This Prospectus Supplement is dated November 4, 2004.

PROSPECTUS SUPPLEMENT
DATED MARCH 14, 2001

HOME PROPERTIES OF NEW YORK, INC. DIVIDEND REINVESTMENT AND DIRECT STOCK PURCHASE PLAN

This supplements the Prospectus of Home Properties of New York, Inc. ("Home Properties" or the "Company") dated July 20, 1998. The Board of Directors has increased the number of shares of Common Stock which are available for purchase under the Home Properties of New York, Inc. Dividend Reinvestment and Direct Stock Purchase Plan with optional cash payments by 1,800,000 shares to 10,250,000 shares and with dividend reinvestment by 750,000 shares to 2,150,000 shares. Home Properties will receive the proceeds of the sale of the newly issued shares of Common Stock. The aggregate number of shares of Common Stock available under the Plan is increased to 12,400,000 shares. As of the date of this Prospectus Supplement, an aggregate of 8,262,077 shares have been purchased through voluntary cash purchases and 1,283,417 shares have been purchased through the dividend reinvestment feature of the Plan.

The Prospectus is further amended as follows:

- a. Effective as of April 10, 2001, in all places in the Prospectus where the percentage of 97% is used to refer to the percentage of the plan purchase price that participants pay for their shares, the percentage shall be changed to 98%. This change appears on pages 3, 4 and 5 of the Prospectus.
- b. Effective as of April 10, 2001, in all places where the maximum investment that can be made without Home Properties' prior approval is listed as \$5,000 that maximum investment amount is reduced to \$1,000. The investment range for optional cash purchases that can be made without Home Properties' prior approval is from \$50 to \$1,000. Waiver purchases greater than \$1,000 may receive a discount between 0% and 3% from the plan purchase price.
- c. One page 5 of the Prospectus, the following language is substituted for the italicized language to clarify that the 5% discount limitation applies to all purchases under the Plan. The paragraph reads as follows:

Important: According to Internal Revenue Service guidelines, the actual discount you receive on shares purchased may not exceed 5% of the one-day New York Stock Exchange trading average on the purchase date, including any fees or commissions paid on your behalf by Home Properties or the agent for the plan. The agent for the plan will calculate the discounted purchase price at 98% of the five-day average and test for the 5% rule. The actual price will be the higher or the two amounts for that purchase date.

- d. Effective as of April 10, 2001, on page 6 of the Prospectus, the plan purchase price section is amended in its entirety to read as follows:

The plan purchase price is calculated in the same manner whether Home Properties issues new shares or the shares are bought by the agent in open trading. The plan purchase price is the average of the daily high and low trading prices of Home Properties' common stock for the five business days

Edgar Filing: HOME PROPERTIES INC - Form 424B5

just before the purchase date. You are not charged a fee for either newly issued shares or for open market purchases."

- e. Effective as of April 10, 2001, on page 3 of the Prospectus in the section listed "Plan Features," the initial investment for individuals who are not a Home Properties' registered shareholder, community resident, limited partner or employee is amended to be \$1,000 instead of "at least \$2,000."
- f. On page 6 of the Prospectus, the last sentence of the section entitled "The Source of Plan Shares" is deleted to reflect the possibility that Home Properties may shortly elect to purchase stock in the open market for the plan. That sentence formerly read as follows: We anticipate that Home Properties will issue shares directly from our authorized, unissued shares.
- g. On page 12 of the Prospectus, the section entitled "Governing Law" is amended to reflect that Maryland is the governing law.
- h. On page 12 of the Prospectus, the information regarding the Legal Opinion is amended to reflect that Nixon, Hargrave, Devans & Doyle, LLP has changed its name to Nixon Peabody LLP. The paragraph reads as follows:

INFORMATION ABOUT HOME PROPERTIES

Home Properties is a real estate investment trust (REIT) that owns, manages, acquires, and develops apartment communities in the Northeast, Midwest and Mid-Atlantic United States. Our communities are predominantly suburban, garden-style apartments with brick exteriors, which appeal to a broad range of middle income and senior residents.

