JOINT PROXY STATEMENT

This document is a joint proxy statement ("Joint Proxy Statement") for Flaherty & Crumrine/Claymore Preferred Securities Income Fund Incorporated ("PREFERRED SECURITIES FUND" OR "FFC") and Flaherty & Crumrine/Claymore Total Return Fund Incorporated ("TOTAL RETURN FUND" OR "FLC") (EACH A "FUND" AND, COLLECTIVELY, THE "FUNDS"). This Joint Proxy Statement is furnished in connection with the solicitation of proxies by each Fund's Board of Directors (each a "Board" and collectively, the "Boards") for use at the Annual Meeting of Shareholders of each Fund to be held on April 21, 2005, at 8:30 a.m., at the Board Room of the Radisson Bridge Resort, 999 East Camino Real, Boca Raton, Florida 33432 and at any adjournments thereof (each a "Meeting" and collectively, the "Meetings"). A Notice of Annual Meetings of Shareholders and proxy card for each Fund of which you are a shareholder accompany this Joint Proxy Statement. Proxy solicitations will be made, beginning on or about February 22, 2005, primarily by mail, but proxy solicitations may also be made by telephone, telegraph or personal interviews conducted by officers of each Fund, Flaherty & Crumrine Incorporated ("Flaherty & Crumrine" or the "Adviser"), the investment adviser of each Fund, Claymore Securities, Inc. (the "Servicing

Agent"), the servicing agent of each Fund, and PFPC Inc., the transfer agent and administrator of each Fund and a member of The PNC Financial Services Group, Inc. The costs of proxy solicitation and expenses incurred in connection with the preparation of this Joint Proxy Statement and its enclosures will be shared proportionally by the Funds. Each Fund also will reimburse brokerage firms and others for their expenses in forwarding solicitation material to the beneficial owners of its shares.

THE ANNUAL REPORT OF EACH FUND, INCLUDING AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED NOVEMBER 30, 2004, IS AVAILABLE UPON REQUEST, WITHOUT CHARGE, BY WRITING TO PFPC INC., P.O. BOX 43027, PROVIDENCE, RI 02940-3027, OR CALLING 1-800-331-1710. EACH FUND'S ANNUAL REPORT IS ALSO AVAILABLE ON THE FUNDS' WEBSITE (WWW.FCCLAYMORE.COM), THE SECURITIES AND EXCHANGE COMMISSION'S ("SEC") WEBSITE (WWW.SEC.GOV), OR BY CALLING CLAYMORE SECURITIES, INC. AT 1-866-233-4001.

If the enclosed proxy card is properly executed and returned in time to be voted at the relevant Meeting, the Shares (as defined below) represented thereby will be voted in accordance with the instructions marked thereon. Unless instructions to the contrary are marked thereon, a proxy will be voted "FOR" the election of the nominees for Director and "FOR" the other matters (as applicable to each Fund) listed in the accompanying Notice of Annual Meetings of Shareholders. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the relevant Meeting and voting his or her Shares in person or by submitting a letter of revocation or a later-dated proxy to the appropriate Fund delivered at the above address prior to the date of the Meeting.

In the event that a quorum is not present at a Meeting or in the event that a quorum is present but sufficient votes to approve any of the proposals are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote "FOR" a proposal in favor of such an adjournment with respect to that proposal and will vote those proxies required to be voted "AGAINST" a proposal against any such adjournment with respect to that proposal. A shareholder vote may be taken on a proposal in the Joint Proxy Statement prior to any such adjournment if sufficient votes have been received for approval of that proposal. Under the By-Laws of each Fund, a quorum is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote at the Meeting. If a proposal is to be voted upon by only one class of a Fund's shares, a quorum of that class of shares must be present at the Meeting in order for the proposal to be considered.

Each Fund has two classes of capital stock: common stock, par value \$0.01 per share (the "Common Stock"); and Auction Market Preferred Shares, par value \$0.01 per share ("AMPS"; together with the Common Stock, the "Shares"). Each Share is entitled to one vote at the Meeting, with pro rata voting rights for any fractional Shares. On the record date, January 28, 2005, the following number of Shares of each Fund were issued and outstanding:

* As of January 28, 2005, the Directors and officers, as a group, owned less than 1% of each class of Shares of each Fund.

