Item 1. Security and Issuer

This Schedule 13D relates to the ordinary shares, nominal value 2.00 Norwegian Kroner (NOK) per share (Ordinary Shares), of Petrojarl ASA, a corporation organized under the laws of the Kingdom of Norway (the Issuer), with principal executive offices at Beddingen 16, Trondheim, Norway. The Issuer has registered American Depository Shares (the ADSs) under the Securities Act, each of which represents one Ordinary Share of the Issuer. The Ordinary Shares are traded on the Oslo Stock Exchange and are not registered under the 1933 Act (other than as ADSs).

Item 2. Identity and Background

This Schedule 13D relates to Teekay Shipping Corporation, a corporation existing under the laws of the Republic of the Marshall Islands (Teekay), with its principal executive offices at Bayside House, Bayside Executive Park, West Bay Street & Blake Road, P.O. Box AP- 59212, Nassau, Bahamas. Teekay is referred to as the Reporting Person.

The Reporting Person is principally in the business of international crude oil and petroleum product transportation services.

The name, principal occupation or employment and principal business address and citizenship of each director and executive officer of the Reporting Person are as set forth on Schedule A.

In the past five years, neither of the Reporting Person nor, to the knowledge of the Reporting Person, any of the individuals set forth on Schedule A has been convicted in a criminal proceeding or been a party to any action as a result of which it is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The total amount of funds required to purchase the 30,409,100 Ordinary Shares beneficially owned by the Reporting Person, was approximately 2,067,643,800 NOK, exclusive of brokerage commissions, and was furnished from internally generated funds of the Reporting Person and its affiliated entities.

Item 4. Purpose of Transaction

The Reporting Person acquired beneficial ownership of the Ordinary Shares for the purpose of influencing or obtaining control of the Issuer.

As a result of their having acquired more than 40% of the outstanding Ordinary Shares, the Reporting Person has become obligated, pursuant to the Norwegian Securities Trading Act (the NSTA), either to make a mandatory offer for the purchase of the remaining outstanding Ordinary Shares (the Mandatory Offer) or reduce its holding to below 40%. The Mandatory Offer must be made within four weeks after the Reporting Person first became obligated to make the Mandatory Offer and the offer price in the Mandatory Offer must be at least as high as the market price of Ordinary Shares as of, or the highest price paid by the Reporting Person to acquire Ordinary Shares during the six month period prior to, the time the Reporting Person first became obligated to make the Mandatory Offer which would result in an offer price of not less than 68 NOK per share in the Mandatory Offer.

As required by the NSTA, on September 1, 2006, the Reporting Person notified the Oslo Stock Exchange that it had become obligated to make the Mandatory Offer and that it would do so at the minimum required offer price.

The NSTA also provides that until such time as the Mandatory Offer is made, the Reporting Person may not exercise any rights (including voting rights) as holders of the portion of the Ordinary Shares it holds in excess of 40% (other than the right to receive dividends and pre-emption rights).

If following consummation of the Mandatory Offer, the Reporting Person holds more than 90% of the outstanding Ordinary Shares, the Reporting Person (as well as any remaining shareholder of the Issuer) would have the right under Norwegian law to commence a process leading to a compulsory acquisition by the Reporting Person for cash of any Ordinary Shares not already owned by the Reporting Person at price determined either by agreement or by a Norwegian court.

Except as described in this Schedule, the Reporting Person currently has no specific plans or proposals that relate to or would result in any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to this Schedule. However, the Reporting Person, either directly or through one of its subsidiaries, intends to hold discussions with the board of directors and management of the Issuer, to seek to participate in the direction and management of the Issuer (including by seeking representation on the Issuer's board of directors) and to otherwise exercise influence or control over the Issuer and its business and policies, in each case commensurate with the level of their shareholding in the Issuer. Accordingly, the Reporting Person reserves the right, from time to time, to formulate plans or proposals regarding the Issuer or any of its securities and to carry out any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to this Schedule, to the extent deemed advisable by the Reporting Person.

Item 5. Interest in Securities of the Issuer

The Reporting Person beneficially owns and has sole voting and dispositive power with respect to 30,409,100 shares of Ordinary Shares of the Issuer, representing approximately 40.55% of the Issuer's outstanding Ordinary Shares calculated according to the number of shares of Ordinary Shares the Issuer disclosed as outstanding following the transactions contemplated by its Registration Statement on Form F-6, declared effective on July 3, 2006.

The Ordinary Shares beneficially owned by the Reporting Person were purchased by TPO Investments AS, a wholly owned subsidiary of the Reporting Person (TPO). TPO acquired the 30,409,100 Ordinary Shares from August 23, 2006 through the date of this Schedule, for a purchase price of 66.5 NOK to 68 NOK per share, excluding commissions, in cash in multiple transactions via the Oslo Stock Exchange and in privately negotiated transactions.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

TPO entered into price protection agreements with certain sellers of the Ordinary Shares acquired by TPO. TPO agreed to pay each such seller the difference between the purchase price paid by TPO to such seller for such seller's Ordinary Shares and the price at which TPO subsequently purchases or sells any Ordinary Shares within a given period of time, ranging from three to twelve months. A form of the letter agreement containing these terms is filed with this Schedule as Exhibit 99.1.
