Item 1.

Security and Issuer

This Schedule 13D (the “Statement”) relates to the common stock (the “Common Stock”), of Intercept Pharmaceuticals, Inc., a corporation organized under the laws of the state of Delaware (the “Issuer”), with its principal executive offices located at 18 Desbrosses Street, New York, New York 10013. The Common Stock is listed on the NASDAQ National Market under the ticker symbol “ICPT.” Information given in response to each item shall be deemed incorporated by reference in all other items, as applicable.

Item 2.

Identity and Background

(a) This Statement is being filed by OrbiMed Advisors LLC (“Advisors”), a limited liability company organized under the laws of Delaware, OrbiMed Capital GP IV LLC (“GP IV”), a limited liability company organized under the laws of Delaware, and Samuel D. Isaly (“Isaly”), an individual (collectively, the “Reporting Persons”).

(b) – (c) Advisors, a registered investment adviser under the Investment Advisers Act of 1940, as amended, is the sole managing member of GP IV, which is the sole general partner of OrbiMed Private Investments IV, LP (“OPI IV”), which holds shares of Common Stock of the Issuer (“Shares”), as more particularly described in Item 6 below. Advisors has its principal offices at 601 Lexington Avenue, 54th Floor, New York, New York 10022.

GP IV has its principal offices at 601 Lexington Avenue, 54th Floor, New York, New York 10022.

Isaly, a natural person, owns a controlling interest in Advisors.

The directors and executive officers of Advisors and GP IV are set forth on Schedules I and II, attached hereto. Schedules I and II set forth the following information with respect to each such person:

(i) name;

(ii) business address;

(iii) present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted;

(iv) citizenship.

(d) – (e) During the last five years, neither the Reporting Persons nor any Person named in Schedule I or II have been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Isaly is a citizen of the United States.

Item 3.

Source and Amount of Funds or Other Consideration

Not applicable.

Item 4.

Purpose of Transaction

As described more fully in Item 5 below, this Statement relates to the disposition of Shares by the Reporting Persons. The Shares initially had been acquired (and those that continue to be held are held) by the Reporting Persons for the purpose of making an investment in the Issuer and not with the intention of acquiring control of the Issuer's business on behalf of OPI IV.

The Reporting Persons from time to time intend to review their investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's Shares in particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Persons will take such actions in the future as the Reporting Persons may deem appropriate in light of the circumstances existing from time to time. If the Reporting Persons believe that further investment in the Issuer is attractive, whether because of the market price of the Common Stock or otherwise, they may acquire Shares or other securities of the Issuer either in the open market or in privately negotiated transactions. Similarly, depending on market and other factors, the Reporting Persons may determine to dispose of some or all of the Shares currently owned by the Reporting Persons or otherwise acquired by the Reporting Persons either in the open market or in privately negotiated transactions.

Except as set forth in this Statement, the Reporting Persons have not formulated any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries, (c) a sale or transfer of a material amount of the assets of the Issuer or any of its subsidiaries, (d) any change in the present Board of Directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the Issuer's capitalization or dividend policy of the Issuer, (f) any other material change in the Issuer's business or corporate structure, (g) any change in the Issuer's charter or bylaws or other instrument corresponding thereto or other action which may impede the acquisition of control of the Issuer by any person, (h) causing a class of the Issuer's securities to be deregistered or delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act or (j) any action similar to any of those enumerated above.

Item 5.

Interest in Securities of the Issuer

(a)-(b) As of the date of this filing, Advisors, GP IV and Isaly may be deemed, for purposes of Rule 13d-3 of the Act, directly or indirectly, including by reason of their mutual affiliation, to be the beneficial owners of the Shares described in Item 6 below. Based upon information contained in the most recent available filing by the Issuer with the SEC, such Shares constitute approximately 9.22% of the issued and outstanding Shares. Advisors, pursuant to its authority as the sole managing member of GP IV, the sole general partner of OPI IV, may be deemed to indirectly beneficially own the Shares held by OPI IV. GP IV, pursuant to its authority as the general partner of OPI IV, may be deemed to indirectly beneficially own the Shares held by OPI IV. Isaly pursuant to his authority as the managing member of, and owner of a controlling interest in Advisors pursuant to its limited liability company agreement, may be deemed to also indirectly beneficially own the Shares attributable to Advisors. As a result, Isaly, Advisors and GP IV share the power to direct the vote and to direct the disposition of the Shares described in Item 6 below.

