Item 5. Interests of Named Experts and Counsel

Item 6. Indemnification of Directors and Officers

Edgar Filing: TOWER AUTOMOTIVE INC - Form S-8

The Registrant is incorporated under the laws of the State of Delaware. Section 145 of the General Corporation Law of the State of Delaware (the Delaware Statute) which provides that a Delaware corporation may indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a proceeding), other than an action by or in the right of such corporation, by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise (an indemnified capacity). The indemnity may include expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. Similar provisions apply to actions brought by or in the right of the corporation, except that no indemnification shall be made without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred. Section 145 of the Delaware Statute further authorizes a corporation to purchase and maintain insurance on behalf of any indemnified person against any liability asserted against him and incurred by him in any indemnified capacity, or arising out of his status as such, regardless of whether the corporation would otherwise have the power to indemnify him under the Delaware Statute.

The certificate of incorporation of the Registrant provides that each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the Registrant to the fullest extent authorized by the Delaware Statute, as the same exists or may thereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Registrant to provide broader indemnification rights than permitted prior thereto), against all expense, liability and loss (including attorney's fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith and such indemnification shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the indemnitee's heirs, executors and administrators; provided, however, that except as otherwise provided in the certificate of incorporation, with respect to proceedings to enforce rights to indemnification, the Registrant shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the board of directors of the Registrant. The right to indemnification conferred in the certificate of incorporation is a contract right and includes the right to be paid by the Registrant the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that, if the Delaware Statute requires, an advancement of expenses incurred by an indemnitee in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the Registrant of an undertaking, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified for such expenses. If a claim under the certificate of incorporation is not paid in full by the Registrant within sixty days after a written claim has been received by the Registrant, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be twenty days, the indemnitee may at any time thereafter bring suit against the Registrant to recover the unpaid amount of the claim.

The certificate of incorporation of the Registrant provides that, to the fullest extent permitted by the Delaware Statute, no director of the corporation shall be liable to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director.

Edgar Filing: TOWER AUTOMOTIVE INC - Form S-8

The Registrant's Bylaws provide for indemnification of its directors and officers to the fullest extent permitted by applicable law. The Registrant maintains directors' and officers' liability insurance against any actual or alleged error, misstatement, misleading statement, act, omission, neglect or breach of duty by any director or officer, excluding certain matters including fraudulent, dishonest or criminal acts or self-dealing.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, or otherwise, we have been informed that in the opinion of the commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

Reference is made to the Exhibit Index which appears on Page 7.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the Registration Statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Edgar Filing: TOWER AUTOMOTIVE INC - Form S-8

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(Through May 20, 2004)**

RECITALS

In an effort to simplify the administrative burden in overseeing the Amended and Restated Colleague Stock Discount Purchase Plan's operation, management has prepared this Second Amended and Restated Colleague Stock Discount Purchase Plan, incorporating all of the previous amendments to the Amended and Restated Colleague Stock Discount Purchase Plan through May 20, 2004, as approved by the Board of Directors.

PLAN

ARTICLE 1

Identification of the Plan

1.1 **Title**. This plan, as may from time to time be amended, shall be known as the Tower Automotive, Inc. Second Amended and Restated Colleague Stock Discount Purchase Plan (the Plan). The Plan is maintained by Tower Automotive, Inc. (the Company) and any of its domestic or Canadian subsidiaries that may adopt the Plan from time to time in accordance with the procedures set forth in Section 6.2 hereof with the Company's consent (each such adopting subsidiary shall be referred to herein as a Covered Entity).

1.2 **Purpose**. The purpose of the Plan is to provide employees who wish to purchase, at a discount, shares of the Company's Common Stock, par value \$.01 per share (Shares), a convenient and economical method of doing so. The Company believes that employee ownership of Shares will foster greater employee interest in the Company's growth and development and will be to the mutual benefit of both the employees and the Company.

1.3 **Effective Date**. The Plan has been effective since August 18, 1994.

1.4 **Defined Terms**. Certain capitalized terms used herein and not otherwise defined herein shall have the meanings given to such terms in Section 6.3 hereof.

