section 203"), the Company and the Company's Board of Directors have, prior to the execution hereof, approved (i) the execution, delivery and issuance by the Company of this Warrant, the issuance of the shares of Common Stock issuable upon exercise of this Warrant and the other transactions contemplated hereby and (ii) any transaction that results in the Initial Holder or any "affiliate" (as defined in Section 203) or "associate" (as defined in Section 203) of the Initial Holder becoming an "interested stockholder" (as defined in Section 203) by virtue of the Initial Holder or its affiliate or associate owning any shares of Common Stock owned as of the date hereof or acquired pursuant to this Warrant. Accordingly, the ownership by the Initial Holder, its affiliates and its associates of shares of Common Stock owned as of the date hereof or acquired pursuant to this Warrant will not result in the provisions of Section 203 being applicable to a "business combination" (as defined in Section 203) between such persons (or their affiliates or associates) and the Company. A copy of the resolutions taking such actions has been provided to the Initial Holder. No other control share acquisition, fair price, moratorium or other antitakeover laws apply to the issuance of this Warrant, the issuance of the shares of Common Stock issuable upon exercise of the Warrants and the other transaction contemplated hereby.

14.5 The Company and its Subsidiaries, as applicable, have taken all appropriate and necessary actions to (i) cause the issuance of this Warrant, the issuance of the shares of Common Stock issuable upon exercise of the Warrants and the other transaction contemplated hereby to comply with or be exempted from any provision contained in the Company's charter and bylaws or in the organizational documents of any Company Subsidiary that would otherwise prohibit, hinder or delay such transactions and (ii) waived any and all limitations in such documents on ownership of the capital stock of the Company by the Initial Holders provided that with respect to the waiver of the Ownership Limit contained in the REIT's Articles of Amendment and Restatement dated August 5, 2004 (the "Articles"), such waiver is only effective so long as the Initial Holder does not Beneficially Own or Constructively Own (each as defined in the Articles) shares of Common Stock that would result in the REIT being closely held within the meaning of Section 856(h) of the Internal Revenue Code of 1986, as amended (the "Code") (without regard to whether the ownership interest is held during the last half of a taxable year), or otherwise failing to qualify as a real estate investment trust under the Code.

14.6 No broker(s), agent(s) or finder(s) retained or engaged by the Company or any affiliate thereof arranged for this Warrant Agreement or any related agreement or were otherwise involved in any manner in the transaction contemplated hereby or thereby, other than The Bear Stearns Companies, Houlihan Lokey Howard & Zukin and Friedman Billings and Ramsey Group, Inc.

15. MISCELLANEOUS

15.1 Nonwaiver. No course of dealing or any delay or failure to exercise any right hereunder on the part of the Company or the Holder shall operate as a waiver of such right or otherwise prejudice the rights, powers or remedies of such Person.

15.2 Notice Generally. Any notice, demand, request, consent, approval, declaration, delivery or communication hereunder to be made pursuant to the provisions of this Warrant shall be sufficiently given or made if in writing and either delivered in person with receipt acknowledged or sent by facsimile, registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

(a) if to any Holder of this Warrant or holder of Warrant Stock issued upon the exercise hereof, at its last known address appearing on the books of the Company maintained for such purpose; or

(b) if to the Company, at its Designated Office;

or at such other address as may be substituted by notice given as herein provided. The giving of any notice required hereunder may be waived in writing by the party entitled to receive such notice. Every notice, demand, request, consent, approval, declaration, delivery or other communication hereunder shall be deemed to have been duly given or served on the date on which personally delivered, with receipt acknowledged, or three (3) Business Days after the same shall have been deposited in the United States mail, or one (1) Business Day after the same shall have been delivered to Federal Express or another overnight courier service.

15.3 Indemnification. If the Company fails to make, when due, any payments provided for in this Warrant, the Company shall pay to the holder hereof (a) interest at the Agreed Rate on any amounts due and owing to such holder and (b) such further amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees and expenses incurred by such holder in collecting any amounts due hereunder. The Company shall indemnify, save and hold harmless the Holder hereof and the holders of any Warrant Stock issued upon the exercise hereof from and against any and all liability, loss, cost, damage, reasonable attorneys' and accountants' fees and expenses, court costs and all other out-of-pocket expenses incurred in connection with or arising from a Company Default. This indemnification provision shall be in addition to the rights of such Holder or holders to bring an action against the Company for breach of contract based on such Company Default. A holder of shares of Warrant Stock issued upon exercise of this Warrant, in whole or in part, including any transferee of such shares (other than a transferee in whose hands such shares no longer constitute Warrant Stock as defined herein), shall continue, with respect to such shares, to be entitled to the indemnification rights set forth in this Section 15.3 in connection with a Company Default resulting from a breach of representations and warranties set forth herein.

15.4 Limitation of Liability. No provision hereof, in the absence of affirmative action by the Holder to purchase shares of Common Stock, and no enumeration herein of the rights or privileges of the Holder hereof, shall give rise to any liability of such Holder to pay the Exercise Price for any Warrant Stock other than pursuant to an exercise of this Warrant or any liability as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

15.5 Remedies. Each holder of Warrants and/or Warrant Stock, in addition to being entitled to exercise its rights granted by law, including recovery of damages, shall be entitled to specific performance of its rights provided under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees, in an action for specific performance, to waive the defense that a remedy at law would be adequate.

15.6 Successors and Assigns. Subject to the provisions of Sections 3.1, 8.1 and 8.2, this Warrant and the rights evidenced hereby shall inure to the benefit of and be binding upon the successors of the Company and the permitted successors and assigns of the Holder hereof. The provisions of this Warrant are intended to be for the benefit of all Holders from time to time of this Warrant and to the extent applicable, all holders of shares of Warrant Stock issued upon the exercise hereof (including transferees), and shall be enforceable by any such holder.