(c)

On October 8, 2013, the Registration Statement on Form S-1 filed with the Securities and Exchange Commission (the “SEC”) by the Issuer (SEC File No. 333-191501) in connection with a secondary public offering of 1,500,000 Shares was declared effective. On such date, GP IV, pursuant to its authority under the limited partnership agreement of OPI IV, as described in Item 6 below, caused OPI IV (i) to sell 376,585 Shares in the secondary offering pursuant to an underwriting agreement (the “Underwriting Agreement”) entered into with the Issuer, other selling stockholders and Merrill Lynch, Pierce, Fenner & Smith Incorporated, acting as the underwriter for the offering (the “Underwriter”), at a public offering price of \$62.50, less the underwriting discount of \$1.25 per share; and (ii) to grant an option to the Underwriter, exercisable within 30 days after October 8, 2013, to purchase from OPI IV an additional 54,665 Shares, at the public offering price, less the underwriting discount. The closing of the secondary offering took place on October 15, 2013.

On October 16, 2013, the Underwriter exercised an over-allotment option, as described immediately above, to purchase an additional 40,088 shares of Common Stock from OrbiMed Private Investments IV, LP. The closing of the purchase of shares pursuant to this option exercise is expected to occur on October 21, 2013.

On November 16, 2012, Jonathan T. Silverstein (“Silverstein”), a member of Advisors and a designated representative of the Reporting Persons on the Issuer’s board of directors, was granted 2,596 restricted stock units (“RSUs”) pursuant to the Intercept Pharmaceuticals, Inc. 2012 Equity Incentive Plan (“2012 Plan”). On August 9, 2013, 325 Shares, representing 12.5% of the shares underlying the RSUs, became vested. The remainder of the shares originally underlying the RSUs will vest pro rata on every subsequent three-month anniversary of such date through August 9, 2014, including 325 Shares that will vest within 60 days of October 15, 2013. Silverstein is obligated to transfer any shares issued under any RSUs granted to him by the Issuer to the Reporting Persons.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationship with Respect to Securities of the Issuer

In addition to the relationships between the Reporting Persons described in Items 2, 3 and 5 above, GP IV is the sole general partner of OPI IV, pursuant to the terms of the limited partnership agreement of OPI IV. Advisors is the sole managing member of GP IV, pursuant to the terms of the limited liability company agreement of GP IV. Pursuant to these agreements and relationships, Advisors and GP IV have discretionary investment management authority with respect to the assets of OPI IV. Such authority includes the power of GP IV to vote and otherwise dispose of securities purchased by OPI IV. The number of outstanding Shares attributable to OPI IV is 1,775,672 Shares. Advisors may be considered to hold indirectly 1,775,672 Shares, and GP IV may be considered to hold indirectly 1,775,672 Shares.

As of August 9, 2012, Silverstein, a member of Advisors, and Dr. Klaus R. Veitinger, a Venture Partner at Advisors, were appointed to the Board of Directors of the Issuer, and, accordingly, the Reporting Persons may have the ability to affect and influence control of the Issuer. From time to time, Silverstein may receive stock options or other awards of equity-based compensation pursuant to the Issuer’s compensation arrangements for non-employee directors. Pursuant to an agreement with the Reporting Persons, Silverstein is obligated to transfer any Shares issued under any such stock options or other awards to the Reporting Persons, which will distribute such Shares to OPI IV.

Stockholders Agreement

OPI IV has certain rights under the terms of a Third Amended and Restated Stockholders Agreement, dated as of August 9, 2012 (the “Stockholders Agreement”), to require the Issuer to file registration statements with respect to the Shares under the Securities Act of 1933, as amended (the “Securities Act”), subject to certain limitations and restrictions.

Subject to the terms of the Stockholders Agreement, certain holders of Shares who are parties to the Stockholders Agreement (including the Reporting Persons) can demand that the Issuer file a registration statement or request that their Shares be covered by a registration statement that the Issuer is otherwise filing.