ARTICLE 2

Administration of the Plan

2.1 **Committee's Powers**. The Plan shall be administered by a committee (the Committee) composed of persons appointed by the Board in accordance with the provisions of Section 2.2. The Committee shall have full power and authority to:

Edgar Filing: TOWER AUTOMOTIVE INC - Form S-8

- (a) prescribe, amend and rescind rules and procedures governing the administration of the Plan, including, without limitation, any rules or regulations which may be necessary, advisable or desirable to govern the participation of officers in the Plan in order to exempt transactions under the Plan from Section 16(b) of the Exchange Act pursuant to Rule 16(b) under the Exchange Act;
- (b) to interpret the provisions of the Plan and the rules and procedures established by the Committee;
- (c) to determine the requirements imposed by or rights of any person under the Plan or any rule or procedure established by the Committee;
- (d) to determine the eligibility of employees to participate in the Plan in accordance with the standards set forth in Section 4.3 hereof;
- (e) to delegate certain of the duties of the Committee to one or more agents to facilitate the purchase and transfer of Shares and to otherwise assist in the administration of the Plan; and
- (f) to adjust the Maximum Annual Amount, as that term is defined in Section 4.8 of this Plan.

Each action of the Committee which is within the scope of the authority delegated to the Committee by the Plan or by the Board shall be binding on all persons.

2.2 Committee Membership. The Committee shall be composed of no fewer than two non-management members of the Board. The Board shall have the power to determine the number of members which the Committee shall have and to change the number of membership positions on the Committee from time to time. The Board shall appoint all members of the Committee. The Board may from time to time appoint members to the Committee in substitution for, or in addition to, members previously appointed and may fill vacancies, however caused, on the Committee. Any member of the Committee may be removed from the Committee by the Board at any time with or without cause. If at any time no Committee has been constituted by the Board to administer the Plan, then the entire Board shall have all authority and duties delegated to the Committee under the Plan.

2.3 Committee Procedures. The Committee shall hold its meetings at such times and places as it may determine. The Committee may make such rules and regulations for the conduct of its business as it shall deem advisable. Unless the Board or the Committee shall expressly decide to the contrary, a majority of the members of the Committee shall constitute a quorum and any action taken by a majority of the Committee members in attendance at a meeting at which a quorum of Committee members are present shall be deemed an act of the Committee.

2.4 Indemnification. No member of the Committee shall be liable, in the absence of bad faith, for any act or omission with respect to his or her service on the Committee under the Plan. Service on the Committee shall constitute service as a director of the Company so that the members of the Committee shall be entitled to indemnification and reimbursement as directors of the Company for any action or any failure to act in connection with service on the Committee to the fullest extent provided for at any time in the Company's Certificate of Incorporation and Bylaws, or in any insurance policy or other agreement intended for the benefit of the Company's directors.

ARTICLE 3
Shares Reserved for the Plan

There shall be reserved for issuance and purchase by employees under the Plan an aggregate of 1,800,000 Shares, subject to adjustment as provided in Section 4.11 hereof. Shares subject to the Plan may be shares now or hereafter authorized and unissued or shares already authorized, issued and owned by the Company. The right to purchase shares pursuant to the Plan shall be made available by a series of quarterly offerings to employees eligible to participate in the Plan pursuant to Section 4.3 hereof. If and to the extent that any right to purchase Shares under the Plan is not exercised by any employee for any reason or if such right to purchase terminates as provided herein, Shares that have not been so purchased under the Plan shall again become available for the purposes of the Plan during the remaining term of the Plan.

ARTICLE 4
Operation of the Plan

4.1 The Plan Year. The Plan shall operate on a fiscal year beginning on the first day of January in each year and ending on the 31st day of December of such year. Each such fiscal year is referred to herein as a Plan Year.

4.2 Plan Quarters. Each Plan Year shall be divided into four quarters ending on March 31, June 30, September 30 and December 31, respectively, of such Plan Year. Each such quarter is referred to herein as a Plan Quarter.

