SUMMARY

IN THIS PROSPECTUS, THE WORDS "COMPANY," "HARRAH'S," "WE," "OUR," "OURS," AND "US" REFER TO HARRAH'S ENTERTAINMENT, INC., A DELAWARE CORPORATION ("HARRAH'S ENTERTAINMENT"), AND ITS WHOLLY OWNED SUBSIDIARY, HARRAH'S OPERATING COMPANY, INC., A DELAWARE CORPORATION ("HARRAH'S OPERATING"), UNLESS OTHERWISE STATED OR THE CONTEXT OTHERWISE REQUIRES. THE FOLLOWING SUMMARY CONTAINS BASIC INFORMATION ABOUT THIS OFFERING. IT MAY NOT CONTAIN ALL THE INFORMATION THAT IS IMPORTANT TO YOU. THE "DESCRIPTION OF NOTES" SECTION OF THIS PROSPECTUS CONTAINS MORE DETAILED INFORMATION REGARDING THE TERMS AND CONDITIONS OF THE NOTES.

THE EXCHANGE OFFER

The Exchange Offer.....	We are offering to exchange our exchange notes for our outstanding private notes properly tendered and accepted. You may tender outstanding notes only in denominations of \$1,000 and multiples of \$1,000. We will issue the exchange notes on or promptly after the exchange offer expires. As of the date of this prospectus, \$500,000,000 principal amount of private notes is outstanding.
Expiration Date.....	The exchange offer will expire at 5:00 p.m., New York City time, on May 25, 2001, unless extended, in which case the expiration date will mean the latest date and time to which we extend the exchange offer.
Conditions to the Exchange Offer.....	The exchange offer is not subject to any condition other than that it not violate applicable law or a applicable interpretation of the staff of the SEC. The exchange offer is not conditioned upon any minimum principal amount of private notes being

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

tendered for exchange.

Procedures for Tendering Private

Notes.....

If you wish to tender your private notes for exchange pursuant to the exchange offer you must transmit to the Bank One Trust Company, National Association, as exchange agent, on or before the expiration date, either:

- a computer generated message transmitted through The Depository Trust Company's Automated Tender Offer Program system and received by exchange agent and forming a part of a confirmation of book-entry transfer in which you acknowledge and agree to be bound by the terms of the letter of transmittal; or
- a properly completed and duly executed letter of transmittal, which accompanies this prospectus, or a facsimile of the letter of transmittal, together with your private notes and any other required documentation, to the exchange agent at its address listed in this prospectus and on the front cover of the letter of transmittal.

3

If you cannot satisfy either of these procedures on a timely basis, then you should comply with the guaranteed delivery procedures described below. By executing the letter of transmittal, you will make the representations to us described under "The Exchange Offer--Procedures for Tendering."

Special Procedures for Beneficial Owners.....

If you are a beneficial owner whose private notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and you wish to tender your private notes in the exchange offer, you should contact the registered holder promptly and instruct the registered holder to tender on your behalf. If you wish to tender on your own behalf, you must either (1) make appropriate arrangements to register ownership of the private notes in your name or (2) obtain a properly completed bond power from the registered holder, before completing and executing the letter of transmittal and delivering your private notes.

Guaranteed Delivery Procedures.....

If you wish to tender your private notes and time will not permit the documents required by the letter of transmittal to reach the exchange agent before the expiration date, or the procedure for book-entry transfer cannot be completed on a timely basis, you must tender your private notes according to the guaranteed delivery procedures described in this prospectus under the heading "The Exchange

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

Offer--Guaranteed Delivery Procedures."

Acceptance of Private Notes and Delivery of Exchange Notes.....	Subject to the satisfaction or waiver of the conditions to the exchange offer, we will accept for exchange any and all private notes which are validly tendered in the exchange offer and not withdrawn before 5:00 p.m., New York City time, on the expiration date.
Withdrawal Rights.....	You may withdraw the tender of your private notes any time before 5:00 p.m., New York City time, on expiration date, by complying with the procedures for withdrawal described in this prospectus under the heading "The Exchange Offer--Withdrawal of Tenders."
Liquidated Damages.....	<p>We issued the private notes on January 29, 2001, to the initial purchasers pursuant to a purchase agreement. At the same time, we entered into a registration rights agreement with the initial purchasers requiring us to make the exchange offer. The registration rights agreement also required us to:</p> <ul style="list-style-type: none">- cause the registration statement filed with respect to the exchange offer to be declared effective by July 28, 2001; and- consummate the exchange offer by August 27, 2001.
Exchange Agent.....	Bank One Trust Company, National Association, the trustee under the indenture governing the private notes, is serving as the exchange agent.
Consequences of Failure to Exchange Notes....	If you do not exchange your private notes for exchange notes, you will continue to be subject to the restrictions on transfer provided in the private notes and in the indenture governing the private notes. In general, the private notes may not be offered or sold, unless registered under the Securities Act, except pursuant to an exemption from or in a transaction not subject to, the Securities Act and applicable state securities laws. We do not currently plan to register the private notes under the Securities Act.
Registration Rights Agreement.....	You are entitled to exchange your private notes for exchange notes with substantially identical terms. The exchange offer satisfies this right. After the exchange offer is completed, you will no longer be entitled to any exchange or registration rights with respect to your private notes. Under the circumstances described in the registration rights agreement, you may require us to file a shelf registration statement under the Securities Act.

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

We explain the exchange offer in greater detail beginning on page 12.

THE EXCHANGE NOTES

The form and terms of the exchange notes are the same as the form and terms of the private notes, except that the exchange notes will be registered under the Securities Act and, therefore, the exchange notes will not be subject to the transfer restrictions, registration rights and provisions providing for an increase in the interest rate applicable to the private notes. The exchange notes will evidence the same debt as the private notes and both the private notes and the exchange notes, collectively, the "notes," are governed by the same indenture.

Total Amount of Notes Offered.....	\$500,000,000 principal amount of 8.00% Senior Notes due 2011.
Maturity.....	February 1, 2011.
Interest.....	8.00% per year.
Interest Payment Dates.....	February 1 and August 1, beginning on August 1, 2011. Interest will accrue from the issue date of the notes.
Optional Redemption.....	We may redeem some or all of the exchange notes at any time at the redemption price described in the "Description of Notes" section under the heading "Optional Redemption," plus accrued interest to the date of redemption.

5

Guarantee.....	Harrah's Entertainment unconditionally guarantees the notes. However, because Harrah's Entertainment's primary material asset is its equity interest in Harrah's Entertainment Operating, Harrah's Entertainment is dependent on receipt of dividends or other payments from Harrah's Entertainment Operating to make payments on the guarantee of the notes.
Ranking.....	The notes are unsecured senior obligations of Harrah's Entertainment Operating. At December 31, 2000, after giving effect to the issuance of the notes, the notes would have ranked equal in right of payment with \$1,941.6 million of other senior indebtedness of Harrah's Entertainment Operating, including \$1,234.4 million under our credit facility. However, \$103.2 million of such indebtedness represents obligations of our subsidiaries, all of which would effectively rank senior to the notes.

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

Covenants.....	The indenture governing the notes contains covenants that limit our ability and our subsidiaries' ability to: <ul style="list-style-type: none">- enter into certain sale and lease-back transactions;- incur liens on our assets to secure debt;- merge or consolidate with another company; and- transfer or sell substantially all of our assets. For more details, see the "Additional Covenants of Harrah's Operating" section under the headings "Description of Notes" and "Merger, Consolidation Sale of Assets" in this prospectus.
Form of Exchange Notes.....	The exchange notes will be represented by one or more permanent global certificates, in fully registered form, deposited with a custodian for, and registered in the name of a nominee of, The Depository Trust Company, as depository. You will not receive exchange notes in certificated form unless one of the events described under the heading "Book-Entry; Delivery; Form and Transfer--Transfers of Interests in Global Notes for Certificated Notes" occurs. Instead, beneficial interests in the exchange notes will be shown on, and transfers of these notes will be effected only through, records maintained in book-entry form by The Depository Trust Company and its participants.
Use of Proceeds.....	We will not receive any cash proceeds in the exchange offer.

We explain the exchange notes in greater detail beginning on page 27.

THE COMPANY

We are one of the leading casino entertainment companies in the United States, operating in more markets than any other casino company and offering a Harrah's casino experience within a three-hour drive of one-third of the U.S. population. Our casino entertainment facilities, operating under the Harrah's, Rio, Showboat and Players brand names, include eight land-based casinos, nine riverboat or dockside casinos, and three casinos on Indian reservations. In addition, during the first quarter of 2000, we signed a definitive agreement with the Rincon San Luiseno Band of Mission Indians to build and manage a \$125 million casino and hotel on Rincon tribal land. The Tribe began operations of a temporary casino on January 11, 2001. We do not manage the Tribe's temporary casino. We also own a non-controlling interest in and manage the only land-based casino in New Orleans, Louisiana.

The following table sets forth our gaming operations as of December 31, 2000, including number of hotel rooms, slots and gaming tables, and casino square footage.

BRAND STRATEGY

We seek to differentiate ourselves by building the industry's only national brand. To accomplish this objective, we have invested significant time and resources learning who the best customers in our industry are and what they want from a gaming experience. We are building our brand with a focus on the broad middle market gaming segment, but because of our strategy, we are uniquely positioned to appeal to those customers that play in more than one market. We believe that these customers represent 12% of the industry's customers, but generate 55% of the industry's revenue. Our strategy is comprised of four integrated components which we believe combine to create a sustainable competitive advantage for Harrah's. These four elements are national geographic distribution, quality facilities, proprietary technology and superior customer service.

NATIONAL GEOGRAPHIC DISTRIBUTION

Geographic distribution serves as the foundation of our strategy. We currently operate 21 casinos in 17 markets in the United States, more than any other casino operator. As a result, we not only have diversified sources of revenue and earnings, but this geographic distribution allows us to develop relationships with a large number of customers in many markets. Because many of our markets have a limited number of gaming licenses, most of which have already been allocated, we believe it will be difficult for a competitor to duplicate our nationwide scope. In addition, through strategic growth opportunities, we expect to continue to expand our distribution and

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

build even greater access to our target customers.

QUALITY FACILITIES

We have completed a large investment program in our facilities to ensure consistent quality among our properties as a necessary component in building a national brand. Our ongoing maintenance capital expenditure program ensures that our properties maintain a high level of

8

quality and meet the expectations of our target customer. In 2001, our capital program includes: a 450-room expansion of Harrah's Atlantic City; construction of a 292-room hotel at Harrah's East Chicago; completion of a 514-room hotel and shoreside expansion at Harrah's Shreveport; expanding the casino floor at Harrah's North Kansas City; converting Harrah's Joliet from a cruising riverboat operation to a dockside barge configuration to take full advantage of dockside gaming in this market; and converting Players Metropolis to a Harrah's branded property, including upgrading the existing riverboat.

