PROXY STATEMENT

2016 ANNUAL MEETING OF STOCKHOLDERS
SEPTEMBER 27, 2016

GENERAL

This Proxy Statement is being furnished to the stockholders of CINEDIGM CORP. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board"). The proxies are for use at the 2016 Annual Meeting of Stockholders of the Company to be held on Tuesday, September 27, 2016, at 2:00 p.m., local time, or at any adjournment thereof (the "Annual Meeting"). The Annual Meeting will be held at the offices of Kelley Drye & Warren LLP, 10100 Santa Monica Boulevard, Suite 2300, Los Angeles, California 90067. The Company's telephone number is (212) 206-8600.

The shares represented by your proxy will be voted at the Annual Meeting as therein specified (if the proxy is properly executed and returned, and not revoked).

The shares represented by your proxy will be voted as indicated on your properly executed proxy. If no directions are given on the proxy, the shares represented by your proxy will be voted:

FOR the election of the director nominees named herein (Proposal One), unless you specifically withhold authority to vote for one or more of the director nominees, if you are a record holder of your shares. If you hold your shares through a broker in "street name," your broker will not be allowed to vote on Proposal One unless you direct your broker as to such vote.

FOR amending the Company's Certificate of Incorporation to increase the number of shares of common stock authorized for issuance and to designate the additional shares as Class A Common Stock (Proposal Two).

FOR authorizing an amendment to the Company's Second Amended and Restated 2000 Equity Incentive Plan to increase the total number of shares of Class A Common Stock available for issuance thereunder. (Proposal Three).

FOR the approval of the non-binding advisory vote on executive compensation (Proposal Four).

FOR ratifying the appointment of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2017 (Proposal Five).

The Company knows of no other matters to be submitted to the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares they represent as the Board may recommend.

These proxy solicitation materials are first being mailed to the stockholders on or about August 29, 2016.

VOTING SECURITIES

Stockholders of record at the close of business on August 22, 2016 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 8,440,942 shares of the Company's Class A Common Stock, \$0.001 par value ("Class A Common Stock"), were issued and outstanding.

Each holder of Class A Common Stock is entitled to one vote for each share of Class A Common Stock held as of the Record Date.

All share numbers in these proxy materials reflect the 1-for-10 reverse stock split effected by the Company on May 9, 2016.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

A majority of the aggregate voting power of the outstanding shares of Class A Common Stock as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the aggregate voting power of the shares of Class A Common Stock present, in person and by proxy, at the Annual Meeting does not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares of Class A Common Stock that are voted "FOR," "AGAINST" or "ABSTAIN" are treated as being present at the Annual Meeting for purposes of establishing a quorum. Shares that are voted "FOR," "AGAINST" or "ABSTAIN" with respect to a matter will also be treated as shares entitled to vote at the Annual Meeting (the "Votes Cast") with respect to such matter. Abstentions will be counted for purposes of quorum and will have the same effect as a vote "AGAINST" a proposal.

Broker non-votes (i.e., votes from shares of Class A Common Stock held as of the Record Date by brokers or other custodians as to which the beneficial owners have given no voting instructions) will be counted as "shares present" at the Annual Meeting for purposes of determining the presence or absence of a quorum for the transaction of business so long as the broker can vote on any proposal being considered. However, brokers cannot vote on their clients' behalf on "non-routine" proposals for which they have not received voting instructions from their clients for such proposals. The vote on Proposals 1, 2, 3 and 4 are considered "non-routine." Accordingly, broker non-votes will not have any effect with respect to Proposals 1, 2, 3 or 4, as shares that constitute broker non-votes are not considered entitled to vote on these matters.

Brokers do have authority to vote uninstructed shares for or against "routine" proposals. Proposal No. 5, ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2017, constitutes a "routine" proposal. Accordingly, a broker may vote uninstructed shares "FOR" or "AGAINST" Proposal No. 5.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS TO BE PRESENTED AT NEXT ANNUAL MEETING

In order for any stockholder proposal submitted pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to be included in the Company's Proxy Statement to be issued in connection with the 2017 Annual Meeting of Stockholders, such stockholder proposal must be received by the Company no later than May 1, 2017. Any such stockholder proposal submitted, including any accompanying supporting statement, may not exceed 500 words, as per Rule 14a-8(d) of the Exchange Act. Any such stockholder proposals submitted outside the processes of Rule 14a-8 promulgated under the Exchange Act, which a stockholder intends to bring forth at the Company's 2017 Annual Meeting of Stockholders, will be untimely for purposes of Rule 14a-4 of the Exchange Act if received by the Company after July 14, 2017. All stockholder proposals must be made in writing addressed to the Company's Secretary, Mr. Loffredo, at 902 Broadway, 9th Floor, New York, New York 10010.

REVOCABILITY OF PROXY

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company's Secretary, Mr. Loffredo, a written notice of revocation, a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

DISSENTERS' RIGHT OF APPRAISAL

Under Delaware General Corporation Law and the Company's Certificate of Incorporation, stockholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the Annual Meeting.

SOLICITATION

Proxies may be solicited by certain of the Company's directors, executive officers and regular employees, without additional compensation, in person, or by telephone, e-mail or facsimile. The cost of soliciting proxies will be borne by the Company. The Company expects to reimburse brokerage firms, banks, custodians and other persons representing beneficial owners of shares of Class A Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation material to such beneficial owners.

Some banks, brokers and other record holders have begun the practice of "householding" notices, proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of notices, proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure reduces the volume of duplicate information stockholders receive and also reduces a company's printing and mailing costs. The Company will promptly deliver an additional copy of any such document to any stockholder who writes or calls the Company. Alternatively, if you share an address with another stockholder and have received multiple copies of our notices, proxy statements and annual reports, you may contact us to request delivery of a single copy of these materials. Any such written request should be directed to Investor Relations at 902 Broadway, 9th Floor, New York, New York 10010, (212) 206-8600.

DELIVERY OF PROXY MATERIALS

This Proxy Statement and form of proxy, together with our Annual Report on Form 10-K, are first being delivered to stockholders beginning on or about August 29, 2016. The Annual Report, which is included with this Proxy Statement, is not a part of the proxy solicitation materials. Upon receipt of a written request, the Company will furnish to any stockholder, without charge, an additional copy of such Annual Report. Any such written request should be directed to the Company's Secretary at 902 Broadway, 9th Floor, New York, New York 10010 or (212) 206-8600. These documents are also included in our filings with the Securities and Exchange Commission (the "SEC"), which you can access electronically at the SEC's website at <http://www.sec.gov>.

ELECTRONIC ACCESS TO PROXY MATERIALS

In addition to this printed form of proxy, we are also furnishing proxy materials to stockholders over the Internet. We encourage you to vote via the Internet by following the links to the Proxy Statement and Annual Report, which are both available at www.proxyvote.com. This Proxy Statement and the Annual Report are available on the Company's website at <http://www.cinedigm.com/>.

PROPOSAL ONE

The Board currently consists of five (5) directors. All of the current members of the Board have been nominated for re-election. Stockholders and their proxies cannot vote for more than five (5) nominees at the Annual Meeting. Each nominee has consented to being named as a nominee for election as a director and has agreed to serve if elected; however, if a nominee should withdraw his or her name from consideration for any reason or otherwise

become unable to serve before the Annual Meeting, the Board reserves the right to substitute another person as nominee, and the persons named on your proxy card as proxies will vote for any substitute nominated by the Board. At the Annual Meeting, directors will be elected to serve one-year terms expiring at the next annual meeting of stockholders or until their successors are elected or until their earlier resignation or removal.

The directors shall be elected by a majority of the Votes Cast at the Annual Meeting in accordance with our by-laws. If any nominee is not available for election at the time of the Annual Meeting (which is not anticipated), the proxy holders named in the proxy, unless specifically instructed otherwise in the proxy, will vote for the election of such other person as the existing Board may recommend, unless the Board decides to reduce the number of directors of the Company. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES NAMED ABOVE.