Headquartered in Rochester, New York, Home Properties and its predecessors have operated multifamily properties since 1967. You should rely only on the information incorporated by reference or provided in this prospectus or in any prospectus supplement. Home Properties has authorized no one to provide you with different information. Home Properties is not making an offer to sell stock in any state or country where the offer is not permitted. You should not assume that the information in this prospectus or any prospectus supplement is accurate as of any date other than the date on the front of the document.

In this prospectus, "Home Properties" means Home Properties of New York, Inc., a Maryland corporation.

PURPOSE OF THE PLAN

The Home Properties Dividend Reinvestment and Direct Stock Purchase Plan was established to promote long-term ownership in Home Properties and is designed to give our shareholders, residents, employees, limited partners and others a simple, convenient, and economical way to purchase Home Properties common stock. The plan is also designed to enable Home Properties to efficiently raise capital to fund our continued growth through the direct sale of newly issued shares.

In 1998, we revised the plan to provide new features, amend existing features, and to clarify it. If you have previously participated in the plan, you may participate in its amended version without any further action on your part.

Please read this booklet carefully before you invest. Once you begin participating in the plan, store this booklet with your investment records relating to the plan. If you require an additional plan prospectus, enrollment form, or further assistance, simply contact us or the plan's agent.

HOME PROPERTIES' AND THE AGENT'S RESPONSIBILITIES

The agent is designated by Home Properties to administer the plan and act as administrator for the participants. The agent purchases and holds shares of stock for plan participants, keeps records, mails statements, and performs other duties required by the plan.

Neither Home Properties nor the agent is liable for any act, or for any failure to act, as long as we make good faith efforts to carry out the terms of the plan as described in this prospectus and on the forms that accompany each investment or activity. This release from liability does not apply to violation of federal securities laws.

Neither Home Properties nor the agent promises a profit or protects against a loss on the common stock purchased under the plan.

DIVIDENDS PAID BY HOME PROPERTIES

Home Properties normally pays dividends four (4) times a year, in February, May, August and November. Record dates on which you must be a shareholder are approximately eight business days prior to the dividend payment dates. Dividends are declared by the Board of Directors.

WHO MAY PARTICIPATE

All U.S. citizens are eligible to join the plan, whether or not they are currently Home Properties shareholders.

Edgar Filing: HOME PROPERTIES INC - Form 424B5

Foreign citizens are eligible to participate as long as their participation does not violate any laws in their home countries.

HOW TO ENROLL

Join the plan at any time by completing an Enrollment Form and returning it to the agent in the courtesy envelope.

If you are a Home Properties shareholder of record, a Home Properties community resident, a Home Properties limited partner or a Home Properties employee, complete and return the Enrollment Form to the agent to reinvest dividends or to purchase shares with optional cash payments. If you own shares in a brokerage account, request the broker to enroll you, request a certificate for your shares or move shares electronically into the plan and complete and return the Enrollment Form. Be sure to select one of the following investment options when enrolling.

INVESTMENT OPTIONS

FULL DIVIDEND REINVESTMENT

If you select full dividend reinvestment, all dividends payable on your registered shares or your plan shares acquired through optional cash purchases, will purchase additional shares of common stock at 97% of the plan purchase price. Your reinvested dividends will purchase whole and fractional shares, computed to three decimal places, on the dividend payment date.

PARTIAL DIVIDEND REINVESTMENT

If you select partial dividend reinvestment, the portion of dividends payable on your registered shares or your plan shares acquired through optional cash purchases that you specify will purchase additional shares of common stock at 97% of the plan purchase price. Your reinvested dividends will purchase whole and fractional shares, computed to three decimal places, on the dividend payment date.

OPTIONAL CASH PURCHASE ONLY

If you select optional cash purchase only, you may purchase shares once a month for 97% of the plan purchase price by investing a minimum of \$50 up to a maximum of \$5,000. You will purchase whole and fractional shares, computed to three decimal places. You will not receive interest on optional cash amounts held pending a purchase. Your dividends will be paid directly to you or deposited into your bank account.

IMPORTANT: According to Internal Revenue Service regulations regarding discounts on optional cash purchases in the plan, the actual discount you receive on shares purchased may not exceed 5% of the one-day New York Stock Exchange trading average on the optional cash purchase date. The agent for the plan will calculate the discounted purchase price at 97% of the five-day average and test for the 5% rule. The actual price will be the higher of the two amounts for that purchase date.