PROPRIETARY TECHNOLOGY

We have invested in proprietary technology and tools that help us better market to and understand our customers. Our proprietary technology not only enables us to market effectively and efficiently but also gives us the ability to operate centralized back office systems to achieve economies of scale and synergies. Our patent tiered player card program, Total Rewards, is the only program in the casino industry that rewards and recognizes casino customers on a nationwide basis. Total Rewards allows customers to earn credits based on play. The number of credits establishes the Total Rewards tier--Gold, Platinum, or Diamond--that a player qualifies. Each tier provides a different level of benefits so that the more credits a player earns by playing within Harrah's family of brands, the more benefits the player gains. Total Rewards is available in all Harrah's branded properties as well as Rio and Showboat. Credits can also be redeemed for cash, merchandise, food, lodging or show tickets at any Harrah's Entertainment casino across the country. There are currently over 19 million records in our customer database. Total Rewards was launched in September 1997. Total Rewards integrates all of our Harrah's casinos and, as such, serves as a platform on which we are able to build national brand loyalty.

SUPERIOR CUSTOMER SERVICE

We are committed to ensuring that our employees deliver a recognizable, differentiated customer experience based on level of play. Our goal is to increase the number of target customers who visit our casinos and to capture a greater share of their gaming budget. The key to this strategy is having highly capable, motivated employees that engender customer loyalty in local markets, and then capturing the revenues generated by these loyal customers when they travel to other markets.

We believe that our strategy continues to evolve and build loyalty with our target customer through the use and development of our unique capabilities in addition to the four integrated components described above. We have developed unique capabilities such as Total Rewards, sophisticated direct marketing and telemarketing tools and programs, enhanced revenue management systems, Internet capabilities and data mining and data modeling capabilities. These capabilities, together with our information rich and extensive customer database, allow us to build loyalty that translates into same store sales growth.

RISK FACTORS

YOU SHOULD READ CAREFULLY THIS ENTIRE PROSPECTUS BEFORE INVESTING IN THE NOTES. AMONG THE FACTORS THAT MAY ADVERSELY AFFECT AN INVESTMENT IN THE NOTES ARE THE FOLLOWING:

OUR SUBSTANTIAL INDEBTEDNESS COULD ADVERSELY AFFECT OUR FINANCIAL RESULTS AND PREVENT US FROM FULFILLING OUR OBLIGATIONS UNDER THE NOTES.

We currently have a significant amount of indebtedness. At December 31, 2000, after giving effect to this offering, our total consolidated indebtedness would have been approximately \$3,186.0 million. See "Capitalization."

The notes will not restrict our ability to borrow substantial additional unsecured indebtedness in the future. If new indebtedness is added to our current debt levels, the related risks that we now face could increase.

Our indebtedness could have important consequences for the holders of the notes, including:

- limiting our ability to satisfy our obligations with respect to the notes;
- increasing our vulnerability to general adverse economic and industry conditions;
- limiting our ability to obtain additional financing to fund future working capital, capital expenditures and other general corporate requirements;
- requiring a substantial portion of our cash flow from operations for the payment of principal of, and interest on, our indebtedness and reducing our ability to use our cash flow to fund working capital, capital expenditures and general corporate requirements;
- limiting our flexibility in planning for, or reacting to, changes in our business and the industry; and
- disadvantaging us compared to competitors with less indebtedness.

SERVICING OUR INDEBTEDNESS WILL REQUIRE A SIGNIFICANT AMOUNT OF CASH. OUR ABILITY TO GENERATE CASH DEPENDS ON MANY FACTORS BEYOND OUR CONTROL.

Our ability to make payments on our indebtedness, including these notes, and to fund planned capital expenditures will depend on our ability to generate cash in the future. Harrah's Entertainment is a holding company and Harrah's Operating conducts substantially all of its operations through its subsidiaries. As a result, our ability to meet our debt service obligations substantially depends upon our subsidiaries' cash flow and payments of funds to us by our subsidiaries. This ability, to some extent, is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control.

Based on our current level of operations and recent acquisitions, we believe our cash flow from operations, available cash and available borrowings under our credit facility will be adequate to meet our liquidity needs for the next few

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

years.

We cannot assure you, however, that our business will generate sufficient cash flow from operations or that future borrowings will be available to us under our credit facility in an amount sufficient to enable us to pay our indebtedness, including these notes, or to fund our other liquidity needs. We may need to refinance all or a portion of our indebtedness, including these notes on or before maturity. We cannot assure you that we will be able to refinance any of our indebtedness on commercially reasonable terms or at all.

10

ALTHOUGH THESE NOTES ARE REFERRED TO AS "SENIOR NOTES," THEY WILL BE EFFECTIVELY SUBORDINATED TO OUR SECURED INDEBTEDNESS AND THE INDEBTEDNESS OF OUR SUBSIDIARIES.

The notes are unsecured and therefore will be effectively subordinated to any secured indebtedness we may incur to the extent of the value of the assets securing such indebtedness. In the event of a bankruptcy or similar proceeding involving us, our assets which serve as collateral will be available to satisfy the obligations under any secured indebtedness before any payments are made on the notes. In addition, our subsidiaries will not guarantee the notes. In the event of a bankruptcy, liquidation or reorganization of any of our subsidiaries, creditors of our subsidiaries will generally be entitled to payment of their claims from the assets of those subsidiaries before any assets are made available for distribution to us, except to the extent we may also have a claim as a creditor. Assuming we had completed this offering on December 31, 2000, the notes would have been effectively junior to approximately \$103.2 million of indebtedness of subsidiaries of Harrah's Operating.

WE MAY INCUR ADDITIONAL LOSSES RELATED TO THE NEW ORLEANS LAND-BASED CASINO.

On January 4, 2001, JCC Holding Company, the owner and operator of the New Orleans, Louisiana land-based casino managed by one of our subsidiaries pursuant to a contract, filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code. On January 12, 2001, JCC Holding filed a plan of reorganization which was supported by us, and the bank lenders and bondholders of JCC Holding. On the basis of the plan filed, we recorded reserves of approximately \$220 million against the loans, interest, deferred fees and other receivables we hold for JCC Holding in the fourth quarter of 2000. The plan of reorganization was consummated on March 29, 2001.

We could face additional losses relating to the New Orleans casino. In connection with the consummation of the plan, we guaranteed tax payments to the state up to \$230 million. We also received \$51 million in term debt of the reorganized company and we are providing \$35 million in revolving debt to the reorganized company. If the casino does not perform well and experiences financial difficulty, we would be responsible for state tax payments to the extent that JCC Holding is unable to pay such amounts. We could also incur losses resulting from the loans we provided to and our equity ownership in JCC Holding. In addition, we face exposure to accounting losses if the casino does not perform well. It is also possible that other stakeholders in the casino could pursue litigation against us, although none has been filed or threatened to date.

AN ACTIVE TRADING MARKET MAY NOT DEVELOP FOR THE NOTES.

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

There is no existing trading market for the notes. Although the initial purchasers of the private notes have informed us that they currently intend to make a market in the notes they have no obligation to do so and may discontinue making a market at any time without notice.

We do not intend to apply for listing of the exchange notes on any securities exchange or for quotation on the Nasdaq National Market.

The liquidity of any market for the notes will depend on a number of factors, including:

- the number of holders of the notes;
- our performance;
- the market for similar securities;
- the interest of securities dealers in making a market in the notes; and
- prevailing interest rates.

We cannot assure you that an active market for the notes will develop or, if developed, that it will continue.

THE EXCHANGE OFFER

PURPOSE OF THE EXCHANGE OFFER

We sold the private notes on January 29, 2001, to Salomon Smith Barney Inc., Banc of America Securities LLC, Credit Suisse First Boston Corporation, Deutsche Banc Alex. Brown Inc., Goldman, Sachs & Co., Lehman Brothers Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley & Co. Incorporated, Bear, Stearns & Co. Inc., BNY Capital Markets, Inc., CIBC World Markets Corp., Commerzbank Capital Markets Corp., Credit Lyonnais Securities (USA) Inc., Fleet Securities, Inc., SG Cowen Securities Corporation, Wasserstein Perella Securities, Inc., and Wells Fargo Brokerage Services, LLC, the initial purchasers, pursuant to a purchase agreement. The initial purchasers subsequently sold the private notes to "qualified institutional buyers," as defined in Rule 144A under the Securities Act, in reliance on Rule 144A, and outside the United States under Regulation S of the Securities Act. As a condition to the sale of the private notes, we entered into a registration rights agreement with the initial purchasers on January 29, 2001. Pursuant to the registration rights agreement, we agreed that we would:

- (1) file a registration statement with the SEC with respect to the exchange notes on or before April 29, 2001;
- (2) use our best efforts to cause the registration statement to be declared effective by the SEC on or before July 28, 2001;
- (3) use our best efforts to complete the exchange offer by August 27, 2001;
- (4) use our best efforts to keep the registration statement effective until the closing of the exchange offer;
- (5) use our best efforts to keep the exchange offer open for a period of not

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

less than 20 business days; and

- (6) use our best efforts to cause the exchange offer to be completed no later than the 30th business day after notice thereof is mailed to the holders of the notes.

Upon the effectiveness of the registration statement, we will offer the exchange notes in exchange for the private notes. We filed a copy of the registration rights agreement as an exhibit to the registration statement.

RESALE OF THE EXCHANGE NOTES

Based upon an interpretation by the staff of the SEC contained in no-action letters issued to third parties, we believe that you may exchange private notes for exchange notes in the ordinary course of business. For further information on the SEC's position, see EXXON CAPITAL HOLDINGS CORPORATION, available May 13, 1988, MORGAN STANLEY & CO. INCORPORATED, available June 5, 1991 and SHEARMAN & STERLING, available July 2, 1993, and other interpretive letters to similar effect. You will be allowed to resell exchange notes to the public without further registration under the Securities Act and without delivering to purchasers of the exchange notes a prospectus that satisfies the requirements of Section 10 of the Securities Act so long as you do not participate, do not intend to participate, and have no arrangement with any person to participate, in a distribution of the exchange notes. However, the foregoing does not apply to you if you are:

- a broker-dealer who purchases the exchange notes directly from us to resell pursuant to Rule 144A or any other available exemption under the Securities Act; or
- you are an "affiliate" of ours within the meaning of Rule 405 under the Securities Act.

