Dear Enzo Biochem Shareholders:

It is my pleasure to invite you to Enzo Biochem Inc.'s 2015 Annual Meeting of Shareholders. The Annual Meeting will be held on January 6, 2016 at 9:00 am, at The Yale Club of New York City, 50 Vanderbilt Avenue, New York, New York 10017. Details regarding admission to the Annual Meeting and the business to be conducted are more fully described in the accompanying Notice of 2015 Annual Meeting of Shareholders and Proxy Statement.

Your Board of Directors is recommending a highly qualified and experienced slate of director nominees for election to the Board of Directors at the Annual Meeting. At the Annual Meeting, we will ask you to: (1) elect two directors as Class I Directors; (2) consider an advisory vote on the compensation of our named executive officers; (3) ratify the appointment of EisnerAmper LLP, an independent registered public accounting firm, as our independent auditors for the fiscal year ending July 31, 2016; and (4) take action upon any other business as may properly come before the Annual Meeting.

The accompanying materials include the Notice of Annual Meeting of Shareholders and Proxy Statement. The Proxy Statement describes the business that we will conduct at the Annual Meeting. It also provides information about us that you should consider when you vote your shares.

You should have also received a WHITE proxy card and postage-paid return envelope. WHITE proxy cards are being solicited on behalf of our Board of Directors.

Your vote will be especially important at the meeting. Lone Star Value Investors, L.P. and certain of its affiliates (together, Lone Star), a shareholder owning 1.23% of the issued and outstanding shares of the Company as of December 2, 2015, have notified the company that Lone Star intends to nominate a slate of two nominees for election as directors at the meeting in opposition to the nominees recommended by our Board of Directors. You may receive a proxy statement, proxy card and other solicitation materials from Lone Star. The Company is not responsible for the accuracy of any information provided by or relating to Lone Star or its nominees contained in solicitation materials filed or disseminated by or on behalf of Lone Star or any other statements that Lone Star may make.

After a thorough review of the Lone Star nominees by the Nominating and Corporate Governance Committee of the Board of Directors, including in-depth interviews with the nominees, the Board of Directors has determined NOT to endorse any Lone Star nominees and unanimously recommends that you vote FOR the election of each of the nominees proposed by the Board of Directors. The Board of Directors strongly urges you NOT to sign or return any proxy card sent to you by Lone Star. If you have previously submitted a proxy card sent to you by Lone Star, you can revoke that proxy and vote for our Board of Directors' nominees and on the other matters to be voted on at the meeting by using the enclosed WHITE proxy card.

If your brokerage firm, bank, broker-dealer or other similar organization is the holder of record of your shares (i.e., your shares are held in street name), you will receive voting instructions from the holder of record. You must follow these instructions in order for your shares to be voted. Your broker is required to vote those shares in accordance with your instructions. Because of the contested nature of the proposals, if you do not give instructions to your broker, your broker will not be able to vote your shares with respect to the election of directors (Proposal 1). **We urge you to instruct your broker or other nominee, by following those instructions, to vote your shares for the WHITE proxy card.**

We hope you will be able to attend the Annual Meeting, but if you cannot do so it is important that your shares be represented. Your vote is very important to us. **We urge you to read the accompanying Proxy Statement carefully, and to use the Company's WHITE proxy card to vote for the Board's nominees and in accordance with the Board's recommendations on the other proposals, as soon as possible, by telephone or Internet, or by signing,**

dating, and returning the enclosed WHITE proxy card in the postage-paid envelope provided, whether or not you plan to attend the Annual Meeting. Further instructions on how to vote are provided on the WHITE proxy card.

Thank you for your continued support. If you have any questions, please contact Okapi Partners LLC, the firm that is assisting us in connection with the Annual Meeting, at (877) 629-6356.

Sincerely,

Barry W. Weiner
President

PROXY STATEMENT
2015 ANNUAL MEETING OF SHAREHOLDERS

To be held on January 6, 2016

This Proxy Statement is being furnished to shareholders of record, as of November 23, 2015, of Enzo Biochem, Inc. (Enzo , Enzo Biochem or the Company), in connection with the solicitation of proxies by the Board of Directors of the Company (the Board) for the 2015 Annual Meeting of Shareholders to be held at The Yale Club of New York City, 50 Vanderbilt Avenue, New York, New York 10017, on January 6, at 9:00 a.m., New York City time (the Annual Meeting), and at any adjournments or postponements of the Annual Meeting, for the purposes stated in the accompanying Notice of 2015 Annual Meeting of Shareholders.

INFORMATION ABOUT THE MEETING

Q: Why did you send me this Proxy Statement?

A: We sent you this Proxy Statement and the enclosed WHITE proxy card because the Board is soliciting your proxy to vote at our 2015 Annual Meeting of Shareholders (the Annual Meeting) to be held on January 6, and at any postponements or adjournments of the Annual Meeting. This Proxy Statement summarizes information that is intended to assist you in making an informed vote on the proposals described in this Proxy Statement.

Q: Has the Company been notified that a shareholder intends to propose alternative director nominees at the Annual Meeting?

A: Yes. Lone Star Value Investors, L.P. and certain of its affiliates (together, Lone Star) have notified the Company that Lone Star intends to nominate a slate of two nominees for election as directors at the meeting in opposition to the nominees recommended by our Board. You may receive a proxy statement, proxy card and other solicitation materials from Lone Star. The Board unanimously recommends a vote FOR each of the Board s nominees for director on the enclosed WHITE proxy card.

We are not responsible for the accuracy of any information provided by or relating to Lone Star contained in any proxy solicitation materials filed or disseminated by, or on behalf of, Lone Star or any other statements that Lone Star may otherwise make.

Q: Who can vote at the Annual Meeting?

A: Only shareholders of record as of the close of business on November 23, 2015 (the Record Date) are entitled to vote at the Annual Meeting. On that date, there were 46,068,815 shares of our common stock outstanding and entitled to vote.

Q: How many shares must be present to conduct the Annual Meeting?

A: We must have a quorum present in person or by proxy to hold the Annual Meeting. A quorum is a majority of the outstanding shares entitled to vote as of the Record Date. Abstentions and broker non-votes (defined below) will be counted for the purpose of determining the existence of a quorum.

Q: What matters are to be voted upon at the Annual Meeting?

A: Three proposals are scheduled for a vote:

Election of Gregory M. Bortz and Dov Perlysky, the Company nominees, as Class I Directors to the Company s Board of Directors;

Approval, on an advisory basis, of the compensation of the Company s Named Executive Officers;

Ratification of the selection of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2016.

As of the date of this Proxy Statement, our Board does not know of any other business to be presented at the Annual Meeting. If other business is properly brought before the Annual Meeting, the persons named on the enclosed WHITE proxy card will vote on these other matters in their discretion.

Q: How does the Board recommend that I vote?

A: The Board recommends that you vote:

1. **FOR** the election of each of Gregory M. Bortz and Dov Perlysky who are the director nominees of the Company;
2. **FOR** the proposal to approve (on an advisory basis) the compensation of the Company's Named Executive Officers; and
3. **FOR** the proposal to ratify the selection of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2016.

Q: Are any other directors being nominated?

A: Lone Star has notified the Company by letter that it intends to propose two alternative director nominees for election at the Annual Meeting in opposition to the nominees recommended by your Board. After careful consideration by the Company, the Lone Star nominees have NOT been endorsed by your Board, and your Board unanimously recommends a vote FOR each of Gregory M. Bortz and Dov Perlysky, your Board's nominees for Class I Director, on the enclosed WHITE proxy card accompanying this proxy statement.

Q: What should I do if I receive a proxy card from Lone Star Value Investors?

A: Your Board unanimously recommends you disregard these materials of Lone Star. Even if you have already voted using the Lone Star proxy card, you have every right to change your vote by executing, dating and returning the enclosed WHITE proxy card or by voting by telephone or via the Internet by following the instructions provided on the enclosed WHITE proxy card. Only the latest dated proxy you submit will be counted. If you vote to WITHHOLD your vote with respect to any Lone Star nominee using the Lone Star proxy card, your vote will not be counted as a vote FOR the Board's nominees and will result in the revocation of any previous vote you may have cast on the Company's WHITE proxy card. If you wish to vote pursuant to the recommendation of the Board, you should disregard any proxy card that you receive other than the WHITE proxy card.