PROPOSAL TWO

AMENDMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE AMOUNT OF STOCK AUTHORIZED AND TO DESIGNATE THE ADDITIONAL SHARES AS CLASS A COMMON STOCK

The Company's Certificate of Incorporation currently authorizes the issuance of a total of 37,241,000 shares of capital stock. Of such shares, 21,000,000 are designated as Class A Common Stock; 1,241,000 are designated as Class B Common Stock; and 15,000,000 are designated as preferred stock. As of August 22, 2016, there were 8,440,942 shares of Class A Common Stock issued and outstanding and 277,244 shares of Class A Common Stock issued but not outstanding, which shares are held in treasury and are available for re-issuance by the Company. As of August 22, 2016, there were no shares of Class B Common Stock issued and outstanding, and no remaining shares of Class B Common Stock available for issuance. With respect to the 15,000,000 shares of authorized preferred stock, 20 are designated as Series A 10% non-voting cumulative preferred stock, of which seven (7) are issued and outstanding and one (1) was issued but is no longer outstanding, and 1,000,000 are designated as Series B Junior Participating Preferred Stock, none of which are issued or outstanding.

In addition to the 8,440,942 shares of Class A Common Stock currently outstanding, the Company has 8,872,172 shares of Class A Common Stock reserved for issuance pursuant to (a) the exercise of outstanding warrants, (b) the Company's Second Amended and Restated Equity Incentive Plan (the "Plan"), including outstanding stock options granted thereunder, (c) the exercise of outstanding inducement stock options that were granted outside of the Plan, and (d) the conversion of the Company's 5.5% Convertible Notes.

The aggregate number of outstanding and reserved shares of Class A Common Stock is 17,313,114, leaving only 3,686,886 shares of Class A Common Stock for future issuances. Such future issuances could include the sale of securities in order to raise capital, the payment of consideration in acquisitions, additional shares issued in connection with grants made to employees under new or expanded existing compensation plans or arrangements, and other uses not currently anticipated. Accordingly, the Company is proposing to increase the number of authorized shares of the Company's stock by 4,000,000 from 37,241,000 to 41,241,000 shares with all of the additional shares being designated as Class A Common Stock, so that the number of shares of Class A Common Stock would increase from 21,000,000 to 25,000,000 shares. The language of the new Section 4.1 of the Certificate of Incorporation is attached hereto as Appendix A. If this Proposal Two is approved, such language would be contained in an amendment to the Certificate of Incorporation. Company believes that such increase and designation is in the best interests of the Company and its stockholders, as it would provide the Company with flexibility and alternatives in structuring future

transactions, and that it would be detrimental to the Company and its stockholders if the Company were unable to issue shares of Class A Common Stock at such times and upon terms as the Board deems necessary or appropriate.

5

This amendment would not change any of the rights, restrictions, terms or provisions relating to the Class A Common Stock or the preferred stock. Under the General Corporation Law of the State of Delaware, stockholders are not entitled to appraisal rights with respect to this amendment. The Company will not independently provide stockholders with any such right. Additionally, holders of Class A Common Stock do not have any preemptive rights with respect to the issuance of Class A Common Stock.

Future issuances of Class A Common Stock could affect stockholders. Any future issuance of Class A Common Stock, other than on a pro-rata basis, would dilute the percentage ownership and voting interest of the then current stockholders.

There is a potential anti-takeover effect with respect to this amendment. The increased number of unissued and authorized shares of Class A Common Stock could, under certain circumstances, have an anti-takeover effect by, for example, permitting issuances that would dilute the percentage ownership and voting interest of a person seeking to effect a change in the composition of the Board, contemplating a tender or exchange offer or contemplating the combination of the Company with another company. However, this amendment is not being proposed in response to any effort of which management is aware to accumulate Class A Common Stock or obtain control of the Company. Other than this amendment, the Board does not currently contemplate recommending the adoption of any other amendments to the Certificate of Incorporation that could be construed to affect the ability of third parties to take over or change the control of the Company.

The Company does not have any plans, proposals or arrangements to issue for any purpose, including future acquisitions and/or financings, any of the shares of Class A Common Stock that would become newly available for issuance following the increase of the Company's authorized shares of Class A Common Stock.

This proposal requires approval by a majority of the votes entitled to vote at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE AMOUNT OF STOCK AUTHORIZED AND TO DESIGNATE THE ADDITIONAL SHARES AS CLASS A COMMON STOCK.

PROPOSAL THREE

AMENDMENT TO SECOND AMENDED AND RESTATED

2000 EQUITY INCENTIVE PLAN TO INCREASE THE TOTAL NUMBER OF SHARES OF CLASS A COMMON STOCK AVAILABLE FOR ISSUANCE THEREUNDER

Our Board adopted the Company's 2000 Equity Incentive Plan (as subsequently amended, "the Plan"), on June 1, 2000 and, in July 2000, our stockholders approved the Plan by written consent. The Plan has been amended and restated various times since its inception. Under the Plan, we may grant incentive and nonqualified stock options, stock, restricted stock, restricted stock units ("RSUs"), stock appreciation rights ("SARs"), performance awards and other equity-based awards. The Plan is administered by the Compensation Committee and currently has an expiration date of June 1, 2020.

The Plan currently authorizes up to 1,430,000 shares of the Company's Class A Common Stock for issuance pursuant to awards made under the Plan. The Company believes that the availability of an additional 950,000 shares of the Company's Class A Common Stock under the Plan is in the best interests of the Company and its stockholders because the availability of an adequate equity incentive program is an important factor in attracting and retaining qualified officers, directors and employees essential to the success of the Company (whether through acquisitions or otherwise) and in aligning their long-term interests with those of the stockholders. The increase in the number of shares of Class A Common Stock available for issuance under the Plan will permit the Company to continue the operation of the Plan for the benefit of new participants (either new hires to current operations or employees of acquired companies), as well as to allow additional awards to current participants. Participants under the Plan may include officers, directors and employees of the Company, as well as consultants to the Company under certain circumstances.

Pursuant to this proposal, in the form of the amendment attached hereto as Appendix B, the Board proposes to amend the Plan to increase the number of shares of Class A Common Stock authorized for issuance under the Plan from 1,430,000 to 2,380,000.

This proposal requires approval by a majority of the Votes Cast at the Annual Meeting. If approved by stockholders, the proposed amendment to the Plan would become effective promptly after such approval. As of August 22, 2016, 784,045 shares had been issued under the Plan (upon stock grants, settlements of restricted stock units and exercise of stock options) and stock option grants under the Plan covering 346,268 shares of Class A Common Stock were outstanding, resulting in only 299,687 shares remaining available for future grants under the Plan. If the proposed amendment to the Plan is not approved, the Plan will continue as currently in effect until otherwise amended in accordance with its terms.

Under the Plan, no participant may be granted incentive stock options with an aggregate fair market value, as of the date on which such options were granted, of more than \$100,000 becoming exercisable for the first time in any given calendar year. Options granted under the Second Amended and Restated Plan expire ten years following the date of grant (or such shorter period of time as may be provided in a stock option agreement or five years in the case of incentive stock options granted to stockholders who own greater than 10% of the total combined voting power of the Company) and are subject to restrictions on transfer. Options granted under the Plan generally vest over periods up to three years. The Plan is administered by the Compensation Committee, and may be amended or terminated by the Board, although no amendment or termination may adversely affect the right of any individual with respect to any outstanding option without the consent of such individual.

The Plan provides for the granting of incentive stock options with exercise prices of not less than 100% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive stock options granted to stockholders of more than 10% of the total combined voting power of the Company must have exercise prices of not less than 110% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive and non-qualified stock options granted under the Second Amended and Restated Plan are subject to vesting provisions, and exercise is subject to the continuous service of the optionee, except for consultants who may receive fully vested awards for services already performed. The exercise prices and vesting periods (if any) for non-qualified stock options may be set at the discretion of the Board or the Compensation Committee. Upon a change of control of the Company, all options (incentive and non-qualified) that have not previously vested will vest immediately and become fully exercisable. In connection with the grants of options under the Plan, the Company and the participants have executed stock option agreements setting forth the terms of the grants. Options covering no more than 500,000 shares may be granted to one participant during any calendar year unless pursuant to a multi-year award, in which case no more than options covering 500,000 shares per year of the award may be granted, and during which period no additional options may be granted to such participant.

