- (2) To consider, if properly presented, a shareholder proposal; and
- (3) To transact such other business as may properly come before the meeting or any adjournment thereof.

Whether or not you plan to attend the meeting, and regardless of the number of shares you own, we urge you to vote FOR your Board's nominees (Proposal 1) and AGAINST the shareholder proposal (Proposal 2) by promptly completing, signing, dating and returning the enclosed white proxy card.

PROXY STATEMENT

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON DECEMBER 5, 2008

This proxy statement is furnished to the shareholders of Fort Dearborn Income Securities, Inc. (the "Fund") in connection with the Board of Directors' solicitation of proxies to be used at the annual meeting of shareholders of the Fund to be held on December 5, 2008, at 1:00 p.m., Central Time, at the principal executive offices of the Fund at One North Wacker Drive, 38th Floor, Chicago, Illinois 60606, or any adjournment or adjournments thereof. This proxy statement and the related proxy card will first be mailed to shareholders on or about October 16, 2008.

A majority of the shares outstanding and entitled to vote on October 6, 2008 represented in person or by proxy, must be present to establish a quorum for the transaction of business at the meeting. Abstentions and broker non-votes will be counted as shares present for purposes of determining whether a quorum is present. Broker non-votes are shares held in street name for which the broker indicates that instructions have not been received from the beneficial owners or other persons entitled to vote and for which the broker does not have discretionary voting authority. It is expected that abstentions and broker non-votes will have no effect on Proposal 1, but will have the equivalent effect of a vote against Proposal 2. In the event that a quorum is not present at the annual meeting, shareholders present in person or the persons named as proxies may propose one or more adjournments of the annual meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares represented at the annual meeting in person or by proxy. If the meeting is adjourned, notice need not be given of the adjourned meeting at which the adjournment is taken. At any adjourned meeting, the Fund may transact any business which might have been transacted at the original meeting.

The individuals named as proxies on the enclosed proxy card will vote in accordance with your direction as indicated thereon if your proxy card is received properly executed by you or by your duly appointed agent or attorney-in-fact. If you give no voting instructions, your shares will be voted FOR the four nominees for Director named herein, AGAINST the shareholder proposal described herein, and, in the proxies' discretion, either FOR or AGAINST any other business that may properly arise at the annual meeting, including questions of adjournment. You may revoke any proxy card by attending the annual meeting in person, giving another proxy or submitting a written notice of revocation to the Fund's Secretary at UBS Global Asset Management (Americas), Inc., One North Wacker Drive, Chicago, Illinois 60606. Unless you are attending the annual meeting in person, to be effective, your revocation must be received by the Fund prior to the meeting and must indicate your name and account number. If you attend the annual meeting in person you may, if you wish, vote by ballot at the meeting, thereby canceling any proxy previously given. If your shares are held by your bank or broker, then in order to vote in person at the annual meeting, you will need to obtain a "Legal Proxy" from your bank or broker and present it to the Inspector of Election at the meeting. In the event that the election of Directors is contested, the Fund expects that broker-dealer firms holding shares of the Fund in "street name" for their customers will not be permitted by New York Stock Exchange ("NYSE") rules to vote on the election of Directors on behalf of their customers and beneficial owners in the absence of voting instructions from their customers and beneficial owners.

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

As of the record date, October 6, 2008, the Fund had 8,775,665 shares of common stock outstanding. The solicitation of proxies, the cost of which will be borne by the Fund, will be made primarily by mail but also may include telephone and oral communications by regular employees of UBS Global Asset Management (Americas), Inc. ("UBS Global AM" or the "Advisor"), who will not receive any compensation therefor from the Fund. Each full share of the Fund outstanding is entitled to one vote, and each fractional share of the Fund outstanding is entitled to a proportionate share of one vote. The Fund has made arrangements with Georgeson Inc. to assist with solicitation of proxies, as described in the section entitled, "Solicitation of Proxies."