12

In addition, if:

- you are a broker-dealer, or
- you acquire exchange notes in the exchange offer for the purpose of distributing or participating in the distribution of the exchange notes,

you cannot rely on the position of the staff of the SEC contained in the no-action letters mentioned above and must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction, unless an exemption from registration is otherwise available.

Each broker-dealer that receives exchange notes for its own account in exchange for private notes, which the broker-dealer acquired as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act. A broker-dealer may use this prospectus, as it may be amended or supplemented from time to time, in connection with resales of exchange notes received in exchange for private notes which the broker-dealer acquired as a result of market-making or other trading activities.

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

TERMS OF THE EXCHANGE OFFER

Upon the terms and subject to the conditions described in this prospectus and in the letter of transmittal, we will accept any and all private notes validly tendered and not withdrawn before the expiration date. We will issue \$1,000 principal amount of exchange notes in exchange for each \$1,000 principal amount of outstanding private notes surrendered pursuant to the exchange offer. You may tender private notes only in integral multiples of \$1,000.

The form and terms of the exchange notes are the same as the form and terms of the private notes except that:

- we will register the exchange notes under the Securities Act and, therefore, the exchange notes will not bear legends restricting their transfer; and
- holders of the exchange notes will not be entitled to any of the rights of holders of private notes under the registration rights agreement, which rights will terminate upon the completion of the exchange offer.

The exchange notes will evidence the same debt as the private notes and will be issued under the same indenture, so the exchange notes and the private notes will be treated as a single class of debt securities under the indenture.

As of the date of this prospectus, \$500,000,000 in aggregate principal amount of the private notes are outstanding and registered in the name of Cede & Co., as nominee for The Depository Trust Company. Only registered holders of the private notes, or their legal representative or attorney-in-fact, as reflected on the records of the trustee under the indenture may participate in the exchange offer. We will not set a fixed record date for determining registered holders of the private notes entitled to participate in the exchange offer.

You do not have any appraisal or dissenters' rights under the indenture in connection with the exchange offer. We intend to conduct the exchange offer in accordance with the provisions of the registration rights agreement and the applicable requirements of the Securities Act, the Exchange Act and the rules and regulations of the SEC.

We will be deemed to have accepted validly tendered private notes when, as and if we had given oral or written notice of acceptance to the exchange agent. The exchange agent will act as your agent for the purposes of receiving the exchange notes from us.

13

If you tender private notes in the exchange offer you will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes with respect to the exchange of private notes pursuant to the exchange offer. We will pay all charges and expenses, other than the applicable taxes described below, in connection with the exchange offer.

EXPIRATION DATE; EXTENSIONS; AMENDMENTS

The term expiration date will mean 5:00 p.m., New York City time on May 25, 2001, unless we, in our sole discretion, extend the exchange offer, in which case the term expiration date will mean the latest date and time to which we extend the exchange offer.

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

To extend the exchange offer, we will:

- notify the exchange agent of any extension orally or in writing; and
- mail to each registered holder an announcement that will include disclosure of the approximate number of private notes deposited to date,

each before 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date.

We reserve the right, in our reasonable discretion:

- to delay accepting any private notes;
- to extend the exchange offer; or
- if any conditions listed below under "--Conditions" are not satisfied, to terminate the exchange offer by giving oral or written notice of the delay, extension or termination to the exchange agent.

We will follow any delay in acceptance, extension or termination as promptly as practicable by oral or written notice to the registered holders. If we amend the exchange offer in a manner we determine constitutes a material change, we will promptly disclose the amendment in a prospectus supplement that we will distribute to the registered holders. We will also extend the exchange offer for a period of five to ten business days, depending upon the significance of the amendment and the manner of disclosure, if the exchange offer would otherwise expire during the five to ten business day period.

INTEREST ON THE EXCHANGE NOTES

The exchange notes will bear interest at the same rate and on the same terms as the private notes. Consequently, the exchange notes will bear interest at a rate equal to 8.00% per annum. Interest will be payable semi-annually in arrears on February 1 and August 1, commencing August 1, 2001.

You will receive interest on August 1, 2001 from the date of initial issuance of the exchange notes, plus an amount equal to the accrued interest on the private notes from the date of issuance to the day preceding the date of exchange for exchange notes. We will deem the right to receive any interest accrued on the private notes waived by you if we accept your private notes for exchange.

PROCEDURES FOR TENDERING

You may tender private notes in the exchange offer only if you are a registered holder of private notes. To tender in the exchange offer, you must:

- complete, sign and date the letter of transmittal or a facsimile of the letter of transmittal;
- have the signatures guaranteed if required by the letter of transmittal; and

14

- mail or otherwise deliver the letter of transmittal or the facsimile to the exchange agent at the address listed below under "--Exchange Agent" for receipt before the expiration date.

In addition, either:

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

- the exchange agent must receive certificates for the private notes along with the letter of transmittal into its account at the depository pursuant to the procedure for book-entry transfer described below before the expiration date;
- the exchange agent must receive a timely confirmation of a book-entry transfer of the private notes, if the procedure is available, into its account at the depository pursuant to the procedure for book-entry transfer described below before the expiration date; or
- you must comply with the guaranteed delivery procedures described below.

Your tender, if not withdrawn before the expiration date, will constitute an agreement between you and us in accordance with the terms and subject to the conditions described in this prospectus and in the letter of transmittal.

THE METHOD OF DELIVERY OF PRIVATE NOTES AND THE LETTER OF TRANSMITTAL AND ALL OTHER REQUIRED DOCUMENTS TO THE EXCHANGE AGENT IS AT YOUR ELECTION AND RISK. WE RECOMMEND THAT INSTEAD OF DELIVERY BY MAIL, YOU USE AN OVERNIGHT OR HAND DELIVERY SERVICE, PROPERLY INSURED. IF YOU CHOOSE DELIVERY BY MAIL, WE RECOMMEND REGISTERED MAIL, RETURN RECEIPT REQUESTED, PROPERLY INSURED. IN ALL CASES, YOU SHOULD ALLOW SUFFICIENT TIME TO ASSURE DELIVERY TO THE EXCHANGE AGENT BEFORE THE EXPIRATION DATE. YOU SHOULD NOT SEND LETTERS OF TRANSMITTAL OR PRIVATE NOTES TO US. YOU MAY REQUEST YOUR RESPECTIVE BROKERS, DEALERS, COMMERCIAL BANKS, TRUST COMPANIES OR NOMINEES TO EFFECT THE TRANSACTIONS DESCRIBED ABOVE FOR YOU.

If you are a beneficial owner of private notes whose private notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and you wish to tender your notes, you should contact the registered holder promptly and instruct the registered holder to tender on your behalf. If you wish to tender on your own behalf, before completing and executing the letter of transmittal and delivering the private notes you must either:

- make appropriate arrangements to register ownership of the private notes in your name; or
- obtain a properly completed bond power from the registered holder.

The transfer of registered ownership may take considerable time. Unless the private notes are tendered:

(1) by a registered holder who has not completed the box entitled "Special Issuance Instructions" or the box entitled "Special Delivery Instructions" on the letter of transmittal; or

(2) for the account of:

- a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc.,
- a commercial bank or trust company having an office or correspondent in the United States; or
- an "eligible guarantor institution" within the meaning of Rule 17Ad-15 under the Exchange Act that is a member of one of the recognized signature guarantee programs identified in the letter of transmittal,

an eligible guarantor institution must guarantee the signatures on a letter of transmittal or a notice of withdrawal described below under "--Withdrawal of Tenders."

If the letter of transmittal is signed by a person other than the registered holder, the private notes must be endorsed or accompanied by a properly completed bond power, signed by the registered holder as the registered holder's name appears on the private notes.

If the letter of transmittal or any private notes or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, they should so indicate when signing, and unless waived by us, they must submit evidence satisfactory to us of their authority to so act with the letter of transmittal.

A tender will be deemed to have been received as of the date when the tendering holder's duly signed letter of transmittal accompanied by the unregistered notes tendered, or a timely confirmation received by a book-entry transfer of unregistered notes into the exchange agent's account at DTC with an agent's message, or a notice of guaranteed delivery from an eligible institution is received by the exchange agent. Issuances of exchange notes in exchange for unregistered notes tendered under a notice of guaranteed delivery by an eligible institution will be made only against delivery of the letter of transmittal, and any other required documents, and the tendered unregistered notes, or a timely confirmation received of a book-entry transfer of unregistered notes into the exchange agent's account at DTC with an agent's message, to the exchange agent.

The exchange agent and the depositary have confirmed that any financial institution that is a participant in the depositary's system may utilize the depositary's Automated Tender Offer Program to tender notes.

We will determine in our sole discretion all questions as to the validity, form, eligibility, including time of receipt, acceptance and withdrawal of tendered private notes, which determination will be final and binding. We reserve the absolute right to reject any and all private notes not properly tendered or any private notes our acceptance of which would, in the opinion of our counsel, be unlawful. We also reserve the right to waive any defects, irregularities or conditions of tender as to particular private notes. Our interpretation of the terms and conditions of the exchange offer, including the instructions in the letter of transmittal, will be final and binding on all parties. Unless waived, you must cure any defects or irregularities in connection with tenders of private notes within the time we determine. Although we intend to notify you of defects or irregularities with respect to tenders of private notes, neither we, the exchange agent nor any other person will incur any liability for failure to give you that notification. Unless waived, we will not deem tenders of private notes to have been made until you cure the defects or irregularities.

While we have no present plan to acquire any private notes that are not tendered in the exchange offer or to file a registration statement to permit resales of any private notes that are not tendered in the exchange offer, we reserve the right in our sole discretion to purchase or make offers for any private notes that remain outstanding after the expiration date. We also reserve the right to terminate the exchange offer, as described below under "--Conditions," and, to the extent permitted by applicable law, purchase private notes in the open market, in privately negotiated transactions or otherwise. The terms of any of those purchases or offers could differ from the terms of the exchange offer.

By tendering, you will be making several representations to us including that:

- (1) the exchange notes to be acquired by you are being acquired by you in

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

the ordinary course of your business;

- (2) you are not participating in, and do not intend to participate in, a distribution of the exchange notes;
- (3) you have no arrangement or understanding with any person to participate in the distribution of the exchange notes;

16

- (4) you satisfy specific requirements of your state's securities regulations;
- (5) if you are a broker-dealer or are participating in the exchange offer for the purposes of distributing the exchange notes, you will comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction of the exchange notes acquired by you and cannot rely on the position of the staff of the Securities and Exchange Commission set forth in no-action letters issued to third parties;
- (6) if you are a broker-dealer, you understand that a secondary resale transaction described in clause (5) above and any resales of exchange notes obtained by you in exchange for unregistered notes acquired by you directly from us should be covered by an effective registration statement containing the selling securityholder information required by Item 507 and Item 508, as applicable, of Regulation S-K under the Securities Act; and
- (7) you are not our affiliate as defined in Rule 405 under the Securities Act.