15.7 Amendment. This Warrant and all other Warrants may be modified or amended or the provisions hereof waived with the written consent of the Company and the Majority Warrant Holders, provided that, except as described in clause (iii) of Section 4.1, no such Warrant may be modified or amended to reduce the number of shares of Common Stock for which such Warrant is exercisable or to increase the price at which such shares may be purchased upon exercise of such Warrant (before giving effect to any adjustment as provided therein) without the written consent of the holder thereof.

15.8 Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Warrant.

15.9 Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

15.10 GOVERNING LAW; JURISDICTION. IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THIS WARRANT AND THE OBLIGATIONS ARISING HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND PERFORMED IN SUCH STATE, EXCEPT WITH RESPECT TO THE VALIDITY OF THIS WARRANT, THE ISSUANCE OF WARRANT STOCK UPON EXERCISE HEREOF AND THE RIGHTS AND DUTIES OF THE COMPANY WITH RESPECT TO REGISTRATION OF TRANSFER, WHICH SHALL BE GOVERNED BY THE LAWS OF DELAWARE. THE COMPANY HEREBY CONSENTS AND AGREES THAT THE STATE OR FEDERAL COURTS LOCATED IN NEW YORK, NEW YORK, SHALL HAVE, EXCEPT AS SET FORTH BELOW, EXCLUSIVE JURISDICTION TO HEAR AND DETERMINE ANY CLAIMS OR DISPUTES BETWEEN THE COMPANY AND THE HOLDER OF THIS WARRANT PERTAINING TO THIS WARRANT OR TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT, PROVIDED, THAT IT IS ACKNOWLEDGED THAT ANY APPEALS FROM THOSE COURTS MAY HAVE TO BE HEARD BY A COURT LOCATED OUTSIDE OF NEW YORK, NEW YORK.

2.2 From and after the Initial Registration Rights Date, if an Initiating Investor makes a written request to the Company for an offering of Registrable Securities other than on a continuous basis pursuant to Rule 415 under the Securities Act (a Demand Registration), then the Company shall use its commercially reasonable best efforts to cause a Demand Registration statement meeting the requirements of the Securities Act to be filed with the Commission. Any request made pursuant to this Section 2.2 shall be addressed to the attention of the Secretary of the Company and shall specify the number of Registrable Securities to be registered, the intended methods of disposition thereof and that the request is for a Demand Registration pursuant to this Section 2.2.

2.3 The Company shall be entitled to postpone for up to 90 days from the date of request of the Initiating Holder the filing of any Shelf Registration statement or Demand Registration statement otherwise required to be prepared and filed pursuant to Sections 2.1 or 2.2, if the Board of Directors of the Company determines, in its good faith reasonable judgment (with the concurrence of the managing underwriter, if any), that such registration and the Transfer or Registrable Securities contemplated thereby would (i) materially interfere with, or require premature disclosure of, any financing, acquisition or reorganization involving the Company or any of its wholly owned subsidiaries or (ii) be seriously detrimental to the Company and its stockholders and, in either case, the Company promptly gives the Initiating Investors notice of such determination; provided, however, that the Company shall not have postponed pursuant to this Section 2.3 the filing of any other Shelf Registration statement or Demand Registration statement otherwise required to be prepared and filed pursuant to Sections 2.1 or 2.2 during the 12-month period ended on the date of the relevant request pursuant to Sections 2.1 or

2.2.

2.4 Following receipt of a request for a Shelf Registration or a Demand Registration, the Company shall:

(a) Give written notice of such proposed registration to all Investors. Any such Investor may, within twenty (20) days after receipt of such notice, request in writing that all of such Investor's Registrable Securities, or any portion thereof designated by such Investor, be included in the registration.

(b) Use its commercially reasonable best efforts to file the registration statement with the Commission as promptly as practicable, and shall use the Company's best efforts to have the registration declared effective under the Securities Act as soon as reasonably practicable, in each instance giving due regard to the need to prepare current financial statements, conduct due diligence and complete other actions that are reasonably necessary to effect a registered public offering.

(c) Use the Company's commercially reasonable best efforts to keep the relevant registration statement Continuously Effective (x) if a Demand Registration, for up to 150 days or until such earlier date as of which all the Registrable Securities under the Demand Registration statement shall have been disposed of in the manner described in the Demand Registration statement, and (y) if a Shelf Registration, for three years or until such earlier date as of which all the Registrable Securities under the Shelf Registration statement shall have been disposed of in the manner described in the Shelf Registration statement. Notwithstanding the foregoing, if for any reason the effectiveness of a registration pursuant to this Section 2 is suspended or postponed as permitted by Section 2.3, the foregoing period shall be extended by the aggregate number of days of such suspension or postponement.

