ARMITEC, INC.

NOTES TO CONDENSED FINANCIAL STATEMENTS Six Months Ended June 30, 2001

NOTE 1. BASIS OF PRESENTATION

In the opinion of management, the accompanying unaudited consolidated condensed financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-QSB. Accordingly, they do not include all of the information and footnotes required by U.S. generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation of the Company's financial position as of June 30, 2001 and the results of its operations and cash flows for the six months ended June 30, 2001. Operating results for the six months ended June 30, 2001 are not necessarily indicative of the results that may be expected for the year ended December 31, 2001.

These condensed financial statements should be read in conjunction with the financial statements and notes thereto contained in the Company's Form 10-KSB for the year ended December 31, 2000.

No comparative results of operations or cash flows for the six months ended June 30, 2000 are included in the accompanying financial statements as the legal accounting acquirer's incorporation was in July, 2000.

ITEM 2. PLAN OF OPERATION

For the near term, the Company continues to pursue its business plan. It has had no significant revenues or operations since inception and is

Edgar Filing: ARMITEC INC - Form 10QSB

financially dependent on its shareholders, who have financed its existence to date. Management of the Company believes that its shareholders will continue to provide the finances the Company requires, without the need to raise additional capital for the near term.

Item 5. Other Information

On March 20, 2001, Armitec, Inc., JRO Group, Inc. and the JRO Shareholders completed the previously announced Share exchange. In March 2001, a report of the accounts receivable status by a Special Master for the acquired company was presented to the Superior Court of Fulton County, pursuant to a request by the acquired company's bank. Based on this report and the subsequent events resulting therefrom, the acquired company is unable to finance its current assets as it had done formerly. On April 23, 2001, the parties mutually agreed to rescind the share exchange because of the foregoing, and the inability of JRO Group, Inc. to obtain the audits necessary for Armitec to complete its filings under the Securities Exchange Act of 1934. On that same date, Armitec and JRO entered into a letter of intent whereby Armitec will act as a receiver and liquidator over a one-year period. The proposed management agreement would provide that Armitec would issue shares of its common stock based on the success of the liquidation.

Item 6. Exhibits and Reports on Form 8-K:

Armitec filed a current report on Form 8-K on January 16, 2001 for the purposes of reporting the completion of the Share Exchange with Armitec.com, Inc., the execution of a Plan and Agreement to Exchange Stock by and among Armitec, JRO Group, Inc. and the shareholders of JRO Group, Inc., and the resignation of William S. Bryant and Donald S. Carman as officers and directors of the Company.