If you are a broker-dealer that will receive exchange notes for your own account in exchange for unregistered notes that were acquired as a result of market-making activities or other trading activities, you will also be required to acknowledge in the letter of transmittal that you will deliver a prospectus in connection with any resale of those exchange notes; however, by so acknowledging and by delivering a prospectus, you will not be deemed to admit that you are an underwriter within the meaning of the Securities Act.

RETURN OF PRIVATE NOTES

If we do not accept any tendered private notes for any reason described in the terms and conditions of the exchange offer or if you withdraw or submit private notes for a greater principal amount than you desire to exchange, we will return the unaccepted, withdrawn or non-exchanged notes without expense to you as promptly as practicable. In the case of private notes tendered by book-entry transfer into the exchange agent's account at the depository pursuant to the book-entry transfer procedures described below, we will credit the private notes to an account maintained with the depository as promptly as practicable.

BOOK-ENTRY TRANSFER

The exchange agent will make a request to establish an account with respect to the private notes at the depository for purposes of the exchange offer within two business days after the date of this prospectus, and any financial institution that is a participant in the depository's systems may make book-entry delivery of private notes by causing the depository to transfer the private notes into the exchange agent's account at the depository in accordance with the depository's procedures for transfer. However, although delivery of private notes may be effected through book-entry transfer at the depository, you must transmit and the exchange agent must receive, the letter of transmittal or

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

a facsimile of the letter of transmittal, with any required signature guarantees and any other required documents, at the address below under "--Exchange Agent" on or before the expiration date or pursuant to the guaranteed delivery procedures described below.

GUARANTEED DELIVERY PROCEDURES

If you wish to tender your private notes and (1) the notes are not immediately available or (2) you cannot deliver the private notes, the letter of transmittal or any other required documents to the exchange agent before the expiration date, you may effect a tender if:

- (a) the tender is made through an eligible guarantor institution;

17

- (b) before the expiration date, the exchange agent receives from the eligible guarantor institution a properly completed and duly executed notice of guaranteed delivery, substantially in the form provided by us, that:

- states your name and address, the certificate number(s) of the private notes and the principal amount of private notes tendered,
- states that the tender is being made by that notice of guaranteed delivery, and
- guarantees that, within three New York Stock Exchange trading days after the expiration date, the eligible guarantor institution will deposit with the exchange agent the letter of transmittal, together with the certificate(s) representing the private notes in proper form for transfer or a confirmation of a book-entry transfer, as the case may be, and any other documents required by the letter of transmittal; and

- (c) within five New York Stock Exchange trading days after the expiration date, the exchange agent receives a properly executed letter of transmittal, as well as the certificate(s) representing all tendered private notes in proper form for transfer and all other documents required by the letter of transmittal.

Upon request, the exchange agent will send to you a notice of guaranteed delivery if you wish to tender your notes according to the guaranteed delivery procedures described above.

WITHDRAWAL OF TENDERS

Except as otherwise provided in this prospectus, you may withdraw tenders of private notes at any time before 5:00 p.m., New York time, on the expiration date.

To withdraw a tender of private notes in the exchange offer, the exchange agent must receive a written or facsimile transmission notice of withdrawal at its address listed in this prospectus before the expiration date. Any notice of withdrawal must:

- specify the name of the person who deposited the private notes to be withdrawn;
- identify the private notes to be withdrawn, including the certificate number(s) and principal amount of the private notes;

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

- be signed in the same manner as the original signature on the letter of transmittal by which the private notes were tendered, including any required signature guarantees; and
- if applicable because the unregistered notes have been tendered under the book-entry procedures, specify the name and number of the participant's account at DTC to be credited, if different than that of the person having tendered the unregistered notes to be withdrawn.

We will determine in our sole discretion all questions as to the validity, form and eligibility of the notices, and our determination will be final and binding on all parties. We will not deem any properly withdrawn private notes to have been validly tendered for purposes of the exchange offer, and we will not issue exchange notes with respect to those private notes, unless you validly retender the withdrawn private notes. You may retender properly withdrawn private notes by following one of the procedures described above under "The Exchange Offer--Procedures for Tendering" at any time before the expiration date.

CONDITIONS

Notwithstanding any other term of the exchange offer, we will not be required to accept for exchange, or exchange the exchange notes for, any private notes, and may terminate the exchange offer as provided in this prospectus before the acceptance of the private notes, if, in our reasonable

18

judgment, the exchange offer violates applicable law, rules or regulations or an applicable interpretation of the staff of the SEC.

If we determine in our reasonable discretion that any of these conditions are not satisfied, we may:

- refuse to accept any private notes and return all tendered private notes to you;
- extend the exchange offer and retain all private notes tendered before the exchange offer expires, subject, however, to your rights to withdraw the private notes; or
- waive the unsatisfied conditions with respect to the exchange offer and accept all properly tendered private notes that have not been withdrawn.

If the waiver constitutes a material change to the exchange offer, we will promptly disclose the waiver by means of a prospectus supplement that we will distribute to the registered holders of the private notes, and we will extend the exchange offer for a period of five to ten business days, depending upon the significance of the waiver and the manner of disclosure to the registered holders, if the exchange offer would otherwise expire during the five to ten business day period.

TERMINATION OF RIGHTS

All of your rights under the registration rights agreement will terminate upon consummation of the exchange offer except with respect to our continuing obligations:

- to indemnify you and parties related to you against liabilities, including liabilities under the Securities Act;
- to provide, upon your request, the information required by

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

Rule 144A(d)(4) under the Securities Act to permit resales of the notes pursuant to Rule 144A;

- provide copies of the latest version of the prospectus to broker-dealers upon their request for a period of up to one year after the expiration date; and
- use our best efforts, under specific circumstances, to file a shelf registration statement and keep the registration statement effective to the extent necessary to ensure that it is available for resales of transfer restricted securities by broker-dealers for a period of up to two years.

SHELF REGISTRATION

If (1) applicable law or SEC policy does not permit the exchange offer or (2) you notify us before the 20th business day following the completion of the exchange offer that:

- you are prohibited by law or SEC policy from participating in the exchange offer;
- you may not resell the exchange notes acquired by you in the exchange offer to the public without delivering a prospectus, and the prospectus contained in the registration statement is not appropriate or available for resales by you; or
- you are a broker-dealer and hold notes acquired directly from us,

we will file with the SEC a shelf registration statement to register for public resale the transfer restricted securities held by you if you provide us with the necessary information for inclusion in the shelf registration statement.

For the purposes of the registration rights agreement, "transfer restricted securities" means each private note until the earliest date on which:

- the private note is exchanged in the exchange offer and entitled to be resold to the public without complying with the prospectus delivery requirements of the Securities Act;
- the private note is disposed of in accordance with the shelf registration statement;

19

- the private note is disposed of by a broker-dealer pursuant to the "Plan of Distribution" contemplated by the registration statement; or
- the private note is distributed to the public pursuant to Rule 144 under the Securities Act.

ADDITIONAL INTEREST

In the event of a registration default, as defined in the registration rights agreement, we will pay you liquidated damages in the form of additional interest that will accrue at a rate of 0.25% per annum during the 90-day period immediately following the occurrence of any such registration default and shall increase by 0.25% per annum at the end of each subsequent 90-day period until all such registration defaults have been cured, but in no event shall such rate exceed 0.50% per annum. Following the cure of all registration defaults, the accrual of liquidated damages will cease.

If, however, a transfer tax is imposed for any reason other than the exchange of the private notes pursuant to the exchange offer, then you must pay the amount of the transfer taxes. If you do not submit satisfactory evidence of payment of the taxes or exemption from payment with the letter of transmittal, we will bill the amount of the transfer taxes directly to you.

However, Property EBITDA should not be construed as an alternative to Income from operations (as an indicator of our operating performance) or to Cash flows from operating activities (as a measure of liquidity) as determined in accordance with generally accepted accounting principles and presented in our Consolidated Financial Statements. REGULATION AND LICENSING

The ownership and operation of casino gaming facilities are subject to extensive governmental regulation. Each of the jurisdictions in which we operate gaming facilities requires us to hold various licenses, findings of suitability, registrations, permits, and approvals (collectively, "Gaming Licenses"). Under the gaming laws of Nevada, New Jersey, Mississippi, Missouri, Louisiana, Illinois, Indiana, Arizona, Kansas and North Carolina, and our corporate charter, holders of our securities may be required, under certain circumstances, to dispose of the securities. If the holder refuses to do so, we may be required to repurchase the security. In addition, the management contracts and the operation of gaming and casinos on Indian land in the United States are subject to tribal ordinances and the Indian Gaming Regulatory Act, which is administered by the National Indian Gaming Commission.

Consequently, each holder of notes, by accepting any notes, will be deemed to have agreed to be bound by the requirements imposed by the gaming authority in any jurisdiction we, or any of our subsidiaries, conduct or propose to conduct gaming activities. See "Description of Notes--Mandatory Disposition Pursuant to Gaming Laws." In addition, under the indenture governing the notes, each holder and beneficial owner of notes, by accepting or otherwise acquiring an interest in any notes, will be deemed to have agreed to apply for a license, qualification, or finding of suitability as required by the gaming authorities in any jurisdiction in which we, or any of our subsidiaries, conduct or propose to conduct gaming activities. If a holder of notes fails to apply or become licensed or qualified or is found unsuitable, we shall have the right, at our option:

- to require the holder to dispose of its notes or beneficial interest therein within 30 days of receiving notice of our election or such earlier date as may be requested or prescribed by a gaming authority; or
- to redeem the notes at a redemption price equal to the lesser of (1) the holder's cost or (2) 100% of the principal amount thereof, plus accrued and unpaid interest to the earlier of the redemption date and the date of the finding of unsuitability, which may be less than 30 days following the

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

notice of redemption if so requested or prescribed by the gaming authority.

We will not be responsible for any costs or expenses incurred by any such holder or beneficial owner in connection with its application for a license, qualification or finding of suitability. Harrah's Operating's charter also expressly provides that debt securities issued by Harrah's Operating may be redeemed if a holder of such securities is found unsuitable by any governmental agency.