UBS Global AM serves as the Fund's investment advisor. UBS Global AM is an indirect wholly owned asset management subsidiary of UBS AG. UBS AG is an internationally diversified organization with headquarters in Zurich and Basel, Switzerland. UBS AG operates in many areas of the financial services industry. The principal business offices of UBS Global AM are located at One North Wacker Drive, Chicago, Illinois 60606. The principal offices of UBS AG are Bahnhofstrasse 45, Zurich, Switzerland and Aeschenvorstadt 1, 4051 Basel, Switzerland.

THE FUND IS SENDING TO SHAREHOLDERS, IN A SEPARATE MAILING, THE FUND'S ANNUAL REPORT FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2008. YOU MAY OBTAIN, WITHOUT CHARGE, ADDITIONAL COPIES OF THE FUND'S ANNUAL REPORT AND SEMI-ANNUAL REPORT BY: (1) WRITTEN REQUEST TO: UBS GLOBAL ASSET MANAGEMENT (AMERICAS), INC., ATTN: MARK F. KEMPER, ONE NORTH WACKER DRIVE, CHICAGO, ILLINOIS 60606; OR (2) CALLING THE FUND'S TOLL-FREE NUMBER: 1-800-647 1568.

PROPOSAL 1. ELECTION OF DIRECTORS

Proposal 1 relates to the election of Directors of the Fund. Management proposes the election of the four nominees named in the table on the following page. Each nominee has indicated his or her willingness to serve if elected. If elected, each nominee will hold office until the next annual meeting of shareholders or until his or her successor is elected and qualified, or until he or she resigns or is otherwise removed. Each of the nominees was last elected Director at the Fund's December 2007 annual meeting of shareholders. As described more fully below, these nominees have significant experience managing investment vehicles. All of the Fund's nominees have been Fund Directors for numerous years, and are also on the Boards of other funds managed by UBS Global AM. They have had experience as senior officers and directors of major business corporations and other investment advisors.

Directors are elected by a plurality vote of shareholders. Unless you give contrary instructions on the enclosed proxy card, your shares will be voted FOR the election of all four nominees. If any of the nominees should withdraw or otherwise become unavailable for election, your shares will be voted FOR such other nominee or nominees as management may recommend.

Directors, including those who are not "interested persons" of the Fund as that term is defined by the Investment Company Act of 1940, as amended ("1940 Act") ("Independent Directors"), shall be elected by the affirmative vote of the holders of a plurality of the shares of the Fund cast in person or by proxy and entitled to vote thereon, provided a quorum is present. There is no cumulative voting for the election of Directors. Proxies cannot be voted for a greater number of persons than the number of nominees named. None of the Directors or nominees beneficially owned 1% or more of the Fund's common stock and none of the executive officers beneficially owned any shares of the Fund's common stock as of October 6, 2008. In addition, the Directors and executive officers, as a

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

group, beneficially owned less than 1% of the outstanding common stock of the Fund as of October 6, 2008.

Listed in the table on the following page, for each nominee, is a brief description of the nominee's experience as a Director of the Fund and as a director or trustee of other funds, as well as other recent professional experience.

A dissident shareholder group has indicated its intention to elect its own nominees to the Fund's Board of Directors at the meeting. The dissident shareholder group has also stated that it wants to terminate the Fund's investment advisory agreement with UBS Global AM (as described in the

description of Proposal 2 below). If the dissident nominees are elected, the Fund's current Board strongly believes that your Fund's investment advisory agreement with UBS Global AM would be terminated - stripping the Fund of the resources and expertise of UBS Global AM, which has been the Fund's investment advisor for over 35 years, and potentially leaving the Fund without the capacity to manage its portfolio, conduct research, or pursue trades.