2.5 The Company shall be obligated to effect no more than two Shelf Registrations and no more than two Demand Registrations; provided that if (i) the offering does not satisfy the conditions for a shelf registration under Rule 415 or (ii) a Shelf Registration cannot be accomplished as an at the market offering under Rule 415, in either case for any consecutive six month period after the Initial Registration Rights Date, then such maximum number of Demand Registrations shall be increased to four. Notwithstanding the foregoing, there shall be no limit on the number of Shelf Registrations or Demand Registrations requested to be effected on Form S-3 under the Securities Act if the Company qualifies for registration on Form S-3; provided, however, that the Company shall not be obligated to effect, or take any action to effect, any such registration on Form S-3 if the requesting holder, together with the holders of any securities of the Company entitled to inclusion in such registration, propose to sell Registrable Securities and such securities (if any) at an aggregate price to the public (net of underwriters' discounts or commissions) of less than \$5,000,000. For purposes of the preceding sentence, registration shall not be deemed to have been effected (i) unless a registration statement with respect thereto has become effective, (ii) if after such registration statement has become effective, such registration or the related offer, sale or distribution of Registrable Securities thereunder is interfered with by any stop order, injunction or other order or requirement of the Commission or other governmental agency or court for any reason not attributable to the Selling Investors and such interference is not thereafter eliminated, or (iii) if the conditions to closing specified in the underwriting agreement, if any, entered into in connection with such registration are not satisfied or waived, other than by reason of a failure on the part of the Selling Investors. If the Company shall have complied with its obligations under

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

this Agreement, a right to demand a registration pursuant to this Section 2 shall be deemed to have been satisfied (i) if a Demand Registration, upon the earlier of (x) the date as of which all of the Registrable Securities included therein shall have been disposed of pursuant to the Registration Statement, and (y) the date as of which such Demand Registration shall have been Continuously Effective for a period of 150 days, and (ii) if a Shelf Registration, upon the earlier of (x) the date as of which all of the Registrable Securities included therein shall have been disposed of pursuant to the Registration Statement and (y) the date as of which the Shelf Registration shall have been continuously effective for a period of three years.

2.6 A registration pursuant to this Section 2 shall be on such appropriate registration form of the Commission as shall (i) be selected by the Company and be reasonably acceptable to the Majority Selling Investors and (ii) permit the disposition of the Registrable Securities in accordance with the intended method or methods of disposition specified in the request pursuant to Section 2.1 or Section 2.2, respectively.

2.7 If any registration pursuant to Section 2 involves an underwritten offering (whether on a firm , best efforts or all reasonable efforts basis or otherwise), or an agent offering, the Majority Selling Investors shall have the right to select the underwriter or underwriters and manager or managers to administer such underwritten offering or the placement agent or agents for such agent offering; provided, however, that each Person so selected shall be reasonably acceptable to the Company.

2.8 Whenever the Company shall effect a registration pursuant to this Section 2 in connection with an underwritten offering by one or more Selling Investors of Registrable Securities, if the Underwriters Representative or Agent advises each such Selling Investor in writing that, in its opinion, the amount of securities requested to be included in such offering (whether by Selling Investors or others) exceeds the amount which can be sold in such offering within a price range acceptable to the Majority Selling Investors, securities shall be included in such offering and the related registration, to the extent of the amount which can be sold within such price range, and on a pro rata basis among all Selling Investors.

3 Piggyback Registration.

3.1 If at any time the Company proposes to register (including for this purpose a registration effected by the Company for shareholders of the Company other than the Investors) securities under the Securities Act in connection with the public offering solely for cash on Form S-1, S-2 or S-3 (or any replacement or successor forms), the Company shall promptly give each Investor written notice of such registration (a Piggyback Registration). Upon the written request of any Investor given within 20 days following the date of such notice, the Company shall cause to be included in such registration statement and use its commercially reasonable best efforts to be registered under the Securities Act all the Registrable Securities that each such Investor shall have requested to be registered. The Company shall have the absolute right to withdraw or cease to prepare or file any registration statement for any offering referred to in this Section 3 without any obligation or liability to any Investor.

3.2 If the Underwriters Representative or Agent shall advise the Company in writing (with a copy to each Selling Investor) that, in its opinion, the amount of Registrable Securities requested to be included in such registration would materially adversely affect such offering, or the timing thereof, then the Company will include in such registration, to the extent of the amount and class which the Company is so advised can be sold without such material

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

adverse effect in such offering: first, all securities proposed to be sold by the Company for its own account; second, the Registrable Securities requested to be included in such registration by Investors pursuant to this Section 3, and all other securities being registered pursuant to the exercise of contractual rights comparable to the rights granted in this Section 3 that are in existence on the date hereof, pro rata based on the estimated gross proceeds from the sale thereof; and third all other securities requested to be included in such registration; provided that the amount of Registrable Securities of the Selling Investors included in the offering may not be reduced below 25% of the total amount of securities included in the offering.

3.3 Each Investor shall be entitled to have its Registrable Securities included in an unlimited number of Piggyback Registrations pursuant to this Section 3.

3.4 If the Company has previously filed a registration statement with respect to Registrable Securities pursuant to Section 2 or pursuant to this Section 3, and if such previous registration has not been withdrawn or abandoned, the Company will not file or cause to be effected any other registration of any of its equity securities or securities convertible or exchangeable into or exercisable for its equity securities under the Securities Act (except on Form S-8, Form S-4 or any successor form), whether on its own behalf or at the request of any holder or holders of such securities (other than any Investor with respect to Registrable Securities), until a period of 180 days has elapsed from the effective date of such a previous registration.

4. Registration Procedures. Whenever required under Section 2 or Section 3 to effect the registration of any Registrable Securities, the Company shall, as expeditiously as practicable:

4.1 Prepare and file with the Commission a registration statement with respect to such Registrable Securities and use the Company's commercially reasonable best efforts to cause such registration statement to become effective; provided, however, that before filing a registration statement or prospectus or any amendments or supplements thereto, including documents incorporated by reference after the initial filing of the registration statement and prior to effectiveness thereof, the Company shall furnish to one firm of counsel for the Selling Investors (selected by Majority Selling Investors) copies of all such documents in the form substantially as proposed to be filed with the Commission at least five (5) business days prior to filing for review and comment by such counsel, which opportunity to comment shall include an absolute right to control or contest disclosure if the applicable Selling Investor reasonably believes that it may be subject to controlling person liability under applicable securities laws with respect thereto.