The Nevada Gaming Commission, the New Jersey Casino Control Commission, the Mississippi Gaming Commission, the Missouri Gaming Commission, the Louisiana Gaming Control Board, the Illinois Gaming Board and the Indiana Gaming Commission may also, among other things, limit, condition, suspend or revoke a Gaming License or approval to own the stock or joint venture interests of any of our operations in such licensing authority's jurisdiction, for any cause deemed reasonable by such licensing authority. Substantial fines or forfeiture of assets for violations of gaming laws or regulations may be levied against us, such subsidiaries and joint ventures and the persons involved. The suspension or revocation of any of our Gaming Licenses or the levy on us of substantial fines or forfeiture of assets could have a material adverse effect on our business. Additionally, Indiana requires approval of any debt transaction involving more than \$1,000,000.

Under Nevada and Mississippi law, we may not make a public offering of our securities without the prior approval of the applicable gaming commission if we intend to use the offering proceeds to construct, acquire or finance a gaming facility, or retire or extend existing obligations incurred for such purposes. On November 20, 2000, the Nevada Gaming Commission granted Harrah's Entertainment and Harrah's Operating prior approval to make offerings for a period of two years, subject to certain conditions. The Chairman of the Nevada State Gaming Control Board may rescind its approval for good cause without prior notice upon the issuance of an interlocutory stop order. These prior approvals

25

do not constitute a finding, recommendation or approval by the Nevada Gaming Commission or the Nevada State Gaming Control Board as to the accuracy or adequacy of this prospectus, or the investment merits of the notes. Any representation to the contrary is unlawful. The Company received a similar two-year approval from the Mississippi Gaming Commission on August 19, 1999.

To date, we have obtained all Gaming Licenses necessary for the operation of our gaming activities. Gaming Licenses and related approvals, however, are deemed to be privileges under the laws of the jurisdictions in which we conduct gaming activities, and no assurances can be given that any new Gaming Licenses that may be required in the future will be granted or that existing Gaming Licenses will not be revoked or suspended.

The foregoing is only a summary of the applicable regulatory requirements. For a more detailed description of the applicable regulatory requirements, including requirements under gaming laws and our corporate charter, see "Governmental Regulation" in Harrah's Entertainment's Annual Report on Form 10-K for the year ended December 31, 2000, incorporated by reference herein.

DESCRIPTION OF NOTES

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

GENERAL

The notes will be issued pursuant to an indenture among Harrah's Operating, Harrah's Entertainment and Bank One Trust Company, N.A., as trustee. The notes will mature on February 1, 2011, referred to as the "Maturity Date." Harrah's Operating will issue the notes in fully registered book-entry form only, without coupons, in denominations of \$1,000 and integral multiples thereof. Each note will bear interest at the rate of 8.00% from January 29, 2001 or from the most recent interest payment date to which interest has been paid or provided for, payable semiannually on February 1 and August 1 of each year (each, an "Interest Payment Date"), commencing August 1, 2001, to the persons in whose names such notes are registered at the close of business on the date fifteen days prior to such Interest Payment Date.

If any Interest Payment Date, date of redemption (the "Redemption Date") or Maturity Date of any of the notes is not a business day, then payment of principal, premium, if any, and interest will be made on the next succeeding business day. No interest will accrue on the amount so payable for the period from such Interest Payment Date, Redemption Date or Maturity Date, as the case may be, to the date payment is made. Interest on the notes will be computed on the basis of a 360-day year of twelve 30-day months.

The notes will not be entitled to the benefit of any sinking fund.

The notes will be unsecured senior Obligations of Harrah's Operating that will rank on a parity with all other unsecured senior Indebtedness of Harrah's Operating from time to time outstanding.

We may from time to time without notice to, or the consent of, the holders of a series of senior securities, create and issue additional notes, equal in rank to the notes offered hereby in all respects (or in all respects except for the payment of interest accruing prior to the issue date of the new notes or except for the first payment of interest following the issue date of the new notes) so that the new notes may be consolidated and form a single series of notes with the notes offered hereby and have the same terms as to status, redemption or otherwise as the notes offered hereby. In the event that we issue additional senior notes, we will prepare a new offering memorandum or prospectus.

OPTIONAL REDEMPTION

The notes are redeemable, in whole or in part, at any time, and at our option, at a redemption price equal to the greater of:

- 100% of the principal amount of notes then outstanding, or
- the sum of the present values of the remaining scheduled payments of principal and interest thereon (not including any portion of such payments of interest accrued as of the Redemption Date) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 25 basis points, as calculated by an Independent Investment Banker.

plus, in either of the above cases, accrued and unpaid interest thereon to the Redemption Date.

"Adjusted Treasury Rate" means, with respect to any Redemption Date:

- the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated "H.15(519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption "Treasury Constant Maturities," for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or

27

after the Remaining Life, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Adjusted Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding to the nearest month); or

- if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

The Adjusted Treasury Rate shall be calculated on the third business day preceding the Redemption Date.

"Comparable Treasury Issue" means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such securities ("Remaining Life").

"Comparable Treasury Price" means (1) the average of five Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Independent Investment Banker obtains fewer than five such Reference Treasury Dealer Quotations, the average of all such quotations.

"Independent Investment Banker" means one of the Reference Treasury Dealers appointed by us.

"Reference Treasury Dealer" means:

- each of Salomon Smith Barney and the other initial purchasers and their respective successors; provided that, if any of the foregoing ceases to be a primary U.S. Government securities dealer in New York City (a "Primary Treasury Dealer"), we will substitute another Primary Treasury Dealer; and
- any other Primary Treasury Dealer selected by us.

"Reference Treasury Dealer Quotations" means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker at 5:00 p.m., New York City time, on the third business day preceding such Redemption Date.

We will mail a notice of redemption at least 30 days but not more than 60 days before the Redemption Date to each holder of notes to be redeemed. If we elect to partially redeem the notes, the trustee will select in a fair and appropriate manner the notes to be redeemed.

Unless we default in payment of the redemption price, on and after the Redemption Date, interest will cease to accrue on the notes or portions thereof called for redemption.

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

MERGER, CONSOLIDATION OR SALE OF ASSETS

Neither Harrah's Operating nor Harrah's Entertainment may consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to another corporation, person or entity unless:

- in the case of a merger or consolidation, Harrah's Operating or Harrah's Entertainment, as the case may be, is the surviving person, or

28

- the successor or transferee is a corporation organized under the laws of any U.S. domestic jurisdiction and expressly assumes, by supplemental indenture, our obligations under the debt securities and the indenture; and

immediately after giving effect to the transaction, no default or Event of Default shall exist under the indenture.

EVENTS OF DEFAULT

"Event of Default" means with respect to the notes, any of the following:

- failure to pay principal of any notes when due and payable at maturity, upon redemption or otherwise or failure to deposit a sinking fund payment when and as due in respect of any notes;
- failure to pay any interest on any notes when due, and such default continues for 30 days;
- default in the performance or breach of any other covenant or warranty of Harrah's Operating or Harrah's Entertainment in the indenture, which default continues uncured for a period of 60 days after Harrah's Operating receives written notice from the trustee or Harrah's Operating and the trustee receive written notice from the holders of at least 25% in principal amount of the outstanding notes as provided in the indenture;
- certain events of bankruptcy, insolvency or reorganization; and
- the acceleration of the maturity of any Indebtedness of Harrah's Operating (other than Non-recourse Indebtedness), at any one time, in an amount in excess of the greater of (1) \$25 million and (2) 5% of the Consolidated Net Tangible Assets, if such acceleration is not annulled within 30 days after Harrah's Operating receives written notice from the trustee and the holders of at least 25% in principal amount of the outstanding notes.

"Non-recourse Indebtedness" means indebtedness with terms providing that the lender's claim for repayment of that indebtedness is limited solely to a claim against the property that secures the indebtedness.

"Consolidated Net Tangible Assets" means the total amount of assets (including investments in joint ventures) of Harrah's Operating and its subsidiaries (less applicable depreciation, amortization and other valuation reserves) after deducting therefrom:

- all of Harrah's Operating's and its subsidiaries' current liabilities, excluding (1) the current portion of long-term indebtedness, (2) intercompany liabilities and (3) any liabilities which are by their terms renewable or extendable at the option of the obligor to a time more than 12 months from the time as of which the amount thereof is being computed; and

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

- all goodwill, trade names, trademarks, patents, unamortized debt discount and any other like intangibles, all as set forth on the consolidated balance sheet of Harrah's Operating for the most recently completed fiscal quarter for which financial statements are available and computed in accordance with generally accepted accounting principles.

If an Event of Default with respect to notes (other than an Event or Default relating to certain events of bankruptcy, insolvency or reorganization) occurs and is continuing, either the trustee or the holders of at least 25% in principal amount of the outstanding notes may, by a notice as provided in the indenture, declare the unpaid principal amount of, and any accrued and unpaid interest on, all notes to be due and payable immediately. However, at any time after a declaration of acceleration with respect to notes has been made, but before the trustee obtains a judgment or decree based on that acceleration, the holders of a majority in principal amount of the outstanding notes may, under certain circumstances, rescind and annul that acceleration. For information regarding waiver of defaults, see "Modification and Waiver" below.

29

The indenture will provide that, subject to the trustee's duty to act with the required standard of care during an Event of Default, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request of any of the holders, unless such holders offer the trustee reasonable security or indemnity. Subject to certain provisions of the indenture, including those entitling the trustee to receive security and indemnification, the holders of a majority in principal amount of the outstanding notes will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the notes.

The indenture requires that we furnish annually to the trustee a statement as to our performance of our obligations under the indenture and as to any default in such performance.

MODIFICATION AND WAIVER

We generally may amend the indenture or the notes with the written consent of the holders of a majority in principal amount of the outstanding notes. The holders of a majority in principal amount of the outstanding notes may also waive our compliance in a particular instance with any provision of the indenture with respect to the notes. We must obtain the consent of each holder of notes affected by a particular amendment or waiver, however, if such amendment or waiver:

- reduces the percentage of the principal amount of notes whose holders must consent to an amendment or waiver;
- reduces the rate of or changes the time for payment of interest, including default interest, on the notes;
- reduces the principal of or premium on, or changes the fixed maturity of, any notes or reduces the amount of, or postpones the date fixed for, redemption or the payment of any sinking fund or analogous obligation with respect to any notes;
- reduces the principal amount of discount securities payable upon acceleration of maturity;
- makes the principal of or premium or interest on any notes payable in currency other than that stated in the notes;

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

- makes any change to provisions of the indenture concerning waivers of defaults or Events of Default by holders or the rights of holders of notes to recover the principal of, premium or interest on those notes; or
- waives a default in the payment of the principal of or interest on any notes, except as otherwise provided in the indenture.