The Plan also provides for the granting of Class A Common Stock, restricted Class A Common Stock, stock appreciation rights, restricted stock units and performance awards. Grants of restricted stock and restricted stock units are subject to vesting requirements, generally vesting over periods up to three years, determined by the Compensation Committee and set forth in notices to the participants. Grants of stock, restricted stock and restricted stock units shall not exceed 40% of the total number of shares available to be issued under the Plan.

Stock appreciation rights ("SARs") consist of the right to the monetary equivalent of the increase in value of a specified number of shares over a specified period of time. Upon exercise, SARs may be paid in cash or shares of Class A Common Stock or a combination thereof. Grants of SARs are subject to vesting requirements, similar to those of stock options, determined by the Compensation Committee and set forth in agreements between the Company and the participants. Restricted stock units ("RSUs") shall be similar to restricted stock except that no Class A Common Stock is actually awarded to the Participant on the grant date of the RSUs and the Compensation Committee shall have the discretion to pay such RSUs upon vesting in cash or shares of Class A Common Stock or a combination thereof.

Performance awards consist of awards of stock and other equity-based awards that are valued in whole or in part by reference to, or are otherwise based on, the market value of the Class A Common Stock, or other securities of the Company, and may be paid in shares of Class A Common Stock, cash or another form of property as the Compensation Committee may determine. Grants of performance awards shall entitle participants to receive an

award if the measures of performance established by the Committee are met. Such measures shall be established by the Compensation Committee but the relevant measurement period for any performance award must be at least 12 months. Grants of performance awards shall not cover the issuance of shares that would exceed 20% of the total number of shares available to be issued under the Plan, and no more than 500,000 shares pursuant to any performance awards shall be granted to one participant in a calendar year unless pursuant to a multi-year award. The terms of grants of performance awards would be set forth in agreements between the Company and the participants. Our Class A Common Stock is listed for trading on The Nasdaq Global Market ("Nasdaq") under the symbol "CIDM". The last reported closing price per share of our Class A Common Stock as reported by Nasdaq on August 22, 2016 was \$1.80 per share.

The Company does not have any plans, proposals or arrangements to make grants or issue any of the shares of Common Stock that would become newly available for issuance under the Plan following the increase proposed in this Proposal Three, other than grants and issuances made in the ordinary course. If approved, this Proposal Three will be implemented even if the increase in authorized Class A common stock in Proposal Two is not approved, unless the Board determines otherwise.

Federal Income Tax Consequences

The federal income tax consequences of the issuance and/or exercise of awards under the Plan are as described below. The following information is not a definitive explanation of the tax consequences of the awards, and recipients should consult with their own tax advisors with respect to the tax consequences inherent in the ownership and/or exercise of the awards, and the ownership and disposition of any underlying securities. Tax consequences will also vary depending upon the jurisdiction where the recipient of the award may reside.

Incentive Stock Options

No taxable income is recognized by the optionee at the time of the option grant, and no taxable income is generally recognized at the time the option is exercised, provided that the optionee may incur alternative minimum tax liability upon exercise. The optionee will, however, recognize taxable income in the year in which the purchased shares of Class A Common Stock are sold or otherwise made the subject of a taxable disposition.

For federal tax purposes, dispositions are divided into two categories: (i) qualifying and (ii) disqualifying. A qualifying disposition occurs if the sale or other disposition is made after the optionee has held the shares of Class A Common Stock for more than two (2) years after the option grant date and more than one (1) year after the exercise date. If either of these two holding periods is not satisfied, then a disqualifying disposition will result.

Upon a qualifying disposition, the optionee will recognize long-term capital gain in an amount equal to the excess of (i) the amount realized upon the sale or other disposition of the purchased shares over (ii) the exercise price paid for the shares. If there is a disqualifying disposition of the shares of Class A Common Stock (or the option otherwise ceases to qualify as an incentive stock option), then the excess of (i) the fair market value of those shares on the exercise date over (ii) the exercise price paid for the shares will be taxable as ordinary income to the optionee.

If the optionee makes a disqualifying disposition of the purchased shares of Class A Common Stock (or the option otherwise ceases to qualify as an incentive stock option), then the Company will be eligible for an income tax deduction, for the taxable year in which such disposition occurs, equal to the amount of ordinary income recognized by the optionee with respect to the exercised option. Otherwise the Company will not be allowed a deduction with respect to the purchased shares of Class A Common Stock.

Nonqualified Stock Options

No taxable income is recognized by an optionee upon the grant of a non-qualified stock option. The optionee will in general recognize ordinary income in the year in which the option is exercised, equal to the excess of the fair market

value of the purchased shares of Class A Common Stock on the exercise date over the exercise price paid for the shares, and tax withholding requirements will apply to such income.

The Company will be eligible for an income tax deduction equal to the amount of ordinary income recognized by the optionee with respect to the exercised non-qualified stock option, subject to certain limitations described below. The deduction will in general be allowed for the taxable year of the Company in which such ordinary income is recognized by the optionee.

Restricted Shares

A recipient will not be taxed at the date of an award of restricted shares, provided that the restricted shares are subject to substantial risk of forfeiture, but will be taxed at ordinary income rates on the fair market value of any restricted shares as of the date that the restrictions lapse. However, the recipient of restricted shares may elect, within 30 days after transfer of such shares to the recipient, under Section 83(b) of the Internal Revenue Code, to include in income, at ordinary income tax rates, the fair market value of the restricted shares as of the date of such transfer. At the time the shares are included in income, the Company will be eligible for a corresponding deduction, subject to certain limitations described below. Any disposition of shares after restrictions lapse will be subject to the regular rules governing long-term and short-term capital gains and losses, with the basis for this purpose equal to the fair market value of the shares at the end of the restricted period (or on the date of the transfer of the restricted shares, if the employee elects to be taxed on the fair market value upon such transfer).

Stock Appreciation Rights

A recipient who is granted a SAR will not recognize any taxable income on the receipt of the SAR. Upon the exercise of an SAR, (a) the recipient will recognize ordinary income equal to the excess of the fair market value of the shares on the exercise date over the exercise price for the SAR and (b) the Company will be eligible for a deduction on the date of exercise in an amount equal to the ordinary income recognized by the recipient, subject to certain limitations described below.

Restricted Stock Units

A recipient who is granted an RSU will not recognize any taxable income on the receipt of the RSU. Upon the vesting of an RSU, (a) the recipient will recognize ordinary income equal to the cash paid or the fair market value of the shares issued at the time the RSUs are paid out and (b) the Company will be eligible for a deduction in an amount equal to the ordinary income recognized by the recipient, subject to certain limitations described below.

Performance Awards and Stock Awards

A recipient will recognize ordinary income equal to any cash that is paid and the fair market value of the Class A Common Stock (on the date that the shares are first transferable and not subject to a substantial risk of forfeiture) that is received in settlement of an award of performance units or as a stock award and the Company will be eligible for a deduction in an amount equal to the ordinary income recognized by the recipient, subject to certain limitations described below.

Effects on the Company

The Company generally will be eligible for a federal income tax deduction on account of the exercise of a nonqualified stock option or SAR or upon the taxability to the recipient of restricted stock, restricted stock units, or the settlement of a performance award (subject to tax limitations on the Company's deductions in any year that certain remuneration paid to certain executives exceeds \$1 million). The amount of the deduction is equal to the ordinary income recognized by the recipient. The Company will not be entitled to a federal income tax deduction on account of the grant or the exercise of an incentive stock option unless the recipient has made a "disqualifying disposition" of the shares acquired on exercise of the incentive stock option or the option otherwise ceased to qualify as an incentive stock option, in which case the Company will be entitled to a deduction at the same time and in the same amount as the recipient's recognition of ordinary income.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ADOPTION OF THE AMENDMENT TO THE PLAN TO INCREASE THE TOTAL NUMBER OF SHARES OF CLASS A COMMON STOCK AVAILABLE FOR ISSUANCE THEREUNDER.

