Item 1.01 Entry Into a Material Definitive Agreement

On October 7, 2014, Malvern Federal Savings Bank (the “Bank”), the wholly owned subsidiary of Malvern Bancorp, Inc. (the “Company”), entered into a formal written agreement (the “Formal Agreement”) with the Comptroller of the Currency of the United States (the “OCC”). The Formal Agreement supersedes and replaces the Supervisory Agreement that the Bank previously entered into with the Office of Thrift Supervision (the “OTS”) in October 2010. The Formal Agreement provides, among other things, that within specified time frames, the Bank will:

- establish a Compliance Committee of its Board of directors to monitor and coordinate the Bank’s adherence to the Formal Agreement and to prepare periodic reports describing the Bank’s progress in complying with the Formal Agreement;
- ensure that it has competent management in place, undertake periodic reviews of the Bank’s management, implement a program to enhance and improve the skills the Bank’s management team, where necessary, act to fill any vacancies among the Bank’s senior executive officers within prescribed timeframes and in accordance with regulations of the OCC;
- revise its written strategic plan and submit such revised plan to the OCC for review, with such strategic plan establishing objectives for the Bank’s overall risk profile, earnings performance, growth, balance sheet mix, off-balance sheet activities, liability structure, capital and liquidity adequacy, and tolerance for interest rate risk, together with strategies to achieve the Bank’s objectives;
- revise its capital plan consistent with its revised strategic plan, and submit such revised capital plan to the OCC, with such revised capital plan providing specific plans for the Bank’s maintenance of adequate capital, determining the Bank’s capital needs in relation to material risks and the Bank’s strategic direction, identifying and establishing a strategy to maintain capital adequacy and strengthen capital if necessary, and providing for specific plans detailing how the Bank will comply with the restrictions and requirements included in the Formal Agreement which impact the Bank’s capital;
- declare or pay a dividend or make a capital distribution only if the Bank is, and will continue to be in compliance with its capital plan and its minimum capital ratios, and only after receipt of written non-objection by the OCC; and
- take all necessary steps to correct each violation of law, rule or regulation cited in the most recent report of examination by the OCC.

The foregoing description of the Formal Agreement is qualified in its entirety by reference to the Formal Agreement issued to the Bank, which is attached hereto as Exhibit 10.1, and is incorporated by reference into this Item 1.01.

As a result of the Formal Agreement, the Bank continues to be deemed to be in “troubled condition” and is not considered an “eligible institution” under applicable regulations. As a result, the Bank remains ineligible for expedited processing of any applications that it might file and must obtain the approval of the OCC prior to effecting any change in its directors or senior executive officers.