As discussed in Proposal 2 below, the Fund's current Board believes that it is in shareholders' best interests to continue the Fund's investment advisory relationship with UBS Global AM. As a result, the Fund's current Board intends to vigorously contest the election of the dissident nominees. We urge you to vote FOR your Board's nominees by promptly completing, signing, dating and returning the enclosed white proxy card.

PROPOSAL 2. A SHAREHOLDER PROPOSAL

A shareholder (the "Shareholder Proponent") has submitted the following proposal (the "Shareholder Proposal") to be included in this proxy statement:

RESOLVED: The investment advisory agreement between UBS Global Asset Management (Americas), Inc. and Fort Dearborn Income Securities, Inc. shall be terminated.

Set forth below is the Board of Directors' opposition statement with regard to the Shareholder Proposal, which is immediately followed by the supporting statement of the Shareholder Proponent.

OPPOSITION STATEMENT OF FORT DEARBORN INCOME SECURITIES, INC.

YOUR FUND'S BOARD OPPOSES THE SHAREHOLDER PROPOSAL AND BELIEVES IT IS IN YOUR BEST INTERESTS TO MAINTAIN YOUR FUND'S INVESTMENT ADVISORY AGREEMENT WITH UBS GLOBAL AM. UBS Global AM has delivered consistently strong market returns to Fund investors over time. The Board believes strongly that your Fund receives significant benefits from its continued investment advisory relationship with UBS Global AM, but would not be able to provide the same benefits to shareholders if the investment advisory agreement with UBS Global AM is terminated. THE BOARD THEREFORE RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST THE SHAREHOLDER PROPOSAL.

REASONS FOR THE BOARD'S RECOMMENDATION

Your Fund's Board has reviewed and considered the Shareholder Proposal but believes that it is not in the best interests of the Fund and its shareholders. For the reasons discussed below, the Board believes that the Fund's shareholders are best served by voting AGAINST the Shareholder Proposal.

1. YOUR FUND'S COMPETITIVE PERFORMANCE

Your Fund's Board believes that the Fund's investment approach and long-term market price performance has benefited shareholders. With UBS Global AM as your Fund's investment advisor, your Fund's long-term performance at market price has been consistently competitive, both in absolute terms and relative to its Lipper peer group, and benchmark indices, as shown in the table on the following page.

UBS Global AM has consistently provided your Fund with solid long-term investment performance, which leads the Board to recommend that shareholders continue the Fund's investment advisory relationship with UBS Global AM and vote

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

AGAINST the Shareholder Proposal.

2. YOUR FUND BENEFITS FROM THE CONSISTENT AND CONTINUOUS MANAGEMENT OF UBS GLOBAL AM

UBS Global AM and its predecessors have managed your Fund consistently for over 35 years, since its inception, with the goal of providing long-term shareholders with a total return over time that is above what they could receive by investing individually in the investment grade and long-term maturity sectors of the bond market. UBS Global AM has continuously managed your Fund over the years using a proven management style with an experienced management team. This has benefited Fund shareholders year in and year out by providing steady, uninterrupted management, which in turn, has reduced potential expenses attributable to changes in fund management.

Fund shareholders also benefit from the experience and resources of the Advisor. As of June 30, 2008, the Advisor had approximately \$160 billion in assets under management. Moreover, the Advisor is an

7

indirect, wholly owned asset management subsidiary of UBS AG and a member of the UBS Global Asset Management division, which had approximately \$741 billion in assets under management worldwide as of June 30, 2008. The Advisor's expertise and resources enable it to provide your Fund with first rate research, trading, and investment management support. Michael G. Dow, your Fund's lead portfolio manager, is Head of US Long Duration at UBS Global AM and has more than 18 years of investment industry experience.

The extensive experience of the Advisor has contributed to the long-term success of your Fund. Your Fund's Board therefore believes that it is in the best interest of the Fund and its shareholders to retain UBS Global AM as the Fund's investment advisor, and recommends voting AGAINST the Shareholder Proposal.