If you have any questions or need assistance voting, please call Okapi Partners, LLC at (877) 629-6356.

Q: How do I vote before the Annual Meeting?

A: You may vote your shares by mail by filling in, signing, dating and returning the enclosed WHITE proxy card or WHITE voting instruction form you receive from your broker. For your convenience, you may also vote your shares by telephone or via Internet by following the instructions on the enclosed WHITE proxy card or your WHITE voting instruction form. If you vote by telephone or via the Internet, you do not need to return your proxy card or voting instruction form. With respect to the election of directors, you may vote FOR all the nominees to the Board of Directors of the Company, you may withhold authority to vote for any nominee you specify and you may withhold authority to vote for all of the nominees as a group. For the advisory vote on the compensation of the Company's Named Executive Officers and the ratification of the selection of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2016, you may vote FOR or AGAINST or abstain from voting. We encourage you to disregard any non-WHITE proxy cards or non-WHITE voting instruction forms you may receive.

Q: May I vote at the Annual Meeting?

A: Yes, you may vote your shares at the Annual Meeting if you attend in person. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy or voting instructions as described above, or as directed by your broker if you hold your shares

through a broker, so that your vote will be counted if you later decide not to attend the Annual Meeting in person.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: If your shares are registered in your name on the Company's books and records or with our transfer agent, American Stock Transfer & Trust Company, you are the shareholder of record of those shares and this Notice of Annual Meeting and Proxy Statement and any accompanying documents have been provided directly to you by us. In contrast, if you purchased your shares through a brokerage or other financial intermediary, the brokerage or other financial intermediary will be the shareholder of record of those shares. Generally, when this occurs, the brokerage or other financial intermediary will automatically put your shares into street name, which means that the brokerage or other financial intermediary will hold your shares in its name or another nominee's name and not in your name, but will keep records showing you as the real or beneficial owner. If you hold shares beneficially in street name, this Notice of Annual Meeting and Proxy Statement and any accompanying documents have been forwarded to you by your broker, bank or other holder of record.

Q: How do I vote if my bank or broker holds my shares in street name ?

A: If you hold shares beneficially in street name, you may vote by submitting the enclosed voting instruction form. Telephone and Internet voting may be available please refer to the voting instruction card provided by your broker.

Q: What should I do if I receive more than one WHITE proxy card or other set of proxy materials from the Company?

A: If you hold your shares in multiple accounts or registrations, or in both registered and street name, you will receive a WHITE proxy card for each account. Please sign, date and return all WHITE proxy cards you receive from the Company. If you choose to vote by phone or by Internet, please vote once for each WHITE proxy card you receive. Only your latest dated proxy for each account will be voted. If Lone Star proceeds with its previously announced alternative nominations, we will likely conduct multiple mailings prior to the Annual Meeting date to ensure shareholders have our latest proxy information and materials to vote. We will send you a new WHITE proxy card with each mailing, regardless of whether you have previously voted. The latest dated proxy you submit will be counted, and, if you wish to vote as recommended by the Board then you should only submit WHITE proxy cards.

Q: How many votes do I have?

A: Each share of common stock that you own as of the close of business on the Record Date (November 23, 2015) entitles you to one vote on each matter voted upon at the Annual Meeting. As of the close of business on the Record Date, there were 46,068,815 shares of our common stock outstanding.

Q: May I change my vote?

A: Yes, you may change your vote or revoke your proxy at any time before the vote at the Annual Meeting. You may change your vote prior to the Annual Meeting by executing a valid WHITE proxy card bearing a later date and delivering it to us prior to the Annual Meeting at Enzo Biochem, Inc., Attention: Corporate Secretary, 527 Madison Avenue, New York, New York 10022. Submitting a WHITE proxy card will revoke votes you may have made on Lone Star's proxy card. You may withdraw your vote at the Annual Meeting and vote in person by giving written notice to our Corporate Secretary. You may also revoke your vote without voting by sending written notice of revocation so that it is received no later than 5:00 p.m. (New York City time) January 5, 2016 to our Corporate Secretary at the above address. Attendance at the meeting will not by itself revoke a previously granted proxy.

If you have previously signed a proxy card sent to you by Lone Star, you may change your vote by marking, signing, dating and returning the enclosed WHITE proxy card in the accompanying

postage-paid envelope or by voting by telephone or via the Internet by following the instructions on your WHITE proxy card. Submitting a Lone Star proxy card will revoke votes you have made via the Company's WHITE proxy card.

Q: How are my shares voted if I submit a WHITE proxy card but do not specify how I want to vote?

A: If you submit a properly executed WHITE proxy card but do not specify how you want to vote, your shares will be voted FOR the election of each of the Company's nominees for director; FOR advisory approval of the compensation of the Company's Named Executive Officers; and FOR the ratification of the selection of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2016. If you hold your shares beneficially, such as through a broker, and not of record, see the question above titled How do I vote if my bank or broker holds my shares in street name?

Q: Will my shares be voted if I don't provide instructions to my broker?

A: If you are the beneficial owner of shares held in street name by a broker, you must instruct your broker how to vote your shares. If you do not provide voting instructions at least ten days prior to the Annual Meeting date, your broker will be entitled to vote the shares with respect to discretionary items but will not be permitted to vote the shares with respect to non-discretionary items (we refer to the latter case as a broker non-vote). In the case of a broker non-vote, your broker can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum, but will not be able to vote on those matters for which specific authorization is required under the rules of the New York Stock Exchange (NYSE). Under NYSE rules, the proposal to elect directors, the advisory vote relating to executive compensation, and the proposal to ratify the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm for the fiscal year ending July 31, 2016, are non-discretionary matters for which specific instructions from beneficial owners are required. As a result, your broker will not be allowed to vote with respect to the election of directors, the proposal to approve (on an advisory basis) the compensation of the Company's Named Executive Officers, and the proposal to ratify EisnerAmper LLP's appointment as independent registered public accounting firm, on your behalf if you do not provide your broker with specific voting instructions on the proposals.

Your vote is important and we strongly encourage you to vote your shares by following the instructions provided on the enclosed voting instruction form. Please vote promptly.

Q: What vote is required to elect directors?

A: As a result of Lone Star's declared intention to propose alternative director nominees, assuming such nominees are in fact proposed for election at the Annual Meeting and such nominees have not been withdrawn by Lone Star, there will be more nominees than available positions and, as provided in the Company's Bylaws, directors will be elected on a plurality basis. This means that the two candidates receiving the highest number of FOR votes will be elected. A properly executed proxy card marked WITHHOLD with respect to the election of a director nominee will be counted for purposes of determining if there is a quorum at the Annual Meeting, but will not be considered to have been voted for or against the director nominee. Withhold votes and broker non-votes will have no effect on the outcome of the election.

It will NOT help elect your Board if you sign and return proxies sent by Lone Star even if you vote to WITHHOLD your vote with respect to their directors using the Lone Star proxy card.

In fact, doing so may cancel any previous vote you cast on the Company's WHITE proxy card. The only way to support your Board's nominees is to vote FOR the Board's nominees on the WHITE proxy card.

Q: What vote is required to approve, on an advisory basis, the compensation of the Company's Named Executive Officers?

A: This matter is being submitted to enable shareholders to approve, on an advisory basis, the compensation of the Company's Named Executive Officers. In order to be approved on an advisory basis, this proposal must receive the FOR vote of a majority of the shares present in person or by proxy and entitled to vote on the matter. Abstentions will have the same effect as a vote against the proposal. Broker non-votes will have no effect on this proposal as brokers are not entitled to vote on such proposals in the absence of voting instructions from the beneficial owner.

Q: What vote is required to ratify the selection of EisnerAmper LLP as Enzo Biochem's independent registered public accounting firm for the fiscal year ending July 31, 2016?

A: For approval of this proposal, the proposal must receive the FOR vote of a majority of the shares present in person or by proxy and entitled to vote on the matter. Abstentions will have the same effect as a vote against the proposal. Broker non-votes will have no effect on this proposal as brokers are not entitled to vote on this proposal in the absence of voting instructions from the beneficial owner.

Q: Who will count the votes?

A: Votes will be counted by an independent inspector of election appointed for the Annual Meeting by the Chairman of the Annual Meeting.

Q: Do shareholders have any appraisal or dissenters' rights on the matters to be voted on at the Annual Meeting?