** A nominee partnership of The Depository Trust Company.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Fund. Shareholders of each Fund will vote as a single class except as described below under Proposal 1 and will vote separately for each of FFC and FLC on each proposal on which shareholders of that Fund are entitled to vote. Separate proxy cards are enclosed for each Fund in which a shareholder is a record owner of Shares. Thus, if a proposal is approved by shareholders of one Fund and disapproved by shareholders of the other Fund, the proposal will be implemented for the Fund that approved the proposal and will not be implemented for the Fund that did not approve the proposal. It is therefore essential that shareholders complete, date and sign EACH enclosed proxy card. SHAREHOLDERS OF EACH FUND ARE ENTITLED TO VOTE ON THE PROPOSALS PERTAINING TO THAT FUND.

In order that your Shares may be represented at the Meetings, you are requested to vote on the following matters:

PROPOSAL 1: ELECTION OF DIRECTORS

At the Meetings, shareholders are being asked to consider the election of Directors of each Fund. The Board of each Fund is divided into three classes, each class having a term of three years. Each year the term of office of one class expires and the successor or successors elected to such class serve for a three-year term and until their successors are duly elected and qualified.

At the Regular Meeting of the Board of Directors of each Fund held on January 21, 2005 (the "January Board Meetings"), based on a recommendation from each Fund's respective Nominating Committee, the Board of each Fund separately

determined to decrease the size of the Board from six to five directors effective April 21, 2005. This determination was made in connection with each Board's consideration of the recently adopted SEC rule amendments under the Investment Company Act of 1940, as amended (the "1940 Act"), relating to fund governance practices. Each Board specifically considered the requirement under the SEC amendments that at least 75% of a fund's board be not "interested" (as such term is defined in the 1940 Act) in order for such Fund to rely on certain exemptive rules under the 1940 Act (the "75% Requirement"). After consideration of the options available to each Fund to comply with the 75% Requirement, each Board separately determined that a reduction in the size of the Board was the optimal manner in which to comply with the 75% Requirement. Accordingly, such reduction in the size of each Board effectively eliminates a Class I Director seat on April 21, 2005, at which time the current term of office of Mr. Dalmaso as a Class I Director of each Fund will expire.

NOMINEES FOR THE BOARD OF DIRECTORS

Each nominee named below has consented to serve as a Director if elected at the relevant Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

Mr. Gale, the remaining Class I Director of each Fund (as of April 21, 2005) has been nominated for a three-year term to expire at each Fund's 2008 Annual Meeting of Shareholders and until his successor is duly elected and qualified. Mr. Brody serves as a Class II Director of each Fund and will serve until each Fund's 2006 Annual Meeting of Shareholders and until his successor is duly elected and qualified. Mr. Gust currently serves as a Class II Director of FFC and will serve until FFC's 2006 Annual Meeting of Shareholders and until his successor is duly elected and qualified. Mr. Gust, a Class II Director of FLC, has been nominated for a one-year term to expire at the 2006 Annual Meeting of Shareholders and until his successor is duly elected and qualified. Messrs. Crumrine and Wulf serve as Class III Directors of each Fund and will serve until each Fund's 2007 Annual Meeting of Shareholders and until their successors are duly elected and qualified. Each Director has served in such capacity since each Fund's commencement of operations.

Under each Fund's Articles of Incorporation, Articles Supplementary and the 1940 Act, holders of AMPS, voting as a single class, will be entitled to elect two Directors, and holders of the Common Stock will be entitled to elect the remaining Directors. However, subject to the provisions of the 1940 Act and the Fund's Articles of Incorporation, the holders of AMPS, when dividends are in arrears for two full years, are able to elect the minimum number of additional Directors, that when combined with the two Directors elected by the holders of AMPS, would give the holders of AMPS a majority of the Directors. Nicholas Dalmaso and Morgan Gust, as Directors, currently represent holders of AMPS of each Fund. Mr. Gale has been nominated (to replace Mr. Dalmaso) as one of the two directors that represent holders of AMPS of each Fund. A quorum of the AMPS shareholders must be present at the Meeting of each Fund in order for the proposal to elect Mr. Gale (for FFC) and Messrs. Gale and Gust (for FLC), respectively, to be considered.