3. THE SHAREHOLDER PROPOSAL IS INCOMPLETE

Your Fund's Board also opposes the Shareholder Proposal because it offers no viable alternative if UBS Global AM is removed as your Fund's investment advisor, raising the possibility that your Fund could eventually be orphaned without any advisor at all. If the Shareholder Proposal is approved, your Fund's Board would, of course, use its best efforts to search for a replacement investment advisor that would be willing and able to manage the Fund. The 1940 Act provides a mechanism for the Fund's Board to retain UBS Global AM as the Fund's investment advisor for an additional 150 days following the termination. There is no guarantee, however, that the Fund's Board would be able to find and retain a qualified investment advisor that would agree to assume the management of your Fund for a reasonable cost and obtain shareholder approval of the new advisor during this time period. If a new advisor is not approved within this time period, your Fund will have no investment advisor, making it impossible for your Fund to carry out any portfolio management, research or trading. In that event, your Fund's investment program would be completely paralyzed.

The Shareholder Proposal also ignores the significant expenses that the Fund and its shareholders could incur in replacing UBS Global AM. Not only could the search process for a replacement investment advisor itself prove costly, but

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

your Fund may be further forced to pay higher advisory fees to attract a replacement advisor that is qualified and willing to manage the Fund. Your Fund's expenses could also increase if it must bear the replacement advisor's costs of establishing portfolio management, research, and trading facilities dedicated to the Fund - resources that UBS Global AM already provides. Your Fund's costs could escalate even further depending on other integration expenses that come with a replacement investment advisor, such as the expenses of obtaining shareholder approval of a new investment advisory agreement with a replacement investment advisor or brokerage costs due to increased portfolio turnover from a replacement investment advisor implementing its new strategy.

Contrary to the Shareholder Proponent's assertion that terminating UBS Global AM as the Fund's advisor would have a positive effect on your Fund's market share price, the Board is concerned that the uncertainty surrounding a dismissal of UBS Global AM could seriously undermine your Fund's market share price. In light of these significant management continuity and expense issues, the Board believes that the Shareholder Proposal is not in the best interest of the Fund's shareholders. The Board therefore recommends that Fund shareholders vote AGAINST the Shareholder Proposal.

4. YOUR FUND'S DISCOUNT IS CONSISTENT WITH OTHER CLOSED-END FUNDS

As with most other closed-end funds within the Fund's Lipper peer group, the market price of the Fund's shares often trades at a lower price than the Fund's net asset value ("NAV") per share. That is, the Fund's shares often trade at a discount. As of September 30, 2008, the median discount for the Lipper Corporate Debt BBB-

8

Rated closed-end funds peer group was -14.7% and the average discount for that group was -14.8%, compared to the Fund's discount of -6.4%. (Source: Lipper Inc.). The Fund's discount is thus in line with that currently experienced by similar corporate bond closed-end funds generally. Accordingly, the Board believes that the presence of a discount should not, by itself, necessitate the drastic step of terminating your Fund's investment advisory agreement with UBS Global AM. Given your Fund's consistently solid returns at market price and NAV, your Fund's Board believes it would be unwise to terminate the investment advisory agreement with UBS Global AM based on factors wholly unrelated to the Advisor's long-term investment performance. The Board therefore recommends that the Fund's shareholders vote AGAINST the Shareholder Proposal.

CONCLUSION

For the reasons stated above, the Board recommends that Shareholders vote AGAINST the Shareholder Proposal.

SUPPORTING STATEMENT OF THE SHAREHOLDER PROPONENT

Many closed-end funds are trading at a premium to their net asset value ("NAV"). However, neither the Board of Directors of Fort Dearborn Income Securities, Inc. (the "Fund") nor the advisor, UBS Global Asset Management (Americas), Inc., has taken effective steps to help provide shareholders of this Fund with such an opportunity for increased value. To the contrary, for many years this Fund has instead continued to sell at a persistent discount to its NAV. This shareholder proposal to terminate the investment advisory agreement with UBS Global Asset Management (Americas), Inc. may be the only type of

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

shareholder proposal that the Board cannot legally ignore. If the existing advisory agreement is terminated by this shareholder proposal, the Board could be forced to take action that may lead to a significant increase in the market value of shares of the Fund, to the direct benefit of its shareholders.