A: No, shareholders of the Company will not have rights of appraisal or similar dissenters' rights with respect to any of the matters identified in this Proxy Statement to be acted upon at the Annual Meeting.

Q: What do I need for admission to the Annual Meeting?

A: Attendance at the Annual Meeting or any adjournment or postponement thereof will be limited to record and beneficial holders of Common Stock as of the Record Date, individuals holding a valid proxy from a record holder, and other persons authorized by the Company. If you are a shareholder of record, your name will be verified against the list of shareholders of record prior to your admittance to the Annual Meeting or any adjournment or postponement thereof. You should be prepared to present photo identification for admission. If you hold your shares in street name, you will need to provide proof of beneficial ownership on the Record Date, such as a brokerage account statement showing that you owned our stock as of the Record Date, a copy of a voting instruction form provided by your broker, bank or other nominee, or other similar evidence of ownership as of the Record Date, as well as your photo identification, for admission. If you do not provide photo identification or comply with the other procedures described above upon request, you will not be admitted to the Annual Meeting or any adjournment or postponement thereof. For security reasons, you and your bags will be subject to search prior to your admittance to the Annual Meeting.

Q: Who pays for the Company's solicitation of proxies?

A: The Company will bear the cost of the solicitation of proxies. In addition to mail and email, proxies may be solicited personally, via the Internet or by telephone or facsimile, by a few of our regular employees without additional compensation. We will reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their expenses for forwarding proxy materials to principals and beneficial owners and obtaining their proxies. As a result of the potential proxy solicitation by Lone Star, we may incur additional costs in connection with our solicitation of proxies. We have hired Okapi Partners LLC (Okapi) to assist us in the solicitation of proxies for a fee of up to \$125,000 plus out-of-pocket expenses depending on the services that it provides to us during the course of the solicitation. Okapi expects that approximately 25 of its employees will assist in the solicitation, which they may conduct personally, by mail, internet, telephone, fax, email, in-person meetings, press releases, and/or through the use of our investor relations website. We have agreed to indemnify Okapi against certain liabilities relating to or arising out of their engagement. Our expenses related to the solicitation of proxies from shareholders this year will significantly exceed those normally

spent for an Annual Meeting. These additional solicitation costs are expected to include the fee payable to our proxy solicitor; fees of outside counsel and financial and other advisors to advise the Company in connection with a contested solicitation of proxies; increased mailing costs, such as the costs of additional mailings of solicitation material to shareholders, including printing costs, mailing costs and the reimbursement of reasonable expenses of banks, brokerage houses and other agents incurred in forwarding solicitation materials to beneficial owners of our common stock, as described above; and possibly the costs of retaining an independent inspector of election.

Q: How can I find out the results of the voting at the Annual Meeting?

A: We will announce results promptly once they are available and will report final results in a filing with the Securities and Exchange Commission (SEC) on Form 8-K.

Q: What is householding and how does it work?

A: Some brokers and other nominee record holders may be participating in the practice of householding this Proxy Statement and other proxy materials. This means that only one copy of this Proxy Statement and other proxy materials may have been sent to multiple shareholders in a shareholder's household. The Company will promptly deliver additional copies of the Proxy Statement and other proxy materials to any shareholder who contacts (i) the Company's principal corporate office at 527 Madison Avenue, New York, New York 10022, Attention: Investor Relations or at (212) 583-0100 requesting such additional copies or (ii) Okapi, the Company's proxy solicitor, at (877) 629-6356. If a shareholder is receiving multiple copies of the Proxy Statement and other proxy materials at the shareholder's household and would like to receive only a single copy of the Proxy Statement and other proxy materials for a shareholder's household in the future, such shareholder should contact their broker, other nominee record holder, or the Company's investor relations department to request the future mailing of only a single copy of the Company's Proxy Statement and other proxy materials.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Set forth below is information concerning stock ownership of all persons known by the Company to own beneficially 5% or more of the shares of Common Stock of the Company, the executive officers named in the Summary Compensation Table as Named Executive Officers, all current Directors (which includes the Board's Class I Director-nominees), and all current Directors and executive officers of the Company as a group.

The percentages in the Percent of Class column are calculated in accordance with the Rules of the SEC, under which a person may be deemed to be the beneficial owner of shares if that person has or shares the power to vote or dispose of those shares or has the right to acquire beneficial ownership of those shares within 60 days from the date thereof (for example, through the exercise of an option or warrant). The shares shown in the table as beneficially owned by certain individuals may include shares owned by certain members of their respective families. Because of these rules, more than one person may be deemed to be the beneficial owner of the same shares. PROPOSAL 1 ELECTION OF DIRECTORS

Board Nominees for Election at the Annual Meeting. The Board unanimously recommends using the enclosed WHITE proxy card to vote FOR each of the Board's two nominees for Director. Lone Star has provided the Company with notice that it intends to nominate two nominees for election as Class I directors at the Annual Meeting. As a result, the election of directors is considered a contested election and the two nominees receiving the largest pluralities of the votes cast will be elected.

The Board unanimously recommends that you disregard any proxy card that may be sent to you by Lone Star. Voting AGAINST Lone Star's nominees on its proxy card is NOT the same as voting FOR our Board's nominees, because a vote against Lone Star's nominees on its proxy card will revoke any previous proxy submitted by you. If you have already voted using a proxy card sent to you by Lone Star, you have every right to change it and we urge you to revoke that proxy by voting in favor of our Board's nominees by using the enclosed WHITE proxy card. Only the latest validly executed proxy that you submit will be counted.

Overview of Election of Directors. The Company's Board has three staggered classes of Directors, each of which serves for a term of three years. At the Annual Meeting, the Board's Class I Directors will be elected to hold office for a term of three years or until their respective successors are elected and qualified. Unless otherwise instructed, the shares represented by validly submitted proxy cards will be voted FOR the election of the below-listed Board nominees to serve as Class I Directors of the Company. Management has no reason to believe that the below-listed Board nominees will not be candidates or will be unable to serve as Class I Directors. However, in the event that either of the below-listed Board nominees should become unable or unwilling to serve as Class I Director(s), the proxy card will be voted for the election of such alternate person(s) as shall be designated by the Class II and Class III Directors currently on the Board. If any alternate person(s) is/are designated by the Class II and Class III Directors currently on the Board to serve as Class I Director- nominee(s), the Company will publicly notify shareholders by press release and will promptly distribute to shareholders revised proxy materials (including a revised proxy card) that (i) identify each such substitute nominee, (ii) disclose whether such substitute nominee has consented to being named in the revised proxy statement and to serve if elected and (iii) include certain other disclosures required by applicable federal proxy rules and regulations with respect to each such substitute nominee.

The total cumulative length of time that any Outside Director (a member of the Board who is not an officer or employee of the Company) may serve on the Board is limited to a maximum of three three-year terms, whether consecutively or in total, plus any portion of an earlier three-year term that such Outside Director may have been appointed to serve.

The Board unanimously recommends that you disregard any proxy card that may be sent to you by Lone Star. Voting AGAINST Lone Star's nominees on its proxy card is not the same as voting FOR our Board's nominees, because a vote against Lone Star's nominees on its proxy card will revoke any previous proxy submitted by you. If you have already voted using a proxy card sent to you by Lone Star, you have every right to change it and we urge you to revoke that proxy by voting in favor of our Board's nominees by using the enclosed WHITE proxy card. Only the latest validly executed proxy that you submit will be counted.

Background to Potential Contested Solicitation

On September 22, 2015, Jeffrey E. Eberwein, an affiliate of Lone Star, met with Barry Weiner, the Company's President, and Mr. Eberwein expressed an interest to increase his investment in the Company. On September 25, 2015, the Company received a letter from Lone Star in which Lone Star proposed a slate of two nominees for election at the 2015 annual meeting of shareholders.

On October 1, 2015, Mr. Eberwein spoke with Mr. Weiner and discussed the Company, his proposed nominees for director and his reasoning behind his submission of his director nominees. A meeting to discuss Lone Star's director nominees was also held on October 14, 2015.

On October 20, 2015, Mr. Weiner sent an email at the behest of the Company's Nominating and Corporate Governance Committee to Mr. Eberwein requesting additional information relating to Lone Star's nominees and stating that the Company's Nominating and Corporate Governance Committee would like to interview the Lone Star nominees to learn more about their qualifications.