4.3 Eligibility. Any employee of the Company or a Covered Entity shall be eligible to participate in the Plan on the first day of any Plan Quarter immediately following the first day of such employee's employment with the Company or such Covered Entity. An employee's eligibility to participate in the Plan shall terminate if such employee (i) does not regularly work for the Company or such Covered Entity at least five (5) months during the calendar year, (ii) does not work an average of twenty (20) hours or more per week during such period worked, or (iii) would own, immediately after the exercise of any right granted hereunder, Shares possessing five percent (5%) or more of the total combined voting power or value of all classes of capital stock of the Company. In determine whether the stock ownership of an employee equals or exceeds this 5% limit, the rules of Code Section 424(d) shall apply, and stock which the employee may purchase under outstanding options (whether or not such options qualify for the tax treatment afforded by Code Section 421(a)) shall be treated as stock owned by the employee. The Committee shall determine which employees are eligible to participate in the Plan in accordance with the standards set forth in this Section. If the Committee determines that applicable state law prohibits or restricts an otherwise eligible employee from purchasing Shares because such employee has not reached the age of majority, then that employee shall not be eligible to participate in the Plan unless such employee establishes a custody arrangement for the Shares that is satisfactory to the Committee.

4.4 Election to Participate: Payroll Deductions.

(a) An eligible employee may elect to participate in the Plan as of the first day of any Plan Quarter by correctly completing and returning to the Company an enrollment form authorizing the Company or the Covered Entity to deduct a specified amount from each of such employee's subsequent paychecks (each a Payroll Deduction) for the purchase of Shares under the Plan. All Payroll Deductions shall be made regularly and in equal amounts and shall be credited to such employee's Cash Account. Such credit shall constitute only a bookkeeping entry by the Company and no interest shall become due or payable on any amount contributed by or credited to any such employee pursuant to the Plan. Employees who elect to participate in the Plan are referred to herein as Participants.

(b) The minimum allowable Payroll Deduction shall be Ten Dollars (\$10) per week.

(c) Each Participant shall be deemed to have authorized the same Payroll Deduction for each subsequent payroll period provided that such Participant is eligible to participate during each such payroll period. A Participant may increase or decrease his or her Payroll Deduction as of the first day of any Plan Quarter by filing the appropriate form, in the time and manner prescribed by the Committee.

(d) If a person ceases to be a Participant, or if for any reason the Company does not use the entire balance in a Participant's Cash Account to purchase Shares, then such unused balance shall be returned to such person.

4.5 Accounting for Participant Contributions. The Committee shall cause to be established for bookkeeping purposes a Cash Account and a Share Account for each Participant. As soon as practicable on or after the last day of each Plan Quarter, but in no event later than the fifteenth day of the month immediately following the end of such Plan Quarter, the Committee shall credit each Participant's Cash Account with such Participant's Payroll Deductions during the Plan Quarter (Contributions). The date of crediting of such Contributions is referred to herein as the Contribution Crediting Date. The Company shall not be required to pay or accrue interest on the cash balances in any such Cash Account or on the value of any Shares in such Share Account.

4.6 Share Purchases. Subject to Section 4.8 hereof, within fifteen (15) working days following each Contribution Crediting Date the Committee shall use the aggregate balance of funds in all Participants' Cash Accounts to Purchase Shares, which Shares shall then be allocated to such Participants' Share Accounts pursuant to Section 4.7. The Purchase Price per Share to each Participant shall be 85% of the lower of (i) the closing price per Share on the New York Stock Exchange (NYSE) on the first day of the Plan Quarter to which such purchase relates, or (ii) the closing price per Share on the NYSE on the last day of the Plan Quarter to which such purchase relates; provided that if the first or last day of the Plan Quarter is a day on which the NYSE is closed, the price for such day shall be determined as of the last preceding day on which the NYSE is open.

Edgar Filing: TOWER AUTOMOTIVE INC - Form S-8

4.7 Allocation of Shares. Subject to Section 4.8 hereof, as soon as practicable after all necessary Shares have been purchased pursuant to Section 4.6, the Committee shall allocate such Shares to Participants' Share Accounts (the date of such allocation to be referred to herein as the Share Allocation Date) in the following manner:

(a) The Company shall allocate full Shares and fractional Shares to the Share Account of each Participant to the extent of the balance in such Participant's Cash Account on the immediately preceding Contribution Crediting Date. Such Cash Account shall be charged with the cost to such Participant of all Shares so allocated, so that no cash balance shall remain in such Cash Account immediately following each Share Allocation Date.

(b) Until certificates for such Shares are issued, no person shall have any right to sell, assign, mortgage, pledge, hypothecate or otherwise encumber any of such Shares.

