INFORMATION CONTAINED IN THIS FORM 6-K REPORT

Attached hereto as Exhibit 1 is a copy of the press release of Ship Finance International Limited (the "Company"), dated August 24, 2012, announcing the sale of the Front Climber. Attached hereto as Exhibit 2 is a copy of the press release of the Company, dated June 4, 2012, announcing the sale of the Front Rider.

EXHIBIT 1

SFL – Sale of vessel and charter termination compensation from Frontline

Press release from Ship Finance International Limited, August 24, 2012

Ship Finance International Limited (NYSE:SFL) ("Ship Finance" or the "Company"), today announced that it has agreed to sell the 21-year old combination carrier Front Climber to an unrelated third party and has simultaneously agreed to terminate the corresponding charter party with a subsidiary of Frontline Ltd. ("Frontline").

Delivery to the new owner is expected to be in September 2012 and Ship Finance expects to receive net proceeds of approximately \$9.0 million including a \$0.6 million charter termination compensation payment from Frontline. As a result of the sale, the Company expects to record a book gain of approximately \$1.1 million in the third quarter of 2012.

Cautionary Statement Regarding Forward Looking Statements

This press release may contain forward looking statements. These statements are based upon various assumptions, many of which are based, in turn, upon further assumptions, including Ship Finance management's examination of historical operating trends. Although Ship Finance believes that these assumptions were reasonable when made, because assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond its control, Ship Finance cannot give assurance that it will achieve or accomplish

these expectations, beliefs or intentions.

Important factors that, in the Company's view, could cause actual results to differ materially from those discussed in this presentation include the strength of world economies and currencies, general market conditions including fluctuations in charter hire rates and vessel values, changes in demand in the tanker market as a result of changes in OPEC's petroleum production levels and worldwide oil consumption and storage, changes in the Company's operating expenses including bunker prices, dry-docking and insurance costs, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, and other important factors described from time to time in the reports filed by the Company with the United States Securities and Exchange Commission.