Various additional communications were held in order to coordinate the interviews of the two Lone Star candidates with the Company's Nominating and Corporate Governance Committee. On November 17, 2015, Dimitrios Angelis, one of Lone Star's two nominees attended a meeting at the Company's office in New York City at which all of the members of the Company's Nominating and Corporate Governance Committee were present in person or teleconference. The interview of the candidate lasted approximately one and a half hours.

On November 20, 2015, John Climaco, the other nominee of Lone Star, participated in a video conference with all the members of the Company's Nominating and Corporate Governance Committee. The interview lasted approximately one and a half hours.

On November 23, 2015, the Company's Nominating and Corporate Governance Committee met, during which meeting the nominees for the Class I Director positions were carefully vetted and reviewed by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee unanimously approved (with each director who is a current Class I Director recusing himself from the vote with respect to himself) the nomination of the existing Class I Directors. Immediately subsequent to the Nominating and Corporate Governance Committee meeting, the full Board reviewed the Nominating and Corporate Governance Committee recommendations and unanimously endorsed and approved the same.

On November 25, 2015, Mr. Weiner had a telephone call with Mr. Eberwein in which he communicated to Mr. Eberwein that the Nominating and Corporate Governance Committee of the Company and the full Board reviewed Lone Star's proposed nominees and determined that neither nominee was to be recommended to be a director of the Company whether as replacements of existing directors or as additions to the Board, and offered Mr. Eberwein the opportunity to withdraw his nominees. Shortly after Mr. Weiner's call, Mr. Eberwein called Mr. Weiner back and proposed that the Board nominate one of Lone Star's nominees as an additional Board member (preferably Mr. Angelis but if not, Mr. Climaco) and expand the Board to six members, and then Lone Star would agree to withdraw its other nominee. In response, the Board held a meeting to consider this new proposal by Lone Star. The Board discussed the proposal and unanimously concluded not to accept this new proposal by Lone Star. The Company sent an email to Lone Star communicating the conclusion of the Board.

THE BOARD OF DIRECTORS OF THE COMPANY UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE ABOVE-NAMED BOARD NOMINEES TO SERVE AS CLASS I DIRECTORS OF THE COMPANY.

CORPORATE GOVERNANCE

Our Board and management are committed to responsible corporate governance to ensure that the Company is managed for the long-term benefit of its shareholders. To that end, during the past year, as in prior years, the Board and management have periodically reviewed and updated, as appropriate, the Company's corporate governance policies and practices. During the past year, the Board has also continued to evaluate and, when appropriate, update the Company's corporate governance policies and practices in accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the rules and listing standards issued by the Securities and Exchange Commission and the NYSE.

Corporate Governance Policies and Practices

The Company has a variety of policies and practices to foster and maintain responsible corporate governance, including the following:

Corporate Governance Guidelines The Board adopted Corporate Governance Guidelines, which collect in one document many of the corporate governance practices and procedures that had evolved over the years. These guidelines address the duties of the Board, Director qualifications and selection process, Board operations, Board Committee matters and continuing education. The guidelines also provide for annual self-evaluations by the Board and its Committees. The Board reviews these guidelines on an annual basis. The guidelines are available on the Company's website at www.enzo.com, and in print to any interested party that requests them by contacting Investor Relations at (212) 583-0100.

Corporate Code of Ethics The Company has a Code of Ethics that applies to all of the Company's employees, officers and members of the Board. The Code of Ethics is available on the Company's website at www.enzo.com, and in print to any interested party that requests it.

Board Committee Charters Each of the Company's Audit, Compensation and Nominating and Corporate Governance Committees has a written charter adopted by the Company's Board that establishes practices and procedures for such Committee in accordance with applicable corporate governance rules and regulations. The charters are available on the Company's website at www.enzo.com, and in print to any interested party that requests them.

Director Term Limits The total cumulative length of time that any member of the Board who is not an officer or employee of the Company (an Outside Director) may serve on the Board is limited to a maximum of three three-year terms, whether consecutively or in total, plus any portion of an earlier three-year term that such Outside Director may have been appointed to serve.

Lead Independent Director Charter The duties of the Lead Independent Director, as set forth in the Lead Independent Director Charter, among other things, are to develop the agendas for and serve as chairman of the executive sessions of the independent Directors of the Company; serve as principal liaison between the independent Directors of the Company and the Chairman of the Board and between the independent Directors and senior management; provide the Chairman of the Board with input as to the preparation of the agendas for Board meetings; advise the Chairman of the Board as to the quality, quantity and timeliness of the information submitted by the Company's management that is necessary or appropriate for the independent Directors to effectively and responsibly perform their duties; ensure that independent Directors have adequate opportunities to meet and discuss issues in executive sessions without management present; if the Chairman of the Board is unable to attend a Board meeting, act as chairman of such Board meeting; and perform such other duties as the Board shall from time to time delegate.

Bernard L. Kasten, M.D. has served as Lead Independent Director since March 2011. The Lead Director role was established in October 2005.

The Lead Independent Director Charter is available on the Company's website at www.enzo.com, and in print to any interested party that requests it by contacting Investor Relations at (212) 583-0100.

Director Independence

Requirements The Board believes that a majority of its members should be independent, non-employee Directors. The Board adopted the following Director Independence Standards, which are consistent with criteria established by the NYSE, to assist the Board in making these independence determinations:

No Director can qualify as independent if he or she has a material relationship with the Company outside of his or her service as a Director of the Company. A Director is not independent if, within the preceding three years:

The Director was an employee of the Company;

An immediate family member of the Director was an executive officer of the Company;

A Director was affiliated with or employed by a present or former internal or external auditor of the Company;

An immediate family member of a Director was affiliated with or employed in a professional capacity by a present or former internal or external auditor of the Company;

A Director, or an immediate family member of the Director, received more than \$120,000 per year in direct compensation from the Company, other than Director and Committee fees and pension or other forms of deferred compensation for prior services (provided such compensation is not contingent in any way on continued service);

The Director, or an immediate family member of the Director, was employed as an executive officer of another company where any of the Company's executives served on that company's compensation committee of the board of Directors;

The Director was an executive officer or employee, or an immediate family member of the Director was an executive officer, of another company that made payments to, or received payments from, the Company for property or services in an amount which, in any single fiscal year, exceeded the greater of \$1 million or two percent (2%) of such other company's consolidated gross revenues;

The Director, or an immediate family member of the Director, was an executive officer of another company that was indebted to the Company, or to which the Company was indebted, where the total amount of either company's indebtedness to the other was five percent (5%) or more of the total consolidated assets of the Company he or she served as an executive officer; or

The Director, or an immediate family member of the Director, was an officer, Director or trustee of a charitable organization where the Company's annual discretionary charitable contributions to the charitable organization exceeded the greater of \$1 million or two percent (2%) of that organization's consolidated gross revenues.

The Board has reviewed all material transactions and relationships among each Director, or any member of his or her immediate family, and the Company, its senior management and its independent auditors. Based on this review and in accordance with its independence standards outlined above, the Board has affirmatively determined that all of the non-employee Directors are independent.

Board Leadership Structure and Role in Risk Oversight

Elazar Rabbani, Ph.D. has been the Company's Chairman of the Board and Chief Executive Officer since the Company's inception in 1976. The Company believes that having one person, particularly Dr. Rabbani with his deep industry and executive management experience, his extensive knowledge of the operations of the Company and his own history of innovation and strategic thinking, serve as both Chief Executive Officer and Chairman is the best leadership structure for the Company because it demonstrates to employees, customers and shareholders that the Company is under strong leadership, with a single person setting the tone and having primary responsibility for managing the Company's operations. This unity of leadership promotes strategy development and

execution, timely decision-making and effective management of Company resources. The Company believes that it has been well served by this structure.

As described above, three of the Company's five Directors are independent. In addition, all of the directors on each of the Audit Committee, Compensation Committee and Nominations and Corporate Governance Committee are independent directors and each of these Committees is led by a Committee chair. The Committee chairs set the agendas for their Committees and report to the full Board. All of the independent Directors are highly accomplished and experienced business people in their respective fields, have demonstrated leadership in significant enterprises and are familiar with board processes. The Company's independent Directors bring experience, oversight and expertise from outside the company and industry, while the Company's Chairman and Chief Executive Officer and Mr. Weiner, as President and Chief Financial Officer bring company-specific experience and expertise.