We may amend the indenture or the notes without notice to or the consent of any holder of a debt security:

- to cure any ambiguity, defect or inconsistency;
- to comply with the indenture's provisions with respect to successor corporations;
- to comply with any requirements of the SEC in connection with the qualification of the indenture under the Trust Indenture Act of 1939, as amended;
- to provide for certificated or unregistered notes and to make all appropriate changes for such purpose;
- to add to, change or eliminate any of the provisions of the indenture in respect of one of more series of notes, provided, however, that any such addition, change or elimination (A) (1) does not apply to any notes created prior to the execution of such amendment and entitled to the

30

benefit of such provision, and (2) does not modify the rights of a holder of any such notes with respect to such provision, or (B) becomes effective only when there are no outstanding notes created prior to such amendment and entitled to the benefit of such provision;

- to make any change that does not adversely affect in any material respect the interest of any holder of notes; or
- to issue additional notes as permitted by the indenture.

The holders of a majority in principal amount of the outstanding notes, by notice to the trustee, may waive any existing default or Event of Default and its consequences with respect to the notes other than a default or Event of Default in the payment of the principal of or any interest on any notes; PROVIDED, HOWEVER, that the holders of a majority in principal amount of the outstanding notes may rescind an acceleration and its consequences, including any related payment default that resulted from the acceleration.

ADDITIONAL COVENANTS OF HARRAH'S OPERATING

LIMITATION ON LIENS

Neither Harrah's Operating nor any of its Subsidiaries may issue, assume or guarantee any Indebtedness secured by a Lien upon any Consolidated Property or on any Indebtedness or shares of capital stock of, or other ownership interests in, any Subsidiaries (regardless of whether the Consolidated Property, Indebtedness, capital stock or ownership interests were acquired before or after the date of the Indenture) without effectively providing that the notes shall be secured equally and ratably with (or prior to) such Indebtedness so long as such Indebtedness shall be so secured, except that this restriction will not apply to:

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

(1) Liens existing on the date of original issuance of the notes;

(2) Liens affecting property of a corporation or other entity existing at the time it becomes a Subsidiary of Harrah's Operating or at the time it is merged into or consolidated with Harrah's Operating or a Subsidiary of Harrah's Operating;

(3) Liens on property existing at the time of acquisition thereof or to secure Indebtedness incurred prior to, at the time of, or within 24 months after the acquisition for the purpose of financing all or part of the purchase price thereof;

(4) Liens on any property to secure all or part of the cost of improvements or construction thereon or Indebtedness incurred to provide funds for such purpose in a principal amount not exceeding the cost of such improvements or construction;

(5) Liens which secure Indebtedness owing by a Subsidiary of Harrah's Operating to Harrah's Operating or to a Subsidiary of Harrah's Operating;

(6) Liens securing Indebtedness of Harrah's Operating the proceeds of which are used substantially simultaneously with the incurrence of such Indebtedness to retire Funded Debt;

(7) purchase money security Liens on personal property;

(8) Liens securing Indebtedness of Harrah's Operating or any of its Subsidiaries the proceeds of which are used within 24 months of the incurrence of such Indebtedness for the cost of the construction and development or improvement of property of Harrah's Operating or any of its Subsidiaries;

(9) Liens on the stock, partnership or other equity interest of Harrah's Operating or any of its Subsidiaries in any Joint Venture or any such Subsidiary which owns an equity interest in such Joint

31

Venture to secure Indebtedness, provided the amount of such Indebtedness is contributed and /or advanced solely to such Joint Venture;

(10) Liens to government entities, including pollution control or industrial revenue bond financing;

(11) Liens required by any contract or statute in order to permit Harrah's Operating or a Subsidiary of Harrah's Operating to perform any contract or subcontract made by it with or at the request of a governmental entity;

(12) mechanic's, materialman's, carrier's or other like Liens, arising in the ordinary course of business;

(13) Liens for taxes or assessments and similar charges;

(14) zoning restrictions, easements, licenses, covenants, reservations, restrictions on the use of real property and certain other minor irregularities of title; and

(15) any extension, renewal, replacement or refinancing of any Indebtedness secured by a Lien permitted by any of the foregoing clauses (1) through (14).

Notwithstanding the foregoing, Harrah's Operating and any one or more of its Subsidiaries may, without securing the notes, issue, assume or guarantee Indebtedness which would otherwise be subject to the foregoing restrictions in

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

an aggregate principal amount which, together with all other such Indebtedness of Harrah's Operating and its Subsidiaries which would otherwise be subject to the foregoing restrictions (not including Indebtedness permitted by the preceding paragraph) and the aggregate Value of Sale and Lease-Back Transactions (other than those in connection with which Harrah's Operating has voluntarily retired Funded Debt) does not at any one time exceed 15% of Consolidated Net Tangible Assets of Harrah's Operating and its consolidated Subsidiaries.

LIMITATION ON SALE AND LEASE-BACK TRANSACTIONS

Neither Harrah's Operating nor any of its Subsidiaries will enter into any Sale and Lease-Back Transaction unless either (1) Harrah's Operating or such Subsidiary would be entitled, pursuant to the above provisions, to incur Indebtedness in a principal amount equal to or exceeding the Value of such Sale and Lease-Back Transaction, secured by a Lien on the property to be leased, without equally and ratably securing the notes or (2) Harrah's Operating within 120 days after the effective date of such Sale and Lease-Back Transaction applies to the voluntary retirement of its Funded Debt an amount equal to the Value of the Sale and Lease-Back Transaction (subject to credits for certain voluntary retirements of Funded Debt).

GUARANTEE OF NOTES

Harrah's Entertainment will irrevocably and unconditionally guarantee, on an unsecured senior basis, the payment of all obligations of Harrah's Operating under the notes. If Harrah's Operating defaults in the payment of the principal of, premium, if any, or interest on such notes when and as the same shall become due, whether upon maturity, acceleration, call for redemption or otherwise, without the necessity of action by the trustee or any holder of such notes, Harrah's Entertainment shall be required promptly and fully to make such payment. The indenture provides for the release of Harrah's Entertainment as guarantor of the notes in certain circumstances, including circumstances in which:

- Harrah's Operating ceases to be a wholly owned subsidiary of Harrah's Entertainment; or
- Harrah's Operating transfers all or substantially all of its assets to, or merges with, another entity in a transaction governed by the "Merger, Consolidation or Sale of Assets" covenant in the indenture, and (1) such transferee entity assumes Harrah's Operating's obligations under the

32

indenture and (2) such transfer or merger otherwise complies with the requirements of such covenant.

Harrah's Entertainment conducts substantially all of its business through Harrah's Operating and its subsidiaries and does not own any material assets other than the common stock of Harrah's Operating. As such, Harrah's Entertainment is dependent on the receipt of dividends or other payments from Harrah's Operating to make payments on the guarantee of the notes. Our credit facility imposes restrictions on Harrah's Operating's ability to pay dividends to Harrah's Entertainment.

LIMITED LIABILITY OF CERTAIN PERSONS

None of the past, present or future stockholders, incorporators, employee officers or directors, as such, of Harrah's Operating, Harrah's Entertainment or any of our affiliates or successor corporations shall have any personal liability in respect of our obligations under the indenture or the debt securities by reason of his, her or its status as such stockholder,

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

incorporator, employee officer or director.

MANDATORY DISPOSITION PURSUANT TO GAMING LAWS

Federal, state and local authorities in several jurisdictions regulate extensively our casino entertainment operations. The nature of such regulation is described in detail in "Business and Properties--Governmental Regulation" in the 1999 Form 10-K of Harrah's Entertainment, which we have incorporated by reference herein. The gaming authority of any jurisdiction in which we or any of our subsidiaries conduct or propose to conduct gaming may require that a holder of the notes or the beneficial owner of the notes of a holder be licensed, qualified or found suitable under applicable gaming laws. Under the indenture, each person that holds or acquires beneficial ownership of any of the notes shall be deemed to have agreed, by accepting such notes, that if any such gaming authority requires such person to be licensed, qualified or found suitable under applicable gaming laws, such holder or beneficial owner, as the case may be, shall apply for a license, qualification or a finding of suitability within the required time period.

If a person required to apply or become licensed or qualified or be found suitable fails to do so, we shall have the right, at our election, (1) to require such person to dispose of its notes or beneficial interest therein within 30 days of receipt of notice of such election or such earlier date as may be requested or prescribed by such gaming authority or (2) to redeem such notes at a redemption price equal to the lesser of:

- such person's cost, or
- 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the earlier of (1) the redemption date or (2) the date of the finding of unsuitability, which may be less than 30 days following the notice of redemption if so requested or prescribed by the applicable gaming authority. We will notify the trustee in writing of any such redemption as soon as practicable. We will not be responsible for any costs or expenses any such holder may incur in connection with its application for a license, qualification or a finding of suitability. Under the indenture, the trustee must report the names of the record holders of the notes to any gaming authority when required by law.

NO PROTECTION IN THE EVENT OF A CHANGE OF CONTROL

The notes do not contain any provisions which may afford holders of the notes protection in the event either Harrah's Operating or Harrah's Entertainment has a change of control or in the event of a highly leveraged transaction (whether or not such transaction results in a change in control) which could adversely affect holders of the notes.

33

DEFEASANCE OF DEBT SECURITIES AND CERTAIN COVENANTS IN CERTAIN CIRCUMSTANCES

DEFEASANCE AND DISCHARGE

The indenture provides that we may be discharged from any and all obligations in respect of the notes, except for certain obligations to pay additional amounts, if any, upon the occurrence of certain tax, assessment or governmental charge events with respect to payments on such notes, to register the transfer or exchange of notes, to replace stolen, lost or mutilated notes, to maintain paying agencies and to hold money for payment in trust. We will be so discharged when we:

- deposit with the trustee money and/or government obligations that, through

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

the payment of interest and principal in accordance with their terms, will provide money in an amount sufficient in the opinion of a nationally recognized firm of independent public accountants to pay each installment of principal, premium and interest on, and any mandatory sinking fund payments in respect of, the notes on the dates such payments are due; and

- deliver to the trustee an opinion of counsel or a ruling from the United States Internal Revenue Service (an "IRS Ruling"), in either case to the effect that holders of the notes will not recognize income, gain or loss for United States federal income tax purposes as a result of the deposit, defeasance and discharge.