The Shareholder Proponent is Ralph W. Bradshaw, One West Pack Square, Suite 1650, Asheville, North Carolina 28801. Neither the Fund, its Board of Directors nor management is responsible for the contents of the Shareholder Proposal or the Supporting Statement of the Shareholder Proponent.

VOTE REQUIRED

Section 15(a)(3) of the 1940 Act provides that a shareholder proposal to terminate the advisory agreement requires the "vote of a majority of the outstanding voting securities" of the Fund, which is defined in the 1940 Act to be "the vote, at the annual or a special meeting of the security holders of such company duly called, (A) of 67 per centum or more of the voting securities present at such meeting, if the holders of more than 50 per centum of the outstanding voting securities of such company are present or represented by proxy; or (B) of more than 50 per centum of the outstanding voting securities of such company, whichever is the less."

ADDITIONAL INFORMATION

INFORMATION CONCERNING INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Fund's financial statements for the fiscal year ended September 30, 2007, were audited by Ernst & Young LLP ("Ernst & Young"), independent registered public accounting firm. In addition, Ernst & Young prepares the Fund's federal and state annual income tax returns and provides certain non-audit services. The Audit Committee has considered whether the provision of those non-audit services is compatible with maintaining Ernst & Young's independence. In the past two fiscal years, the Audit Committee did not approve any services provided by Ernst & Young pursuant to Rule 2-01(c)(7)(i)(C) of Regulation S-X. The Board of Directors of the Fund has selected Ernst & Young as the independent registered public accounting firm for the Fund for the fiscal year ending September 30, 2008. Ernst & Young has been the Fund's independent registered public accounting firm since the fiscal year ended September 30, 2001. Ernst & Young has informed the Fund that it has no material direct or indirect financial interest in the Fund.

Representatives of Ernst & Young will be present at the meeting via telephone.

AUDIT FEES

For the fiscal years ended September 30, 2008 and September 30, 2007, the aggregate Ernst & Young audit fees for professional services rendered to the Fund were approximately \$35,000 and \$34,350, respectively.

Fees included in the audit fees category are those associated with the annual audits of financial statements and services that are normally provided in connection with statutory and regulatory filings.

PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee Charter contains the Audit Committee's pre-approval policies and procedures. Reproduced below is an excerpt from the Audit Committee Charter regarding pre-approval policies and procedures:

To carry out its purposes, the Audit Committee shall have the following duties and powers:

- (a) To pre-approve the engagement of, and to recommend to the Board the engagement, retention or termination of, the independent auditors to provide audit, review or attest services to the Fund, and, in

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

connection therewith, to review and evaluate the capabilities and independence of the auditors, and receive the auditors' specific representations as to their independence. In evaluating the auditor's qualifications, performance and independence, the Committee must, among other things, obtain and review a report by the auditors, at least annually, describing the following items: (i) all relationships between the independent auditors and the Fund, as well as with the Fund's investment advisor or any control affiliate of the investment advisor that provides ongoing services to the Fund; (ii) any material issues raised by the most recent internal quality control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, with respect to one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (iii) the audit firm's internal quality control procedures.