Additionally, the Company has had a Lead Independent Director since October 2005, whose duties, among other things, are to lead the executive sessions of the independent Directors of the Company; serve as liaison between the independent Directors of the Company on one hand and the Chairman of the Board and senior management on the other hand, advise the Chairman of the Board as to the quality, quantity and timeliness of the information submitted by the Company's management to the independent Directors; and perform such other duties as the Board shall from time to time delegate.

While the Board is responsible for overseeing the Company's risk management, the Board has delegated many of these functions to the Audit Committee. Under its charter, the Audit Committee is responsible for discussing with management and the independent auditors the Company's major financial risk exposures, the guidelines and policies by which risk assessment and management is undertaken, and the steps management has taken to monitor and control risk exposure. In addition to the Audit Committee's work in overseeing risk management, the full Board regularly engages in discussions regarding the most significant risks that the Company is facing and how those risks are being managed, and the Board receives risk management updates directly from senior management of the Company and from the chair of the Audit Committee. In addition, the Chairman and Chief Executive Officer's extensive knowledge of the Company and experience in the industries in which we operate uniquely qualifies him to lead the Board in assessing the whole panoply of risks to the Company. The Board believes that the work undertaken by the Audit Committee, the full Board and the Chairman and Chief Executive Officer, enables the Board to effectively oversee the Company's risk management function.

Board Nomination Policies and Procedure

Nomination Procedure The Nominating and Corporate Governance Committee is responsible for identifying, evaluating and recommending candidates for election to the Board, with due consideration for recommendations made by other Board members, the CEO and other sources, including shareholders. The total cumulative length of time that any Outside Director (a member of the Board who is not an officer or employee of the Company) may serve on the Board is limited to a maximum of three three-year terms, whether consecutively or in total, plus any portion of an earlier three-year term that such Outside Director may have been appointed to serve. The Nominating and Corporate Governance Committee also considers the appropriate balance of experience, skills, and characteristics desirable among the members of the Board to maintain a diverse Board of Directors. The independent members of the Board review the Nominating and Corporate Governance Committee candidates and nominate candidates for election by the Company shareholders. The Nominating and Corporate Governance Committee will consider candidates for election to the Board recommended by shareholders of the Company. The procedures for submitting shareholder recommendations are explained below under "Shareholder Proposals" on page 41.

Directors must also possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of all shareholders. Board members are expected to diligently prepare for, attend

and participate in Board and applicable Committee meetings. Each Board member is expected to ensure that other existing and future commitments do not materially interfere with the member's service as a Director.

The Nominating and Corporate Governance Committee also reviews whether a potential candidate will meet the Company's independence standards and any other Director or Committee membership requirements imposed by law, regulation or stock exchange rules.

The Nominating and Governance Committee will consider, among other factors, the following to evaluate recommended nominees:

The Board's current composition, including expertise, diversity, balance of management and non-management directors;

Independence and other qualifications required or recommended by applicable laws, rules and regulations (including NYSE requirements) and the Company's policies and procedures; and

The general qualifications of potential nominees, including, but not limited to: personal integrity, loyalty to the Company and concern for its success and welfare; experience at strategy and policy setting; high-level leadership experience in business; breadth of knowledge about issues affecting Enzo Biochem; an ability to work effectively with others; sufficient time to devote to the Company; and freedom from conflicts of interest.

Director candidates recommended to the Committee are subject to full Board approval and subsequent election by the shareholders. The Board is also responsible for electing Directors to fill vacancies on the Board that occur due to retirement, resignation, expansion of the Board or other reasons between the Shareholders' annual meetings. The Nominating and Corporate Governance Committee may retain a recruitment firm, from time to time, to assist in identifying and evaluating Director candidates. When a firm is used, the Committee provides specified criteria for Director candidates, tailored to the needs of the Board at that time, and pays the firm a fee for these services.

Suggestions for Director candidates are also received from Board members and management and may be solicited from professional associations as well.

Board Committees

All members of each of the Company's three standing Committees—Audit, Compensation, and Nominating/Governance—are required to be independent in accordance with NYSE criteria. See below for a description of the responsibilities of the Board's standing Committees.

Executive Sessions of Non-Management Directors

The Board and each of the Audit, Compensation and Nominating and Corporate Governance Committees periodically hold meetings of only the independent Directors or Committee members without management present.

Board Access to Independent Advisors

The Board as a whole, and each of the Board Committees separately, has authority to retain and terminate such independent consultants, counselors or advisors to the Board as each shall deem necessary or appropriate.

Communications with Board of Directors

Direct Communications Any interested party desiring to communicate with the Board or with any Director regarding the Company may write to the Board or the Secretary c/o Elazar Rabbani, Office of the Secretary, Enzo Biochem, Inc., 527 Madison Avenue, New York, New York 10022. The Office of the Secretary will forward all such communications to the Director(s). Interested parties may also submit an email by filling out the email form on the Company's website at www.enzo.com. Moreover, any interested party may contact the non-management Directors of the Board and/or the Lead Director.

Annual Meeting The Company encourages its Outside Directors to attend the annual meeting of shareholders each year. Mr. Bortz and Dr. Kasten attended the Annual Meeting of Shareholders held in January 2015.

Meetings of the Board of Directors and its Committees

During the fiscal year ended July 31, 2015, there were five formal meetings of the Board of Directors, several actions by unanimous consent and several informal meetings. None of the Directors attended less than 75% of the meetings of the Board (including Committee meetings). Currently, the Board of Directors has a Nominating and Corporate Governance Committee, an Audit Committee and a Compensation Committee. The Nominating and Corporate Governance Committee had one formal meeting, the Audit Committee had four formal meetings and the Compensation Committee had two formal meetings. Each of the Committees had additional informal meetings and two separate board consents.

The Audit Committee was established by and among the Board for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of the financial statements of the Company in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee is authorized to review proposals of the Company's auditors regarding the annual audit, recommend the engagement or discharge of the auditors, review recommendations of such auditors concerning accounting principles and the adequacy of internal controls and accounting procedures and practices, review the scope of the annual audit, approve or disapprove each professional service or type of service other than standard auditing services to be provided by the auditors, and review and discuss the audited financial statements with the auditors. The current members of the Audit Committee are Messrs. Bortz and Perlysky and Dr. Kasten. Mr. Bortz has been the Chairman since November 2010. The Board has determined that each of the Audit Committee members is independent, as defined in the NYSE's listing standards and applicable SEC Rules. The Board has further determined that Mr. Bortz is an audit committee financial expert as such term is defined under Item 407(d)(5)(ii) of Regulation S-K promulgated under the Exchange Act, and that each director is financially literate as required under the NYSE listing standards.

The Compensation Committee has the power and authority to (i) establish a general compensation policy for the officers and employees of the Company, including to establish and at least annually review executive officers' salaries and non-equity incentive compensation plan program and levels of officers' participation in the benefit plans of the Company, (ii) prepare any reports that may be required by the regulations of the SEC or otherwise relating to officer compensation, (iii) approve any increases in Directors' fees, (iv) grant stock options and/or other equity instruments authorized by senior executives for non-executive officers and (v) exercise all other powers of the Board with respect to matters involving the compensation of employees and the employee benefits of the Company as shall be delegated by the Board to the Compensation Committee. The current members of the Compensation Committee are Messrs. Bortz and Perlysky and Dr. Kasten. The Board has determined that each member of the Compensation Committee is independent, as defined in the NYSE listing standards. Dr. Kasten has been the Chairman of the Compensation Committee since January 2011.