PROPOSAL FOUR

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

SEC rules adopted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010 (the "Dodd-Frank Act"), enable our stockholders to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement.

As described in detail in the section entitled, "Compensation Discussion and Analysis", we believe that executive compensation should be focused on promoting Company performance and stockholder value. To achieve these goals our executive compensation program emphasizes pay for performance and aligning the interests of our executives with those of our stockholders through the use of long-term incentives and the encouragement of equity ownership. In addition, our executive compensation program is designed to allow us to recruit, retain and motivate employees who play a significant role in our current and future success. Please read the Compensation Discussion and Analysis, the 2016 Summary Compensation Table and the other related tables and accompanying narrative for a detailed description of the fiscal year 2015 compensation of our named executive officers. We believe that the 2016 compensation of each of our named executive officers was reasonable and appropriate and aligned with the Company's 2016 results and the achievement of the objectives of our executive compensation program.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our named executive officers. This vote is advisory only and is not binding on the Company or the Board. Although the vote is non-binding, our Board values the opinions of our stockholders and the Board and the Compensation Committee will consider the outcome of the vote when making future compensation decisions for our named executive officers.

This proposal requires approval by a majority of the votes present in person or represented by proxy at the Annual Meeting and entitled to vote thereat.

Accordingly, we ask our stockholders to vote in favor of the following resolution:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2016 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission."

THE BOARD RECOMMENDS A VOTE "FOR" APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL FIVE

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board has selected the firm of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2017, subject to ratification by our stockholders at the Annual Meeting. EisnerAmper LLP has been our independent registered public accounting firm since the fiscal year ended March 31, 2006. A representative of EisnerAmper LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement, if desired, and respond to appropriate questions.

This proposal requires approval by a majority of the votes present in person or represented by proxy at the Annual Meeting and entitled to vote thereat.

More information about our independent registered public accounting firm is available under the heading "Independent Registered Public Accounting Firm" on page 32 below.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING MARCH 31, 2017.

OTHER MATTERS

The Board does not know of any other matters that may be brought before the Annual Meeting. However, if any such other matters are properly brought before the Annual Meeting, the proxies may use their own judgment to determine how to vote your shares.

MATTERS RELATING TO OUR GOVERNANCE

Board of Directors

The Board oversees the Company's risk management including understanding the risks the Company faces and what steps management is taking to manage those risks, as well as understanding what level of risk is appropriate for the Company. The Board's role in the Company's risk oversight process includes receiving regular updates from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, human resources, employment, and strategic risks.

The Company's leadership structure consists of the combined role of Chairman of the Board and Chief Executive Officer and a separate Lead Independent Director. Mr. O'Brien currently serves as our Lead Independent Director. The Lead Independent Director's responsibilities include presiding at all meetings of the Board at which the Chairman is not present, including executive sessions of the independent directors, serving as a liaison between the Chairman and the independent directors, reviewing information sent to the Board, consulting with the Nominating Committee with regard to the membership and performance evaluations of the Board and Board committee members, calling meetings of and setting agendas for the independent directors, and serving as liaison for communications with stockholders.

The Board intends to meet at least quarterly and the independent directors serving on the Board intend to meet in executive session (i.e., without the presence of any non-independent directors and management) immediately following regularly scheduled Board meetings. During the fiscal year ended March 31, 2016 (the "Last Fiscal Year"), the Board held four (4) meetings and the Board members acted two (2) times by unanimous written consent in lieu of holding a meeting. Each current member of the Board, who was then serving, attended at least 75% of the total number of meetings of the Board and of the committees of the Board on which they served in the Last Fiscal Year. No individual may be nominated for election to the Board after his or her 73rd birthday, except that the board has waived such limitation with respect to Mr. Chez. Messrs. Brown, O'Brien and Rhine are considered "independent" under the rules of the SEC and Nasdaq.

The Board currently does not provide a formal process for stockholders to send communications to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of stockholders of the Company. While the Board will, from time to time, review the need for a formal policy, at the present time, stockholders who wish to contact the Board may do so by submitting any communications to the Company's Secretary, Mr. Loffredo, 902 Broadway, 9th Floor, New York, New York 10010, with an instruction to forward the communication to a particular director or the Board as a whole. Mr. Loffredo will receive the correspondence and forward it to any individual director or directors to whom the communication is directed.

The Company does not currently have a policy in place regarding attendance by Board members at the Company's annual meetings. However, each of the current directors, who was then serving, attended the 2015 Annual Meeting of Stockholders, and each director who is standing for re-election currently intends to attend this Annual Meeting.

The Board has three standing committees, consisting of an Audit Committee, a Compensation Committee and a Nominating Committee.

Audit Committee

The Audit Committee consists of Messrs. Brown, O'Brien and Rhine. Mr. Rhine is the Chair of the Audit Committee. The Audit Committee held five (5) meetings in the Last Fiscal Year. The Audit Committee has met with the Company's management and the Company's independent registered public accounting firm to review and help ensure the adequacy of its internal controls and to review the results and scope of the auditors' engagement and other financial reporting and control matters. Mr. Rhine is financially literate and financially sophisticated, as those terms are defined under the rules of Nasdaq. Mr. Rhine is deemed to be an "audit committee financial expert" under applicable SEC rules. Messrs. Brown, O'Brien and Rhine are considered "independent" under the rules of the SEC and Nasdaq.

The Audit Committee has adopted a formal written charter (the "Audit Charter"). The Audit Committee is responsible for ensuring that the Company has adequate internal controls and is required to meet with the Company's auditors to review these internal controls and to discuss other financial reporting matters. The Audit Committee is also responsible for the appointment, compensation and oversight of the auditors. Additionally, the Audit Committee is responsible for the review and oversight of all related party transactions and other potential conflict of interest situations between the Company and its officers, directors, employees and principal stockholders. The Audit Charter is available on the Company's Internet website at www.cinedigm.com.

Compensation Committee

The Compensation Committee consists of Messrs. Brown, O'Brien and Rhine. Mr. O'Brien is the Chair of the Compensation Committee. The Compensation Committee met five (5) times during the Last Fiscal Year. The Compensation Committee approves the compensation package of the Company's Chief Executive Officer and, based on recommendations by the Company's Chief Executive Officer, approves the levels of compensation and benefits payable to the Company's other executive officers, reviews general policy matters relating to employee compensation and benefits and recommends to the entire Board, for its approval, stock option and other equity-based award grants to its executive officers, employees and consultants and discretionary bonuses to its executive officers and employees. The Compensation Committee has the authority to appoint and delegate to a sub-committee the authority to make grants and administer bonus and compensation plans and programs. Messrs. Brown, O'Brien and Rhine are considered "independent" under the rules of the SEC and Nasdaq.

The Compensation Committee has adopted a formal written charter (the "Compensation Charter"). The Compensation Charter sets forth the duties, authorities and responsibilities of the Compensation Committee. The Compensation Charter is available on the Company's Internet website at www.cinedigm.com.

The Compensation Committee, when determining executive compensation (including under the executive compensation program, as discussed below under the heading Compensation Discussion and Analysis), evaluates the potential risks associated with the compensation policies and practices. The Compensation Committee believes that the Company's compensation programs are designed with an appropriate balance of risk and reward in relation to the Company's overall compensation philosophy and do not encourage excessive or unnecessary risk-taking behavior. In general, the Company compensates its executives in a combination of cash and stock options. The stock options contain vesting provisions, typically of proportional annual vesting over a three- or four-year period which encourages the executives, on a long-term basis, to strive to enhance the value of such compensation as measured by the trading price of the Class A Common Stock. The Compensation Committee does not believe that this type of compensation encourages excessive or unnecessary risk-taking behavior. As a result, we do not believe that risks relating to our compensation policies and practices for our employees are reasonably likely to have a material adverse effect on the Company. The Company intends to recapture compensation as required under the Sarbanes-Oxley Act. However, there have been no instances where it needed to recapture any compensation.