After the expiration of the 180-day period following the completion of the Issuer’s initial public offering (as may be extended under certain circumstances), certain holders of the Common Stock identified in the Stockholders Agreement (including the Reporting Persons, the “Major Holders”) will be entitled to certain demand registration rights. If holders of at least 30% of the Shares covered by the registration rights (the “Registrable Securities”) request a registration of securities with an aggregate value of at least \$25,000,000, the Issuer may be required to register such Registrable Securities.

After the expiration of a 180-day period following the completion of the Issuer’s initial public offering (as may be extended under certain circumstances), in the event that the Issuer proposes to register any of its securities under the Securities Act, either for its own account or for the account of other stockholders, the Major Holders, including the Reporting Persons, and certain other parties to the Stockholders Agreement will be entitled to certain “piggyback” registration rights allowing the holders to include their shares in such registration, subject to certain marketing and other limitations. As a result, whenever the Issuer proposes to file a registration statement under the Securities Act, other than with respect to a registration related to the shares issuable under employee benefit plans and in certain circumstances, the holders of the Registrable Securities are entitled to notice of the registration and have the right, subject to limitations that the underwriters may impose on the number of shares included in the registration, to include their shares in the registration.

After the expiration of a 180-day period following the completion of the Issuer’s initial public offering (as may be extended under certain circumstances), the Major Holders, including the Reporting Persons, will be entitled to certain Form S-3 registration rights if the Issuer is eligible to file a registration statement on Form S-3. As a result, holders owning a certain percentage of the Issuer’s capital stock and certain other identified holders will have the right to demand that the Issuer file a registration statement on Form S-3 so long as the aggregate value of the securities to be sold under the registration statement on Form S-3 is at least \$5,000,000, subject to specified exceptions.

Pursuant to the Stockholders Agreement and subject to certain limitations, the Issuer will pay all registration expenses, other than underwriting discounts and commissions, related to any registration effected pursuant to the Stockholders Agreement.

The Stockholders Agreement also contains customary cross-indemnification provisions, pursuant to which the Issuer is obligated to indemnify the selling stockholders in the event of material misstatements or omissions in the registration statement attributable to the Issuer, and the selling stockholders are obligated to indemnify the Issuer for material misstatements or omissions attributable to them.

The registration rights under the Stockholders Agreement shall terminate upon the earlier of: (i) when all of the Registrable Securities could be sold pursuant to a registration statement or Rule 144 under the Securities Act; (ii) the sale of all or substantially all of the assets or business of the Issuer, by merger, sale of assets or otherwise, and (iii) October 16, 2015.

The foregoing description of the terms of the Stockholders Agreement is intended as a summary only and is qualified in its entirety by reference to the Stockholders Agreement, which is filed as an exhibit to this Statement and incorporated by reference herein.

Secondary Offering

As described in Item 5 above, on October 8, 2013, OPI IV (i) sold 376,585 Shares in the secondary offering pursuant to the Underwriting Agreement at a public offering price of \$62.50, less the underwriting discount of \$1.25 per share; and (ii) granted an option to the Underwriter, exercisable within 30 days after October 8, 2013, to purchase from OPI IV an additional 54,665 Shares, at the public offering price, less the underwriting discount. The closing of the secondary offering took place on October 15, 2013.

On October 16, 2013, the Underwriter exercised an over-allotment option, as described immediately above, to purchase an additional 40,088 shares of Common Stock from OPI IV. The closing of the purchase of shares pursuant to this option exercise is expected to occur on October 21, 2013.

Lock-up Agreements

In connection with the secondary offering described above, OPI IV and Silverstein, along with the Issuer and the Issuer's officers, directors and the other selling stockholders have agreed, subject to certain exceptions, that for a period of 90 days from October 8, 2013, they will not, without the prior written consent of the Underwriter, directly or indirectly sell or transfer any Shares.

Restricted Stock Units

As described in Item 5 above, on November 16, 2012, Silverstein was granted 2,596 RSUs pursuant to the 2012 Plan. On August 9, 2013, 325 Shares, representing 12.5% of the shares underlying the RSUs, became vested. The remainder of the shares originally underlying the RSUs will vest pro rata on every subsequent three-month anniversary of such date through August 9, 2014, including 325 Shares that will vest within 60 days of October 15, 2013. Silverstein is obligated to transfer any shares issued under any RSUs granted to him by the Issuer to the Reporting Persons.

Other than the agreements and the relationships mentioned above, to the best knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any persons with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the Shares, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving of withholding of proxies.