The Nominating and Corporate Governance Committee has the power to recommend to the Board prior to each annual meeting of the shareholders of the Company: (i) the appropriate size and composition of the Board; and (ii) nominees: (1) for election to the Board for whom the Company should solicit proxies; (2) to serve as proxies in connection with the annual shareholders' meeting; and (3) for election to all Committees of the Board other than the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will consider nominations from the shareholders, provided that they are made in accordance with the Company's By-laws. When evaluating prospective Director candidates, the Nominating and Corporate Governance Committee conducts individual evaluations against the criteria stated in the Committee's Nominating and Corporate Governance guidelines. All Director candidates, regardless of the source of their nomination, are evaluated using the same criteria. The current members of the Nominating and Corporate Governance Committee are Dr. Kasten and Messrs. Bortz and Perlysky. Mr. Perlysky has been the Chairman since January 2013.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's executive officers, Directors and persons who beneficially own more than 10% of a registered class of the Company's equity securities (collectively, Reporting Persons) to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company within two business days. Such executive officers, Directors and greater than 10% beneficial owners are required by Securities and Exchange Commission regulation to furnish the Company with copies of all Section 16(a) forms filed by such Reporting Persons. Based solely on a review of the copies of such forms furnished to us and on written representations that no Form 5 was required to be filed, we believe that, during the fiscal year ended July 31, 2015, all of our directors and executive officers timely complied with the Section 16(a) filing requirements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

It is the responsibility of the Nominating and Corporate Governance Committee to consider questions of possible conflicts of interest of directors and of the Company's senior executives, which includes the consideration of all transactions required to be disclosed pursuant to the SEC's related person disclosure requirements. In addition, the Board has a Related Persons Policy which states

that all related person transactions shall be in the best interests of the Company and, unless different terms are specifically approved or ratified by disinterested members of the Board, must be on terms that are (i) no less favorable to the Company than would be obtained in a similar transaction with an unaffiliated third party under the same or similar circumstances, or (ii) generally available to substantially all employees of the Company. In addition, if, any non-material or material related person transaction relates to any executive officer or director, it must be reviewed by the Nominating and Corporate Governance Committee who shall determine whether the transaction is in compliance with the Company's Related Person Policy.

Enzo Clinical Labs, Inc., a subsidiary of the Company (Enzo Lab), leases a facility located in Farmingdale, New York from Pari Management Corporation (Pari). Pari is owned equally by Elazar Rabbani, Ph.D., the Chairman and Chief Executive Officer of the Company; Shahram K. Rabbani, a former officer and Director of the Company; and Barry Weiner, the President, Chief Financial Officer and a Director of the Company, and his wife. The lease originally commenced on December 20, 1989, was amended and extended in October 2015 and now terminates on March 31, 2027. During the fiscal year ended July 31, 2015, Enzo Lab paid approximately \$1,623,000 to Pari with respect to such facility and future payments are subject to cost of living adjustments.

The non-interested members of the Board of Directors, at the time of the execution of the lease and each extension, reviewed and approved the transaction in accordance with the Company's procedures for reviewed related party transactions. The Nominating and Corporate Governance Committee obtained a third party appraisal to determine the value of the lease. Based on that appraisal, the Company, which has guaranteed Enzo Lab's obligations to Pari under the lease, believes that the existing lease terms are as favorable to the Company as would be available from an unaffiliated party.

CODE OF ETHICS

The Company has adopted a Code of Ethics (as such term is defined in Item 406 of Regulation S-K). The Code of Ethics is available on the Company's website at www.enzo.com, and in print to any shareholder that requests it by contacting Investor Relations at (212) 583-0100. The Code of Ethics applies to the Company's employees, officers and members of the Board. The Code of Ethics has been designed to deter wrongdoing and to promote:

- Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- Full, fair, accurate, timely, and understandable disclosure in reports and documents that the Company files with, or submits to, the Securities and Exchange Commission and in other public communications made by the Company;
- Compliance with applicable governmental laws, rules and regulations;
- The prompt internal reporting or violations of the Code of Ethics to an appropriate person or persons identified in the Code of Ethics; and
- Accountability for adherence to the Code of Ethics.

COMPENSATION OF DIRECTORS

Each person who serves as a Director and who is not otherwise an officer or an employee (such Director being classified as an Outside Director) of the Company receives an annual Director's fee of \$30,000. The Lead Independent Director receives an additional annual Director's fee of \$25,000. Each Outside Director who serves on a Board Committee other than as a Committee chair also receives an annual fee of \$7,500. The Chairman of the Audit Committee receives an additional annual fee of \$20,000 and the Chairman of the Compensation Committee and the Chairman of the Nominating and Corporate Governance Committee each receive an additional annual fee of \$10,000. The Outside Directors receive either stock options or restricted stock units following the Annual Meeting, provided such person is a Director of the Company at such time. The number of stock options or restricted stock units that the Outside Directors will be granted will be equivalent to 25,000 restricted stock units, not to exceed a fair market value of \$100,000 per year. Either the stock options or restricted stock units referred to above shall be subject to a two-year vesting period; provided that at the time any non-employee Director ceases to be a Director of the Company (other than due to such Director's resignation), such non-employee Director's restricted stock units shall become fully vested at such time. The equity instruments are granted at the market price on the date of grant and have a term of up to five (5) years. The Company reimburses Directors for their travel and related expenses in connection with attending meetings of the Board and Board-related activities.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

The Compensation Committee of our Board oversees our executive compensation program. In this role, the Compensation Committee reviews and approves all compensation decisions relating to our Named Executive Officers. The Compensation Committee also reviews and approves all equity awards for all employees except for annual amounts pre-approved for granting by the Chief Executive Officer or President for non-officers or new employees in connection with employment offers.

The Company strives to apply a uniform philosophy to compensation for all of its employees. This philosophy is based on the premise that the achievements of the Company result from the combined and coordinated efforts of all employees working toward common objectives.

Say-on-Pay Feedback from Shareholders

At our 2011 Annual Meeting of Shareholders, a majority of our shareholders voted to support an annual vote on our executive compensation and, in response, our Compensation Committee determined to hold an annual advisory vote on the matter. Annually, our Compensation Committee intends to review the results of the advisory vote and will consider this feedback as it completes its annual review of each pay element.

At our 2014 Annual Meeting of Shareholders, a majority of the shares that were voted were cast in favor of our say-on-pay proposal. In response to these voting results, during 2015, our senior management team and Board made additional efforts to engage and gather feedback from our shareholders regarding our executive compensation programs to better understand our shareholders' views on executive compensation and address any concerns they had. Our outreach program during 2015 included the following:

- numerous in-depth discussions and dialog throughout the year between senior management, the Chairman of the Compensation Committee and our shareholders,
- examination of reports and analysis issued by principal proxy advisory firms,
- analysis of compensation practices at peer companies; and
- advice from the Compensation Committee's independent compensation consultant.

During 2015, we engaged in discussions with approximately 80% of our top 20 shareholders that own over 47% of our outstanding shares and in total, unaffiliated shareholders owning nearly 52% of our outstanding shares. We believe our executive compensation program is aligned with shareholder interests and feedback received has been incorporated into the Compensation Committee's evaluation of executive performance. While we received feedback on a variety of subjects, investors generally supported the long-term focus of our executive compensation program, and in fact noted that the non-equity based compensation of our executive officers was low compared to our peer group. Among the comments was a question as to why the Compensation Committee decided to hold unchanged the CEO and President base salary for the last four years.

The feedback of our shareholders and the operating performance of the Company were significant factors that impacted 2015 executive compensation. Because of the decline in the market price of the Common Stock during fiscal 2015, the cash compensation for each of our executive officers did not increase in fiscal 2015 compared to fiscal 2014 (with the exception of James O'Brien whose compensation increased as a result of his promotion to Executive Officer and given that 2015 was his first full year of service to the Company). The Company's total three fiscal year average shareholder return improved significantly to 26% from 8% in fiscal 2014.

The Compensation Committee will continue to solicit and consider our shareholders' views when making future decisions regarding the structure of our executive compensation programs and the formulation of performance criteria with a goal of aligning executive performance with stockholder long-term growth.

Objectives and Philosophy of Our Executive Compensation Program

The primary objectives of the Compensation Committee with respect to executive compensation are to:

- align executives' incentives with the creation of shareholder value; and
- align executive compensation with our corporate business objectives and performance;
- promote the achievement of key strategic and financial performance objectives through cash and equity incentives;
- align executive compensation with comparable companies in our industry sectors to attract, retain and motivate the best possible executive talent.

We award long term incentive compensation in the form of stock options or restricted stock awards that vest over time. We believe this practice helps to retain our executives and aligns their interests with those of our shareholders by allowing them to participate in the longer term success of our Company as reflected in stock price appreciation. We believe that the use of time-vested stock options and restricted stock minimizes the likelihood of risky behavior and risky decision making that would be influenced by opportunities for short-term gains.