During the Last Fiscal Year, the Compensation Committee engaged Aon Hewitt, a compensation consulting firm. The consultant met with the Compensation Committee multiple times during the Last Fiscal Year and provided guidance for cash and equity bonus compensation to executive officers and directors, which the Compensation

Committee considered in reaching its determinations of such compensation. In addition, the consultant was available to respond to specific inquiries throughout the year.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee currently consists of Messrs. Brown , O'Brien and Rhine. Mr. O'Brien is the current Chair of the Compensation Committee. None of such members was, at any time during the Last Fiscal Year or at any previous time, an officer or employee of the Company.

None of the Company's directors or executive officers serves as a member of the board of directors or compensation committee of any other entity that has one or more of its executive officers serving as a member of the Company's board of directors. No member of the Compensation Committee had any relationship with us requiring disclosure under Item 404 of Securities and Exchange Commission Regulation S-K.

Nominating Committee

The Nominating Committee consists of Messrs. Brown, O'Brien and Rhine. Mr. Brown is the Chair of the Nominating Committee. The Nominating Committee held four (4) meetings during the Last Fiscal Year. The Nominating Committee evaluates and approves nominations for annual election to, and to fill any vacancies in, the Board and recommends to the Board the directors to serve on committees of the Board. The Nominating Committee also approves the compensation package of the Company's directors. Messrs. Brown, O'Brien and Rhine are considered "independent" under the rules of the SEC and Nasdaq.

The Nominating Committee has adopted a formal written charter (the "Nominating Charter"). The Nominating Charter sets forth the duties and responsibilities of the Nominating Committee and the general skills and characteristics that the Nominating Committee employs to determine the individuals to nominate for election to the Board. The Nominating Charter is available on the Company's Internet website at www.cinedigm.com.

The Nominating Committee will consider any candidates recommended by stockholders. In considering a candidate submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. Nevertheless, the Board may choose not to consider an unsolicited recommendation if no vacancy exists on the Board and/or the Board does not perceive a need to increase the size of the Board.

Stockholders should submit any recommendations of director candidates for the Company's 2015 Annual Meeting of Stockholders to the Company's Secretary, Mr. Loffredo, at 902 Broadway, 9th Floor, New York, New York 10010 in accordance with the procedures set forth above under the heading "Deadline for Receipt of Stockholder Proposals to be Presented at Next Annual Meeting."

There are no specific minimum qualifications that the Nominating Committee believes must be met by a Nominating Committee-recommended director nominee. However, the Nominating Committee believes that director candidates should, among other things, possess high degrees of integrity and honesty; have literacy in financial and business matters; have no material affiliations with direct competitors, suppliers or vendors of the Company; and preferably have experience in the Company's business and other relevant business fields (for example, finance, accounting, law and banking). The Nominating Committee considers diversity together with the other factors considered when evaluating candidates but does not have a specific policy in place with respect to diversity.

Members of the Nominating Committee meet in advance of each of the Company's annual meetings of stockholders to identify and evaluate the skills and characteristics of each director candidate for nomination for election as a director of the Company. The Nominating Committee reviews the candidates in accordance with the skills and qualifications set forth in the Nominating Charter and the rules of Nasdaq. There are no differences in the manner in which the Nominating Committee evaluates director nominees based on whether or not the nominee is recommended by a stockholder.

Stock Ownership Guidelines

The Board has adopted stock ownership guidelines for its non-employee directors, pursuant to which the non-employee directors are required to acquire, within three (3) years, and maintain until separation from the Company, shares equal in value to a minimum of three (3) times the aggregate value of the annual cash and stock retainer (not including committee or per-meeting fees) payable to such director. Shares acquired as Board retainer fees and shares owned by an investment entity with which a non-employee director is affiliated may be counted toward the stock ownership requirement. All of the Company's non-employee directors are currently in compliance with the stock ownership guidelines.

Code of Business Conduct and Ethics

We have adopted a code of ethics applicable to all members of the Board, executive officers and employees. Such code of ethics is available on our Internet website, www.cinedigm.com. We intend to disclose any amendment to, or waiver of, a provision of our code of ethics by filing a Current Report on Form 8-K with the SEC.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

As of August 22, 2016, the Company's directors, executive officers and principal stockholders beneficially own, directly or indirectly, in the aggregate, approximately 55.5% of its outstanding Class A Common. These stockholders have significant influence over the Company's business affairs, with the ability to control matters requiring approval by the Company's stockholders, including the proposals set forth in this Proxy Statement as well as approvals of mergers or other business combinations.

The following table sets forth as of August 22, 2016, certain information with respect to the beneficial ownership of the Class A Common Stock as to (i) each person known by the Company to beneficially own more than 5% of the outstanding shares of the Company's Class A Common Stock, (ii) each of the Company's directors, (iii) each of the Company's Chief Executive Officer, its two other most highly compensated individuals who were serving as executive officers at the end of the Last Fiscal Year and one former executive officer who would have been one of the two most highly compensated individuals had he been serving as an executive officer at the end of the Last Fiscal Year, for services rendered in all capacities during the Last Fiscal Year (the "Named Executives"), and (iv) all of the Company's directors and executive officers as a group.

I. Compensation Program Overview

As the Company has evolved, so too has the compensation program. Going forward, the Company is focused on improving both shareholder returns and its cash position. To help achieve this goal, the compensation program is intended to reward the Chief Executive Officer ("CEO") and other employees for achieving strategic goals and increasing shareholder value and includes a formal performance-based Management Annual Incentive Plan ("MAIP") based on predetermined, specific target award levels and performance metrics and goals. The MAIP is predicated on attaining goals that are critical to Cinedigm's future success and is designed to reward the level of collaboration across divisions and segments required to achieve corporate financial goals. No MAIP bonuses were paid to the NEOs for fiscal 2016.

The compensation program consists of base salary, annual incentives, and long-term equity compensation. In addition, all of our NEOs receive some modest personal benefits and perquisites. Retirement benefits are accumulated through the Company's 401(k) plan which is open to all employees. The Company does not provide supplemental retirement benefits for NEOs. Two of our named executive officers currently have employment agreements.

Mr. Edell received a \$35,000 cash award to recognize his assumption of additional responsibilities upon the elimination of the COO role, formerly held by Adam Mizel. Mr. Mizel's employment with the Company was terminated in October 2015.

The Compensation Committee annually reviews the executive compensation elements and assesses the integrity of the compensation program as a whole to ensure that it continues to be aligned with the Company's compensation objectives and supports the attainment of Company goals. Periodically, the Company reviews competitive compensation levels, mix of pay, and practices to ensure all compensation program features continue to be in line with the market, while still reflecting the unique needs of our business model. Additionally, in response to business and talent needs, executive management brings compensation proposals to the Compensation Committee, which then reviews the proposal and either approves or denies them.

II. Compensation Philosophy and Objectives

Cinedigm's executive compensation philosophy is focused on enabling the Company to hire and retain qualified and motivated executives, while meeting its business needs and objectives. To be consistent with this philosophy, the executive compensation program has been designed around the following objectives: An overarching principle in delivering on these objectives is to ensure that compensation decisions are made in the Company's best financial interests such that incentive awards are both affordable and reasonable, taking into account Company performance and considering the interests of all stakeholders.

Provide competitive compensation levels to enable the recruitment and retention of highly qualified executives.

Design incentive programs that strengthen the link between pay and corporate and business unit performance encouraging and rewarding excellence and contributions to support Cinedigm's success.

Align the interests of executives with those of shareholders through grants of equity-based compensation that also provide opportunities for ongoing executive share ownership.

An overarching principle in delivering on these objectives is to ensure that compensation decisions are made in the Company's best financial interests such that incentive awards are both affordable and reasonable, taking into account Company performance and considering the interests of all stakeholders.

III. Pay Mix

The Company's pay philosophy has been evolving from an emphasis on fixed pay to one that believes a substantial portion of each executive's compensation should be at risk and dependent upon performance. While the Compensation Committee has not adopted a targeted mix of either long-term to short-term, fixed to variable, or equity and non-equity compensation, it has taken steps to increase the portion of variable compensation. Steps in this direction include the introduction of the Management Annual Incentive Plan and more regular equity grants.

IV. Competitive Positioning

Role of Consultant

The Compensation Committee has engaged Aon Hewitt to provide guidance with respect to executive compensation, including bonuses, incentives and compensation for new hires.