AUDIT COMMITTEE REPORT

The role of each Fund's Audit Committee is to assist the Board of Directors in its oversight of (i) the integrity of each Fund's financial statements and the independent audit thereof; (ii) each Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) each Fund's compliance with legal and regulatory requirements; and (iv) the independent auditor's qualifications, independence and performance. In addition, pursuant to each Fund's Audit Committee Charter, each Fund's Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in each Fund's annual proxy statement.

Each Audit Committee operates pursuant to a Charter that was most recently reviewed and approved by the Board of Directors of each Fund on January 21, 2005 and which is available on the Funds' website (www.fcclaymore.com). As set forth in the Charter, management is responsible for (i) the preparation, presentation and integrity of each Fund's financial statements, (ii) the maintenance of appropriate accounting and financial reporting principles and policies, and (iii) the maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent accountants are responsible for planning and carrying out proper audits and reviews of each Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In performing its oversight function, at a meeting held on January 21, 2005, the Audit Committee reviewed and discussed with management of each Fund and the independent accountants, KPMG LLP ("KPMG"), the audited financial statements of each Fund as of and for the fiscal year ended November 30, 2004, and discussed the audit of such financial statements with the independent accountants.

In addition, the Audit Committee discussed with the independent accountants the accounting principles applied by each Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 61, COMMUNICATIONS

WITH AUDIT COMMITTEES, as currently modified or supplemented. The Audit Committee also received from the independent accountants the written disclosures and statements required by the SEC's independence rules, delineating relationships between the independent accountants and each Fund and discussed the impact that any such relationships might have on the objectivity and independence of the independent accountants.

As set forth above, and as more fully set forth in each Fund's Audit Committee Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal controls systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by each Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of each Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee of each Fund recommended to the Board of Directors of each Fund that the audited financial statements be included in each Fund's Annual Report for the fiscal year ended November 30, 2004.

THIS REPORT WAS SUBMITTED BY THE AUDIT COMMITTEE OF EACH FUND'S BOARD OF DIRECTORS

Martin Brody
David Gale
Morgan Gust
Robert Wulf (Chairman)

January 21, 2005

Each Audit Committee met four times in connection with its Board of Directors regularly scheduled meetings during the fiscal year ended November 30, 2004. Each Audit Committee is composed entirely of each Fund's independent (as such term is defined by the New York Stock Exchange, Inc.'s listing standards applicable to closed-end funds (the "NYSE Listing Standards")) Directors, namely Messrs. Brody, Gale, Gust and Wulf.

NOMINATING COMMITTEE

Each Board of Directors has a Nominating Committee composed entirely of each Fund's independent (as such

term is defined by the NYSE Listing Standards) Directors, namely Messrs. Brody, Gale, Gust and Wulf. The Nominating Committee of each Fund met three times during the fiscal year ended November 30, 2004. The Nominating Committee is responsible for identifying individuals believed to be qualified to become Board members and recommending to the Board of Directors such nominees to stand for election as directors at each Fund's annual meeting of shareholders and to fill any vacancies on the Board. Each Fund's Nominating Committee has a charter which is available on the Funds' website (www.fcclaymore.com).

Each Fund's Nominating Committee believes that it is in the best interest of the Fund and its shareholders to obtain highly qualified candidates to serve as members of the Board of Directors. The Nominating Committees have not established a formal process for identifying candidates where a vacancy exists on the Board. In nominating candidates, the Nominating Committee shall take into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof.

Each Fund's Nominating Committee will consider director candidates recommended by shareholders and submitted in accordance with applicable law and procedures as described in this Joint Proxy Statement (see "Submission of Shareholder Proposals" below).

OTHER BOARD-RELATED MATTERS

Shareholders who wish to send communications to the Board should send them to the address of the Fund and to the attention of the Board. All such communications will be directed to the Board's attention.

The Funds do not have a formal policy regarding Board member attendance at the Annual Meeting of Shareholders. However, all of the Directors attended the April 23, 2004 Annual Meeting of Shareholders.

COMPENSATION

The following table sets forth certain information regarding the compensation of each Fund's Directors for the fiscal year ended November 30, 2004. No executive officer or person affiliated with a Fund received compensation from a Fund during the fiscal year ended November 30, 2004 in excess of \$60,000. Directors and executive officers of the Funds do not receive pension or retirement benefits from the Funds.

REQUIRED VOTE

The election of Mr. Gale as a Director of FFC and FLC will require the affirmative vote of a plurality of the votes cast by holders of the shares of AMPS of each Fund at the Meeting in person or by proxy. The election of Mr. Gust as a Director of FLC will require the affirmative vote of a plurality of the votes cast by holders of the shares of AMPS of FLC at the Meeting in person or by proxy.