- (b) To pre-approve all non-audit services to be provided to the Fund by the independent auditors when, without such pre-approval, the auditors would not be independent of the Fund under applicable federal securities laws, rules or auditing standards.
- (c) To pre-approve all non-audit services to be provided by the Fund's independent auditors to the Fund's investment advisor or to any entity that controls, is controlled by or is under common control with the Fund's investment advisor ("advisor affiliate") and that provides ongoing services to the Fund, when, without such pre-approval by the Committee, the auditors would not be independent of the Fund under applicable federal securities laws, rules or auditing standards.
- (d) To establish, if deemed necessary or appropriate as an alternative to Committee pre-approval of services to be provided by the independent auditors as required by paragraphs (b) and (c) above, policies and procedures to permit such services to be pre-approved by other means, such as by

11

action of a designated member or members of the Committee, subject to subsequent Committee review or oversight.

- (e) To consider whether the non-audit services provided by the Fund's independent auditor to the Fund's investment advisor or any advisor affiliate that provides on-going services to the Fund, which services were not pre-approved by the Committee, are compatible with maintaining the auditors' independence.

AGGREGATE NON-AUDIT FEES

For the fiscal years ended September 30, 2008 and September 30, 2007, the aggregate non-audit fees billed by Ernst & Young of \$211,849 and \$6,650, respectively, included non-audit services rendered on behalf of the Fund of \$6,940 and \$6,650, respectively, and non-audit services rendered on behalf of the Fund's investment advisor (not including any sub-advisor whose role is primarily portfolio management and is subcontracted with or overseen by another investment advisor) and any entity controlling, controlled by, or under common

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

control with the investment advisor that provides ongoing services to the Fund of \$204,909 and \$0, respectively.

The Audit Committee has considered whether the provision of non-audit services that were rendered to the Fund's investment advisor (not including any sub-advisor whose role is primarily portfolio management and is subcontracted with or overseen by another investment advisor), and any entity controlling, controlled by, or under common control with the investment advisor that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c) (7) (ii) of Rule 2-01 of Regulation S-X is compatible with maintaining Ernst & Young's independence.

ADDITIONAL INFORMATION ABOUT THE BOARD OF DIRECTORS

The Board of Directors (the "Board") of the Fund met seven times during the fiscal year ended September 30, 2008. Each Director attended 75% or more of the Board meetings during the last fiscal year. In addition, no Directors attended less than 75% of the aggregate of the total number of meetings held by the Board and the total number of meetings held by all committees on which such Director served during the fiscal year ended September 30, 2008.

The Fund's Directors are not required to attend the Fund's annual meetings. All four of the Directors attended the annual meeting of shareholders in 2007.

The Fund's Audit Committee is responsible for, among other things: (i) selecting, overseeing and setting the compensation of the Fund's independent registered public accounting firm; (ii) overseeing the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) overseeing the quality and objectivity of the Fund's financial statements and the independent audits thereof; and (iv) acting as a liaison between the Fund's independent registered public accounting firm and the full Board of Directors. A copy of the Audit Committee Charter is available on the Fund's website at www.ubs.com. In fulfilling its duties, the Audit Committee has: (a) reviewed and discussed the Fund's audited financial statements with management; (b) discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61; (c) received certain written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 and discussed the independent auditors' independence with them; and (d) based upon its review of the above, recommended to the Board that the Fund's audited financial statements be included in the Fund's annual report to shareholders for the fiscal

year ended September 30, 2007. It is anticipated the Audit Committee will conduct similar discussions and review for the fiscal year ended September 30, 2008. The Audit Committee currently consists of Ms. Cepeda and Messrs. Reilly, Roob and Thomas, none of whom have any relationship to the Fund that may interfere with the exercise of their independence from management or the Fund and each of whom is independent as defined under listing standards of the NYSE applicable to closed-end funds. Each member of the Fund's Audit Committee is also a member of a similar committee established by the boards of certain other investment companies for which UBS Global AM or an affiliate serves as investment advisor, sub-advisor or manager. The Audit Committee met five times during the fiscal year ended September 30, 2008.