WAIVER PURCHASE

OPTIONAL CASH PURCHASE IN EXCESS OF \$5,000

Home Properties considers monthly requests for optional cash purchases greater than \$5,000 on a case-by-case basis and approves requests based on various corporate factors and market conditions. Waiver purchases may be denied by Home Properties for any reason and require a signed Waiver Purchase Form from you

Edgar Filing: HOME PROPERTIES INC - Form 424B5

stating:

- * you are not purchasing the shares to engage in arbitrage activities
- * you will not sell Home Properties common stock or cause it to be sold during the plan's five day pricing period
- * you are not engaging in underwriting activities as defined under applicable law

Waiver purchases greater than \$5,000 may receive a discount between 0% and 3% from the plan purchase price. Home Properties reserves the right to review and adjust the waiver discount each month.

Waiver purchases greater than \$25,000 are also subject to a discretionary "Threshold Price" that may be set each month by Home Properties. The discounted purchase price must meet or exceed the Threshold Price for the purchase date. If the Threshold Price is not met, waiver payments are returned to you in full without interest. The Threshold Price only applies to optional cash purchases greater than \$25,000.

If you select optional cash purchase and want to purchase more than \$5,000 worth of our stock:

1. Contact the Investor Relations Department of Home Properties at 716-546-4900 with your request Ask for that month's Threshold Price and Waiver Purchase Form.
2. If approved, complete the Waiver Purchase Form that we supply and return it to us before the pricing period begins.
3. Send your optional cash payment to the agent before the pricing period begins.

HOW TO MAKE AN OPTIONAL CASH PAYMENT OR AN AUTOMATIC OPTIONAL CASH PAYMENT FROM YOUR BANK ACCOUNT

Make an optional cash payment by sending a check, money order, or wire transfer to the agent or authorize the agent to automatically withdraw from your bank account. Do not send cash to the agent. If you pay by check or money order, please use the transaction stub located on the bottom of your plan statement, make your check or money order payable to the agent and mail to the agent's address. Always write our New York Stock Exchange symbol, HME, on your check, money order or wire.

To authorize an automatic optional cash payment from your bank account, complete section five of the Enrollment Form or contact the agent for additional information or assistance. Funds will be withdrawn from your bank account on the first business day of the month. If this date falls on a bank holiday or weekend, funds will be withdrawn on the next business day. Please allow 4-6 weeks for withdrawals from your bank account to begin. You must notify the agent in writing to change or terminate automatic withdrawals from your bank account.

THE SOURCE OF PLAN SHARES

Home Properties common stock purchased in the plan is either issued directly by Home Properties from our authorized, unissued shares or purchased by the agent on the New York Stock Exchange in open trading. Home Properties designates the source of the shares but cannot change the source more than once every three months and only if required by law or other valid reason. We anticipate that Home Properties will issue shares directly from our authorized, unissued shares.

THE PLAN PURCHASE PRICE

Edgar Filing: HOME PROPERTIES INC - Form 424B5

The plan purchase price is calculated differently depending upon whether Home Properties issues new shares or the shares are bought by the agent in open trading.

NEWLY ISSUED SHARES - the price of shares purchased directly from Home Properties is the average of the daily high and low trading prices of Home Properties common stock reported on the New York Stock Exchange for the five business days just before the purchase date. You are not charged a fee for newly issued shares.

OPEN MARKET PURCHASES - the price of shares purchased in open market trading is the weighted average price for all shares purchased by the agent for the plan on the purchase date. You are charged a fee for open market purchases.

THE PURCHASE DATE AND THE PRICING PERIOD

- * The purchase date for optional cash payments is the tenth day of each month (or the next business day if the tenth is a weekend day or bank holiday).
- * The purchase date for the reinvestment of dividends is the declared quarterly dividend payment date.
- * The period when we calculate the plan purchase price for each purchase date is the five business days just before, and not including, the purchase date.

PAYMENT DUE DATE FOR OPTIONAL CASH PURCHASES

Your optional cash purchase payment must be received by the agent before the five day pricing period begins. You do not earn any interest on your payment, and you bear the risk associated with price changes in Home Properties common stock during the pricing period.

