Item 5. Other Events

As previously disclosed, in October 2002, UniSource Energy Corporation (UniSource Energy) entered into two Asset Purchase Agreements with Citizens Communications Company (Citizens) for the purchase by UniSource Energy of Citizens' Arizona electric utility and gas utility businesses for a total of \$230 million. The purchase price of each is subject to adjustments based on the date on which the transaction is closed and, in each case, on the amount of certain assets and liabilities of the purchased business at the time of closing.

UniSource Energy and Citizens have agreed to modify the provision of the agreements that provided that the purchase price would be reduced by \$10 million if the transaction closes by July 28, 2003 to allow such \$10 million price reduction so long as the transaction closes by August 11, 2003.

The acquisition is expected to close on or about August 11, 2003. The acquisition has not yet been approved by the Securities and Exchange Commission.