Competitive Assessment

The Compensation Committee has not defined a target pay positioning for the CEO or other Named Executive Officers, nor does it commit to providing a specific percentile or pay range. In the most recent competitive assessment analysis conducted in connection with establishing or renewing our NEO's employment arrangements, the CEO's total direct compensation (total cash compensation plus long-term incentives and equity awards) was below the peer group median. The Compensation Committee viewed such positioning as reasonably appropriate because of Cinedigm's size relative to the peer group and its performance during the fiscal year.

The compensation for Mr. Edell was initially assessed in 2014 at the time of his initial employment agreement, and for Mr. Sondheim in 2013 (also at the time of his initial employment agreement); pay positioning for those roles is also conservative relative to the peer group median for the same reasons as noted in the CEO discussion above. It is the belief of the Compensation Committee that the available talent pool to fill these positions is broader than the pool for the CEO and therefore, that their pay levels, and potential opportunity for wealth creation through stock grants, are robust enough to retain and motivate them.

As the Company's performance improves and the business stabilizes, the competitiveness of Cinedigm's executive compensation for NEOs should also improve.

The Cinedigm executive compensation peer group includes 16 companies with median revenues of \$332 million including similar, but smaller, media/entertainment businesses, some technology/software companies, and some similar, but larger, media/entertainment businesses. The companies in the Cinedigm peer group were used in the most recent competitive compensation assessment conducted.

V. Elements of Compensation

Compensation for executive officers is comprised primarily of three main components:

- base salary;
- annual incentive awards; and
- long-term incentive equity grants.

We believe that our compensation program encourages our employees to remain focused on both our short-term and long-term goal: our MAIP measures and rewards business and individual performance on an annual basis, while our equity awards typically vest in installments of three to four years and reward strong share price appreciation, encouraging our executives to focus on the long-term performance of our company.

Base Salary

Base salaries are fixed compensation with the primary function of aiding in attraction and retention. These salaries are reviewed periodically, as well as at the time of a promotion, change in responsibilities, or when employment arrangements and/or agreements are renewed. Any increases are based on an evaluation of the previous year's performance of the Company and the executive, the relative strategic importance of the position, market conditions, and competitive pay levels (though, as noted earlier, the Compensation Committee does not target a specific percentile or range). Mr. Edell received a base salary increase to \$340,000 upon assumption of additional responsibilities after the elimination of the COO role, formerly held by Mr. Mizel. No other Named Executives received a salary increase during fiscal 2016.

Our NEO's salaries will remain at current levels throughout the new fiscal year, with no salary increases planned, unless an increase is determined as a result of the negotiated renewal of a Named Executive's employment arrangements.

Annual Incentive Awards

Commencing with the 2010 fiscal year, the Compensation Committee implemented a formal annual incentive plan. This plan was used for the 2016 fiscal year and covered 33 Cinedigm employees including the NEOs. The plan established threshold and maximum levels of incentive awards defined as a percentage of a participant's salary.

MAIP Potential Awards

Executive Officer	Target		Maximum
	Threshold	(as a % of base salary)	
Chris McGurk	37.5%	75%	150%
Jeffrey Edell	25%	50%	100%
William S. Sondheim	17.5%	35%	70%
Adam M. Mizel	25%	50%	100%

Payouts for the NEOs were determined based on achievement of consolidated adjusted EBITDA and other performance targets related to individual performance. Participants who were part of a specific business segment or division have a portion of their award determined by business segment or division's EBITDA performance as compared to EBITDA goals established at the beginning of the fiscal year. We do not disclose segment and division targets, or individual goals, as we believe that such disclosure would result in competitive harm. Based on our experience in the segments and divisions, we believe these targets were set sufficiently high to provide incentive to achieve a high level of performance. We believe it is difficult, although not unattainable, for the targets to be reached and, therefore, no more likely than unlikely that the targets will be reached. For Mr. McGurk and Mr. Edell 80% of their fiscal 2016 MAIP award is determined based on achievement of consolidated adjusted EBITDA and 20% based on individual performance. For Mr. Sondheim, 60% of his fiscal 2016 MAIP award is determined based on the achievement of consolidated adjusted EBITDA, 20% is based on achievement of division EBITDA, and 20% is based on individual performance. Mr. Mizel, our former Chief Operating Officer, terminated employment with the Company on October 16, 2015.

Based on 2016 performance, each NEO earned none of their target MAIP award.

Long-Term Incentive Awards

The Compensation Committee annually considers long-term incentive awards, for which it has the authority to grant a variety of equity-based awards. The primary objective of such awards is to align the interests of executives with those of shareholders by increasing executive share ownership and fostering a long-term focus. In recent years, such awards have been made after fiscal year end in order to permit consideration of year-end performance.

Long-term incentive awards for the NEOs have historically consisted of stock options and, on occasion, RSUs. These grants were designed to aid in retention, provide a discretionary reward for performance, increase executive ownership, and focus NEOs on improving share price. Mr. Edell received an award of options to purchase 10,000 shares having an exercise price of \$9.00 per share in June, 2015 pursuant to the terms of his existing employment agreement dated June 2014. With the elimination of the COO role in connection with Mr. Mizel's departure, Mr. Edell took on additional responsibilities. No other Named Executives received any long-term incentive awards during fiscal 2016.

No RSUs are currently outstanding for any Named Executives.

VI. Additional Compensation Policies and Practices

Mr. McGurk's Compensation Arrangements

Mr. McGurk joined Cinedigm in January 2011 as CEO and Chairman of the Board. Accordingly, Mr. McGurk's compensation package was created in line with the Company's current compensation philosophy of a base salary coupled with variable compensation including a large portion of equity-based compensation, through stock options, linked to stock price performance. When negotiating Mr. McGurk's employment agreement, the Company sought for salary and bonus amounts that were in line with peer group amounts and that would provide incentive for Mr. McGurk with a view toward increasing stockholder value. The Company determined that stock options would align Mr. McGurk's interests with stockholders and, further, that the escalating exercise price structure of the options (the options are grouped in three tranches which have exercise prices of \$1.50, \$3.00 and \$5.00 per share, respectively) would provide a strong incentive for Mr. McGurk to improve stock performance. Mr. McGurk and the Company entered into a new employment agreement in August 2013, pursuant to which, among other things, Mr. McGurk received a bonus of \$250,000 and a grant of stock options to purchase 1,500,000 shares of Class A Common Stock with a price of \$1.40 per share and vesting in three equal annual installments.

In addition, Mr. McGurk is entitled to receive a retention bonus of \$750,000, payable in three equal installments on March 31 of each of 2015, 2016 and 2017 in cash or shares of Class A Common Stock, or a combination thereof, at the Compensation Committee's discretion.

A summary of Mr. McGurk's compensation package is located under the heading "Employment agreements and arrangements between the Company and Named Executives" of this Item.

Employment Arrangements for other NEOs

The Company currently provides employment arrangements to Mr. McGurk and Mr. Sondheim, for retention during periods of uncertainty and operational challenge. Additionally, the employment arrangements include non-compete and non-solicitation provisions. The provisions for severance benefits are at typical competitive levels. The Company provides a severance arrangement for Mr. Edell pursuant to his previous employment agreement with the Company dated as of June 8, 2014. See "Employment agreements and arrangements between the Company and Named Executives" of this Item for a description of the material terms of such arrangements. Mr. Mizel, our former Chief Operating Officer, terminated employment with the Company on October 16, 2015. The compensation included in the tables that follow reflect his salary earned through his separation date and other amounts payable upon his termination of employment with the Company.

Personal Benefits and Perquisites

In addition to the benefits provided to all employees and grandfathered benefits (provided to all employees hired before January 1, 2005), Named Executives are eligible for an annual physical and supplemental life insurance coverage of \$200,000.

It is the Company's policy to provide minimal and modest perquisites to the Named Executives. With the new employment arrangements, most perquisites previously provided, including automobile allowances, have been eliminated.

Policy on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation in excess of \$1 million paid to certain executive officers named in this proxy statement, unless certain requirements are met. No element of the Company's compensation, including the annual incentive awards and restricted stock, meets these requirements. Given the Company's net operating losses, Section 162(m) is not currently a material factor in designing compensation.

