- (1) Pursuant to Rule 416(b), the number of shares of Common Stock being registered shall be adjusted to include any additional securities that may become issuable in connection with, or as a result of, stock splits, stock dividends or similar transactions. In addition, see Explanatory Note below.
- (2) Determined on the basis of the average of the high and low prices of the Common Stock reported on the New York Stock Exchange on October 31, 2013 in accordance with Rule 457(c) under the Securities Act of 1933, as amended, solely for the purpose of calculating the registration fee pursuant to Rule 457(h) under the Securities Act.
- (3) Pursuant to Rule 457(p) under the Securities Act, the total registration fee due is offset by \$17,857.86, representing the dollar amount of the filing fee previously paid by OfficeMax Incorporated that corresponds to 10,349,621 unsold shares registered pursuant to OfficeMax Incorporated's Registration Statement on Form S-8 (File No. 333-189233) filed on June 11, 2013. Consequently, the filing fee transmitted herewith is \$16,267.51. As explained in the Explanatory Note below, Office Depot, Inc. is the indirect parent of OfficeMax Incorporated.

EXPLANATORY NOTE

On November 5, 2013, pursuant to the Agreement and Plan of Merger, dated as of February 20, 2013, as amended November 5, 2013, by and among Office Depot, Inc. (the Registrant), Dogwood Merger Sub Inc., Dogwood Merger Sub LLC, Mapleby Holdings Merger Corporation, Mapleby Merger Corporation and OfficeMax Incorporated (OfficeMax), OfficeMax became an indirect wholly owned subsidiary of the Registrant (the Merger).

As a result of the Merger, stock options and other stock-based awards with respect to shares of the common stock, par value \$2.50 per share, of OfficeMax (OfficeMax Common Stock) outstanding under OfficeMax's 2003 OfficeMax Incentive and Performance Plan, its 2003 Director Stock Compensation Plan and its Director Stock Incentive Plan (collectively, the Plans) were converted into stock options and other stock-based awards with respect to shares of the common stock, \$0.01 par value per share, of the Registrant (Registrant Common Stock). In addition, pursuant to the listing standards of the New York Stock Exchange, upon which the Registrant Common Stock is listed, shares available under certain equity compensation plans acquired in corporate acquisitions and mergers may be used for certain post-transaction grants. Shares available under such plans may be used for post-transaction grants of options and other awards with respect to equity of the entity that is the listed company after the transaction, either under the pre-existing plan or another plan, subject to certain conditions.

At the time of the closing of the Merger, OfficeMax had: (i) stock options and other stock-based awards with respect to 7,365,105 shares of OfficeMax Common Stock outstanding under the Plans; and (ii) 10,349,621 shares of OfficeMax Common Stock available for grant under its 2003 OfficeMax Incentive and Performance Plan, for a total of 17,714,726 shares of OfficeMax Common Stock. As adjusted for the exchange ratio in connection with the Merger, this equates to the 47,652,613 shares of the Registrant's Common Stock registered hereby.

ITEM 4. Description of Securities.

Not applicable.

ITEM 5. Interests of Named Experts and Counsel.

None.

ITEM 6. Indemnification of Directors and Officers.

The Registrant is a Delaware corporation subject to the applicable indemnification provisions of the General Corporation Law of the State of Delaware (the DGCL). Under Section 145 of the DGCL, each director and officer of the Registrant may be indemnified by the Registrant against all expenses and liabilities (including attorney's fees, judgments, fines and amounts paid in settlement) actually or reasonably incurred in connection with the defense or settlement of any threatened, pending or completed legal proceedings in which he or she is involved by reason of the fact that he or she is or was a director or officer of the Registrant if such director or officer acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the Registrant and, with respect to any criminal action or proceeding, if he or she had no reasonable cause to believe that his or her conduct was unlawful. If the legal proceeding, however, is by or in the right of the Registrant, the director or officer may not be indemnified in respect of any claim, issue or matter as to which he or she shall have been adjudged to be liable to the Registrant unless a court determines otherwise.

The Registrant's Amended and Restated Bylaws provide for indemnification of the Registrant's directors and officers, to the fullest extent permitted by the DGCL, for all expenses, liability and loss (including reasonable amounts paid in settlement) incurred in defending actions brought against them arising out of the performance of their duties. In addition, the Registrant may purchase and maintain insurance on its own behalf and on behalf of any person who is or was a director, officer, employee, fiduciary or agent of the Registrant or is serving or has served in such capacity for another business organization or entity at the Registrant's request, against any liability asserted against such person and incurred in such capacity, or arising out of such person's status as such, whether or not the registrant would have the power to indemnify such person against such liability under the provisions of Article VI of the registrant's Amended and Restated Bylaws.

The Registrant's Restated Certificate of Incorporation, as amended, contains a provision that eliminates, to the fullest extent permitted by the DGCL, the personal liability of each director of the Registrant to the Registrant and its stockholders for monetary damages for certain breaches of fiduciary duty. This provision does not affect the director's liability for monetary damages for breaches of the duty of loyalty, actions or omissions not in good faith, knowing violation of law or intentional misconduct, willful or negligent conduct in approving an unlawful dividend, stock repurchase or redemption or obtaining any improper personal benefit.

The foregoing indemnity and insurance provisions have the effect of reducing directors' and officers' exposure to personal liability for actions taken in connection with their respective positions.

The Registrant has obtained liability insurance policies under which the Registrant's directors and officers are insured, within the limits and subject to the limitations of the policies, against certain expenses in connection with the defense of certain actions, suits or proceedings, and certain liabilities which might be imposed as a result of certain actions, suits or proceedings, arising out of the performance of their duties.

ITEM 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an

employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