4.8 Plan Contribution Limitations. No right to purchase Shares under the Plan shall permit a Participant to purchase Shares which, together with any stock of the Company purchased by such Participant under any other employee stock purchase plans (as defined in Section 423 of the Code), would have a fair market value (determined at the time such right is granted) in excess of \$12,000 for any calendar year in which such right is outstanding at any time (the Maximum Annual Amount).

4.9 Issuance of Share Certificates. Stock certificates for any of the whole Shares in a Participant's Share Account may be issued to such Participant only upon receipt by the Committee (or its agent) of such Participant's written request, which request shall indicate the number of Shares (up to a maximum of the number of full Shares in such Participant's Share Account) for which the Participant wishes to receive stock certificates. In addition, stock certificates for any of the whole Shares allocated to a Participant's Share Account on or after January 1, 1997, will be issued to such Participant only if the Participant has held the Shares for a minimum of two years from the Share Allocation Date for such Shares, unless such certificate is being issued upon termination of employment as provided in Section 4.14. In each case, such request shall be made on a form at the time prescribed by the Committee and shall be filed with the Committee (or its agent). The appropriate Share certificates shall be issued to such Participant as soon as practicable after the end of the Plan Quarter in which a qualifying request is timely made.

4.10 Expenses. The Company or the Covered Entity, as applicable, shall bear all costs associated with the administration of the Plan and the purchase of Shares. No expenses attributable to a Participant's sale of Shares, however, shall be borne by the Company or the Covered Entity.

4.11 Cash Dividends, Share Splits and Distributions.

(a) Cash Dividends. Any cash dividends attributable to Shares allocated to a Participant's Share Account as of the record date for which such cash dividends are declared shall be credited to such Participant's Cash Account as of the dividend payment date and shall be applied to Share purchases and allocations on the next Share Allocation Date in accordance with Sections 4.6 and 4.7 hereof.

(b) Share Distributions and Share Splits. Any Share distributions and Share splits attributable to Shares allocated to a Participant's Share Account as of the Share distribution record date or the Share split effective date shall be credited directly to such Participant's Share Account as of the record date and the effective date, respectively, of such Share distributions and such Share splits.

(c) Share Rights and Warrants. The Company may, from time to time and in the exercise of its sole discretion, declare rights or warrants with respect to Shares. Following and as of the record date for determining those shareholders of record entitled to receive rights or warrants with respect to their Shares, the Company shall issue and the Committee shall allocate such rights or warrants directly to the appropriate Participants as though the Shares allocated to the Share Account of each such Participant were held of record by such Participant. Certificates representing such rights or warrants, if any such certificates have been authorized by the Board, may be issued to each such Participant pursuant to the procedures set forth in Section 4.9 hereof.

(d) Changes in Common Stock. In the event of a reorganization, recapitalization, stock split, merger, consolidation or other event causing an increase or change in the common stock of the Company, the Committee may make appropriate changes in the number and type of Shares that at the time of such event remain available for purchase under the Plan.

4.12 Voting Rights. Holders of Shares under the Plan shall have the same rights to vote on matters affecting the Company as do other shareholders of the Company. If any such matter is submitted to the shareholders for a vote, then following the record date for any shareholder meeting at which such vote is to occur the Committee shall advise the Company of the number of Participants for whom Shares are held in Share Accounts on such record date, and the Company shall furnish the Committee (or its agent) with sufficient sets of proxy soliciting materials for one set to be delivered to each such Participant. The Committee shall forward one such set to each Participant for whom allocated Shares are being held, and shall request voting instructions from each such Participant. Upon receipt of such voting instructions, the Committee shall vote each Participant's Shares as instructed. If no voting instructions are received from a Participant, the Committee shall not vote any Share allocated to such Participant's Share Account.

4.13 Records and Reports to Participants.

(a) The Committee shall cause to be maintained true and accurate books of account and records of all transactions under the Plan, and such books and records shall be open to inspection and audit by such person or persons as the Company may designate. On or before March 31 of each year, the Committee shall file with the Company's Treasurer a written report setting forth all receipts, disbursements and other transactions effected on behalf of the Plan during the preceding Plan Year, including a description of all Shares purchased and the cost of all such Shares. Such report shall also disclose any liabilities of the Plan and shall show, as of the close of such Plan Year, the values of each Participant's Cash Account and Share Account together with the record of Share certificates delivered to each such Participant during such Plan Year.