To achieve these objectives, the Compensation Committee evaluates senior management, with input from our CEO, with the goal of setting compensation at levels the Compensation Committee believes are competitive with those of other companies in our industry that compete with us for executive talent. The Compensation Committee also conducts an annual evaluation of the CEO in addition to senior management evaluations. Our Compensation Committee considers key financial, strategic and operational objectives, including but not limited to: maintenance of customer base, award of new patents, intellectual property protection, advancement of strategic alliances, operational efficiencies, M&A activity, licensing, clinical trial progress, new product introductions, provider contracts, investor relations, corporate governance, and our financial and operational performance, as quantified by measures at the consolidated level and for each of the operating segments.

The Compensation Committee uses a peer group of publicly traded companies which they believe have business life cycles, revenues, market capitalizations, products, research and development investment levels and/or number/capabilities of employees that are roughly comparable to ours and against which the Compensation Committee believes we compete for executive talent. The Compensation Committee has retained Arthur Gallagher & Company, Human Resources & Compensation Consulting (formerly James F. Reda & Associates) (Consultant) as an independent compensation consultant. The Company's senior management, with the assistance of the Consultant, compiled a list of peer companies. Since 2005, the Consultant has analyzed the executive compensation programs of these companies and issued reports to the Compensation Committee, the latest in November 2015. The Consultant advised the Compensation Committee during the fiscal 2015 compensation process that the total executive compensation was below the midpoint of executive compensation of the Company's peer group. For fiscal 2015, the Compensation Committee intended to keep fiscal 2015 compensation at or near the prior year levels and used the fiscal 2015 market review to confirm that compensation below the midpoint of market range. The Consultant, with recommendations from senior management previously modified the peer company list during the 2015 proxy season to better reflect changes at the Company, with respect to operating segment significance, changes within the industries that the Company operates and changes among companies included in the peer group.

The companies that were included in the most recent peer group are as follows

- Adamas Pharmaceuticals, Inc.
- Affymetrix Inc.
- Amag Pharmaceuticals, Inc.
- Array Biopharma, Inc.
- CTI Biopharma Corporation

Fluidigm Corporation
Foundation Medicine, Inc.
Genomic Health, Inc.
Harvard Biosciences, Inc.
Luminex Corporation
Meridian Biosciences, Inc.
Momenta Pharmaceuticals, Inc.
Nanostring Pharmaceuticals, Inc.
Neogenomics, Inc.
Orasure Technologies, Inc.
Pacific Biosciences of California
Progenics Pharmaceuticals, Inc.
Repligen Corporation
Sequenom, Inc.
Spectrum Pharmaceuticals, Inc.
Vanda Pharmaceuticals, Inc.

We compete with many other companies for executive personnel. The Compensation Committee generally targets total compensation for executives to be no higher than the 50th percentile of total compensation paid to similarly situated executives of the companies in the peer group.

The Compensation Committee may adjust compensation levels, upon consideration of the relevant drivers relating to the life sciences, clinical diagnostics or therapeutics industries we operate in, with respect to an executive's individual experience and performance level, and the overall performance of the Company.

The Compensation Committee met three times in fiscal 2015 in order to review and approve our compensation for named executives and non-employee Directors, and approve equity awards for all employees. The results of the Compensation Committee activities were reported to the Board.

Components of our Executive Compensation Program

The primary elements of our executive compensation program are:

- base salary;
- equity awards;
- non-equity incentive plan compensation;
- benefits and other compensation; and
- severance and change in control benefits.

Base Salary

Base salary levels recognize the experience, skills, knowledge and responsibilities of each executive's position within the Company.

Exclusive of the base salaries that are contractual, base salaries are reviewed annually by the Compensation Committee, and may be adjusted from time to time to realign salaries with market levels and among our peer group after taking into account individual responsibilities, performance, experience and cost of living. Base salaries also may be increased for merit reasons, based on the executive's success in meeting or exceeding individual performance objectives, promoting our core values and demonstrating leadership abilities.

The base salaries of the two founders, Dr. Elazar Rabbani, our Chairman of the Board, Chief Executive Officer, Secretary and Director and Mr. Barry Weiner, our President, Chief Financial

Officer, Principal Accounting Officer, Treasurer and Director are set in accordance with the terms of executed employment agreements with each individual. Pursuant to the terms of their respective employment agreements, Dr. Rabbani and Mr. Weiner are currently at a base annual salary of \$555,475 and \$492,708, respectively. The Compensation Committee has not increased base salaries since January 2012, with the exception of Mr. O'Brien who received base salary increase upon his promotion to Executive Vice President, Finance.

Non-Equity Incentive Compensation

The Company adopted a Pay for Performance Plan (the Plan) for the Named Executive Officers and key management personnel to align incentive pay with performance as set forth with the individual based on their role with the Company. The performance goals for the Named Executive Officers and the annual performance awards are determined and approved by the Compensation Committee annually. The Plan provides for performance measures based on financial and non-financial measures and rewards for achievement for targets attained and/or improvements realized.

The weights on financial performance measures vary for Corporate and Divisional officers from 30% to 60% and include trade and service revenue growth, planned improvement in margins (divisional only), profitability and cash flows, with adjustments for non-recurring, uncontrollable events impacting revenues, expenses or cash flow beyond the control of management and certain legal expenses over the prior fiscal year. The Compensation Committee chose these measures for fiscal 2014 and 2015 because they believe they are aligned with our core operating performance for fiscal 2014 and 2015 which focused on the business improvement over the prior year.

The weights on non-financial performance measures are between 40% and 70% and include strategic, operational and individual goals. Strategic and operational measures for fiscal 2015, depending on whether a Corporate or Divisional Named Executive Officer, include among others, implementation of cost reductions, process and infrastructure improvements, business and technology advancement, advancement of partnering arrangements and litigation proceedings, customer satisfaction, quality assurance and employee satisfaction. Individual performance measures which ranged from 10% to 30% of target goals include communication, leadership and process improvement. The measures provide for Threshold, Target and Maximum awards and are based on various ranges of performance. All of the Named Executive Officers received non-equity incentive awards below the target for fiscal 2015. The following achievements of the Company were used to assess the achievement with these target goals.

The Company reached favorable legal settlements that provided \$11.5 million of additional working capital to enable the company to execute on its business strategy

The Company expanded the company's platform technologies platforms with the approval of Flowscript™ HPV E6/E7 assay and validation of the Ampiprobe™ HCV assay

Gross margins increased by 500 basis points in the clinical lab with emphasis on operational excellence and expanded market reach

The Company's utilization of a low cost, non-dilutive controlled equity offering (ATM) to provide capital to support legal efforts

The strengthening of the Company's balance sheet with the above mentioned legal settlements, and strong operating performance of the business segments thereby allowing for an increase in our investments in technology based assets.

The Company's completion of the most successful cycle of regulatory inspections in the last 10 years.

The corporate financial measures applicable to the Chief Executive Officer, President, Executive VP Finance and VP Corporate Development, inclusive of adjustments, include revenue, operating loss improvement, and cash flow from operations improvement, which are equally weighted and

averaged for the final results. The measures used for fiscal 2015 for the named executive officers and corresponding payouts are as follows:

	Threshold		Target	Maximum Achieved
(in millions)				
Financial Performance Measures Revenue				
Corporate Revenues trade and service	\$ 75,000	FT: Opt; MARGIN-RIGHT: Opt align="right">4/01/2024	5.00	2/24/2025

James Altland	--		--	--

(1)Mr. O'Grady resigned effective October 20, 2015, which set the expiration date for all of his options at January 17, 2016, all of which he exercised in January 2016.

The following table sets forth information on the aggregate number and value of all options exercised by the Named Executive Officers in 2015.

Potential Payments on Change of Control

See the discussion of the employment agreement and arrangement we have with Randy Milby and Antony Pfaffle under the heading "Employment Agreement and Arrangements". Compensation Committee Report

The Compensation Committee has reviewed and discussed the CD&A contained in this proxy statement with management and, based on that review and discussion, the Compensation Committee recommended to the Board of Directors that the CD&A be included in this proxy statement.

Ms. Markvicka (Chairman), Mr. Duffy and Mr. George served as members of our Compensation Committee during all of 2015; Ms. Dillione joined the Committee in August 2015, and Mr. Lefkowitz joined in October 2015. None of these individuals was at any time during 2015 or at any other time thereafter an officer or employee of our company. Mr. Milby, our Chief Executive Officer, participated in discussions regarding salaries and incentive compensation for all of our executive officers, except he was and is excluded from discussions regarding his own salary and incentive stock compensation. No interlocking relationship exists between any member of our Compensation Committee and any member of any other company's board of directors or compensation committee.