4.2 Prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act and rules thereunder with respect to the disposition of all securities covered by such registration statement. If the registration is for an underwritten offering, the Company shall amend the registration statement or supplement the prospectus whenever required by the terms of the underwriting agreement entered into pursuant to Section 5.2. Subject to Rule 415 under the Securities Act, if the registration statement is a Shelf Registration, the Company shall amend the registration statement or supplement the prospectus so that it will remain current and in compliance with the requirements of the Securities Act for three years after its effective date, and if during such period any event or development occurs as a result of which the registration statement or

prospectus contains a misstatement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading, the Company shall promptly notify each Selling Investor, amend the registration statement or supplement the prospectus so that each will thereafter comply with the Securities Act and furnish to each Selling Investor of Registrable Securities such amended or supplemented prospectus, which each such Investor shall thereafter use in the Transfer of Registrable Securities covered by such registration statement. Pending such amendment or supplement each such Investor shall cease making offers or Transfers of Registrable Securities pursuant to the prior prospectus. In the event that any Registrable Securities included in a registration statement subject to, or required by, this Agreement remain unsold at the end of the period during which the Company is obligated to use its commercially reasonable best efforts to maintain the effectiveness of such registration statement, the Company may file a post-effective amendment to the registration statement for the purpose of removing such Securities from registered status.

4.3 Furnish to each Selling Investor of Registrable Securities, without charge, such numbers of copies of the registration statement, any pre-effective or post-effective amendment thereto, the prospectus, including each preliminary prospectus and any amendments or supplements thereto, in each case in conformity with the requirements of the Securities Act and the rules thereunder, and such other related documents as any such Selling Investor may reasonably request in order to facilitate the disposition of Registrable Securities owned by such Selling Investor.

4.4 Use the Company's best efforts (i) to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such states or jurisdictions as shall be reasonably requested by the Underwriters' Representative or Agent (as applicable, or if inapplicable, the Majority Selling Investors), and (ii) to obtain the withdrawal of any order suspending the effectiveness of a registration statement, or the lifting of any suspension of the qualification (or exemption from qualification) of the offer and transfer of any of the Registrable Securities in any jurisdiction, at the earliest possible moment; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

4.5 In the event of any underwritten or agented offering, enter into and perform the Company's obligations under an underwriting or agency agreement (including indemnification and contribution obligations of underwriters or agents), in usual and customary form, with the managing underwriter or underwriters or agents for such offering. The Company shall also cooperate with the Majority Selling Investors or Initiating Substantial Investor, as the case may be, and the Underwriters' Representative or Agent for such offering in the marketing of the Registrable Securities, including making available the Company's officers, premises, books and records for such purpose, but the Company shall not be required to incur any material out-of-pocket expense pursuant to this sentence.

4.6 Promptly notify each Selling Investor of any stop order issued or threatened to be issued by the Commission in connection therewith (and use its commercially reasonable best efforts to prevent the entry of such stop order or to remove it if entered).

4.7 Make generally available to the Company's security holders copies of all periodic reports, proxy statements, and other information referred to in Section 8.1 and an earnings statement satisfying the provisions of Section 11(a) of the Securities Act no later than

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

90 days following the end of the 12-month period beginning with the first month of the Company's first fiscal quarter commencing after the effective date of each registration statement filed pursuant to this Agreement.

4.8 Make available for inspection by any Selling Investor, any underwriter participating in such offering and the representatives of such Selling Investor and Underwriter (but not more than one firm of counsel to such Selling Investors), all financial and other information as shall be reasonably requested by them, and provide the Selling Investor, any underwriter participating in such offering and the representatives of such Selling Investor and Underwriter the opportunity to discuss the business affairs of the Company with its principal executives and independent public accountants who have certified the audited financial statements included in such registration statement, in each case all as necessary to enable them to exercise their due diligence responsibility under the Securities Act; provided, however, that information that the Company determines, in good faith, to be confidential and which the Company advises such Person in writing, is confidential shall not be disclosed unless such Person signs a confidentiality agreement reasonably satisfactory to the Company or the related Selling Investor of Registrable Securities agrees to be responsible for such Person's breach of confidentiality on terms reasonably satisfactory to the Company.

4.9 Use the Company's best efforts to obtain a so-called comfort letter from its independent public accountants, and legal opinions of counsel to the Company, each addressed to the underwriters and, to the extent permitted by the Company's independent public accountants, to the Selling Investors of any underwritten registered offering, in customary form and covering such matters of the type customarily covered by such letters, and in a form that shall be reasonably satisfactory to the Majority Selling Investors. The Company shall furnish to each Selling Investor a signed counterpart of any such comfort letter or legal opinion. Delivery of any such opinion or comfort letter shall be subject to the recipient furnishing such written representations or acknowledgements as are customarily provided by selling shareholders who receive such comfort letters or opinions.

4.10 Provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by such registration statement from and after a date not later than the effective date of such registration statement.

4.11 Use all reasonable efforts to cause the Registrable Securities covered by such registration statement (i) if the Common Stock is then listed on a securities exchange or included for quotation in a recognized trading market, to be so listed or included and to continue to be so listed or included for a reasonable period of time after the offering, which such period shall not be less than the period during which any registration statement is required to be effective pursuant to Section 2.4(c), and (ii) to be registered with or approved by such other United States or state governmental agencies or authorities as may be necessary by virtue of the business and operations of the Company to enable the Selling Investors of Registrable Securities to consummate the disposition of such Registrable Securities.

4.12 Use the Company's best efforts to provide a CUSIP number for the Registrable Securities no later than the effective date of the first registration statement including Registrable Securities.