EACH BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" EACH NOMINEE AS DIRECTOR.

PROPOSAL 2: APPROVAL OF AN AMENDMENT TO EACH FUND'S ARTICLES SUPPLEMENTARY RELATING TO THE TERM OF OFFICE OF CERTAIN DIRECTORS

The second proposal to be considered at the Meeting is amending the Articles Supplementary Establishing and Fixing the Rights and Preferences of Auction Market Preferred Stock of each of FFC and FLC (each, the "Articles Supplementary") as set forth in the proposed Articles of Amendment for each of FFC and FLC ("Proposed Amendment A") described below and attached to this Joint Proxy Statement as Proposed Amendments A-1 and A-2, respectively.

As discussed in connection with Proposal 1 above, under each Fund's Articles of Incorporation, Articles Supplementary and the 1940 Act, holders of AMPS, voting as a single class, are entitled to elect two Directors, and holders of the Common Stock are entitled to elect the remaining Directors. In addition, subject to the provisions of the 1940 Act and each Fund's Articles of Incorporation, the holders of AMPS, when dividends are in arrears for two full years, are able to elect the minimum number of additional directors which, when combined with the two Directors elected by the holders of the AMPS, would give the holders of AMPS a majority of the Directors. However, the Funds' Articles of Incorporation and Articles Supplementary are silent on the status of directors elected by holders of AMPS in the event all of the AMPS shares were to be redeemed in full. Therefore, in the event of a redemption in full, the directors elected by holders of the AMPS could be entitled to continue to serve as directors until their terms of office expire.

The purpose of Proposed Amendment A is to specifically set forth in each Fund's Articles Supplementary a provision that the term of certain directors elected by a single series of preferred stock, such as the AMPS, will terminate automatically upon redemption in full of the holders of the stock. As discussed more fully below, in the event of such redemption of preferred stock in full, all obligations to the holders of preferred stock will cease and separate representatives for them would serve no valid business purpose. In that circumstance, the 1940 Act provision requiring separate representatives for holders of preferred stock would no longer apply or have any relevance.

REASONS FOR PROPOSED AMENDMENT A. Proposed Amendment A would specifically set forth in each Fund's Articles Supplementary a provision that the term of any Director (other than a Continuing Director) elected by a single series of preferred stock of the Fund would terminate automatically upon redemption in full of the holders of that series of preferred stock. As applied to the Funds, the holders of the AMPS in the aggregate would be considered a single series so that, upon a redemption in full of the AMPS, the term of office of any director elected by the AMPS who was not a Continuing Director would automatically terminate. As a result, Proposed Amendment A would give the Board of Directors of each Fund the flexibility to indirectly cause the directorship of a preferred director to terminate by redeeming the preferred stock the director represents. Taking this action may be particularly appropriate where a person or group acquires a large position in preferred shares immediately prior to the record date with a view of obtaining a seat on the board to serve as a platform for initiating and instigating action that would be contrary to the interest of the preferred shareholders or of the relevant Fund as a whole. Neither Fund is aware of an intention on the part of any third party to seek to obtain a seat on the Board of Directors or to recommend any business combination, open-ending or other corporate action to change the manner in which a Fund operates. Nevertheless, the Board or Directors of each Fund considers it prudent to have the flexibility Proposed Amendment A would afford. Of course, there would be costs (including legal fees and costs associated with providing notice to the preferred shareholders) and other significant implications (including the consideration of whether to issue new preferred stock at the time the outstanding preferred shares are redeemed or leverage the Fund by borrowing (each of which would entail additional costs) or, alternatively, liquidate Fund investments in order to redeem the then outstanding preferred shares) associated with any decision to redeem the preferred stock which would be evaluated in full by the Fund's Board of Directors at the time that any such action is contemplated. Because the automatic ter-

mination provision would not apply to persons considered to be Continuing Directors, Proposed Amendment A would enable the Fund to retain the services of persons who do not have sizable shareholdings or strategic proposals that could place them in a posture adverse to a Fund. "Continuing Director" is defined in each Fund's Articles of Incorporation generally as a Director who (a) is not an Interested Party or an Affiliate or an Associate (as these terms are defined in the Articles of Incorporation; generally, an Interested Party is a person who has entered into a business combination with the Fund or individually or together with other persons owns or is deemed to own, directly or indirectly, more than 5% of any class of the Fund's securities) of an Interested Party and has been a member of the Board of Directors for a period of at least 12 months; or (b) is a successor of a Continuing Director who is not an Interested Party or an Affiliate or an Associate of an Interested Party and is recommended to succeed a Continuing Director by a majority of the Continuing Directors then on the Board of Directors; or (c) is elected to the Board of Directors to be a Continuing Director by a majority of the Continuing Directors then on the Board of Directors and who is not an Interested Party or an Affiliate or Associate of

an Interested Party.