Recoupment ("Clawback") Policy

The Company intends to recapture compensation as currently required under the Sarbanes-Oxley Act and as may be required by the rules promulgated in response to Dodd-Frank. However, there have been no instances to date where it needed to recapture any compensation.

Additionally, we recognize that our compensation program will be subject to the forthcoming amendments to stock exchange listing standards required by Section 954 of the Dodd-Frank Act, which requires that stock exchange listing standards be amended to require issuers to adopt a policy providing for the recovery from any current or former executive officer of any incentive-based compensation (including stock options) awarded during the three-year period prior to an accounting restatement resulting from material noncompliance of the issuer with financial reporting requirements. We intend to adopt such a clawback policy which complies with all applicable standards when such rules become available.

Restriction on Speculative Transactions

The Company's Insider Trading and Disclosure Policy restricts employees and directors of the Company from engaging in speculative transactions in Company securities, including short sales, and discourages employees and directors of the Company from engaging in hedging transactions, including "cashless" collars, forward sales, and equity swaps, that may indirectly involve short sales. Pre-clearance by the Company is required for any such transaction.

Employment agreements and arrangements between the Company and Named Executives

Christopher J. McGurk. On December 23, 2010, the Company entered into an employment agreement with Mr. McGurk (the "2010 McGurk Employment Agreement"), pursuant to which Mr. McGurk served as the Chief Executive Officer of the Company. The term of the 2010 McGurk Employment Agreement commenced on January 3, 2011 and was scheduled to terminate on March 31, 2014. Pursuant to the 2010 McGurk Employment Agreement, Mr. McGurk received an annual base salary of \$600,000. In addition, Mr. McGurk received a bonus of \$112,500, payable in shares of Class A Common Stock, on March 31, 2011, and was eligible for bonuses for each of the fiscal years ending March 31, 2012 through March 31, 2014, with the target bonus for such years of \$450,000, which bonuses shall be based on Company performance with goals to be established annually by the Compensation

Committee. If the Company terminates Mr. McGurk's employment without cause or he resigns with good reason (as these terms are defined in the 2010 McGurk Employment Agreement), the 2010 McGurk Employment Agreement provided that he was entitled to continued payment of his base salary (and earned bonus) through March 31, 2014, as well as the accelerated vesting of any unvested options granted to him under the 2010 McGurk Employment Agreement. However, if the Company terminated Mr. McGurk's employment without cause or he resigned with good reason following a change in control of the Company, the 2010 McGurk Employment Agreement provided that he was entitled to a lump sum payment equal to his base salary (and earned bonus) times the greater of (i) two or (ii) the number of months remaining under his employment term divided by 12, as well as the accelerated vesting of any unvested options granted to him under the 2010 McGurk Employment Agreement. Also pursuant to the 2010 McGurk Employment Agreement, Mr. McGurk received an inducement grant of non-qualified stock options to purchase 4,500,000 shares of Class A Common Stock, which options are grouped in three tranches, consisting of options for 1,500,000 shares having an exercise price of \$1.50 per share, options for 2,500,000 shares having an exercise price of \$3.00 per share and options for 500,000 shares having an exercise price of \$5.00 per share. One-third of the options in each tranche vested on December 23 of each of 2011, 2012 and 2013 and all of the options have a term of ten (10) years.

On August 22, 2013, the Company entered into a new employment agreement with Mr. McGurk (the "2013 McGurk Employment Agreement"), pursuant to which McGurk will continue to serve as the Chief Executive Officer and Chairman of the Board of the Company. The term of the 2013 McGurk Employment Agreement continues from January 3, 2011 and will end on March 31, 2017. The 2013 McGurk Employment Agreement supersedes the 2010 McGurk Employment Agreement. Pursuant to the 2013 McGurk Employment Agreement, Mr. McGurk will receive an annual base salary of \$600,000 subject to annual reviews and increases in the sole discretion of the Compensation Committee. Mr. McGurk was entitled to receive a bonus of \$250,000. In addition, Mr. McGurk is entitled to receive a retention bonus of \$750,000, payable in three equal installments on March 31 of each of 2015, 2016 and 2017 in cash or shares of Class A Common Stock, or a combination thereof, at the Compensation Committee's discretion. In addition, Mr. McGurk will be eligible for bonuses for each fiscal year, with target bonus for fiscal years 2012, 2013 and 2014 of \$450,000 and target bonus for fiscal years 2015, 2016 and 2017 of \$600,000, which bonuses shall be based on Company performance with goals to be established annually by the Compensation Committee.

The 2013 McGurk Employment Agreement further provides that Mr. McGurk is entitled to participate in all benefit plans provided to senior executives of the Company. If the Company terminates Mr. McGurk's employment without cause or he resigns with good reason, the 2013 McGurk Employment Agreement provides that he is entitled to receive his base salary through the later of March 31, 2017 or twelve (12) months following such termination as well as bonus earned and approved by the Compensation Committee, reimbursement of expenses incurred and benefits accrued prior to the termination date. If such termination or resignation occurs within two years after a change in control, then in lieu of receiving his base salary as described above, Mr. McGurk would be entitled to receive a lump sum payment equal to the sum of his then base salary and target bonus amount, multiplied by the greater of (i) two, or (ii) a fraction, the numerator of which is the number of months remaining in the term (but no less than twelve (12), and the denominator of which is twelve. Upon a change in control, any unvested options shall immediately vest provided that Mr. McGurk is an employee of the Company on such date.

Jeffrey S. Edell. On June 9, 2014, the Company entered into an employment agreement with Jeffrey Edell (the "Edell 2014 Employment Agreement"), was amended and restated as of November 1, 2015 (the "Edell 2015 Employment Agreement", and together with the Edell 2014 Employment Agreement, the "Edell Employment Agreement") pursuant to which Edell serves as Chief Financial Officer of the Company. Mr. Edell also serves as Principal Accounting Officer. The term of the Edell Employment Agreement commenced on June 9, 2014 and ended on June 8,

2016, and upon such expiration, Mr. Edell became an at-will employee. In addition, pursuant to the Edell Employment Agreement, Edell is eligible for bonuses for each of the fiscal years ending March 31, 2015 and March 31, 2016, with the target bonus for such years of 25% of his salary, which bonuses shall be based on Company performance with goals to be

Also pursuant to the Edell 2014 Employment Agreement, Edell received (i) a grant on June 9, 2014 of non-qualified stock options to purchase 25,000 shares of Common Stock, which options have an exercise price of \$26.60 per share, vest in equal annual installments on June 9 of each of 2015, 2016, 2017 and 2018 and have a term of ten (10) years, and (ii) a grant on June 4, 2015 of non-qualified stock options to purchase 10,000 shares of Common Stock, which options have an exercise price of \$9.00 per share, vest in equal annual installments on June 4 of each of 2016, 2017, 2018 and 2019 and have a term of ten (10) years.

On December 4, 2014, Cinedigm Entertainment Corp., a wholly-owned subsidiary of Cinedigm, entered into an employment agreement with William Sondheim (the "Sondheim Employment Agreement"), pursuant to which Mr. Sondheim will serve as President of Cinedigm Entertainment Corp. and President of Cinedigm Home Entertainment, LLC, a wholly-owned indirect subsidiary of Cinedigm. The term of the Sondheim Employment Agreement is from October 1, 2014 through September 30, 2016. Pursuant to the Sondheim Employment Agreement, Mr. Sondheim will receive an annual base salary of \$412,000 subject to increase at the discretion of the Compensation Committee. (2) Reflects stock options which were not granted under the Plan.

Our Board originally adopted the Plan on June 1, 2000 and our shareholders approved the Plan by written consent in July 2000. Certain terms of the Plan were last amended and approved by our shareholders in September 2014. Under the Plan, we may grant incentive and non-qualified stock options, stock, restricted stock, restricted stock units (RSUs), stock appreciation rights, performance awards and other equity-based awards to our employees, non-employee directors and consultants. The primary purpose of the Plan is to enable us to attract, retain and motivate our employees, non-employee directors and consultants. The term of the Plan expires on June 1, 2020.

