Item 5. Other Events and Regulation FD Disclosure

On August 22, 2002 ONEOK, Inc. (the "Company") announced that it will not purchase Westar Industries, Inc.'s 42.5 percent stake in the Company. Westar Industries, Inc., a wholly owned subsidiary of Westar Energy, Inc. (formerly known as Western Resources, Inc.), offered the stake to the Company on May 30, 2002 under the terms of Westar's Shareholder Agreement with the Company. Westar's equity holdings in the Company consist of approximately 4.7 million shares of common stock and 19.9 million shares of series A convertible preferred stock, which Westar acquired in 1997 as consideration for the Company's purchase of Westar's gas distribution assets in Kansas.

Following Westar's sale notice, the Company had 90 days, until August 28, 2002, to make a decision whether to purchase all the shares at the \$21.77 per share price contained in the sale notice for a total price of approximately \$971.1 million. The total price of \$971.1 million is derived from a calculation which doubles the number of convertible preferred shares to reflect the previous two-for-one split in the Company's common stock, making the total number of shares for calculation purposes 44.6 million shares. Because the Company will not be purchasing the shares, Westar has until September 30, 2003 to
