The Company will contribute the net proceeds of this offering

to BioMed Realty, L.P., its operating partnership. The operating partnership intends to subsequently use the net proceeds of the offering to repay a portion of the outstanding indebtedness under our \$600.0 million unsecured line of credit and for other general corporate and working capital purposes. Because the net proceeds are larger than the expected net proceeds disclosed in the preliminary prospectus, the amount of our indebtedness repaid with the net proceeds of this offering will be more than estimated in the preliminary prospectus.