During the Last Fiscal Year, 2,500 stock options were exercised.

Options granted under the Plan expire ten years following the date of grant (or such shorter period of time as may be provided in a stock option agreement or five years in the case of incentive stock options granted to stockholders who own greater than 10% of the total combined voting power of the Company) and are subject to restrictions on transfer. Options granted under the Plan generally vest over periods of up to three or four years. The Plan is administered by the Compensation Committee, and may be amended or terminated by the Board, although no amendment or termination may adversely affect the right of any individual with respect to any outstanding option without the consent of such individual. The Plan provides for the granting of incentive stock options with exercise prices of not less than 100% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive stock options granted to stockholders of more than 10% of the total combined voting power of the Company must have exercise prices of not less than 110% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive and non-qualified stock options granted under the Plan are subject to vesting provisions, and exercise is generally subject to the continuous service of the optionee, except for consultants. The exercise prices and vesting periods (if any) for non-qualified stock options may be set at the discretion of the Board or the Compensation Committee. Upon a change of control of the Company, all options (incentive and non-qualified) that have not previously vested will vest immediately and become fully exercisable. Options covering no more than 50,000 shares may be granted to one participant during any calendar year unless pursuant to a multi-year award, in which case no more than options covering 50,000 shares per year of the award may be granted, and during which period no additional options may be granted to such participant.

Grants of restricted stock and restricted stock units are subject to vesting requirements, generally vesting over periods up to three years, determined by the Compensation Committee and set forth in notices to the participants. Grants of stock, restricted stock and restricted stock units shall not exceed 40% of the total number of shares available to be issued under the Plan.

Stock appreciation rights ("SARs") consist of the right to the monetary equivalent of the increase in value of a specified number of shares over a specified period of time. Upon exercise, SARs may be paid in cash or shares of Class A Common Stock or a combination thereof. Grants of SARs are subject to vesting requirements, similar to those of stock options, determined by the Compensation Committee and set forth in agreements between the Company and the participants. RSUs shall be similar to restricted stock except that no Class A Common Stock is actually awarded to the Participant on the grant date of the RSUs and the Compensation Committee shall have the discretion to pay such RSUs upon vesting in cash or shares of Class A Common Stock or a combination thereof.

Performance awards consist of awards of stock and other equity-based awards that are valued in whole or in part by reference to, or are otherwise based on, the market value of the Class A Common Stock, or other securities of the Company, and may be paid in shares of Class A Common Stock, cash or another form of property as the Compensation Committee may determine. Grants of performance awards shall entitle participants to receive an award if the measures of performance established by the Committee are met. Such measures shall be established by the Compensation Committee but the relevant measurement period for any performance award must be at least 12 months. Grants of performance awards shall not cover the issuance of shares that would exceed 20% of the total number of shares available to be issued under the Plan, and no more than 500,000 shares pursuant to any performance awards shall be granted to one participant in a calendar year unless pursuant to a multi-year award. The terms of

grants of performance awards would be set forth in agreements between the Company and the participants. Our Class A Common Stock is listed for trading on the Nasdaq under the symbol "CIDM".

The following table sets forth certain information concerning outstanding equity awards of the Company's Named Executives at the end of the Last Fiscal Year. All outstanding stock awards reported in this table represent restricted

stock that vests in equal annual installments over three years. At the end of the Last Fiscal Year, there were no unearned equity awards under performance-based plans.

*Resigned from the Board on July 14, 2016.

Each director who is not an employee of the Company is compensated for services as a director by receiving an annual cash retainer for Board service of \$50,000, payable quarterly in arrears, and an annual stock grant of restricted shares of Class A common stock equal in value to \$50,000 as of the last day of the fiscal quarter during which the Company's annual meeting occurs, which restricted shares shall vest on a quarterly basis during the year of service. This compensation program was adopted effective October 15, 2015. Previously, including for the approximate first half of the Last Fiscal Year, non-employee directors received an annual cash retainer of \$8,000, an annual stock retainer of \$50,000 in Common Stock (based on grant date stock price), a committee retainer of \$1,000 for participation on one or more committees (maximum of \$1,000), and a per meeting fee for in-person attendance at Board meetings of \$1,000. In addition to the cash and stock retainers paid to all non-employee Directors for Board service, the Lead Independent Director receives a fixed annual amount to be determined by the Nominating Committee, in lieu of committee fees. Such amount has been fixed at \$24,000, payable half in cash and half in stock, concurrently with and in the same manner as other cash and stock retainers are paid to all non-employee Directors. The directors may elect to receive any annual cash retainer in shares of vested Class A common stock, in lieu of cash, based on the stock price as of the date of the cash payment. The Company requires that Directors agree to retain 100% of their net after tax shares received for board service until separation from the Company. In addition, the Directors are reimbursed by the Company for expenses of traveling on Company business, which to date has consisted of attending Board and Committee meetings.

The Company has adopted Stock Ownership Guidelines for its non-employee directors as discussed under "Matters Relating to Our Governance – Stock Ownership Guidelines."

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons who beneficially own more than 10% of its Class A Common Stock to file reports of ownership and changes in ownership with the Commission and to furnish the Company with copies of all such reports they file. Based on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that none of its directors, executive officers or persons who beneficially own more than 10% of the Company's Class A Common Stock failed to comply with Section 16(a) reporting requirements in the Company's Last Fiscal Year.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Form 10-K, including a discussion of the acceptability of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed and discussed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with the standards of the Public Company Accounting Oversight Board, the matters required to be discussed by Statements on Auditing Standards (SAS 61), as may be modified or supplemented, and their judgments as to the acceptability of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under the standards of the Public Company Accounting Oversight Board.

In addition, the Audit Committee has discussed with the independent registered public accounting firm their independence from management and the Company, including receiving the written disclosures and letter from the independent registered public accounting firm as required by the Independence Standards Board Standard No. 1, as

may be modified or supplemented, and has considered the compatibility of any non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements be included in the Form 10-K for the year ended March 31, 2016 for filing with the SEC.

Respectfully submitted,

The Audit Committee of the Board of Directors

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

EisnerAmper LLP served as the independent registered public accounting firm to audit the Company's consolidated financial statements since the fiscal year ended March 31, 2005 and the Board has appointed EisnerAmper LLP to do so again for the fiscal year ending March 31, 2017.

The Company's Audit Committee has adopted policies and procedures for pre-approving all non-audit work performed by EisnerAmper LLP for the fiscal years ended March 31, 2016 and 2015. In determining whether to approve a particular audit or permitted non-audit service, the Audit Committee will consider, among other things, whether the service is consistent with maintaining the independence of the independent registered public accounting firm. The Audit Committee will also consider whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service to our Company and whether the service might be expected to enhance our ability to manage or control risk or improve audit quality. Specifically, the Audit Committee has pre-approved the use of EisnerAmper LLP for detailed, specific types of services within the following categories of non-audit services: acquisition due diligence and audit services; tax services; and reviews and procedures that the Company requests EisnerAmper LLP to undertake on matters not required by laws or regulations. In each case, the Audit Committee has required management to obtain specific pre-approval from the Audit Committee for any engagements.

The aggregate fees billed for professional services by EisnerAmper LLP for these various services were:

Type of Fees	For the fiscal years	
	ended	
	March 31,	
	2016	2015
(1) Audit Fees	\$384,178	\$575,380
(2) Audit-Related Fees	—	—
(3) Tax Fees	—	—
(4) All Other Fees	—	—
	\$384,178	\$575,380

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees the Company paid EisnerAmper LLP for professional services for the audit of the Company's consolidated financial statements for the fiscal years ended March 31, 2016 and 2015 included in Form 10-K and review of consolidated financial statements incorporated by reference into Form S-3 and Form S-8 and included in Form 10-Qs and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories. All of the services set forth in sections (1) through (4) above were approved by the Audit Committee in accordance with the Audit Committee Charter.

For the fiscal years ended March 31, 2016 and 2015, the Company retained a firm other than EisnerAmper LLP for tax compliance, tax advice and tax planning.