DEFEASANCE OF CERTAIN COVENANTS

The indenture provides that, unless otherwise provided by the terms of the notes, upon compliance with certain conditions:

- we may omit to comply with certain restrictive covenants contained in the indenture, and
- any omission to comply with such obligations will not constitute a default or Event of Default with respect to the notes ("covenant defeasance").

The conditions require, among others, that we:

- deposit with the trustee money and/or government obligations that, through the payment of interest and principal in respect thereof in accordance with their terms, will provide money in an amount sufficient in the opinion of a nationally recognized firm of independent public accountants to pay each installment of principal, premium and interest on, and any mandatory sinking fund payments in respect of, the notes on the dates such payments are due; and
- deliver to the trustee an opinion of counsel or an IRS Ruling, in either case to the effect that holders of the notes will not recognize income, gain or loss for United States federal income tax purposes as a result of the deposit, defeasance and discharge.

CERTAIN DEFINITIONS

"Affiliate" of any specified person means any other person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified person. For the purposes of this definition, "control," including, with correlative meanings, the terms "controlled by" and "under common control with," as used with respect to any person, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such person, whether through the ownership of voting securities or by agreement or otherwise.

"Consolidated Property" means any property of Harrah's Operating or any of its Subsidiaries.

"Currency Agreement" means any foreign exchange contract, currency swap agreement or other similar agreement or arrangement.

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

"Indebtedness" of any person means (1) any indebtedness of such person, contingent or otherwise, in respect of borrowed money (whether or not the recourse of the lender is to the whole of the assets of such person or only to a portion thereof), or evidenced by notes, bonds, debentures or similar instruments or letters of credit, or representing the balance deferred and unpaid of the purchase price of any property, including any such indebtedness incurred in connection with the acquisition by such person or any of its Subsidiaries of any other business or entity, if and to the extent such indebtedness would appear as a liability upon a balance sheet of such person prepared in accordance with generally accepted accounting principles, including for such purpose obligations under capitalized leases, and (2) any guarantee, endorsement (other than for collection or deposit in the ordinary course of business), discount with recourse, agreement (contingent or otherwise) to purchase, repurchase or otherwise acquire or to supply or advance funds with respect to, or to become liable with respect to (directly or indirectly) any indebtedness, obligation, liability or dividend of any person, but shall not include indebtedness or amounts owed for compensation to employees, or for goods or materials purchased, or services utilized, in the ordinary course of business of such person. Notwithstanding anything to the contrary in the foregoing, "Indebtedness" shall not include (1) any contracts providing for the completion of construction or other payment or performance with respect to the construction, maintenance or improvement of, or payment of taxes, revenue share payments or other fees to governmental entities with respect to, property or equipment of Harrah's Operating or its Affiliates or (2) any contracts providing for the obligation to advance funds, property or services on behalf of an Affiliate of Harrah's Operating in order to maintain the financial condition of such Affiliate. For purposes of this definition of Indebtedness, a "capitalized lease" shall be deemed to mean a lease of real or personal property which, in accordance with generally accepted accounting principles, is required to be capitalized, and an Affiliate shall be deemed to include Jazz Holding Company, a Delaware corporation in which Harrah's Operating indirectly owns a minority interest, and each of its Affiliates.

"Interest Rate Agreement" means any interest rate protection agreement, interest rate future agreement, interest rate option agreement, interest rate swap agreement, interest rate cap agreement, interest rate collar agreement, interest rate hedge agreement, option or future contract or other similar agreement or arrangement.

"Joint Venture" means any partnership, corporation or other entity, in which up to and including 50% of the partnership interests, outstanding voting stock or other equity interests is owned, directly or indirectly, by Harrah's Operating and/or one or more of its Subsidiaries.

"Lien" means any mortgage, pledge, hypothecation, assignment, deposit, arrangement, encumbrance, security interest, lien (statutory or otherwise), or preference, priority or other security or similar agreement or preferential arrangement of any kind or nature whatsoever (including, without limitation, any conditional sale or other title retention agreement having substantially the same economic effect as any of the foregoing).

"Obligations" means any principal, interest, premium, if any, penalties, fees, indemnifications, reimbursements, damages or other liabilities or amounts payable under the documentation governing or otherwise in respect of any Indebtedness.

"Sale and Lease-Back Transaction" means any arrangement with a person (other than Harrah's Operating or any of its Subsidiaries), or to which any such person is a party, providing for the leasing to Harrah's Operating or any of its Subsidiaries for a period of more than three years of any Consolidated Property which has been or is to be sold or transferred by Harrah's Operating or any of its Subsidiaries to such person or to any other person (other than Harrah's

"Subsidiary" of any specified person means any corporation of which at least a majority of the outstanding stock having by the terms thereof ordinary voting power for the election of directors of such corporation (irrespective of whether or not at the time stock of any other class or classes of such corporation shall have or might have voting power by reason of the happening of any contingency) is at the time directly or indirectly owned by such person, or by one or more other Subsidiaries, or by such person and one or more other Subsidiaries.

"Value" means, with respect to a Sale and Lease-Back Transaction, as of any particular time, the amount equal to the greater of (1) the net proceeds of the sale or transfer of property leased pursuant to such Sale and Lease-Back Transaction or (2) the fair value, in the opinion of Harrah's Operating's Board of Directors as evidenced by a board resolution, of such property at the time of entering into such Sale and Lease-Back Transaction.

BOOK-ENTRY, DELIVERY AND FORM

The notes are being offered and sold within the United States to qualified institutional buyers in reliance on Rule 144A ("Rule 144A Notes") and to institutional "accredited investors" within the meaning of Rule 501(a)(1), (2), (3) or (7) of Regulation D of the Securities Act. Notes also may be offered and sold in offshore transactions in reliance on Regulation S ("Regulation S Notes"). Except as set forth below, notes will be issued in registered, global form in minimum denominations of \$1,000 and integral multiples of \$1,000 in excess thereof. Notes will be issued at the closing of this offering only against payment in immediately available funds.

Rule 144A Notes initially will be represented by one or more notes in registered, global form without interest coupons (collectively, the "Rule 144A Global Notes"). Notes purchased by institutional "accredited investors" (as defined in "Notice to Investors" below) that are not qualified institutional buyers will be represented by notes in definitive form registered in the names of such institutional accredited investors. Such institutional accredited investors may not elect to hold the Notes through the The Depository Trust Company ("DTC"). Regulation S Notes initially will be represented by one or more notes in registered, global form without interest coupons (collectively, the "Regulation S Global Notes" and, together with the Rule 144A Global Notes, the "Global Notes"). The Global Notes will be deposited upon issuance with the Trustee as custodian for DTC, in New York, New York, and registered in the name of DTC or its nominee, in each case for credit to an account of a direct or indirect participant in DTC as described below. Through and including the 40th day after the later of the commencement of this offering and the closing of this offering (such period through and including such 40th day, the "Restricted Period"), beneficial interests in the Regulation S Global Notes may be held only through the Euroclear System ("Euroclear") and Clearstream, Luxembourg ("Clearstream") (as indirect participants in DTC), unless transferred to a person that takes delivery through a Rule 144A Global Note in accordance with the certification requirements described below. Beneficial interests in the Rule 144A Global Notes may not be exchanged for beneficial interests in the Regulation S Global Notes at any time except in the limited circumstances described below. See "--Exchanges Between Regulation S Notes and Rule 144A Notes."

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for notes in certificated form except in the limited circumstances described below. See "--Exchange of Global Notes for Certificated Notes." Except in the limited circumstances described below, owners of beneficial interests in the Global Notes will not be entitled to receive physical delivery of notes in certificated form.

36

Rule 144A Notes (including beneficial interests in the Rule 144A Global Notes) will be subject to certain restrictions on transfer and will bear a restrictive legend as described under "Notice to Investors." Regulation S Notes will also bear the legend as described under "Notice to Investors." In addition, transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and Clearstream), which may change from time to time.

DEPOSITORY PROCEDURES

The following description of the operations and procedures of DTC, Euroclear and Clearstream are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. We take no responsibility for these operations and procedures and urge investors to contact the system or their participants directly to discuss these matters.

DTC has advised the us that it is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the "Participants") and to facilitate the clearance and settlement of transactions in those securities between Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the Initial Purchaser), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the "Indirect Participants"). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised us that, pursuant to procedures established by it: upon deposit of the Global Notes, DTC will credit the accounts of Participants designated by the initial purchasers with portions of the principal amount of the Global Notes; and ownership of these interests in the Global Notes will be shown on, and the transfer of ownership thereof will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interest in the Global Notes).

Investors in the Rule 144A Global Notes who are Participants in DTC's system may hold their interests therein directly through DTC. Investors in the Rule 144A Global Notes who are not Participants may hold their interests therein indirectly through organizations (including Euroclear and Clearstream) which are Participants in this system. Investors in the Regulation S Global Notes must initially hold their interests therein through Euroclear or Clearstream, if they are participants in these systems, or indirectly through organizations that are

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

participants in those systems. After the expiration of the Restricted Period (but not earlier), investors may also hold interests in the Regulation S Global Notes through Participants in the DTC system other than Euroclear and Clearstream. Euroclear and Clearstream will hold interests in the Regulation S Global Notes on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositories, which are Morgan Guaranty Trust Company of New York, Brussels office, as operator of Euroclear, and Citibank, N.A., and Chase Manhattan Bank, N.A., as operators of Clearstream. All interests in a Global Note, including those held through Euroclear or Clearstream, may be subject to the procedures and requirements of DTC. Those interests held through Euroclear or Clearstream may also be subject to the procedures and requirements of these systems. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer beneficial interests in a Global Note to these Persons will be limited to that extent. Because DTC can act only on behalf of Participants, which in turn act on behalf of Indirect Participants, the ability of a Person having beneficial interests in a Global Note to pledge interests to Persons that do

37

not participate in the DTC system, or otherwise take actions in respect of these interests, may be affected by the lack of a physical certificate evidencing these interests.

EXCEPT AS DESCRIBED BELOW, OWNERS OF INTERESTS IN THE GLOBAL NOTES WILL NOT HAVE NOTES REGISTERED IN THEIR NAMES, WILL NOT RECEIVE PHYSICAL DELIVERY OF NOTES IN CERTIFICATED FORM AND WILL NOT BE CONSIDERED THE REGISTERED OWNERS OR HOLDERS THEREOF UNDER THE INDENTURE FOR ANY PURPOSE.