At the January Board Meetings, the Board of Directors of each Fund separately approved Proposed Amendment A, subject to shareholder approval and subject to receipt of certain written confirmations from the rating agencies rating the AMPS. The Board considered a number of factors in its deliberations, including (i) that in the event of a redemption in full of a single series of preferred stock of the Fund, separate representatives for the preferred stock would serve no valid business purpose; (ii) that closed-end funds continue to be subject to action by parties with agendas contrary to the interest of fund shareholders as a whole that are disruptive to fund operations and involve significant costs; (iii) that Proposed Amendment A would give the Board of each Fund flexibility in certain circumstances to take appropriate action in a situation where a person or group obtains a Board seat through an investment in a Fund's preferred stock with a view to taking action considered to be contrary to the interests of the preferred holders or the Fund as a whole; and (iv) the benefit of retaining the knowledge and expertise of the Continuing Directors representing preferred shares in the event a decision is made to redeem a series of preferred stock and/or replace that series with another series.

If adopted, Proposal 2 would render more difficult or discourage the assumption of control by a holder of a large block of a Fund's AMPS, a proxy contest, a merger, a tender offer or the removal of incumbent management.

REQUIRED VOTE

Approval of the Articles of Amendment of each Fund will require the affirmative vote of a majority of the votes of the outstanding shares of stock entitled to be cast by holders of each Fund's Common Stock and AMPS, voting together as a single class. The Funds have had conversations with both Moody's Investor Service, Inc. ("Moody's") and Fitch Ratings ("Fitch"), the rating agencies currently rating the AMPS, about Proposed Amendment A. They have indicated preliminarily that the changes would not impair their current ratings on the AMPS ("Aaa" and "AAA," respectively). In any event, Proposed Amendment A will not be implemented unless Moody's and Fitch confirm that it would not impair their current ratings on the AMPS.

THE BOARD OF DIRECTORS OF EACH FUND UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" PROPOSAL NO. 2.

PROPOSAL 3: APPROVAL OF AN AMENDMENT TO THE
PREFERRED SECURITIES FUND'S ARTICLES SUPPLEMENTARY
RELATING TO THE FORCE MAJEURE PROVISION - FFC ONLY

The third proposal to be considered at the Meeting is amending FFC's Articles Supplementary as set forth in the proposed Articles of Amendment ("Proposed Amendment B") described below and attached to this Joint Proxy Statement as Proposed Amendment B. For ease of reference, the Articles of Amendment in Proposed Amendment B have been marked to show the proposed changes by underlining the new language and putting it in bold typeface.

The Articles Supplementary establish procedures for regular periodic auctions for FFC's AMPS. The auctions establish the dividend rate to be paid to the holders of the AMPS for the next dividend period and are held by FFC's auction agent at the times and in the manner provided in the Articles Supplementary.

The Articles Supplementary currently contain a provision (the "Force Majeure Provision") which provides that, if an auction date for any series ("Series") of AMPS is not a business day because the NYSE is closed for business due to an act of God, natural disaster, extreme weather, act of war, civil or military disturbance, act of terrorism, sabotage, riots or a loss or malfunction

of utilities or communications services (each, an "Extraordinary Event"), or if the auction agent is not able to conduct an auction in accordance with the auction procedures for any such reason, the dividend rate for the next

11

dividend period for that Series will be the dividend rate determined on the previous auction date.

Proposed Amendment B would revise the Force Majeure Provision to (a) modify how the dividend rate to be paid to the holders of AMPS is determined by creating a distinction between situations where the NYSE is closed for (i) more than three calendar days or (ii) three or fewer calendar days and (b) provides that if an Extraordinary Event occurs with respect to a Series of AMPS, existing holders of such Series will continue to hold their AMPS until the next auction for that Series of AMPS is held. With regard to dividend payments that cannot be effected due to NYSE closures for an Extraordinary Event, Proposed Amendment B also creates a distinction between deferral of dividend payment dates for more than three days and three or fewer days.