4.13 Take such other actions as are reasonably required in order to expedite or facilitate the disposition of Registrable Securities included in each such registration.

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

5. Investors Obligations. It shall be a condition precedent to the obligations of the Company to take any action with respect to the registration of Registrable Securities pursuant to this Agreement of any Selling Investor that such Selling Investor shall:

5.1 Furnish to the Company such information regarding such Selling Investor, the number of the Registrable Securities owned by it, and the intended method of disposition of such securities as shall be required to effect the registration of such Selling Investor's Registrable Securities, and to cooperate with the Company in preparing such registration; and

5.2 In the case of any underwritten registration, agree to sell their Registrable Securities to the underwriters at the same price and on substantially the same terms and conditions as the Company or the other Persons on whose behalf the registration statement was being filed have agreed to sell their securities, and to execute the underwriting agreement agreed to by the Majority Selling Investors (in the case of a registration under Section 2) or the Company and the Majority Selling Investors (in the case of a registration under Section 3).

6. Expenses of Registration. Expenses in connection with registrations pursuant to this Agreement shall be allocated and paid as follows:

6.1 With respect to each Demand Registration and Shelf Registration, the Company shall bear and pay all expenses incurred in connection with any registration, filing, or qualification of Registrable Securities with respect to such Demand Registrations and Shelf Registrations for each Selling Investor (which right may be assigned to any Person to whom Registrable Securities are Transferred as permitted by Section 9), including all registration, filing and National Association of Securities Dealers, Inc. fees, all fees and expenses of complying with securities or blue sky laws, all word processing, duplicating and printing expenses, messenger and delivery expenses, the reasonable fees and disbursements of counsel for the Company, and of the Company's independent public accountants, including the expenses of cold comfort letters required by or incident to such performance and compliance, and the reasonable fees and disbursements of one firm of counsel for the Selling Investors of Registrable Securities (selected by Initiating Investors owning a majority of the Registrable Securities owned by Initiating Investors to be included in a Demand Registration) (the Registration Expenses), but excluding underwriting discounts and commissions relating to Registrable Securities (which shall be paid on a pro rata basis by the Selling Investors) provided, however, that the Company shall not be required to pay for any expenses of any registration proceeding begun pursuant to Section 2 if the registration is subsequently withdrawn at the request of the Majority Selling Investors (in which case all Selling Investors shall bear such expense pro rata in accordance with the number of Registrable Securities requested by each of them to be included in the relevant registration statement), unless Investors whose Registrable Securities constitute a majority of the Registrable Securities then outstanding agree that such withdrawn registration shall constitute one of the Demand Registrations under Section 2.2.

6.2 The Company shall bear and pay all Registration Expenses incurred in connection with any Piggyback Registrations pursuant to Section 3 for each Selling Investor (which right may be Transferred to any Person to whom Registrable Securities are Transferred as permitted by Section 12), but excluding underwriting discounts and commissions relating to Registrable Securities (which shall be paid on a pro rata basis by the Selling Investors).

6.3 Any failure of the Company to pay any Registration Expenses as required by this Section 6 shall not relieve the Company of its obligations under this Agreement.

7. Indemnification; Contribution. If any Registrable Securities are included in a registration statement under this Agreement:

7.1 To the extent permitted by applicable law, the Company shall indemnify and hold harmless each Selling Investor, each Person, if any, who controls such Selling Investor within the meaning of the Securities Act, and each officer, director, manager, partner, and employee of such Selling Investor and such controlling Person, against any and all losses, claims, damages, liabilities and expenses (joint or several), including attorneys' fees and disbursements and expenses of investigation, incurred by such party pursuant to any actual or threatened action, suit, proceeding or investigation, or to which any of the foregoing Persons may become subject under the Securities Act, the Exchange Act or other federal or state laws, insofar as such losses, claims, damages, liabilities and expenses arise out of or are based upon any of the following statements, omissions or violations (collectively a Violation):

(a) Any untrue statement or alleged untrue statement of a material fact contained in such registration statement, including any preliminary prospectus or final prospectus contained therein, or any amendments or supplements thereto;

(b) The omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading; or

(c) Any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any applicable state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any applicable state securities law;

provided, however, that the indemnification required by this Section 7.1 shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or expense if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be liable in any such case for any such loss, claim, damage, liability or expense to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished to the Company by the indemnified party expressly for use in connection with such registration; provided, further, that the indemnity agreement contained in this Section 7 shall not apply to any underwriter to the extent that any such loss is based on or arises out of an untrue statement or alleged untrue statement of a material fact, or an omission or alleged omission to state a material fact, contained in or omitted from any preliminary prospectus if the final prospectus shall correct such untrue statement or alleged untrue statement, or such omission or alleged omission, and a copy of the final prospectus has not been sent or given to such person at or prior to the confirmation of sale to such person if such underwriter was under an obligation to deliver such final prospectus and failed to do so. The Company shall also indemnify underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, their officers, directors, agents and employees and each person who controls such persons (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) to the same extent as provided above with respect to the indemnification of the Selling Investors.