Payments in respect of the principal of, and interest and premium and liquidated damages, if any, on a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered holder under the indenture. Under the terms of the indenture, Harrah's Operating, Harrah's Entertainment and the Trustee will treat the persons in whose names the notes, including the Global Notes, are registered as the owners thereof for the purpose of receiving payments and for all other purposes. Consequently, none of Harrah's Operating, Harrah's Entertainment, the Trustee or any of their respective agents has or will have any responsibility or liability for:

- any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interest in the Global Notes or for maintaining, supervising or reviewing any of DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in the Global Notes; or
- any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

DTC has advised us that its current practice, upon receipt of any payment in respect of securities such as the notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe it will not receive payment on the payment date. Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the Participants and the Indirect Participants to the beneficial owners of notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the Trustee or the Issuers. Neither Harrah's Operating and Harrah's Entertainment nor the Trustee will be liable for any delay by DTC

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

or any of its Participants in identifying the beneficial owners of the notes, and Harrah's Operating, Harrah's Entertainment and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Subject to the transfer restrictions set forth under "Notice to Investors," transfers between Participants in DTC will be effected in accordance with DTC's procedures, and will be settled in same-day funds, and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures.

Subject to compliance with the transfer restrictions applicable to the notes described herein, cross-market transfers between the Participants in DTC, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by its respective depository; however, these cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in the system in accordance with the rules and procedures and within the established deadlines (Brussels time) of that system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depository to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant Global Note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised the Issuers that it will take any action permitted to be taken by a holder of notes only at the direction of one or more Participants to whose account DTC has credited the interests in

38

the Global Notes and only in respect of such portion of the aggregate principal amount of the notes as to which the Participant or Participants has or have given such direction. However, if there is an Event of Default under the notes, DTC reserves the right to exchange the Global Notes for legended notes in certificated form, and to distribute these notes to its Participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the Rule 144A Global Notes and the Regulation S Global Notes among participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform those procedures, and may discontinue those procedures at any time. Neither the Issuer nor the Trustee nor any of their respective agents will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

EXCHANGE OF GLOBAL NOTES FOR CERTIFICATED NOTES

A Global Note is exchangeable for definitive notes in registered certificated form ("Certificated Notes") if:

- DTC (1) notifies the Issuer that it is unwilling or unable to continue as depository for the Global Notes and the Issuers fail to appoint a successor depository or (2) has ceased to be a clearing agency registered under the Exchange Act;
- the Issuers, at their option, notify the Trustee in writing that they elect to cause the issuance of the Certificated Notes; or

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

- there has occurred and is continuing a Default or Event of Default with respect to the notes.

In addition, beneficial interests in a Global Note may be exchanged for Certificated Notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the indenture. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests in Global Notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depository (in accordance with its customary procedures) and will bear the applicable restrictive legend referred to in "Notice to Investors," unless that legend is not required by applicable law.

EXCHANGE OF CERTIFICATED NOTES FOR GLOBAL NOTES

Certificated Notes may not be exchanged for beneficial interests in any Global Note unless the transferor first delivers to the Trustee a written certificate (in the form provided in the indenture) to the effect that the transfer will comply with the appropriate transfer restrictions applicable to these notes. See "Notice to Investors."

EXCHANGES BETWEEN REGULATION S NOTES AND RULE 144A NOTES

Prior to the expiration of the Restricted Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in the Rule 144A Global Note only if:

- the exchange occurs in connection with a transfer of the notes pursuant to Rule 144A; and
- the transferor first delivers to the Trustee a written certificate (in the form provided in the indenture) to the effect that the notes are being transferred to a person:
- who the transferor reasonably believes to be a qualified institutional buyer within the meaning of Rule 144A;
- purchasing for its own account or the account of a qualified institutional buyer in a transaction meeting the requirements of Rule 144A; and

39

- in accordance with all applicable securities laws of the states of the United States and other jurisdictions.

Beneficial interests in a Rule 144A Global Note may be transferred to a person who takes delivery in the form of an interest in the Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate (in the form provided in the Indenture) to the effect that the transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available) and that, if the transfer occurs prior to the expiration of the Restricted Period, the interest transferred will be held immediately thereafter through Euroclear or Clearstream.

Transfers involving exchanges of beneficial interests between the Regulation S Global Notes and the Rule 144A Global Notes will be effected in DTC by means of an instruction originated by the Trustee through the DTC Deposit/Withdraw at Custodian system. Accordingly, in connection with any transfer of this nature, appropriate adjustments will be made to reflect a decrease in the principal amount of the Regulation S Global Note and a corresponding increase in the principal amount of the Rule 144A Global Note or

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

vice versa, as applicable. Any beneficial interest in one of the Global Notes that is transferred to a person who takes delivery in the form of an interest in the other Global Note will, upon transfer, cease to be an interest in such Global Note and will become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interest in the other Global Note for so long as it remains such an interest. The policies and practices of DTC may prohibit transfers of beneficial interests in the Regulation S Global Note prior to the expiration of the Restricted Period.

SAME DAY SETTLEMENT AND PAYMENT

We will make payments in respect of the notes represented by the Global Notes (including principal, premium, if any, interest and liquidated damages, if any) by wire transfer of immediately available funds to the accounts specified by the Global Note Holder. We will make all payments of principal, interest and premium and liquidated damages, if any, with respect to Certificated Notes by wire transfer of immediately available funds to the accounts specified by the holders thereof or, if no account is specified, by mailing a check to that holder's registered address. The notes represented by the Global Notes are expected to trade in DTC's Same-Day Funds Settlement System, and any permitted secondary market trading activity in the notes will, therefore, be required by DTC to be settled in immediately available funds. We expect that secondary trading in any Certificated Notes will also be settled in immediately available funds.

Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a Participant in DTC will be credited, and any crediting of this type will be reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised us that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a Participant in DTC will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date.

THE TRUSTEE

The trustee under the indenture is Bank One Trust Company, N.A.

GOVERNING LAW

The indenture and the notes will be governed by, and construed in accordance with, the internal laws of the state of New York.

40

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for private notes where such private notes were acquired as a result of market-making activities or other trading activities. We have agreed that, starting on the expiration date and ending on the close of business one year after the expiration date, it will make this prospectus, as amended or supplemented, available to any broker-

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

dealer for use in connection with any such resale. In addition, until at least May 25, 2002, all dealers effecting transactions in the exchange notes may be required to deliver a prospectus.

We will not receive any proceeds from any sale of exchange notes by brokers-dealers. Exchange notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer and/or the purchasers of any such exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such exchange notes may be deemed to be an "underwriter" within the meaning of the Securities Act of 1933, as amended, and any profit of any such resale of exchange notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The Letter of Transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

For a period of one year after the expiration date, we will promptly send additional copies of this prospectus and any amendment or supplement to this prospectus to any broker-dealer that requests such documents in the Letter of Transmittal. We have agreed to pay all expenses incident to the exchange offer (including the expenses of one counsel for the holder of the private notes) other than commissions or concessions of any brokers or dealers and will indemnify the holders of the private notes (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act.

LEGAL MATTERS

Latham & Watkins, Los Angeles, California, will issue opinions about certain legal matters with respect to the notes for Harrah's.

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the General Corporation Law of Delaware empowers the Company to indemnify, subject to the standards set forth therein, any person who is a party in any action in connection with any action, suit or proceeding brought or threatened by reason of the fact that the person was a director, officer, employee or agent of such company, or is or was serving as such with respect to another entity at the request of such company. The General Corporation Law of Delaware also provides that the Company may purchase insurance on behalf of any such director, officer, employee or agent.

Article Tenth of the Certificate of Incorporation of Harrah's Entertainment provides for indemnification of the officers and directors of Harrah's Entertainment to the full extent permitted by the Delaware General Corporation Law.

Harrah's Entertainment has entered into Indemnification Agreements with its directors, executive officers and certain other officers. Generally, the Indemnification Agreements provide that Harrah's Entertainment will indemnify such persons against any and all expenses, judgments, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect to such expenses, judgments, fines, penalties or amounts paid in settlement) of any Claim by reason of (or arising in part out of) an Indemnifiable Event. "Claim" is defined as any threatened, pending or completed action, suit or proceeding or any inquiry or investigation, whether conducted by Harrah's Entertainment or any other party, that the indemnitee in good faith believes might lead to the institution of any such action, suit or proceeding, whether civil, criminal,

Edgar Filing: HARRAHS ENTERTAINMENT INC - Form S-4/A

administrative, investigative or other. "Indemnifiable Event" is defined as any event or occurrence related to the fact that indemnitee is or was a director, officer, employee, trustee, agent or fiduciary of Harrah's Entertainment, or is or was serving at the request of Harrah's Entertainment or a director, officer, employee, trustee, agent or fiduciary of another corporation, partnership, joint venture, employee benefit plan, trust or other enterprise, or by reason of anything done or not done by indemnitee in any such capacity. Notwithstanding the foregoing, (i) the obligations of Harrah's Entertainment shall be subject to the condition that the reviewing party (as defined) shall not have determined (in a written opinion, in any case in which special, independent counsel is involved) that indemnitee would not be permitted to be indemnified under applicable law, and (ii) the obligation of Harrah's Entertainment to make an expense advance shall be subject to the condition that, if, when and to the extent that the reviewing party determines that indemnitee would not be permitted to be so indemnified under applicable law, Harrah's Entertainment shall be entitled to be reimbursed by indemnitee (who has agreed to reimburse Harrah's Entertainment, for any amounts theretofore paid; provided, that if indemnitee has commenced legal proceedings in a court of competent jurisdiction to secure a determination that indemnitee should be indemnified under applicable law, any determination made by the reviewing party that indemnitee would not be permitted to be indemnified under applicable law shall not be binding and indemnitee shall not be required to reimburse Harrah's Entertainment for any expense advance until a final judicial determination is made with respect thereto as to which all rights of appeal therefrom have been exhausted or lapsed).

Section 102(b)(7) of the Delaware General Corporation Law enables a Delaware corporation to provide in its certificate of incorporation for the elimination or limitation of the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. Any such provision cannot eliminate or limit a director's liability (1) for any breach of the director's duty of loyalty to the corporation or its stockholders; (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (3) under Section 174 of the Delaware General Corporation Law (which imposes liability on directors for unlawful payment of

II-1

dividends or unlawful stock purchase or redemption); or (4) for any transaction from which the director derived an improper personal benefit. Article Thirteenth of the Harrah's Entertainment Certificate eliminates the liability of a director of Harrah's Entertainment to Harrah's Entertainment or its stockholders for monetary damages for breach of fiduciary duty as a director to the full extent permitted by the Delaware General Corporation Law.

ITEM 22. UNDERTAKINGS

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or

II-2

decrease in volume of securities offered (if the total dollar value

of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregated, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under Subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.