The purpose of Proposed Amendment B is to revise and clarify the procedures for auctions and dividend payments for certain situations outside the control of FFC that force the NYSE to close or prevent the auction agent from conducting an auction.

DIVIDEND RATE PROVISION. The revised Force Majeure Provision provides that if an auction date is not a business day because the NYSE is closed for more than three consecutive calendar days (excluding Saturdays and Sundays and previously announced NYSE holidays), or the auction agent cannot conduct an auction in accordance with the auction procedures for such period, due to an Extraordinary Event, then the dividend rate to be paid to the holders of the AMPS will be the dividend rate determined on the previous auction date. If an auction date is not a business day because the NYSE is closed for three or fewer than three consecutive calendar days, or if the auction agent cannot conduct an auction in accordance with the auction procedures for such period due to an Extraordinary Event, then the dividend rate to be paid to the holders of the AMPS will be the dividend rate determined by auction on the first business day (i.e., the first day on which the NYSE is open) following such auction date.

DIVIDEND PAYMENT PROVISION. The current provision applicable to payment of a dividend where the NYSE is closed due to an Extraordinary Event would similarly be modified to distinguish short-term from longer-term closings. Under the Articles Supplementary currently, special provisions allow the deferral of a dividend payment to the next business day on which FFC and the auction agent are able to cause the dividend to be paid using commercially reasonable available means. Proposed Amendment B narrows the circumstances in which this deferral would apply to where the NYSE is closed for more than three consecutive calendar days due to an Extraordinary Event.

HOLD OVER PROVISION. The proposed revised Force Majeure Provision also provides that in the event an auction for a Series of AMPS cannot be held due to an Extraordinary Event, each existing holder of such Series of AMPS, will continue to hold all of his or her AMPS until the next auction for such Series of AMPS is held (unless a holder sells his or her AMPS outside of an auction in a secondary trading market). This means that a holder would, under these circumstances, be required to hold his or her AMPS for another dividend period (which would be seven days in the case of Series M7, T7, W7, TH7 and F7 AMPS and 28 days in the case of Series T28 and W28 AMPS).

REASONS FOR THE PROPOSED AMENDMENT. Proposed Amendment B is designed to

bring the Force Majeure provisions for FFC into line with those for FLC and current practices for newly issued preferred shares of closed-end funds. It is also designed to make clear, rather than implicit, that holders of a Series of AMPS will be required to continue to hold their shares of that Series until an auction is held following an Extraordinary Event. Under Proposed Amendment B, if a NYSE closing is of short duration, a new auction will be held, while only under longer-duration closings (or a longer- duration inability of the auction agent to conduct an auction) will the holders maintain the current dividend rate. As a result, AMPS holders may benefit. Rather than receiving the existing dividend rate for an additional period in all instances, AMPS holders will be entitled to the rate resulting from an auction when the NYSE is closed for three days or less due to an Extraordinary Event. The same holds true for dividend payment dates. If a NYSE closing is of short duration, the dividend payment date would be the regular dividend payment date determined in accordance with the Articles Supplementary. A dividend payment date would be deferred to the next business day on which FFC and the auction agent are able to cause the dividend to be paid using commercially reasonable means only for longer-duration closings.

At a meeting held on January 21, 2005, the Board of Directors of FFC approved Proposed Amendment B, subject to shareholder approval and subject to receipt of written confirmation by the rating agencies rating the AMPS. The Board considered a number of factors in its deliberations, including that the effect of Proposed Amendment B to the Articles Supplementary is to ensure that, upon an Extraordinary Event, FFC's auction for its AMPS can be conducted pursuant to clear procedures set forth in its Articles Supplementary; that Proposed Amendment B will benefit AMPS holders in the event of a NYSE closing of three days or less due to an Extraordinary Event by allowing their dividend rate to be determined at an auction in the ordinary course; and that the Proposed Amendment would bring the Force Majeure Provision for FFC in line with that for FLC and current industry practice. The Board also considered the potential bene-

12

fit to the Common Shareholders of Proposed Amendment B. In particular, they considered that the change could mitigate any disruption of the Fund's AMPS auction due to an Extraordinary Event, thereby preserving any potential benefit derived from the Fund being leveraged with AMPS. The Board was aware that this proposal was presented at the 2004 Annual Meeting and had narrowly failed to receive the vote necessary for approval. In light of the perceived benefits of Proposed Amendment B, the Board determined to resubmit the proposal for shareholder consideration.