7.2 To the extent permitted by applicable law, each Selling Investor shall indemnify and hold harmless the Company, each of its directors, each of its officers who shall have signed the registration statement, each Person, if any, who controls the Company within the meaning of the Securities Act, any other Selling Investor, any controlling Person of any such other Selling

Investor and each officer, director, partner, and employee of such other Selling Investor and such controlling Person, against any and all losses, claims, damages, liabilities and expenses (joint and several), including attorneys' fees and disbursements and expenses of investigation, incurred by such party pursuant to any actual or threatened action, suit, proceeding or investigation, or to which any of the foregoing Persons may otherwise become subject under the Securities Act, the Exchange Act or other federal or state laws, insofar as such losses, claims, damages, liabilities and expenses arise out of or are based upon any Violation, in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished by such Selling Investor expressly for use in connection with such registration; provided, however, that (x) the indemnification required by this Section 7.2 shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or expense if settlement is effected without the consent of the relevant Selling Investor of Registrable Securities, which consent shall not be unreasonably withheld, and (y) in no event shall the amount of any indemnity under this Section 7.2 exceed the gross proceeds from the applicable offering received by such Selling Investor.

7.3 Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, suit, proceeding, investigation or threat thereof made in writing for which such indemnified party may make a claim under this Section 7, such indemnified party shall deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party shall have the right to retain its own counsel, with the fees and disbursements and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time following the commencement of any such action, if prejudicial to its ability to defend such action, shall relieve such indemnifying party of any liability to the indemnified party under this Section 7 but shall not relieve the indemnifying party of any liability that it may have to any indemnified party otherwise than pursuant to this Section 7. Any fees and expenses incurred by the indemnified party (including any fees and expenses incurred in connection with investigating or preparing to defend such action or proceeding) shall be paid to the indemnified party, as incurred, within thirty (30) days of written notice thereof to the indemnifying party (regardless of whether it is ultimately determined that an indemnified party is not entitled to indemnification hereunder). Any such indemnified party shall have the right to employ separate counsel in any such action, claim or proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be the expenses of such indemnified party unless (i) the indemnifying party has agreed to pay such fees and expenses or (ii) the indemnifying party shall have failed to promptly assume the defense of such action, claim or proceeding or (iii) the named parties to any such action, claim or proceeding (including any impleaded parties) include both such indemnified party and the indemnifying party, and such indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it which are different from or in addition to those available to the indemnifying party and that the assertion of such defenses would create a conflict of interest such that counsel employed by the indemnifying party could not faithfully represent the indemnified party (in which case, if such indemnified party notifies the indemnifying party in writing that it elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such action, claim or

proceeding on behalf of such indemnified party, it being understood, however, that the indemnifying party shall not, in connection with any one such action, claim or proceeding or separate but substantially similar or related actions, claims or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for all such indemnified parties, unless in the reasonable judgment of such indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such action, claim or proceeding, in which event the indemnifying party shall be obligated to pay the fees and expenses of such additional counsel or counsels). No indemnifying party shall be liable to an indemnified party for any settlement of any action, proceeding or claim without the written consent of the indemnifying party, which consent shall not be unreasonably withheld.

7.4 If the indemnification required by this Section 7 from the indemnifying party is unavailable to an indemnified party hereunder in respect of any losses, claims, damages, liabilities or expenses referred to in this Section 7:

(a) The indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and indemnified parties in connection with the actions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified parties shall be determined by reference to, among other things, whether any Violation has been committed by, or relates to information supplied by, such indemnifying party or indemnified parties, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such Violation. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 7.1 and Section 7.2, any legal or other fees or expenses reasonably incurred by such party in connection with any investigation or proceeding.

(b) The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 7.4 were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to in Section 7.4(i). No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

7.5 If indemnification is available under this Section 7, the indemnifying parties shall indemnify each indemnified party to the full extent provided in this Section 8 without regard to the relative fault of such indemnifying party or indemnified party or any other equitable consideration referred to in Section 7.4.

7.6 The obligations of the Company and the Selling Investors of Registrable Securities under this Section 7 shall survive the completion of any offering of Registrable Securities pursuant to a registration statement under this Agreement, and otherwise.

8. Covenants of the Company. The Company hereby agrees and covenants as follows:

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form SC 13D/A

The Company shall use its best efforts to file its Form 10-K for the fiscal year ended December 31, 2006 as promptly as possible after the date hereof. If the Company is not required to file reports pursuant to the Exchange Act, upon the request of any Investor of Registrable Securities, the Company shall use its commercially reasonable best efforts to make publicly available the information specified in subparagraph (c)(2) of Rule 144 of the Securities Act, and take such further action as may be reasonably required from time to time and as may be within the reasonable control of the Company, to enable the Investors to Transfer Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 under the Securities Act or any similar rule or regulation hereafter adopted by the Commission.

8.2

(a) The Company shall not, and shall permit its majority owned subsidiaries to, effect any public sale or distribution of any shares of Common Stock or any securities convertible into or exchangeable or exercisable for shares of Common Stock, during the five business days prior to, and during the 90-day period beginning on, the commencement of a public distribution of the Registrable Securities pursuant to any registration statement prepared pursuant to this Agreement (other than by the Company pursuant to such registration if the registration is pursuant to Section 3). The Company shall not effect any registration of its securities (other than on Form S-4, Form S-8, or any successor forms to such forms or pursuant to such other registration rights agreements as may be approved in writing by the Majority Selling Investors or effect any public or private sale or distribution of any of its securities, including a sale pursuant to Regulation D under the Securities Act, whether on its own behalf or at the request of any holder or holders of such securities from the date of a request for a Demand Registration pursuant to Section 2.2 until the earlier of (x) 90 days following the date as of which all securities covered by such Demand Registration statement shall have been Transferred, and (y) 120 days following the effective date of such Demand Registration statement, unless the Company shall have previously notified in writing all Selling Investors of the Company's desire to do so, and Selling Investors owning a majority of the Registrable Securities or the Underwriters' Representative, if any, shall have consented thereto in writing.

