Edgar Filing: SEABRIDGE GOLD INC - Form 8-A12B

This Form 8-A hereby registers the Registrant's class of common shares without par value (the "Common Shares"). The authorized capital of the Registrant consists of an unlimited number of Common Shares and an unlimited number of Preferred Shares. As at February 29, 2012, the Registrant had 42,451,885 fully paid and non-assessable Common Shares issued and outstanding. The Registrant does not have any other authorized class of securities.

The holders of the Common Shares are entitled to receive notice of and to attend and vote at all meetings of the shareholders of the Registrant, and each Common Share confers the right to one vote in person or by proxy at all meetings of the shareholders of the Registrant. The holders of the Common Shares, subject to the prior rights, if any, of the holders of any other class of shares of the Registrant, are entitled to receive such dividends in any financial year as the board of directors of the Registrant may by resolution determine. In the event of the liquidation, dissolution or winding-up of the Registrant, whether voluntary or involuntary, the holders of the Common Shares are entitled to receive, subject to the prior rights, if any, of the holders of any other class of shares of the Registrant, the remaining property and assets of the Registrant.

There are no restrictions on the repurchase or redemption of the Common Shares by the Registrant provided that such purchase or redemption is either made through a stock exchange, from a bona fide employee of the Registrant or an affiliate or his personal representative, or is under an offer to purchase pro rata made to every holder or is required to be made pursuant to the Business Corporations Act (Canada) upon exercise by the holder of certain dissent provisions or shareholders remedies set out therein, and provided further that the Registrant is not insolvent at the time of such repurchase or redemption nor would be made insolvent by such action. The Registrant is limited in its ability to pay dividends on its Common Shares by limitations under the Business Corporations Act (Canada) which is related to the sufficiency of profits from which dividends may be paid.

Pursuant to applicable provisions of the Business Corporations Act (Canada), no right or special right attached to shares issued by the Registrant may be prejudiced, altered or otherwise interfered with unless the members of the class of shareholders affected consent to such action by a separate resolution of the members of the class adopted by at least a majority of two-thirds of the votes cast with respect to the resolution.