REQUIRED VOTE

Approval of the Articles of Amendment will require the affirmative vote of a majority of the votes of the outstanding shares of stock entitled to be cast by the holders of FFC's Common Stock and AMPS, voting together as a single class. The Fund has had conversations with both Moody's and Fitch, the rating agencies currently rating the AMPS, about Proposed Amendment B. They have indicated preliminarily that the changes would not impair their current rating on the AMPS ("Aaa" and "AAA," respectively). In any event, Proposed Amendment B will not be implemented unless Moody's and Fitch confirm that it would not impair their current ratings on the AMPS.

THE BOARD OF DIRECTORS OF FFC UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" PROPOSAL NO. 3.

SUBMISSION OF SHAREHOLDER PROPOSALS

All proposals by shareholders of each Fund that are intended to be presented at each Fund's next Annual Meeting of Shareholders to be held in 2006 must be received by the relevant Fund for consideration for inclusion in the relevant Fund's proxy statement relating to the meeting no later than October 25, 2005 and must satisfy the other requirements of federal securities laws.

Each Fund's By-Laws require shareholders wishing to nominate Directors or make proposals to be voted on at the Fund's annual meeting to provide timely notice of the proposal in writing. Any such notice by a shareholder shall set forth the information required by the Fund's By-Laws with respect to each matter the shareholder proposes to bring before the annual meeting.

Each Fund's Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the auditors to the Fund, and all non-audit services to be provided by the auditors to the Fund's investment adviser and any entity controlling, controlled by or under common control with the Funds' investment adviser that provide on-going services to each Fund ("affiliates"), if the engagement relates directly to the operations and financial reporting of each Fund, or to establish detailed pre-approval policies and procedures for such services in accordance with applicable laws. All of the audit, audit-related and tax services for which KPMG billed each Fund fees for each Fund's fiscal period ended November 30, 2003 and fiscal year ended November 30, 2004 were pre-approved by the Audit Committee.

For each Fund's fiscal year ended November 30, 2004, KPMG did not provide any non-audit services (or bill any fees for such services) to the Funds' investment adviser or any affiliates thereof that provide services to the Funds.

INVESTMENT ADVISER, ADMINISTRATOR AND SERVICING AGENT

Flaherty & Crumrine serves as the investment adviser to each Fund and its business address is 301 E. Colorado Boulevard, Suite 720, Pasadena, California 91101. PFPC Inc. acts as the administrator to each Fund and is located at 4400 Computer Drive, Westborough, Massachusetts 01581. COMPLIANCE WITH THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act require each Fund's directors and officers, certain persons affiliated with Flaherty & Crumrine and persons who beneficially own more than 10% of a registered class of each Fund's securities, to file reports of ownership and changes of ownership with the SEC, the NYSE and each Fund. Directors, officers and greater-than-10% shareholders are required by SEC regulations to furnish each Fund with copies of such forms they file. Based solely upon its review of the copies of such forms received by it and written representations from certain of such persons, each Fund believes that during 2004, all such filing requirements applicable to such persons were met.

BROKER NON-VOTES AND ABSTENTIONS

A proxy which is properly executed and returned accompanied by instructions to withhold authority to vote represents a broker "non-vote" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter). Proxies that reflect abstentions or broker non-votes (collectively, "abstentions") will be counted as shares that are present and entitled to vote at the meeting for purposes of determining the presence of a quorum. With respect to Proposal 1, abstentions do not constitute a vote "for" or "against" the proposal and will be disregarded in determining the "votes cast" on the proposal. With respect to Proposal 2 for both Funds and Proposal 3 for FFC, abstentions will count as a vote against a proposal.

OTHER MATTERS TO COME BEFORE THE MEETING

Each Fund does not intend to present any other business at the relevant Meeting, nor is either Fund aware that any shareholder intends to do so. If, however, any other matters are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their judgment.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND THE MEETINGS ARE THEREFORE URGED TO COMPLETE, SIGN, DATE AND RETURN ALL PROXY CARDS AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.