(b) Any agreement entered into after the date of this Agreement pursuant to which the Company or any of its majority owned subsidiaries issues or agrees to issue any privately placed securities similar to any issue of the Registrable Securities (other than (x) shares of Common Stock pursuant to a stock incentive, stock option, stock bonus, stock purchase or other employee benefit plan of the Company approved by its Board of Directors, and (y) securities issued to Persons in exchange for ownership interests in any Person in connection with a business combination in which the Company or any of its majority owned subsidiaries is a party) shall contain a provision whereby holders of such securities agree not to effect any public sale or distribution of any such securities during the periods described in the first sentence of Section 8.2(a), in each case including a sale pursuant to Rule 144 under the Securities Act (unless such Person is prevented by applicable statute or regulation from entering into such an agreement).

8.3 The Company shall not, directly or indirectly, (x) enter into any merger, consolidation or reorganization in which the Company shall not be the surviving corporation or

(y) Transfer or agree to Transfer all or substantially all the Company's assets, unless prior to such merger, consolidation, reorganization or asset Transfer, the surviving corporation or the Transferee, respectively, shall have agreed in writing to assume the obligations of the Company under this Agreement; provided, that this Section 8.3 shall be inapplicable in any transaction in which the consideration given to the stockholders of the Company or to the Company, as applicable, does not consist of stock or other securities.

8.4 The Company shall not enter into any agreement with any holder or prospective holder of any securities of the Company which would allow such holder or prospective holder (i) to include such securities in any registration filed under Section 2, (ii) to include such securities in any registration filed under Section 3 unless under the terms of such agreement, such holder or prospective holder may include such securities in any registration under Section 3 only to the extent that the inclusion of such holder's securities will not reduce the amount of the Registrable Securities of the Investors that are included in such registration or (iii) to make a demand registration, unless under the terms of such agreement, the Investors have the right to delay the filing of any such registration for a period of up to 180 days after the effective date of any Shelf Registration or Demand Registration that is requested by an Investor within 30 days of the date of such holders' demand. The Company will notify the Investors in writing of (x) any proposal by the Company to enter into an agreement granting registration rights to any Person or (y) any request or offer to register securities of the Company. Any such notice will be provided at least five (5) business days prior to the execution of any agreement described in clause (x) above and not later than five (5) business days after any the date of any request or offer described in clause (y) above.

9. Right of First Offer. Subject to the terms and conditions specified in this Section 9, the Company hereby grants to each Investor a right of first offer with respect to future sales by the Company of any shares of any class of its capital stock, or securities convertible into or exercisable for any shares of, any class of its capital stock (Shares). For purposes of this Section 9, an Investor includes any general partners, managers and affiliates of an Investor; provided that the inclusion of any such general partners, managers and affiliates of an Investor does not result in the failure to satisfy the conditions to the applicable exemption from the registration requirements of the Securities Act with respect to any such unregistered offering. An Investor that chooses to exercise the right of first offer may designate as purchasers under such right itself or its partners or affiliates in such proportions as it deems appropriate. Each time the Company proposes to offer any Shares the Company shall first make an offering of such Shares to each Investor in accordance with the following provisions:

9.1 The Company shall deliver a notice by certified mail (Notice) to the Investors stating (i) its bona fide intention to offer such Shares, (ii) the number of such Shares to be offered, and (iii) the price and terms, if any, upon which it proposes to offer such Shares.

9.2 Within 15 calendar days after delivery of the Notice, each Investor may elect to purchase or obtain, at the price and on the terms specified in the Notice, up to that portion of such Shares which equals the proportion that the number of shares of Common Stock issued and held, or issuable upon conversion and exercise of all convertible or exercisable securities then held, by such Investor bears to the total number of shares of Common Stock then outstanding (assuming full conversion and exercise of all convertible or exercisable securities of the Investors). The Company shall promptly, in writing, inform each Investor that purchases all the shares available to it (each, a Fully-Exercising Investor) of any other Investor's failure to do likewise. During the ten (10)-day period commencing after receipt of such information, each

Fully-Exercising Investor shall be entitled to obtain that portion of the Shares for which Investors were entitled to subscribe but which were not subscribed for by the Investors that is equal to the proportion that the number of shares of Common Stock issued and held, or issuable upon conversion and exercise of all convertible or exercisable securities then held, by such Fully-Exercising Investor bears to the total number of shares of Common Stock held by all Full-Exercising Investors (assuming full conversion and exercise of all convertible or exercisable securities of the Full-Exercising Investors).

9.3 The Company may, during the 90-day period following the expiration of the periods provided in Section 9.2, offer the remaining unsubscribed portion of the Shares to any person or persons at a price not less than, and upon terms no more favorable to the offeree than those specified in the Notice. If the Company does not enter into an agreement for the sale of the Shares within such period, or if such agreement is not consummated within 90 days of the execution thereof, the right provided hereunder shall be deemed to be revived and such Shares shall not be offered unless first reoffered to the Investors in accordance herewith.

9.4 The right of first offer in this Section 9 shall not be applicable (i) to the issuance or sale of Common Stock (or options therefor) to employees, consultants and directors, pursuant to plans or agreements approved by the Board of Directors for the primary purpose of soliciting, compensating or retaining their services, (ii) to the issuance of securities pursuant to the conversion or exercise of convertible or exercisable securities that are outstanding on the date hereof, (iii) securities issued or issuable as a dividend or distribution upon any shares of capital stock the Company, (iv) to the issuance of securities in connection with (but not related to the financing of) a bona fide business acquisition of or by the Company or one of its subsidiaries, whether by merger, consolidation, sale of assets, sale or exchange of stock or otherwise or (v) to the issuance of securities to Persons that are not affiliates of the Company with which the Company conducts commercial leasing transactions.