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The following table shows the number of shares of our common stock beneficially owned as of March 31, 2016 by:

- each person known by us to own beneficially more than 5% of the outstanding shares of our common stock;
- each director and nominee for director;
- each of our executive officers named in the Summary Compensation Table below (the “Named Executive Officers”);
- and
- all of our current directors and executive officers as a group.

This table is based upon the information supplied by our Named Executive Officers, directors and principal stockholders and from Schedules 13D and 13G filed with the SEC. Except as indicated in footnotes to this table, the persons named in this table have sole voting and investment power with respect to all shares of common stock shown, and their address is c/o CorMedix Inc., 1430 U.S. Highway 206, Suite 200, Bedminster, New Jersey 07921. As of March 31, 2016, we had 36,138,323 shares of common stock outstanding. Beneficial ownership in each case also includes shares issuable upon exercise of outstanding options that can be exercised within 60 days after March 31, 2016 for purposes of computing the percentage of common stock owned by the person named. Options owned by a person are not included for purposes of computing the percentage owned by any other person.

- (1) Based upon 36,138,323 shares of our common stock outstanding on March 31, 2016 and, with respect to each individual holder, rights to acquire our common stock exercisable within 60 days of March 31, 2016.
- (2) Due to the Ownership Limitation (as defined below), Elliott Associates, L.P. (“Elliott Associates”) may be deemed the beneficial owner of 3,720,730 shares of our common stock through securities held by it and by Manchester Securities Corp., a wholly-owned subsidiary of Elliott Associates (“Manchester”), and Elliott International, L.P., a wholly-owned subsidiary of Elliott Associates (“Elliott International”). Notwithstanding the above, Elliott Associates beneficially holds: (i) 1,730,200 shares of our common stock held by Manchester, (ii) May 2013 warrants exercisable for 500,000 shares of our common stock, (iii) 52,500 shares of our Series C-2 non-voting convertible preferred stock convertible into 525,000 shares of our common stock, (iv) October 2013 warrants exercisable for 262,500 shares of our common stock, (v) 97,500 shares of our Series C-2 non-voting convertible preferred stock held by Elliott International convertible into 975,000 shares of our common stock, (vi) October

2013 warrants held by Elliott International exercisable for 487,500 shares of our common stock, (vii) 73,962 shares of our Series D non-voting convertible preferred stock held by Manchester convertible into 1,479,240 shares of our common stock, (viii) 89,623 shares of our Series E non-voting convertible preferred stock held by Manchester convertible into 1,959,759 shares of our common stock and (ix) March 2015 warrants held by Manchester Securities Corp. exercisable for 200,000 shares of our common stock (the May 2013 warrants, the October 2013 warrants and the March 2015 warrants shall collectively be referred to herein as the "Convertible Securities"). However, in accordance with Rule 13d-4 under the Exchange Act, the number of shares of our common stock into which the Convertible Securities are convertible or exercisable, as applicable, are limited pursuant to the terms of the Convertible Securities to that number of shares of our common stock which would result in Elliott Associates having aggregate beneficial ownership of, with respect to the May 2013 warrants, the October 2013 warrants, the March 2015 warrants, the Series C-2 preferred stock, the Series D preferred stock and the Series E preferred stock, 9.99% of the total issued and outstanding shares of our common stock (the "Ownership Limitation"). Elliott Associates disclaims beneficial ownership of any and all shares of our common stock issuable upon any conversion or exercise of the Convertible Securities if such conversion or exercise would cause Elliott Associates' aggregate beneficial ownership to exceed or remain above the applicable Ownership Limitation (as is currently the case). Therefore, Elliott Associates disclaims beneficial ownership of any shares of our common stock issuable upon any conversion or exercise of the May 2013 warrants, the October 2013 warrants, the Series C-2 preferred stock, the Series D preferred stock and the Series E preferred stock, which conversion or exercise would be prohibited by the ownership limitation. The business address of Elliott Associates is 40 West 57th Street, 30th Floor, New York, New York 10019. Based solely on information contained in a Schedule 13D filed with the SEC on August 11, 2015 by Elliott Associates and other information known to us.

Item 13. Certain Relationships and Related Transactions and Director Independence

Related Party Transactions

On March 3, 2015, we entered into a backstop agreement with an existing institutional investor, Manchester Securities Corp. ("Manchester"), an affiliate of Elliott International, L.P., pursuant to which Manchester agreed to lend us, at our

request, up to \$4,500,000 less the dollar amount of gross proceeds received by us upon the exercise of warrants to purchase common stock issued in connection with our initial public offering on or before April 30, 2015, provided that the loan may not exceed \$3,000,000. We were able to access this financing until April 30, 2015. However, the amount we received from the exercise of those warrants prior to April 30, 2015, exceeded the amount that would have allowed us to access the loan and, as a result, we could not and did not access the loan. In consideration for the backstop financing, we issued to Manchester a warrant, exercisable for five years, to purchase 200,000 shares of our common stock at a per share exercise price of \$7.00, and we extended by one year to March 24, 2016, the expiration date of a warrant that Manchester holds to purchase 390,720 shares of common stock at a per share exercise price of \$3.4375. We also agreed to correct erroneous wording contained in the amended and restated warrant that we issued to Manchester in September 2014 to purchase 500,000 shares of our common stock, which amendment was immaterial and did not affect the terms of the warrant. We also granted Manchester the right for as long as it or its affiliates hold any of our common stock or securities convertible into our common stock the right to appoint up to two members to our Board of Directors and/or to have up to two observers attend Board meetings in a non-voting capacity, pursuant to which Manchester appointed a director in August 2015 and another director in April 2016.. Finally, we entered into a registration rights agreement with Manchester whereby Manchester can demand that we register the shares issuable upon exercise of the new and amended warrants, and shares issuable upon conversion of the note, if issued.

On April 7, 2015, we entered into a one year agreement with a consultant to advise management with their investment banking relationships and assist in the negotiations with potential external parties, if applicable. The consultant is a member of the board of directors of Sterling HSA which was founded by Ms. Tellez, the Chairman of our Board of Directors. The arrangement called for a \$30,000 retainer, a monthly fee of \$6,000, and a multiple of the price per share upon a merger or acquisition or a percentage of any strategic partnership. Either party could terminate the agreement with a 30 day advance notice. Upon termination, we would be liable for any services rendered through the termination date. This agreement was terminated at the end of August 2015.

Procedures for Review and Approval of Transactions with Related Persons

Pursuant to the Audit Committee Charter, the Audit Committee is responsible for reviewing and approving all related party transactions as defined under Item 404 of Regulation S-K, after reviewing each such transaction for potential conflicts of interests and other improprieties. Our policies and procedures for review and approval of transactions with related persons are in writing in our Code of Conduct and Ethics available on our website at www.cormedix.com under the “Investor Relations—Corporate Governance” tab.

Director Independence

Our Board has undertaken a review of the independence of our directors and has determined that all current directors except Randy Milby and Anthony Pfaffle are independent within the meaning of Section 803A(2) of the NYSE MKT Rules and that Ms. Dillione, Mr. Duffy, Mr. Kaplan, Ms. Markvicka and Ms. Tellez meet the additional test for independence for audit committee members imposed by SEC regulation and Section 803B(2) of the NYSE MKT Rules. The members of our Compensation Committee and Nominating and Governance Committee are all independent within the meaning of Section 805(c) of the NYSE MKT Rules.

Audit Committee Pre-Approval Policies and Procedures

Pursuant to its charter, the Audit Committee is responsible for reviewing and approving in advance any audit and any permissible non-audit engagement or relationship between us and our independent registered public accounting firm. The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant pre-approvals, provided such approvals are presented to the Audit Committee at a subsequent meeting. If the Audit Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Audit Committee must be informed of each non-audit service provided by our independent registered public accounting firm. Audit

Committee pre-approval of audit and non-audit services will not be required if the engagement for the services is entered into pursuant to pre-approval policies and procedures, provided the policies and procedures are detailed as to the particular service, the Audit Committee is informed of each service provided and such policies and procedures do not include delegation of the Audit Committee's responsibilities under the Exchange Act to our management. Audit Committee pre-approval of non-audit services (other than review and attestation services) also will not be required if such services fall within available exceptions established by the SEC. All services performed by our independent registered public accounting firm during 2015 were pre-approved by the Audit Committee.