TRACKING YOUR INVESTMENT IN THE PLAN

If you participate in dividend reinvestment, the agent mails you a quarterly statement showing all transaction details for your account including year-to-date and other information. The agent sends supplemental statements or notices when you make an initial or optional cash purchase or a deposit, transfer, sale or withdrawal of shares. If you do not participate in dividend reinvestment, you receive a statement or notice confirming any transaction you make. An annual statement of your holdings is sent even if there was no activity during the year in your account.

Please notify the agent in writing if the address on your account changes.

Remember to save your account statements, along with this prospectus and other pertinent tax information related to Home Properties Dividend Reinvestment and Direct Stock Purchase Plan, to establish the cost basis of your common stock purchased in the plan.

OPTIONAL CASH PURCHASE DELAY NOTIFICATION

Home Properties notifies you of an optional cash purchase delay if the maximum number of shares available for this plan under our registration statement with the Securities and Exchange Commission (SEC) needs to be increased. If you are notified, then you may elect to have the agent hold your money until additional shares for the plan are available or you may have the agent return your money without interest. If your money is held, the plan purchase price is recalculated and you will receive the lower of the original or deferred purchase price, less the discount.

Edgar Filing: HOME PROPERTIES INC - Form 424B5

SAFEKEEPING YOUR STOCK CERTIFICATES

Home Properties shares you purchase in the plan are maintained in your plan account for safekeeping in book-entry form. You do not receive a certificate for those shares unless you request one in writing. You do receive a monthly or quarterly statement detailing the status of your holdings.

Any Home Properties shareholder may use the plan's safekeeping service for Home Properties stock certificates. Safekeeping is beneficial since you do not bear the risk and cost associated with the loss, theft, or destruction of stock certificates. With safekeeping, you retain the option to receive cash dividends or reinvest your dividends.

To deposit Home Properties shares in the plan's safekeeping service, send the stock certificates to the agent by registered mail with written instructions to deposit them in safekeeping. Do not endorse or assign your certificates.

OBTAINING STOCK CERTIFICATES

You can withdraw shares in certificate form from your plan account without charge by writing to the agent. The agent issues certificates in the name registered on the account, unless you instruct the agent to issue them in another person's name or deliver a stock power to the agent with your instructions. In order for certificates to be issued to another person, the signature on the stock power must be guaranteed by a financial institution. This ensures that the individual signing a stock certificate or stock power is in fact the registered owner named on the stock certificate or stock power. Contact your bank or broker for more information regarding this guarantee.

The agent issues certificates for whole shares only. The agent mails a check for the value of the fractional shares to you or your designate within two to three weeks, or you may arrange for the agent to deposit your money directly into your bank account.

SELLING SHARES IN YOUR PLAN ACCOUNT

You can sell any number of shares held in your plan account by writing to the agent. The agent sells shares weekly. The sales price for the shares the agent sells for you is the price received in open trading by the agent. You receive the proceeds of the sale less a small fee per share, and any required tax withholdings.

CLOSING YOUR PLAN ACCOUNT

You may stop participating in the plan at any time by notifying the agent in writing or by completing and returning the transaction stub of your most recent plan account statement.

To stop automatic optional cash payments that are withdrawn from your bank account, contact the agent at least one week before the last business day of the month.

When you close your account, you may receive:

- * certificates for full shares in your account and cash for remaining fractional shares
- * certificates for any portion of full shares and cash for remaining full and fractional shares
- * cash for all full and fractional shares

Edgar Filing: HOME PROPERTIES INC - Form 424B5

Please note that all sale proceeds are less a service fee.

CHANGES/TERMINATION OF THE PLAN

Home Properties reserves the right to amend or discontinue the plan at any time. The agent will send you written notice of any significant changes to the plan.

If we discontinue the plan, the agent returns any unused optional cash payments in your account, issues a certificate for whole shares in your account, and pays you cash for any fractional shares in your account.

SUSPENSION/TERMINATION OF YOUR PARTICIPATION

Home Properties also reserves the right to deny, suspend or terminate your participation in the plan if, in our sole discretion, you use the plan in a manner inconsistent with its intended purpose, such as excessive activity through multiple accounts. If we exercise this right, the agent notifies you in writing and continues to safekeep your shares but does not accept optional cash payments from you or reinvest your dividends. The agent can issue a certificate to you or transfer your shares electronically only upon your written request.

