PRESS RELEASE

**TEEKAY INCREASES DIVIDEND FOR THE
SECOND CONSECUTIVE YEAR**

Nassau, The Bahamas, September 30, 2004 Teekay Shipping Corporation announced today that its Board of Directors has voted to increase Teekay's quarterly dividend by 10 percent to \$0.1375 per share, payable on October 29, 2004 to all shareholders of record as at October 15, 2004.

In October 2003, Teekay increased its quarterly dividend by 16 percent to \$0.125 per share (adjusted for the 2-for-1 stock split on May 17, 2004), and Teekay has paid a quarterly dividend since its initial public offering in 1995.

Over the past year, Teekay has grown its long-term fixed-rate contract business while maintaining its significant leverage to the strong spot tanker market with the world's largest fleet of medium-sized tankers.

This is the second consecutive year that we have increased our dividend, said Bjorn Moller, Teekay's President and Chief Executive Officer. During the past year, both our spot and fixed-rate segments produced record financial results. We also entered the liquefied natural gas shipping sector, one of the fastest growing sectors of sea-borne energy transportation. Mr. Moller continued, With the growth in our long-term fixed-rate business and the strong spot tanker market fundamentals, Teekay's Board of Directors has determined that this dividend increase is an appropriate method of returning capital to shareholders while still preserving financial flexibility to pursue growth opportunities. Going forward, we will evaluate possible future dividend increases based on our cash generation, earnings growth and other factors.