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

The Board has also established a Nominating, Compensation and Governance Committee that acts pursuant to a written charter ("Nominating, Compensation and Governance Committee Charter"). The Nominating, Compensation and Governance Committee is responsible for, among other things, selecting, evaluating and recommending to the Board candidates to be nominated as additional Independent Directors of the Board, periodically reviewing the composition of the Board, periodically reviewing Board governance procedures and recommending any appropriate changes thereto and periodically reviewing the compensation structure for Independent Directors. A copy of the Nominating, Compensation and Governance Committee Charter is attached as Appendix A. The Nominating, Compensation and Governance Committee currently consists of Ms. Cepeda and Messrs. Reilly, Roob and Thomas, none of whom is an "interested person" for purposes of the 1940 Act, and all of whom are independent as defined under listing standards of the NYSE applicable to closed-end funds. The Nominating, Compensation and Governance Committee met four times during the fiscal year ended September 30, 2008.

In nominating candidates, the Nominating, Compensation and Governance Committee believes that no specific qualifications or disqualifications are controlling or paramount, or that specific qualities or skills are necessary for each candidate to possess. In identifying and evaluating nominees for Director, the Nominating, Compensation and Governance Committee takes into consideration such factors as it deems appropriate. These factors may include: (i) whether or not the person is an "interested person" as defined in the 1940 Act, meets the applicable independence and experience requirements of the NYSE and is otherwise qualified under applicable laws and regulations to serve as a member of the Board; (ii) whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment advisor of the Fund, other Fund service providers or their affiliates; (iii) whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Board member; (iv) the person's judgment, skill, diversity and experience with investment companies and other organizations of comparable purpose, complexity and size and subject to similar legal restrictions and oversight; (v) the interplay of the candidate's experience with the experience of other Board members; and (vi) the extent to which the candidate would be a desirable addition to the Board and any committees thereof.

While the Nominating, Compensation and Governance Committee is solely responsible for the selection and recommendation to the Board of Board candidates, the Nominating, Compensation and Governance Committee will consider nominees recommended by Qualifying Fund Shareholders if a vacancy occurs among those board members who are independent board members. A Qualifying Fund Shareholder is a shareholder that: (i) owns of record, or beneficially through a financial intermediary, 1/2 of 1% or more of the Fund's outstanding shares and (ii) has been a shareholder of at least 1/2 of 1% of the Fund's total outstanding shares for 12 months or more prior to submitting the recommendation to the Nominating, Compensation and Governance Committee. In order to recommend a nominee, a Qualifying Fund Shareholder should send a letter to the chairperson of the Nominating, Compensation and

Governance Committee, care of the Secretary of the Fund at UBS Global Asset Management (Americas), Inc., One North Wacker Drive, Chicago, Illinois 60606. The Qualifying Fund Shareholder's letter should include: (i) the name and address of the Qualifying Fund Shareholder making the recommendation; (ii) the number of shares of the Fund which are owned of record and beneficially by such Qualifying Fund Shareholder and the length of time that such shares have been so

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

owned by the Qualifying Fund Shareholder; (iii) a description of all arrangements and understandings between such Qualifying Fund Shareholder and any other person or persons (naming such person or persons) pursuant to which the recommendation is being made; (iv) the name and address of the nominee; and (v) the nominee's resume or curriculum vitae.

The Qualifying Fund Shareholder's letter must be accompanied by a written consent of the individual to stand for election if nominated for the Board and to serve if elected by shareholders. The Nominating, Compensation and Governance Committee may also seek such additional information about the nominee as it considers appropriate, including information relating to such nominee that is required to be disclosed in solicitations or proxies for the election of board members.

Shareholders may send other communications to the Board by sending a letter to the chairperson of the Board of Directors, Mr. Frank K. Reilly, care of the Secretary of the Fund at UBS Global Asset Management (Americas), Inc., One North Wacker Drive, Chicago, Illinois 60606. The chairperson of the Board of Directors will relay shareholder communications to the other Board members.