MISCELLANEOUS INFORMATION

VOTING OF SHARES

For each shareholder meeting, you receive proxy materials and a proxy card representing shares you own in certificate form and/or for whole and fractional shares owned in your plan account. The proxy allows you to indicate how you want your shares to be voted. Your shares are voted only as you indicate. However, you must sign your proxy card or your shares will not be voted. You may wait to vote or revoke your shares in person at the shareholder meeting.

HANDLING OF STOCK SPLITS, STOCK DIVIDENDS AND OTHER DISTRIBUTIONS

If Home Properties declares a stock split or stock dividend, the agent credits your plan account with the appropriate number of shares on the payment date.

In the event of a stock subscription or other offering of rights to shareholders, you are entitled to these rights based on the number of shares in your account on the record date for these transactions.

INCOME TAX INFORMATION

RELATING TO DIVIDENDS AND TRADING FEES

A portion of your dividends, whether or not they are reinvested, are considered taxable income in the year you receive them, and a portion of your dividends are considered return of capital. You receive an annual statement from the agent indicating the amount of dividends reported as taxable dividend income to the IRS on Form 1099.

The amount of the discount on any additional shares you purchase in the plan through a purchase price discount is reported to the IRS as taxable income. Consequently, your initial tax basis for those shares is the full purchase price before the discount. This information is also reported on your annual Form 1099.

RELATING TO TRANSFER OF SHARES

You do not realize a gain or loss for U.S. federal income tax purposes when you transfer shares into the plan or when you withdraw whole shares from the plan. You realize a gain or loss when you sell shares held in the plan, including cash

Edgar Filing: HOME PROPERTIES INC - Form 424B5

received for fractional shares. You are required to report this gain or loss on your federal income tax return.

WITHHOLDING TAXES

If you are a non-resident alien or a non-U.S. corporation, partnership, or other entity, you are subject to a withholding tax on dividends earned on your plan shares. The agent withholds the required amount determined according to U.S. Treasury regulations. This withholding amount is reflected in your plan account.

RISK FACTORS

ACQUISITION OF APARTMENT COMMUNITIES

DEBT FINANCING

Home Properties is subject to the customary risks associated with debt financing, including the potential inability to refinance existing mortgage indebtedness when it becomes due. The Board of Directors has adopted a policy of limiting our Company's indebtedness to approximately 50% of our market capitalization, although Home Properties' organizational documents contain no limitation on debt percentages. If the Board of Directors changes its position, we could increase our debt level.

General Real Estate Conditions

Home Properties' investment in real estate involves certain risks including general economic and local real estate conditions; other conditions that might affect operating expenses at our apartment communities, such as severe weather; the timely completion of renovation activities at our apartment communities, within anticipated budgets; the illiquid nature of real estate assets; and compliance with federal and state laws governing our properties.

OTHER RISK FACTORS

FAILURE TO QUALIFY AS A REIT

We cannot assure that Home Properties will remain qualified as a real estate investment trust (REIT) under the Internal Revenue Code of 1986, as amended. If Home Properties is disqualified as a REIT, Home Properties would not be allowed a deduction for distributions to shareholders in computing our taxable income and we would be subject to federal income tax (including any applicable alternative minimum tax) on our taxable income at regular corporate rates. The result may be a reduction in dividends to shareholders in the disqualified taxable year, and potentially for four taxable years following the disqualification.

To continue to be taxed as a REIT, no more than fifty percent (50%) in value of the outstanding Home Properties common stock may be owned, directly or indirectly, by five or fewer individuals at any time during the last six months of our taxable year. Home Properties limits ownership by any single stockholder to 8% of the outstanding common shares in an effort to prevent this restriction from being violated.

PROPERTY MANAGEMENT'S CONFLICTS OF INTEREST

Our executive officers own the majority of their interest in Home Properties through our UPREIT structure. This may create a conflict of interest between the officers and stockholders with respect to business decisions affecting Home Properties, and conflicts of interest as they relate to contracts and sales of properties managed by Home Properties. Please contact the Investor Relations department at our company headquarters for information on the UPREIT structure.