9.5 The Investors' rights under this Section 9 shall terminate on the earlier of (i) the date on which the Investors no longer hold at least 10% of the outstanding shares of common stock of the Company in the aggregate, assuming exercise or conversion of all exercisable or convertible securities of the Company held by the Investors and their affiliates or (ii) five years from the date hereof.

10. Board Observer Rights.

10.1 The Company will provide the Initial Investors with prior notice of (a) the time and place of any proposed meeting of the board of directors of the Company, the board of directors or other governing body of any of the Company's direct or indirect subsidiaries (any such board or other governing body meeting is referred to herein as a Board Meeting) and (b) any proposed action by written consent of the board of directors of the Company, the board of directors or other governing body of any of the Company's direct or indirect subsidiaries (any such board or other governing body consent is referred to herein as a Board Consent). In addition, the Company will provide the Initial Investors with copies of any documents that are provided by the Company or any of the Company's direct or indirect subsidiaries to members of their respective boards of directors or other governing body in connection with any Board Meeting or Board Consent. All notices of meetings and written materials shall be delivered to the Initial Investors at the same time and in the same format as the notice of meeting and written materials delivered to the applicable board or body members. The Initial Investors shall be entitled to send two persons to attend any Board Meeting, or if a meeting is to be held by

telephone conference, to have two persons participate therein, but the foregoing right of attendance or participation shall not include (i) the right to attend any committee meetings or (ii) the right to vote on any matters presented to the board of directors of the Company, the board of directors or other governing body of any of the Company's direct or indirect subsidiaries. The representatives of the Initial Investors who attend Board Meetings shall be selected by the vote of the holders of a majority of the Registrable Securities held by the Initial Investors. Any information provided to the Initial Investors as a result of its rights under this Section 10 shall be treated by the Initial Investors in the same manner, including confidentiality, as if it had obtained such information as a board or body member, as applicable. The Initial Investors' rights under this Section 10 shall terminate if (i) the Initial Investors no longer hold at least 5% of the outstanding shares of common stock of the Company, assuming exercise or conversion of all exercisable or convertible securities of the Company held by the Initial Investors and their affiliates or (ii) the loans and all other monetary obligations under the Loan Agreement have been repaid in full.

10.2 The information that may be provided to the Board Observers by the Company may contain material statements, information, projections and other data not publicly available ("Confidential Information"). The Initial Investor acknowledges that it is aware that the United States securities laws prohibit any person who has material nonpublic information about an issuer or an affiliate or controlling person of an issuer from purchasing or selling securities of such company or from communicating such information to any other person. The Initial Investor represents that it will maintain effective internal procedures with respect to maintaining the confidentiality and use of any Confidential Information, that it will not use the Confidential Information for any purpose in violation of U.S. federal securities laws or any other applicable law and that it will be subject to the same restrictions on trading as the directors of the board of the Company.

11. Amendment, Modification and Waivers: Further Assurances.

11.1 This Agreement may be amended with the consent of the Company and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company shall have obtained the written consent of Investors owning Registrable Securities possessing a majority in number of the Registrable Securities then outstanding to such amendment, action or omission to act.

11.2 No waiver of any terms or conditions of this Agreement shall operate as a waiver of any other breach of such terms and conditions or any other term or condition, nor shall any failure to enforce any provision hereof operate as a waiver of such provision or of any other provision hereof. No written waiver hereunder, unless it by its own terms explicitly provides to the contrary, shall be construed to effect a continuing waiver of the provisions being waived and no such waiver in any instance shall constitute a waiver in any other instance or for any other purpose or impair the right of the party against whom such waiver is claimed in all other instances or for all other purposes to require full compliance with such provision.

11.3 Each of the parties hereto shall execute all such further instruments and documents and take all such further action as any other party hereto may reasonably require in order to effectuate the terms and purposes of this Agreement.

12. Transfer of Investor Rights. Rights with respect to Registrable Securities may be Transferred as follows: (i) the rights of an Investor to require a Shelf Registration or Demand

Registration may be Transferred to any Person (other than an affiliate of an Investor) in connection with the Transfer to such Person by such Investor of a number of Registrable Securities equal to 25% or more of the Registrable Securities outstanding on the date of this Agreement, (ii) the rights of an Investor under Section 9 may be Transferred to any Person (other than an affiliate of an Investor) in connection with the Transfer to such Person by such Investor of a number of Registrable Securities equal to 20% or more of the Registrable Securities outstanding on the date of this Agreement and (iii) all other rights of an Investor pursuant to this Agreement (other than those specified in Section 10) may be Transferred by such Investor to any Person in connection with the Transfer of Registrable Securities to such Person (including, for avoidance of doubt, a Transfer from an Investor to one or more of its affiliates of the rights of an Investor to require a Shelf Registration or Demand Registration and rights under Section 9), in all cases, if (x) any such Transferee that is not a party to this Agreement shall have executed and delivered to the Secretary of the Company a properly completed agreement substantially in the form of Exhibit A, and (y) the Transferor shall have delivered to the Secretary of the Company, no later than 15 days following the date of the Transfer, written notification of such Transfer setting forth the name of the Transferor, name and address of the Transferee, and the number of Registrable Securities which shall have been so Transferred.

13. Assignment; Benefit. This Agreement and all of the provisions hereof shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, permitted assigns, executors, administrators or successors; provided, however, that except as specifically provided herein with respect to certain matters, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned or delegated by the Company without the prior written consent of Investors owning Registrable Securities possessing a majority in number of the Registrable Securities outstanding on the date as of which such delegation or assignment is to become effective. An Investor may Transfer its rights hereunder to a successor in interest to the Registrable Securities owned by such assignor only as permitted by Section 12.