SHAREHOLDER PROPOSALS

The Fund anticipates mailing this proxy statement on or about October 16, 2008. In addition, the Fund anticipates that its next annual meeting of shareholders will be held on or around the same date next year. Any shareholder who wishes to submit proposals for inclusion in the Fund's proxy statement and proxy card to be considered at the Fund's 2009 annual meeting of shareholders should send such proposals to the Secretary of the Fund at UBS Global Asset Management (Americas), Inc., One North Wacker Drive, Chicago, Illinois 60606. In order for such proposals to be included in the Fund's proxy statement and proxy card relating to the 2009 annual meeting of shareholders, shareholder proposals must be received by the Fund no later than June 18, 2009 and must satisfy other requirements of the federal securities laws. Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the proxy statement. A shareholder who wishes to make a proposal at the Fund's 2009 annual shareholders' meeting without including the proposal in the Fund's proxy statement and proxy card must notify the Fund of such proposal by directing such notice to the Secretary of the Fund at the address set forth above by no later than September 1, 2009. If a shareholder fails to give notice to the Fund by this date, then the persons named as proxies in the proxies solicited by the Board for the 2009 annual meeting of shareholders may exercise discretionary voting power with respect to any such proposal.

SOLICITATION OF PROXIES

Your vote is being solicited by the Directors of the Fund. The cost of soliciting these proxies will be borne by the Fund. The Fund reimburses brokerage firms and others for their expenses in forwarding proxy material to the beneficial owners and soliciting them to execute proxies.

In addition, the Fund has made arrangements with a professional proxy solicitation firm, Georgeson Inc., to assist with the solicitation of proxies. The Fund anticipates that the cost of retaining Georgeson Inc. will be approximately \$50,000, plus expenses. The Fund has agreed to indemnify Georgeson Inc. against certain liabilities, including liabilities arising under the federal securities laws. Georgeson Inc. has informed the Fund that it intends to employ approximately 40 persons to solicit proxies.

The Fund expects that the solicitation will be primarily by mail, but also may include telephone, telecopy, electronic, oral, or other means of communication. If the Fund does not receive your proxy by a certain time you may receive a telephone call from a proxy soliciting agent asking you to vote.

It is currently estimated that the total amount estimated to be spent on the solicitation (in excess of that normally spent for an annual meeting where only the reelection of the existing board members is at issue, and excluding

Edgar Filing: FORT DEARBORN INCOME SECURITIES INC - Form DEF 14A

salaries and wages of Fund officers and employees of UBS Global AM) will be approximately \$115,300 to \$208,600. As of September 30, 2008, approximately \$39,681 has been spent on the solicitation. These amounts exclude costs normally expended for the election of Directors in the absence of a contest. The Directors and officers of the Fund, or regular employees and agents of UBS Global AM, may be involved in the solicitation of proxies. The Fund does not reimburse such persons for the solicitation of proxies. The Fund intends to pay all costs associated with the solicitation and the annual meeting.

22

PARTICIPANTS

A dissident shareholder group has stated that it intends to file a proxy statement nominating its own slate of nominees for the Fund's Board of Directors. In the event that the dissident does commence a proxy contest, the SEC requires the Fund to provide shareholders with certain additional information relating to "participants" as defined in the SEC's proxy rules. Pursuant to those rules, the Fund's Directors are, and certain employees and agents of the Fund may be, deemed to be "participants."

For information about the Directors, please refer to Proposal 1 of this Proxy Statement. In addition, the following persons may also act as participants:

Except as noted in Proposal 1, the participants and their associates are not beneficial or record owners of any securities of the Fund or any securities of a parent or subsidiary of the Fund. The participants are not, and have not been within the past year, party to any contract, arrangements or understandings with any person with respect to any securities of the Fund, including, but not limited to joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies. The participants and any associates of the participants do not have any arrangement or understanding with any person with respect to any future employment by the Fund or its affiliates or with respect to any future transactions to which the Fund or any of its affiliates will or may be a party.
