PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents, which we have filed with the Securities and Exchange Commission (the "Commission"), are incorporated by reference into this registration statement:

- (a) Our annual report on Form 10-K for the fiscal year ended February 3, 2001;
- (b) Our quarterly report on Form 10-Q for the fiscal quarter ended May 5, 2001;
- (c) Our current reports on Form 8-K dated June 19, 2001, July 6, 2001 and July 9, 2001; and
- (d) The description of our common stock contained in our registration statement on Form 8-A/A (Commission File No. 000-11822), filed March 24, 2000.

Edgar Filing: MICHAELS STORES INC - Form S-8

In addition, all documents we subsequently file with the Commission pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934 prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold, or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this registration statement and to be a part hereof from the date of filing of such documents. Any statement contained in later-dated documents supplements, modifies or supersedes statements contained in earlier-dated documents.

Item 6. Indemnification of Directors and Officers.

Our certificate of incorporation limits the liability of our directors for monetary damages for breach of fiduciary duty to the maximum extent permitted by Delaware law. Delaware law provides that a director of a corporation will not be personally liable for monetary damages for breach of that individual's fiduciary duties as a director except for liability for (1) a breach of the director's duty of loyalty to the corporation or its stockholders, (2) any act or omission not in good faith or that involves intentional misconduct or a knowing violation of the law, (3) unlawful payments of dividends or unlawful stock repurchases or redemptions, or (4) any transaction from which the director derived an improper personal benefit. This limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Section 145 of the General Corporation Law of the State of Delaware provides that a corporation may indemnify directors and officers, as well as other employees and individuals, against attorneys' fees and other expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person was or is a party or is threatened to be made a party by reason of such person being or having been a director, officer, employee or agent of the corporation or serving at the request of a corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The General Corporation Law of the State of Delaware provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise.

Our certificate of incorporation requires that we indemnify our directors and officers, and any other person who is or was serving at our request as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, to the fullest extent authorized by the General Corporation Law of the State of Delaware. Our certificate of incorporation also

requires that we advance expenses incurred by such a person in connection with the defense of any action or proceeding arising out of that persons' status or service to us. Our bylaws require that we indemnify our directors and officers to the fullest extent permitted by the General Corporation Law of the State of Delaware and may, if and to the extent authorized by our board of directors, so indemnify any other person whom we have the power to indemnify against any liability, expense or other matter whatsoever.

In addition, we have entered into indemnity agreements with certain of our executive officers and directors.

We have procured insurance that purports (i) to insure us against certain costs of indemnification that may be incurred by us pursuant to the provisions referred to above or otherwise and (ii) to insure our directors and officers against certain liabilities incurred by them in the discharge of their functions as directors and officers except for liabilities arising from their own malfeasance.

Item 9. Undertakings.

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth

2

in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as

Edgar Filing: MICHAELS STORES INC - Form S-8

expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

3
