## Edgar Filing: OLD NATIONAL BANCORP /IN/ - Form 8-K

Regulation G, a non-GAAP financial measure is a numerical measure of the registrant's historical or future financial performance, financial position or cash flows that excludes amounts, or is subject to adjustments that have the effect of excluding amounts, that are included in the most directly comparable measure calculated and presented in accordance with GAAP in the statement of income, balance sheet or statement of cash flows (or equivalent statements) of the issuer; or includes amounts, or is subject to adjustments that have the effect of including amounts, that are excluded from the most directly comparable measure so calculated and presented. In this regard, GAAP refers to generally accepted accounting principles in the United States. Pursuant to the requirements of Regulation G, Old National Bancorp has provided reconciliations within the exhibits, as necessary, of the non-GAAP financial measure to the most directly comparable GAAP financial measure.

Operating earnings presented excludes gains and charges related to initiatives that impacted Old National Bancorp's results in prior years. Operating earnings measures and comparisons are presented as management uses this information in assessing the company's performance and believes this information is valuable to the users of its financial statements.
